BACKGROUND:

Summary

The District Attorney's Office is requesting the authorization to submit for Grant funding from the Cal OES County Victim Services Program. The purpose of the Cal OES County Victim Services ("XC") Program is to assess the existing victim service structure, identify needs, and fill gaps in victim services in all counties statewide and in the city of Los Angeles.

Approximately \$16,229,744 is available for fiscal-year 2023-2024, with Riverside County being awarded up to \$800,340 with a required 20% in-kind match on the part of the County. The grant award performance period is 12 months, beginning January 1, 2023, and ending December 31, 2023.

The District Attorney's Office anticipated the continuation of the XC Program and included the funding within their projected revenue budget for FY22/23; as a result, no budget adjustment is necessary at this time.

County Counsel has reviewed and approved the Grant Subawards Certification of Assurance of Compliance Cal OES Form 2-104 as to form.

Impact on Residents and Businesses

This funding source for such a critical program provides ample return on the County's 20% matching funds. The matching fund requirement for this program consists of a portion of the District Attorney's existing county budget and does not require any additional county funding to be allocated.
