**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

**Summary**

The County of Riverside (County) is proposing to slurry seal three road segments that are both maintained by the County and the City of Lake Elsinore (City). These segments consist of the following: Audelo St. from Grand Ave to Rocking Horse Ct. at approximately 1,530 feet long; Patrick Ln. from Grand Ave. westerly at 286 feet long, and Machado St. from Grand Ave. northerly at approximately 2,930 feet long. Additionally, the County is proposing to slurry two road segments that are maintained primarily by the City. These segments are as follows: Natalie Dr. from Machado St. to Meadowlake Ln. at 330 feet long and Meadowlake Ln. from Natalie Dr. southerly at 1,250 feet long. The City has requested that these segments of roads in the Lake Elsinore area be included in the County's Slurry Seal Project. The proposed road limits are shown in Attachment 1, Vicinity Map.

This Service Agreement between the County and the City outlines each agency's responsibilities for the completion of the Slurry Seal Improvements and obligates the City to fund 100% of the slurry seal improvements within the jurisdictional boundaries of the City.

The City will deposit \$83,536.00 prior to the start of the construction contract. The County is providing the services and has no obligation to fund any portion of the project within the City's jurisdiction.

By Minute Order dated October 18, 2022 (Agenda Item 3.44), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Slurry Seal Project for Fiscal Year 2022/23 at various locations in the 1<sup>st</sup> and 2<sup>nd</sup> Supervisorial Districts. Bids were opened on November 9, 2022 and the contract award is a companion item on this same board agenda.

This Service Agreement is on the Lake Elsinore City Council agenda for approval on January 10, 2023.

County Counsel has approved the agreement as to legal form.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

Project Number: D3-0006

**Impact on Residents and Businesses**

The proposed improvements will improve safety and enhance operational efficiency for traffic on Audelo Street, Machado Street, Meadowlake Lane, Natalie Drive, and Patrick Court. The slurry seal treatment will also preserve and extend the life of the road thereby reducing the need for resurfacing, which is ten times more costly.

**Additional Fiscal Information**

The City of Lake Elsinore will be responsible for 100% of the Audelo Street, Machado Street, Meadowlake Lane, Natalie Drive, and Patrick Court Slurry Seal Improvement costs within the city jurisdiction.

**FOR**

**AUDELO ST., MACHADO ST., MEADOWLAKE LN., NATALIE DR., PATRICK CT.**

**SLURRY SEAL IMPROVEMENTS**

This Agreement is entered into this 10<sup>th</sup> day of January, 2023, by and between the County of Riverside, a political subdivision of the State of California, on behalf of its Transportation Department (hereinafter "COUNTY") and the City of Lake Elsinore, a municipal corporation, (hereinafter "CITY") for slurry seal improvements located within the jurisdictional boundaries of CITY. The COUNTY and CITY are sometimes hereinafter referred to individually as a "PARTY" and collectively as the "PARTIES".

**RECITALS**

A. WHEREAS, CITY has determined to seal the existing asphalt surface on Audelo St., Machado St., Meadowlake Ln., Natalie Dr., and Patrick Ct. which consists of the following segments: segment 1 is Audelo St. from 877' E of Grand Ave to Grand Ave (approximately 877 linear feet by 20 feet wide), segment 2 is Audelo St. from 877' E of Grand Ave to Rocking Horse Ct. (approximately 650 linear feet by 33 feet wide), segment 3 is Machado St. from 200' N of Alvarado St. to 700' N of Grand Ave. (approximately 2,230 linear feet by 38 feet wide), segment 4 is Machado St. from 700' N of Grand Ave. to Grand Ave. (approximately 700 linear feet by 30 feet wide), segment 5 is Meadowlake Ln. from Natalie Dr. to 1250' SW of Natalie Dr. (approximately 1,250 linear feet by 36 feet wide), segment 6 is Natalie Dr. from Machado St. to Meadowlake Ln. (approximately 330 linear feet by 36 feet wide), segment 7 is Patrick Ct. from Grand Ave. to 286' W of Grand Ave. (approximately 286 linear feet by 28 feet wide) in the Lake Elsinore area of Riverside County ("CITY PROJECT").

