

**SUBMITTAL TO THE FLOOD CONTROL AND
WATER CONSERVATION DISTRICT
BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

ITEM: 11.5
(ID # 21633)

MEETING DATE:
Tuesday, April 18, 2023

FROM : FLOOD CONTROL DISTRICT:

SUBJECT: FLOOD CONTROL DISTRICT: Review and Determine There is a Need to Continue the Winter 2023 Storms Emergency Actions; Receive and File the Report of the Winter 2023 Storms Emergency Actions; CEQA Exempt, Districts 3, 4, and 5. [\$11,293 Total Cost - District Funds 100%] (4/5 vote required)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find that the Winter 2023 Storms Emergency Actions ("Emergency Actions") are exempt from the California Environmental Quality Act ("CEQA") pursuant to CEQA Guidelines Section 15301, Existing Facilities, and Section 15269(b)(c), Emergency Projects;
2. Review and determine there is a need to continue the Emergency Actions;
3. Receive and file the report of the Emergency Actions taken without solicitation of bids, as authorized by California Public Contract Code Section 22050 and Resolution No. F94-39; and
4. Authorize the use of Riverside County Flood Control and Water Conservation District ("District") funds in the amount of \$11,293 for the Emergency Actions.

ACTION: 4/5 Vote Required, Policy

Jason Uhley, GENERAL MGR-CHF FLD CNTRL ENG

4/5/2023

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Washington seconded by Supervisor Spiegel and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Spiegel, Washington, Perez and Gutierrez
Nays: None
Absent: None
Date: April 18, 2023
xc: Flood

Kimberly A. Rector
Clerk of the Board

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

In the event of an emergency, California Public Contract Code Section 22050 and the District's Resolution No. F94-39, adopted by the District's Board of Supervisors ("Board") on November 22, 1994 (Agenda Item No. 9.4), delegates to the District's General Manager-Chief Engineer the authority to repair or replace a public facility, take any directly related and immediate action required by that emergency, and procure the necessary equipment, services and supplies for those purposes without giving notice for bids to get contracts.

This item requires a 4/5th vote of the Board pursuant to California Public Contracts Code § 22050(c)(1). The statute applies to contracts that are awarded without bids in the case of an emergency and requires the Board to review the emergency action every fourteen days and determine, by a 4/5th vote that there is a need to continue the action.

Following a series of recent winter storms ("Winter Storms"), the District has identified facilities throughout Riverside County that have been damaged and that require immediate restoration and protection measures to prevent or reduce significant damage to the surrounding properties and communities. Left unrepaired, these facilities could result in a critical threat to life and property when rain occurs. With subsequent storms forecasted, the District's General Manager-Chief Engineer found that the emergency would not permit a delay in the implementation of the Emergency Project resulting from a competitive solicitation for bids in accordance with California Contract Code Section 22050 and the District's Resolution No. F94-39.

To help with the District's emergency efforts, the District has taken the following Emergency Action(s):

- Initiated contact with contractors to help implement the emergency restoration and protection measures needed for the impacted facilities. These facilities include, but are not limited to, San Jacinto River Interim Levee, Murrieta Creek Channel and Palm Canyon Wash (above Bogert Trail); and
- Procured concrete and concrete pumping services for emergency restoration measures for Homeland MDP – Briggs Road Detention Basin.

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

Concrete and concrete pumping services were procured from Robertsons Ready Mix, Inc. on an emergency basis to fill large voids that had formed under the concrete access ramp for the Homeland MDP – Briggs Road Detention Basin.

Total costs associated with these Emergency Actions are \$11,293. In this action, the District is requesting Board approval for authorization to use District funds for these necessary costs. It is requested that the District's Board of Supervisors review and determine that emergency conditions continue along with the emergency measures.

Prev. Agn. Ref.: 9.4 of 11/22/94

Environmental Findings

Based on the review of the proposed Emergency Actions, the District finds that the work is exempt pursuant to Section 15301 for "Existing Facilities" and Section 15269(b) and (c) for "Emergency Projects" of the CEQA Guidelines. The emergency protection work is associated with existing flood control facilities and does not include expansion of the facilities. The proposed emergency work meets the conditions described in Section 15269(a), (b) and (c) for specific actions necessary to prevent or mitigate an emergency and to maintain essential flood control services.

Impact on Residents and Businesses

The impacted facilities have left the adjacent properties, residents and communities vulnerable to damage from flooding and/or erosion during future storms, which could result in a critical threat to life and property. In the event of a storm, the surrounding areas may be negatively impacted if these emergency measures are not taken to restore and protect the facilities.

SUPPLEMENTAL:

Additional Fiscal Information

A summary of the Emergency Actions and costs are listed below:

<u>Contractor/Vendor Name</u>	<u>Emergency Action Description</u>	<u>Estimated Costs</u>
Robertsons Ready Mix, Inc. and McDe's Rock Pumps, Inc.	Purchase concrete and concrete pumping services	Concrete: \$9,668 Pumping: \$1,625
TOTAL		\$11,293

The District budgets for flood emergencies and/or unexpected contingencies to minimize risks to life and property. Sufficient funds are available in the District's Zone 4 budget for FY 2022-2023.
