BACKGROUND:

Summary

Riverside University Health System – Behavioral Health (RUHS-BH) operates a continuum of care system, comprised of County-operated clinics and contract service providers, delivering a variety of treatment services in each geographic region of the County.

Crisis Residential Treatment (CRT) is a positive, temporary alternative for people experiencing an acute psychiatric episode or intense emotional distress who might otherwise face voluntary or involuntary commitment. The CRT Program reduces unnecessary stays in psychiatric hospitals, reduce the number and expense of emergency room visits, and diverts inappropriate incarcerations while producing the same, or superior, outcomes to those of institutionalized care. As the costs for inpatient treatment continue to rise, the need to expand an appropriate array of acute treatment settings becomes more urgent.

RUHS-BH eagerly supports expanded alternatives to costly institutionalization, and improvement in the continuum of care to better serve individuals experiencing an acute psychiatric episode. The CRT Programs are designed to serve individuals ages 18-59 who are experiencing acute psychiatric crisis and whose adaptive functioning is moderately impaired. Individuals admitted to a CRT can expect to receive an array of services, including but not limited to the following: Self-help skills and peer support, Individual and group interventions, Social skills and community reintegration services, Medication Support, Co-occurring Disorder services, Pre-vocational/Educational support, and Discharge Planning.

Impact on Citizens and Businesses

These services are a component of the Department’s system of care aimed at improving access to care, and the health and safety of consumers and the community. The CRT LAGOS expands the capacity to provide mental health services to citizens/clients of Riverside County who experience sudden mental health crisis in the community, or whose treatment in the standard outpatient setting has been disrupted.

Additional Fiscal Information

The Agreement is funded by RUHS-BH Federal and State funds and have termination clauses in the event that applicable funds become unavailable for service provision. There are sufficient appropriations in the Department’s FY22/23 budget. No additional County funds are required.

Contract History and Price Reasonableness

On December 22, 2021, Request for Proposal (RFP) #MHARC-266 for Mental Health Crisis Residential Treatment (CRT) Facility - LAGOS, was released via Public Purchase which is an e-Procurement website utilized by the County of Riverside. Public Purchase notified 216 organizations of the funding opportunity. The RFP was viewed and/or downloaded from Public Purchase by 51 organizations. In addition to releasing the RFP on Public Purchase, an email notification was sent to 131 individuals on the CRT - LAGOS Bidders List provided by Behavioral Health to inform potential bidders the County was seeking proposals.

A mandatory pre-bid meeting was held virtually on January 19, 2022. There were 18 individuals representing five (5) organizations in attendance. The RFP closed on March 1, 2022, and proposals were received from three (3) bidders. Upon screening the proposals, it was determined they were all responsive with regards to having all the required sections.

The Evaluation Committee reached a consensus to move forward with the recommendation to award the agreement to Telecare Corporation to provide Mental Health Crisis Residential Treatment at the LAGOS facility. Telecare Corporation was the lowest, most responsive and responsible bidder.

2. In addition, if the COUNTY determines that there is any portion (or all) of the CONTRACTOR invoice(s) that cannot be substantiated, verified or proven to be valid in any way for any fiscal year, then the COUNTY reserves the right to disallow payments to CONTRACTOR until proof of any items billed for is received, verified and approved by the COUNTY.
3. In addition to the annual CMT, Program Monitoring, and Cost Report Reconciliation/Settlement processes, the COUNTY reserves the right to perform impromptu CMTs without prior notice throughout the fiscal year in order to minimize and prevent COUNTY and CONTRACTOR loss and inaccurate billing/reports. The COUNTY, at its discretion, may withhold and/or offset invoices and/or monthly reimbursements to CONTRACTOR, at any time without prior notification to CONTRACTOR, for service deletes and denials that may occur in association with this Agreement. COUNTY shall notify CONTRACTOR of any such instances of services deletes and denials and

- subsequent withholds and/or reductions to CONTRACTOR invoices or monthly reimbursements.
4. Notwithstanding the provisions of Paragraph I-1 and I-2 above, CONTRACTOR shall be paid in arrears based upon either the actual units of service provided and entered into the COUNTY'S specified Electronic Management Information System (MIS), or on a one-twelfth (1/12th) monthly basis, or based upon the actual cost invoice by expenditure category, as specified in Paragraph A-1 above.
 - a. CONTRACTOR will be responsible for entering all service related data into the COUNTY's MIS (i.e. Provider Connect or CalOMS) on a monthly basis and approving their services in the MIS for electronic batching (invoicing) and subsequent payment.
 - b. CONTRACTOR is required to enter all units of service into the COUNTY'S MIS no later than 5:00 p.m. on the fifth (5th) calendar day following the date of service. Late entry of services into the COUNTY'S MIS may result in financial and/or service denials and/or disallowances to the CONTRACTOR.
 - c. CONTRACTOR must also submit to the COUNTY a signed Program Integrity Form (PIF) **(attached as Exhibit C, Attachment A)** signed by the Director or authorized designee of the CONTRACTOR organization. The CONTRACTOR PIF form must be received by the COUNTY via fax and/or email for the prior month no later than 5:00 p.m. on the fifth (5th) calendar day of the current month.
 - d. Services entered into the MIS more than 60 calendar days after the date of service without prior approval by the COUNTY may result in financial and/or service denials and/or disallowances to the CONTRACTOR.
 - e. In addition to entering all service related data into the COUNTY'S MIS and the submission of a signed Program Integrity Form (PIF), contracts reimbursed based on a Schedule K as specified in Paragraph A-1 above are required to submit a monthly invoice for the actual cost of services provided, per expenditure category, as identified on Schedule K.
 - f. Failure by the CONTRACTOR to enter and approve all applicable services into the MIS for the applicable month, faxing and/or e-mailing the signed PIF, and when applicable, faxing and/or e-mailing the actual cost invoice, will delay payment to the CONTRACTOR until the required documents as outlined herein are provided.
 5. CONTRACTOR shall work with their respective COUNTY Regions or Programs to generate a monthly invoice for payment through the MIS batching process.
 6. CONTRACTOR shall provide the COUNTY with all information necessary for the preparation and submission to the State, if applicable, for all billings, and the audit of all billings.
 7. In order to ensure that CONTRACTOR will receive reimbursement for services rendered under this Agreement, CONTRACTOR shall be responsible for notifying Medi-Cal if at any time CONTRACTOR discovers or is made aware that client Medicare and/or Insurance coverage has been terminated or otherwise is not in effect. CONTRACTOR shall include their name and the comment "Medicare/OHC Termed" on the documentation provided to the COUNTY.

