BACKGROUND:

Summary

The State legislature enacted the Mello-Roos Community Facilities Act of 1982 to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled "Land Secured Financing Districts" to include "Service and Maintenance CFDs" to fund the ongoing maintenance of storm water Best Management Practices (BMP), street lighting, and traffic signals and set goals and policies concerning Community Facilities Districts (CFD).

FPG Tricon Woods Property is the Owner of Tract Nos. 32816, 32817, 32818, and 33743 and petitioned that the County of Riverside Office of Economic Development assist them in forming a district for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district and has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed CFD.

The costs associated with Improvement Area A, B, C, and D are (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (ii) Traffic signal maintenance, which includes energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iii) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials.

Approval of proposed Resolution No. 2023-141 by the Board of Supervisors is the initial step for forming the CFD and declares the intention of the Board of Supervisors, as required by the Mello-

STATE OF CALIFORNIA**

Roos Community Facilities Act of 1982, to levy a special tax to fund the service and maintenance functions requested by the Developer. The Resolution also requires the Board of Supervisors to hold a public hearing and submit the formation of the proposed CFD 23-10M (The Woods) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a Rate and Method of Apportionment (RMA) developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

The property owner (FPG Tricon Woods Property) of Tract Map Nos. 32816, 32817, 32818, and 33743 has petitioned the County to include their property into proposed Community Facilities District 23-10M (The Woods). The boundaries of CFD 23-10M (The Woods) will encompass all of Tract Map Nos. 32816, 32817, 32818, and 33743, which will include a total of 493 residential units, none of which are currently occupied.

Reference

The CFD Rate and Method of Apportionment (RMA) are consistent with the Mello-Roos Community Facilities Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy special taxes within this proposed CFD after complying with the requirements of the Mello-Roos Community Facilities Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts" which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, street lighting or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the proposed boundaries of the CFD which are represented by the proposed Boundary Map (inclusive of Tract Map Nos. 32816, 32817, 32818, and 33743) are impacted by the proposed special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the proposed CFD, there is a financial mechanism in place to ensure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the service and maintenance of Developer-installed and County-required infrastructure, particularly lighting, traffic signal maintenance, and drainage. The Developer shall, and is obligated to, provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

SUPPLEMENTAL:

Additional Fiscal Information

The proposed budget for maintenance of \$55,216 for fiscal year 2023-2024 will result in \$112 per taxable parcel, pursuant to the Rate and Method of Apportionment. The annual special tax shall be increased by the minimum of 2% or up to the cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U), as it stands as of March of each year over the base index of previous fiscal year.

NOTICE IS HEREBY GIVEN that a public hearing at which all interested persons will be heard, will be held before the Board of Supervisors of Riverside County, California, on the 1st Floor Board Chambers, County Administrative Center, 4080 Lemon Street, Riverside, on **Tuesday, July 11, 2023 at 9:30 a.m.**, or as soon as possible thereafter, to consider the following:

**SUMMARY OF RESOLUTION 2023-141
A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF RIVERSIDE OF INTENTION TO ESTABLISH A COMMUNITY FACILITIES DISTRICT AND TO AUTHORIZE THE LEVY OF SPECIAL TAXES AND SETTING A DATE AND TIME FOR A PUBLIC HEARING THEREON**

This summary is presented pursuant to California Government Code Section 53322. A certified copy of the full text of Resolution No. 2023-141, including a description of services and incidental expenses proposed to be financed and the proposed Amended and Restated Rate and Method of Apportionment, may be examined at the Office of the Clerk of the Board of Supervisors of the County of Riverside, located at 4080 Lemon Street, 1st Floor, Riverside, California.

Resolution No. 2023-141 sets a public hearing on the Board of Supervisor's Intent to consider authorizing the levy of special taxes pursuant to the rate and original method of apportionment of special tax for Community Facilities District No. 23-10M (The Woods) ("District"). The public hearing will be held on July 11, 2023 at 9:30 a.m., or as soon thereafter as the Board will consider the matter, at the meeting room of the Board of Supervisors, located on the first floor of the County Administrative Center, 4080 Lemon Street, 1st Floor, Riverside, California.

At the public hearing, testimony of all interested persons or taxpayers for or against the establishment of the District, the extent of the District, or the furnishing of specified types of public facilities or services will be heard. At the hearing, protests against the establishment of the District, the extent of the District, or the furnishing of specified types of public facilities or services may be made orally, or in writing by any interested person. Any protests pertaining to the regularity or sufficiency of the proceedings shall be in writing and shall clearly set forth the irregularities or defects to which objection is made. All written protests not personally presented by the author thereof at the hearing shall be filed with the Clerk of the Board at or before the time fixed for the hearing. The Board may waive any irregularities in the form or content of any written protest and at the hearing may correct minor defects in the proceedings. Written protests may be withdrawn in writing at any time before the conclusion of the hearing.

If 50 percent or more of the registered voters, or six registered voters, whichever is more, residing within the District, or the owners of one-half or more of the area of the land in the territory included in the District and not exempt from the special tax, file written protests against the establishment of the District, and protests are not withdrawn so as to reduce the value of the protests to less than a majority, no further proceedings to create the District or to authorize the specified special tax lien shall be taken for a period of one year from the date of the decision of the legislative body. If the majority protests of the landowners are only against the furnishing of a specified type or types of facilities or services within the district, or against levying a specified special tax, those types of facilities or services or the specified special tax shall be eliminated from the resolution of formation.

The proposed voting procedure for the proposal shall be by mailed or hand-delivered ballot among the landowners in the District, with each owner having one vote for each acre or portion of an acre such owner owns in the District.
