BACKGROUND:

Summary

Since the late 1990's, the Sheriff's Department has participated in several Federal surplus programs, which have included the Department of Defense 1033 Excess Property Program and the Federal Surplus Property Program. Over the years, the Department has acquired many valuable and useful items, including helicopters and weapons. The Department's acquisition of surplus property has saved the County tens of thousands of dollars.

To continue our participation in the programs for an additional three-year period, the State Department of General Services requires that the Board of Supervisors adopt a resolution authorizing specific Sheriff's Department employees to acquire participatory documents with Cal OES.

Lastly, the Sheriff's Department, on behalf of the County, will sign and agree to release of liability for the State and Federal Department of Defense for any property damage and/or serious injury and death that may arise from the use of equipment acquired through the programs. County Counsel has approved as to form all surplus programs documents submitted to the State Department of General Services.

Impact on Residents and Businesses

The equipment acquired supports the Sheriff's Department to better equip personnel serving the citizens of Riverside County.

Instructions for Certification

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department of agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage section of rule implementing Executive Order 12549. A participant may decide the method and frequency by which it determines the eligibility of its principals.
