BACKGROUND:

Summary

Since 2006, RivCoParks and the City of Blythe (City) have been working together to allow Mayflower Park to access and connect to the City's existing sewer main located on 6th Avenue and Colorado River Road. In 2009, Dudek Engineering proposed a route for this connection along Colorado River Road. A mutual obligation included in the November 2012 initial agreement between RivCoParks and the City of Blythe was for both parties to review and consider the inclusion of additive alternates to the sewer construction bid package contemplating residential availability along the originally proposed alignment down Colorado River Road.

In May 2018, The Holt Group was contracted to provide the District with preliminary engineering plans and construction estimates for the original conceptual alignment for the sewer connection. During this preliminary engineering phase, it was determined based upon the shallow water table and depth required for the sewer pipeline to connect to 6th Avenue from this point, it would not be financially feasible for the District/County or property owners along the route. An alternative proposal was brought to the City of Blythe during a special study session with their city council. In August 2018, this alternative proposal was accepted. Subsequently, an amendment to the original 2012 Agreement between the District and the City of Blythe was approved by City Council on April 9, 2019. This first amendment accepts the new proposed route and connection point to the 6th Avenue force main and allows for a gravity pipeline from Mayflower Park through adjacent farmland, greatly reducing construction costs and impacts.

Over the last three (3) years the District has worked on the engineering plans and easement required for this infrastructure improvement effort with the City of Blythe's Public Works Department, City of Blythe's city council and city manager, Riverside county Survey and Facilities Management, Riverside Local Agency Formation Commission (LAFCO), the Holt Group, Fourth District Supervisor Perez, and the community in an effort to bring the Mayflower Park Expansion to fruition. These efforts included special community workshops held in August 2019 to garner community input.

On December 11, 2018, per Minute Order 13.2, your honorable Board dedicated the existing fund balance and future revenue derived from the 25% community benefit share of the McCoy Solar Project to capital improvements at Mayflower Regional Park (Mayflower Park). As part of this funding dedication, existing park infrastructure at Mayflower Park must be upgraded to meet

COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

current public demand. The current wastewater management system poses water quality control issues along the Colorado River. The alternative proposed sewer connection to the City of Blythe's system has been accepted by the City of Blythe and Local Agency Formation Commission (LAFCO).

The Riverside County Regional Park and Open-Space District (RivCoParks) will construct a new sanitary sewer pipeline system, pump station, and force main to collect Mayflower Park's wastewater (Project). This new system will connect to an existing, unusable restroom facility which is planned for ADA improvements and retrofitting to support the existing campground, boat launch, and day-use facilities at Mayflower Park. The Project includes the installation of 1,668 lineal feet of sewer pipeline and 10 manholes.

The existing Mayflower Park septic tank and drain field will be abandoned and decommissioned in accordance with County of Riverside Health Department requirements.

CEQA CONSIDERATIONS

The Project was found to be categorically exempt, and a Notice of Exemption was filed citing exemptions, 15301 – Existing Facilities, 15302 – Replacement, and 15303 – New Construction or Conversion of Small Structures. At this time, RivCoParks has no available funding for future master plan expansion of Mayflower Park and no available Development Impact Fees. Once the full Park Expansion Project is funded, all necessary CEQA actions will be completed.

IMPACT ON CITIZENS AND BUSINESSES

Mayflower Park is heavily used seasonally, with regular customers returning annually over winter. The current aging septic system infrastructure poses a risk to public health with its proximity to the Colorado River. Replacing the existing septic with City Sewer Services will allow for customers full sewer hook-ups without costly weekly pumping and ensure the facility can remain in use.

ADDITIONAL FINANCIAL INFORMATION

Funding for the Project is partially funded by the 25% community benefit share of the McCoy Solar Project payments. Additional funding will include Development Impact Fees and Proposition 68 Per Capita grant funding.

Project Title: Mayflower Park Sanitary Sewer Improvement Project

Project Applicant: Riverside County Regional Park & Open-Space District

Project Location-Specific: 4980 Colorado River Road, Blythe, CA

Project Location-City: Blythe

Project Location-County: Riverside

Description of Nature, Purpose and Beneficiaries of Project: The Riverside County Regional Park and Open-Space District will be constructing a gravity sanitary sewer pipeline system, sanitary sewer pump station and sanitary sewer force main to collect the Mayflower Park facility wastewater to serve the conversion of an existing, unusable restroom facility to be expanded and retrofitted to ADA compliance and support the existing campground, boat launch and day-use facilities at Mayflower Park. The new Mayflower Park 4-inch wastewater force main will connect to an existing 8-inch wastewater force main at Sixth Avenue. The Project includes the installation of 1,668 lineal feet of 8-inch diameter SDR 35 PVC gravity sanitary sewer pipeline and 10 manholes. The majority of the gravity sanitary sewer pipeline is between 6 to 10 feet below finish grade. Sewer laterals extending from the dump station and restroom and shower facilities will be connected to the 8-inch diameter SDR 35 PVC gravity sanitary sewer pipeline.

