STATE OF CALIFORNIA**

FINANCIAL DATA	Current Fiscal Year:	Next Fiscal Year:	Total Cost:	Ongoing Cost
COST	\$ 0	\$ 365,000	\$ 1,825,000	\$ 0
NET COUNTY COST	\$ 0	\$ 0	\$ 0	\$ 0
SOURCE OF FUNDS: Contract revenue from the Riverside County Flood Control and Water Conservation District.			Budget Adjustment: No	
			For Fiscal Year: 22/23–26/27	

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Riverside County Flood Control and Water Conservation District (District) desires to continue contracting for emergency response services to control the discharge of pollutants with the Riverside County Fire Department, and as such, the two agencies have reached an agreement as to the level of service to be provided to the District. This agreement is necessary for the Riverside County Flood Control and Water Conservation District to continue contributing funds to the Riverside County Fire Department's Hazardous Materials Emergency Response Team for emergency response services to control the discharge of pollutants in runoff to waters of the United States.

The National Pollutant Discharge Elimination System (NPDES) Permits for Riverside County and requires Riverside County's storm water permittees (District, County of Riverside, Coachella Valley Water District and the incorporated Cities) to respond to emergency spills in the County of Riverside.

In compliance with the NPDES Permits, the District has chosen to continue to help financially support the Hazardous Materials Emergency Response Team for its emergency response services. Therefore, the District will contribute, for the duration of this agreement, an amount of one million eight hundred twenty-five thousand dollars (\$1,825,000) to the Riverside County Fire Department to help support its Hazardous Materials Emergency Response Team.

A companion item appears on the Special District's agenda this same date. The fund sources for the District appears on their separate Form 11.

Attached is a copy of the Multi-Year Agreement and the Form 11 from Flood Control and Water Conservation District (MinuteTraq Item #19210). The original multi-year agreement for signature is attached to Flood Control and Water Conservation District's agenda item to be heard later this same date.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

This agreement is similar to the County's other multi-year agreement for Hazardous Materials Emergency Response Team Service. The agreement has been approved as to form by County Counsel.

Impact on Residents and Businesses

Continuing to provide support to the Hazardous Materials Emergency Response team funds a much-needed resource that provides protection to residents and businesses in Riverside County.

SUPPLEMENTAL:

Additional Fiscal Information

There is no general fund impact with the approval of this agreement. The Riverside County Fire Department expects to receive \$365,000 a year for five (5) years for a total of \$1,825,000. This is a new contract beginning July 1, 2022. Any previous amounts received this fiscal year is covered by the previous signed agreement.

Contract History and Price Reasonableness

There are no changes as to the level of service provided to the contract since the last signed agreement in FY 16/17. There is no general fund cost to the county for this program.

**SUBMITTAL TO THE FLOOD CONTROL AND
WATER CONSERVATION DISTRICT BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

FROM: General Manager-Chief Engineer

SUBMITTAL DATE:
June 28 , 2022

SUBJECT: FLOOD CONTROL DISTRICT: Approval of Multi-Year Agreement for Hazardous Materials Emergency Response Team Services, ALL Districts; Contract Number of Years: 5; [\$1,825,000] District Funds 100% (Companion MT# xxx)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Approve the Multi-Year Agreement between the District and the County of Riverside; and
2. Authorize the Chair to execute the Multi-Year Agreement on behalf of the District; and
3. Direct the Clerk of the Board to return two (2) copies of the executed Funding Agreement to the District

BACKGROUND:

Summary

This Agreement is necessary for the District to contribute funds to the Riverside County Fire Department's Hazardous Materials Emergency Response Team for emergency response services to control the discharge of pollutants in runoff to waters of the United States.

BACKGROUND:

Summary (continued)

The National Pollutant Discharge Elimination System (NPDES) Permits for Riverside County require Riverside County's municipal stormwater permittees (District, County of Riverside, Coachella Valley Water District, and the incorporated Cities) to respond to emergency spills in the County of Riverside.

In compliance with the NPDES Permits, the District has chosen to continue to help financially support the Hazardous Materials Emergency Response Team for its emergency response services.

County Counsel has approved this Agreement as to legal form. A companion item appears on the County of Riverside's agenda this same date.

Impact on Residents and Businesses

Existing funding mechanisms (Special Revenue Zone Funds) will be utilized for District cost-share expenditures; no incremental impact to residents or private businesses.

Prev. Agn. Ref.: MT#3940 11-2 of 05/09/17

SUPPLEMENTAL:

Additional Fiscal Information

The financial contribution to help support Hazardous Materials Emergency Response Team for Fiscal Years 2022/23 through 2026/27 will be paid annually in the amount of three hundred sixty-five thousand dollars (\$365,000) for a total of one million eight hundred twenty-five thousand dollars (\$1,825,000).

Contract History and Price Reasonableness

The Multi-Year Agreement for Hazardous Materials Emergency Response Team is a continued partnership to support the MS4 Permit compliance program. The costs remain unchanged from the previous 5-year agreement.

