**C.E.O. RECOMMENDATION:** Approve.

**BACKGROUND:**

**Summary**

The County of Riverside, Treasurer-Tax Collector is responsible for the processing, printing, and mailing of over 1 million tax bills to the owners of record for each property in Riverside County, producing in excess of \$4.5 billion in revenue annually. Processing of tax bills occurs at various times throughout the year on a monthly basis. The timely mailing of each tax bill is critical to ensure the efficient collection and the timely deposit of revenues. In addition, there are specific mailing deadlines specified in the California Revenue and Taxation Code that are required to be met.

Additionally, during this time of unprecedented economic uncertainty, the County of Riverside cannot sustain a disruption in the printing and mailing of property tax bills, which would have a substantial negative impact on the single largest source of revenue to the County of Riverside. Therefore, this agreement is critical to ensure uninterrupted revenue streams.

**Impact on Residents and Businesses**

Services are provided to all citizens throughout the County for the mailing of tax bills.

**Contract History and Price Reasonableness**

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

The Purchasing Department on behalf of the Treasurer Tax Collector Department issued Request for Proposal (RFP) ASARC-376 for full service commercial printing services for printing and mailing of tax bills. The RFP notification was viewed by 34 vendors with a total of (4) bidders submitting bid responses. The proposals were carefully reviewed by an evaluation team consisting of personnel from the Treasurer Tax Collector Department. Each bid response was evaluated based on the criteria set forth in the RFP: bidder proposal response, bidder qualifications/experience, bidder's proposed implementation plan, overall cost to the County, references with demonstrated success with similar work to the Scope of Services, bidder's financial status, clarifications/exceptions/deviations, and credentials /resumes /licenses/ certifications.

The proposed best and final pricing from all responding bidders for the full-service commercial printing services fees ranged from \$0.0081 per notice up to \$1.10, depending on the type of print services needed. Based on the overall summation, it is recommended that the contract be awarded to Bridgecom, LLC , as the lowest, most responsive, and responsible bidder.

Bridgecom, LLC uses 70 to 100% recycled paper for printed mailings. They also are in close proximity to Downtown Riverside and can facilitate quick turnaround times for supply deliveries, bill template revisions and mailing services.

The Treasurer Tax Collector is requesting that the Board of Supervisors approve and execute the agreement with Bridgecom, LLC. for an annual amount not to exceed \$ 4,875,000. Per the Board of Supervisors approved Ordinance 459, postage is not required for a competitive bid process.

REVIEW/APPROVAL: Purchasing and County Counsel concurs with this request.
