BACKGROUND:

Summary

On March 25, 2022, the Office of Economic Development and Purchasing Department issued the request for proposals number EDARC-90 for on-call assistance for the creation of Enhanced Infrastructure Financing Districts (EIFD), Community Revitalization & Investment Authorities (CRIA), and Special Districts. Tax increment financing (TIF) districts help fund economic development projects for designated project areas, including but not limited to, road and transit projects, parking facilities, sewage treatment plants, water treatment facilities, building and physical improvements, flood control, childcare facilities, libraries, parks and recreations space, housing, etc. TIF districts have specific and unique requirements regarding formation, enumerated powers, financing, and additional requirements depending on the individual tax increment financing mechanism. Funding is not a result of new taxes on property owners, but is instead generated after a designated project area and base tax year are established; growth in revenue as a result of increased property values in the designated project area is referred to as tax increment, which may be leveraged to fund specified public projects. Future evaluations of such districts will require expert consultation and peer review to include potential partnerships with local municipalities.

Special Districts include, but are not limited to, Assessment Districts, Community Facilities Districts (CFD), Lighting Maintenance Districts (LMD), and Lighting and Landscaping Districts (LLMD). The Office of Economic Development has completed nineteen Community Facilities Districts (CFDs) with three additional CFDs currently in process.

Impact on Residents and Businesses

Maintaining an on-call list for tax increment and Special District analysis and financing allows the Office of Economic Development to immediately engage a consultant, establish the project area and tax rate area, which in certain cases would determine whether or not a TIF would start generating immediately or be delayed for an entire year. The formation of a TIF will not result in additional taxes for designated project area property owners, yet the formation will fund certain improvements imperative to the project area that would otherwise never see fruition. Special Districts result in additional assessments and taxes levied; however, these districts are property owner initiated and protest hearings are conducted to allow property owners the choice to self-impose additional assessment/taxes.

Additional Fiscal Information

All costs associated with this Board action will be funded 100% by Economic Development Fund 21100. The current fiscal year has an estimated aggregate cost of \$750,000, with the full five (5) year professional services agreement being capped at \$3,750,000. No dollar amount of work is guaranteed. The basis of work will be on an "as needed" basis. The not-to-exceed aggregate contract amount is anticipated to be divided by consultant as follows, with the right to shift work assignments between the consultants in the best interest of the County:

Consultant	FY22/23 (7/1/22 - 6/30/23)	FY 23/24 - FY 26/27	Total Aggregate
Kosmont & Associates, Inc	\$150,000	\$600,000	\$750,000
David Taussig and Associates, Inc.	\$150,000	\$600,000	\$750,000
Wildan Financial Services	\$150,000	\$600,000	\$750,000
Economic and Planning Systems, Inc.	\$150,000	\$600,000	\$750,000
Hess Development Inc.	\$150,000	\$600,000	\$750,000
Total	\$750,000	\$3,000,000	\$3,750,000

Contract History and Price Reasonableness

On March 25, 2022, Purchasing and Fleet Services on behalf of the Office of Economic Development issued request for proposals (RFP) EDARC-90 for On-Call Assessment Engineering for the creation of Enhanced Infrastructure Financing Districts (EIFD), Community Revitalization & Investment Authorities (CRIA), and Special Districts. Solicitations were sent out to related consultants and the RFP was advertised publicly on the Public Purchase website. Seventy-three (73) potential bidders were notified of the proposal, and five (5) responses were received. The five proposals that were received were evaluated based on their scope of work, experience and proposed hourly rates.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,

The evaluation committee reviewed each proposal and after their thorough review, the evaluation committee determined that all respondents were qualified, responsive, and responsible bidders meeting the County's criteria.

In the event any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way.

23.12 Each party of this Agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act (“CUETA”) Cal.
