**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

On June 29, 2021 (Item 3.16) the Board of Supervisors (Board) approved a list of pre-qualified architects, engineers and construction-related consulting firms. There is a need to augment and expand the previously approved Attachment B list of Facility Condition Assessment (FCA) Consultants. FCA Consultants evaluate existing building systems and develop strategies and cost plans for capital replacement. Expanding the current list of FCA Consultants from two to seven will better position the County to plan for major deferred maintenance of county owned buildings.

On August 5, 2022 through August 12, 2022, Facilities Management (FM) advertised the request for qualifications soliciting firms with FCA experience. In accordance with Board Policy H-7, a selection committee was established to review each firm's qualifications. After reviewing the submitted qualifications, the selection committee made the recommendations for pre-qualified consultants listed on Attachment B. Services will be retained on an as-needed basis through the issuance of a contract or purchase order in accordance with applicable Board policies.

**TABLE A**

**Additional Pre-Qualified Facility Condition Assessment Firms**

- CannonDesign
- Cooperative Strategies, LLC
- Gordian Group, Inc.
- Kitchell
- Terracon Consultants, Inc.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

**Impact on Residents and Businesses**

Approval of the augmented pre-qualified construction-related Facility Condition Assessment Consultants list will continue enable the County to quickly respond to client needs and accelerate delivery of projects.

**Additional Fiscal Information**

This Board action does not obligate any County funds. The consultant service fees will not exceed \$100,000 per project, per fiscal year, and in accordance with Board Policy B-22, any project with a total budget estimated to exceed \$100,000 will be subject to the requirements of the Capital Improvement Program.
