BACKGROUND:

Summary

On March 14, 2022, the U.S. Department of Housing and Urban Development (HUD) announced the FY 2021 Continuum of Care (CoC) Program Awards. The County of Riverside Continuum of Care was awarded \$13,763,437 to support 24 rapid rehousing and permanent supportive housing projects; twelve (12) renewals and twelve (12) new projects. While all project application and amounts were included in the FY 2021 CoC Program Priority Listing approved by the County of Riverside Continuum of Care Board of Governance (BoG) on October 26, 2021, the \$2,084,563 application for the 2021 County of Riverside DV Bonus RRH project included three qualified organizations: Alternatives to Domestic Violence (ADV), Queer Works (QW), and Transgender Health and Wellness Center (THWC), to support much needed rental assistance and supportive services to 100 victims of domestic violence and their families.

On April 21, 2022, the BoG approved the \$2,084,563 allocation award of the 2021 County of Riverside Domestic Violence Bonus Rapid Re-Housing projects as follows:

- \$1,250,737 for Alternative to Domestic Violence (60 units/80 beds)
- \$416,913 for Queer Works (20 units/20 beds)
- \$416,913 for Transgender Health and Wellness Center (20 units/20 beds)

Alternatives to Domestic Violence (ADV) selected not to proceed with operating the County of Riverside Domestic Violence Bonus Rapid Re-Housing projects. Staff reached out to all HUD CoC subrecipients to measure interest and capacity in absorbing the 2021 County of Riverside Domestic Violence Bonus Rapid Re-Housing projects and received response from Lighthouse Social Services.

On 08/18/2022, the BoG approved reallocation of the \$1,250,737 from Alternatives to Domestic Violence to Lighthouse Social Services. In the interim, the CoC has been providing technical assistance to aid with launching this new project which includes the new domestic violence infrastructure as this is an inaugural project for these vendors. Conversations have begun to develop a memorandum of understanding between these three providers which will allow for our Coordinated Entry System to manage referrals alongside domestic violence hotlines.

Impact on Residents and Businesses

Through the CoC, the County of Riverside and its subrecipients continue improving the lives of men, women and children experiencing homelessness through the direct housing and service programs.

Contract History and Price Reasonableness

Riverside County's CoC planning process began in 1996, when the County submitted its first successful application to HUD on behalf of the CoC for funding to house and provide supportive services to the homeless population. The CoC has grown each year and provides an intensive countywide process to identify homeless needs, identify gaps in services, seek new providers in areas that are underserved, enhance collaboration among agencies, provide capacity building assistance to newer agencies and coordinate Federal, State, and local efforts. The County of Riverside, as the HUD Grantee, partners with government and non-profit organizations through a contract to provide housing and supportive services to individuals and families experiencing homelessness within Riverside County.

SUBRECIPIENT shall, at its sole expense and cost, including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards, defend COUNTY Indemnitees in any such claim or action. SUBRECIPIENT shall, at its sole cost, have the right to use counsel of its choice, subject to the approval of COUNTY which shall not be unreasonably withheld; and shall have the right to adjust, settle, or compromise any such claim or action so long as that does not compromise SUBRECIPIENT's indemnification obligation. SUBRECIPIENT's obligation hereunder shall be satisfied when SUBRECIPIENT has provided COUNTY the appropriate form of dismissal relieving COUNTY from any liability for the action or claim made. The insurance requirements stated in this Agreement shall in no way limit or circumscribe SUBRECIPIENT's obligations to indemnify and hold COUNTY harmless.

15. **INSURANCE**

- A. Without limiting or diminishing SUBRECIPIENT's obligation to indemnify or hold COUNTY harmless, SUBRECIPIENT shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, COUNTY herein refers to the County of Riverside, its agencies, districts, special districts, and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.
- B. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an AM BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the COUNTY Risk Manager. If the COUNTY's Risk Manager waives a requirement for a particular insurer, such waiver is only valid for that specific insurer and only for one policy term.
- C. SUBRECIPIENT's insurance carrier(s) must declare its insurance self-insured retentions. If such self-insured retentions exceed \$500,000 per occurrence such retentions shall have the prior written consent of the COUNTY Risk Manager before the commencement of operations under this Agreement. Upon notification of self-insured retention unacceptable to COUNTY, and at the election of the COUNTY's Risk Manager, SUBRECIPIENT's carriers shall either;
- 1) reduce or eliminate such self-insured retention as respects to this Agreement with COUNTY, or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- D. SUBRECIPIENT shall cause SUBRECIPIENT's insurance carrier(s) to furnish the COUNTY with either 1) a properly executed original certificate(s) of insurance and certified original copies of endorsements effecting coverage as required herein, or 2) if requested to do so orally or in writing by the COUNTY Risk Manager, provide original certified copies of policies,

including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that thirty (30) calendar days written notice shall be given to the COUNTY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the COUNTY receives, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverages set forth herein and the insurance required herein is in full force and effect. SUBRECIPIENT shall not commence operations until the COUNTY has been furnished original certificate(s) of insurance and certified original copies of endorsements and if requested, certified original policies of insurance including all endorsements and any and all other attachments as required in this section. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.

- E. It is understood and agreed to by the parties hereto that SUBRECIPIENT's insurance shall be construed as primary insurance, and COUNTY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.
- F. 1. Project Description

SUBRECIPIENT shall provide critical and quality services to assist individuals and individuals with families (with veteran and veterans with families as the priority population) to quickly regain stability in permanent housing after experiencing a housing crisis or homelessness. As part of a comprehensive continuum of services for individuals guided by Individualized Service Plans, SUBRECIPIENT shall

administer the following project:

The project provides rapid rehousing services throughout Riverside County to homeless families fleeing domestic violence that meet Continuum of Care Program eligibility criteria. This project follows a Housing First approach to quickly and successfully connect individuals and families experiencing homelessness to permanent housing without preconditions and barriers to entry, such as sobriety, treatment or service participation requirements. This project is modeled after evidence-based DV HF programs that focus on rapid stabilization with flexible supportive services, safety planning, a trauma-informed approach to domestic violence advocacy and a case management structure designed to support victims on their path towards creating safe and healthy lives. The programmatic goals are to assist survivors strengthen their own psychological capacities to empower themselves to safely deal with past trauma, recover from abuse, build healthy relationships and safely access stable housing and other community supports in a non-traumatizing way. The primary barriers survivors of violence face are the immediate need for safety and confidentiality, economic insecurity, and discrimination when trying to access shelter and housing. This project will help address these gaps in services through broad collaboration to ensure continuity of services within the Continuum.

