MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

On motion of Supervisor Spiegel seconded by Supervisor Perez, and duly carried by unanimous vote, IT WAS ORDERED that the meeting of Tuesday, June 7, 2022, be adjourned in memory of Charles Wiley, who peacefully passed away in the trenches of fighting for freedom, Wednesday, March 9, 2022, at the age of 95.

Wiley was born on November 17, 1926, in Flushing, Queens, to parents, Charles F. and Fay Wiley. He grew up on the Upper West Side of Manhattan. He learned loyalty to friends and lessons of life, from the kids he hung out with on 95th Street. Wiley and his wife Tina had three children; Scott, Chris and son Cliff, who passed away at the young age of 19.

Wiley was a Vaudeville and Broadway child actor during the wars of America, from World War II to the Persian Gulf wars. Wiley was an electric presence and a courageous gatherer of facts. Wiley had a very successful 13-year show business career. He was part of his father's stand-up comic routines on vaudeville stage and radio and was a child actor, playing the role of Wally Webb, in the Pulitzer Prize-winning Broadway drama "Our Town," by Thornton Wilder.

Wiley enlisted in the United States Navy, at the age of 17. His service included duty with the amphibious corps in the Pacific and a brief tour with naval intelligence. He received a battle star for Okinawa and at the end of the war, was among the very first Americans to occupy Japan. Wiley later helped evacuate the natives from the Pacific Island Bikini before the atom bomb tests.

Wiley studied journalism at New York University after the war. As a journalist, Wiley has reported from 100 countries. He covered 11 wars, including reporting for NBC, UPI the London Express, and numerous other U.S. and foreign news media. His articles and photographs also appeared in the New York Times, U.S. News & World Report, Newsweek, Time, National Review, and the American Spectator.

Wiley had a love for teaching high school and college students how to discern truth in media reports and political debates. Every year, he spoke at dozens of colleges, high schools, and young adult gatherings throughout the country. Some of his favorite perennial audiences were those at his annual talks, since 1991, at the biggest political science class of University of California Berkeley, and to the annual gathering of 2000 of the nation's top high school seniors every June, at Boys State in both New Jersey and Wisconsin.

Charles Wiley's memory and passionate spirit will live forever in the hearts of those who knew and loved him. He will be greatly missed but never forgotten.

The Board of Supervisors commemorates his service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Charles Wiley.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on June 7, 2022 of Supervisors Minutes.
