BACKGROUND:

Summary

This Board action will approve the five-year Agreement with Covidien Sales LLC, a Medtronic, Inc. company, for the purchase of surgical instruments used by the Riverside University Health System – Medical Center (RUHS-MC) physicians.

RUHS-MC is currently standardized to the Covidien/Medtronic lines of endomechanical, electrosurgical devices and synthetic mesh products used by physicians during surgical procedures. As such, establishing a product and pricing agreement will provide RUHS-MC with favored pricing for five years.

Impact on Residents and Businesses

These services are a component of RUHS’s system of care aimed at improving the health and safety of its patients and the community.

Additional Fiscal Information

There are sufficient funds in the Department’s budget for FY 22/23 budget and no additional County funds are required.

Contract History and Price Reasonableness

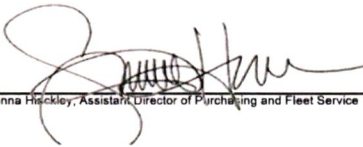

The product pricing in the agreement is comprised of both Vizient Group Purchasing Organization (GPO) and non-GPO prices. RUHS is entering into this agreement under its current delegated board authority with Vizient, Inc. under the Vizient Group Purchasing Master Agreement, Agenda Item #15.1, 4/13/21. The agreement requires Board approval as the compensation for the non-GPO commodities exceeds the Purchasing Agent’s authority and \$750,000 threshold for contracting with a single vendor for surgical instruments per the Patient Care Resolution #2021-116, Agenda #3.22, 6/15/21.

2. Term. The term ("Term") of this Agreement shall be for sixty (60) months, unless terminated earlier, and if the Customer is purchasing directly from Seller under this Agreement, shall begin as follows: (i) if Seller receives Customer's signed copy of this Agreement ("Signed Agreement") between the first and fifteenth of any month, upon the first day of the next month, or (ii) if Seller receives the Signed Agreement between the sixteenth and last day of any month, upon the fifteenth of the next month. In the event Seller receives the Signed Agreement and Customer purchases Products through a Seller-authorized distributor, the Term of this Agreement shall begin upon such date as Seller specifies, but in no event later than forty-five (45) days after the date that the term of this Agreement would have commenced had Customer purchased Products directly from Seller. Either party may terminate this Agreement at any time upon ten (10) days prior written notice to the other party hereto.

3. Commitments. Seller and Customer agree that any compliance or commitment to purchase the Products under each Product Category shall be documented in detail on Exhibit B-1, Exhibit B-2, Exhibit B-3, Exhibit B-4, Exhibit B-5, Exhibit B-6, Exhibit B-7, Exhibit B-8, Exhibit B-9 and Exhibit B-10 attached hereto and incorporated herein by reference. If Customer does not meet the compliance or commitments requirements set forth for a particular Product Category that is required to receive pricing in that Product Category, Customer will not receive the pricing for such applicable Product Category, but will not be subject to any penalties or price increases because of such non-compliance hereunder with regard to any other Product Category under this Agreement.

4. Pricing and Support. Seller shall sell Products to Customer at the applicable prices for the applicable Product Category set forth on Exhibit A-1, Exhibit A-2, Exhibit A-3, Exhibit A-4, Exhibit A-5, Exhibit A-6, Exhibit A-7, Exhibit A-8, Exhibit A-9, Exhibit A-10 and Exhibit A-11. This agreement authorizes payments by Customer to Seller in the amount of nine hundred thousand dollars (\$900,000) annually, including all expenses. It is Customer's responsibility to monitor purchase orders regarding its maximum annual payment. Should Customer desire to purchase above the maximum annual payment, the parties may execute a written amendment signed by both parties. In the event Customer exceeds nine hundred thousand dollars (\$900,000) in any contract year without having executed an amendment for such additional spend, Customer shall be obligated to remit payment to Seller for such additional spend. Notwithstanding any provisions to the contrary set forth herein, in the event that the aggregate cost of raw materials used to manufacture any Product increases by more than 10% any time during the Term, Seller shall have the right to increase the price of such Product hereunder by an amount equal to such cost increase. Seller shall provide at least sixty (60) days' prior written notice of any such price increase. All prices hereunder shall apply solely to Customer's purchases of Products pursuant to this Agreement directly from Seller. Seller does not control resale prices or resale terms applicable to sale of Products by distributors. Accordingly, Customer shall negotiate such resale price and terms directly with any Seller-authorized distributor through which Customer may elect to purchase the Products.