Rental assistance coupled with trauma-informed case management by domestic violence professionals will help clients overcome their traumatic experiences, provide the necessary life skills to make the client successful in their housing and increase household income to achieve housing stability and independence when rental assistance is no longer provided.

The placement process will initiate through the Riverside County CES and individual case plan will be executed to assess the client's safety needs. Goals will be set between the client and case management to begin the immediate connection to support services. All Programs services are Client-Centered, giving priority to mental health stability, employment, legal assistance, and financial education.

Services will be rendered equally regardless of gender, sexual orientation, language, disability, ethnicity, religious preferences, and socioeconomic status; and the CM will develop culturally relevant and non-traumatizing community-based referrals and linkages.

The project participates in the Homelessness Management Information System (HMIS) and follows the Continuum of Care Riverside County HMIS Charter and the HMIS Data Standards released by U.S Department of Housing and Urban Development (HUD).

I. **PHYSICAL SECURITY**

The Contractor shall ensure PII is used and stored in an area that is physically safe from access by unauthorized persons at all times. The Contractor agrees to safeguard PII from loss, theft, or inadvertent disclosure and, therefore, agrees to:

- A. Secure all areas of the Contractor facilities where staff assist in the administration of their program and use, disclose, or store PII.
- B. These areas shall be restricted to only allow access to authorized individuals by using one or more of the following:
 1. Properly coded key cards
 2. Authorized door keys
 3. Official identification
- C. Issue identification badges to Contractor staff.
- D. Require Contractor staff to wear these badges where PII is used, disclosed, or stored.
- E. Ensure each physical location, where PII is used, disclosed, or stored, has procedures and controls that ensure an individual who is terminated from access to the facility is promptly escorted from the facility by an authorized employee and access is revoked.
- F. Ensure there are security guards or a monitored alarm system at all times at the Contractor facilities and leased facilities where five hundred (500) or more individually identifiable PII records are used, disclosed, or stored. Video surveillance systems are recommended.
- G. Ensure data centers with servers, data storage devices, and/or critical network infrastructure involved in the use, storage, and/or processing of PII have perimeter security and physical access controls that limit access to only authorized staff. Visitors to the data center area must be escorted at all times by authorized staff.
- H. Store paper records with PII in locked spaces, such as locked file cabinets, locked file rooms, locked desks, or locked offices in facilities which are multi-use meaning that there are County and non-County functions in one building in work areas that are not securely segregated from each other. It is recommended that all PII be locked up when unattended at any time, not just within multi-use facilities.
- I. Use all reasonable measures to prevent non-authorized personnel and visitors from having access to, control of, or viewing PII.

II. **TECHNICAL SECURITY CONTROLS**

- A. **Workstation/Laptop Encryption.** All workstations and laptops, which use, store and/or process PII, must be encrypted using a FIPS 140-2 certified algorithm 128 bit or higher, such as Advanced Encryption Standard (AES). The encryption solution must be full disk. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- B. **Server Security.** Servers containing unencrypted PII must have sufficient administrative, physical, and technical controls in place to protect that data, based upon a risk assessment/system security review. It is recommended to follow the guidelines

documented in the latest revision of the National Institute of Standards and Technology (NIST) Special Publication (SP) 800-53, Security and Privacy Controls for Federal Information Systems and Organizations.

- C. **Minimum Necessary.** Only the minimum necessary amount of PII required to perform required business functions may be accessed, copied, downloaded, or exported.
- D. **Mobile Device and Removable Media.** All electronic files, which contain PII data, must be encrypted when stored on any mobile device or removable media (i.e. USB drives, CD/DVD, smartphones, tablets, backup tapes etc.). Encryption must be a FIPS 140-2 certified algorithm 128 bit or higher, such as AES. It is encouraged, when available and when feasible, that the encryption be 256 bit.
- E. **Antivirus Software.** All workstations, laptops and other systems, which process and/or store PII, must install and actively use an antivirus software solution. Antivirus software should have automatic updates for definitions scheduled at least daily.
- F. **Patch Management.**
 - 1. All workstations, laptops and other systems, which process and/or store PII, must have critical security patches applied, with system reboot if necessary.
 - 2. There must be a documented patch management process that determines installation timeframe based on risk assessment and vendor recommendations.
 - 3. At a maximum, all applicable patches deemed as critical must be installed within thirty (30) days of vendor release. It is recommended that critical patches which are high risk be installed within seven (7) days.
 - 4. Applications and systems that cannot be patched within this time frame, due to significant operational reasons, must have compensatory controls implemented to minimize risk.
- G. **User IDs and Password Controls.**
 - 1. All users must be issued a unique username for accessing PII.
 - 2. Username must be promptly disabled, deleted, or the password changed upon the transfer or termination of an employee within twenty- four (24) hours. Note: Twenty-four (24) hours is defined as one (1) working day.
 - 3. Passwords are not to be shared.
 - 4. Passwords must be at least eight (8) characters.
 - 5. Passwords must be a non-dictionary word.
 - 6. Passwords must not be stored in readable format on the computer or server.
 - 7. Passwords must be changed every ninety (90) days or less. It is recommended that passwords be required to be changed every sixty (60) days or less.
 - 8. Passwords must be changed if revealed or compromised.
 - 9. Passwords must be composed of characters from at least three (3) of the following four (4) groups from the standard keyboard:
 - a. Upper case letters (A-Z)
 - b. Lower case letters (a-z)
 - c. Arabic numerals (0-9)
 - d. Special characters (!,@,#, etc.)
- H. **Data Destruction.** When no longer needed, all PII must be cleared, purged, or destroyed consistent with NIST SP 800-88, Guidelines for Media Sanitization, such that the PII cannot be retrieved.
- I. **System Timeout.** The systems providing access to PII must provide an automatic

timeout, requiring re-authentication of the user session after no more than twenty (20) minutes of inactivity.

- J. **Warning Banners.** The systems providing access to PII must display a warning banner stating, at a minimum:
 - 1. Data is confidential;
 - 2. Systems are logged;
 - 3. System use is for business purposes only, by authorized users; and
 - 4. Users shall log off the system immediately if they do not agree with these requirements.

- K. **System Logging.**
 - 1. The systems which provide access to PII must maintain an automated audit trail that can identify the user or system process which initiates a request for PII, or alters PII.
 - 2. The audit trail shall:
 - a. Be date and time stamped;
 - b. Log both successful and failed accesses;
 - c. Be read-access only; and
 - d. Be restricted to authorized users.
 - 3. If PII is stored in a database, database logging functionality shall be enabled.
 - 4. Audit trail data shall be archived for at least three (3) years from the occurrence.

