BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Community Facilities Act of 1982, to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled “Land Secured Financing Districts” to include “Service and Maintenance CFDs” to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

KB Home Coastal, Inc. (Developer) is the Owner of Tract 36635 and has petitioned that the County of Riverside Office of Economic Development assist them in forming a district and include their property for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district. The property owner has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed Community Facilities District 22-4M (Nuevo Meadows).

The boundaries of Community Facilities District (CFD) No. 22-4M (Nuevo Meadows) (CFD 22-4M) will encompass the entire Tract Map No. 36635, which includes 271 single family dwelling units, none of which are currently occupied.

On October 25, 2022 (Agenda Item 3.17), the County Board of Supervisors approved Resolution No. 2022-191, a Resolution of Intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by KB Home Coastal, Inc. The Resolution of Intention also requires the Board of Supervisors hold a public hearing and submit the formation of the proposed CFD 22-4M (Nuevo Meadows) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Approval of proposed Resolution No. 2022-217, a Resolution of Formation for CFD No. 22-4M, will authorize the County to levy a special tax within the district boundary to pay for services requested in the proposed CFD 22-4M (Nuevo Meadows) upon voter approval. The Resolution of Formation also calls for a special election to be held on November 29, 2022, and designates the election official for the proposed election. There are no registered voters in the boundary of proposed CFD 22-4M (Nuevo Meadows). As a result, only the landowners within the boundary of proposed CFD 22-4M (Nuevo Meadows) will have the right to vote on the proposed special tax. Results will be tallied and, if approved, a confirmation motion will be brought back to the Board of Supervisors for approval.

The costs associated with the district are (i) Landscaping improvements that may include but are not limited to all landscaping material and facilities within the CFD. These improvements include turf, ground cover, shrubs, trees, plants, irrigation and drainage system, ornamental lighting, masonry walls or other fencing, and trail maintenance (ii) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (iii) Traffic signal maintenance, which includes energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iv) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

Reference

The CFD Rate and Method of Apportionment (RMA) is consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy taxes on this proposed CFD after complying with the requirements of the Mello-Roos Community Facilities Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts", which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the boundaries of the proposed CFD which are represented by the attached Recorded Boundary Map (inclusive of Tract Map No. 36635) are impacted by the special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the CFD, there is a financial mechanism in place to ensure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the service and maintenance of Developer installed and County required infrastructure, particularly Landscaping, Lighting, Traffic Signal Maintenance, Drainage,

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

and Trail Maintenance. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

Additional Fiscal Information

Pursuant to the Rate and Method of Apportionment for fiscal year 2023-2024, the proposed Budget and Special tax will be \$185,093 and will result in a special tax of \$683 per taxable parcel. The annual tax shall be increased by the minimum of 2% or up to cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) in effect in the previous Fiscal Year, as it stands as of March of each year over the base index of previous fiscal year.

3 made a part hereof.

4 **Section 4.** The Community Facilities District is hereby established according to the Act.

6 No. 22-4M (Nuevo Meadows) of the County of Riverside.”

7 **Section 6.** The services to be provided and funded by the Community Facilities District are
8 described under the caption “Services” on Exhibit A hereto, which is by this reference incorporated herein.
9 The incidental expenses proposed to be incurred are identified under the caption “Incidental Expenses” on
10 Exhibit A hereto.

11 **Section 7.** The proposed special tax to be levied within the Community Facilities District has
12 not been precluded by majority protest pursuant to Section 53324 of the California Government Code; and
13 any and all written protests to the special tax and appropriations limit are hereby overruled.

3 **Section 10.** Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of
4 the California Streets and Highways Code, a continuing lien to secure each levy of the special tax shall

6 force and effect until collection of the tax by the Board of Supervisors ceases.

25 Act pertaining to the shortening of time and the requirement for notice have been waived by all of the
26 landowners within the Community Facilities District.

1 **Section 14.** The Board of Supervisors hereby calls and schedules a special election for
2 November 29, 2022, at 9:30 a.m. within and for the Community Facilities District on (i) the proposition
3 with respect to the annual levy of special taxes within the Community Facilities District for the provision
4 of authorized services to the Community Facilities District and (ii) the proposition with respect to
5 establishing an appropriations limit for the Community Facilities District.

