C.E.O. RECOMMENDATION:

BACKGROUND:

Summary

The State legislature enacted the Mello-Roos Community Facilities Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of storm water Best Management Practices (BMP), street lighting, and traffic signals and set goals and policies concerning Community Facilities Districts (CFD).

Taylor Morrison of California, LLC, (Developer) is the Owner of Tracts 37449-1, 37449-2, 37449-3, and 37449-4 and has petitioned that the County of Riverside Office of Economic Development assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with services for (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (ii) Traffic signal maintenance, which includes energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iii) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials

Approval of proposed Resolution No. 2022-221 by the Board of Supervisors is the initial step for forming the CFD and declares the intention of the Board of Supervisors, as required by the Mello-

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Roos Community Facilities Act of 1982, to levy a special tax to fund the service and maintenance functions requested by the Developer. The Resolution also requires the Board of Supervisors to hold a public hearing and submit the formation of the proposed CFD 22-5M (Siena) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

The property owner (Taylor Morrison of California, LLC) of Tract Map Nos. 37449-1, 37449-2, 37449-3, and 37449-4 has petitioned the County to include their property into proposed Community Facilities District No. 22-5M (Siena). The boundaries of CFD 22-5M (Siena) will encompass all of Tract Map Nos 37449-1, 37449-2, 37449-3 and 37449-4, which includes 529 single family dwelling units, none of which are currently occupied.

Reference

The CFD Rate and Method of Apportionment (RMA) are consistent with the Mello-Roos Community Facilities Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy special taxes within this proposed CFD after complying with the requirements of the Mello-Roos Community Facilities Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, street lighting or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the proposed boundaries of the CFD which are represented by the proposed Boundary Map (inclusive of Tract Map Nos. 37449-1, 37449-2, 37449-3, and 37449-4) are impacted by the proposed special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the proposed CFD, there is a financial mechanism in place to ensure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the service and maintenance of Developer-installed and County-required infrastructure, particularly lighting and drainage. The Developer shall, and is obligated to, provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget of \$113,735 for fiscal year 2023-2024 will result in a special tax of \$215 per taxable parcel, pursuant to the Rate and Method of Apportionment. The annual special tax shall be increased by the minimum of 2% or up to the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), as it stands as of March of each year over the base index of previous fiscal year.

The amount of Special Tax to be levied on a Parcel in each Fiscal Year, (defined below), commencing in Fiscal Year 2022-2023, shall be determined by the Riverside County Board of Supervisors, acting in its capacity as the legislative body of the CFD by applying the appropriate Special Tax as set forth in Sections B., C., and D., below. “Residential Property” means all Parcels of Developed Property for which a Building Permit(s) has been issued permitting the construction of one or more residential Dwelling Units.

“Single Family Residential Property” means all Parcels of Residential Property, other than Multi-family Residential Property.

“Special Tax(es)” means the amount to be levied in each Fiscal Year on each Parcel of Taxable Property in accordance with Section D., below to fund the Special Tax Requirement.

“Special Tax Requirement(s)” means that amount required in any Fiscal Year to: (i) pay the estimated cost of Special Tax Services such Fiscal Year as determined by the County; (ii) fund the Special Tax Reserve Fund to the extent that the inclusion of such amount does not increase the Special Tax for Undeveloped Property unless requested by the developer or the amount needed to fund the Special Tax Reserve Fund up to the Special Tax Reserve Fund Requirement; (iii) pay Administrative Expenses; (iv) pay any anticipated Special Tax delinquencies based on actual delinquencies from the prior Fiscal Year outstanding at the time the annual Special Tax levy is determined; and (v) less a credit for funds available to reduce the annual Special Tax levy at the sole discretion of the Administrator.

“Special Tax Reserve Fund Requirement” means an amount up to 150% of the anticipated annual cost of Special Tax Services of \$113,735. The Special Tax Reserve Fund Requirement shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

“Special Tax Services” means services permitted under the Mello-Roos Community Facilities Act of 1982 including, without limitation, those services authorized to be funded by CFD 22-5M as set forth in the documents adopted by the Board at the time the CFD was formed.

“State” means the State of California.

“Taxable Property” means all Parcels within the boundary of the CFD pursuant to the Boundary Map which are not exempt from the Special Tax pursuant to Section E., below.

“Taxable Property Owner’s Association Property” means all Parcels of Property Owner’s Association Property that satisfies both of the following conditions: (i) based on reference to the maps used during the formation of the district, the Parcel was not anticipated to be Property Owner’s Association Property, as determined by the Administrator, and (ii) if the Parcel were to be exempt from the Special Tax because it is Property Owner’s Association Property, the County has determined that there would be a reduction in Special Tax revenues that would create a deficit in funding the Special Tax Requirement.

