1. A. This PROJECT will be administered in accordance with the applicable CTC STIP guidelines and the Active Transportation Program guidelines as adopted or amended, the Local Assistance Procedures Manual (LAPM), the Local Assistance Program Guidelines (LAPG), and this PROGRAM SUPPLEMENT.

B. This PROJECT is programmed to receive State funds from the Active Transportation Program (ATP). Funding may be provided under one or more components. A component(s) specific fund allocation is required, in addition to other requirements, before reimbursable work can occur for the component(s) identified. Each allocation will be assigned an effective date and identify the amount of funds allocated per component(s).

This PROGRAM SUPPLEMENT has been prepared to allow reimbursement of eligible PROJECT expenditures for the component(s) allocated. Unless otherwise determined, the effective date of the component specific allocation will constitute the start of reimbursable expenditures.

C. STATE and ADMINISTERING AGENCY agree that any additional funds made available by future allocations will be encumbered on this PROJECT by use of a STATE-approved Allocation Letter and STATE Finance Letter. ADMINISTERING AGENCY agrees that STATE funds available for reimbursement will be limited to the amount allocated by the California Transportation Commission (CTC) and/or the STATE.

D. Upon ADMINISTERING AGENCY request, the CTC and/or STATE may approve supplementary allocations, time extensions, and fund transfers between components. Funds transferred between allocated project components retain their original timely use of funds deadlines, but an approved time extension will revise the timely use of funds criteria for the component(s) and allocation(s) requested. Approved supplementary allocations, time extensions, and fund transfers between components made after the execution of this PROGRAM SUPPLEMENT will be documented and considered subject to the terms and conditions thereof.

Documentation will consist of a STATE approved Allocation Letter, Fund Transfer Letter, Time Extension Letter, and Finance Letter, as appropriate.

E. This PROJECT is subject to the timely use of funds provisions enacted by the Active Transportation Program guidelines, as adopted or amended, and by approved CTC and State procedures as outlined below.