6 The propositions to be submitted to the voters of the Community Facilities District at such special
7 election shall be as follows:

8

12 and Trail Maintenance (as specified and reflected in the Resolution of Intention, the Resolution of
13 Formation, and the Rate and Method of Apportionment of Special Tax) and to pay expenses
14 incidental thereto and incidental to the levy and collection of the special taxes, so long as the special
15 taxes are needed to fund such services, at the special tax rates and pursuant to the method of
16 apportioning the special taxes set forth in Exhibit B to Resolution No. 2022-191 adopted by the
17 Board of Supervisors of said County on October 25, 2022?

18
19 Proposition B: Shall an appropriations limit, as defined by subdivision (h) of Section 8 of Article
20 XIII B of the California Constitution, be established for Community Facilities District No. 22-4M
21 (Nuevo Meadows) of the County of Riverside in the amount of \$4,000,000?

22
23 **Section 15.** Based on its findings that fewer than 12 registered voters reside within the
24 boundaries of the Community Facilities District and that the election will be among landowner voters, the
25 Board of Supervisors hereby appoints the Director of the Riverside County Office of Economic
26 Development or her designee, or such other officer or employee as the Board shall designate, to serve as
27 the election official (the "Election Official") for the election pursuant to Government Code Section 53326.

4 appropriations limit for the Community Facilities District in the amount of \$4,000,000 (the “Special
5 Election”) shall be as follows:

6 (a) Pursuant to Section 53326 of the California Government Code, ballots for the Special
7 Election shall be distributed to the qualified electors by the Election Official by mail with return postage
8 prepaid or by personal service.

9 (b) Pursuant to applicable sections of the California Elections Code governing the conduct of
10 mail ballot elections of counties, and in particular Division 4 (commencing with Section 4000) of that Code
11 with respect to elections conducted by mail, the Election Official shall mail or deliver to each qualified
12 elector an official ballot and shall also mail or deliver to all such qualified electors a ballot pamphlet and
13 instructions to voter, including a sample ballot identical in form to the official ballot but identified as a
14 sample ballot, a return identification envelope with prepaid postage thereon addressed to the Election
15 Official for the returning of voted official ballots, and a copy of Resolution No. 2022-191.

16 (c) The official ballot to be mailed or delivered by the Election Official to each landowner-voter
17 shall have printed or typed thereon the name of the landowner-voter and the number of votes to be voted
18 by the landowner-voter and shall have appended to it a certification to be signed by the person voting the
19 official ballot which shall certify that the person signing the certification is the person who voted the official
20 ballot, and if the landowner-voter is other than a natural person, that he or she is an officer of or other person
21 affiliated with the landowner-voter entitled to vote such official ballot, that he or she has been authorized
22 to vote such official ballot on behalf of the landowner-voter, that in voting such official ballot it was his or
23 her intent, as well as the intent of the landowner-voter, to vote all votes to which the landowner-voter is

25 the voting square opposite each such proposition, and further certifying as to the acreage of the landowner-
26 voter’s land ownership within the Community Facilities District.

1 (d) The return identification envelope to be mailed or delivered by the Election Official to each
2 landowner-voter shall have printed or typed thereon the following: (i) the name of the landowner, (ii) the
3 address of the landowner, (iii) a declaration under penalty of perjury stating that the voter is the landowner
4 or the authorized representative of the landowner entitled to vote the enclosed ballot and is the person whose
5 name appears on the identification envelope, (iv) the printed name and signature of the voter, (v) the address
6 of the voter, (vi) the date of signing and place of execution of the declaration, and (vii) a notice that the
7 envelope contains an official ballot and is to be opened only by the Election Official.

8 (e) The information to voter form to be mailed or delivered by the Election Official to the
9 landowner-voters shall inform them that the official ballots shall be returned to the Election Official
10 properly voted as provided thereon and with the certification appended thereto properly completed and
11 signed in the sealed return identification envelope with the certification thereon completed and signed and
12 all other information to be inserted thereon properly inserted by 9:00 a.m. on the date of the Special Election;
13 provided that the election shall be closed before such hour if the Election Official determines that all of the
14 qualified voters have voted.

15 (f) Upon receipt of the return identification envelopes which are returned prior to the voting
16 deadline on the date of the Special Election, the Election Official shall canvass the votes cast in the Special
17 Election, and shall file a statement with the Board of Supervisors as to the results of such canvass and the
18 election on each proposition set forth in the official ballot.

