**BACKGROUND:**

**Summary**

The Cooperative Agreement ("Agreement") sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Tract Map No. 31456 are to be constructed by Developer and will be inspected, operated, and maintained by the District and City.

The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District construction inspection and subsequent operation and maintenance of the Menifee Valley – Bella View Way Storm Drain, Stage 1, and Menifee Valley – Haleys Flight Drive Storm Drain, Stage 1 facilities.

Upon completion of construction, the District will assume ownership and responsibility for the operation and maintenance of the underground storm drain system greater than 36 inches in diameter for Menifee Valley – Bella View Way Storm Drain, Stage 1 and Menifee Valley – Haleys Flight Drive Storm Drain, Stage 1 facilities, stockpile area, the debris removal and debris storage volume for Basin B. The City will assume ownership and responsibility for the operation and maintenance of the project's associated water quality basin, collection basins, catch basins, inlets and connector pipes and laterals that are 36 (thirty-six) inches or less in diameter located within City rights of way.

County Counsel has approved the Agreement as to legal form, and the Developer has executed the Agreement.

**Environmental Findings**

Pursuant to Section 15096 of the California Environmental Quality Act (CEQA) Guidelines, the District, in its limited capacity as a responsible agency, considered the Mitigated Negative Declaration (MND) that was prepared by the Lead Agency for the Developer's residential project, reviewed the project, and provided conditions of approval that were subsequently adopted as part of the original approval. All the physical environmental impacts were determined to be mitigated to less than significant through appropriate mitigation measures that were incorporated as binding conditions of approval. No significant adverse impacts will result from execution of the Cooperative Agreement or from the operation and maintenance of the

OF SUPERVISORS

flood control facilities that are the subject of the Agreement. As such, nothing further is required under CEQA.

**Impact on Residents and Businesses**

As noted above, construction of these drainage improvements is a requirement for the development of Tract Map No. 31456. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

**Additional Fiscal Information**

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the District-maintained storm drain facilities will accrue to the District.

DISTRICT's and CITY's construction inspection staff is limited and may take up to 60 days for the issuance of a Notice to Proceed as determined by the DISTRICT and CITY.

In the event DEVELOPER wishes to expedite issuance of the Notice(s) to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT and CITY for review and, if appropriate, approval, as determined by DISTRICT and CITY in their reasonable discretion. DISTRICT and CITY shall review the individual's qualifications and experience and upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's and CITY's behalf on all PROJECT construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.3. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT or CITY designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission to DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY, whose respective decisions can be given in their sole

discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside, as well as CITY's applicable fee schedule and/or other related ordinance or regulation. Notwithstanding the foregoing, should DISTRICT agree to provide inspection and management services to CITY pursuant to a request by CITY under Section II(11) and Section III(3), above, CITY can also agree to not require its consent under this section.

7. INDEMNIFICATION OBLIGATIONS:

- i. DEVELOPER INDEMNIFICATION OF DISTRICT AND THE COUNTY OF RIVERSIDE. DEVELOPER shall indemnify and hold harmless DISTRICT and the County of Riverside, (including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) (individually and collectively hereinafter referred to as "DISTRICT INDEMNITEES") from any liability whatsoever, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, contractors, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement, or failure to comply with the requirements of this Agreement, including but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I,

Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT; or (d) any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, contractors, subcontractors, agents or representatives from this Agreement.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including but not limited to attorney fees, cost of investigation, defense and settlements or awards), the DISTRICT INDEMNITEES in any claim, proceeding or action for which indemnification is required.

With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and the County of Riverside; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DEVELOPER's indemnification obligations to the DISTRICT INDEMNITEES as set forth herein.

DEVELOPER's indemnification obligations hereunder shall be satisfied when DEVELOPER has provided to DISTRICT and the County of Riverside the appropriate form of dismissal (or similar

document) relieving DISTRICT and the County of Riverside from any liability for the claim, proceeding or action involved.

