BACKGROUND:

Summary

Riverside University Health System – Behavioral Health (RUHS-BH) operates a continuum of care system, composed of County-operated clinics and contract service providers, delivering a variety of treatment services in each geographic region of the County.

On May 21, 2019, the Board of Supervisors approved Item 3.24 for RUHS-BH to enter into a Professional Services Agreement with the City of Palm Desert to provide behavioral health and homeless outreach services within the City of Palm Desert. The purpose and intent of the community collaborative between RUHS-BH and the City of Palm Desert is to allow RUHS-BH service staff to link homeless individuals to housing, behavioral health, substance use, and primary care services. This effort includes partnering with law enforcement and responding to calls for service involving homelessness and behavioral health issues. The City of Palm Desert wants to extend collaboration with the RUHS-BH homeless outreach team in order to decrease homelessness and adverse incidents involving mentally ill individuals within their city. RUHS-BH is requesting Board approval to continue on-going homeless outreach services through June 30, 2024.

Impact on Citizens and Businesses

These services are a component of RUHS-BH system of care aimed at improving access to care, and the health and safety of the community.