- L. **Access Controls.** The system providing access to PII shall use role-based access controls for all user authentications, enforcing the principle of least privilege.

- M. **Transmission Encryption.**
 - 1. All data transmissions of PII outside of a secure internal network must be encrypted using a Federal Information Processing Standard (FIPS) 140-2 certified algorithm that is 128 bit or higher, such as Advanced Encryption Standard (AES) or Transport Layer Security (TLS). It is encouraged, when available and when feasible, that 256 bit encryption be used.
 - 2. Encryption can be end to end at the network level, or the data files containing PII can be encrypted.
 - 3. This requirement pertains to any type of PII in motion such as website access, file transfer, and email.

- N. **Intrusion Prevention.** All systems involved in accessing, storing, transporting, and protecting PII, which are accessible through the Internet, must be protected by an intrusion detection and prevention solution.

III. AUDIT CONTROLS

A. System Security Review.

- 1. The Contractor must ensure audit control mechanisms are in place.
- 2. All systems processing and/or storing PII must have at least an annual system risk assessment/security review that ensures administrative, physical, and technical controls are functioning effectively and provide an adequate level of protection.
- 3. Reviews should include vulnerability scanning tools.

B. **Log Reviews.** All systems processing and/or storing PII must have a process or automated procedure in place to review system logs for unauthorized access.

C. **Change Control.** All systems processing and/or storing PII must have a documented

change control process that ensures separation of duties and protects the confidentiality, integrity and availability of data.

IV. BUSINESS CONTINUITY / DISASTER RECOVERY CONTROLS

- A. **Emergency Mode Operation Plan.** The Contractor must establish a documented plan to enable continuation of critical business processes and protection of the security of PII kept in an electronic format in the event of an emergency. Emergency means any circumstance or situation that causes normal computer operations to become unavailable for use in performing the work required under this Agreement for more than twenty-four (24) hours.
- B. **Data Centers.** Data centers with servers, data storage devices, and critical network infrastructure involved in the use, storage and/or processing of PII, must include environmental protection such as cooling, power, and fire prevention, detection, and suppression.

 - 3. The procedures shall include storing backups offsite.
 - 4. The procedures shall ensure an inventory of backup media.
 - 5. The Contractor shall have established documented procedures to recover PII data.
 - 6. The documented recovery procedures shall include an estimate of the amount of time needed to restore the PII data.

V. PAPER DOCUMENT CONTROLS

- A. **Supervision of Data.** The PII in paper form shall not be left unattended at any time, unless it is locked in a file cabinet, file room, desk or office. Unattended means that information may be observed by an individual not authorized to access the information.
- B. **Data in Vehicles.** The Contractor shall have policies that include, based on applicable risk factors, a description of the circumstances under which staff can transport PII, as well as the physical security requirements during transport. A Contractor that chooses to permit its staff to leave records unattended in vehicles must include provisions in its policies to ensure the PII is stored in a non-visible area such as a trunk, that the vehicle is locked, and under no circumstances permit PII be left unattended in a vehicle overnight or for other extended periods of time.
- C. **Public Modes of Transportation.** The PII in paper form shall not be left unattended at any time in airplanes, buses, trains, etc., including baggage areas. This should be included in training due to the nature of the risk.
- D. **Escorting Visitors.** Visitors to areas where PII is contained shall be escorted, and PII shall be kept out of sight while visitors are in the area.
- E. **Confidential Destruction.** PII must be disposed of through confidential means, such as cross cut shredding or pulverizing.

INTRODUCTION

This handbook provides project administration guidelines and financial reporting requirements for Subrecipients under contract with Riverside County Department of Housing and Workforce Solutions (HWS) to operate the U.S. Department of Housing and Urban Development (HUD) Continuum of Care (CoC) Program. This handbook does not supersede any law, regulation, or policy issued by the U.S. Government or HUD with regard to this program.

Assistance to individuals experiencing homelessness was authorized by the McKinney-Vento Homeless Assistance Act of 1987 as amended by the Housing and Community Development Act of 1992, approved October 28, 1992. The Act established numerous programs to promote the development of housing and supportive services to assist persons experiencing homelessness in the transition from streets and shelters to permanent housing and to achieve maximum self-sufficiency. The Homeless Emergency Assistance and Rapid Transition to Housing Act of 2009 (HEARTH Act), enacted into law on May 20, 2009, consolidates three of the separate homeless assistance programs administered by HUD under the McKinney-Vento Homeless Assistance Act into a single grant program known as the Continuum of Care (CoC) Program. The HEARTH Act also codifies in law the Continuum of Care planning process, a longstanding part of HUD's application process to assist homeless persons by providing greater coordination in responding to their needs.

HWS, as the HUD Grantee, partners with government and non-profit organizations through a contract to provide housing and supportive services to individuals and families experiencing homelessness within Riverside County.

This handbook is intended to outline the HWS policies and procedures as well as provide the appropriate federal codes and regulations for the HUD Continuum of Care Program to ensure compliance.

HWS CoC CONTACTS

The HWS CoC website maintains a CoC Staff Roster with current contact information:

Subrecipient - An entity that receives a subgrant from the recipient to carry out the operation of the project.

VAWA – Violence Against Women Act

A. FISCAL COMPONENTS

The Subrecipient's financial system must comply with 2 CFR Part 200 (Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards).

Specific regulations for HUD CoC grants are covered in 2 CFR Part 200 and 24 CFR Part 578 (Continuum of Care Program).

This Administrative Handbook summarizes these regulations, however, Subrecipients should be familiar with the full regulations and should reference them as needed.

1. CLAIMS

Due to the large volume of paperwork associated with most grants, generally, electronic claims are not accepted. A claim will not be considered as received until a hard copy of the claim with an original signature on the 3106 is received by HWS.

In some cases, electronic claims may be accepted instead of hard copies, at the sole discretion of HWS.

2. CLAIM FORMS

Claims should be received by HWS no later than 30 days after the end of the month in which services were provided using the 3106 HUD Programs Claim Form (see attached) with the required supporting documentation (see Section 5 *Supporting Documentation*). For example, a claim for March services should be received by April 30, and a claim for April services should be received by May 30.

If the 3106 claim form is updated during the grant period, the most current version of the 3106 form should be used.

