STATE OF CALIFORNIA**

BACKGROUND/APPOINTEE INFORMATION:

Members of the Flood Control Commission serve to provide for the control and conservation of flood and storm waters and for the protection of watercourses, watersheds, public highways, life and property from damage or destruction caused by flood waters. The commission also works to prevent the waste or diminution of the water supply and provide for the conservation of all or any drainage, storm flood and other waters for beneficial use. Mr. Graff is dedicated and willing to continue to work hard to achieve these goals.