ATTACHMENT:

Multi-Year Agreement

MULTI-YEAR AGREEMENT

For Hazardous Materials Emergency Response Team
Services FY 2022/23 to FY 2026/27

The Riverside County Flood Control and Water Conservation District, a body corporate and politic ("DISTRICT"), and the County of Riverside, a political subdivision of the State of California ("COUNTY"), hereby agree as follows concerning COUNTY's Hazardous Materials Emergency Response Team:

RECITALS

- A. Congress, in 1987, added Section 402(p) to the Federal Clean Water Act (CWA) {33 U.S.C. §1342(p)}; and
- B. Section 402(p) requires certain municipalities to obtain a National Pollutant Discharge Elimination System ("NPDES") Permit to discharge stormwater from Municipal Separate Storm Sewer Systems ("MS4") into waters of the United States; and
- C. Pursuant to 33 U.S.C. §1342(p)(2)(C), (D) and (E), DISTRICT, COUNTY, the Coachella Valley Water District ("CVWD") and certain incorporated Cities within Riverside County have obtained NPDES Permits for municipal stormwater discharges; and
- D. Section 402(p) further requires the United States Environmental Protection Agency ("USEPA") to promulgate regulations requiring NPDES Permit applications; and
- E. USEPA promulgated such regulations and adopted them in November 1990; and
- F. USEPA has delegated its authority to the California State Water Resources Control Board ("SWRCB") to administer NPDES Permit process within the State of California; and

G. SWRCB has in turn delegated its NPDES permitting authority to the Regional Water Quality Control Boards ("RWQCB") to administer NPDES Permit process within the boundaries of their respective regions; and

H. DISTRICT and CVWD are authorized to provide for the control of flood and stormwater within their respective jurisdictions in the County of Riverside and are empowered to investigate, examine, measure, analyze, study and inspect matters pertaining to flood and stormwaters; and

I. DISTRICT, COUNTY, CVWD and certain incorporated Cities within Riverside County have obtained NPDES Permits from their respective RWQCBs in order to comply with Section 402(p); and

J. NPDES Permits require the municipal permittees to develop comprehensive stormwater discharge management programs to improve water quality and to respond to emergency incidents to control the discharge of pollutants to the waters of the United States in the County of Riverside; and

K. COUNTY, through the Riverside County Fire Department, staffs and maintains a Hazardous Materials Emergency Response Team ("TEAM"); and

L. In accordance with certain responsibilities described in the NPDES Permits and the NPDES Stormwater Discharge Permit Implementation Agreements for the Santa Ana Region (Santa Ana Drainage Area) dated February 9, 2011, as amended; San Diego Region (Santa Margarita Drainage Area) dated July 12, 2016, as amended; and Colorado River Basin Region (Whitewater Drainage Area) dated April 24, 2014, as amended, DISTRICT wishes to contribute a lump sum amount of not to exceed One Million Eight Hundred Twenty-Five Thousand Dollars (\$1,825,000) ("CONTRIBUTION") to help support TEAM's existence and its current activity status for Fiscal Years 2022/23 through 2026/27 as set forth herein.

NOW, THEREFORE, the parties hereto do mutually agree as follows:

1. DISTRICT CONTRIBUTION – Within sixty (60) days after execution of this Agreement, DISTRICT shall pay COUNTY for CONTRIBUTION to help support TEAM's existence and its current activity status for Fiscal Years 2022/23 through 2026/27 as set forth herein. Payments will be made annually in the amount of Three Hundred Sixty-Five Thousand Dollars (\$365,000) for a total of One Million Eight Hundred Twenty-Five Thousand Dollars (\$1,825,000).

2. ANNUAL PROGRAM REVIEW – During January of each year, DISTRICT and COUNTY representatives shall meet and review program status, scope, costs, priorities and projected activities for TEAM.

3. USE OF CONTRIBUTION – COUNTY shall use CONTRIBUTION only for salaries, equipment and maintenance of TEAM.

4. INDEMNITY AND HOLD HARMLESS – COUNTY shall indemnify and hold DISTRICT, its officers, employees and agents free and harmless from all claims, actions, damages and liabilities of whatsoever kind and nature arising from death, personal injury, property damage or other cause asserted or based upon any act or omission of TEAM relating to or in any way connected with the accomplishment of the work or performance of services of TEAM. As part hereto of the foregoing indemnity, COUNTY agrees to protect and to defend at its own expense, including attorneys' fees, DISTRICT, its officers, agents and employees from any and all legal action based upon any negligent acts or omissions, as stated hereinabove, by any person or persons.

5. REPORTS AND INFORMATION – COUNTY shall submit to DISTRICT on or before August 15 a report summarizing the activities, responses and cases handled or performed by TEAM between July 1 and June 30 of the previous Fiscal Year. The report shall consist of a narrative describing TEAM, its operations and any major spills,

and a categorization of TEAM's responses showing the following: responses inside and outside DISTRICT's jurisdiction, traffic related responses, industrial related responses, drug enforcement responses and other response categories. The report shall also include a description of current TEAM operating expenses and revenue sources (budget).

6. TEAM OPERATIONS – This Agreement does not give DISTRICT any authority to dictate the day-to-day activities of TEAM, or grant DISTRICT any authority over any TEAM personnel other than that stated in this paragraph. TEAM shall, at DISTRICT's request, provide timely response to emergency incidents where a hazardous material is entering or has a reasonable potential to enter a DISTRICT owned storm drain facility, provided that TEAM is not already committed to another incident. TEAM shall respond to emergency incidents irrespective of the local jurisdiction (City or County) in which said DISTRICT facilities are located.

7. TERM OF AGREEMENT – This Agreement shall commence on the date of execution thereof and shall continue in effect until June 30, 2027.

8. TERMINATION OF AGREEMENT – Either party may terminate the provisions of this Agreement subject to six (6) month's written notice thereof. Once written notice is made by either party, the annual CONTRIBUTION will be prorated and refunded to DISTRICT to terminate this Agreement.

9. NOTICES – Any and all notices sent or required to be sent to the parties of this Agreement will be mailed by first class mail, postage prepaid, to the following addresses:
