MT#17672 11.6 of 01/11/22 (Award)

Impact on Residents and Businesses

The Project restores flood protection and public safety to local residents and business within the Project vicinity. The District completed emergency work to restore the capacity and function of the existing Potrero Creek Debris Basin by removing accumulated sediment within the basin, thus resulting in positive impacts to residents and businesses.

Contract History and Price Reasonableness

Pursuant to Public Contract Code 21091, invitation of sealed bids was solicited by advertising in print and digital media.

The final price for the contract is \$2,600,050.52, which is 3.7% under the contract amount.
