BACKGROUND:

Summary

By Minute Order dated September 13, 2022 (Agenda Item 3.21), the County of Riverside Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Center Street and Stephens Avenue Resurfacing Project. The limits on Center Street are from just west of Versailles Place to the west side of the I-215 Bridge and the limits on Stephens Avenue are from Center Street to West La Cadena Drive in the community of Highgrove.

Center Street is a two-lane facility that currently ranges from 23 to 64 feet wide and is classified as a secondary highway in the circulation element of the County of Riverside General Plan. Stephens Avenue is a two-lane facility that is 38 feet wide and is classified as a local street.

Roadway resurfacing is needed due to the deteriorated pavement conditions. Mainly, the resurfacing project will include two treatment types. The first treatment consists of grinding down the existing pavement and then overlaying with new Hot Mix Asphalt (HMA). The second treatment consists of removing the existing asphalt concrete pavement and underlying material and placing back new HMA.

Additional improvements include reconstruction of driveway, curb and gutter, cross gutter and spandrels, Americans with Disabilities Act (ADA) compliant curb ramps, placing of traffic striping, thermoplastic crosswalk and pavement markings, replace existing guardrail, the traffic signal at the intersection of Center Street and Stephens Avenue will be updated from a loop detection system to a video detection system, and other associated work.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award.

The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The Contract includes the following schedule of work:

Base Bid Schedule: Center Street and Stephens Avenue Resurfacing

The contractor, Hardy & Harper, is qualified to perform the work as outlined in the bid, has executed the contract, and has provided bonds and insurance documents which meet the requirements of the contract documents.

Project No. C1-0505

Impact on Residents and Businesses

The purpose of this project is to replace existing deteriorated pavement with new hot mix asphalt for the approximate 0.5 miles segment of Center Street and Stephens Avenue to provide the public with a smooth paved roadway that will improve the safety and efficiency of vehicular traffic.

Full closure of Center Street for one scheduled weekend (Saturday and Sunday) will be necessary to complete the roadway work on Center Street from the I-215 Freeway through the Center Street / Stephens Avenue intersection. Throughout the weekend work, business and residential access will be provided by way of alternate detour routes, and roadway access will be maintained for local residents to Versailles Place, Mont Martre Avenue, Cliffhill Place, Claire Street, Debbie Lane, Viola Drive, Stephens Avenue (north of Center Street), and residences on Center Street east of Stephens Avenue (3165 and 3171 Center Street). In addition, protected pedestrian access and/or crossings will be maintained at Center Street and Stephens Avenue throughout the duration of construction.

The work is scheduled to begin in early 2023. The work will be phased to keep the road open during construction as much as possible and will take approximately two and a half months to complete.

SUPPLEMENTAL:

Additional Fiscal Information

Construction is expected to be completed in Fiscal Year 2022/2023 and will be funded with Gas Tax/SB-1 Funds. The City of Riverside is responsible for funding their respective work within city limits.

The proposed budget as shown on Attachment "A" includes Contract award amount and other associated costs.

There are no General Funds used in this project.

EXCESS LIABILITY POLICY

There are provisions in this policy that restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Words and phrases in quotation marks have special meaning and can be found in the **Definitions** Section or the specific policy provision where they appear.

In consideration of the payment of the premium and in reliance upon the statements in the Declarations we agree with you to provide coverage as follows:

100 *11/6/22*

INSURING AGREEMENTS

I. COVERAGE

We will pay on behalf of the Insured "loss" in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations, but only up to an amount not exceeding the Company's Limits of Insurance as shown in Item 4. of the Declarations. Except for the terms, conditions, definitions and exclusions of this policy, the coverage provided by this policy will follow the First Underlying Insurance Policy, as shown in Item 5. of the Declarations.

The inclusion or addition hereunder of more than one Insured shall not operate to increase the Company's Limits of Insurance beyond that set forth in Item 4. of the Declarations.

We will be furnished a complete copy of the First Underlying Insurance Policy described in Item 5. of the Declarations.

II. LIMITS OF INSURANCE

A. The Limits of Insurance shown in the Declarations and the rules below describe the most we will pay regardless of the number of:

1. Insureds;
2. claims made or suits brought; or
3. Persons or organizations making claims or bringing suits.

B. The Limits of Insurance of this policy will apply as follows:

1. This policy applies only in excess of the Underlying Limits of Insurance shown in Item 5. of the Declarations.

2. The aggregate limit shown in Item 4. of the Declarations is the most we will pay for all "loss" that is subject to an aggregate limit provided by the First Underlying Insurance Policy. The aggregate limit applies separately and in the same manner as the aggregate limits provided by the First Underlying Insurance Policy.

3. Subject to B.2., the occurrence limit stated in Item 4. of the Declarations is the most we will pay for all "loss" arising out of any one occurrence to which this policy applies.

4. Subject to Paragraphs B.2. and B.3. above, if the underlying Limits of Insurance stated in Item 5. of the Declarations are reduced or exhausted solely by payment of "loss," such insurance provided by this policy will apply in excess of the reduced Underlying Limits or, if all Underlying Limits are exhausted, will apply as underlying insurance subject to the same terms, conditions, definitions and exclusions of the First Underlying Insurance Policy, except for the terms, conditions, definitions and exclusions of this policy.

5. The Limits of Insurance of this policy apply separately to each consecutive annual period and to any remaining pe-

riod of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

III. DEFENSE

- A. We will not be required to assume charge of the investigation of any claim or defense of any suit against you.
- B. We will have the right, but not the duty, to be associated with you or your underlying insurer or both in the investigation of any claim or defense of any suit which in our opinion may create liability on us for "loss" under this policy. If we exercise such right, we will do so at our own expense.
- C. If all Underlying Limits of Insurance stated in Item 5. of the Declarations are exhausted solely by payment of "loss," we shall have the right but not the duty to investigate and settle any claim or assume the defense of any suit which in our opinion may give rise to a "loss" under this policy. Such investigation or defense shall be at our own expense. We may, however, withdraw from the defense of such suit and tender the continued defense to you if our applicable Limits of Insurance stated in Item 4. of the Declarations are exhausted by payment of "loss."

IV. EXCLUSIONS

This policy does not apply to:

- A. Any "loss," including, but not limited to settlements, judgments, costs, charges, expenses, costs of investigations, or the fees of attorneys, experts, or consultants arising out of or related in any way, either directly or indirectly, to:
 - 1. asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust, including, but not limited to, manufacture, mining, use, sale, installation, removal, or distribution activities;

- 2. exposure to testing for, monitoring of, cleaning up, removing, containing or treating of asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust; or
- 3. any obligation to investigate, settle or defend, or indemnify any person against any claim or suit arising out of, or related in any way, either directly or indirectly, to asbestos, asbestos products, asbestos-containing materials or products, asbestos fibers or asbestos dust.

B. Any "loss":

- 1. with respect to which any Insured under this policy is also an Insured under a nuclear energy liability policy issued by Nuclear Energy Liability Insurance Association, Mutual Atomic, Energy Liability Underwriters, Nuclear Insurance Association of Canada or any of their successors, or would be an Insured under any such policy but for its termination upon exhaustion of its Limit of Insurance; or
- 2. resulting from the "hazardous properties" of "nuclear material" and with respect to which:
 - a. a person or organization is required to maintain financial protection pursuant to the Atomic Energy Act of 1954, or any law amendatory thereof, or

V. DEFINITIONS

"Loss" means those sums which you are legally obligated to pay as damages, after making proper deductions for all recoveries and salvage.

VI. CONDITIONS

A. Appeals

In the event you or any underlying insurer elects not to appeal a judgment in excess of the amount of the Underlying Insurance, we may elect to appeal at our expense. If we do so elect, we will be liable for the costs and additional interest accruing during this appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section II. of this policy.

B. Bankruptcy or Insolvency

The bankruptcy, insolvency or inability to pay of any Insured will not relieve us from our obligation to pay "loss" covered by this policy.

In the event of bankruptcy, insolvency or refusal or inability to pay, of any underlying insurer, the insurance afforded by this policy will not replace such underlying insurance, but will apply as if the underlying insurance was fully available and collectible.

C. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. If we cancel because of nonpayment of premium, we must mail or deliver to you not less than ten (10) days advance written notice stating when the cancellation is to take effect. If we cancel for any other reason, we must mail or deliver to you not less than thirty (30) days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1. of the Declarations will be sufficient to prove notice.

3. The policy period will end on the day and hour stated in the cancellation notice.
4. If we cancel, final premium will be calculated pro rata based on the time this policy was in force.
5. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force and increased by our short rate cancellation table and procedure.
6. Premium adjustment may be made at the time of cancellation or as soon as practicable thereafter but the cancellation will be effective even if we have not made or offered any refund due you. Our check or our representative's check, mailed or delivered, will be sufficient tender of any refund due you.
7. The first Named Insured in Item 1. of the Declarations will act on behalf of all other Insureds with respect to the giving and receiving of notice of cancellation and the receipt of any refund that may become payable under this policy.
8. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

D. Maintenance of Underlying Insurance

During the period of this policy, you agree:

1. To keep the policies listed in the Schedule of Underlying Insurance in full force and effect;
2. That the Limits of Insurance of the policies listed in the Schedule of Underlying Insurance will be maintained except for any reduction or exhaustion of aggregate limits by payment of claims or suits for "loss" covered by Underlying Insurance.

If you fail to comply with these requirements, we will only be liable to the same extent that we would have been had you fully complied with these requirements.

E. Notice of Occurrence

1. You must see to it that we are notified as soon as practicable of an occurrence which may result in a "loss" covered under this policy. To the extent possible, notice will include:
 - a. how, when and where the occurrence took place;
 - b. the names and addresses of any injured persons and witnesses;
 - c. the nature and location of any injury or damage arising out of the occurrence.
2. If a claim or suit against any Insured is reasonably likely to involve this policy you must notify us in writing as soon as practicable.
3. You and any other involved Insured must:
 - a. immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
 - b. authorize us to obtain records and other information;
 - c. cooperate with us in the investigation, settlement or defense of the claim or suit; and
 - d. assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the Insured because of injury or damage to which this insurance may also apply.

4. The Insureds will not, except at their own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

F. Other Insurance

If other insurance applies to a "loss" that is also covered by this policy, this policy will apply excess of the other insurance. Nothing herein will be construed to make this policy subject to the terms, conditions and limitations of such other insurance. However, this provision will not apply if the other insurance is specifically written to be excess of this policy.

Other insurance includes any type of self-insurance or other mechanism by which an Insured arranges for funding of legal liabilities.

G. Terms Conformed to Statute

The terms of this Policy which are in conflict with the statutes of the state where this Policy is issued are amended to conform to such statutes. If we are prevented by law or statute from paying on behalf of the Insured, then we will, where permitted by law or statute, indemnify the Insured.

H. When "Loss" is Payable

Coverage under this policy will not apply unless and until the Insured or the Insured's underlying insurance has paid or is obligated to pay the full amount of the Underlying Limits of Insurance stated in Item 5. of the Declarations.

When the amount of "loss" has finally been determined, we will promptly pay on behalf of the Insured the amount of "loss" covered under the terms of this policy.