The existing Mayflower Park septic tank and drain field will be abandoned and decommissioned in accordance with County of Riverside Health Department requirements. These facilities will benefit park users.

Notice of Exemption

Appendix E

Reasons why project is exempt: 15301, which exempts existing facilities, including the operation, repair, maintenance, or minor alteration of existing structures, facilities, or equipment, including interior and exterior alterations to plumbing and sewerage facilities, with negligible or no expansion of use. The project operates and alters the sanitary sewer system for the Mayflower Park facility wastewater to serve the existing restroom facility to be retrofitted for ADA capacity with negligible or no expansion of use beyond the original design of the facility.

15302, which exempts replacement of existing facilities, including replacement of existing utility systems and/or facilities where it is located at the same site and will have substantially the same purpose and capacity. The project will replace the sanitary sewer system for a Mayflower Park restroom, with negligible or no expansion of capacity.

15303, which exempts new construction or conversion of new, small facilities or structures, including sewage extensions. The project is exempt because it constitutes the conversion of an existing structure that serves campground and day-use facilities which do not involve the use of significant amounts of hazardous substances, and not exceeding 2500 square feet in floor area. This project includes the wastewater and sewage utility extensions to existing City of Blythe infrastructure to serve this conversion. No exceptions to these exemptions apply because the project is not in a particularly sensitive environment, will have no cumulative impacts when combined with successive projects of the same type in the same place over time, has no unusual circumstances, will not damage a state scenic highway, is not located on a hazardous waste site, and will not cause a substantial adverse change in the significance of a historical resource.

Answers to Bidder Questions will be answered by RivCoParks on November 30th, 2022.

Bids shall be prepared in conformance with the Instructions to Bidders and other Bidding Documents. All bids are due no later than November 21, 2022 1:30 PM PT, and all be publicly opened promptly after that time. Bids must be filed with the Riverside County Clerk of the Board, located at 4080 Lemon Street, 1st Floor, Riverside, California, 92501. Bids must be received by the Clerk of the Board by the bid closing time. Bids sent by fax or email will not be accepted.

Pay applications will be tied to the successful completion of all activities including the timely submission of all paperwork.

The awarded Contractor shall post job site notices as prescribed by regulation at start of contract. Contractors and subcontractors shall furnish records specified in Labor Code Section 1776 to the Labor Commissioner, in the manner as required in Labor Code Section 1771.4.

In accordance with the provisions of California Public Contract Code Section 3300, RIVCoParks requires that the Bidders possess, at the time of submitting a bid for this project, at the time of award of a contract for the Project, and at all times during the Work, the following classification of California Contractors License: "A" General Engineering License. Contractors whether General Contractor or specialty contractor proposed in this Bid must hold a contracting license, active and in good standing, issued by the Contractors State License Board for the State of California for the appropriate license classifications required by applicable laws for the classifications of the work to be performed and be actively registered with the California Department of Industrial Relations ("DIR"). It is the responsibility of the Bidder to review the bid package and ensure that all licenses required to perform the Work contained herein have been obtained and are current, including checking to make certain a subcontractor listed possesses the appropriate license for the specialty subcontracted Pursuant to Labor Code Section 1771.1, any Contractors bidding and subcontractors to be listed on a bid proposal are subject to Public Contract Code Section 4104 and shall not be eligible to bid unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may enter into a contract without proof of current registration to perform public works.

The Bidder receiving the Award by the RIVCoParks is required to comply with the provisions of the California Labor Code, including, without limitation, the requirements of California Labor Code Section 1720 et seq. requiring the payment of prevailing wages, submittal of payroll records, the training of apprentices and compliance with other applicable requirements. In accordance with provisions of Section 1773 of the Labor Code, the Director of the Department of Industrial Relations has ascertained the general prevailing rate of wages and employer payments for health and welfare, pension, vacation, and similar purposes applicable to the particular craft, classification, or type of workers employed on the work. The wage determinations shall be included in the bid specifications. The awarded Contractor shall post all pertinent wage determinations on the jobsite at all times and shall post job site notices prescribed by regulations and comply with the provisions of the California Labor Code, including, without limitation, Sections 1771.4, 1773.1, 1774, 1775, 1776, and 1777.5.

