BACKGROUND:

Summary

Riverside County Ordinance No. 745 and Resolutions Nos. 04-298, 05-154, 06-063, 06-159 and 06-389 establish Tax Lien Guaranteed Comprehensive Collection Areas for the properties located within the unincorporated County.

The franchised waste haulers (Haulers) have certified that bills and notices of delinquent trash collection charges were sent to each owner of record in accordance with Section 10 of Ordinance No. 745. New customers are advised of the responsibility to pay for all trash charges even if the property is occupied by a tenant.

A report listing the properties with unpaid trash collection fees subject to the special fee assessment has been prepared for the Department of Environmental Health (Department) and is attached as Exhibit A. A notice of the public hearing shall be sent to the subject property owners by the Department pursuant to Section 11 of Ordinance No. 745. The notice provides contact information for the Haulers so that the property owner can correct any asserted billing errors, or pay amount owed prior to the final payment deadline. The notice also provides answers to frequently asked questions and contact information (online support and a dedicated phone line) for the Department so that the property owner can seek assistance in contacting the Haulers, understand the tax roll process, or answer any additional questions they may have. On the date of the June 27, 2023 public hearing, Department and Hauler staff will be on site to address citizen concerns. The property owner can pay or reconcile the delinquent trash collection charges on or before July 21, 2023, to avoid the special assessment.

Upon confirmation by the Board of Supervisors, the unpaid trash collection fees will become a special assessment on the property owner's tax bill. The assessment includes a charge of \$77 per parcel, as approved in Ordinance 640 (effective July 1, 2022) as an administrative charge by the Department for costs of imposing the special assessment. The Department charges would only be due if the assessment is placed on the property tax bill. After the special assessment is paid and reconciled, the trash collection fee will be forwarded to the Haulers.

Impact on Residents and Businesses

The regular removal of solid waste from residential properties is a basic sanitation practice that protects both the environment and the public. The mandatory collection of solid waste and the payment for the collection is critical. Residents that have stayed current with their solid waste collection bill would not be affected by this item. Those residents that pay the full outstanding balance owed to the Haulers on or before the cut-off date of July 21, 2023, will not be assessed on their property taxes.
