BACKGROUND:

Summary

The County of Riverside (“County”), as lessor, and John Obradovich and Betty Obradovich (collectively, “Obradovich”), as lessee, entered into that certain Lease Desert Resorts Regional Airport dated June 3, 2003, as amended by that certain First Amendment to Lease Jacqueline Cochran Regional Airport dated on or about September 14, 2004, that certain Second Amendment to Lease Jacqueline Cochran Regional Airport dated September 12, 2006, and that certain Third Amendment to Lease Jacqueline Cochran Regional Airport dated March 17, 2009 (collectively, “Lease”). The Lease relates to approximately 9 acres of real property located at the Jacqueline Cochran Regional Airport (“Leased Premises”) attached hereto as Attachment D. Pursuant to Section 24 of the Lease, Obradovich cannot sublease any rights, duties, or obligations under the Lease without the written consent of the County. Obradovich desires to sublease a portion of the Leased Premises upon which an aircraft storage hangar has been constructed, and is identified as Building D, Hangar No. 13 (“Subleased Premises”) to Michael H. Johnson and Patricia E. Johnson, Trustees of Johnson Family Trust Dated July 17, 1990, as more specifically set forth in the Sub-Lease with Sale of Aviation Hangar attached hereto as Attachment C (“Sublease”).

In connection with the Sublease, Michael H. Johnson and Patricia E. Johnson, Trustees of Johnson Family Trust Dated July 17, 1990, (as Buyer) and Thomas M. Richards and Karen DeBoer, (as Seller) entered into that certain Bill of Sale Coupled with Sublease dated July 7, 2022, relating to the sale of Building D, Hangar No. 13 (“Bill of Sale”), the effectiveness of which is subject to the consent and approval by the County. A copy of the Bill of Sale is attached hereto as Attachment A. Thomas M. Richards and Karen DeBoer will not change the existing use of the Subleased Premises. The Bill of Sale and the Sublease will not impact the terms of the Lease.

Pursuant to the California Environmental Quality Act (CEQA), the Consent to Bill of Sale Coupled with Sublease and Sublease with Sale of Aviation Hangar were reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines section 15301, Class 1 – Existing Facilities and State CEQA Guidelines section 15061(b) (3), General Rule or “Common Sense” exemption. The proposed project, the Consent to Bill of Sale of Aviation Hangar between Thomas M. Richards and Karen DeBoer and Michael H. Johnson and

Patricia E. Johnson, Trustees of Johnson Family Trust Dated July 17, 1990, and Consent to Sublease between John Obradovich and Betty Obradovich and Michael H. Johnson and Patricia E. Johnson, Trustees of Johnson Family Trust Dated July 17, 1990, is related to the subletting of property involving existing facilities and no expansion of an existing use will occur. In addition, it can be seen with certainty that there is no possibility that the proposed project may have a significant effect on the environment since it is merely a continuation of existing use.

Thomas M. Richards and Karen DeBoer will not change the existing use of the Subleased Premises. The Bill of Sale and the Sublease will not impact the terms of the Lease.

The consent to Bill of Sale and Sublease have been identified as a proposed project under the California Environmental Quality Act (CEQA) because a discretionary action by the Riverside County Board of Supervisors is required for approval. The approval of the consent to the Bill of Sale and Sublease will not change the existing use of the leased premises, which will not result in any significant environmental impacts or include any mitigation measures.

Name of Public Agency Approving Project: County of Riverside

Name of Person or Agency Carrying Out Project: Riverside County Transportation and Land Management Agency – Aviation Division

Exempt Status: State CEQA Guidelines Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b)(3), General Rule or “Common Sense” Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

Reason Why Project is Exempt: The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern, nor would the project involve unusual circumstances that could potentially have a significant effect on the environment. The project is limited to sale and Sublease of an existing aircraft storage hangar and does not include a new development or improvements to the Leased Premises. Furthermore, this project would not result in any physical direct or reasonably foreseeable indirect impacts to the environment.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project, as proposed, involves the assignment of a lease and is limited to a contractual agreement would be consistent with the existing land use and would not result in a physical change to the property. Therefore, the project is exempt as it meets the scope and intent of the Categorical Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a

category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The approval of the Bill of Sale and Sublease would result in the continued operation of the airport on the Leased Premises. No significant direct or indirect environmental impacts would occur. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.