THIS IS A PUBLIC WORKS PROJECT AND SUBJECT TO COMPLIANCE MONITORING AND ENFORCEMENT BY THE DEPARTMENT OF INDUSTRIAL RELATIONS. As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, the Contractor agrees to present to RIVCoParks, along with its request for payment, all applicable and necessary certified payrolls and other required documents for the time period covering such payment request. RIVCoParks shall withhold any portion of a payment, including the entire payment amount, until certified payroll forms and other required LCP documents are properly submitted. If certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., or wage violations are identified, RIVCoParks may hold sufficient funds to cover estimated wages and penalties under the contract pursuant to CA Labor Code 1771.6.

NOTICE INVITING BIDS

The Riverside County Parks District ("RivCoParks") invites sealed bids for construction improvements of the following project ("Work" or the "Project"):

Mayflower Park Sanitary Sewer Improvement Project (PKARC-0233)

located at 4980 Colorado River Road, Blythe, California 92225

RivCoParks is seeking bids for a complete on-site Sanitary Sewer Improvement Project that will include the abandonment of the three on-site septic tanks and leach line systems and the connection of the new improvements to the City of Blythe Wastewater Collection System. The new system will include gravity sewer pipelines that will convey the wastewater from the septic tank locations to the wastewater pumping station, from which the wastewater will be pumped through a pressure force-main to a point where it will discharge the wastewater to an existing City of Blythe wastewater pressure force-main. The project will include manholes, air testing of the gravity sewer pipelines and force-main, water testing of manholes, surveying, traffic control and material testing.

The performance period for this project including all project submittals, reviews and actual construction will last no more than three hundred and sixty-five days (365) calendar days after the Notice To Proceed has been issued by RivCoParks to the Awarded Bidder. This is including project completion, punch list and issuance of the Notice of Completion. All work is to be completed no later than December 31, 2023.

On or after November 18th, 2022 complete Bidding Documents are available through ARC Reprographics (ARC) at 4295 Main St, Riverside, CA 92501, 951-686-0530, or online at www.e-arc.com. Contact ARC for your specific order request. A fee will be charged for any copies of the Bidding Documents furnished to a bidder. Free viewing of documents is available on the ARC website.

Issuance of this Request for Bids and the administration of any subsequent contract will be performed by the RivCoParks. All inquiries regarding this Request for Bids must be in writing and faxed or emailed to:

There will be a mandatory pre-bid meeting on November 1st, 2022 at 11:00am. Bidders are required to visit the site and review the area. Please check in at the Mayflower Park Main Kiosk (760-922-4665) and notify staff that you are reviewing the areas associated with the Mayflower Park Sanitary Sewer Improvement Project. The park is located at 4980 Colorado River Road, Blythe, CA 92225. It is important that potential contractors understand the unique requirements of this project, how those requirements will affect their ability to perform in a satisfactory manner and how this will affect the bid amount.

All questions regarding the documents should be directed to solicitation must be via email to Riley James at rijames@rivco.org before November 8, 2022 1:30PM PT.

Answers to Bidder Questions will be answered by RivCoParks on November 30th, 2022.

Bids shall be prepared in conformance with the Instructions to Bidders and other Bidding Documents. All bids are due no later than November 21, 2022 1:30 PM PT, and all be publicly opened promptly after that time. Bids must be filed with the Riverside County Clerk of the Board, located at 4080 Lemon Street, 1st Floor, Riverside, California, 92501. Bids must be received by the Clerk of the Board by the bid closing time. Bids sent by fax or email will not be accepted.

Pay applications will be tied to the successful completion of all activities including the timely submission of all paperwork.

The awarded Contractor shall post job site notices as prescribed by regulation at start of contract. Contractors and subcontractors shall furnish records specified in Labor Code Section 1776 to the Labor Commissioner, in the manner as required in Labor Code Section 1771.4.

In accordance with the provisions of California Public Contract Code Section 3300, RivCoParks requires that the Bidders possess, at the time of submitting a bid for this project, at the time of award of a contract for the Project, and at all times during the Work, the following classification of California Contractors License: "A" General Engineering License. Contractors whether General Contractor or specialty contractor proposed in this Bid must hold a contracting license, active and in good standing, issued by the Contractors State License Board for the State of California for the appropriate license classifications required by applicable laws for the classifications of the work to be performed and be actively registered with the California Department of Industrial Relations ("DIR"). It is the responsibility of the Bidder to review the bid package and ensure that all licenses required to perform the Work contained herein have been obtained and are current, including checking to make certain a subcontractor listed possesses the appropriate license for the specialty subcontracted

Pursuant to Labor Code Section 1771.1, any Contractors bidding and subcontractors to be listed on a bid proposal are subject to Public Contract Code section 4104 and shall not be eligible to bid unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may enter into a contract without proof of current registration to perform public works.