B. WHEREAS, CITY has determined that it requires construction services to place the slurry seal on Audelo St., Machado St., Meadowlake Ln., Natalie Dr., and Patrick Ct. as shown in Exhibit A and that a Slurry Seal

will be applied that consists of the application of a mixture of water, asphalt emulsion, aggregate, and chemical additives to an existing asphalt concrete pavement surface.

C. WHEREAS, COUNTY is fully qualified to administer the work that includes traffic control, rout and seal random cracks, replacement of any pavement markings, including cross walks, striping and raised pavement markers.

D. WHEREAS, COUNTY has Slurry Seal improvement projects within the jurisdictional boundaries of COUNTY, which Slurry Seal improvement projects are sometimes hereinafter referred to collectively as "COUNTY PROJECT".

E. WHEREAS, CITY will benefit from the cost savings associated with a larger improvement project, and CITY desires to work with the COUNTY to construct the CITY PROJECT, together with the COUNTY PROJECT since COUNTY has extensive experience in the development and implementation of similar type projects.

F. WHEREAS, COUNTY will therefore provide the administrative, technical, managerial, and support services necessary for the implementation of the CITY PROJECT as part of the COUNTY PROJECT.

G. WHEREAS, COUNTY and CITY desire to define herein the terms and conditions under which said CITY PROJECT is to be administered, engineered, coordinated, and constructed.

#### **AGREEMENT**

NOW THEREFORE, in consideration of the mutual promises contained herein, the PARTIES hereto agree as follows:

#### **SECTION 1 • COUNTY AGREES to:**

1. Act as the lead agency on behalf of the CITY for the overall implementation of the CITY PROJECT. The COUNTY is providing services on a reimbursable basis and has no obligation to fund any portion of the CITY PROJECT. Nothing in this Agreement is intended to commit the COUNTY to provide replacement funding for or to continue with the CITY PROJECT, if funds are not available.
2. Furnish CITY with detailed Plans, Specifications & Estimate (PS&E) documents for the CITY PROJECT. Final plans for improvements are prepared to COUNTY standards, and signed by a Civil Engineer registered in the State of California. Deviations from standards shall be coordinated with and approved by CITY. COUNTY shall not begin construction within CITY until CITY has approved the CITY PROJECT

portion of the PS&E documents, which approval shall not be unreasonably withheld.

3. Direct COUNTY's contractor to identify any existing surface utility facilities within the limits of the CITY PROJECT and to protect the facilities as detailed in the Special Provisions of the PS&E.
4. Direct COUNTY's contractor to make written application to CITY for an encroachment permit authorizing entry into CITY right of way for the purposes of constructing COUNTY PROJECT and CITY PROJECT.
5. Advertise, award, and administer a public works contract for the construction of the COUNTY PROJECT and the CITY PROJECT in accordance with all applicable federal, state or local statutes, ordinances, orders, governmental requirements, laws or regulations, including but not limited to the local agency public construction codes, California Labor Code, and California Public Contract Code, and in accordance with the encroachment permits issued by CITY.
6. Furnish a representative to perform the function of Resident Engineer during construction of CITY PROJECT.
7. Furnish qualified support staff to assist the Resident Engineer in, but not limited to, construction surveys, soils and compaction tests, measurement and computation of quantities, testing of construction materials, checking submittals, preparation of estimates and reports, preparation of as-built drawings, and other inspection and staff services necessary to assure that the construction is performed in accordance with the PS&E documents.
8. Construct the CITY PROJECT in accordance with approved PS&E documents.
9. Submit any contract change order that causes the construction contract to exceed 10% of the contract bid amount for CITY PROJECT improvements to CITY for review and approval prior to final authorization by COUNTY. If any contract change order causes the construction contract to change by less than 10% of the bid amount for CITY PROJECT, COUNTY is authorized by CITY approval of this Agreement to move forward with such change.
10. Furnish CITY a final reconciliation of CITY PROJECT expenses within ninety (90) days following the completion and acceptance of the COUNTY PROJECT and CITY PROJECT construction contract. If final costs associated with the CITY PROJECT are in excess of the Deposit provided in Section 2, COUNTY shall include a final bill with the financial reconciliation. If final costs associated with the CITY PROJECT

