BACKGROUND:

Summary

The Single Audit Act of 1984 as amended in 1996 requires the County of Riverside to have an independent audit of the awards received by the Federal Government to determine whether it complied with the requirements described in the U.S. Office of Management and Budget (OMB) Circular 133 *Compliance Supplement*. Specifically, federal awards that could have a direct and material effect on each of the County of Riverside's major federal programs for the year ended June 30, 2021.

The independent audit firm contracted to perform the single audit has expressed an opinion for each of the County of Riverside's major federal programs. The opinions and related findings are expressed in the body of the attached audit report.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Supervisors
County of Riverside, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County of Riverside, California (the County), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements and have issued our report thereon dated December 3, 2021.

Other auditors audited the financial statements of the Riverside County Flood Control and Water Conservation District, the Housing Authority of the County of Riverside, Riverside County Regional Park and Open-Space District, Perris Valley Cemetery District, Riverside County Redevelopment Successor Agency, and the Children and Families Commission of Riverside County, as described in our report on the County's financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the County's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, we do not express an opinion on the effectiveness of the County's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the County's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Board of Supervisors
County of Riverside, California

Report on Compliance for Each Major Federal Program

We have audited the County of Riverside's (the County) compliance with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Compliance Supplement* that could have a direct and material effect on each of the County's major federal programs for the year ended June 30, 2021. The County's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

The County's basic financial statements include the operations of the Housing Authority of the County of Riverside (Housing Authority), a component unit of the County that received \$95,090,606 in federal awards, which is not included in the Schedule of Expenditures and Federal Awards during the year ended June 30, 2021. Our audit, described below, did not include the operations of the Housing Authority because the component unit engaged other auditors to perform an audit in accordance with Uniform Guidance.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the County's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the County's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the County's compliance.

Opinion on Each Major Federal Program

In our opinion, the County complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the County is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the County's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the County's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance and Supplemental Schedules

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the County, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the County's basic financial statements. We issued our report thereon dated December 3, 2021, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. We did not audit the financial statements of the Riverside County Flood Control and Water Conservation District (Flood Control District), the Housing Authority of the County of Riverside (Housing Authority), Riverside County Regional Park and Open-Space District (Park District), Perris Valley Cemetery District (the Cemetery District), Riverside County Redevelopment Successor Agency (Successor Agency), and the Children and Families Commission of Riverside County (the Commission) for the year ended June 30, 2021. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinions, insofar as it relates to the amounts included for the Flood Control District, Housing Authority, Park District, Cemetery District, Successor Agency, and the Commission are based on the reports of the other auditors.

The accompanying Schedule of Expenditures of Federal Awards, Supplemental Schedule of California Office of Emergency Services (CalOES) Grants, and Supplemental Programs Schedule for Office on Aging State Department of Aging Grants are presented for purposes of additional analysis as required by the Uniform Guidance and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Expenditures of Federal Awards, Supplemental Schedule of California Office of Emergency Services (CalOES) Grants, and Supplemental Programs Schedule for Office on Aging State Department of Aging Grants are fairly stated in all material respects in relation to the basic financial statements as a whole.

**COUNTY OF RIVERSIDE, CALIFORNIA
NOTE TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED JUNE 30, 2021**

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. General

The accompanying Schedule of Expenditures of Federal Awards presents the activity of all Federal award programs of the County of Riverside, California (the County), except for the Federal awards granted to the Housing Authority of the County of Riverside, which is separately audited and reported on in accordance with the U.S. Office of Management and Budget (OMB) Uniform Guidance. Federal awards received directly from Federal agencies, as well as Federal awards passed through nonfederal agencies, primarily the State of California, except as noted above, are included on the schedule. The County's reporting entity is defined in Note 1 to the County's basic financial statements.

B. Basis of Accounting

The accompanying Schedule of Expenditures of Federal Awards is presented using the modified accrual basis of accounting for program expenditures accounted for in the governmental funds and the accrual basis of accounting for program expenditures accounted for in the proprietary funds as described in Note 1 to the County's basic financial statements.

C. Relationship to Basic Financial Statements

Federal award expenditures agree, or can be reconciled with, the amounts reported in the County's basic financial statements.

D. Relationship to Federal Financial Reports

Amounts reported in the Schedule of Expenditures of Federal Awards are in material agreement with the amounts reported in the related Federal financial reports for the Federal award programs.

E. Indirect Cost Rate

The County has elected not to use the 10 percent de minimus indirect cost rate allowed under the Uniform Guidance.

F. Loans Outstanding

The following programs had federally-funded loans outstanding at June 30, 2021 and 2020:

Assistance Listing No.	Program Title	Amount Outstanding				June 30, 2021
		July 1, 2020	New Loans	Loan Payments	Forgiven

COUNTY OF RIVERSIDE, CALIFORNIA
SCHEDULE OF PRIOR YEAR AUDIT FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED JUNE 30, 2021

I. FINANCIAL STATEMENT FINDINGS

None noted.

II. FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Finding 2020-001 – Coronavirus Relief Fund Expenditures

Program: COVID-19 Coronavirus Relief Fund (CRF)
CFDA No.: 21.019
Federal Agency: U.S. Department of the Treasury (Treasury)
Passed Through: N/A – Direct Program
Award Year: Fiscal Year 2019-2020
Compliance Requirement: Activities Allowed or Unallowed
Questioned Costs: \$1,537,689

Criteria

Activities Allowed or Unallowed:

The CARES Act provides that payments from the CRF may only be used to cover costs that:

1. Are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
2. Were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government; and
3. Were incurred during the period that begins on March 1, 2020, and ends on December 31, 2021.

Additionally, the Department of Treasury re-published in final form the guidance it previously made available regarding the CRF through the issuance of a Federal Register issued on January 21, 2021. The Federal Register *Coronavirus Relief Fund: Guidance for State Territorial, Local, and Tribe Government* states that recipients may not apply their indirect cost rates to payments received from the CRF.

Condition

During our testing of activities allowed or unallowed, we noted the Riverside County Public Health Department and the Riverside County California Children Services utilized a 25% indirect rate on two claims submitted by June 30, 2020, resulting in \$1,537,689 of unallowable costs per the *Coronavirus Relief Fund: Guidance for State Territorial, Local, and Tribe Government*.

Cause of Condition

At the time of submission of the two claims, both departments utilized an approved Indirect Cost Rate of 25% approved by the California Department of Public Health. The *Coronavirus Relief Fund: Guidance for State Territorial, Local, and Tribe Government* then provided clearer guidance that these costs are unallowable several months after the claims were submitted.

Effect of Condition

The County has replaced the ineligible indirect labor expenses with eligible replacement expenses. The County also contacted the State DOF and they are allowing recipients of findings to make final adjustments to the quarterly / final report (cycle 6) which will reflect this adjustment.

Recommendation

The County made adjustments to replace the indirect costs with eligible costs. No additional actions are required.

Management's Response

See Corrective Action Form.