The Bidder receiving the Award by the RivCoParks is required to comply with the provisions of the California Labor Code, including, without limitation, the requirements of California Labor Code Section 1720 et seq. requiring the payment of prevailing wages, submittal of payroll records, the training of apprentices and compliance with other applicable requirements. In accordance with provisions of Section 1773 of the Labor Code, the Director of the Department of Industrial Relations has ascertained the general prevailing rate of wages and employer payments for health and welfare, pension, vacation, and similar purposes applicable to the particular craft, classification, or type of workers employed on the work. The wage determinations shall be included in the bid specifications. The awarded Contractor shall post all pertinent wage determinations on the jobsite at all times and shall post job site notices prescribed by regulations and comply with the provisions of the California Labor Code, including, without limitation, Sections 1771.4, 1773.1, 1774, 1775, 1776, and 1777.5.

THIS IS A PUBLIC WORKS PROJECT AND SUBJECT TO COMPLIANCE MONITORING AND

ENFORCEMENT BY THE DEPARTMENT OF INDUSTRIAL RELATIONS. As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, the Contractor agrees to present to RivCoParks, along with its request for payment, all applicable and necessary certified payrolls and other required documents for the time period covering such payment request. RivCoParks shall withhold any portion of a payment, including the entire payment amount, until certified payroll forms and other required LCP documents are properly submitted. If certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., or wage violations are identified, RivCoParks may hold sufficient funds to cover estimated wages and penalties under the contract pursuant to CA Labor Code 1771.6.

As a condition to receiving progress payments, final payment and payment of retention on any and all projects on which the payment of prevailing wages is required, the Contractor agrees to present to RivCoParks, along with its request for payment, all applicable and necessary certified payrolls and other required documents for the time period covering such payment request. RivCoParks shall withhold any portion of a payment, including the entire payment amount, until certified payroll forms and other required LCP documents are properly submitted. If certified payroll forms do not comply with the requirements of Labor Code Section 1720 et seq., or wage violations are identified, RivCoParks may hold sufficient funds to cover estimated wages and penalties under the contract pursuant to CA Labor Code 1771.6.

Pursuant to SB854, effective 1/1/2016, Contractor and all Sub-Contractors shall be required to additionally submit their certified payrolls to the Labor Commissioners online portal. Refer to the Labor Compliance Packet for additional information.

Copies of the prevailing rates of per diem wages are on file at California State Department of Industrial Relations, 464 West Fourth St., Suite 348, San Bernardino, CA 92401, and are available to any interested party on request. Additional information is available from the Department of Industrial Relations web link: <http://www.dir.ca.gov>

Substitution of securities for any moneys withheld by RIVCOPARKS shall be permitted as provided for by Section 22300 of the California Public Contract Code.

Capitalized terms used herein shall have the meanings assigned to them in the Bidding Documents.

TO RFB # PKARC-0233

1. This Addendum is considered to be part of the County of Riversides (County) Request for Proposal (RFP). All other terms of the RFP remain unchanged and in effect. This Addendum is intended to provide additional information and/or to change requirements in the above referenced RFP. Any information contained herein will be considered part of the RFP and as such will be used in the evaluation of the Proposals. Attention all potential Bidders, if you have already submitted your Proposal prior to the Deadline For Proposals, please review this Addendum and re-submit your Proposal, should this Addendum modify your initial Proposal.

2. To verify that all Bidders have received a copy of this Addendum, please sign the cover page of this Addendum and submit with Bidders online proposal submission. Hard copies will not be accepted.

3. Additional Supplemental Information From the County:

3.1 Reference: Section 1 Notice Inviting Bids (Page 4).

This section currently states:

There will be a mandatory pre-bid meeting on November 1st, 2022 at 11:00am. Bidders are required to visit the site and review the area. Please check in at the Mayflower Park Main Kiosk (760-922-4665) and notify staff that you are reviewing the areas associated with the Mayflower Park Sanitary Sewer Improvement Project. The park is located at 4980 Colorado River Road, Blythe, CA 92225. It is important that potential contractors understand the unique requirements of this project, how those requirements will affect their ability to perform in a satisfactory manner and how this will affect the bid amount. The District has changed the Date of the mandatory pre-bid meeting from 11/17/2022 11:00AM PT to 12/1/2022 11:00AM PT, and this section shall now read:
