**BACKGROUND:**

**Summary**

The County of Riverside ("County"), as lessor, and John Obradovich and Betty Obradovich (collectively, "Obradovich"), as lessee, entered into that certain Lease Desert Resorts Regional Airport dated June 3, 2003, as amended by that certain First Amendment to Lease Jacqueline Cochran Regional Airport dated on or about September 14, 2004, that certain Second Amendment to Lease Jacqueline Cochran Regional Airport dated September 12, 2006, and that certain Third Amendment to Lease Jacqueline Cochran Regional Airport dated March 17, 2009 (collectively, "Lease"). The Lease relates to approximately 9 acres of real property located at the Jacqueline Cochran Regional Airport ("Leased Premises") attached hereto as Attachment D. Pursuant to Section 24 of the Lease, Obradovich cannot sublease any rights, duties, or obligations under the Lease without the written consent of the County. Obradovich desires to sublease a portion of the Leased Premises upon which an aircraft storage hangar has been constructed, and is identified as Building B, Hangar No. 3 ("Subleased Premises") to Ranger

Holdings Inc., a Saskatchewan corporation (“Ranger Holdings”), as more specifically set forth in the Sub-Lease with Sale of Aviation Hangar attached hereto as Attachment C (“Sublease”).

In connection with the Sublease, Ranger Holdings (as Buyer) and William T. Henry, (as Seller) entered into that certain Bill of Sale Coupled with Sublease dated June 1, 2022, relating to the sale of Building B, Hangar No. 3 (“Bill of Sale”), the effectiveness of which is subject to the consent and approval by the County. A copy of the Bill of Sale is attached hereto as Attachment A. Ranger Holdings will not change the existing use of the Subleased Premises. The Bill of Sale and the Sublease will not impact the terms of the Lease.

Pursuant to the California Environmental Quality Act (CEQA), the Consent to Bill of Sale Coupled with Sublease and Sublease with Sale of Aviation Hangar were reviewed and determined to be categorically exempt from CEQA under State CEQA Guidelines section 15301, Class 1 – Existing Facilities and State CEQA Guidelines section 15061(b) (3), General Rule or “Common Sense” exemption. The proposed project, the Consent to Bill of Sale of Aviation Hangar between Ranger Holdings and William T. Henry, and Consent to Sublease between John Obradovich and Betty Obradovich and Ranger Holdings, is related to the subletting of property involving existing facilities and no expansion of an existing use will occur. In addition, it can be seen with certainty that there is no possibility that the proposed project may have a significant effect on the environment since it is merely a continuation of existing use.

**Impact on Citizens and Businesses**

The Sublease and Bill of Sale will assist in the County’s effort to increase airport operations which in turn provides increased patron activities for local businesses.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

No Net County Cost will be incurred, and no budget adjustment is necessary. However, the Transportation and Land Management Agency, Aviation Division has incurred costs associated with this transaction. County Counsel and CEQA filing fees to date in the approximate amount of \$750 will be reimbursed from the TLMA Aviation Revenue Fund.

The consent to Bill of Sale and Sublease have been identified as a proposed project under the California Environmental Quality Act (CEQA) because a discretionary action by the Riverside County Board of Supervisors is required for approval. The approval of the consent to the Bill of Sale and Sublease will not change the existing use of the Subleased Premises, which will not result in any significant environmental impacts or include any mitigation measures.

**Name of Public Agency Approving Project:** County of Riverside

**Name of Person or Agency Carrying Out Project:** Riverside County Transportation and Land Management Agency – Aviation Division

**Exempt Status:** State CEQA Guidelines Section 15301, Class 1, Existing Facilities Exemption; Section 15061(b)(3), General Rule or “Common Sense” Exemption. Codified under California Code of Regulations Title 14, Article 5, Section 15061.

**Reason Why Project is Exempt:** The proposed project is categorically exempt from the provisions of CEQA specifically by the State CEQA Guidelines as identified below. The project will not result in any specific or general exceptions to the use of the categorical exemption as detailed under State CEQA Guidelines Section 15300.2. The project will not cause an impact to an environmental resource of hazardous or critical concern, nor would the project involve unusual circumstances that could potentially have a significant effect on the environment. The project is limited to sale and Sublease of an existing aircraft storage hangar and does not include a new development or improvements to the Leased Premises. Furthermore, this project would not result in any physical direct or reasonably foreseeable indirect impacts to the environment.

- **Section 15301 – Class 1 Existing Facilities Exemption:** This categorical exemption includes the operation, repair, maintenance, leasing, or minor alteration of existing public or private structures or facilities, provided the exemption only involves negligible or no expansion of the previous site’s use. The project, as proposed, involves the assignment of a lease and is limited to a contractual agreement would be consistent with the existing land use and would not result in a physical change to the property. Therefore, the project is exempt as it meets the scope and intent of the Categorical Exemption identified in Section 15301, Article 19, Categorical Exemptions of the CEQA Guidelines.
- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid*. This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a

category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The approval of the Bill of Sale and Sublease would result in the continued operation of the airport on the Leased and Subleased Premises. No significant direct or indirect environmental impacts would occur. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

William T. Henry hereinafter called the "Seller," hereby sells to Ranger Holdings Inc. hereinafter called the "Buyer," and said Buyer hereby purchases from Seller the property described below, upon the following terms and conditions:

Furthermore, Seller hereby incorporates in this instrument by reference the terms and conditions of that certain "Sub-Lease" executed by the parties hereto on 6/1/2022. This Bill of Sale shall be enforceable only on the condition that the parties have entered into the aforesaid Sub-Lease.

4. **REVERSION OF PROPERTY TO SELLER.** The aforesaid Sub-Lease, with which this Bill of Sale is coupled provides for a sub-lease period of approximately 30 years with a 10-year option, during which time the Buyer hereto, subject to certain conditions precedent, may sell, rent, assign, convey, hypothecate, or encumber the personal property subject to is instrument, provided further, that upon the expiration of said Sub-Lease or 30 years with a 10-year option lease period, whichever shall first occur, the personal property subject to this Bill of Sale shall revert to the Seller hereunder, or to Seller's assignee, or to the County of Riverside, which reversion shall be governed by the terms and conditions of the aforesaid Master Lease and all of the aforesaid amendments thereto and the terms and conditions of the aforementioned Sub-Lease between Sub-Lessor and Sub-Lessee. Provided further that in accordance with the aforesaid Sub-Lease, Buyer hereunder shall not sell, rent, assign, hypothecate or encumber the personal property subject to this instrument except upon the express written consent of the county of Riverside and Seller or his assignee hereunder, which consent shall not be unreasonably withheld.

5. **TAX CLAUSE.** During the aforementioned period of possession of Buyer of the personal property, Buyer shall be solely responsible for the payment of the personal property and/or possessory interest taxes and all other taxes levied upon the specific structure by the County of Riverside and/or all other lawfully constituted taxing authorities, and said responsibility shall include real property taxes which may be assessed to Seller, to Seller's successor, or to Buyer in connection with the subject property.

17 commenced. For the purpose of this agreement development activity shall mean  
18 activity that will result in the start of construction of the buildings approved for that  
19 phase and the completion of those buildings within a reasonable time.

20 Said option shall be exercised by notifying the other party in writing within thirty days  
21 (30 days) after the end of the fifth year (5<sup>th</sup> year) of the lease term. Upon delivery of  
22 such notice the undeveloped phase(s) of the leasehold so identified (the "Returned  
23 Phase(s)") will revert to the County and this Lease will be amended accordingly to  
24 reflect the reduced acreage and rent.

25 Any such amendment shall include easements, satisfactory to County, through  
26 Lessee's initial phase(s) providing access to Taxiway A from the Returned Phase(s)  
27 (the "Taxiway Easement"). Provided however, County shall make provision in any  
28 lease of a Returned Phase to a third party (the "Third Party Lease") that prior to use by

1 the Third Party Lessee of the Taxiway Easement the Third Party Lessee shall  
2 reimburse Lessee for a proportionate share of the cost to improve the area of  
3 approximately 150 feet by 260 feet, less the area allocated to the plane wash area and  
4 fueling station, leading to Taxiway A (the "Delivery Apron", Exhibit G).

5 Upon completion of the improvements to the Delivery Apron, Lessee shall provide to  
6 County a statement and supporting invoices evidencing the total cost to improve the  
7 Delivery Apron, less the cost of plane wash area and fueling station, (the "Improvement  
8 Cost"). The Third Party shall reimburse the Lessee that portion of the Improvement  
9 Cost equal to the portion of the Leased Premises being leased by the Third Party  
10 Lessee. (By way of example: If the Leased Premises totals five acres, and the Third  
11 Party Lessee is leasing a phase totaling one acre, the Third Party Lessee would  
12 reimburse Lessee 20% of the Improvement Cost.)

13 Lessee shall obtain performance, material and labor payment bonds in the amounts  
14 required by law and determined by County and shall furnish County with copies thereof  
15 prior to the commencement of such construction.

16 (b) All improvements to be at Lessee's sole cost. Lessee to pay for  
17 construction of any required utility extensions and hookups and any access road  
18 improvements. All improvements are to be submitted to County for approval prior to  
19 start of any construction.

20 (c) Any improvements, alterations and installation of fixtures, to be  
21 undertaken by Lessee, shall have the prior written approval of the Economic  
22 Development Agency after Lessee has submitted to County proposed plot and building  
23 plans, and specifications therefore, in writing. In addition, Lessee understands and  
24 agrees that such improvements, alterations and installation of fixtures may be subject  
25 to County Ordinance Nos. 348 and 457, as well as other applicable County ordinances,  
26 and that Lessee shall fully comply with such ordinances prior to the commencement of  
27 any construction in connection therewith.

28

1 (d) No later than thirty days (30 days) following completion of each  
2 phase, Lessee shall submit two (2) sets of record (as-built) drawings to County.

3 (e) All improvements, alterations and fixtures, shall remain or become  
4 as the case may be, the property of County with the exception of trade fixtures as that  
5 term is used in Section 1019 of the Civil Code, provided, however, that Lessee shall  
6 have the full and exclusive use and enjoyment of such improvements, alterations and  
7 fixtures during the term of this Lease. At or prior to the expiration of this Lease, Lessee  
8 shall remove, at its expense, such trade fixtures and restore said Leased Premises to  
9 their original shape and condition as nearly as practicable. In the event Lessee does  
10 not so remove such trade fixtures, they shall become the property of the County for no  
11 further consideration of any kind, and Lessee shall execute any documents that may  
12 be required or necessitated conveying its interest in such improvements, alterations  
13 and fixtures to County.

14 9. Off-Site Improvements

15 (a) County and Lessee herein acknowledge that Lessee has no fee  
16 title interest in or to the Leased Premises.

17 (b) County shall provide the following off-site improvements to serve  
18 the site: (1) water, (2) sewer, and (3) a paved access road. Connections to these off-  
19 site improvements shall be the sole cost and responsibility of Lessee as described in  
20 paragraph 9(c). Additionally, Lessee shall be responsible for any improvements  
21 beyond those listed in this paragraph, including, but not limited to, electricity, telephone  
22 and gas service.

23 (c) It is understood by the parties hereto that utility services are  
24 available in the general vicinity of the Leased Premises and it is the intention, as part of  
25 the Airport Master Plan, to have all utilities underground at some future date. It is  
26 further understood by the parties that in order for the on-site improvements required in  
27 Paragraph 8 herein to be fully usable and operational, Lessee, at its expense, shall  
28 extend and/or connect, or cause to be extended and/or connected, to such utility

1 service facilities that may be required or desired by Lessee in the use, operation and  
2 maintenance of such on-site improvements. After such extensions and/or connections  
3 have been made, Lessee shall be responsible for payment for the use of such utility  
4 services, without limitation, all electricity, gas, telephone and water.

5 (d) Upon commencement of construction of Phase I, Lessee shall, at  
6 its sole cost, install in-ground electrical service per the plans and specifications of the  
7 Imperial Irrigation Districts' Master Electrical Plan for Desert Resorts Regional Airport  
8 (Underground for County of Riverside S/O Airport Blvd. @ Vic Higgins Conduit Layout)  
9 dated 12/13/01 along Warhawk Way on the eastern boundary of the Leased Premises  
10 (Exhibit E). Upon commencement of construction of Phase III, Lessee shall pay the  
11 cost of in-ground electrical conduit along Avenger Blvd adjacent to the northern border  
12 of the Leased Premises. Lessee shall pay the cost of Imperial Irrigation District  
13 electrical extension charges as required to provide electrical service to the Leased  
14 Premises (Exhibit E).

15 (e) Lessee will provide an electrical service easement, at no cost, for  
16 the benefit of Hi-Tech Aviation, Inc., hereinafter HTA, and John Kamburoff. The  
17 location of said easement will be identified in the Phase I development site plan  
18 approved by County.

19 (f) Lessee agrees to provide at Lessee's cost, at a location to be  
20 agreed upon by Lessee and County, a transformer pad and electrical service line for  
21 power to the existing hangar owned by HTA, at the southwest corner of the Leased  
22 Premises, commonly known as the "MIG Museum".

23 (g) In place of the existing water service to HTA, Lessee will make  
24 water service available, at the same rate that Lessee pays for water, to HTA until such  
25 time as HTA establishes water service along Liberator Lane. Lessee will install a sub-  
26 meter to properly measure the amount of water used by HTA and bill HTA every three  
27 months for the amount of water provided.

28

1 (h) Lessee will allow John Kamburoff to use the electrical service  
2 easement and transformer pad to provide power to his leasehold. John Kamburoff will  
3 be responsible for any cost associated with bringing electrical service to his leasehold  
4 from the transformer pad.

5 (i) Lessee shall be allowed to remove 4,000 cubic yards of soil from  
6 County property as identified in Exhibit F, (the "Development Soil"). The Development  
7 Soil shall be moved at Lessee's cost. Lessee will determine to its satisfaction that the  
8 Development Soil designated can be efficiently extracted and moved by grading  
9 scrapers. After removal of the Development Soil, lessee shall pay the cost to insure  
10 that the extraction site is returned to a stable condition with appropriate dust control  
11 measures in place. Lessee shall be responsible for returning Taxiway A to its original  
12 condition prior to movement of the Development Soil and for the repair of any damage  
13 caused by Lessee's in moving the Development Soil.

14 (j) Lessee shall obtain, or cause to be obtained performance, material  
15 and labor, and payment bonds in the amounts required by law and determined by  
16 County and shall furnish County with copies thereof prior to the commencement of  
17 such off-site improvements.

18 10. Additional Obligations of Lessee. The Lessee shall maintain the Leased  
19 Premises, approaches thereto, and improvements now or hereafter located thereon, in  
20 good and sanitary order, condition, and repair, and upon any termination of this Lease,  
21 Lessee agrees to surrender said Leased Premises and improvements thereon in such  
22 condition, reasonable use and wear thereof and damages by fire, acts of God, war, civil  
23 insurrection, or by the elements excepted.

24 11. Compliance with Law. Lessee shall, at its sole cost and expense, comply  
25 with all of the requirements of all governmental agencies now in force, or which may  
26 hereafter be in force, pertaining to the Leased Premises, and any improvements  
27 hereafter constructed or maintained thereon, and Lessee shall faithfully observe all  
28 ordinances now or hereafter in force in the use of the Leased Premises.

1           12.    County's Reserved Rights.

2           (a)    The Leased Premises are accepted by Lessee subject to any and  
3 all existing easements or other encumbrances, and County shall have the right to enter  
4 upon the Leased Premises and to install, lay, construct, maintain, repair and operate  
5 such sanitary sewers, drains, storm water sewers, pipelines, manholes, connections,  
6 water, oil and gas pipelines, and telephone and telegraph power lines and such other  
7 facilities and appurtenances necessary or convenient to use in connection therewith,  
8 over, in, upon, through, across and along the Leased Premises or any part thereof.  
9 County also reserves the right to grant franchises, easements, rights of way and  
10 permits in, over and upon, along or across any and all portions of said Leased  
11 Premises as County may elect; provided, however, that no right of the County provided  
12 for in this paragraph shall be so executed so as to not interfere unreasonably with  
13 Lessee's use hereunder, or impair the security of any secured creditor of Lessee.  
14 County shall cause the surface of the Leased Premises to be restored to its original  
15 condition (as they existed prior to any such entry) upon the completion of any  
16 construction by County or its agents. In the event such construction renders any  
17 portion of the Leased Premises unusable, the rent shall abate pro rata as to such  
18 unusable portion during the period of such construction. Any right of County set forth  
19 in this paragraph shall not be exercised unless a prior written notice of thirty (30) days  
20 is given to Lessee; provided, however, in the event such right must be exercised by  
21 reason of emergency, then County shall give Lessee such notice in writing as is  
22 reasonable under the existing circumstances.

23           (b)    County reserves the right to further develop, or improve the aircraft  
24 operating area of Desert Resorts Regional Airport as it deems appropriate. County  
25 reserves the right to take any action it considers necessary to protect the aerial  
26 approaches of the Desert Resorts Regional Airport against obstruction, together with  
27 the right to prevent the Lessee from erecting or permitting to be erected, any building  
28 or other structure on the Desert Resorts Regional Airport, which in the reasonable

1 opinion of County, would limit usefulness of the Desert Resorts Regional Airport or  
2 constitute a hazard to aircraft.

3 (c) During the time of war or national emergency, County shall have  
4 the right to lease the landing area of the Desert Resorts Regional Airport, or any part  
5 thereof, to the United States Government for military use and, if such lease is  
6 executed, the provisions of this Lease insofar as they are inconsistent with the  
7 provisions of such lease to the Government, shall be suspended. In that event, a just  
8 and proportionate part of the rent hereunder shall be abated, and the period of such  
9 closure shall be added to the term of this Lease, or any extensions thereof, so as to  
10 extend and postpone the expiration thereof unless Lessee otherwise elects to  
11 terminate this Lease.

12 (d) Notwithstanding any provisions herein, this Lease shall be  
13 subordinate to the provisions of any existing or future agreement between County and  
14 the United States, relative to the operation or maintenance of the Desert Resorts  
15 Regional Airport, the terms and execution of which have been or may be required as a  
16 condition precedent to the expenditure or reimbursement to County of Federal funds  
17 for the development of said airport.

18 (e) This Lease is subject to the provisions set forth in Exhibit "B"  
19 (Federally Required Lease Provisions), attached hereto and by this reference made a  
20 part of this Lease.

21 13. Inspection of Premises. County, through its duly authorized agents, shall  
22 have, at any time during normal business hours, the right to enter the Leased Premises  
23 for the purpose of inspecting, monitoring and evaluating the obligations of Lessee  
24 hereunder and for the purpose of doing any and all things which it is obligated and has  
25 a right to do under this.

26 14. Quiet Enjoyment. Lessee shall have, hold and quietly enjoy the use of  
27 the Leased Premises so long as Lessee shall fully and faithfully perform the terms and  
28 conditions that the Lessee is required to do under this Lease.

1           15.    Compliance with Government Regulations. Lessee shall, at Lessee's sole  
2 cost and expense, comply with the requirements of all local, state and federal statutes,  
3 regulations, rules, ordinances and orders now in force or which may be hereafter in  
4 force, pertaining to the Leased Premises. The final judgment, decree or order of any  
5 Court of competent jurisdiction, or the admission of Lessee in any action or  
6 proceedings against Lessee, whether Lessee be a party thereto or not, that Lessee  
7 has violated any such statutes, regulations, rules, ordinances, or orders, in the use of  
8 the Leased Premises, shall be conclusive of that fact as between County and Lessee.

9           16.    Discrimination or Segregation

10           (a)    Lessee shall not discriminate in Lessee's recruiting, hiring,  
11 promotion, demotion or termination practice on the basis of race, religious creed, color,  
12 national origin, ancestry, sex, age, physical handicap, medical condition or marital  
13 status with respect to its use of the Leased Premises hereunder, and Lessee shall  
14 comply with the provisions of the California Fair Employment and Housing Act  
15 (Government Code Sections 12900 et seq.), the Federal Civil Rights Act of 1964 (P. L.  
16 88-352), and all amendments thereto, Executive Order No. 11246 (30 Federal Register  
17 12319), as amended, and all Administrative Rules and Regulations issued pursuant to  
18 said Acts and orders with respect to its use of the Leased Premises.

19           (b)    Lessee shall not discriminate against or cause the segregation of  
20 any person or group of persons on account of race, religious creed, color, national  
21 origin, ancestry, sex, age, physical handicap, medical condition or marital status, in the  
22 occupancy, use, tenure or enjoyment of the Leased Premises, nor shall Lessee, or any  
23 person claiming under or through Lessee, establish or permit any such practice or  
24 practices of discrimination or segregation with reference to the selection, location,  
25 number, use or occupancy of any persons within the Leased Premises.

26           (c)    Lessee assures that it will undertake an affirmative action program  
27 as required by 49 CFR, Part 21, to insure that no person shall on the grounds of race  
28 creed, color, national origin, or sex be excluded from participating in any employment

1 activities covered in 49 CFR, Part 21, with respect to its use of the Leased Premises.  
2 Lessee further assures that no person shall be excluded on these grounds from  
3 participating in or receiving services or benefits of any program or activity covered  
4 herein with respect to its use of the Leased Premises. Lessee further assures that it  
5 will require that its subcontractors and independent contractors provide assurance to  
6 Lessee that they similarly will undertake affirmative action programs and that they will  
7 require assurances from their subcontractors and independent contractors, as required  
8 by 49 CFR, Part 21, to the same effect with respect to their use of the Leased  
9 Premises.

10 17. Termination by County. County shall have the right to terminate this  
11 Lease forthwith:

12 (a) In the event a petition is filed for voluntary or involuntary  
13 bankruptcy for the adjudication of Lessee as debtors.

14 (b) In the event that Lessee makes a general assignment, or Lessee's  
15 interest hereunder is assigned involuntarily or by operation of law, for the benefit of  
16 creditors.

17 (c) In the event of abandonment of the Leased Premises by Lessee.

18 (d) In the event Lessee fails or refuses to perform, keep or observe  
19 any of Lessee's duties or obligations hereunder; provided, however, that Lessee shall  
20 have thirty (30) days in which to correct Lessee's breach or default after written notice  
21 thereof has been served on Lessee by County.

22 (e) In the event Lessee fails, or refuses, to meet its rental obligations,  
23 or any of them, hereunder or as otherwise provided by law.