5. Distributor Purchases. Except for purchases of Products directly from Seller, which are subject to Section 6, below, for Products that Seller generally makes available for purchase through general distribution distributors (distributors who generally sell the full range of types of medical devices available in the market), Seller shall make those Products available to Authorized Distributors for resale to Customer, and the prices that Seller charges to the Authorized Distributors for Products resold to Customer shall be the prices available to Customer purchasing direct from Seller hereunder. "Authorized Distributors" means, for purposes of this Agreement, those general distribution distributors who are mutually agreed upon by Customer and Seller and who agree to adhere to Seller's standard Distributor Policies and Procedures as in effect from time to time. The applicable terms of Customer's agreement with any such Authorized Distributor will govern all taxes, ordering, invoicing, payment, delivery, and return terms relating to any orders for Products placed with such Authorized Distributor by Customer. No Authorized Distributor is a party to this Agreement, and no Authorized Distributor has any right as a third-party beneficiary of this Agreement. Notwithstanding any provisions herein to the contrary, Seller shall not be obligated to sell Products hereunder to any Authorized Distributor that (i) does not have a satisfactory credit rating, as determined by Seller in its reasonable discretion, or (ii) fails to comply with Seller's Distributor Policies and Procedures, as in effect from time to time during the Term.
6. Direct Purchases. All purchases of Products made hereunder directly from Seller by Customer (and not through an Authorized Distributor) are subject to Seller's standard Direct Purchase Policies and Procedures, as in effect from time to time, which are specifically incorporated herein by reference, during the Term (the "Direct Purchase Policies"), including without limitation the policies and procedures contained therein pertaining to payment terms, freight, shipping, acceptance and rejection, and returned goods. The Direct Purchase Policies currently include (but are not limited to) the following: (1) a minimum order fee of ninety dollars (\$90) for purchases made directly from Seller which are under five hundred dollars (\$500); and (2) a direct order charge of three percent (3%) for purchases of Products that are otherwise available through an authorized distributor (where the 3% is applied, no freight charges will apply). Seller reserves the right to make amendments to its Direct Purchase Policies upon not less than sixty (60) days' written notice to Customer. In the event of any conflict between the Direct Purchase Policies and any other express written terms in this Agreement, such express written terms shall control over the Direct Purchase Policies. Notwithstanding anything herein or in the Direct Purchase Policies to the contrary, Seller reserves the right to apply its credit approval policies and to reasonably decline credit in appropriate circumstances. Regardless of any standard purchase order, invoice or related forms that Customer or Seller may use for orders hereunder, the terms and conditions of this Agreement shall govern, and the preprinted terms and conditions of such standard forms shall have no force or effect. Seller reserves the right to charge interest on delinquent accounts at the rate permitted by applicable law.
7. Rebate(s). All rebates contained in this Agreement are in lieu of, not in addition to any rebates that Customer is eligible for with regard to the Products, including, without limitation, the rebates, if applicable, in any current GPO Agreement. The compliance requirements set forth below are for the sole purpose of determining compliance for the calculation and payment of rebates and do not affect the Customer's pricing or other terms of the GPO Agreements. If Customer chooses not to purchase the Products at the compliance levels set forth below for each Product Category, Customer will not receive the

rebates for the given contract year or applicable time frame, but will not be subject to any penalties or price increases because of such non-compliance hereunder.

Provided that during the first contract year of this Agreement, (i) Customer has achieved at least \$1,000,000.00 in aggregate Net Purchases of the Products, and (ii) Customer has been in compliance with the other terms and conditions of this Agreement, a new business rebate ("Trocar Products New Business Rebate") will be paid at the end of the first contract year of the Agreement. The amount of such rebate shall equal ten percent (10%) of the amount, if any, by which the Customer's Net Purchases of the Trocar Products during the first contract year of this Agreement exceed Customer's Pre-Participation Net Purchases of Trocar Products.