3. TIME & ACTIVITY REPORTS

Time & Activity (T&A) reports (see attached) are required for all staff (see Section 5 *Supporting Documentation*). T&A reports are required to show the actual hours that staff worked in a particular activity on a grant. *The T&A report hours must match the total hours on the payroll documentation that is provided.*

NOTE: One T&A report must be submitted for each pay period. Pay periods are not to be combined on one T&A.

4. REIMBURSEMENTS/DISBURSEMENT OF FUNDS

Generally, reimbursement payments are sent within forty-five (45) days after receipt

of a claim. An expenditure which is not authorized by the Agreement, or which cannot be adequately documented, shall be disallowed, and will not be paid to the Subrecipient.

The most common causes for a delay in reimbursement are:

- Lack of documentation
- Incomplete documentation
- Unclear documentation

Once your claim has been reviewed, we will e-mail you a letter indicating any differences. If you disagree with any disallowance, please request any correction within 30 days from the date of the letter.

Any reimbursements that are made and are found later to be ineligible by HWS, HUD, or any other regulating entity must be repaid by the Subrecipient upon request.

5. MATCH (24 CFR §578.73)

All eligible funding costs, except leasing, must be matched with no less than a 25 percent cash or in-kind contribution. No match is required for leasing. The match requirements apply to project administration funds, along with the traditional expenses—operations, rental assistance, supportive services, and HMIS. Match must be met for each operating year. Match must be submitted with each monthly claim.

Match can be cash or in-kind. Matching funds provided by the Subrecipient must be money provided to the project by one or more of the following: the Subrecipient, the federal government, state and local governments, and/or private resources. Matching funds provided by state or local government used in a matching contribution are subject to maintenance of effort requirements. Match provided by other funding sources must be eligible to be used as match for the CoC program.

For an in-kind match, the Subrecipient may use the value of property, equipment, goods, or services contributed to the project, provided that, if the Subrecipient had to pay for such items with grant funds, the costs would have been eligible. If third-party services are to be used as a match, the Subrecipient and the third-party service provider that will deliver the services must enter into a memorandum of understanding (MOU)—before the grant is executed—documenting that the third party will provide such services and value towards the project.

All match must be for eligible activities and must follow the same documentation

requirements as a reimbursement request.

If sufficient match is not included in each monthly claim to meet the required match percentage, HWS reserves the right to move reimbursement requests to match to fulfill the match requirement.

6. PROGRAM INCOME (24 CFR §578.97)

Subrecipients may use program income on any eligible costs in Subpart D of the CoC Program Interim Rule. Therefore, Subrecipients are prohibited from using program income on any costs that would not be eligible to charge to the CoC Program grant. Subrecipients must document that the program income was expended in accordance with the requirements of the CoC Program. With each monthly claim the Program Income Report (see attachment) must be submitted to show how the Program Income has been expended. Reimbursement is contingent on the inclusion of this report with each claim.

7. SUPPORTING DOCUMENTATION

The general rule for supporting documentation is that for any program cost that is to be reimbursed (or used as match), provide the invoice which documents that a cost was incurred, and a receipt, or a copy of a check, or a check stub to substantiate the amount paid. Supporting documentation must be *legible, clear, and organized*. HWS must be able to tie your request to the amounts claimed after each line item on the Claim Form. Costs can only be reimbursed if they have been included in the original Technical Submission/Application.

If the same backup documentation applies to multiple claims (for example, a cost allocated between multiple grants), a copy of that backup documentation must be included in each claim. Claims for the same subrecipient are reviewed separately and may be reviewed by different staff members.

Documentation for each budget category should be bundled together and identified with a summary sheet or label identifying the Line Item Number or the Activity as listed on the Claim Form. A spreadsheet itemizing the expenses, or at a minimum, an adding machine tape showing the expenses with a matching amount on the claim form is helpful. The clearer the information is that you provide, the quicker we will be able to process the claim.

Any costs that are unusually large or are otherwise unusual in nature should include a justification for the purpose of the cost and its relation to the program and to the particular budget category that it is being claimed in. For example, an unusual cost being claimed to Supportive Services should include a programmatic justification

demonstrating how it fits into one of the categories under 24 CFR §578.53 (Supportive services).

Fiscal staff reviews each claim for expenses that are:

- Allowable (2 CFR §200.403)
- Allocable (2 CFR §200.404)
- Reasonable (2 CFR §200.405)

HUD has provided the following guidance on reasonable costs:

"Costs are considered 'reasonable' if they do not exceed what a prudent person would incur under similar circumstances. All costs must pass the 'rational person' test by meeting all of the following criteria:

The cost would be recognized as ordinary and necessary for the operation of the organization and/or project.

The cost is in accordance with market prices for comparable goods or services as evidenced by cost estimates and documentation.

The individuals responsible for incurring the cost acted with prudence and for the benefit of the organization and its activities.

The cost has been incurred after following the established practices of the organization, in accordance with the terms and conditions of the award."

DOCUMENTATION REQUIRED BY HWS FISCAL PRIOR TO CLAIMING

At contract execution, all third-party MOU's must be received.

At time of client housing move-in:

- Lease agreement, Rental Calculation, Rent Reasonableness, Utility Allowance worksheet (does not need to be submitted with each claim. *Must be submitted at client move-in and each time change occurs.*)

8. FEES AND MILEAGE

As per direction from HUD, following is information on the eligibility of some fees. Costs listed as eligible must be necessary and reasonable for performance of the project, as determined by HWS and/or HUD. Those not addressed will be handled on a case-by-case basis:

ELIGIBLE	NOT ELIGIBLE
Reconnection fees for utilities	Late fees on utilities that are either in the clients' name or in the agencies name
Utility arrears (as long as an invoice is included that shows the service period is within the grant period)	Late fees for rent
Money order fees	Tips, service fees and delivery fees for groceries
Convenience fees for online or phone payments	Credit card interest
Debit card fees	
Bag fees for groceries	

All mileage costs must be necessary and reasonable for performance of the project, as determined by HWS and/or HUD. Standards for mileage are as follows:

- If mileage is claimed according to distances from an online map service, a printout of the online map should be included with the request.
- If mileage is claimed according to odometer readings, a log with the to/from locations, purpose of travel, and before/after odometer readings should be included with the request. Odometer readings may differ from online map service results by up to five (5) miles. When reviewing the claim, HWS will check distances for some or all of the trips and, if found to be more than five (5) miles over an online map service result, will disallow any mileage costs over that amount for that trip.

