Prev. Agn. Ref.: 05/17/2022; #3.28

**BACKGROUND:**

**Summary**

The Sheriff's Department at Cois M. Byrd Detention Center (CBDC) has operated the RIDE program since 2015 to provide taxi transportation to released inmates in need of transportation to their residence after local public transportation hours. Since its inception, the RIDE program has been successful in keeping released inmates out of local communities surrounding CBDC to prevent loitering and criminal activity. On May 17, 2022, Minute Order 3.28, the Board of Supervisors voted to expand the RIDE Program services to include the Robert Presley Detention Center (RPDC), Larry D. Smith Correctional Facility (SCF), John J. Benoit Detention Center (JBDC), and Blythe Jail. In Fiscal Year 2021/22, the four facilities collectively released more than 33,000 inmates with some of the releases unable to arrange for transportation that occurred after normal operating hours of the local bus lines.

**Impact on Residents and Businesses**

The County jail facilities are all within walking distance to several housing communities and business centers and constituents living near the areas will benefit knowing that the transportation effort is in place and the County's continuing effort to provide released inmates with a ride home. The RIDE program provides the Sheriff the ability to pay for the cost of transporting released inmates out of the local community and to their residence resulting in preventing loitering and criminal activity in the local community.

**Contract History and Price Reasonableness**

In response to the approval of the RIDE program expansion, County Purchasing on behalf of Sheriff's Department, conducted the Request for Quotation (RFQ) # SHARC 587 for taxi services for released inmates. On August 25, 2022, the bid was advertised on the County's RivcoPro eProcurement System, and it was sent to twelve (12) potential bidders, seven (7) invitations unaccepted, three (3) of them downloaded the bid, two (2) vendors submitted their pricing, but one (1) withdrew. The bid asked vendors to provide pricing for radial distance and fixed rate per mileage for payment options when issuing taxi vouchers. The proposal was reviewed by the evaluation team consisting of Sheriff Personnel. The bid response was

STATE OF CALIFORNIA**

evaluated using the criteria set forth in the RFQ. Based on the vendor response, and the need to ensure adequate service levels, Finish Line Taxi LLC was the selected vendor. Finish Line Taxi LLC was the sole bidder meeting the requirements for the payment options, and the scope of service requirements for taxi services for all five jail facilities.