24 (f) Failure of Lessee to maintain insurance coverage required herein  
25 and to provide evidence of coverage to the County.

26 18. Termination by Lessee. Lessee shall have the right to terminate this  
27 Lease in the event County fails to perform, keep or observe any of its duties or  
28 obligations hereunder; provided, however, that County shall have thirty (30) days in

1 which to correct its breach or default after written notice thereof has been served on it  
2 by Lessee; provided, further, however, that in the event such breach or default is not  
3 corrected, Lessee may elect to terminate this Lease in its entirety or as to any portion  
4 of the premises affected thereby, and such election shall be given by an additional  
5 thirty (30) day written notice to County.

6 19. Eminent Domain. If any portion of the Leased Premises shall be taken by  
7 eminent domain and a portion thereof remains which is usable by Lessee for the  
8 purposes set forth in Paragraph 4 herein, this Lease shall, as to the part taken,  
9 terminate as of the date title shall vest in the condemnor, or the date prejudgment  
10 possession is obtained through a court of competent jurisdiction, whichever is earlier,  
11 and the rent payable hereunder shall abate pro rata as to the part taken; provided,  
12 however, in such event County reserves the right to terminate this Lease as of the date  
13 when title to the part taken vests in the condemnor or as of such date of prejudgment  
14 possession. If all of the Leased Premises are taken by eminent domain, or such part  
15 be taken so that the Leased Premises are rendered unusable for the purposes set forth  
16 in Paragraph 4 herein, this Lease shall terminate. If a part or all of the Leased  
17 Premises be so taken, all compensation awarded upon such taking shall be  
18 apportioned between County and Lessee according to law.

19 20. Insurance. Lessee shall procure and maintain or cause to be maintained,  
20 at it sole cost and expense, the following insurance coverages during the term of this  
21 Lease. The procurement and maintenance of the insurance required below will not  
22 diminish or limit Lessee's obligation to indemnify or hold the County harmless.

23 (a) Workers Compensation. Workers Compensation Insurance  
24 (Coverage A) as prescribed by the laws of the State of California. Policy shall include  
25 Employers' Liability (Coverage B) including Occupational Disease with limits not less  
26 that \$1,000,000 per person per accident. Policy shall be endorsed, if applicable, to  
27 provide a Borrowed Servant/Alternate Employer Endorsement and Waiver of  
28 Subrogation in favor of all Agencies, Districts, Special Districts, and Departments of the

1 County of Riverside, their respective directors, officers, Board of Supervisors,  
2 employees, elected or appointed officials, agents or representatives.

3 (b) Airport Commercial General Liability. Airport Commercial General  
4 Liability Insurance coverage including, but not limited to, premises liability, contractual  
5 liability, products and completed operations, contingent liability, non-owned hull liability,  
6 personal and advertising injury and, if liquor is sold, liquor law liability covering claims  
7 which may arise from or out of Lessee's performance of its obligations hereunder.  
8 Policy shall name all Agencies, Districts, Special Districts, and Departments of the  
9 County of Riverside, their respective directors, officers, Board of Supervisors,  
10 employees, elected or appointed officials, agents or representatives as Additional  
11 Insureds. Policy's limit of liability shall not be less than \$3,000,000 per occurrence  
12 combined single limit. If such insurance contains a general aggregate limit, it shall  
13 apply separately to this agreement or be no less than two (2) times the occurrence  
14 limit. Such insurance will include Medical Payments for a limit of \$5,000 and Fire Legal  
15 Liability for a limit of \$300,000.

16 (c) Vehicle Liability. If Lessee's vehicles or mobile equipment are  
17 used in the performance of the obligations under this Lease, then Lessee shall  
18 maintain liability insurance for all owned, non-owned or hired vehicles so used in an  
19 amount not less than \$1,000,000 per occurrence combined single limit. The policy  
20 shall name all Agencies, Districts, Special Districts, and Departments of the County of  
21 Riverside, their respective directors, officers, Board of Supervisors, employees, elected

23 Airport Commercial General Liability policy.

24 (d) Aircraft Hull and Liability Insurance. Aircraft hull coverage for the  
25 full replacement value of all aircraft owned or operated by the Lessee in the Leased

28 respective directors, officers, Board of Supervisors, employees, elected or appointed

1 officials, agents or representatives as Additional Insureds. Lessee may elect to self-  
2 insure or un-insure the hull portion of the coverage required herein; however, if Lessee  
3 elects not to acquire commercial insurance for the hull, Lessee agrees to hold the  
4 County of Riverside harmless and not make any claim against the County of Riverside  
5 for loss or damage to the hull of his aircraft for any reason whatsoever regardless of  
6 any negligence of the County that may have contributed to said loss or damage.  
7 Aircraft Liability Coverage and commercial general liability insurance including, but not  
8 limited to, premises liability and contractual liability with a limit of liability for bodily  
9 injury (including death) and property damage of at least \$1,000,000 with a per seat limit  
10 of not less than \$100,000. Coverage will apply to all owned aircraft and all non-owned  
11 or hired aircraft operated by the Lessee.

12 (e) Products Liability Insurance. If Lessee provides maintenance and

19 coverage for aircraft in the care, custody or control of the Lessee with a limit equal to  
20 the replacement value of all aircraft hulls controlled by the Lessee while on the ground;  
21 however, in no event, shall the limit of liability be less than \$1,000,000.

22 (g) Hangars Keepers Liability Insurance (Flight Coverage). If  
23 applicable, Lessee shall provide Hangar Keepers Liability Insurance providing  
24 coverage for aircraft in the care, custody or control of the Lessee with a limit equal to  
25 the replacement value of the highest valued hull that may be flight tested by the  
26 Lessee; however, in no event, shall the limit of liability be less than \$1,000,000.

27 (h) Pollution Liability Insurance. If Lessee provides aircraft  
28 fueling service, they shall provide Pollution Liability Insurance covering gradual,

1 sudden and accidental pollution including first party clean up with a limit of no less than

16 a Waiver of Subrogation in favor of the County of Riverside.

17 (j) General Insurance Provisions – All Lines:

18 (1) Any insurance carrier providing insurance coverage  
19 hereunder shall be admitted to the State of California unless waived, in writing, by the  
20 County Risk Manager. Carrier(s) shall have an A.M. BEST rating of not less than an A:  
21 VIII (A:8).

22 (2) Insurance deductibles or self-insured retentions must be  
23 declared by the Lessee's insurance carrier(s), and such deductibles and retentions  
24 shall have the prior written consent from the County Risk Manager. Failure of the  
25 Lessee's carriers to declare deductibles or self-insured retentions to the County shall  
26 waive any obligation of the County, as an additional insured, to honor said deductibles  
27 or self insured retentions in the event of Lessee's insolvency. Upon notification of  
28 deductibles or self insured retentions unacceptable to the County, and at the election of

1 the County's Risk Manager, Lessee's carriers shall either: 1) reduce or eliminate such  
2 deductibles or self-insured retentions as respects this Lease with the County; or 2)  
3 procure a bond which guarantees payment of losses and related investigations, claims  
4 administration, and defense costs and expenses.

5 (3) Cause Lessee's insurance carrier(s) to furnish the County of  
6 Riverside with either 1) a properly executed original Certificate(s) of Insurance and

8 requested to do so in writing in the County Risk Manager, provide original Certified  
9 copies of policies including all Endorsements and all attachments thereto, showing  
10 such insurance is in full force and effect. Further, said Certificate(s) and policies of  
11 insurance shall contain the covenant of the insurance carrier(s) that thirty (30) days  
12 written notice shall be given to the County of Riverside prior to any material  
13 modification, cancellation, expiration or reduction in coverage of such insurance. In the  
14 event of a material modification, cancellation, expiration, or reduction in coverage, this  
15 Lease shall terminate forthwith, unless the County of Riverside receives, prior to such  
16 effective date, another properly executed original Certificate of Insurance and original  
17 copies of endorsements or, if requested, certified original policies, including all  
18 endorsements and attachments thereto evidencing coverages set forth herein and the  
19 insurance required herein is in full force and effect. Lessee shall not commence  
20 operations until the County of Riverside has been furnished original Certificate(s) of  
21 Insurance and certified original copies of endorsements or, if requested, policies of  
22 insurance including all endorsements and any and all other attachments as required in  
23 this Section. An individual authorized by the insurance carrier to do so on its behalf  
24 shall sign the original endorsements for each policy and the Certificate of Insurance.

25 (4) It is understood and agreed to by the parties hereto and the  
26 insurance company(s), that the Certificate(s) of Insurance and policies shall so  
27 covenant and shall be construed as primary insurance, and the County's insurance  
28

1 and/or deductibles and/or self-insured retentions or self-insured programs shall not be  
2 construed as contributory.

3 (l) Course of Construction Insurance. During construction of the

15 or removal as potentially injurious to public health or welfare.

16 County shall be responsible for the removal and remediation of any contamination  
17 and/or hazardous materials that may be found and which existed on the site prior to the  
18 execution of this Lease. During the removal and remediation of any such

26 Premises, and which may be secured by a mechanics, materialmen's or other lien  
27 against the Leased Premises or County's interest therein, and will cause each such  
28 lien to be fully discharged and released at the time the performance of any obligation

3 lien shall be reduced to final judgment, and such judgment or such process as may be  
4 issued for the enforcement thereof is not promptly stayed, or is so stayed, and said

3. That in the event of breach of any of the above nondiscrimination covenants, the County of Riverside, herein called the County, shall have the right to terminate the lease agreement and to reenter and repossess said land and the facilities thereon, and hold the same as if said lease agreement had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed, including expiration of appeal rights.
4. The Lessee shall furnish its accommodations and/or services on a fair, equal, and not unjustly discriminatory basis to all users thereof, and it shall charge fair, reasonable, and not unjustly discriminatory prices for each unit or service; provided, however, that the Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar type of price reductions to volume purchasers.

In the event that the aforesaid covenants are breached, the County reserves the right to enter upon the land leased hereunder and to remove the offending structure or object and cut the offending tree, all of which shall be at the expense of the Lessee.
14. The Lessee, by accepting this lease agreement, agrees for itself, its successors and assigns that it will not make use of the leased premises in any manner, which might interfere with the landing and taking off of aircraft from Desert Resorts Regional Airport or otherwise constitute a hazard. In the event that the aforesaid covenant is breached, the County reserves the right to enter upon the premises hereby leased and cause the abatement of such interference at the expense of the Lessee.
15. It is understood and agreed that nothing herein contained shall be construed to grant or authorize the granting of an exclusive right within the meaning of Section 308a of the Federal Aviation Act of 1958 (49 USC 1349a)

## I. INTRODUCTION

Riverside County is the owner (sponsor) of the following six airports in Riverside County: Blythe, Chiriaco Summit, Desert Center, Desert Resorts Regional, French Valley, and Hemet Ryan. The Riverside County Economic Development Agency (EDA) is the county agency responsible for operation of the County's airports.

Minimum standards are established to promote and attract a professional level of aviation services to the County's airports while safeguarding the public's interest. The Minimum Standards provide a framework that strengthens the relationship between the Sponsor and the Fixed Base Operator (FBO). They offer information, advice and, where necessary, they provide strict regulation so that both the prospective and experienced FBO may have a firmer understanding of the many considerations which contribute to a safe, successful, and useful operation. The standards are intended to be the minimum requirements for those wanting to provide aeronautical services to the public at Riverside County airports. Operators are encouraged to exceed the minimum requirements.

FBOs are responsible for complying with the Minimum Standards and shall be familiar with revisions made to the Standards. All FBOs on the airports must comply with the standards herein as well as all applicable government regulations; however, leases executed prior to August 16, 1988, are exempt until lease renegotiations. The County's airports are subject to federal, state, and local rules and regulations. The County has adopted local rules and regulations to implement Federal Aviation Administration (FAA) requirements and to provide for safe and orderly operation on the airports. Local rules and regulations governing airport activities include, but are not limited to, applicable portions of the following:

### III. AIRPORT RULES AND REGULATIONS

#### A. Lease

All revenue generating, commercial and/or business activities, at County operated airports are required to secure a lease approved by the County Board of Supervisors (the "Board") prior to commencement of any commercial activity.

Prospective lessees should begin the process by requesting a meeting with County staff. The purpose of the initial meeting is to introduce staff, show the available sites, and answer any questions. At the conclusion of this meeting the prospective lessee will be asked to submit a Lease Application and proposal.

Upon receipt of a lease application and proposal, County staff will review the proposal and will provide a written response. Once an agreement has been reached on the deal points and development proposal, a lease will be developed for execution by the lessee. The lease shall be executed in three counterparts and all three copies shall be returned to the County. The County will then schedule the lease for consideration at the next available Board of Supervisors' meeting. ***Please be advised that the County Board of Supervisors is the only entity that can provide a binding lease commitment and development may not proceed until the Board has approved the lease.***

Exclusive rights for any aeronautical activity will not be issued at any County airport. This is to ensure that airport patrons are offered competitive market prices for services.

#### B. Airport Layout

All new leases and new airport development shall comply with the current FAA approved Airport Layout Plan (ALP) for each airport. In addition, Desert Resorts Regional, French Valley, and Hemet Ryan airports have adopted Airport Master Plans and all new development shall comply with those master plans. Lessee proposals that conflict with ALPs and Master Plans will not be approved.

#### C. Signs

All signs (commercial, traffic, services, advertising, etc.) must receive written approval from the EDA Executive Director or Designee prior to their placement. The request for approval should include the size, location, and design of sign. All outdoor advertising shall comply with County Ordinance No. 348 and applicable federal and state laws. FAA Form 7460-1, *Building Design*,

*Construction, and/or Alteration*, must be submitted to the FAA Western Pacific Region for review and determination, with a copy of the form sent to the EDA Executive Director.

**D. Building Design, Construction, and/or Alterations**

All design, construction, and/or alterations shall be in compliance with Airport Design Guidelines. The County reserves the right to review and approve all architectural design of all construction or alterations to be performed on County operated airports.

The County reserves the right to review and approve the construction methods of all development at the County operated airports. All buildings shall comply with local codes and regulations as to their construction. FAA Form 7460-1, *Building Design, Construction, and/or Alteration*, must be submitted to the FAA for their review and assessment with a copy of the form submitted to the EDA Executive Director.

The County reserves the right to require a Performance Bond or Letter of Credit prior to the construction of any facility for the return of funds expended by the County in the event that the applicant defaults on any obligations.

**E. Inspections**

The County reserves the right to make periodic inspections of the leased premises during reasonable hours to ensure lease compliance and Lessee's adherence with all applicable regulations. Inspections, under this provision, may be conducted by County staff, County contractors, the FAA, and/or the State of California.

A minimum of one (1) aircraft, properly certified, is required for a flying club. Flight instruction shall only be offered to club members. The instructor must be a club member or an instructor who is a lessee on the airport for the purpose of flight instruction.

**G. Waiver from Minimum Standards**

Any tenant or prospective tenant wishing to waive any minimum standard set forth in the approved Minimum Standards must submit a letter to the EDA Executive Director expressing their hardship to conform with the Minimum Standards. The EDA Executive Director has the discretion of approving or disapproving the waiver as it would apply to the future viability of the airport, subject to applicable provisions which may be contained in the tenant's lease approved by the Board. Waivers may be granted on a temporary basis, and may be withdrawn or terminated at the Director's discretion.

The FBO shall obtain and maintain insurance (See Appendix A), which contains an endorsement that the "County of Riverside, including its elected officials, officers, employees, and agents" are named as additional insured. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California unless such requirement is waived, in writing, by the EDA Executive Director and/or the County Risk Manager. If any policy contains a general aggregate limit, it shall apply separately to the Agreement with the County or be less than two (2) times the occurrence limit. All insurance policies are subject to review by the County's Department of Risk Management. The EDA Executive Director, upon the advice of the County Risk Manager, reserves the right to increase the limits, or require additional insurance coverage, beyond those set forth in these Minimum Standards, subject to applicable provisions of the tenant's lease.

## **J. Lot Size**

Lot sizes may vary according to the type of operation. If available, aircraft tie-downs and hangar space, as well as automobile parking spaces, may be leased from the County to meet these minimum standards. The number of aircraft, hangar, or automobile parking spaces shall be determined during lease negotiations.

## **K. Outdoor Storage**

No outside storage will be permitted except behind enclosed block walls, screened from public view, or as approved by the EDA Executive Director.

#### **L. Maintenance**

Lessee shall be responsible for the adequate maintenance of leased property and in compliance with all applicable Federal, State, and Local health and safety regulations.

#### **IV. SCOPE OF SERVICES**

Each aeronautical activity has a separate scope of services. The services required of a Full-Service FBO include the Minimum Standards for all combinations of aeronautical activities. ## STORM WATER POLLUTION PREVENTION PLAN INTRODUCTION AND PURPOSE

The California airport group members have submitted their Notices of Intent (NOI) and are now in the compliance phase of the California General Permit. The General Permit requires airport discharges to: eliminate non-storm water discharges; develop and implement a storm water pollution prevention plan; and perform monitoring of discharges to the storm water drainage system.

The required Storm Water Pollution Prevention Plan (SWPPP) must emphasize the storm water Best Management Practices (BMPs) and be designed to comply with Best Available Technology Economically Achievable (BAT) and Best Conventional Pollutant Control Technology (BCT). The SWPPP has two major objectives: 1) to identify the source of pollutants that affect the quality of the industrial storm water discharge; and 2) to describe practices which may be implemented to reduce the pollutants in the industrial storm water discharge.

The SWPPP is to be certified and implemented by October 1, 1992. Although the SWPPP is not submitted to the Regional Board, it must be retained on file at the airport for the duration of the permit. The SWPPP must be available for Regional Board and public review. The Regional Board may notify airport representatives if the SWPPP does not meet the minimal requirements. Within 30 days of the notice, the airport must submit a time schedule in which the required changes will be made. Once the changes have been made, the airport will provide written certification to verify the completed change. The documentation should then be retained as part of the SWPPP.

The airport is responsible for amending the SWPPP whenever there is a change in construction, operation, or maintenance, which will affect the quality or quantity of the industrial storm water discharge. The SWPPP should also be amended if the objective of controlling pollutants in the storm water discharge as not being achieved.

- Site map
- Topographic map
- Description of significant material handling
- List of pollutants with potential to be present
- Size of airport and percentage of impervious areas
- Spill history
- Summary of existing sampling data

### **Topographic Map**

## Description of Significant Material Handling

### Significant Materials Treated or Stored

#### Significant Materials Stored:

1) Jet-A and Avgas stored in underground and above ground tanks.

---

2) Used motor oil

---

3) Site clean up completed in Feb. 1998

---

#### Airport Industrial Storm Water Treatment Facilities:

1) No facilities are now on the airport.

---

**Materials Management Practices:**

1) All hazardous material spills must be reported to the airport manager, County Health and County Fire to insure immediate and proper cleanup and disposal. Liquid absorbent material is stored on site.

2) Areas where materials are stored and or have the possibility to spill are inspected monthly, with spot inspections during daily airport inspections

3) Insure material handlers have proper licenses and or training for each product being used.

**Equipment Management Practices:**

1) All equipment inspected monthly.

2) Routine maintenance to repair leaks and preventive maintenance scheduled to prevent leaks.

3) Drip pans installed under areas where leaks may occur.

**Vehicle Management Practices:**

1) Scheduled preventative maintenance.

2) Cleaning vehicles with biodegradable solvents and soaps, in designated areas only.

3) Routine daily inspections of vehicles.

**Material Loading, Unloading, and Access Areas:**

1) Insure all personnel are trained and or have proper license.

2) Motor vehicle oils are stored inside buildings.

3) All pesticides and fertilizers are stored in building or on covered concrete slabs.

**Activities that Generate Significant Quantities of Dust or Particulates (unpaved access roads or emissions from industrial processes):**

1) All main access roads and parking lots are paved. Some airport maintenance roads are dirt but rarely used.

2) There are no significant industrial processes on the airport.

3) Dirt roads are restricted to airport personnel only.

**Pollutant Lists**

The airport is required to list any pollutants that have a reasonable potential to be present in the storm water discharge in significant quantities. The definition of significant quantities varies depending on the material. In general, a significant quantity of material larger than that consumed within a normal day's operations or a quantity resulting in spills beyond the immediate clean-up capabilities of the individual charged with the use of the materials. For regulated substances, a significant quantity is a "reportable" quantity of those substances. An estimate of the annual quantities of these pollutants in the discharge is also required. List substances and quantities in the following table (Table 3-1) and retain a copy in the SWPPP documentation.

## STORM WATER MANAGEMENT CONTROLS

This section of the SWPP describes storm water management controls, which are appropriate for the identified potential pollutant sources at the facility

The regulations require the following descriptions and information to be included in the storm water management control portion of the SWPPP:

- Prevention Maintenance and Inspections
- Good Housekeeping
- Spill Prevention and Response
- Storm Water Management Practices
- Sediment and Erosion Prevention
- Employee training

### Preventative Maintenance

The preventative maintenance program should include the following:

- Identification of the equipment and systems targeted for the PM program
- Periodic inspections of identified equipment and systems
- Appropriate adjustments, repair, or replacement of parts
- Record keeping documenting inspections and follow-up action

Documentation and retention of records is a critical element of a good preventative maintenance and inspection program. A tracking and follow-up procedure is recommended to ensure that an appropriate response to the inspection findings has been made. All inspection documentation and records must be maintained with the SWPPP for a period of 5 years, Table 4-1 should be used to record inspection and maintenance activities, and any corrective actions implemented.

### Good Housekeeping

Written Protocol

The protocols should be developed to meet the site-specific requirements of the airport.

The protocols should cover:

- 1) Daily inspections of tie down areas to look for leaks and spills.
- 2) Notices sent to F.B.O.s and aircraft owners to correct any problems.
- 3) Vehicle and equipment washing to be done in designated areas only.
- 4) No hangars, equipment storage or maintenance facilities are allowed to be hosed out. All oil and fuel will be cleaned by using oil absorbent materials or biodegradable solvents or soaps, then disposed of properly.

- 5) Drip pans and 100 pounds of absorbent material stored at each F.B.O. site near fuel storage and maintenance areas.
- 6) Drums and tanks containing used oil are to store in a covered area with retention.
- 7) The County and each co-Permittees will train all personnel on the proper handling of hazardous materials. List of agency's to notify if a spill occurs.
- 8) The designated airport representative will inspect the airport monthly to include co-Permittees areas to insure compliance with the S.W.P.P.P.
- 9) All unpaved roads restricted to necessary traffic.
- 10) All vehicle fueling to take place on paved areas to simplify clean up if a spill occurs. Also keeps cost down.