The amount of such rebate shall equal ten percent (10%) of the amount, if any, by which the Customer's Net Purchases of the Ultrasonic Cutting Products during the first contract year of this Agreement exceed Customer's Pre-Participation Net Purchases of Ultrasonic Cutting Products.

Agreement. The amount of such rebate shall equal ten percent (10%) of the amount, if any, by which the Customer's Net Purchases of the Advanced Wound Closure (Barbed Suture) Products and Suture Products during the first contract year of this Agreement exceed Customer's Pre-Participation Net Purchases of Advanced Wound Closure (Barbed Suture) Products and Suture Products.

Payment of Rebates. One (1) rebate check for such rebates will be sent directly to Customer within (i) 90 days following the completion of such contract year of this Agreement or (ii) 30 days after Seller's receipt of Customer's completed standardization analysis worksheet, whichever is later. Seller agrees to review any issues relating to the All Product Rebate, Endomechanical Products New Business Rebate, Trocar Products New Business Rebate, Ultrasonic Cutting Products New Business Rebate and Advanced Wound Closure (Barbed Suture) Products and Suture Products New Business Rebate provided they are brought to Seller's attention within sixty (60) days following Customer's receipt of the affected rebate payment. Any such issue not brought to Seller's attention during such sixty (60) day period shall be deemed waived by Customer.

8. Treatment of Rebates/Treatment of Price Reductions. Customer understands that this sale involves a discount or reduction in price. Unless specified otherwise, all rebates will be calculated on the price then in effect. Customer agrees to properly disclose and reflect this discount in costs claimed or charges made to federal health care programs in accordance with the provisions of 42 U.S.C. § 1320a-7b(b)(3)(A) and/or 42 C.F.R. §1001.952(h)(1) and any other relevant federal and state health care rules and regulations.
9. Product Transfer and Use. During the Term of this Agreement, Customer shall purchase all Products directly from Seller or Authorized Distributors. Customer agrees to purchase Products from Seller only for its own account and not to resell, exchange or otherwise transfer such Products to or with any third party. Seller shall be entitled to injunctive relief and all other equitable and legal remedies available to it in the event of a breach by Customer of this obligation. By purchasing any Product designated by Seller for "single use," "multiple use in a single procedure," "do not resterilize," or the like, Customer agrees to limit that Product's use in accordance with those express designations. The product labeling and information booklet which accompanies each Product clearly identifies Seller products that are subject to such use restrictions.
10. Compliance with Laws. The parties agree to comply with all applicable laws, including, without limitation, those governing Medicare/Medicaid reporting obligations.
11. Force Majeure. Seller shall not be liable for any delays in delivering or any failure to deliver due to causes beyond Seller's control, including but not limited to acts of God, war, mobilization, civil commotion, riots, embargoes, domestic or foreign governmental regulations or orders, fires, floods, strikes, lockouts or other labor difficulties, machinery breakdowns, or shortages of or inability to obtain shipping space or transportation. In such circumstances, unless otherwise agreed, the time for delivery shall be deemed extended for a period of ninety (90) days. If delivery is not made within such extended period, the contract shall be deemed canceled by mutual consent without liability to either party.
12. Assignment. Except for assignment by Seller to (i) a wholly-owned subsidiary or affiliated entity which controls, is controlled by, or is under common control with Seller, or (ii) a purchaser of the business unit, division or Product line to which this Agreement pertains,

this Agreement may not be assigned by either party without the prior written consent of the other. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their successors and permitted assigns.

13. Warranties. As to each Product sold hereunder, Seller warrants that as of the date of shipment, and thereafter for the warranty period (if any) stated in this Agreement or published by Seller as the standard warranty period for such Product, the Product will be free of defects in materials and workmanship. Seller's sole liability and obligation under this warranty shall be to repair, or at Seller's option, to replace any Product that fails to meet this warranty. Warranties for Products sold for single use shall not extend to any subsequent use. Repaired or replaced Products may contain recycled, refurbished or re-manufactured parts, which are equivalent in performance to new parts. Accessories and consumables (such as batteries or filters) that are included with an equipment item may be subject to a shorter warranty period than the equipment or to a warranty at time of delivery only. This warranty does not cover: (a) damage caused by misuse (including violation of Seller's instructions), neglect (including failure to perform preventive maintenance in accordance with Seller's instructions and specifications), accident or causes external to the Product (including failure of or faulty electrical power); (b) any Product on which the serial number or lot code has been removed or made illegible; (c) any Product or part thereof that has been disassembled, serviced, reassembled or modified by anyone other than Seller, unless authorized by Seller; (d) re-use of a Product sold for single use; or (e) performance of preventive maintenance (except where Customer has expressly purchased a warranty package that includes preventive maintenance). If Seller provides loaner equipment while a Product is being serviced under warranty, Customer is responsible for loss or damage to such equipment while on loan, or replacement cost of loaners not returned by Customer within twenty (20) days after receipt of repaired Product or notice that the requested repair is not covered by the warranty. THIS WARRANTY, TOGETHER WITH ANY EXPRESS WRITTEN WARRANTY THAT SELLER MAY ISSUE, IS THE SOLE AND EXCLUSIVE WARRANTY AS TO SELLER'S PRODUCTS, EXTENDS ONLY TO THE INITIAL PURCHASER FROM SELLER OR AN AUTHORIZED DISTRIBUTOR, IS NOT TRANSFERABLE OR ASSIGNABLE, AND IS EXPRESSLY IN LIEU OF AND SELLER EXPRESSLY DISCLAIMS TO THE EXTENT PERMISSIBLE UNDER APPLICABLE LAW ANY OTHER WARRANTY, ORAL OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY ORAL OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE AND THE WARRANTY AGAINST INFRINGEMENT. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY SELLER, ITS EMPLOYEES, DISTRIBUTORS, DEALERS, OR AGENTS SHALL INCREASE THE SCOPE OF THIS WARRANTY OR CREATE ANY NEW WARRANTIES. THE LIMITATIONS IN THIS SECTION SHALL NOT PRECLUDE ANY LIABILITY WHICH UNDER APPLICABLE PRODUCTS LIABILITY LAW CANNOT LEGALLY BE PRECLUDED BY CONTRACT.
14. LIMITATION OF LIABILITY. NEITHER PARTY SHALL BE LIABLE TO THE OTHER PARTY FOR LOSS OF PROFITS OR INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL DAMAGES OR OTHER SIMILAR DAMAGES THAT ARE NOT DIRECT DAMAGES ARISING OUT OF ANY BREACH OF THIS AGREEMENT OR THE OBLIGATIONS HEREUNDER, PROVIDED THAT THIS DISCLAIMER SHALL NOT APPLY IN CASES OF BREACH OF THIS

AGREEMENT MADE INTENTIONALLY IN BAD FAITH OR IN RECKLESS
DISREGARD FOR THE PROVISIONS OF THIS AGREEMENT.

This Agreement, including all Exhibits referenced herein, constitutes the entire agreement between the parties hereto relating to the subject matter hereof, and supersedes all previous negotiations, agreements, understandings and commitments with respect thereto. No amendment or modification of any provision of this Agreement shall be effective unless in writing and executed by duly authorized officers of each of the parties hereto. No failure or delay by either party in exercising a right, power or remedy under this Agreement shall operate as a waiver of any such right or other right, power or remedy. No oral representations, and no course of conduct or performance, may modify or waive the provisions of this Agreement. No waiver of any breach or default hereunder shall be considered valid unless in writing and executed by a duly authorized officer of the party granting the waiver, and no such waiver shall be deemed a waiver of any subsequent breach or default of the same or similar nature, or of any breach or default of a different nature. Customer understands that the terms and conditions of this Agreement, including the pricing, are confidential and agrees not to disclose such terms and pricing to any other party without the written consent of Seller.