8. Unless otherwise notified by the COUNTY, CONTRACTOR invoicing will be paid by the COUNTY thirty (30) calendar days after the date a correct PIF is received by the COUNTY and invoice is generated by the applicable COUNTY Region/Program.
9. Pursuant to Section III.A. – REIMBURSEMENT AND USE OF FUNDS AND SECTION XXV. – PROHIBITED AFFILIATIONS of the Agreement, CONTRACTOR acknowledges any payment received for an excluded person may be subject to recover and/or considered an overpayment by RUHS-BH and DHCS and/or be the basis for other sanctions by DHCS.

J. COST REPORT:

1. For each fiscal year, or portion thereof, that this Agreement is in effect, CONTRACTOR shall provide to COUNTY two (2) copies, per each Program Code, an annual Cost Report with an accompanying financial statement and applicable supporting documentation to reconcile to the Cost Report within one of the length of times as follows and as indicated below by an "X":

 - Forty-five (45) calendar days following the end of each fiscal year (June 30th), or the expiration or termination of the Agreement, whichever occurs first.

3. CONTRACTOR shall follow all applicable Federal, State and local regulations and guidelines to formulate proper cost reports, including but not limited to OMB-circular A-122 and OMB-circular A-87.
4. It is mandatory that the CONTRACTOR send one representative to the COUNTY'S annual cost report training that covers the preparation of the year-end Cost Report. The COUNTY will notify CONTRACTOR of the date(s) and time(s) of the training. Annual attendance at the training is mandatory in order to ensure that the Cost Reports are completed appropriately. Failure to attend this training will result in delay of any reimbursements to the CONTRACTOR.
5. CONTRACTOR will be notified in writing by COUNTY, if the Cost Report has not been received within the specified length of time as indicated in Section I, paragraph 1 above. Future monthly reimbursements will be withheld if the Cost Report contains errors that are not corrected within ten (10) calendar days of written or verbal notification from the COUNTY. Failure to meet any pre-approved deadlines or extensions will immediately result in the withholding of future monthly reimbursements.
6. The Cost Report shall serve as the basis for year-end settlement to CONTRACTOR including a reconciliation and adjustment of all payments made to CONTRACTOR and all revenue received by CONTRACTOR. Any payments made in excess of Cost Report settlement shall be repaid upon demand, or will be deducted from the next payment to CONTRACTOR.

7. All current and future payments to CONTRACTOR will be withheld by the COUNTY until all final, current and prior year Cost Report(s) have been reconciled, settled and signed by CONTRACTOR, and received and approved by the COUNTY.
8. CONTRACTOR shall report Actual Costs separately, if deemed applicable and as per CONTRACTOR'S Schedule I, to provide Agreement Client Ancillary Services, Prescriptions, Health Maintenance Costs, and Flexible funding costs under this Agreement on the annual cost report. Where deemed applicable, Actual Costs for Indirect Administrative Expenses shall not exceed the percentage of cost as submitted in the CONTRACT Request for Proposal or Cost Proposal(s).

2. If this Agreement is terminated in accordance with Section XXVII, TERMINATION PROVISIONS, the COUNTY, Federal and/or State governments may conduct a final audit of the CONTRACTOR. Final reimbursement to CONTRACTOR by COUNTY shall not be made until all audit results are known and all accounts are reconciled. Revenue collected by CONTRACTOR during this period for services provided under the terms of this Agreement will be regarded as revenue received and deducted as such from the final reimbursement claim.
3. Any audit exception resulting from an audit conducted by any duly authorized representative of the Federal Government, the State or COUNTY shall be the sole responsibility of the CONTRACTOR. Any audit disallowance adjustments shall be paid in full upon demand or withheld at the discretion of the Director of Behavioral Health against amounts due under this Agreement or Agreement(s) in subsequent years.
4. The COUNTY will conduct Program Monitoring Review and/or Contract Monitoring Team Review (CMT). Upon completion of monitoring, CONTRACTOR will be mailed a report summarizing the results of the site visit. If and when necessary, a corrective Action Plan will be submitted by CONTRACTOR within thirty (30) calendar days of receipt of the report. CONTRACTOR'S failure to respond within thirty (30) calendar days will result in withholding of all payment until the corrective plan of action is received. CONTRACTOR'S response shall identify time frames for implementing the corrective action. Failure to provide adequate response or documentation for this or subsequent year's Agreements may result in Agreement payment withholding and/or a disallowance to be paid in full upon demand.

M. TRAINING:

CONTRACTOR understands that as the COUNTY implements its current MIS to comply with Federal, State and/or local funding and service delivery requirements, CONTRACTOR will, therefore, be responsible for sending at least one representative to receive all applicable