are less than the Deposit provided in Section 2, COUNTY shall include a reimbursement for the difference with the financial reconciliation.

11. Provide CITY one complete set of reproducible as-built plans and all contract documents including calculations, estimates, and other documents produced as part of this contract within ninety (90) days after completion and acceptance of the CITY PROJECT.

**SECTION 2 • CITY AGREES to:**

1. Fund one hundred percent (100%) of the cost of the CITY PROJECT, as shown in Exhibit "B". CITY agrees that should unforeseen circumstances arise which result in an increase of any costs over those shown in Exhibit "B", CITY will pay such costs pursuant to Subsection 9 and Subsection 10 of Section 1.
2. Deposit with COUNTY, prior to COUNTY start of work and upon written request by COUNTY, Eighty-Three Thousand Five Hundred Thirty-Six Dollars and Forty-four Cents (\$83,536.44) (the "Deposit"), which represents one hundred percent (100%) of the costs to complete construction including construction administration, inspection and materials testing and contingency for CITY PROJECT, as provided in Exhibit "B".
3. Prepare and approve CEQA clearance for the CITY PROJECT.
4. Issue, at no cost to COUNTY or its contractor, upon proper application by COUNTY or COUNTY's contractor, an encroachment permit authorizing entry onto CITY right-of-way to complete construction, including traffic control, construction survey, inspection and materials testing for the COUNTY PROJECT and CITY PROJECT.
5. Provide at no cost to the COUNTY, oversight of the CITY PROJECT, to provide prompt reviews and approvals, as appropriate, of submittals by COUNTY, and to cooperate in timely processing of the CITY PROJECT.
6. Provide at no cost to COUNTY, a representative to coordinate and assist the COUNTY Resident Engineer during the construction of the CITY PROJECT and to verify facilities are constructed as required by this Agreement.
7. Pay COUNTY for any final costs associated with the CITY PROJECT that are in excess of the Deposit as determined pursuant to Subsection 10 of Section 1.

**SECTION 3 • IT IS MUTUALLY AGREED AS FOLLOWS:**

1. If upon opening of bids for construction of the CITY PROJECT the bids indicate a cost overrun of no more than ten percent (10%) of the construction cost estimate will occur, as described in Exhibit "B", COUNTY may award the contract.
2. If upon opening of bids it is found that a cost overrun exceeding ten percent (10%) of the construction cost estimate will occur, COUNTY and CITY shall endeavor to agree upon an alternative course of action. If, after fourteen (14) calendar days from the date of bid opening, an alternative course of action is not agreed upon, this Agreement shall be deemed to be terminated by mutual consent. COUNTY shall reimburse CITY within forty-five (45) days of termination.
3. COUNTY and CITY acknowledge and agree that any funding shortfall for the completion of the CITY PROJECT will be the sole responsibility of CITY. Nothing in this Agreement is intended to commit the COUNTY to funding any portion of CITY PROJECT, or shall be construed as obligating the COUNTY to provide replacement funding for any anticipated funding or to continue with the CITY PROJECT, if funds are no longer available. In the event that adequate funds are not available to move forward or to complete CITY PROJECT, PARTIES agree to meet and confer and collectively work to identify adequate funding for CITY PROJECT.
4. The total cost to CITY to complete construction, including construction administration, inspection and materials testing and a ten percent (10%) contingency for CITY PROJECT is estimated to be Eighty-Three Thousand Five Hundred Thirty-Six Dollars and Forty-four Cents (\$83,536.44) as detailed in Exhibit "B".
5. COUNTY shall not be obligated to commence the CITY PROJECT until after receipt of CITY's Deposit as required in Section 2.
6. Construction by COUNTY of improvements for CITY PROJECT shall not be commenced until an Encroachment Permit to COUNTY, or COUNTY's contractor, authorizing such work has been issued by CITY.
7. COUNTY shall cause COUNTY's contractor to maintain in force, until completion and acceptance of the Slurry Seal improvements, a policy of Commercial Liability Insurance, including coverage of Bodily Injury Liability and Property Damage Liability, in the amount of \$2,000,000 minimum single limit coverage, and a

