BACKGROUND:

The Riverside County Workforce Development Board (WDB) is a private sector led policy and oversight body that supports economic expansion and the development of the regional workforce. The WDB is governed by the Workforce Innovation and Opportunity Act of 2014 (WIOA) which mandates that 50% of the WDB's members must come from the business community. In addition, WDBs are required to have representation from universities or community colleges and other training providers, as well as economic development and workforce program leaders. This ensures that federal funds for workforce development activities are expended on training and career coaching that meets the needs of the business community. Pursuant to WIOA, the Board of Supervisors, led by the Board Chairman who serves as the Chief Local Elected Official (CLEO), is responsible for appointing the WDB members for two-year terms.

Rebecca Goldware began her career with the City of Riverside and brings extensive experience in education and economic development. Prior to joining the Riverside Community College District (RCCD), she served as the Chief of Staff for Research and Economic

Development at the University of California, Riverside (UCR). At UCR, Ms. Goldware supported large, regional efforts such as the relocation of the California Air Resources Board (CARB) to Riverside and the creation of the region's first wetlab incubator.

Ms. Goldware is an alumna of Riverside City College (RCC) earning associate degrees in both Arts and Science. She transferred to UCR where she earned a bachelor's degree in Business Administration and then completed a master's degree in Business Administration at the University of Redlands. She has served on several local nonprofit organization boards, including the United Way, YWCA, and Feeding America.

Rebecca Goldware has confirmed her interest in serving on the Workforce Development Board as a Public Sector Member in Education for all districts. If appointed, she will serve a two-year term commencing February 07, 2023, and expiring February 06, 2025.
