

SUBMITTAL TO THE BOARD OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA

ITEM: 3.54
(ID # 21784)

MEETING DATE:

Tuesday, May 23, 2023

FROM : TLMA-TRANSPORTATION:

SUBJECT: TRANSPORTATION AND LAND MANAGEMENT AGENCY/TRANSPORTATION:
Approval of the Plans and Specifications and Authorization to Advertise for Bid for the
Construction of the Slurry Seal and Curb Ramp Accessibility Project for Fiscal Year 2023/24 at
various locations; CEQA Exempt; Districts 1 and 2. [\$3,391,022 Total Cost - Local Funds 100%]
(Clerk to Advertise)

RECOMMENDED MOTION: That the Board of Supervisors:

1. Find that the Slurry Seal and Curb Ramp Accessibility Project for Fiscal Year 2023/24 is categorically exempt from the California Environmental Quality Act (CEQA) pursuant to State CEQA Guidelines Section 15301 (c) - Existing Facilities;
2. Approve the plans and specifications for the Slurry Seal and Curb Ramp Accessibility Project for Fiscal Year 2023/24 at various locations in the 1st and 2nd Districts;
3. Authorize the Clerk of the Board to advertise for bids to be received by the office of the Director of Transportation and Land Management at the Transportation Annex located at 3525 14th Street, Riverside, California 92501. All bids must be received up to the hour of 2:00 p.m., Wednesday, June 14, 2023, at which time bids will be opened; and
4. Direct the Clerk of the Board of Supervisors to file the Notice of Exemption with the County Clerk for posting within five (5) working days of Board approval.

ACTION:Policy

Mark Lancaster, Director of Transportation 5/4/2023

MINUTES OF THE BOARD OF SUPERVISORS

On motion of Supervisor Spiegel, seconded by Supervisor Washington and duly carried by unanimous vote, IT WAS ORDERED that the above matter is approved as recommended.

Ayes: Jeffries, Spiegel, Washington, Perez, and Gutierrez
Nays: None
Absent: None
Date: May 23, 2023
xc: Trans., Recorder, COBocF

Kimberly A. Rector
Clerk of the Board

				For Fiscal Year: 23/24

C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The slurry seal treatment is provided as a preventative maintenance to extend the life of the pavement and postpone more costly pavement rehabilitation. The slurry seal treatment seals small cracks, restores lost flexibility to the pavement surface and helps preserve the underlying pavement structure. This project includes various roads located within the communities of Mead Valley, Lakeland Village, Woodcrest, Alessandro and Cajalco areas, and the unincorporated areas near the Cities of Corona, Lake Elsinore, Riverside, and Perris. The specific roads are listed in "Attachment 1".

The slurry seal project proposes slurry seal, micro-surfacing, and chip seal treatments based on the existing pavement conditions. The slurry seal treatment consists of an application of a mixture of asphalt emulsion, aggregates, water and other additives placed over the existing asphalt pavement surface. This work includes road cleaning, crack repair, crack sealing, asphalt concrete repairs, application of seal coat treatment, installation of new thermoplastic crosswalks, replacement of striping, pavement markings and raised pavement markers. All roads will be swept several times at specified intervals after the slurry has been applied.

The micro-surfacing treatment is similar to the slurry seal except it uses polymer modified and fast setting asphalt emulsion allowing thicker layers to be placed. The thick layer application allows to fill in ruts commonly found on roadways with light to moderate truck traffic.

The chip seal treatment consists of an application of asphalt emulsion and then followed by a layer of chip or small crushed rock (screenings). The treatment provides a skid resistant wearing surface and seals minor cracks and it is generally used for low volume rural roads.

This project also proposes to reconstruct or upgrade fourteen (14) existing concrete curb ramps at various locations within the 1st District as part of the Transportation Department goal to provide safe and usable pedestrian facilities for all pedestrians and to comply with the Title II of the Americans with Disabilities Act (ADA) requirements. As part of the ADA requirement, curb ramps must be upgraded when adjoining roads are altered through resurfacing or placement of a thick layer of seal coat. The specific curb ramp locations are listed in "Attachment 2."

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The proposed curb ramp accessibility work will consist of modifying or removing existing concrete curb ramps and placing back ADA compliant concrete curb ramps. Certain curb ramps will be upgraded by installing yellow detectable warning devices (series of small bumps or truncated domes) and making repairs to street landing slopes to meet ADA compliance. Detectable warning devices are used to alert pedestrians who are blind or visually impaired that there is vehicle traffic nearby.

The bid documents include the following bid schedules of work:

- Base Bid Schedule: Slurry Seal and associated work
- Alternative Bid Schedule 1: Curb Ramps and associated work
- Alternative Bid Schedule 2: Repair of Existing Asphalt Concrete Surfaces
- Alternative Bid Schedule 3: Slurry Seal and associated work, City of Corona
- Alternative Bid Schedule 4: Slurry Seal and associated work, City of Lake Elsinore
- Alternative Bid Schedule 5: Slurry Seal and associated work, City of Riverside

If the low bid is approved and concurred to by the City of Corona, Lake Elsinore and Riverside for their respective alternative bid schedule of work, then reimbursement agreements between the Cities and the County will be submitted to the Board of Supervisors for approval prior to or concurrent with the award of the construction contract.