19 (g) The Legislative Body shall declare the results of said special election as soon as practicable
20 following the election, but in any event not later than the next regular meeting following the date of the
21 election, and shall cause to be input upon its minutes a statement of the results of said special election as
22 ascertained by the canvass.

23 **Section 17.** If two-thirds (2/3) of the votes cast within the Community Facilities District
24 upon the question of levying the special tax are in favor of the levy of that tax, as determined by the Board
25 of Supervisors after the canvass of the returns of such election, the Legislative Body may levy such special
26 taxes within the territory of the Community Facilities District in the amounts and for the purposes as
27 specified in this Resolution, the Special Tax Ordinance (to be adopted), and the Rate and Method of
28

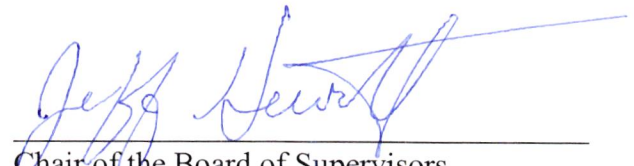

1 Apportionment, except that such special tax may be levied at a rate lower than the amount specified therein.

2 **Section 18.** The Board of Supervisors hereby determines and finds that all proceedings
3 up to and including the adoption of this Resolution were valid and in conformity with the requirements of
4 the Act. In accordance with Section 53325.1 of the California Government Code, such finding shall be
5 final and conclusive.

6 **Section 19.** The Board of Supervisors finds and determines that the establishment of the
7 Community Facilities District is not a project for purposes of the California Environmental Quality Act and
8 is exempt from that Act.

9 **Section 20.** The officers of the County are, and each of them is, hereby authorized and directed
10 to do any and all things, and to execute and deliver any and all documents which said officers may deem
11 necessary or advisable in order to accomplish the purposes of this Resolution and not inconsistent with the
12 provisions hereof.

24 has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved
25 Property at up to 100% of the Maximum Special Tax for Approved Property.

1 Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two
2 steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of
3 Taxable Property Owner's Associations Property up to 100% of the applicable Maximum Special
4 Tax for Taxable Property Owner's Association.

5 Fourth: If additional moneys are needed to satisfy the Special Tax requirement after the first three
6 steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of
7 Taxable Public Property at up to 100% of the applicable Maximum Special Tax for Taxable Public
8 Property.

9 Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four
10 steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of
11 Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped
12 Property.

13 Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year
14 against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased
15 by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable
16 to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been
17 any such delinquency or default of the CFD.

18 **E. EXEMPTIONS**

19 The CFD shall not levy Special Taxes on Property Owner's Association Property (except Taxable
20 Property Owner's Association Property) or Public Property (except Taxable Public Property) within the
21 CFD.

24 property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the
25 case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may
26 collect Special Taxes at a different time or in a different manner if necessary to meet the financial
27 obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually
28

1 foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

2 **G. APPEALS**

3 Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the
4 Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency
5 of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy
6 was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The
7 Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and
8 advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator
9 shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of
10 previously paid Special Taxes shall be made.

11 The Administrator shall interpret this Rate and Method of Apportionment and make determinations
12 relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein
13 specified.

14 **H. PREPAYMENT OF SPECIAL TAX**

15 The Special Tax may not be prepaid.

16 **I. TERM OF THE SPECIAL TAX**

Incidental Costs

The cost of the services shall include incidental expenses, including costs associated with formation of the CFD, determination of the amount of the special tax, collection of the special tax, payment of the special tax, costs incurred in order to carry out the authorized purposes of the CFD, and the costs of engineering, inspecting, coordinating, completing, planning, and designing the services, including the costs of environmental evaluations.

The following incidental expenses are examples of those that may be incurred in the formation of the CFD:

- ◆ Engineering services,
- ◆ Publishing, mailing and posting of notices
- ◆ Governmental notification and filing costs,
- ◆ Election costs, and
- ◆ Charges and fees of the County of Riverside other than those waived.

The CFD includes one tract that will consist of 271 future single family residential units located in the unincorporated Riverside County on approximately 79 gross acres. The property is generally located north of San Jacinto Avenue, east of Pico Avenue, south of Central Avenue, and generally west of Dawson Road. The CFD includes Assessor Parcel Numbers:

Assessor Parcel Numbers

309-020-036
309-020-037
309-020-038
309-020-039

The boundaries of the CFD are those properties and parcels where services are authorized to be provided and upon which special taxes may be levied in order to pay for the costs and expenses of said services. A general description of the area within the boundaries of the CFD is attached as Appendix B.