- ii. DEVELOPER INDEMNIFICATION OF CITY. DEVELOPER shall indemnify and hold harmless CITY, including its governing bodies, agencies, districts, special districts and departments, their respective directors, officers, councilmembers, elected and appointed officials, employees, agents and representatives, (individually and collectively "CITY INDEMNITEES") from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to this Agreement, or DEVELOPER's (including its officers, employees, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, DEVELOPER's performance under this Agreement, or DEVELOPER's failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT; or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including but not limited to attorney fees, cost of investigation, defense and settlements or awards), CITY INDEMNITEES with legal

counsel reasonably satisfactory to CITY in any claim proceeding or action for which indemnification is required. If DEVELOPER fails to meet its indemnification obligation, CITY shall have the right, but not the obligation, to do so with counsel of their own choosing, with no right of approval by DEVELOPER and, if it does, DEVELOPER shall promptly pay CITY's full cost thereof, with payments made at least on a monthly basis.

DEVELOPER's indemnification obligations as to CITY INDEMNITEES shall be satisfied when DEVELOPER has provided to CITY a form of dismissal regarding any liability for the claim, proceeding or action involved, and CITY determines that the form of dismissal is adequate in their sole and absolute discretion. Notwithstanding the foregoing, DEVELOPER shall enter into no settlement agreement or final resolution of any pending claim covered under this subsection, without CITY's prior written approval.

- iii. Should DISTRICT and CITY fail to agree with the implementation of this section, or if a pending claim pertains to only one of the two parties, DEVELOPER shall be required to comply with this section as to DISTRICT and CITY individually.
- iv. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless the DISTRICT INDEMNITEES and CITY INDEMNITEES from third party claims.

v. In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying the DISTRICT INDEMNITEES and CITY INDEMNITEES to the fullest extent allowed by law.

8. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, the County of Riverside and CITY (including their agencies, districts, special districts and departments, their respective directors, officer, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions, or suits of any kind arising out of any liability, known or unknown, present or future, including but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT, or the County of Riverside, or their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT FACILITIES, after the acceptance of ownership, operation and maintenance of DISTRICT FACILITIES by DISTRICT.

9. Any waiver by DISTRICT or by CITY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to require exact, full and complete compliance with any terms of this Agreement shall not be

construed as, in any manner, changing the terms hereof, or estopping DISTRICT or CITY from enforcement hereof.

10. This Agreement is to be construed in accordance with the laws of the State of California. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall remain in full force and effect without being impaired or invalidated in any way.

Without limiting or diminishing DEVELOPER's obligation to indemnify or hold DISTRICT or CITY harmless, DEVELOPER shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, the DISTRICT herein refers to the Riverside County Flood Control and Water Conservation District, the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. Policy shall be endorsed to waive subrogation in favor of the Riverside County Flood Control and Water Conservation District, the County of Riverside, and CITY.

B. Commercial General Liability:

Additionally, Commercial General Liability insurance no less broad than ISO form CG 00 01. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds. COOPERATIVE AGREEMENT

## Exhibit C

If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. DISTRICT and CITY must be an additional insured for liability arising out of ongoing and completed operations by or on behalf of DEVELOPER. DISTRICT and CITY shall continue to be an additional insured for completed operations for two years after completion of the work. If DEVELOPER maintains higher limits than the specified minimum limits, DISTRICT and CITY require and shall be entitled to coverage for the higher limits maintained by DEVELOPER.

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then DEVELOPER shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. DEVELOPER shall require that, if such Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and that such architect or engineer shall purchase at such architect or engineer's sole expense

either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from a new insurer with a retroactive date back to the date of, or prior to the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that such architect or engineer has maintained continuous coverage with the same or original insurer. Coverage provided under items: 1), 2) or 3) shall continue for the term specified in the insurance policy, which shall be reasonably acceptable to DISTRICT and CITY.

E. General Insurance Provisions – All Lines:

- i. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating of not less than an A: VIII (A: 8) unless such requirements are waived, in writing, by the DISTRICT Risk Manager and CITY. If the DISTRICT's Risk Manager and CITY waive a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.
- ii. DEVELOPER must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the DISTRICT Risk Manager and CITY before the commencement of operations under this Agreement. Upon notification of self-insured retention deemed unacceptable to DISTRICT or CITY and at the election of CITY or the DISTRICT's Risk Manager, DEVELOPER's carriers shall either: 1) reduce or eliminate such self-insured retention with respect to this Agreement with DISTRICT; or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- iii. DEVELOPER shall cause their insurance carrier(s) or its contractor's insurance carrier(s), to furnish DISTRICT and CITY with 1) a properly executed original certificate(s) of insurance and certified original copies of

COOPERATIVE AGREEMENT

## Exhibit C

endorsements effecting coverage as required herein; and 2) if requested to do so orally or in writing by CITY or the DISTRICT Risk Manager, provide original certified copies of policies including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to DISTRICT and CITY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If DEVELOPER insurance carrier(s) policies does not meet the minimum notice requirement found herein, DEVELOPER shall cause DEVELOPER's insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.

- iv. In the event of a material modification, cancellation, expiration or reduction in coverage, this Agreement shall terminate forthwith, unless DISTRICT and CITY receive, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto, evidencing coverages set forth herein and the insurance required herein is in full force and effect. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.
- v. It is understood and agreed by the parties hereto that DEVELOPER's insurance shall be construed as primary insurance, and DISTRICT's and CITY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

DEVELOPER shall indemnify and hold harmless DISTRICT and the County of Riverside, (including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives) (individually and collectively hereinafter referred to as "DISTRICT INDEMNITEES") from any liability whatsoever, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, contractors, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement, or failure to comply with the requirements of this Agreement, including but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I,

Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT; or (d) any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, contractors, subcontractors, agents or representatives from this Agreement.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including but not limited to attorney fees, cost of investigation, defense and settlements or awards), the DISTRICT INDEMNITEES in any claim, proceeding or action for which indemnification is required.

With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and the County of Riverside; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DEVELOPER's indemnification obligations to the DISTRICT INDEMNITEES as set forth herein.

DEVELOPER's indemnification obligations hereunder shall be satisfied when DEVELOPER has provided to DISTRICT and the County of Riverside the appropriate form of dismissal (or similar

document) relieving DISTRICT and the County of Riverside from any liability for the claim, proceeding or action involved.

- ii. DEVELOPER INDEMNIFICATION OF CITY. DEVELOPER shall indemnify and hold harmless CITY, including its governing bodies, agencies, districts, special districts and departments, their respective directors, officers, councilmembers, elected and appointed officials, employees, agents and representatives, (individually and collectively "CITY INDEMNITEES") from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to this Agreement, or DEVELOPER's (including its officers, employees, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, DEVELOPER's performance under this Agreement, or DEVELOPER's failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT; or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including but not limited to attorney fees, cost of investigation, defense and settlements or awards), CITY INDEMNITEES with legal

counsel reasonably satisfactory to CITY in any claim proceeding or action for which indemnification is required. If DEVELOPER fails to meet its indemnification obligation, CITY shall have the right, but not the obligation, to do so with counsel of their own choosing, with no right of approval by DEVELOPER and, if it does, DEVELOPER shall promptly pay CITY's full cost thereof, with payments made at least on a monthly basis.

DEVELOPER's indemnification obligations as to CITY INDEMNITEES shall be satisfied when DEVELOPER has provided to CITY a form of dismissal regarding any liability for the claim, proceeding or action involved, and CITY determines that the form of dismissal is adequate in their sole and absolute discretion. Notwithstanding the foregoing, DEVELOPER shall enter into no settlement agreement or final resolution of any pending claim covered under this subsection, without CITY's prior written approval.

- iii. Should DISTRICT and CITY fail to agree with the implementation of this section, or if a pending claim pertains to only one of the two parties, DEVELOPER shall be required to comply with this section as to DISTRICT and CITY individually.
- iv. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER's obligations to indemnify and hold harmless the DISTRICT INDEMNITEES and CITY INDEMNITEES from third party claims.

- v. In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying the DISTRICT INDEMNITEES and CITY INDEMNITEES to the fullest extent allowed by law.

8. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, the County of Riverside and CITY (including their agencies, districts, special districts and departments, their respective directors, officer, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions, or suits of any kind arising out of any liability, known or unknown, present or future, including but not limited to any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT, or the County of Riverside, or their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT FACILITIES, after the acceptance of ownership, operation and maintenance of DISTRICT FACILITIES by DISTRICT.

9. Any waiver by DISTRICT or by CITY of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of DISTRICT or CITY to require exact, full and complete compliance with any terms of this Agreement shall not be

construed as, in any manner, changing the terms hereof, or estopping DISTRICT or CITY from enforcement hereof.

10. This Agreement is to be construed in accordance with the laws of the State of California. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions shall remain in full force and effect without being impaired or invalidated in any way.

### DISTRICT's and CITY's Required Insurance are as follows:

Without limiting or diminishing DEVELOPER's obligation to indemnify or hold DISTRICT or CITY harmless, DEVELOPER shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, the DISTRICT herein refers to the Riverside County Flood Control and Water Conservation District, the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If DEVELOPER has employees as defined by the State of California, DEVELOPER shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. Policy shall be endorsed to waive subrogation in favor of the Riverside County Flood Control and Water Conservation District, the County of Riverside, and CITY.

B. Commercial General Liability:

Additionally, Commercial General Liability insurance no less broad than ISO form CG 00 01. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds. ### COOPERATIVE AGREEMENT

## Exhibit C

If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. DISTRICT and CITY must be an additional insured for liability arising out of ongoing and completed operations by or on behalf of DEVELOPER. DISTRICT and CITY shall continue to be an additional insured for completed operations for two years after completion of the work. If DEVELOPER maintains higher limits than the specified minimum limits, DISTRICT and CITY require and shall be entitled to coverage for the higher limits maintained by DEVELOPER.

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then DEVELOPER shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds.

D. Professional Liability:

DEVELOPER shall require that, if such Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and that such architect or engineer shall purchase at such architect or engineer's sole expense

either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from a new insurer with a retroactive date back to the date of, or prior to the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that such architect or engineer has maintained continuous coverage with the same or original insurer. Coverage provided under items: 1), 2) or 3) shall continue for the term specified in the insurance policy, which shall be reasonably acceptable to DISTRICT and CITY.

E. General Insurance Provisions – All Lines:

- i. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating of not less than an A: VIII (A: 8) unless such requirements are waived, in writing, by the DISTRICT Risk Manager and CITY. If the DISTRICT's Risk Manager and CITY waive a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.
- ii. DEVELOPER must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the DISTRICT Risk Manager and CITY before the commencement of operations under this Agreement. Upon notification of self-insured retention deemed unacceptable to DISTRICT or CITY and at the election of CITY or the DISTRICT's Risk Manager, DEVELOPER's carriers shall either: 1) reduce or eliminate such self-insured retention with respect to this Agreement with DISTRICT; or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- iii. DEVELOPER shall cause their insurance carrier(s) or its contractor's insurance carrier(s), to furnish DISTRICT and CITY with 1) a properly executed original certificate(s) of insurance and certified original copies of

endorsements effecting coverage as required herein; and 2) if requested to do so orally or in writing by CITY or the DISTRICT Risk Manager, provide original certified copies of policies including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to DISTRICT and CITY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If DEVELOPER insurance carrier(s) policies does not meet the minimum notice requirement found herein, DEVELOPER shall cause DEVELOPER's insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.

- iv. In the event of a material modification, cancellation, expiration or reduction in coverage, this Agreement shall terminate forthwith, unless DISTRICT and CITY receive, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto, evidencing coverages set forth herein and the insurance required herein is in full force and effect. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.
- v. It is understood and agreed by the parties hereto that DEVELOPER's insurance shall be construed as primary insurance, and DISTRICT's and CITY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.
- vi. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services or there is a material change in the equipment to be used in the performance of the scope of work which will

add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or the term of this Agreement, including any extensions thereof, exceeds five (5) years, DISTRICT and CITY reserve the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein, if, in CITY's or the DISTRICT Risk Manager's reasonable judgment, the amount or type of insurance carried by DEVELOPER has become inadequate.

- vii. DEVELOPER shall pass down the insurance obligations contained herein to all tiers of contractors and subcontractors working under this Agreement.
- viii. The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to DISTRICT and CITY.
- ix. DEVELOPER agrees to notify DISTRICT and CITY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

DEVELOPER hereby agrees to waive rights of subrogation which any insurer of DEVELOPER may acquire from DEVELOPER by virtue of the payment of any loss. DEVELOPER agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the CITY or DISTRICT has received a waiver of subrogation endorsement from the insurer. However, the Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the County of Riverside, CITY, and the Riverside County Flood Control and Water Conservation District for all work performed by the DEVELOPER, its employees, agents, contractors and subcontractors.

The insurance required by this section must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective, or start of work date, the DEVELOPER must purchase extended reporting period coverage for a minimum of five (5) years after completion of contract work.