The Transportation Department will select the contractor based upon the lowest responsive and responsible bid of the sum of all bid schedules.

The submitted plans and specifications have been approved as to form by County Counsel.

- Project Numbers: D4-0006, D4-0007 (Slurry Seal District 1 and 2)
D4-0011, D4-0012 (Curb Ramps District 1 and District 2)

Environmental Findings

The proposed projects are exempt from CEQA under Section 15301 (c) because the slurry seal treatment and the reconstruction or modification of curb ramps do not create additional traffic lanes and involve negligible or no expansion of existing or former use of the existing roadways and associated facilities.

Impact on Citizens and Businesses

The Slurry Seal treatment will extend the life of the pavement thereby reducing the need for more extensive types of resurfacing that can be up to ten times more costly.

The reconstruction of curb ramps is expected to improve the access and safety of disabled persons using the pedestrian facilities along the roadways. In addition, bringing the curb ramps up to current accessibility standards contributes toward fulfilling the County Transportation

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Department's goals as stated in its ADA Self-Evaluation and Transition Plan as required by Title II of the Americans with Disabilities Act (ADA).

SUPPLEMENTAL:

Additional Fiscal Information

The construction contract is estimated to cost approximately \$3,391,022 and construction is anticipated to be completed in FY 2023/2024. The Slurry Seal and Curb Ramp work will be funded with Gas Tax/SB-1, Measure A/ Western, City of Corona, City of Lake Elsinore, and City of Riverside funds.

There are no General Funds used in this project.

NOTICE OF EXEMPTION

February 15, 2023

PROJECT TITLE: Slurry Seal Project – Districts 1 & 2

Work Order# ZD40006C, ZD40007C, ZD40011C, ZD40012C Task Code #Z1530

PROJECT SPONSOR: County of Riverside Transportation Department

PROJECT LOCATION: Various Locations in Unincorporated areas within Supervisorial Districts 1 & 2

SUPERVISORIAL DISTRICT: 1st & 2nd

PROJECT DESCRIPTION: The County of Riverside Transportation Department proposes to provide slurry seal treatment to existing pavement surfaces on various roads located in unincorporated locations throughout Districts 1 and 2 of Riverside County.

Slurry seal treatments consist of an application of a mixture of asphalt emulsion, aggregate (very small, crushed rock), water, and other additives over the existing asphalt pavement surface. The treatments are provided as preventative maintenance to extend the life of the pavement and postpone more costly pavement rehabilitation. Slurry seal treatments seal cracks, restores lost flexibility to the pavement surface, provide a new black pavement surface color, and help preserve the underlying pavement structure.

The Chip seal treatment adds a layer of “chips” or small crushed rock, over the slurry seal as a “wearing course” in areas of higher vehicles traffic. Micro-surfacing is similar to slurry seal. It consists of the application of a mixture of water, asphalt emulsion, aggregate (very small, crushed rock), and chemical additives to an existing asphalt concrete pavement surface. Micro-surfacing contains chemical additives which allow it to break without relying on the sun or heat for evaporation to occur.

The work also involves replacing non-compliant curb ramps, removing, and replacing thermoplastic crosswalk and pavement markings/paint traffic stripes and other work as may be required.

ENVIRONMENTAL ANALYSIS: The proposed project does not require additional right of way nor temporary construction easements. The project will extend the life of the pavement of the treated roads, which is a benefit to the traveling public. The project consists of maintenance and repair of an existing public road. There is no expansion of use of the road as a result of the project.

This project is subject to compliance with the Western Riverside County and Coachella Valley Multi-Species Habitat Conservation Plans (MSHCP). In accordance with Section 7 of the Western Riverside County and Coachella Valley MSHCP, necessary operation and maintenance along existing roadways are considered a covered activity outside/inside of cell criteria area/conservation areas. This project is considered to be an operation and maintenance; therefore, it is a covered activity under the Western Riverside County and Coachella Valley Multi-Species Habitat Conservation Plan (MSHCP).

If tree and/or vegetation removal takes place during the migratory bird breeding season (February 1 – September 1), a preconstruction nesting survey will be conducted pursuant to the Migratory Bird Treaty Act (MBTA).

The County of Riverside Transportation Department has found that the above-described project is exempt from the provisions of the California Environmental Quality Act (CEQA), based on the following:

Section 15301 (c) – Existing Facilities – The project proposes to provide slurry seal treatment to existing pavement surfaces on various roads and replace non-compliant curb ramps, remove and replace thermoplastic crosswalk and pavement markings/paint traffic stripes located in unincorporated locations throughout Districts 1 and 2 of Riverside County. The project in its entirety is consistent with Section 15301(c) because it does not create additional traffic lanes and involves no expansion of use of the existing roadway and associated facilities.

Notice to Bidders

County of Riverside, herein called Owner, invites sealed proposals for:

**Slurry Seal and Curb Ramp Accessibility Project
For Fiscal Year 2023-2024
District 1, Project No. D4-0006, D4-0011
District 2, Project No. D4-0007, D4-0012**

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, June 14, 2023, to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated May 2023, and prepared by County of Riverside, whose address is same as the above, from whom a digital set of documents (bid book and plans) may be obtained upon request, at no cost, or a printed set of bidding documents with 11" x 17" size plans may be obtained upon request for a nonrefundable fee of \$25.00 per set, plus mailing costs. Email request of bidding documents, with company and contact information, to **Bids-Contracts@rivco.org** and reference this project (or contact the address or telephone number above).

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The County of Riverside, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8) and related statutes, issued pursuant to such Act, hereby notifies all bidders that minority businesses will be afforded full opportunity to submit bids, and it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex, national origin, religion, age, or disability.

The Contractor is required to have a Class "A" license at the time of bid submission.

Engineering Estimate:	\$ 2,755,000 - \$ 3,214,000	(Base Bid Schedule)
	\$ 124,000 - \$ 144,000	(Alternative Bid Schedule 1)

PROOF OF
PUBLICATION

STATE OF CALIFORNIA SS.
COUNTY OF RIVERSIDE

RIVERSIDE COUNTY-BOARD OF SUP.
4080 LEMON ST

RIVERSIDE CA 92501

I am over the age of 18 years old, a citizen of the United States and not a party to, or have interest in this matter. I hereby certify that the attached advertisement appeared in said newspaper (set in type not smaller than non pariel) in each and entire issue of said newspaper and not in any supplement thereof of the following issue dates, to wit:

05/10/2023, 05/11/2023, 05/12/2023,

05/14/2023, 05/17/2023, 05/18/2023,

05/19/2023, 05/21/2023, 05/24/2023,

05/25/2023

I acknowledge that I am a principal clerk of the printer of The Desert Sun, published weekly in the City of Palm Springs, County of Riverside, State of California. The Desert Sun was adjudicated a Newspaper of general circulation on March 24, 1988 by the Superior Court of the County of Riverside, State of California Case No. 191236.

I certify under penalty of perjury, under the laws of the State of California, that the foregoing is true and correct.. Executed on this 25th of May 2023 in Green Bay, WI, County of Brown.

P O : Idyllwild Resurfacing

This is not an invoice

of Affidavits: 1

ADVERTISEMENT FOR BIDS

County of Riverside, herein called Owner, invites sealed proposals for:
Idyllwild Resurfacing Projects
Saunders Meadow Road, South Circle Drive, Fern Valley Road, North Circle
Drive, and
Idyllwild Maintenance Yard, and
Lawler Lodge and Alpine Cabins Access Roads
Community of Idyllwild

Project No. D2-0030, D2-0046, D2-0047, D2-0048, ZTR1217, D3-0107, D3-0108

Bid shall be delivered to the County of Riverside Transportation Department, 14th Street Annex, 3525 14th Street, Riverside, California 92501, telephone (951) 955-6780 not later than 2:00 p.m., on Wednesday, May 31, 2023, to be promptly opened in public at said address. Each bid shall be in accordance with plans, specifications and other contract documents, dated April 2023, and prepared by County of Riverside, whose address is same as the above, from whom a digital set of documents (bid book and plans) may be obtained upon request, at no cost, or a printed set of bidding documents with 22" x 34" size plans may be obtained upon request for a nonrefundable fee of \$45.00 per set, plus mailing costs. Email request of bidding documents, with company and contact information, to Bids-Contracts@rivco.org and reference this project (or contact the address or telephone number above).

Pursuant to Labor Code section 1771.1, any Contractor bidding, or subcontractor to be listed on a bid proposal subject to Public Contract Code section 4104, shall not be qualified to bid after March 1, 2015, unless currently registered and qualified to perform public works pursuant to Labor Code section 1725.5. No Contractor or subcontractor may be awarded a contract or perform work on any contract for public work, after April 1, 2015, without proof of current registration with the Department of Industrial Relations pursuant to Labor Code section 1725.5 to perform public works.

The County of Riverside, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C.F.R., Part 8) and related statutes, issued pursuant to such Act, hereby notifies all bidders that minority businesses will be afforded full opportunity to submit bids, and it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the grounds of race, color, sex, national origin, religion, age, or disability.

Engineering Estimate:
\$ 600,000 - \$ 700,000
\$ 1,425,000 - \$ 1,660,000
\$ 1,090,000 - \$ 1,270,000
\$ 755,000 - \$ 885,000
\$ 235,000 - \$ 275,000
\$ 115,000 - \$ 140,000
\$ 70,000 - \$ 85,000
