**C.E.O. RECOMMENDATION:** Approve

**BACKGROUND:**

Conditional Use Permit No. 200031 and Development Agreement No. 2000011 were presented to the Board of Supervisors at a public hearing on February 9, 2021. The Board approved the Conditional Use Permit at this hearing, and subsequently adopted Ordinance No. 664.69 on March 2, 2021, thus approving the Development Agreement.

With this current Project, the applicant requests an amendment to the approved Development Agreement – DA2000011 – regarding the Public Benefit Agreement. More specifically, Paragraph 4.2.1. of the adopted document entitled “Annual Public Benefit Base Payments” and Paragraph 4.3 entitled “Annual Additional Public Benefits.” These sections indicate that the entirety of the annual and additional annual public benefits be paid prior to the “first grading permit or the first building permit.” The applicant is requesting that this section be revised to instead state that the entirety of the annual Public Benefit be paid as a “final condition prior to occupancy.” The Development Agreement also includes a new provision that states the project applicant must make substantial progress towards obtaining a building permit within two years of the final approval of the conditional use permit, identified as Section 3.3.1 of the Development Agreement.

A public hearing on the Project was held with the Board of Supervisors on February 7, 2023, and was approved by a vote of 5-0, subject to the subsequent adoption of Ordinance No. 664.99 to approve the amendment to DA2000011.

Pursuant to State law, a development agreement is a legislative act that must be approved by ordinance. Adoption of Ordinance No. 664.99 will approve Amendment No. 1 to Development Agreement No. 2000011, consistent with the Board’s action on February 7, 2023, and Government Code section 65867.5.

**Impact on Citizens and Businesses:**

The proposed project was previously determined to be categorically exempt under CEQA, which means that it belongs to a class of projects that have been determined to not have a significant effect on the environment. As detailed in the Planning Commission Staff Report, the original project was deemed to be exempt under CEQA and no exceptions pursuant to State CEQA

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

Guidelines section 15300.2 were found to apply. As these changes to the Development Agreement would not change any of those prior findings, no further findings under CEQA are required. Accordingly, there will be no impacts on residents or businesses.

(a) No transfer of any right or interest under this Agreement shall be made unless made together with the sale, transfer or assignment of all or a part of the interest in the Property.

(b) Concurrent with any such transfer or within fifteen (15) business days thereafter, transferring PROPERTY OWNER or OWNER shall notify COUNTY, in writing, of such transfer and shall provide COUNTY with an executed agreement by the transferee, in a form reasonably acceptable to COUNTY, providing therein that the transferee expressly and unconditionally assumes all the duties and obligations of PROPERTY OWNER or OWNER or both, as appropriate, under this Agreement.

It is understood and agreed by the parties that a PROPERTY OWNER transferring its rights to OWNER does not relieve OWNER of its obligations as an OWNER under this Agreement.

Any transfer not made in strict compliance with the foregoing conditions shall constitute a default by PROPERTY OWNER or OWNER under this Agreement. Notwithstanding the failure of any transferee to execute the agreement required by Paragraph (b) of this Subsection 2.4.1, the burdens of this Agreement shall be binding upon such transferee, but the benefits of this Agreement shall not inure to such transferee until and unless such agreement is executed.

2.5 Amendment or Cancellation of Agreement. This Agreement may be amended or cancelled in whole or in part only by written consent of all parties in the manner provided for in Government Code Section 65868. This provision shall not limit any remedy of COUNTY, PROPERTY OWNER or OWNER as provided by this Agreement.

Following receipt of OWNER's notice of election to terminate this Agreement, OWNER and COUNTY shall execute an appropriate instrument in recordable form evidencing such termination, and shall cause such instrument to constitute an amendment to this Agreement to be processed in accordance with COUNTY's "Procedures and Requirements for the Consideration of Development Agreements)" set forth in Resolution No. 2020-142.

The parties understand that cannabis is still classified as a Schedule I Drug under the Federal Controlled Substances Act, 21 U.S.C. §§ 801 et seq. In the event there is federal enforcement of the Federal Controlled Substances Act against the COUNTY for the COUNTY's enactment of a comprehensive, regulatory framework for commercial cannabis activities or against OWNER for OWNER's own commercial cannabis activities, this Agreement shall be deemed terminated and of no further effect.

(g) Revocation of a Commercial Cannabis Activity Conditional Use Permit or State License.

Upon the termination of this Agreement, no party shall have any further right or obligation hereunder except with respect to any obligation to have been performed prior to such termination or with respect to any default in the performance of the provisions of this Agreement which has occurred prior to such termination or with respect to any obligations which are specifically set forth as surviving this Agreement.

### 3. DEVELOPMENT OF THE PROPERTY.

3.1 Rights to Develop. Subject to the terms of this Agreement including the Reservations of Authority, OWNER shall have a vested right to develop the Property in accordance with, and to the extent of, the Development Plan. The Existing Development Approvals shall not expire and shall remain valid for the Term of this Agreement so long as the Project remains in compliance with all conditions of approval for the Existing Development Approvals and in compliance with this Agreement. The Project shall remain subject to all Subsequent Development Approvals required to complete the Project as contemplated by the Development Plan. Except as otherwise provided in this Agreement, the permitted uses of the Property, the density and intensity of use, the maximum height and size of proposed buildings and structures, and provisions for reservation and dedication of land for public purposes shall be those set forth in the Development Plan.

3.2 Effect of Agreement on Land Use Regulations. Except as otherwise provided under the terms of this Agreement including the Reservations of Authority, the rules, regulations and official policies governing permitted uses of the Property, the density and intensity of use of the Property, the maximum height and size of proposed buildings and structures, and the design, improvement and construction standards and specifications applicable to development of the Property shall be the Existing Land Use Regulations. In connection with any Subsequent Development Approval, COUNTY shall exercise its discretion in accordance with the Development Plan, and as provided by this Agreement including, but not limited to, the Reservations of Authority. COUNTY shall accept for processing, review and action all applications for Subsequent Development Approvals, and such applications shall be processed in the normal manner for processing such matters.

3.3 Timing of Development. The parties acknowledge that OWNER cannot at this time predict when or the rate at which phases of the Property will be developed. Such decisions depend upon numerous factors which are not within the control of OWNER, such as market orientation and demand, interest rates, absorption, completion and other similar factors. Since the California Supreme Court held in Pardee Construction Co. v. City of Camarillo (1984) 37 Cal.3d 465, that the failure of the parties therein to provide for the timing of development resulted in a later adopted

initiative restricting the timing of development to prevail over such parties' agreement, it is the parties' intent to cure that deficiency by acknowledging and providing that OWNER shall have the right to develop the Property in such order and at such rate and at such times as OWNER deems appropriate within the exercise of its subjective business judgment.

3.3.1 Timing Related to Building Permit. OWNER shall show substantial progress towards obtaining a building permit, as determined by the Planning Director, within two (2) years of the final approval of the conditional use permit. Subject to the Planning Director's discretion, if substantial progress has not occurred, the Agreement must return to the Board of Supervisors at a noticed public hearing where the Board of Supervisors has the discretion to cancel, modify, or extend the Agreement and/or the approved conditional use permit at that time.

3.4 Changes and Amendments. The parties acknowledge that refinement and further development of the Project will require Subsequent Development Approvals and may demonstrate that changes are appropriate and mutually desirable in the Existing Development Approvals. In the event OWNER finds that a change in the Existing Development Approvals is necessary or appropriate, OWNER shall apply for a Subsequent Development Approval to effectuate such change and COUNTY shall process and act on such application in accordance with the Existing Land Use Regulations, except as otherwise provided by this Agreement including the Reservations of Authority. If approved, any such change in the Existing Development Approvals shall be incorporated herein as an addendum to Exhibit "C", and may be further changed from time to time as provided in this Section. Unless otherwise required by law, as determined in COUNTY's reasonable discretion, a change to the Existing Development Approvals shall be deemed "minor" and not require an amendment to this Agreement provided such change does not:

- (a) Alter the permitted uses of the Property as a whole; or,
  - (b) Increase the density or intensity of use of the Property as a whole;
- or,
- (c) Increase the maximum height and size of permitted buildings or structures;
- or,
- (d) Delete a requirement for the reservation or dedication of land for public purposes within the Property as a whole; or,
  - (e) Constitute a project requiring a subsequent or supplemental environmental impact report pursuant to Section 21166 of the Public Resources Code.

3.5 Reservations of Authority.

3.5.1 Limitations. Reservations and Exceptions. Notwithstanding any other provision of this Agreement, the following Subsequent Land Use Regulations shall apply to the development of the Property.

- (a) Processing fees and charges of every kind and nature imposed by COUNTY to cover the estimated actual costs to COUNTY of processing applications for Development Approvals or for monitoring compliance with any Development Approvals granted or issued.

(b) Procedural regulations relating to hearing bodies, petitions, applications, notices, findings, records, hearings, reports, recommendations, appeals and any other matter of procedure.

(c) Regulations governing construction standards and specifications including, without limitation, the Building Code, Plumbing Code, Mechanical Code, Electrical Code, Fire Code and Grading Code applicable in the County.

(d) Regulations imposing Development Exactions. Development Exactions shall be applicable to development of the Property if such Development Exaction is applied uniformly to development, either throughout the COUNTY or within a defined area of benefit which includes the Property. No such subsequently adopted Development Exaction shall apply if its application to the Property would physically prevent development of the Property for the uses and to the density or intensity of development set forth in the Development Plan.

(e) Regulations which may be in conflict with the Development Plan but which are reasonably necessary to protect the public health and safety. To the extent possible, any such regulations shall be applied and construed so as to provide OWNER with the rights and assurances provided under this Agreement.

(f) Regulations which are not in conflict with the Development Plan. Any regulation, whether adopted by initiative or otherwise, limiting the rate or timing of development of the Property shall be deemed to conflict with the Development Plan and shall therefore not be applicable to the development of the Property.

(g) Regulations which are in conflict with the Development Plan provided OWNER has given written consent to the application of such regulations to development of the Property.

3.5.2 Subsequent Development Approvals. This Agreement shall not prevent COUNTY, in acting on Subsequent Development Approvals, from applying Subsequent Land Use Regulations which do not conflict with the Development Plan, nor shall this Agreement prevent COUNTY from denying or conditionally approving any Subsequent Development Approval on the basis of the Existing Land Use Regulations or any Subsequent Land Use Regulation not in conflict with the Development Plan.

3.5.3 Modification or Suspension by State or Federal Law. In the event that State or Federal laws or regulations, enacted after the Effective Date of this Agreement, prevent or preclude compliance with one or more of the provisions of this Agreement or require changes in plans, maps or permits approved by the COUNTY, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such State or Federal laws or regulations, provided, however, that this Agreement shall remain in full force and effect to the extent it is not inconsistent with such laws or regulations and to the extent such laws or regulations do not render such remaining provisions impractical to enforce.

3.5.4 Intent. The parties acknowledge and agree that COUNTY is restricted in its authority to limit its police power by contract and that the foregoing limitations, reservations and exceptions are intended to reserve to COUNTY all of its police power

which cannot be so limited. This Agreement shall be construed, contrary to its stated terms if necessary, to reserve to COUNTY all such power and authority which cannot be restricted by contract.

3.5.5. Application of State and Local Regulatory Laws Governing Commercial Cannabis Activities. The operation of Commercial Cannabis Activities is a highly regulated business activity, and it is subject to various state and local laws and regulations. This Agreement does not, and the County cannot and does not intend to, give OWNER the right to continue its operations without complying with applicable state and local laws governing its operations. OWNER shall be responsible for obtaining, and maintaining throughout the entire term of this Agreement, all applicable state licenses, permits, approvals, and consents, even if the applicable state laws and regulations are altered following the Effective Date.

3.6. Public Works. If OWNER is required by this Agreement to construct any public works facilities which will be dedicated to COUNTY or any other public agency upon completion, and if required by applicable laws to do so, OWNER shall perform such work in the same manner and subject to the same requirements as would be applicable to COUNTY or such other public agency if it would have undertaken such construction.

3.7 Provision of Real Property Interests by COUNTY. In any instance where OWNER is required to construct any public improvement on land not owned by OWNER, OWNER shall at its sole cost and expense provide or cause to be provided, the real property interests necessary for the construction of such public improvements. In the event OWNER is unable, after exercising reasonable efforts to acquire the real property interests necessary for the construction of such public improvements, and if so instructed by OWNER and upon OWNER'S provision of adequate security for costs COUNTY may reasonably incur, COUNTY shall negotiate the purchase of the necessary real property interests to allow OWNER to construct the public improvements as required by this Agreement and, if necessary, in accordance with the procedures established by law, use its power of eminent domain to acquire such required real property interests. OWNER shall pay all costs associated with such acquisition or condemnation proceedings. This Section 3.7 is not intended by the parties to impose upon the OWNER an enforceable duty to acquire land or construct any public improvements on land not owned by OWNER, except to the extent that the OWNER elects to proceed with the development of the Project, and then only in accordance with valid conditions imposed by the COUNTY upon the development of the Project under the Subdivision Map Act, Government Code Section 66410 et seq., or other legal authority.

3.8 Regulation by Other Public Agencies. It is acknowledged by the parties that other public agencies not within the control of COUNTY possess authority to regulate aspects of the development of the Property separately from or jointly with COUNTY and this Agreement does not limit the authority of such other public agencies. For example, pursuant to Government Code Section 66477 and Section 10.35 of Riverside County Ordinance No. 460, another local public agency may provide local park and recreation services and facilities and in that event, it is permitted, and therefore shall be permitted by the parties, to participate jointly with COUNTY to determine the location of land to be dedicated or in lieu fees to be paid for local park purposes, provided that COUNTY shall exercise its authority subject to the terms of this Agreement.

3.9 Tentative Tract Map Extension. Notwithstanding the provisions of Section 66452.6(a)(1) of the Government Code, regarding extensions of time for approved tentative maps subject to a development agreement, no tentative subdivision map or tentative parcel map, heretofore or hereafter approved in connection with development of the Property, shall be granted an extension of time except in accordance with the Subdivision Map Act and Existing Land Use Regulations.

3.10 Vesting Tentative Maps. If any tentative or final subdivision map, or tentative or final parcel map, heretofore or hereafter approved in connection with development of the Property, is a vesting map under the Subdivision Map Act (Government Code Section 66410, et seq.) and Riverside County Ordinance No. 460 and if this Agreement is determined by a final judgment to be invalid or unenforceable insofar as it grants a vested right to develop to OWNER, then and to that extent the rights and protections afforded OWNER under the laws and ordinances applicable to vesting maps shall supersede the provisions of this Agreement. Except as set forth immediately above, development of the Property shall occur only as provided in this Agreement, and the provisions in this Agreement shall be controlling over any conflicting provision of law or ordinance concerning vesting maps.

3.11 Limited Role of PROPERTY OWNER. The parties recognize that the PROPERTY OWNER is required to sign this Agreement pursuant to the terms of the COUNTY's Procedures and Requirements for the Consideration of Development Agreements and Government Code section 65865. The PROPERTY OWNER is nevertheless not Cannabis Owners as described in Board of Supervisors Policy B-9 and neither the burdens nor the benefits of this Agreement shall inure to such PROPERTY OWNER except that any transfer of the Property or any portion thereof by PROPERTY OWNER shall be subject to the provisions of Section 2.4 of this Agreement. Additionally, should PROPERTY OWNER meet either the definition of Cannabis Owners as described in Board of Supervisors Policy B-9 or of OWNER in section 1.1.15 of this Agreement, PROPERTY OWNER shall be subject to all provisions, obligations and rights of this Agreement as an OWNER.

#### 4. PUBLIC BENEFITS.

4.1 Intent. The parties acknowledge and agree that development of the Property will detrimentally affect public interests which will not be fully addressed by the Development Plan and further acknowledge and agree that this Agreement confers substantial private benefits on OWNER which should be balanced by commensurate public benefits. Accordingly, the parties intend to provide consideration to the public to balance the private benefits conferred on OWNER by providing more fully for the satisfaction of public interests.

#### 4.2 Public Benefits for Commercial Cannabis Activities.

4.2.1 Annual Public Benefit Base Payments. The Annual Base Payment shall be subject to annual increases in an amount of 2% if payment is made after an anniversary of the Development Agreement's Effective Date per Section 1.1.10. Prior to the issuance of the certificate of occupancy for any part of the Commercial Cannabis Activity, OWNER shall pay to COUNTY an amount equal to the base payment calculated per Section 1.1.2 of this Agreement (hereinafter "Base Payment"); provided, however, that such initial annual Base Payment shall be prorated based on the number of whole months remaining

between the date of payment and the first following June 30th.

4.2.2 Subsequent Annual Base Payments. The Annual Base Payment shall be subject to annual increases in an amount of 2% if payment is made after an anniversary of the Development Agreement's Effective Date per Section 1.1.10. Prior to the first July 1st following the initial Base Payment and each July 1st thereafter during the term of the Agreement, OWNER shall pay to COUNTY an amount equal to the Base Payment, plus the 2% annual increase, if applicable.

4.3 Annual Additional Public Benefits. The Annual Base Payment shall be subject to annual increases in an amount of 5% if payment is made after an anniversary of the Development Agreement's Effective Date per Section 1.1.10. The OWNER shall perform Additional Public Benefits identified in Exhibit "H" that will benefit the community in which the Commercial Cannabis Activity is located. Prior to the issuance of the certificate of occupancy for any part of the Commercial Cannabis Activity, OWNER shall pay to COUNTY an amount equal to the additional annual public benefit set forth in Exhibit "H" of this Agreement ("Additional Public Benefit"); provided, however, that such initial annual additional payment shall be prorated based on the number of whole months remaining between the date of payment and the first following June 30th.

4.3.1 Subsequent Annual Additional Public Benefits. The Additional Public Benefit provided in Exhibit "H" shall be subject to annual increases in an amount of 5% if payment is made after an anniversary of the Development Agreement's Effective Date per Section 1.1.10. Prior to the first July 1st following the initial Additional Public Benefit payment and each July 1st thereafter during the term of the Agreement, OWNER shall pay to COUNTY an amount equal to the Additional Public Benefit plus the 5% annual increase, if applicable.

4.4 Taxes. Nothing herein shall be construed to relieve OWNER from paying and remitting all applicable federal, state and local taxes applicable to the Project, including but not limited to, income taxes, property taxes, local sales and use taxes, and any taxes imposed on cannabis activities and cannabis products pursuant to the Medicinal and Adult-Use Cannabis Regulation and Safety Act.

4.5 Assessments. Nothing herein shall be construed to relieve the Property from assessments levied against it by the County pursuant to any statutory procedure for the assessment of property to pay for infrastructure and/or services which benefit the Property.

4.6 New Taxes. Any subsequently enacted County taxes, including but not limited to any taxes on commercial cannabis activities, shall apply to the Project. In the event that County taxes are enacted specifically for commercial cannabis activities and cannabis products, the parties agree that this Agreement may be modified in accordance with Section 2.5 to reduce the OWNER's total public benefit payment (the sum total of the Base Rate plus the Additional Public Benefit) by an amount equal to the amount of the tax imposed on the OWNER for commercial cannabis activities and cannabis products. The parties acknowledge that the intent of being able to modify the Agreement in the event County taxes are enacted on the commercial cannabis activities and

cannabis products is to enable the authority to adjust the total public benefit amount due and payable under this Agreement by the OWNER.

4.7 Vote on Future Assessments and Fees. In the event that any assessment, fee or charge which is applicable to the Property is subject to Article XIID of the California Constitution and OWNER does not return its ballot, OWNER agrees, on behalf of itself and its successors that the County may count OWNER's ballot as affirmatively voting in favor of such assessment, fee or charge.

5. FINANCING OF PUBLIC IMPROVEMENTS. If deemed appropriate, COUNTY and OWNER will cooperate in the formation of any special assessment district, community facilities district or alternate financing mechanism to pay for the construction and/or maintenance and operation of public infrastructure facilities required as part of the Development Plan. OWNER also agrees that it will not initiate and/or cooperate in the formation of any such special assessment district, community facilities district or alternate financing mechanism involving any other public agency without the prior written consent of the COUNTY.

Should the Property be included within such a special assessment district, community facilities district or other financing entity, the following provisions shall be applicable:

(a) In the event OWNER or PROPERTY OWNER conveys any portion of the Property and/or public facilities constructed on any portion of the Property to COUNTY or any other public entity and said Property is subject to payment of taxes and/or assessments, such taxes and/or assessments shall be paid in full by OWNER or PROPERTY OWNER prior to completion of any such conveyance.

(b) If OWNER or PROPERTY OWNER is in default in the payment of any taxes and/or assessments, then OWNER or PROPERTY OWNER shall be considered to be in default of this Agreement and COUNTY may, in its sole discretion, initiate proceedings pursuant to Section 8.4 of this Agreement.

Notwithstanding the foregoing, it is acknowledged and agreed by the parties that nothing contained in this Agreement shall be construed as requiring COUNTY or the COUNTY Board of Supervisors to form any such district or to issue and sell bonds.

6. REVIEW FOR COMPLIANCE.

6.1 Annual Review. The TLMA Director, in consultation with the County Executive Officer and County Counsel, shall review this Agreement annually, on or before the Effective Date, in order to ascertain the good faith compliance by OWNER with the terms of the Agreement. In order to facilitate this review, OWNER shall submit an annual monitoring report, in a form specified by the TLMA Director providing all information necessary to evaluate such good faith compliance as determined by the TLMA Director. OWNER shall pay the annual review and administration fee set forth in Ordinance No. 671 prior to submission of each annual monitoring report. Prior to the issuance of any grading permit or building permit for any part of the Project, OWNER shall prepay a fee deposit and administration fee as set forth in Ordinance No. 671 (the "Monitoring Fee Prepayment"). The Monitoring Fee Prepayment shall be retained by the

COUNTY until termination of this Agreement, may be used by the COUNTY at any time if there is a failure to pay any part of the annual monitoring and administration fees required under Ordinance No. 671, and shall be promptly replenished by OWNER up to the original required amount after notice by COUNTY to OWNER. Failure by OWNER to submit an annual monitoring report, on or before the Effective Date of each year in the form specified by the TLMA Director, to pay any part of the annual monitoring and administration fee required under Ordinance No. 671, to make the Monitoring Fee Prepayment or to replenish the Monitoring Fee Prepayment shall constitute a default by OWNER under this Agreement.

6.2 Special Review. The Board of Supervisors may order a special review of compliance with this Agreement at any time. The TLMA Director, in consultation with the County Executive Officer and County Counsel, shall conduct such special reviews.

6.3 Property Inspection. In accordance with applicable regulations set forth in the Medicinal and Adult Use Cannabis Regulation and Safety Act and upon twenty-four (24) hour written notice, PROPERTY OWNER and OWNER shall allow COUNTY representatives access to the Property and all buildings and structures located on the Property to determine compliance with CUP No. 200031 and this Agreement.

6.4 Records Inspection. Upon written request by the COUNTY, OWNER shall provide records to the COUNTY demonstrating efforts to hire locally, and compliance with this Agreement and CUP No. 200031.

6.5 Procedure.

(a) During either an annual review or a special review, OWNER shall be required to demonstrate good faith compliance with the terms of the Agreement. The burden of proof on this issue shall be on OWNER.

(b) Upon completion of an annual review or a special review, the TLMA Director shall submit a report to the Board of Supervisors setting forth the evidence concerning good faith compliance by OWNER with the terms of this Agreement and hisrecommended finding on that issue.

(c) If the Board finds on the basis of substantial evidence that OWNER has complied in good faith with the terms and conditions of this Agreement, the review shall be concluded.

(d) If the Board makes a preliminary finding that OWNER has not complied in good faith with the terms and conditions of this Agreement, the Board may modify or terminate this Agreement as provided in Section 6.4 and Section 6.5. Notice of default as provided under Section 8.4 of this Agreement shall be given to OWNER prior to proceedings under Section 6.4 and Section 6.5.

6.6 Proceedings Upon Modification or Termination. If, upon a preliminary finding under Section 6.3, COUNTY determines to proceed with modification or termination of this Agreement, COUNTY shall give written notice to PROPERTY OWNER and OWNER of its intention so to do. The notice shall be given at least ten calendar days prior to the scheduled hearing and shall contain:

(a) The time and place of the hearing;

(b) A statement as to whether or not COUNTY proposes to terminate or to modify the Agreement; and,

(c) Such other information as is reasonably necessary to inform PROPERTY OWNER and OWNER of the nature of the proceeding.

6.7 Hearing on Modification or Termination. At the time and place set for the hearing on modification or termination, PROPERTY OWNER and OWNER shall be given an opportunity to be heard and shall be entitled to present written and oral evidence. PROPERTY OWNER and OWNER shall be required to demonstrate good faith compliance with the terms and conditions of this Agreement. The burden of proof on this issue shall be on PROPERTY OWNER and OWNER. If the Board of Supervisors finds, based upon substantial evidence, that PROPERTY OWNER or OWNER has not complied in good faith with the terms or conditions of the Agreement, the Board may terminate this Agreement or modify this Agreement and impose such conditions as are reasonably necessary to protect the interests of the County. The decision of the Board of Supervisors shall be final, subject only to judicial review pursuant to Section 1094.5 of the Code of Civil Procedure.

6.8 Certificate of Agreement Compliance. If, at the conclusion of an annual or special review, OWNER is found to be in compliance with this Agreement, COUNTY shall, upon request by OWNER, issue a Certificate of Agreement Compliance ("Certificate") to OWNER stating that after the most recent annual or special review and based upon the information known or made known to the TLMA Director and Board of Supervisors that (1) this Agreement remains in effect and (2) OWNER is not in default. The Certificate shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance, shall state whether the Certificate is issued after an annual or a special review and shall state the anticipated date of commencement of the next annual review. OWNER may record the Certificate with the County Recorder. Whether or not the Certificate is relied upon by transferees or OWNER, COUNTY shall not be bound by a Certificate if an uncured default existed at the time of the Periodic or Special Review, but was concealed from or otherwise not known to the TLMA Director or Board of Supervisors.

## 7. INCORPORATION AND ANNEXATION.

7.1 Intent. If all or any portion of the Property is annexed to or otherwise becomes a part of a city or another county, it is the intent of the parties that this Agreement shall survive and be binding upon such other jurisdiction.

7.2 Incorporation. If at any time during the term of this Agreement, a city is incorporated comprising all or any portion of the Property, the validity and effect of this Agreement shall be governed by Section 65865.3 of the Government Code.

7.3 Annexation. PROPERTY OWNER and OWNER and COUNTY shall oppose, in accordance with the procedures provided by law, the annexation to any city of all or any portion of the Property unless PROPERTY OWNER, OWNER and COUNTY give written consent to such annexation.

## 8. DEFAULT AND REMEDIES.

8.1 Remedies in General. It is acknowledged by the parties that COUNTY would not have entered into this Agreement if it were to be liable in damages under this Agreement, or with respect to this Agreement or the application thereof.

In general, each of the parties hereto may pursue any remedy at law or equity available for the breach of any provision of this Agreement, except that COUNTY shall not be liable in damages to PROPERTY OWNER or OWNER, or to any successor in interest of PROPERTY OWNER or OWNER, or to any other person, and PROPERTY OWNER or OWNER covenants not to sue for damages or claim any damages but reserves their rights to claim for specific performance and all other non-monetary relief:

- (a) For any breach of this Agreement or for any cause of action which arises out of this Agreement; or
- (b) For the taking, impairment or restriction of any right or interest conveyed or provided under or pursuant to this Agreement; or
- (c) Arising out of or connected with any dispute, controversy or issue regarding the application, validity, interpretation or effect of the provisions of this Agreement.

Notwithstanding anything in this Article 8 to the contrary, OWNER's liability to COUNTY in connection with this Agreement shall be limited to direct damages and shall exclude any other liability, including without limitation liability for special, indirect, punitive or consequential damages in contract, tort, warranty, strict liability or otherwise. PROPERTY OWNER is not liable to COUNTY for damages under this Agreement.

8.2 Specific Performance. The parties acknowledge that money damages and remedies at law generally are inadequate and specific performance and other non-monetary relief are particularly appropriate remedies for the enforcement of this Agreement and should be available to all parties for the following reasons:

- (a) Money damages are unavailable against COUNTY as provided in Section 8.1 above.
- (b) Due to the size, nature and scope of the project, it may not be practical or possible to restore the Property to its natural condition once implementation of this Agreement has begun. After such implementation, PROPERTY OWNER and OWNER may be foreclosed from other choices it may have had to utilize the Property or portions thereof. OWNER has invested significant time and resources and performed extensive planning and processing of the Project in agreeing to the terms of this Agreement and will be investing even more significant time and resources in implementing the Project in reliance upon the terms of this Agreement, and it is not possible to determine the sum of money which would adequately compensate OWNER for such efforts.

8.3 General Release. Except for non-damage remedies, including the remedy of specific performance and judicial review as provided for in Section 8, OWNER, for itself, its successors and assignees, hereby releases the COUNTY, its officers, agents, employees, and independent contractors from any and all claims, demands, actions, or suits of any kind or

nature whatsoever arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other monetary liability or damages, whatsoever, upon the COUNTY because it entered into this Agreement or because of the terms of this Agreement. OWNER hereby waives the provisions of Section 1542 of the Civil Code which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

8.4 Termination or Modification of Agreement for Default of OWNER. Subject to the provisions contained in Subsection 2.5 herein, COUNTY may terminate or modify this Agreement, after requisite notice, for any failure of OWNER to perform any material duty or obligation of OWNER under this Agreement, or to comply in good faith with the terms of this Agreement (hereinafter referred to as "default"); provided, however, COUNTY may terminate or modify this Agreement pursuant to this Section only after providing written notice to OWNER and PROPERTY OWNER of default setting forth the nature of the default and the actions, if any, required by OWNER to cure such default and, where the default can be cured, OWNER has failed to take such actions and cure such default within 60 days after the effective date of such notice or, in the event that such default cannot be cured within such 60 day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such 60 day period and to diligently proceed to complete such actions and cure such default.

8.5 Termination of Agreement for Default of COUNTY. OWNER may terminate this Agreement only in the event of a default by COUNTY in the performance of a material term of this Agreement and only after providing written notice to COUNTY and PROPERTY OWNER of default setting forth the nature of the default and the actions, if any, required by COUNTY to cure such default and, where the default can be cured, COUNTY has failed to take such actions and cure such default within 60 days after the effective date of such notice or, in the event that such default cannot be cured within such 60 day period but can be cured within a longer time, has failed to commence the actions necessary to cure such default within such 60 day period and to diligently proceed to complete such actions and cure such default.

8.6 Attorneys' Fees. In any action at law or in equity to enforce or interpret this Agreement, or otherwise arising out of this Agreement, including without limitation any action for declaratory relief or petition for writ of mandate, the parties shall bear their own attorneys' fees.

9. THIRD PARTY LITIGATION.

9.1 General Plan Litigation. COUNTY has determined that this Agreement is consistent with its General Plan, and that the General Plan meets all requirements of law. PROPERTY OWNER and OWNER have reviewed the General Plan and concurs with COUNTY's determination. The parties acknowledge that:

- (a) Litigation may be filed challenging the legality, validity and adequacy of the General Plan; and,
- (b) If successful, such challenges could delay or prevent the performance of this Agreement and the development of the Property.

COUNTY shall have no liability in damages under this Agreement for any failure of COUNTY to perform under this Agreement or the inability of PROPERTY OWNER or OWNER to develop the Property as contemplated by the Development Plan of this Agreement as the result of a judicial determination that on the Effective Date, or at any time thereafter, the General Plan, or portions thereof, are invalid or inadequate or not in compliance with law.

9.2 Third Party Litigation Concerning Agreement. OWNER shall defend, at its expense, including attorneys' fees, indemnify, and hold harmless COUNTY, its officers, agents, employees and independent contractors from any claim, action or proceeding against COUNTY, its officers, agents, employees or independent contractors to attack, set aside, void, or annul the approval of this Agreement or the approval of any permit granted pursuant to this Agreement. COUNTY shall promptly notify OWNER and PROPERTY OWNER of any such claim, action or proceeding, and COUNTY shall cooperate in the defense. If COUNTY fails to promptly notify OWNER and PROPERTY OWNER of any such claim, action or proceeding, or if COUNTY fails to cooperate in the defense, OWNER shall not thereafter be responsible to defend, indemnify, or hold harmless COUNTY. COUNTY may in its discretion participate in the defense of any such claim, action or proceeding.

9.3 Indemnity. In addition to the provisions of 9.2 above, OWNER shall indemnify and hold COUNTY, its officers, agents, employees and independent contractors free and harmless from any liability whatsoever, based or asserted upon any act or omission of OWNER, its officers, agents, employees, subcontractors and independent contractors, for property damage, bodily injury, or death (OWNER's employees included) or any other element of damage of any kind or nature, relating to or in any way connected with or arising from the activities contemplated hereunder, including, but not limited to, the study, design, engineering, construction, completion, failure and conveyance of the public improvements, save and except claims for damages arising through the sole active negligence or sole willful misconduct of COUNTY. OWNER shall defend, at its expense, including reasonable attorneys' fees, COUNTY, its officers, agents, employees and independent contractors in any legal action based upon such alleged acts or omissions. COUNTY may in its discretion participate in the defense of any such legal action.

9.4 Environment Assurances. OWNER shall indemnify and hold COUNTY, its officers, agents, employees and independent contractors free and harmless from any liability, based or asserted, upon any act or omission of OWNER, its officers, agents, employees, subcontractors, predecessors in interest, successors, assigns and independent contractors for any violation of any

federal, state or local law, ordinance or regulation relating to industrial hygiene or to environmental conditions on, under or about the Property, including, but not limited to, soil and groundwater conditions, and OWNER shall defend, at its expense, including reasonable attorneys' fees, COUNTY, its officers, agents, employees and independent contractors in any action based or asserted upon any such alleged act or omission. COUNTY may in its discretion participate in the defense of any such action.

9.5 Reservation of Rights. With respect to Sections 9.2, 9.3 and 9.4 herein, COUNTY reserves the right to either (1) approve the attorney(s) which OWNER selects, hires or otherwise engages to defend COUNTY hereunder, which approval shall not be unreasonably withheld, or (2) conduct its own defense, provided, however, that OWNER shall reimburse COUNTY forthwith for any and all reasonable expenses incurred for such defense, including attorneys' fees, upon billing and accounting therefor.

9.6 Survival. The provisions of Sections 8.1 through 8.3, inclusive, Section 8.6 and Sections 9.1 through 9.6, inclusive, shall survive the termination of this Agreement.

9.7 Exclusion of PROPERTY OWNER. Consistent with Section 3.11 of this Agreement, COUNTY is not obligated to defend Development Approvals on behalf of PROPERTY OWNER in their role as PROPERTY OWNER and PROPERTY OWNER accordingly has no obligation to defend or indemnify COUNTY in any matter. Nothing in this section shall be construed to limit the obligations of OWNER to defend and indemnify COUNTY as set forth in Sections 9.2, 9.3 and 9.4 above.

## 10. MORTGAGEE PROTECTION.

The parties hereto agree that this Agreement shall not prevent or limit PROPERTY OWNER or OWNER, in any manner, at PROPERTY OWNER's or OWNER's sole discretion, from encumbering the Property or any portion thereof or any improvement thereon by any mortgage, deed of trust or other security device securing financing with respect to the Property. COUNTY acknowledges that the lenders providing such financing may require certain Agreement interpretations and modifications and agrees upon request, from time to time, to meet with PROPERTY OWNER or OWNER and representatives of such lenders to negotiate in good faith any such request for interpretation or modification. COUNTY will not unreasonably withhold its consent to any such requested interpretation or modification provided such interpretation or modification is consistent with the intent and purposes of this Agreement. Any Mortgagee of the Property shall be entitled to the following rights and privileges:

(a) Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Property made in good faith and for value, unless otherwise required by law.

(b) The Mortgagee of any mortgage or deed of trust encumbering the Property, or any part thereof, which Mortgagee, has submitted a request in writing to the COUNTY in the manner specified herein for giving notices, shall be entitled to receive written notification from COUNTY of any default by PROPERTY OWNER or OWNER in the performance of PROPERTY

OWNER's or OWNER's obligations under this Agreement.

(c) If COUNTY timely receives a request from a Mortgagee requesting a copy of any notice of default given to PROPERTY OWNER or OWNER under the terms of this Agreement, COUNTY shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of default to PROPERTY OWNER or OWNER. The Mortgagee shall have the right, but not the obligation, to cure the default during the remaining cure period allowed such party under this Agreement.

(d) Any Mortgagee who comes into possession of the Property, or any part thereof, pursuant to foreclosure of the mortgage or deed of trust, or deed in lieu of such foreclosure, shall take the Property, or part thereof, subject to the terms of this Agreement. No Mortgagee (including one who acquires title or possession to the Property, or any portion thereof, by foreclosure, trustee's sale, deed in lieu of foreclosure, lease termination, eviction or otherwise) shall have any obligation to construct or complete construction of improvements, or to guarantee such construction or completion; provided, however, that a Mortgagee shall not be entitled to devote the Property to solar power plant use except in full compliance with this Agreement. A Mortgagee in possession shall not have an obligation or duty under this Agreement to perform any of OWNER's obligations or other affirmative covenants of OWNER hereunder, or to guarantee such performance; provided, however, that to the extent that any covenant to be performed by OWNER is a condition precedent to the performance of a covenant by COUNTY, the performance thereof shall continue to be a condition precedent to COUNTY's performance hereunder. All payments called for under Section 4 of this Agreement shall be a condition precedent to COUNTY's performance under this Agreement. Any transfer by any Mortgagee in possession shall be subject to the provisions of Section 2.4 of this Agreement.

## 11. MISCELLANEOUS PROVISIONS.

11.1 Recordation of Agreement. This Agreement and any amendment, modification, termination or cancellation thereof shall be recorded with the County Recorder by the Clerk of the Board of Supervisors within the period required by Section 65868.5 of the Government Code.

11.2 Entire Agreement. This Agreement sets forth and contains the entire understanding and agreement of the parties, and there are no oral or written representations, understandings or ancillary covenants, undertakings or agreements which are not contained or expressly referred to herein. No testimony or evidence of any such representations, understandings or covenants shall be admissible in any proceeding of any kind or nature to interpret or determine the terms or conditions of this Agreement.

11.3 Severability. If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. Notwithstanding the foregoing, the provision of the Public Benefits set forth in Sections 4.2 and 4.3 of this Agreement, including the payments set forth therein, are essential elements of this Agreement and COUNTY would not have entered into this Agreement but for such provisions, and therefore in the event such provisions are determined

to be invalid, void or unenforceable, this entire Agreement shall be null and void and of no force and effect whatsoever.

11.4 Interpretation and Governing Law. This Agreement and any dispute arising hereunder shall be governed and interpreted in accordance with the laws of the State of California. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be employed in interpreting this Agreement, all parties having been represented by counsel in the negotiation and preparation hereof.

11.5 Section Headings. All section headings and subheadings are inserted for convenience only and shall not affect any construction or interpretation of this Agreement.

11.6 Gender and Number. As used herein, the neuter gender includes the masculine and feminine, the feminine gender includes the masculine, and the masculine gender includes the feminine. As used herein, the singular of any word includes the plural.

11.8 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

11.9 Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party; shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement thereafter.

11.10 No Third Party Beneficiaries. Unless expressly stated herein, this Agreement is made and entered into for the sole protection and benefit of the parties and their successors and assigns. No other person shall have any right of action based upon any provision of this Agreement.

11.11 Force Majeure. Neither party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by floods, earthquakes, pandemics, other Acts of God, fires, wars, riots or similar hostilities, strikes and other labor difficulties beyond the party's control, (including the party's employment force). If any such events shall occur, the term of this Agreement and the time for performance by either party of any of its obligations hereunder may be extended by the written agreement of the parties for the period of time that such events prevented such performance, provided that the term of this Agreement shall not be extended under any circumstances for more than five (5) years.

11.12 Mutual Covenants. The covenants contained herein are mutual covenants and also constitute conditions to the concurrent or subsequent performance by the party benefited thereby of the covenants to be performed hereunder by such benefited party.

11.13 Successors in Interest. The burdens of this Agreement shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the parties to this Agreement. All provisions of this Agreement shall be enforceable as equitable servitudes and constitute covenants running with the land. Each covenant to do or refrain from doing some act hereunder with regard to development of the Property: (a) is for the benefit of and is a burden upon every portion of the Property; (b) runs with the Property and each portion thereof; and, (c) is binding upon each party and each successor in interest during ownership of the Property or any portion thereof.

11.14 Counterparts. This Agreement may be executed by the parties in counterparts, which counterparts shall be construed together and have the same effect as if all of the parties had executed the same instrument.

11.15 Jurisdiction and Venue. Any action at law or in equity arising under this Agreement or brought by a party hereto for the purpose of enforcing, construing or determining the validity of any provision of this Agreement shall be filed and tried in the Riverside Historic Courthouse of the Superior Court of the County of Riverside, State of California, and the parties hereto waive all provisions of law providing for the filing, removal or change of venue to any other court.

11.16 Project as a Private Undertaking. It is specifically understood and agreed by and between the parties hereto that the development of the Project is a private development, that neither party is acting as the agent of the other in any respect hereunder, and that each party is an independent contracting entity with respect to the terms, covenants and conditions contained in this Agreement. No partnership, joint venture or other association of any kind is formed by this Agreement. The only relationship between COUNTY and PROPERTY OWNER and OWNER is that of a government entity regulating the development of private property and the owner of such property.

11.17 Further Actions and Instruments. Each of the parties shall cooperate with and provide reasonable assistance to the other to the extent contemplated hereunder in the performance of all obligations under this Agreement and the satisfaction of the conditions of this Agreement. Upon the request of either party at any time, the other party shall promptly execute, with acknowledgement or affidavit if reasonably required, and file or record such required instruments and writings and take any actions as may be reasonably necessary under the terms of this Agreement to carry out the intent and to fulfill the provisions of this Agreement or to evidence or consummate the transactions contemplated by this Agreement.

11.18 Eminent Domain. No provision of this Agreement shall be construed to limit or restrict the exercise by COUNTY of its power of eminent domain. As used herein, "Material Condemnation" means a condemnation of all or a portion of the Property that will have the effect of preventing development of the Project in accordance with this Agreement. In the event of a Material Condemnation, OWNER or PROPERTY OWNER may (i) request the COUNTY to amend this Agreement and/or to amend the Development Plan, which amendment shall not be unreasonably withheld, (ii) decide, in its sole discretion, to challenge the condemnation, or (iii) request that COUNTY agree to terminate this Agreement by mutual agreement, which agreement shall not be unreasonably withheld, by giving a written request for termination to the COUNTY.