For details concerning the line and dimensions of the Assessor's Parcel Numbers refer to Riverside County Assessor's Maps. If any parcel submitted for collection is identified by the County Auditor-Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel number (or numbers) will be identified and resubmitted to the County Auditor- Controller. The special tax amount to be levied and collected for the resubmitted parcel and/or new parcel number(s) shall be based on the method of apportionment as defined in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and the special tax rate rather than as a proportionate share of the original special tax.

A reduced scale map showing the boundaries of the CFD is provided as Appendix B. A full-scale map is on file with the Clerk of the Board of Supervisors of Riverside County and was recorded with Riverside County Recorder on April 7, 2022, as Instrument No. 2022-0166475 in the Book 88 of Maps of Assessment and Community Facilities Districts at Page 63.

The Rate and Method of Apportionment allows each property owner within Community Facilities District No. 22-4M (Nuevo Meadows) to estimate the annual Special Tax amount that would be required for payment. The Rate and Method of Apportionment of the Special Tax established pursuant to these proceedings, is attached hereto as Appendix A (the "Rate and Method"). The Special Tax will be collected in the same manner and at the same time as ordinary ad valorem property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the CFD Administrator may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations, and provided further that the CFD may covenant to foreclose and may actually foreclose on parcels having delinquent Special Taxes as permitted by the Act.

All of the property located within the CFD, unless exempted by law or by the Rate and Method proposed for the CFD, shall be taxed for the purpose of providing necessary services to serve the CFD.

Maximum Special Tax on each July 1, shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

Pursuant to Section 53325.3 of the Act, the tax imposed "is a Special Tax and not a special assessment, and there is no requirement that the tax be apportioned on the basis of benefit to any property." The Special Tax may be based on the benefit received by property, the cost of making facilities or authorized services available or other reasonable basis as determined by the City, although the Special Tax may not be apportioned on an ad valorem basis pursuant to Article XIII A of the California Constitution.

For particulars as to the Rate and Method for Community Facilities District No. 22-4M (Nuevo Meadows), see the attached and incorporated in Appendix A.

Based on the information provided herein, it is my opinion that the described services herein are those that are necessary to meet increased demands placed upon the County of Riverside as a result of development occurring within the CFD No. 22-4M (Nuevo Meadows) and benefits the lands within said CFD. Further, it is my opinion that the special tax rates and method of apportionment, as set forth herein, are fair and equitable, uniformly applied and not discriminating or arbitrary.

MAXIMUM SPECIAL TAX RATES
DEVELOPED PROPERTY

Development Class	Taxable Unit	Maximum Special Tax
Single Family Residential Property	DU	\$683
Multi-family Residential Property	Acre	\$5,432
Non-Residential Property	Acre	\$5,432

(a) Increase in the Maximum Special Tax

On each July 1, the Maximum Special Tax identified in Table 1 above, shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

(b) Multiple Development Classes

In some instances, a Parcel of Developed Property may contain more than one Development Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Development Class located on that Parcel. For a Parcel that contains two or more different Development Classes, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Development Class shall be final.

(c) Accessory Dwelling Unit(s)

Where an Accessory Dwelling Unit(s) is on the same Assessor Parcel Number as another Taxable Unit, the Accessory Dwelling Unit(s) is not considered a separate Taxable Unit and will not be added to the calculation of the Maximum Special Tax for a Parcel.

2. **Approved Property**

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Residential Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1., as if such Parcel were already designated as Developed Property and classified as Single Family Residential Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

3. **Taxable Property Owner's Association Property and Taxable Public Property**

The Maximum Special Tax for each Parcel of Taxable Property Owner's Association Property or Taxable Public Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel.

The Maximum Special Tax for Taxable Property Owner's Association Property and Taxable Public Property shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

D. **METHOD OF APPORTIONMENT OF THE SPECIAL TAX**

Commencing with Fiscal Year 2022-2023 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Property Owner's Associations Property up to 100% of the applicable Maximum Special Tax for Taxable Property Owner's Association.

Fourth: If additional moneys are needed to satisfy the Special Tax requirement after the first three steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property at up to 100% of the applicable Maximum Special Tax for Taxable Public Property.