9. CAPITAL PURCHASES (2 CFR §200.439)

Capital expenditures are allowable, provided that items with a unit cost of \$5,000 or more have the prior written approval of HWS *before the item is purchased*. HWS will require proof that due diligence was achieved on the part of the subrecipient to ensure

that the purchase is reasonable and was made using the federal procurement standards referenced in 2 CFR §200.318, §200.319, and §200.320.

10. PROCUREMENT STANDARDS

Agencies must follow the federal procurement standards found in 2 CFR §200.318, §200.319, and §200.320.

Any changes to this Agreement must be made in writing and approved by HWS prior to implementing the change. No requests will be approved retroactively.

- **Changes within a Budget Category**

Changes can be made to individual line items within a category, if all of the following conditions are met:

- The total amount of the Agreement does not change;
- The Subrecipient delivers a written request to HWS, that adequately documents the need for a change and specifically identifies the items to be reduced/increased;
- The modification cannot remove any line item that was included in the original Application or Technical Submission (if applicable);
- Modification requests (i.e., other than rollovers) must be submitted to HWS before or upon submission of the final claim.

- **Changes between Budget Categories (up to 10 percent)**

Changes can be made between categories of up to 10 percent over the life of the grant, if all the following conditions are met:

- The total amount of the Agreement does not change;
- The Subrecipient delivers a written request to HWS, that adequately documents the need for a change and specifically identifies the categories and line items to be reduced/increased;

- **Requests for Approval**

Request will be forwarded to HUD for their approval and any one of the following will take place:

- HUD will approve change as requested;

14. ADVANCES

Advance requests are currently on hold, pending guidance from HUD.

15. SUBCONTRACTS

Subrecipient must provide copies of any subcontracts or MOU's for any services (including In- Kind Match) that will be provided under this grant prior to those services being provided.

B. UNEXPENDED FUNDS AND CLOSEOUTS (2 CFR §200.344, 24 CFR §578.109)

The Subrecipient shall complete all necessary closeout procedures, including the APR, required by HWS within a period of not more than sixty (60) calendar days from the expiration date of this Agreement. This time period will be referred to as the financial closeout period. After the expiration of the financial closeout period, those funds not paid to the Subrecipient under this Agreement shall be recaptured by HUD. HWS is not liable for any expenses or costs associated with this Agreement after the expiration of the financial closeout period.

C. INSPECTION AND AUDITS

1. The Subrecipient shall maintain auditable books, records, documents, and other evidence pertaining to costs and expenses in this Agreement (refer to Recordkeeping Requirements).
2. Authorized representatives of HWS and the federal government shall have access to any books, documents, papers, electronic data, and other records, which these representatives may determine to be pertinent to this Agreement for the purpose of performing an audit, evaluation, inspection, review, assessment, or examination. These representatives are authorized to obtain excerpts, transcripts, and copies, as they deem necessary. Further, these authorized representatives shall have the right, upon request, to inspect or otherwise evaluate the work performed under this Agreement and the premises in which it is being performed.
3. This access to records includes, but is not limited to, service delivery, referrals, and financial and administrative documents for five (5) years after final payment was made, or until all pending county, state, and federal audits are completed, whichever is later.
4. Should the Subrecipient disagree with any audit conducted by HWS, the Subrecipient shall have the right to employ a licensed, Certified Public Accountant (CPA) to prepare and file with HWS a certified financial and compliance audit (in compliance with generally accepted government auditing standards) of related services provided during the term of this Agreement. The Subrecipient will not be reimbursed by HWS for such an audit.
5. In the event the Subrecipient does not make available its books and financial records at the location where they are normally maintained, the Subrecipient agrees to pay all necessary and reasonable expenses, including legal fees, incurred by HWS in conducting any audit.
6. All Agreement deliverables and equipment furnished or utilized in the

performance of this Agreement shall always be subject to inspection by HWS during the term of this Agreement. The Subrecipient shall provide adequate cooperation to any employee assigned by HWS in order to permit their determination of the Subrecipient's conformity with specifications and adequacy of performance and services being provided in accordance with this Agreement.

D. WITHHELD PAYMENTS

Unearned payments under this Agreement may be suspended or terminated if grant funds to HWS are suspended, terminated, or if the Subrecipient refuses to accept additional conditions imposed on it by HUD or HWS.

HWS has the authority to withhold funds under this Agreement pending a final determination by HWS of questioned expenditures or indebtedness to HWS arising from past or present agreements between HWS and the Subrecipient. Upon final determination by HWS of disallowed expenditures or indebtedness, HWS may deduct and retain the amount of the disallowed expenditures or indebtedness from the amount of the withheld funds.

Payments to the Subrecipient may be withheld by HWS if the Subrecipient fails to comply with the provisions of this Agreement.

E. FISCAL ACCOUNTABILITY

The Subrecipient agrees to manage funds received through HWS in accordance with sound accounting policies, incur and claim only eligible costs for reimbursement, and adhere to accounting standards established in 2 CFR Part 200.

The Subrecipient must establish and maintain on a current basis an accrual accounting system in accordance with generally accepted accounting principles and standards. Further, the Subrecipient must develop an accounting procedure manual. Said manual shall be made available to HWS upon request or during fiscal monitoring visits.

F. AVAILABILITY OF FUNDING

Funding for this Agreement is subject to the continuing availability of funds provided to HWS during the Agreement period. HWS will inform the Subrecipient, immediately upon notice from HUD, of any limitation of the availability of funds. Both parties understand that HWS makes no commitment to fund this project beyond the term of this Agreement.

G. REPORTING

Reporting due dates are determined by a project's operating start date. Each year is funded separately, and funds cannot be automatically rolled over from one year to another. Funds also may not be rolled over from one contract to another. Please note that different programs have different operating start dates.

1. The Subrecipient agrees to follow HWS instructions and guidance to complete the following reports in e-snaps, SAGE or any other system designated by HUD. Failure to submit these reports may lead to a delay in receiving future grant funds.
 - Preliminary Annual Performance Report (APR) around 3 to 6 months prior to end of the operating year. The Preliminary APR is a mechanism to ensure the quality of the actual APR proactively.
 - Annual Performance Report (APR) within sixty (60) days after the end of each operating year. Upon review for completeness and accuracy, HWS staff will submit the APR to HUD as required.
2. Additional reports may be requested at any time by HWS and/or HUD to meet other applicable reporting or audit requirements, as well as evaluating project performance.

H. RECORDKEEPING REQUIREMENTS

The Subrecipients must establish, maintain and implement written standard operating procedures for ensuring that Continuum of Care program funds are used in accordance with the recordkeeping requirements and must establish and maintain sufficient records to enable HWS/HUD to determine whether the Subrecipient is meeting the requirements of 24 CFR §578.103.

1. The Subrecipient must maintain and follow written intake procedures to ensure program compliance. The procedures must require documentation at intake of the evidence relied upon to establish and verify homeless or chronically homeless status and eligibility. The procedures must establish the order of priority for obtaining evidence as third-party documentation first, intake worker observations second, and certification from the person seeking assistance third. Records contained in HMIS, or comparable database used by victim service or legal service providers, are acceptable evidence of third-party documentation and intake worker observations if the HMIS, or comparable database, retains an auditable history of all entries, including the

person who entered the data, the date of entry, and the change made, and if the HMIS prevents overrides or changes of the dates on which entries are made.

2. As part of the Chronically Homeless definition, evidence that the individual is a homeless individual with a disability must include documentation at intake of the evidence relied upon to establish and verify the disability of the person applying for homeless assistance. Acceptable evidence of the disability includes written verification of the disability from a professional licensed by the state to diagnose and treat the disability and his or her certification that the disability is expected to be long-continuing or of indefinite duration and substantially impedes the individual's ability to live independently; written verification from the Social Security Administration; the receipt of a disability check (e.g., Social Security Disability Insurance check or Veteran Disability Compensation); intake staff-recorded observation of disability that, no later than 45 days from the application for assistance, is confirmed and accompanied by the required evidence.
3. Subrecipient must ensure that records of all grant activities are complete and correct to enable HWS/HUD to determine whether recipient and Subrecipients are meeting CoC Program Interim Rule requirements and must be retained for the five (5) years after final payment has been made or until all pending HWS, state, and federal audits, if any, are completed, whichever is later. If a restrictive covenant is in effect, records shall be maintained until the covenant expires.

The Subrecipient agrees to keep all records containing protected information secure and confidential.

4. Program participant records. In addition to evidence of homeless or chronically homeless status, as applicable, the Subrecipient must keep records for each program participant that document:
 - Coordinated Entry System (CES): Subrecipients must retain evidence of referral received from CES and/or HomeConnect that initiated program assistance.
 - Services provided: All services, assistance and type of supportive services provided to the program participant (at least one documented activity per month), including evidence that the Subrecipient has conducted an annual assessment of services for those program participants that remain in the program for more than a year and adjusted the service package accordingly, and including case management services as provided in 24 CFR §578.37(a)(1)(ii)(F), must be documented in the participant file. Where applicable, compliance with the termination of assistance requirement in 24 CFR §578.91.
 - Annual income: For each program participant who receives housing assistance where rent or an occupancy charge is paid by the program participant, the

Subrecipient must keep the documentation of annual income specified by HUD and completed by the Subrecipient; and source documents (e.g., most recent wage statement, unemployment compensation statement, public benefits statement, bank statement) for the assets held by the program participant and income received before the date of the evaluation; to the extent that source documents are unobtainable, a written statement by the relevant third party (e.g., employer, government benefits administrator) or the written certification by the Subrecipient's intake staff of the oral verification by the relevant third party of the income the program participant received over the most recent period; or to the extent that source documents and third-party verification are unobtainable, the written certification by the program participant of the amount of income that the program participant is reasonably expected to receive over the 3-month period following the evaluation. Income of program participants must be calculated in accordance with 24 CFR §5.609 and 24 CFR §5.611(a).

- Calculation of occupancy charges: The Subrecipient must retain evidence of compliance with 24 CFR §578.77 (Calculating occupancy charges and rent), if occupancy charges are imposed.
- Utility allowance: For all utility allowance calculations, Subrecipients must utilize the most current utility allowance charts provided by the Housing Authority of the County of Riverside (see attachment).
- Housing standards: The Subrecipient must retain documentation of compliance with the housing standards in 24 CFR §578.75(b), including inspection reports.
- Occupancy agreements and leases: Subrecipient must retain all signed occupancy agreements or leases for program participants residing in housing.

I. PARTICIPATION IN COORDINATED ENTRY SYSTEM (24 CFR §578.7, 24 CFR §578.23)

CoC funded projects are required to participate in the local Coordinated Entry System. As defined by HUD:

“Coordinated entry is a key step in assessing the needs of homeless individuals and families and prioritizing them for assistance. In addition to engaging people who are seeking assistance, Coordinated Entry processes should be integrated with communities’ outreach work to ensure that people living in unsheltered locations are prioritized for help. Coordinated Entry should achieve several goals:

- make it easier for persons experiencing homelessness or a housing crisis to access the appropriate housing and service interventions;
- prioritize persons with the longest histories of homelessness and the most extensive needs;
- lower barriers to entering programs or receiving assistance; and,

- ensure that persons receive assistance and are housed as quickly as possible.

J. ASSESSMENT AND MONITORING

Riverside County is on record as the applicant and grantee for the HUD grant funds. As such, Riverside County HWS is responsible for ensuring that the funds received by Subrecipients are utilized according to federal law and policy, and that goals established in the Project Application, Technical Submission, and Contract are being met. To ensure that the County and Subrecipients comply with HUD and all applicable policies, HWS will conduct program, financial, and contract compliance monitoring visits at least once annually.

Reviews will be conducted by representatives from HWS CoC staff and the Subrecipient's fiscal liaison. The purpose of the monitoring visit is to assess how well the Subrecipient is implementing its grant and/or to offer technical assistance.

In preparation for the monitoring session, whether virtual or on-site, the monitoring team will contact the Subrecipient to arrange a mutually convenient date for the monitoring session, explain the purpose of monitoring, and provide an advance copy of the monitoring tool.

The County will follow a monitoring plan and conduct a Monitoring Entrance and Exit Meeting. During the Entrance meeting, the monitoring team will meet Subrecipient key personnel and provide an overview of the review process. At the Exit meeting, the County will review and comment on areas which might be a finding or a concern during the visit.

HWS will prepare a Monitoring Report for the review not later than thirty (30) days after the visit. The Subrecipient will be given, if appropriate, thirty (30) days to respond to the report, including submission of a corrective action plan to address any concern(s)/finding(s).

Subrecipients agree to facilitate and be subject to monitoring grant activities by HWS to ensure compliance with applicable CoC Program regulations and requirements. In addition, projects will be evaluated for HUD System Performance Measures outcome. The monitoring must cover each function and activity.

1. A monitoring session (whether onsite or virtual) of the homeless service provider shall occur whenever deemed necessary by HWS, but at least once during the grant period.
2. HWS will monitor the performance of the Subrecipient based on a risk assessment and according to the terms of this Agreement.

3. HWS will monitor the Subrecipient and funded project based on the performance measures used by HUD in the Continuum of Care Program. In the event that project- level or system-wide performance consistently remains in the lowest quartile compared to all participant Service Areas in the Continuum of Care allocation, HWS will work collaboratively with the Subrecipient to develop performance improvement plans which will be incorporated into this Agreement.
4. If it is determined that a Subrecipient falsified any certification, application and/or client information, financial, or contract report, the Subrecipient shall be required to reimburse the full amount of the CoC award to HWS and may be prohibited from any further participation in the CoC Program. HWS may impose any other actions permitted under 24 CFR §576.501(c).

K. HOUSING QUALITY STANDARDS

Subrecipients of CoC Program grant funds must abide by Housing Quality Standards (HQS) and suitable dwelling size required under 24 CFR §982.401 (Housing Quality Standards) and 24 CFR §578.75 (General Operations). In addition, Subrecipients must provide housing or services that comply with all applicable State and local housing codes, licensing requirements, and any other requirements in the project 's jurisdiction.

Prior to providing assistance on behalf of a program participant, Subrecipients must physically inspect each unit to assure that the unit meets HQS. This requirement is designed to ensure that program participants are placed in housing that is suitable for living.

Housing provided to a CoC program participant must be decent, safe, and sanitary. This applies to leased housing and where rental assistance payments are made. 24 CFR §578.75(b).

Assistance will not be provided for units that fail to meet HQS, unless the owner corrects any deficiencies within 30 days from the date of the initial inspection and the recipient or Subrecipient verifies that all deficiencies have been corrected.

Subrecipients must follow the HQS General Requirements listed below and must complete HUD 52580 HQS Inspection Checklist (24 CFR §982.401). See Exhibit D on page 32.

1. Sanitary facilities;
2. Food preparation and refuse disposal;
3. Space and security;
4. Thermal environment;
5. Illumination and electricity;

6. Structure and materials;
7. Interior air quality;
8. Water supply;
9. Lead-based paint;
10. Access;
11. Site and neighborhood;
12. Sanitary condition; and
13. Smoke Detectors.

Following are the types of inspections to be performed:

1. Initial: An inspection that must take place to ensure that the unit passes HQS before assistance can begin; this inspection is conducted upon receipt of Request for Tenancy Approval;
2. Annual: An inspection to determine that the unit continues to meet HQS; this inspection must be conducted within 12 months of the last annual inspection;
3. Complaint: An inspection caused by the authority receiving a complaint from any source regarding the unit by anyone;
4. Special/Quality Control: An inspection requested/conducted by a third party.

HWS will verify that the initial and annual inspections were conducted during project monitoring which will occur approximately 6 months after project implementation. HWS will monitor HQS in accordance with the Code of Federal Regulations 24 CFR §578.75(b) and 24 CFR Part 982, by conducting quality control inspections for a sample of ten percent (10%) of a project's actively enrolled units, to meet HUD requirements. The purpose of Quality Control inspections is to ascertain that Subrecipients are conducting accurate and complete inspections, and to ensure that there is consistency among inspectors in the application of HQS.

L. LEASE AGREEMENT (24 CFR §578.51)

Lease agreement is a statutory requirement and requires a lease that has an initial term of at least one year, is renewable, and is terminable only for cause. The leases must be automatically renewable upon expiration for terms that are a minimum of one month long, except on prior notice by either party.

Subrecipient must retain a copy of a duly executed lease agreement in the participant's file.

M. RENT REASONABLENESS (24 CFR §578.51)

The Subrecipient must determine whether the rent charged for the unit receiving rental assistance is reasonable in relation to rents being charged for comparable unassisted

units, considering the location, size, type, quality, amenities, facilities, and management and maintenance of each unit. Reasonable rent must not exceed rents currently being charged by the same owner for comparable unassisted units.

The Subrecipient agrees to obtain and retain records of rent reasonableness for all CoC Program participants prior to providing assistance.

Subrecipients must retain a completed rent reasonableness certification in the client file. See Exhibit E on page 40.

N. HEARTH ACT COMPLIANCE

This section is to ensure compliance with the requirements of the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH Act): Continuum of Care (CoC) Program Interim Rule.

1. Participation of Homeless Individuals

The HEARTH Act CoC Program Interim Rule states that the recipient or Subrecipient must document its compliance with the homeless participation requirements under 24 CFR §578.75(g), which is as follows:

Participation of homeless individuals.

1. Each Subrecipient must provide for the participation of not less than one homeless individual or formerly homeless individual on the board of directors or other equivalent policymaking entity of the Subrecipient, to the extent that such entity considers and makes policies and decisions regarding any project, supportive services, or assistance provided under this part. This requirement is waived if a Subrecipient is unable to meet such requirement and obtains HUD approval for a plan to otherwise consult with homeless or formerly homeless persons when considering and making policies and decisions.
2. Each Subrecipient of assistance under this part must, to the maximum extent practicable, involve homeless individuals and families through employment; volunteer services; or otherwise in constructing, rehabilitating, maintaining, and operating the project, and in providing supportive services for the project.

2. Faith-Based Activities

Subrecipient shall not require, as a condition of Program Participant housing, participation by Program Participants in any religious or philosophical ritual, service, meeting or rite.

The HEARTH Act CoC Program Interim Rule states that the Subrecipient must document its compliance with faith-based activities requirements under 24 CFR §578.87(b), which is as follows:

Faith-based activities.

1. **Equal treatment of program participants and program beneficiaries.**
 - (i) **Program participants:** Organizations that are religious or faith-based are eligible, on the same basis as any other organization, to participate in the Continuum of Care program. Neither the Federal Government nor a State or local government receiving funds under the Continuum of Care program shall discriminate against an organization on the basis of the organization's religious character or affiliation. Recipients and Subrecipients of program funds shall not, in providing program assistance, discriminate against a program participant or prospective program participant on the basis of religion or religious belief.
 - (ii) **Beneficiaries:** In providing services supported in whole or in part with federal financial assistance, and in their outreach activities related to such services, program participants shall not discriminate against current or prospective program beneficiaries on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.
2. **Separation of explicitly religious activities:** Subrecipients of Continuum of Care funds that engage in explicitly religious activities, including activities that involve overt religious content such as worship, religious instruction, or proselytization, must perform such activities and offer such services outside of programs that are supported with federal financial assistance separately, in time or location, from the programs or services funded under this part, and participation in any such explicitly religious activities must be voluntary for the program beneficiaries of the HUD-funded programs or services.
3. **Religious identity:** A faith-based organization that is a Subrecipient of Continuum of Care program funds is eligible to use such funds as provided under the regulations of this part without impairing its independence, autonomy, expression of religious beliefs, or religious character. Such organization will retain its independence from federal, State, and local government, and may continue to carry out its mission, including the definition, development, practice, and

expression of its religious beliefs, provided that it does not use direct program funds to support or engage in any explicitly religious activities, including activities that involve overt religious content, such as worship, religious instruction, or proselytization, or any manner prohibited by law. Among other things, faith-based organizations may use space in their facilities to provide program-funded services, without removing or altering religious art, icons, scriptures, or other religious symbols. In addition, a Continuum of Care program-funded religious organization retains its authority over its internal governance, and it may retain religious terms in its organization's name, select its board members on a religious basis, and include religious references in its organization's mission statements and other governing documents.