policy of Automobile Liability Insurance in the amount of \$1,000,000 minimum. Endorsements to each policy shall be required which name CITY, its officers, agents and employees, as additionally insured. COUNTY shall also require COUNTY's contractor to maintain Worker's Compensation Insurance. COUNTY shall cause COUNTY's contractor to provide Certificates of Insurance and Additional Insured Endorsements which meet the requirements of this section to CITY prior to the start of construction.

8. Ownership and title to all materials, equipment, and appurtenances installed as part of this Agreement will be automatically vested with the jurisdiction in which the improvements reside and no further agreement will be necessary to transfer ownership.
9. CITY shall be responsible for the maintenance of the improvements provided by CITY PROJECT within CITY right of way except as specified in this Agreement or future agreements.
10. No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by all PARTIES and no oral understanding or agreement not incorporated herein shall be binding on each PARTY hereto.
11. Neither COUNTY nor any officer or employee thereof shall be responsible for any damage or liability occurring by reason of any act or omission of CITY under or in connection with any work, authority or jurisdiction delegated to CITY under this Agreement. It is further agreed that pursuant to Government Code Section 895.4, CITY shall fully indemnify and hold COUNTY harmless from any liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of any act or omission of CITY under or in connection with any work, authority or jurisdiction delegated to CITY under this Agreement.
12. Neither CITY nor any officer or employee thereof shall be responsible for any damage or liability occurring by reason of any act or omission of COUNTY under or in connection with any work, authority or jurisdiction delegated to COUNTY under this Agreement. It is further agreed that pursuant to Government Code Section 895.4, COUNTY shall fully indemnify and hold CITY harmless from any liability imposed for injury (as defined by Government Code Section 810.8) occurring by reason of any act or omission of COUNTY under or in connection with any work, authority or jurisdiction delegated to COUNTY under this Agreement.
13. In the event that CITY defaults in the performance of any of its obligations under this Agreement or materially breaches any of the provisions of this Agreement, the COUNTY shall have the option to terminate

this Agreement upon ninety (90) days written notice to CITY.

14. CITY and COUNTY shall retain or cause to be retained for audit, all records and accounts relating to the CITY PROJECT for a period of minimum three (3) years from the date of Notice of Completion of the CITY PROJECT.

15. This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each PARTY to this Agreement agrees to the use of electronic signatures, such as digital signatures that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA") Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement. The PARTIES further agree that the electronic signatures of the PARTIES included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures. Electronic signature means an electronic sound, symbol, or process attached to or logically associated with an electronic record and executed or adopted by a person with the intent to sign the electronic record pursuant to the CUETA as amended from time to time. The CUETA authorizes use of an electronic signature for transactions and contracts among parties in California, including a government agency. Digital signature means an electronic identifier, created by computer, intended by the PARTY using it to have the same force and effect as the use of a manual signature, and shall be reasonably relied upon by the PARTIES. For purposes of this section, a digital signature is a type of "electronic signature" as defined in subdivision (i) of Section 1633.2 of the Civil Code.

16. All notices, demands, invoices, and other communications required or permitted hereunder shall be in writing and delivered to the following addresses or such other address as the PARTIES may designate:
