**BACKGROUND:**

**Summary**

The State Legislature enacted the Mello-Roos Act of 1982, to assist public agencies in financing certain capital improvements, public services, and maintenance activities. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFDs).

BRPLD, LLC, is the Owner of Tract 37439 and has petitioned the Riverside County Office of Economic Development to assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 23-3M (Canterwood) will encompass the entire Tract Map No. 37439, which is projected to include 446 single family dwelling units.

As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (ii) Traffic signal maintenance including energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iii) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

The special tax is levied according to a Rate and Method of Apportionment (RMA) which is developed with respect to the specific features of the residential development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map.

On March 28, 2023 (Agenda Item 3.20), the County of Riverside Board of Supervisors approved Resolution No. 2023-087, a Resolution of Intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the owner.

On May 2, 2023 (Agenda Item 19.3), the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2023-119, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On May 9, 2023 (Agenda Item 3.21), the Board of Supervisors adopted Resolution No. 2023-120 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 980 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. By today's action, the Board will formally adopt the special tax ordinance and levy the special tax.

Ordinance No. 980 was reviewed and determined to be not a project under CEQA pursuant to State CEQA Guidelines Section 15378, which states "The creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment." The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those existing public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents as part of Tract 37439. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 37439.

Ordinance No. 980 is also exempt from CEQA pursuant to State CEQA Guidelines section 15061(b)(3) (common sense exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,  
STATE OF CALIFORNIA**

activity is not subject to CEQA". The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 37439. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents as part of Tract 37439.

County Counsel has approved the ordinance as to form.

**Impact on Residents and Businesses**

The voters within the CFD have voted to authorize the special tax levied by Riverside County Ordinance No. 980 on real property within the CFD to provide funds for authorized maintenance and service activities. The property owners within the CFD will be favorably impacted by the levy of the special tax and the associated maintenance and services that it funds.

### NOTICE OF EXEMPTION

May 8, 2023

**Project Name:** Office of Economic Development, Community Facilities District (CFD) No. 23-3M (Canterwood) of the County of Riverside; Adoption of Ordinance No. 980, an Ordinance of the County of Riverside Authorizing the Levy of a Special Tax Within the Canterwood CFD

**Project Number:** FM08991012888- ED99123003

**Project Location:** Community Facilities District No. 23-3M (Canterwood) of the County of Riverside

**Description of Project:** On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD). As approved by voters, a special tax is to be levied on each individual parcel located within the boundary of the CFD to fund the costs associated with (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (ii) Traffic signal maintenance including energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iii) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials. The special tax is levied according to a Rate and Method of Apportionment (RMA) which is developed with respect to the specific features of the residential development within the District and which is approved by the eligible voters and later adopted by ordinance. The special tax levy is annually placed on the tax roll for each Assessor Parcel Number noted in the CFD Boundary Map.

BRPLD, LLC, is the Owner of Tract 37439 and has petitioned the Riverside County Office of Economic Development to assist them in forming a CFD to cover the costs associated with the maintenance of public improvements within the district. The boundaries of CFD No. 23-3M (Canterwood) will encompass the entire Tract Map No. 37439, which is projected to include 446 single family dwelling units.

On March 28, 2023, the County of Riverside Board of Supervisors approved agenda item 3.20 and Resolution No. 2023-087, a Resolution of Intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by the owner.

MAY 23 2023 3.39

On May 2, 2023 (Agenda Item 19-3), the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing concerning the establishment of the CFD and the levy of the special tax. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2023-119, the Resolution of Formation of the CFD, which also authorized the levy of a special tax within the CFD subject to voter approval during a duly called election held that same day.

On May 9, 2023, the Board of Supervisors adopted Resolution No. 2023-120 declaring the results of the election regarding the proposed special tax and finding that 100% of the votes cast were in favor of the levy of the special tax. In addition, the Board introduced Riverside County Ordinance No. 980 authorizing the levy of the special tax pursuant to the Rate and Method of Apportionment approved by the voters. By today's action, the Board will formally adopt the special tax ordinance and levy the special tax.

Riverside County Ordinance No. 980, which authorizes the levy of a special tax within the Canterwood CFD to fund services for maintenance and service activities, was reviewed and determined to be not a project under the California Environmental Quality Act (CEQA) pursuant to 15378. The Ordinance includes the creation of a funding mechanism to provide maintenance and service activities within the CFD. No additional direct or indirect physical environmental impacts are anticipated from the provision of maintenance services identified in the Riverside County Ordinance No. 980.

**Name of Public Agency Approving Project:** County of Riverside

**Name of Person or Agency Carrying Out Project:** County of Riverside Office of Economic Development

**Exempt Status:** Not a project as defined in California Environmental Quality Act (CEQA) Section 21065 and State CEQA Guidelines Section 15378; Section 15061(b) (3), General Rule or "Common Sense" Exemption. Codified under Public Resources Code Division 13, Chapter 2.5, Section 21065, and California Code of Regulations Title 14, Articles 5 and 20, Sections 15061 and 15378.

**Reasons Why Project is Exempt:** The direct effects of the adoption of the Ordinance to levy a special tax within the Canterwood CFD would not constitute a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. Section 15378 (b) provides a list of five activities that are not considered a project under CEQA. The proposed Ordinance would qualify under two conditions identified in Section 15378 (b): (4) the creation of government funding mechanisms or other government fiscal activities which do not involve any commitment to any specific project which may result in a potentially significant impact on the environment and (5) organizational or administrative activity of the government that will not result in direct or indirect physical changes to the environment. The adoption of the Ordinance by the Board satisfies these conditions as the Ordinance would provide a funding mechanism to provide ongoing maintenance of existing buildings that would not result in direct or indirect physical changes to the environment. Based on the above conditions, the adoption of the Ordinance is not a project as defined by CEQA Section 21065 and State CEQA Guidelines Section 15378. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features. Those public or private structures, facilities, mechanical equipment, or topographical features were already separately analyzed under prior CEQA documents and approved as part of Tract 37439. As a result, the adoption of the ordinance would not result in significant physical impact on the environment since it would not include any changes to the existing land use or a physical degradation of the property and any such impacts would have already been previously analyzed under CEQA as part of Tract 37439.

- **Section 15061 (b) (3) – “Common Sense” Exemption:** In accordance with CEQA, the use of the Common Sense Exemption is based on the “general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment.” State CEQA Guidelines, Section 15061(b) (3). The use of this exemption is appropriate if “it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.” *Ibid.* This determination is an issue of fact and if sufficient evidence exists in the record that the activity cannot have a significant effect on the environment, then the exemption applies and no further evaluation under CEQA is required. See *No Oil, Inc. v. City of Los Angeles* (1974) 13 Cal. 3d 68. The ruling in this case stated that if a project falls within a category exempt by administrative regulation or 'it can be seen with certainty that the activity in question will not have a significant effect on the environment', no further agency evaluation is required. With certainty, there is no possibility that the project may have a significant effect on the environment. The adoption of the ordinance is limited to the creation of a special tax ordinance to provide an alternative mechanism for financing maintenance activities involving the operation, maintenance, repair, and minor alteration of public or private structures, facilities, mechanical equipment, or topographical features, which were already separately analyzed previously under CEQA as part of Tract 37439. As a result, there is no possibility the adoption of the ordinance would not result in any reasonably foreseeable environmental effects and any such impacts would have been previously analyzed under prior CEQA documents approved as part of Tract 37439. Therefore, in no way, would the project as proposed have the potential to cause a significant environmental impact and the project is exempt from further CEQA analysis.

Therefore, the County of Riverside hereby concludes that no physical environmental impacts are anticipated to occur and the project as proposed is exempt under CEQA. No further environmental analysis is warranted.

4   AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN

5   COMMUNITY FACILITIES DISTRICT NO. 23-3M (CANTERWOOD)

6   OF THE COUNTY OF RIVERSIDE

7

8             The Board of Supervisors of the County of Riverside ordains as follows:

9             Section 1.     FINDINGS.  The Board of Supervisors finds that:

10                 a.     Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, (the  
11 “Act”), commencing with Section 53311 of the California Government Code (the “Government Code”),  
12 on March 28, 2023, the Board of Supervisors (the “Board of Supervisors”) of the County of Riverside (the  
13 “County”) adopted Resolution No. 2023-087 (the “Resolution of Intention”), stating its intention to  
14 establish a community facilities district proposed to be named Community Facilities District No. 23-3M  
15 (Canterwood) of the County of Riverside (the “District”), and to authorize the levy of special taxes to  
16 fund, pay for, and finance authorized administration, inspection, and maintenance of all lighting, traffic  
17 signal maintenance, and drainage (as specified and reflected in the Resolution of Intention, the Resolution  
18 of Formation, and the Rate and Method of Apportionment of Special Tax) (the “Services”) and to pay  
19 expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the  
20 special taxes are needed to fund the Services, and setting May 2, 2023 as the date for a public hearing to  
21 be held on the establishment of the District.

22                 b.     On May 2, 2023, the Board of Supervisors opened, conducted and closed said  
23 public hearing.  At said public hearing, all persons desiring to be heard on all matters pertaining to the  
24 proposed establishment of the District, the furnishing of the Services, and the proposed levy of an annual  
25 special tax were heard.  Written protests, if any, were received, and a full and fair hearing was held.

26                 c.     Subsequent to said public hearing, the Board of Supervisors adopted Resolution  
27 No. 2023-119 (the “Resolution of Formation”), establishing the District, authorizing the levy of a special  
28 tax within the District to fund the Services, subject to voter approval, establishing an annual

1 appropriations limit of \$4,000,000 for the District, subject to voter approval, and calling a special election  
2 for the District for May 2, 2023 on the propositions to levy a special tax within the District and to  
3 establish an appropriations limit for the District.

4 d. Pursuant to the terms of the Resolution of Formation and the provisions of the Act,  
5 said special election was held on May 2, 2023. Each of the propositions was approved by more than two-  
6 thirds of the votes cast at said special election.

7 e. Pursuant to the Act, the Board of Supervisors is the *ex officio* legislative body (the  
8 “Legislative Body”) of the District.

9 Section 2. PURPOSE. The purpose of this ordinance is to provide for the levy of a special tax  
10 within the District.

11 Section 3. AUTHORITY. This ordinance is adopted pursuant to Sections 53328 and 53340 of  
12 the California Government Code, which authorizes counties to adopt ordinances to levy special taxes at  
13 the rate and in accordance with the method of apportionment specified in the resolution of formation of  
14 the community facilities district.

15 Section 4. LEVY OF SPECIAL TAXES.

16 a. By the passage of this Ordinance, the Board of Supervisors hereby authorizes and  
17 levies special taxes within the District pursuant to Sections 53328 and 53340 of the Government Code, at  
18 the rate and in accordance with the method of apportionment (the “Rate and Method”) set forth in the  
19 Resolution of Formation and attached as Exhibit A hereto and made a part hereof. The special taxes are  
20 hereby levied commencing in the fiscal year 2022-2023 and in each fiscal year thereafter for the period  
21 necessary to satisfy the Special Tax Requirement (as defined in the Rate and Method) and until action is  
22 taken by the Board of Supervisors, acting as the Legislative Body of the District, to dissolve the District.

23 b. The Board of Supervisors, acting as the Legislative Body of the District, is hereby  
24 authorized and directed each fiscal year to determine, or cause to be determined, the specific special tax  
25 rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the  
26 District, in the manner and as provided in the Rate and Method.

27 c. All of the collections of the special tax shall be used as provided for in the Act, the  
28 Rate and Method and the Resolution of Formation, including, but not limited to, to fund, pay for, and

1 finance authorized administration, inspection, and maintenance of lighting, traffic signal maintenance,  
2 drainage and to pay expenses incidental thereto, so long as the special taxes are needed to fund such  
3 services; to replenish the reserve fund for the District; to pay the costs of administering the District, and to  
4 pay the costs of collecting and administering the special tax.

5 d. The special taxes shall be collected from time to time as necessary to meet the  
6 financial obligations of the District on the secured real property tax roll in the same manner as ordinary *ad*  
7 *valorem* taxes are collected, or may be collected in such other manner as set forth in the Rate and Method.  
8 The special taxes shall have the same lien priority, and shall be subject to the same penalties and the same  
9 procedure and sale in cases of delinquency as provided for *ad valorem* taxes. The Board of Supervisors,  
10 acting as the Legislative Body of the District, is hereby authorized and directed to take all actions  
11 necessary in order to affect the proper billing and collection of the special tax, so that the special tax shall  
12 be levied and collected in sufficient amounts and at the times necessary to satisfy the financial obligations  
13 of the District in each fiscal year.

14 e. Notwithstanding the foregoing, the Board of Supervisors, acting as the Legislative  
15 Body of the District, may collect, or cause to be collected, one or more installments of the special taxes by  
16 means of direct billing by the District of the property owners within the District if, in the judgment of the  
17 Legislative body, such means of collection will reduce the burden of administering the District or is  
18 otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not  
19 paid when due as set forth in any such respective billing to the property owners.

20 Section 5. EXEMPTIONS. Properties or entities of the state, federal or other local  
21 governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and  
22 Method. In no event shall the special taxes be levied on any parcel within the District in excess of the  
23 maximum tax specified in the Rate and Method.

24 Section 6. SEVERABILITY. If for any reason any portion of this ordinance is found to be  
25 invalid, or if the special tax is found inapplicable to any particular parcel within the District, by a  
26 court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the  
27 remaining parcels within the District shall not be affected.

1           Section 7.     EFFECTIVE DATE. This ordinance relating to the levy and collection of special  
2 taxes in the District shall take effect immediately upon its passage in accordance with the provisions of  
3 Section 25123(c) of the Government Code. The Chair of the Board of Supervisors shall sign this  
4 ordinance, and the Clerk of the Board of Supervisors shall attest to the Chair’s signature and then cause a  
5 summary of the same to be published within 15 days after its passage at least once in *The Press-*  
6 *Enterprise*, a newspaper of general circulation published and circulated in the area of the District.

SUMMARY OF ORDINANCE NO. 980  
AN ORDINANCE OF THE COUNTY OF RIVERSIDE  
AUTHORIZING THE LEVY OF A SPECIAL TAX WITHIN COMMUNITY FACILITIES  
DISTRICT NO. 23-3M (CANTERWOOD) OF THE COUNTY OF RIVERSIDE

This summary is presented pursuant to California Government Code Section 25124(b). A certified copy of the full text of Ordinance No. 980 may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street 1<sup>st</sup> Floor, Riverside, California 92501.

Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, commencing with Section 53311 of the California Government Code (the "Government Code"), March 28, 2023 the Board of Supervisors (the "Board of Supervisors") of the County of Riverside adopted Resolution No. 2023-087, stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 23-3M (Canterwood) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized maintenance of drainage, traffic signals and streetlights services (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services.

Ordinance No. 980 authorizes the levy of special taxes within the District at the rate and in accordance with the method of apportionment approved by the voters at an election held on May 2, 2023 regarding the proposed levy of special taxes. Ordinance No 980 provides that the Board of Supervisors, as the legislative body of the District, is authorized and directed each fiscal year to determine or cause to be determined the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District. The special tax revenues shall be used to fund, pay for, and finance the Services and shall be levied so long as special taxes are needed to fund such Services. In addition, the special tax revenue may be used to replenish a reserve fund for the District, to pay the costs of administering the District, and fund the cost of collecting and administering the special tax. Ordinance No. 980 provides that the special taxes may be collected on the secured property tax roll in the same manner as ordinary *ad valorem* taxes and that the special taxes shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for *ad valorem* taxes. The rate and method of apportionment of the special tax authorized by Ordinance No. 980 is the rate and method approved by voters within the District and as further reflected in Exhibit A "Rate and Method" to Ordinance No. 980. A complete copy of Exhibit A "Rate and Method" is on file with the Clerk of the Board of Supervisors and is available for public inspection and copying in that office in accordance with the California Public Records Act, Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government Code. Ordinance No. 980 takes effect immediately upon its adoption in accordance with section 25123(c) of the Government Code.

**BACKGROUND:**

**Summary**

The State Legislature enacted the Mello-Roos Community Facilities Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

BRPLD, LLC is the Owner of Tract 37439 and has petitioned that the County of Riverside Office of Economic Development assist them in forming a district and include their property for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district. The property owner has submitted an application and formation deposit. Subject to voter approval, a special tax is proposed to be levied on each individual parcel located within the boundary of the proposed CFD to fund the costs associated with (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (ii) Traffic signal maintenance including energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iii) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax levy is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the CFD Boundary Map.

STATE OF CALIFORNIA**

The property owner (BRPLD, LLC) of Tract Map No. 37439 has petitioned the County to include their property into proposed Community Facilities District 23-3M (Canterwood).

The boundaries of CFD No. 23-3M (Canterwood) will encompass the entire Tract No. 37439, which includes 446 single family dwelling units, none of which are currently occupied.

On March 28, 2023 (Agenda Item 3.20), the County Board of Supervisors approved Resolution No. 2023-087, a Resolution of Intention as the initial step for forming the CFD and declaring the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by BRPLD, LLC. The Resolution also requires the Board of Supervisors hold a public hearing and submit the formation of the proposed CFD 23-3M (Canterwood) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

On May 2, 2023 (Agenda item 19.3), the County of Riverside Board of Supervisors held a public hearing to receive public comments and conduct a majority protest hearing. At the conclusion of the public hearing, the Board of Supervisors adopted Resolution No. 2023-119, a Resolution of the Board of Supervisors of the County of Riverside of Formation of Community Facilities District No. 23-3M (Canterwood) of the County of Riverside, Authorizing the Levy of a Special Tax within Said District to Pay for authorized maintenance of lighting, traffic signal maintenance, and drainage Calling a Special Election to submit to the Respective Qualified Voters the Question of Levying Such Special Tax and Establishing an Appropriations Limit for Said District; and Designating the Election Official For Such Matters. Under the same agenda item, the required CFD report, Certificate of Registrar of Voters stating there are fewer than twelve registered voters, and Concurrence of Election Official in Date of Special Election were all received and filed.

The attached Statement of the Election Official regarding the Canvass of the Election declares the election results which were 159 'YES' votes for Proposition A and Proposition B as described in Section 14 of Resolution No. 2023-087 (adopted on 3/28/2023). Adoption of proposed Resolution No. 2023-120, a Resolution of the Board of Supervisors of the County of Riverside, will declare the results of the Consolidated Special Election within the boundary of Community Facilities District 23-3M (Canterwood). Proposed County Ordinance No. 980 would authorize and levy special taxes within the boundaries of Community Facilities District 23-3M (Canterwood).

**Reference**

The CFD Rate and Method of Apportionment (RMA) is consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy taxes on this proposed CFD after complying with the requirements of the Mello-Roos Community Facilities Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing

STATE OF CALIFORNIA**

Districts”, which was revised on January 27, 2015, to include “Service and Maintenance CFDs” to fund the ongoing maintenance of landscape, storm water, or other similar improvements and set goals and policies concerning CFDs.

**Impact on Residents and Businesses**

Only the parcels with Assessor Parcel Numbers within the boundaries of the proposed CFD which are represented by the attached Recorded Boundary Map (inclusive of Tract Map No. 37439) are impacted by the special tax. By setting up this mechanism for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the CFD, there is a financial mechanism in place to ensure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the service and maintenance of Developer installed and County required infrastructure, particularly lighting, traffic signal maintenance, and drainage. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

**SUPPLEMENTAL:**

**Additional Fiscal Information**

The budget for fiscal year 2023-2024 as reflected in the Rate and Method of Apportionment will result in \$72,698 which consists of \$163 per taxable parcel (as defined in the Rate and Method of Apportionment attached as Exhibit A to the Ordinance). The Maximum Special tax amount may be adjusted by the minimum of 2% or up to the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) in effect in the previous Fiscal Year, as it stands as of March of each year over the base index of previous fiscal year. There are no General Funds used in this project.

The Board of Supervisors of the County of Riverside ordains as follows:

**Section 1. FINDINGS.** The Board of Supervisors finds that:  
a. Pursuant to the Mello-Roos Community Facilities Act of 1982, as amended, (the "Act"), commencing with Section 53311 of the California Government Code (the "Government Code"), on March 28, 2023, the Board of Supervisors (the "Board of Supervisors") of the County of Riverside (the "County") adopted Resolution No. 2023-087 (the "Resolution of Intention"), stating its intention to establish a community facilities district proposed to be named Community Facilities District No. 23-3M (Canterwood) of the County of Riverside (the "District"), and to authorize the levy of special taxes to fund, pay for, and finance authorized administration, inspection, and maintenance of all lighting, traffic signal maintenance, and drainage (as specified and reflected in the Resolution of Intention, the Resolution of Formation, and the Rate and Method of Apportionment of Special Tax) (the "Services") and to pay expenses incidental thereto and incidental to the levy and collection of the special taxes, so long as the special taxes are needed to fund the Services, and setting May 2, 2023 as the date for a public hearing to be held on the establishment of the District.

b. On May 2, 2023, the Board of Supervisors opened, conducted and closed said public hearing. At said public hearing, all persons desiring to be heard on all matters pertaining to the proposed establishment of the District, the furnishing of the Services, and the proposed levy of an annual special tax were heard. Written protests, if any, were received, and a full and fair hearing was held.

c. Subsequent to said public hearing, the Board of Supervisors adopted Resolution No. 2023-119 (the "Resolution of Formation"), establishing the District, authorizing the levy of a special tax within the District to fund the Services, subject to voter approval, establishing an annual appropriations limit of \$4,000,000 for the District, subject to voter approval, and calling a special election for the District for May 2, 2023 on the propositions to levy a special tax within the District and to establish an appropriations limit for the District.

d. Pursuant to the terms of the Resolution of Formation and the provisions of the Act, said special election was held on May 2, 2023. Each of the propositions was approved by more than two-thirds of the votes cast at said special election.

e. Pursuant to the Act, the Board of Supervisors is the ex officio legislative body (the "Legislative Body") of the District.

**Section 2. PURPOSE.** The purpose of this ordinance is to provide for the levy of a special tax within the District.

**Section 3. AUTHORITY.** This ordinance is adopted pursuant to Sections 53328 and 53340 of the California Government Code, which authorizes counties to adopt ordinances to levy special taxes at the rate and in accordance with the method of apportionment specified in the resolution of formation of the community facilities district.

**Section 4. LEVY OF SPECIAL TAXES.**

a. By the passage of this Ordinance, the Board of Supervisors hereby authorizes and levies special taxes within the District pursuant to Sections 53328 and 53340 of the Government Code, at the rate and in accordance with the method of apportionment (the "Rate and Method") set forth in the Resolution of Formation and attached as Exhibit A hereto and made a part hereof. The special taxes are hereby levied commencing in the fiscal year 2022-2023 and in each fiscal year thereafter for the period necessary to satisfy the Special Tax Requirement (as defined in the Rate and Method) and until action is taken by the Board of Supervisors, acting as the Legislative Body of the District, to dissolve the District.

b. The Board of Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed each fiscal year to determine, or cause to be determined, the specific special tax rate and amount to be levied for the next ensuing fiscal year for each parcel of real property within the District, in the manner and as provided in the Rate and Method.

c. All of the collections of the special tax shall be used as provided for in the Act, the Rate and Method and the Resolution of Formation, including, but not limited to, to fund, pay for, and finance authorized administration, inspection, and maintenance of lighting, traffic signal maintenance, drainage and to pay expenses incidental thereto, so long as the special taxes are needed to fund such services; to replenish the reserve fund for the District; to pay the costs of administering the District, and to pay the costs of collecting and administering the special tax.

d. The special taxes shall be collected from time to time as necessary to meet the financial obligations of the District on the secured real property tax roll in the same manner as ordinary ad valorem taxes are collected, or may be collected in such other manner as set forth in the Rate and Method. The special taxes shall have the same lien priority, and shall be subject to the same penalties and the same

procedure and sale in cases of delinquency as provided for ad valorem taxes. The Board of Supervisors, acting as the Legislative Body of the District, is hereby authorized and directed to take all actions necessary in order to affect the proper billing and collection of the special tax, so that the special tax shall be levied and collected in sufficient amounts and at the times necessary to satisfy the financial obligations of the District in each fiscal year.

e. Notwithstanding the foregoing, the Board of Supervisors, acting as the Legislative Body of the District, may collect, or cause to be collected, one or more installments of the special taxes by means of direct billing by the District of the property owners within the District if, in the judgment of the Legislative body, such means of collection will reduce the burden of administering the District or is otherwise appropriate in the circumstances. In such event, the special taxes shall become delinquent if not paid when due as set forth in any such respective billing to the property owners.

**Section 5. EXEMPTIONS.** Properties or entities of the state, federal or other local governments shall be exempt from any levy of the special taxes, to the extent set forth in the Rate and Method. In no event shall the special taxes be levied on any parcel within the District in excess of the maximum tax specified in the Rate and Method.

**Section 6. SEVERABILITY.** If for any reason any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within the District, by a court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels within the District shall not be affected.

**Section 7. EFFECTIVE DATE.** This ordinance relating to the levy and collection of special taxes in the District shall take effect immediately upon its passage in accordance with the provisions of Section 25123(c) of the Government Code. The Chair of the Board of Supervisors shall sign this ordinance, and the Clerk of the Board of Supervisors shall attest to the Chair's signature and then cause a summary of the same to be published within 15 days after its passage at least once in The Press-Enterprise, a newspaper of general circulation published and circulated in the area of the District.

I HEREBY CERTIFY that at a regular meeting of the Board of Supervisors of said County, held on **May 23, 2023**, the foregoing Ordinance was adopted by said Board by the following vote:
