**BACKGROUND:**

**Summary**

The Political Reform Act prohibits a public official from using his or her position to influence a government decision in which he or she has a financial interest. Government Code section 87300 requires local government agencies to adopt and promulgate a Conflict of Interest Code identifying officials and employees required to file statements of economic interest based on the positions they hold. A local government agency, as defined by Government Code section 82041, includes the Jurupa Community Services District.

Each even-numbered year, Government Code section 87306.5 requires local government agencies to review their Conflict of Interest Code, make appropriate revisions, if necessary, and submit an amended Conflict of Interest Code to the code reviewing body. Government Code section 82011(b) identifies the Board of Supervisors for the County of Riverside as the code reviewing body for a local government agency within its county.

The Jurupa Community Services District recently amended its Conflict of Interest Code on November 14, 2022 to add positions, revise disclosure categories, and add or revise titles of existing positions that participate in making governmental decisions. The Board of Directors for Jurupa Community Services District has adopted Resolution No. 3277, amending its Conflict of Interest Code. The Jurupa Community Services District has submitted its amended Conflict of Interest Code for approval by the Board of Supervisors as the code reviewing body.

This office has reviewed the Conflict of Interest Code of the Jurupa Community Services District and has found that it complies with statutory requirements. A complete copy of the Conflict of Interest Code of the Jurupa Community Services District is attached.

It is recommended that the Board of Supervisors approve the Conflict of Interest Code of the Jurupa Community Services District and direct the Clerk of the Board to notify the Jurupa Community Services District of the action taken.
