MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

On motion of Supervisor Spiegel seconded by Supervisor Jeffries, and duly carried, IT WAS ORDERED that the meeting of Tuesday October 25, 2022, be adjourned in memory of Tariq M. Shamma.

Tariq M. Shamma immigrated from Baghdad, Iraq through Ellis Island and entered America, college bound for Denver, Colorado. He obtained a Bachelor of Science degree in Civil Engineering from the University of Colorado in Denver. In 1955, Tariq Shamma received his Master of Science Degree in Civil Engineering, from the University of Southern California, USC.

Tariq was an accomplished, professional Civil and Structural Engineer in the early 1960's. He worked alongside Walt Disney for two years on the design and construction management of many of the attractions being created then. He was always extremely proud of that time in his early career.

Tariq and his wife Joanne, moved to South Corona in 1967. They purchased a historical Victorian home. It was to be the beginning of a long and successful relationship with the City of Corona. Throughout the years, Tariq became very involved in the City of Corona, eventually serving on the City of Corona Planning Commission, and later running for Councilman. He was determined that developing the large orange grove-based area of South Corona, be done right.

Tariq was one of four partners involved in purchasing and developing a large portion of the groves south of Chase Drive, called Chase Ranch. He was adamant that the density was well thought out, keeping commercial building to a minimum. It was his mission to preserve and protect the integrity and charm of historical Chase Drive. It remains an important historical district. He always felt that was one of his biggest and proudest achievements.

Tariq was responsible for fighting the city to have a sharp dangerous curve at Chase and Hudson cornered off with a beautiful park built. There were deadly accidents there and with his help, Chase Drive dead-ends by the park. Foothill Parkway was created instead of Chase Drive as the main thoroughfare across South Corona. The area was changed from an agricultural citrus town into the well-developed, carefully planned city it is today. Tariq's fierce protection of what he called "his Corona," The South Corona/Chase Ranch area would look like a completely different place, with high density neighborhoods and massive commercial buildings scattered throughout.

Tariq's memory and passionate spirit will live forever in the hearts of those who knew and loved him. He will be greatly missed but never forgotten.

The Board of Supervisors commemorates his service to the County of Riverside.

IT WAS FURTHER ORDERED that the Board of Supervisors expresses its heartfelt condolences to the family of Tariq M. Shamma.

I hereby certify that the foregoing is a full true, and correct copy of an order made and entered on October 25, 2022 of Supervisors Minutes.