3. Involuntary Family Separation

The HEARTH Act CoC Program Interim Rule states that the recipient or subrecipient must document its compliance with involuntary family separation requirements under 24 CFR §578.93(e), which is as follows:

Prohibition against involuntary family separation. The age and gender of a child under age 18 must not be used as a basis for denying any family's admission to a project that receives funds under this part.

4. Discrimination Policy

Federal and California State laws note that discrimination can be based on race, color, national origin or gender. Discrimination can also be based on age, religion, disability, familial status or sexual orientation.

O. HOUSING FIRST

The Housing First model prioritizes rapid placement and stabilization in permanent housing that does not have service participation requirements or preconditions. This means projects must allow entry to program participants regardless of their income, current or past substance use, history of victimization (e.g., domestic violence, sexual assault, childhood abuse), and criminal record – with the exception of restrictions imposed by federal, state or local law or ordinance (e.g., restrictions on serving people who are listed on sex offender registries).

Subrecipients must commit to applying the Housing First model to all CoC Program funded projects.

P. AFFIRMATIVELY FURTHERING FAIR HOUSING (AFFH)

Affirmatively Furthering Fair Housing (AFFH) is a legal requirement that federal agencies and federal grantees further the purposes of the Fair Housing Act. This obligation to affirmatively further fair housing has been in the Fair Housing Act since 1968 (for further information see Title VIII of the Civil Rights Act of 1968, 42 U.S.C. 3608 and Executive Order 12892). HUD's AFFH rule provides an effective planning approach to aid program participants in taking meaningful actions to overcome historic patterns of segregation, promote fair housing choice, and foster inclusive communities that are free from discrimination. As provided in the rule, AFFH means "taking meaningful actions, in addition to combating discrimination, that overcome patterns of segregation and foster inclusive communities free from barriers that restrict access to opportunity based on protected characteristics. Specifically, affirmatively furthering fair housing means taking meaningful actions that, taken together, address significant disparities in housing needs and in access to opportunity, replacing segregated living patterns with truly integrated and balanced living patterns, transforming racially and ethnically concentrated areas of poverty into areas of opportunity, and fostering and maintaining compliance with civil rights and fair housing laws. The duty to affirmatively further fair housing extends to all of a program participant's activities and programs relating to housing and urban development."

Q. EQUAL ACCESS RULE

Subrecipients are required to abide by HUD's Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity final rule 24 CFR Parts 5, 200, 203, 236, 400, 570, 574, 882, 891, and 982. This rule clarifies that all otherwise eligible families, regardless of marital status, sexual orientation, or gender identity, will have the opportunity to participate in HUD programs. In the majority of HUD's rental programs, the term "family" already has a broad scope and includes a single person and families with or without children. HUD's rule clarifies that otherwise eligible families may not be excluded because one or more members of the family may be a lesbian, gay, bisexual, and/or transgender (LGBT) individual, have an LGBT relationship, or be perceived to be such an individual or in such relationship.

This rule prohibits Subrecipients of HUD-assisted housing from asking about an applicant or occupant's sexual orientation and gender identity for the purpose of determining eligibility or otherwise making housing available.

R. VIOLENCE AGAINST WOMEN ACT (VAWA)

The Violence Against Women Reauthorization Act of 2013 (VAWA 2013) significantly expanded housing protections to victims of domestic violence, dating violence, sexual assault, and stalking across HUD's core housing and homelessness programs. Subrecipients must comply with the VAWA final rule.

S. ENVIRONMENTAL REQUIREMENTS

The Subrecipient shall cooperate with HWS staff and supply all available, relevant information necessary for HWS to perform for each property any environmental review as required under 24 CFR Part 50. The Subrecipient shall also carry out mitigating measures required by HWS or select an alternate eligible property.

The Subrecipient, or any subcontractor of the Subrecipient, may not acquire, rehabilitate, convert, lease, repair, dispose of, demolish, or construct property for a project, or commit or local funds for eligible activities under this part, until HUD has performed an environmental review under 24 CFR Part 50 and the Subrecipient has received HUD approval of the property.

For all funded applications, HWS will inform the Subrecipient of any required additional environmental review.

T. TERMINATION OF ASSISTANCE TO PROGRAM PARTICIPANTS (24 CFR §578.91)

The interim rule provides that a recipient may terminate assistance to a participant who violates program requirements or conditions of occupancy. The recipient must provide a formal process that recognizes the due process of law. Recipients may resume assistance to a participant whose assistance has been terminated. Recipients that are providing permanent supportive housing for hard-to-house populations of homeless persons must exercise judgment and examine all circumstances in determining whether termination is appropriate. Under this interim rule, HUD has determined that a participant's assistance should be terminated only in the most severe cases.

U. PROJECT RENEWALS (24 CFR §578.33)

If the Subrecipient wishes to renew its contract with Riverside County HWS, the Subrecipient will need to apply through the HUD NOFA (Notice of Funding Availability) competitive process during the final year of the active grant.

All approved renewal applications will be submitted as part of the County's Consolidated Application. Problems that could prevent a program from being submitted for renewal, or receiving a low-ranking score include, but are not limited to, failure to meet program goals, low performance, mismanagement of funds, or failure to serve the

population targeted in the project application.

During the application process, all applications are evaluated and ranked by an independent review panel. The review and evaluation process is approved by the CoC Board of Governance and include evaluation of project performance, compliance with rules and regulations and cost effectiveness.

V. CRIMINAL BACKGROUND

The Subrecipient providing services to minors is required to conduct criminal background records checks on all employees, subcontractors, and volunteers providing services under the Continuum of Care Program. Subrecipient must retain a copy of a criminal background records verification and available for review by HWS.