11.19 Agent for Service of Process. In the event PROPERTY OWNER or OWNER is not a resident of the State of California or it is an association, partnership or joint venture without a member, partner or joint venturer resident of the State of California, or it is a foreign corporation, then in any such event, PROPERTY OWNER or OWNER shall file with the TLMA Director, upon its execution of this Agreement, a designation of a natural person residing in the State of California, giving his or her name, residence and business addresses, as its agent for the purpose of service of process in any court action arising out of or based upon this Agreement, and the delivery to such agent of a copy of any process in any such action shall constitute valid service upon PROPERTY OWNER or OWNER. If for any reason service of such process upon such agent is not feasible, then in such event PROPERTY OWNER or OWNER may be personally served with such process out of this County and such service shall constitute valid service upon PROPERTY OWNER or OWNER. PROPERTY OWNER or OWNER are amenable to the process so served, submits to the jurisdiction of the Court so obtained and waives any and all objections and protests thereto. PROPERTY OWNER or OWNER for itself, assigns and successors hereby waives the provisions of the Hague Convention (Convention on the Service Abroad of Judicial and Extra Judicial Documents in Civil or Commercial Matters, 20 U .S.T. 361, T.I.A.S. **C.E.O. RECOMMENDATION:** Approve

**BACKGROUND**

**Summary**

Conditional Use Permit No. 200031 and Development Agreement No. 2000011 were presented to the Board of Supervisors at a public hearing on February 9, 2021. The Board approved the Conditional Use Permit at this hearing, and subsequently adopted Ordinance No. 664.69 on March 2, 2021, thus approving the Development Agreement.

The Conditional Use Permit is for the development of a commercial cannabis facility to include retail sales and delivery within 4,646 square feet of an 8,892 square foot building. The retail area is 4,274 square feet and the distribution area is 372 square feet. The specific square footage specifications for the Project were included as part of the approved Conditional Use Permit exhibits, and they were also used for the calculation of the public benefit payments in the approved Development Agreement.

The applicant is requesting an amendment to the approved Development Agreement – DA2000011 – regarding the Public Benefit Agreement. More specifically, Paragraph 4.2.1. of the adopted document entitled “Annual Public Benefit Base Payments” and Paragraph 4.3 entitled “Annual Additional Public Benefits.” These sections indicate that the entirety of the annual and additional annual public benefits be paid prior to the “first grading permit or the first building permit.” The applicant is requesting that this section be revised to instead state that the entirety of the annual Public Benefit be paid as a “final condition prior to occupancy.”

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

The Development Agreement also includes a new provision that states the project applicant must make substantial progress towards obtaining a building permit within two years of the final approval of the conditional use permit, identified as Section 3.3.1 of the Development Agreement.

**Development Agreement**

The applicant has proposed entering into the attached amended development agreement (DA) with the County for the Project. The DA is consistent with the General Plan and with Board Policy B-9. Additionally, the Advisory Notification Document, Conditions of Approval, and entitlement approvals are incorporated in the exhibits of the DA and will ensure that the Project is developed in a way that would not conflict with the public's health, safety, or general welfare. The DA has a term of 10 years (with the option for a 5-year extension subject to mutual approval) and will grant the applicant vesting rights to develop the Project in accordance with the terms of the DA. In exchange, the DA provides certain public benefits that go beyond the basic requirements of the County including annual public benefit payments, which will be used for additional public safety services, infrastructure improvements or community enhancement programs.

The Amendment to the Development Agreement does not impact the floor plan of the approved CUP, thus no square footage calculations have been changed as a result of this request. Therefore, the fees adopted initially through DA2000011 would remain the same, with the amendment being the point at which these fees are to be paid. Those fees are as follows:

- 1) An initial deposit-based fee of \$5,000 for annual inspections and the administration of the development agreement program.
- 2) A baseline Public Benefits payment of \$78,048, which will be increased 2% per year. The baseline payment amount shall be allocated 45% to the Code Enforcement Department, and the remaining 55% will be transferred to the Executive Office for deposit into the General Fund, to be allocated as part of the annual budget process and generally spent on cannabis regulatory activity performed by the District Attorney's Cannabis Regulation Task Force, the Sheriff's Office, Public Health, County Counsel, and the Agricultural Commissioner's office. The percentages above are based on the expected regulatory costs that were used to establish the baseline Public Benefits fee, as approved by the Board on January 29, 2019. The Code Enforcement Department will serve as the main regulatory arm of the County in monitoring that the businesses will comply with their conditions of approval and respond to public concerns.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

- 3) An annual Additional Public Benefit payment of \$97,560 which will increase 5% per year remains the same. This payment shall be held by TLMA in an account specifically for the Mead Valley Area, to be allocated by the Board of Supervisors to projects and services that benefit the community.

Per state law, a development agreement is a legislative act that must be approved by ordinance. Proposed Ordinance No. 664.99 incorporates by reference and adopts Amendment No. 1 to Development Agreement No. 2000011 consistent with Government Code sections 65867.5 and 65868. Amendment No. 1 to Development Agreement No. 2000011 and Ordinance No. 664.99 do not change the prior development approvals or overall project footprint of CUP200031.

Amendment No. 1 to Development Agreement No. 2000011 is consistent with the General Plan, and with public health, safety, and general welfare. The express terms of the development agreement grant the applicants a vested right to develop the project in accordance with existing land use regulations including in accordance with the General Plan. The conditions of approval and mitigation measures for the Project, the approvals of which are incorporated in the exhibits to the Amendment to the Development Agreement, ensure that the project is developed in a way that is consistent with public health safety and general welfare. Moreover, the Amendment to the Development Agreement will provide significant benefits. Specifically, the development agreement contains terms consistent with Board of Supervisors Policy No. B-9 including terms regarding annual public benefits payments and increases and the submittal of an additional community benefit fee. These development agreement provisions ensure that the Amendment to the Development Agreement will provide significant benefits.

**CEQA**

The County of Riverside previously found that the project was exempt from CEQA pursuant to State CEQA Guidelines Section 15301 (Existing Facilities) and Section 15303 (New Construction or Conversion of Small Structures). There are no new, different, or greater impacts that will result from this amendment as it only revises the point at which the Development Agreement fees are paid. The Project scope, intensity, or proposed use are neither changing nor expanding. Therefore, nothing further is required pursuant to CEQA.

**Impact on Citizens and Businesses:**

The proposed project is categorically exempt under CEQA, which means that it belongs to a class of projects that have been determined to not have a significant effect on the environment. As detailed in the Planning Commission Staff Report, the original project was deemed to be exempt under CEQA and no exceptions pursuant to State CEQA Guidelines section 15300.2

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

were found to apply. As these changes to the Development Agreement would not change any of those prior findings, no further findings under CEQA are required. Accordingly, there will be no impacts on residents or businesses.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

As stated above, the applicants and County staff have reached an agreement on the provisions of the Amendment to the Development Agreement. The applicant will submit public benefit payments as detailed in the Amendment to the Development Agreement.

Staff labor and expenses to process this project have been paid directly through deposit-based fees.