**A protocol document should be included with the SWPPP document; Table 4-3 can be used for this purpose. Spill Prevention and Response**

Table 4-4 will be used to record the spill control and countermeasures established by the airport. Please add any additional documentation relating to spill prevention countermeasures and control to this document.

## NON-STORM WATER DISCHARGES

The California General Permit requires non-storm water discharges to be eliminated prior to the implementation of the SWPPP on October 1, 1992. The airports must certify that there are no non-storm water discharges present in the storm water drainage system. All airports in the group must certify and monitor outfalls for dry weather discharges.

The certification page, for non-storm water certification, is provided in the "Non-Storm Water Discharge Screening and Detection Manual." This page should be signed and a copy inserted into the SWPPP documentation. All forms filled out while surveying and evaluating outfalls should also be inserted into this section of the SWPPP document. A record of methods used, dates, and time conducted should be listed on the form.

For methods of detection and screening for non-storm water discharges, the SWPPP Committee should refer to the above referenced document for complete guidance.

If certification is not feasible, due to the inability to eliminate the non-storm water discharge because of the need for significant structural changes, the airport must notify the Regional Board prior to the October 1, 1992 deadline. This notification should include a summary of why the extension in eliminating non-storm water discharges is required and a schedule indicating when non-storm water discharges will be eliminated. The schedule is subjected to modification by the regional board. This is also required if the airport has applied for an NPDES permit for a non-storm water discharge and has not yet received approval. If the airport is unable to eliminate the non-storm water discharge, then a schedule for elimination of the discharge must be submitted to the Regional Board for approval. In no case will the Board allow for the elimination of non-storm water discharges to take longer than 3 years from the date of the NOI submittal.

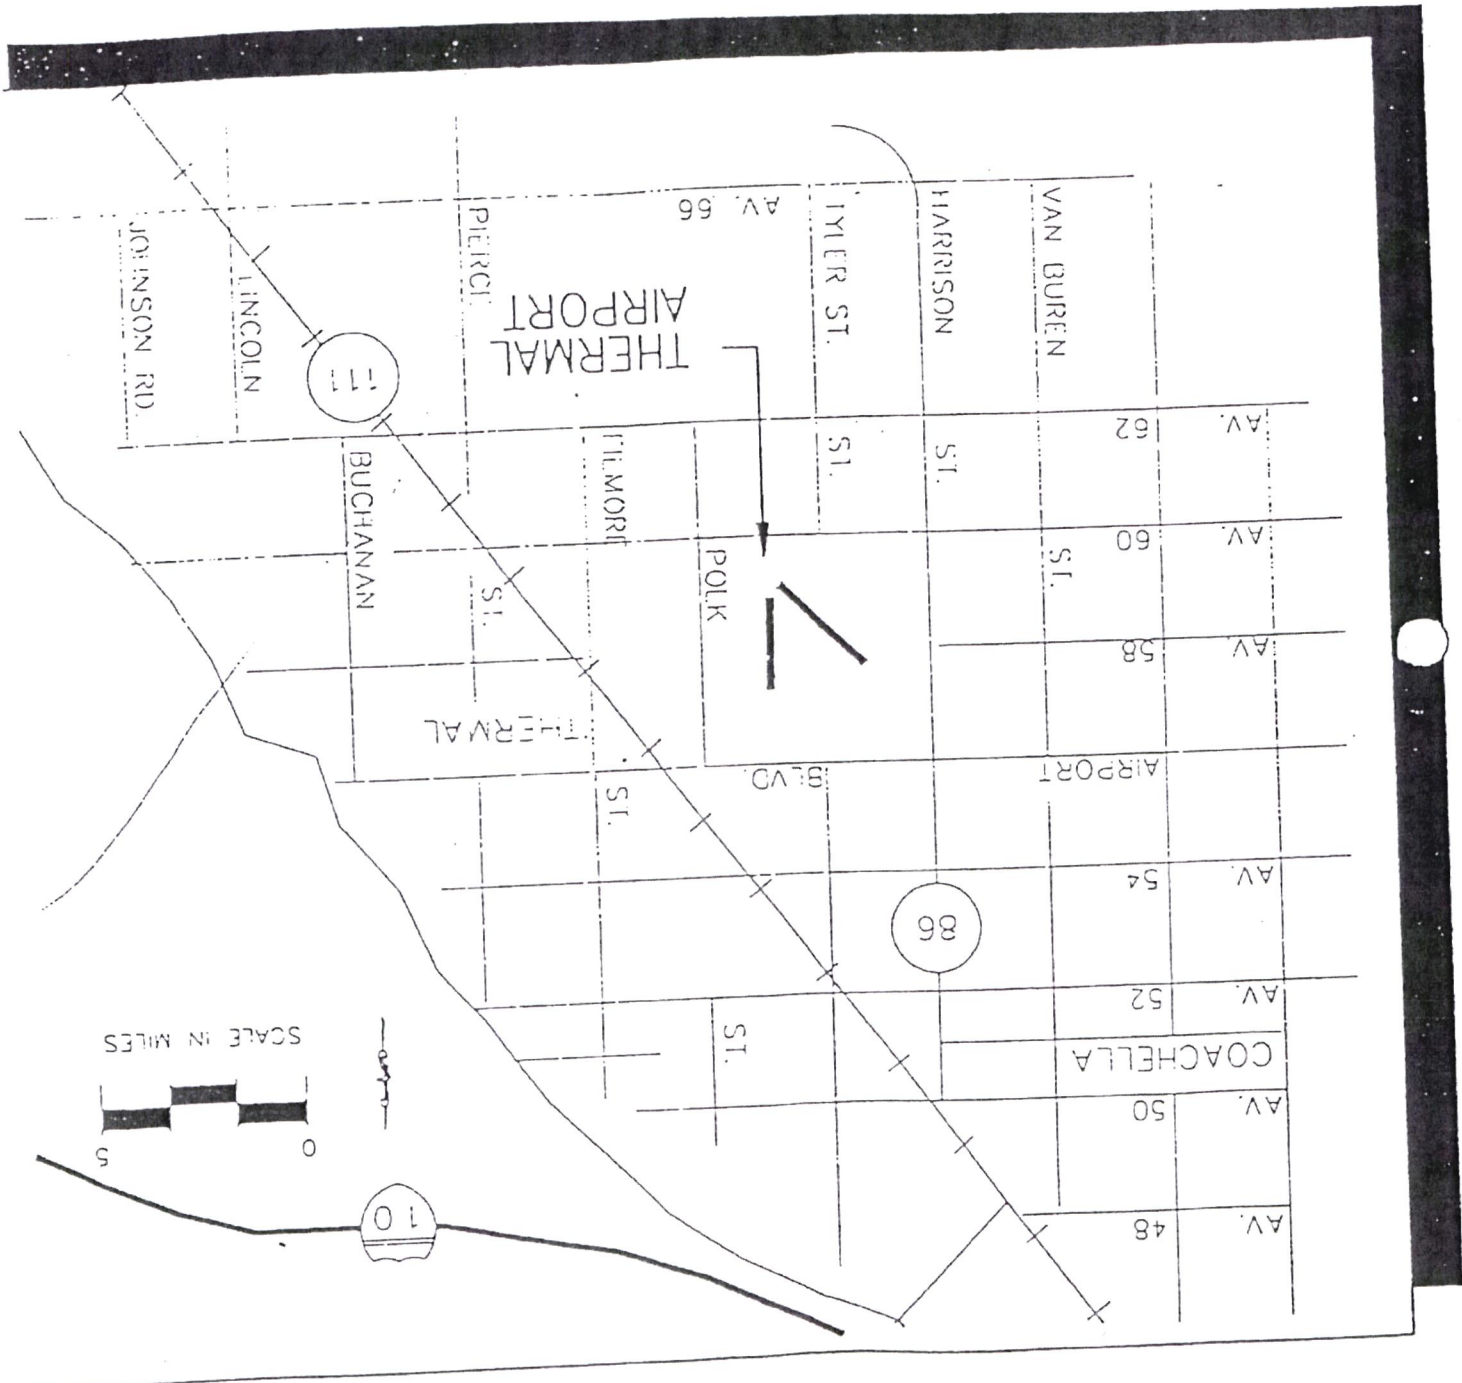

## COMPLIANCE

Said aviation fair market value shall be for the Land only and shall not include the value of the Improvements or other structures placed on the Leased Premises by Lessee. In no event will application of this paragraph result in a monthly Base Rent amount for the Land which is lower than the highest previous monthly Base Rent for the Land.

The aviation fair market value for the Land will be established by a property appraisal performed by an independent appraiser, knowledgeable and experienced in the valuation of aviation property within the southern California Counties of Riverside, San Bernardino, San Diego and Los Angeles. In the event a majority of Lessees participating in the selection process are unable to form a committee, comment on the Draft RFQP, select the designated number of appraisers or give the County written notice thereof within two hundred ten (210) days prior to the rent adjustment date, then County will select all of the appraisers to which the RFQP is sent. No less than one hundred and eighty (180) days prior to the rent

adjustment date, County will give reasonable consideration to the comments received from the Lessee's Committee and shall issue a Final RFQP to a minimum of five (5) appraisers meeting the foregoing qualifications. Upon receipt of the responses to the RFQP, the County shall offer the responses to the Lessee's Committee for viewing and comment for a period of fourteen (14) days, and after reasonable consideration of the comments made, County shall select the appraiser pursuant to the County's established guidelines. The cost of the appraisal and related processes shall be borne by the County. The cost, if any, of forming and operating the Lessee's Committee shall be borne by the Lessee Committee members.

Once established, the adjusted monthly Base Rent for the Land shall be adjusted annually in the manner set forth in Paragraph 5 (d) below."

5. Subparagraph 5 (e), page 3, is hereby deleted in its entirety and replaced with the following subparagraph:

"(e) Beginning July 1, 2016 and at each July 1<sup>st</sup> thereafter, except for dates coinciding with the appraisals conducted every fifth year as referenced in paragraph 5(d) above, the Base Rent shall be adjusted by the percentage change, in the Consumer Price Index, All Urban Consumers, Los Angeles-Riverside-Orange County Area for the twelve month period ending three months before the month of rent adjustment under this paragraph. ## RESOLUTION NO. 2008-362

### ESTABLISHING FUEL FLOWAGE FEES AND REQUIREMENTS FOR FUEL SELLERS AT COUNTY OWNED AIRPORTS

WHEREAS, the County has previously set fuel flowage fees for fuel sellers and self-fuelers (who are also lessees or sub-lessees on the airport who meet certain minimum requirements), at County owned airports as a percentage of the net delivered price, the current fee having been established at five percent (5%) of the total net price paid by Lessee for all aviation and automotive fuel and lubricants received on the Leased Premises by Lessee. The "total net price" shall mean the net price per unit of such fuel and lubricants, excluding taxes imposed thereon by any governmental agency. Said fuel flowage fees are due and payable within thirty (30) days of delivery. In some cases, these fuel flowage fees are subject to a late fee of ten percent of the delinquent amount.

WHEREAS, as a result of the current surge in fuel prices and the resultant negative economic impact on airport operations, as well as discussions with County Airport Lessees and fuel sellers, and a review of fuel flowage fees charged by other southern California airport operators, the County desires to change the method of calculating fuel flowage fees from a percentage basis to a fixed price per gallon basis, effective July 1, 2008.

WHEREAS, the new fuel flowage fee will continue to provide the County with reasonable revenue to support the maintenance and operation of the County airports, while providing relief to the airport Lessee/fuel seller.

WHEREAS, the adoption of the new fuel flowage fee calculation will require that the current leases and/or sub-leases for fuel sellers be amended to reflect the new fee at a subsequent date.

NOW, THEREFORE, BE IT RESOLVED that the fuel flowage fee at County owned airports shall be calculated as follows:

1. The fuel flowage fee will be assessed at the rate of \$0.12 per gallon of fuel sold effective July 1, 2008. Payments shall be due within thirty (30) days of the County's invoice. A timely payment discount of \$0.02 per gallon shall be applied to payments

received within twenty (20) days of the date of the invoice. A late fee of ten percent (10%) shall be assessed to all payments received after the due date (30 days of invoice).

2. Lessee/fuel seller's fuel systems must comply with the County Airport requirements and specifications. The systems must have a meter according to the County's specifications, which allow the County to monitor and record fuel sales on a monthly basis. Lessee/fuel seller shall, at its own expense, be responsible for obtaining and installing the meter. The meter or metering device must be certified on an annual basis by the Riverside County Agricultural Department, Weights and Measures Division, or other service designated by the County. Such annual certification shall be at the expense of lessee.

3. The County shall take readings from the meters of all fuel systems during the first week of each month. The County shall issue an invoice to Lessee based upon the number of gallons of fuel sold during the previous monthly period. The County reserves the right to audit records of Lessee's fuel sales and receipts. Lessee shall make all such records available for inspection upon three (5) days notice from County to Lessee.

4. Lessees shall have the option to continue to pay fuel flowage fees at the former rate of 5% per gallon for the duration of the current lease or sublease.

5. Fuel sellers, prior to being subject to the new fuel flowage fee calculation, shall be required to enter into amendments of their current leases and/or subleases to reflect the provisions of this resolution.

6. Lessees must at all times comply with applicable local, state and federal laws and regulations, including applicable airport regulations established pursuant to Riverside County Ordinance No. 576.2.

7. The County reserves the right to review this Resolution from time to time, and by Resolution, make any and all such revisions as it deems necessary and appropriate.

B. WHEREAS, the County and Lessee now desire to modify the Lease in accordance with the terms and provisions of this Amendment.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree that the Lease shall be modified as follows:

2. Section 5 (c), page 3, is hereby deleted, and replaced with the following:

(c) Fuel Flowage Fee: Sublessee shall pay to County a fuel flowage fee in an amount established by the Board of Supervisors for the County of Riverside (the "Board") through a County Resolution, a County Ordinance or such other action as the Board may decide from time to time. The fuel flowage fee, the calculation of the fuel flowage fee, the time of payment and the method used to collect and report the amount of fuel transacted by Sublessee shall be subject to periodic review and adjustment by the Board of Supervisors to reflect conditions then existing and the financial needs of the County's airports system. The County may implement any such adjustments in the fuel flowage fee at any time. Such new or adjusted fuel flowage fees shall be effective upon adoption by the County Board of Supervisors. Implementation of the new or adjusted fuel flowage fees shall not be pre-conditioned upon amendment of any existing Lease. As of the date of this Lease Amendment fuel

flowage fees have been established according to County Resolution No. 2008-362, attached hereto as Exhibit "A" and incorporated by this reference herein. The current fuel flowage fee (which was effective as of July 1, 2008) is assessed at the rate of \$0.12 per gallon of fuel sold. All other terms and conditions of the Lease shall remain unchanged.