“Taxable Public Property” means all Parcels of Public Property that satisfies both of the following conditions: (i) based on reference to the maps used during the formation of the district, the Parcel was not anticipated to be Public Property, as determined by the Administrator, and (ii) if the Parcel were to be exempt from the Special Tax because it is Public Property, the County has determined that there would be a reduction in Special Tax revenues that would create a deficit in funding the Special Tax Requirement.

“Taxable Unit” means either a Dwelling Unit(s) or an Acre.

“Undeveloped Property” means all Parcels of Taxable Property not classified as Developed Property, Approved Property, Taxable Property Owner’s Association Property or Taxable Public Property.

B. ASSIGNMENT TO DEVELOPMENT CLASS

Each Fiscal Year, commencing with Fiscal Year 2022-2023, all Parcels of Taxable Property shall be classified as either Developed Property, Approved Property, Taxable Property Owner’s Association Property, Taxable Public Property, or Undeveloped Property, and subject to the levy of Special Taxes in accordance with this Rate and Method of Apportionment as determined pursuant to Sections C. and D., below.

Parcels of Developed Property shall further be classified as Residential Property or Non-Residential Property. Parcels of Residential Property shall further be classified as Single Family Residential Property or Multi-family Residential Property.

C. MAXIMUM SPECIAL TAX RATES

1. Developed Property

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1 below.

**TABLE 1
MAXIMUM SPECIAL TAX RATES
DEVELOPED PROPERTY
FISCAL YEAR 2022-2023**

Development Class	Taxable Unit	Maximum Special Tax
Single Family Residential Property	DU	\$215
Multi-family Residential Property	Acre	\$1,813
Non-Residential Property	Acre	\$1,813

(a) Increase in the Maximum Special Tax

On each July 1, the Maximum Special Tax identified in Table 1 above, shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

(b) Multiple Development Classes

In some instances, a Parcel of Developed Property may contain more than one Development Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Development Class located on that Parcel. For a Parcel that contains two or more different Development Classes, the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Development Class shall be final.

Once a Maximum Special Tax has been assigned to a Parcel of Developed Property, the Maximum Special Tax shall not be reduced in future Fiscal Years regardless of changes in Development Class, Square Footage, or Acreage, unless a reduction in the Maximum Special Tax is approved by the Board for the entire CFD.

(c) Accessory Dwelling Unit(s)

Where an Accessory Dwelling Unit(s) is on the same Assessor Parcel Number as another Taxable Unit, the Accessory Dwelling Unit(s) is not considered a separate Taxable Unit and will not be added to the calculation of the Maximum Special Tax for a Parcel.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Residential Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1., as if such Parcel were already designated as Developed Property and classified as Single Family Residential Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

3. Taxable Property Owner's Association Property and Taxable Public Property

The Maximum Special Tax for each Parcel of Taxable Property Owner's Association Property or Taxable Public Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel.

The Maximum Special Tax for Taxable Property Owner's Association Property and Taxable Public Property shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

4. Undeveloped Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Undeveloped Property shall be \$1,813 per Acre.

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2023, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

5. Public Property and/or Property Owner's Association Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Property Owner's Association Property and/or Public Property shall be \$0.00 per Acre. **There shall be no levy on Property Owner's Association Property and/or Public Property.**

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2022-2023 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Property Owner's Associations Property up to 100% of the applicable Maximum Special Tax for Taxable Property Owner's Association.

Fourth: If additional moneys are needed to satisfy the Special Tax requirement after the first three steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property at up to 100% of the applicable Maximum Special Tax for Taxable Public Property.

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default of the CFD.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Property Owner's Association Property (except Taxable Property Owner's Association Property) or Public Property (except Taxable Public Property) within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

I. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.

At the public hearing, testimony of all interested persons or taxpayers for or against the establishment of the District, the extent of the District, or the furnishing of specified types of public facilities or services will be heard. At the hearing, protests against the establishment of the District, the extent of the District, or the furnishing of specified types of public facilities or services may be made orally, or in writing by any interested person. Any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities or defects to which objection is made. All written protests not personally presented by the author thereof at the hearing shall be filed with the Clerk of the Board at or before the time fixed for the hearing. The Board may waive any irregularities in the

form or content of any written protest and at the hearing may correct minor defects in the proceedings. Written protests may be withdrawn in writing at any time before the conclusion of the hearing.

If 50 percent or more of the registered voters, or six registered voters, whichever is more, residing within the District, or the owners of one-half or more of the area of the land in the territory included in the District and not exempt from the special tax, file written protests against the establishment of the District, and protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to create the District or to authorize the specified special tax lien shall be taken for a period of one year from the date of the decision of the legislative body. If the majority protests of the landowners are only against the furnishing of a specified type or types of facilities or services within the district, or against levying a specified special tax, those types of facilities or services or the specified special tax shall be eliminated from the resolution of formation.

The proposed voting procedure for the proposal shall be by mailed or hand-delivered ballot among the landowners in the District, with each owner having one vote for each acre or portion of an acre such owner owns in the District.