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default of the CFD.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Property Owner's Association Property (except Taxable Property Owner's Association Property) or Public Property (except Taxable Public Property) within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

I. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

STATEMENT FROM THE DIRECTOR OF OFFICE OF ECONOMIC DEVELOPMENT (ACTING AS ELECTION OFFICIAL) TO THE BOARD OF SUPERVISORS AS TO THE CANVASS OF BALLOTS VOTED IN AND THE RESULTS OF THE CONSOLIDATED SPECIAL ELECTIONS FOR COMMUNITY FACILITIES DISTRICT NO. 22-4M (NUEVO MEADOWS) OF THE COUNTY OF RIVERSIDE, STATE OF CALIFORNIA, HELD ON NOVEMBER 29, 2022.

I, Suzanne Holland, Director of Office of Economic Development of Riverside County, acting as the election official pursuant to Resolution No. 2022-217 adopted by the Board of Supervisors of Riverside County ("Board of Supervisors") on November 29, 2022, make the following statements regarding the consolidated special elections held within and for Community Facilities District No. 22-4M (Nuevo Meadows) of the County of Riverside, State of California (the "Community Facilities District"), on November 29, 2022, on (i) the proposition with respect to the annual levy of special taxes on taxable property within the Community Facilities District to fund, pay for, and finance authorized maintenance services for administration, inspection of landscaping, lighting, traffic signal maintenance, drainage, trail maintenance, and to pay expenses incidental thereto and (ii) the proposition with respect to establishing an appropriations limit for the Community Facilities District:

(1) I have received a signed written waiver entitled "Petition, Waiver, and Consent" from the owner of all the land within the Community Facilities District ("Owner").

(2) The written waiver, among other matters, waived compliance with the provisions of Section 53326 of the Government Code to the effect that a special election with respect to the levy of special taxes within the Community Facilities District must be held at least ninety (90) days, but not more than one hundred eighty (180) days, following the adoption of the resolution of formation establishing the Community Facilities District and consented to the holding of the consolidated special elections on November 29, 2022.

(3) I have received a written certification from the Registrar of Voters of the County of Riverside, stating that there are no registered voters residing within the Community Facilities District. Accordingly, pursuant to Section 53326 of the Government Code, and as determined by the Board of Supervisors in Resolution No. 2022-217, the vote in the consolidated special elections was to be by the landowners of the Community Facilities District, with each landowner having one vote for each acre, or portion thereof, of land that he or she owns within the Community Facilities District.

(4) Pursuant to Resolution No. 2022-217, an Official Ballot together with a Ballot Pamphlet and Instructions to Voter containing Instructions to Landowner Voter, a Sample Ballot, and a copy of Resolution No. 2022-191 adopted by the Board of Supervisors on October 25, 2022 was delivered to the Owner. Also delivered to the Owner was an official identification envelope, with return postage affixed thereto, for returning the voted Official Ballot.

(5) Pursuant to Section 53326 of the Government Code, for purposes of the consolidated special elections, the Owner was entitled to one vote for each acre, or portion thereof, of land within the Community Facilities District which Owner owned. Based on the approximate acreage of land owned by the Owner within the Community Facilities District, Owner was entitled to the following votes.

<u>Owner</u>	<u>Acreage</u>	<u>Votes</u>
KB Home Coastal, Inc.	78.95	79
Totals	78.95	79

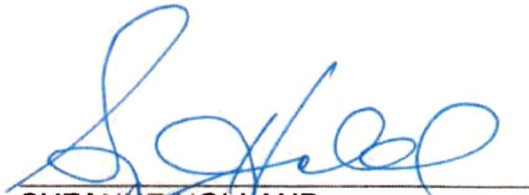

(6) The voted Official Ballot was returned to me by the Owner, sealed in aforementioned identification envelope, prior to 9:00 a.m. on November 29, 2022. Each returned ballot was voted with a cross marked in the box after the word "YES" following each proposition set forth on the ballot and had a signed statement attached that the signer was entitled to vote the ballot on behalf of the Owner named therein, and that it was the intent of that Owner to vote all votes to which it was entitled in the manner marked on the ballot. I have canvassed the ballots returned in the consolidated special elections, being the Official Ballot above referred to, and determined that the results of the elections with respect to each proposition set forth in the Official Ballot are as follows:

Proposition A: 79 YES votes, 0 NO votes

Proposition B: 79 YES votes, 0 NO votes

(7) More than two-thirds of the votes cast in the consolidated special elections are in favor of all such propositions.
