BACKGROUND:

Summary

The Political Reform Act prohibits a public official from using his or her position to influence a government decision in which he or she has a financial interest. Government Code section 87300 requires local government agencies to adopt and promulgate a Conflict of Interest Code identifying officials and employees required to file statements of economic interest based on the positions they hold. A local government agency, as defined by Government Code section 82041, includes the Palo Verde Community College District.

Each even-numbered year, Government Code section 87306.5 requires local government agencies to review their Conflict of Interest Code, make appropriate revisions, if necessary, and submit an amended Conflict of Interest Code to the code reviewing body. Government Code section 82011(b) identifies the Board of Supervisors for the County of Riverside as the code reviewing body for a local government agency within its county.

The Palo Verde Community College District recently amended its Conflict of Interest Code to revise titles of existing positions and delete titles of positions that have been abolished that participate in making governmental decisions. The Board of Trustees for Palo Verde Community College District has adopted Administrative Procedure Policy No. 2712 and Board Policy No. 2710, amending its Conflict of Interest Code. The Palo Verde Community College District has submitted its amended Conflict of Interest Code for approval by the Board of Supervisors as the code reviewing body.

This office has reviewed the Conflict of Interest Code of the Palo Verde Community College District and has found that it complies with statutory requirements. A complete copy of the Conflict of Interest Code of the Palo Verde Community College District is attached.

It is recommended that the Board of Supervisors approve the Conflict of Interest Code of the Palo Verde Community College District and direct the Clerk of the Board to notify the Palo Verde Community College District of the action taken.

PALO VERDE COMMUNITY COLLEGE DISTRICT ADMINISTRATIVE PROCEDURE 2712

Conflict of Interest Code

Reference: Title 2 Section 18730; Government Code Sections 87103e, 87300-87302, 89501, 89502, and 89503

Pursuant to Section 18730 of Title 2 of the California Code of Regulations, incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in Section 13 referred to below constitute the adoption and promulgation of a conflict of interest code within the meaning of Government Code section 87300 or the amendment of a conflict of interest code within the meaning of Government Code section 87306 if the terms of this regulation are substituted for terms of a conflict of interest code already in effect. A code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of article 2 of chapter 7 of the Political Reform Act, Government Code sections 81000, et seq. The requirements of a conflict of interest code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Government Code section 87100, and to other state or local laws pertaining to conflicts of interest.

Section 1. Definitions

The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (2 Cal. Code of Regs. sections 18100, et seq.), and any amendments to the Act or regulations, are incorporated by reference into this conflict of interest code.

Section 2. Designated Employees

The persons holding positions listed in Section 13 are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on financial interests.

Section 3. Disclosure Categories

This code does not establish any disclosure obligation for those designated employees who are also specified in Government Code section 87200 if they are designated in this code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their economic interests pursuant to article 2 of chapter 7 of the Political Reform Act, Government Code sections 87200, et seq. In addition, this code does not establish any disclosure obligation for any designated employees who are designated in a conflict of interest code for another agency, if all of the following apply:

(A) The geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction of the other agency;

(B) The disclosure assigned in the code of the other agency is the same as that required under article 2 of chapter 7 of the Political Reform Act, Government Code section 87200; and

(C) The filing officer is the same for both agencies.[1]Such persons are covered by this code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in Section 13 specify which kinds of economic interests are reportable. Such a designated employee shall disclose in his or her statement of economic interests those economic interests he or she has which are of the kind described in the disclosure categories to which he or she is assigned in Section 13. It has been determined that the economic interests set forth in a designated employee's disclosure categories are the kinds of economic interests which he or she foreseeably can affect materially through the conduct of his or her office.

Section 4. Statements of Economic Interests

Place of Filing. The code reviewing body shall instruct all designated employees within its code to file statements of economic interests with the agency or with the code reviewing body, as provided by the code reviewing body in the agency's conflict of interest code.[2]

Section 5. Statements of Economic Interests

(A) Initial Statements. All designated employees employed by the agency on the effective date of this code, as originally adopted, promulgated and approved by the code reviewing body, shall file statements within 30 days after the effective date of this code. Thereafter, each person already in a position when it is designated by an amendment to this code shall file an initial statement within 30 days after the effective date of the amendment.

(B) Assuming Office Statements. All persons assuming designated positions after the effective date of this code shall file statements within 30 days after assuming the designated positions, or if subject to State Senate confirmation, 30 days after being nominated or appointed.

(C) Annual Statements. All designated employees shall file statements no later than April 1.

(D) Leaving Office Statements. All persons who leave designated positions shall file statements within 30 days after leaving office.

Section 5.5. Statements for Persons Who Resign Prior to Assuming Office

Any person who resigns within 12 months of initial appointment, or within 30 days of the date of notice provided by the filing officer to file an assuming office statement, is not deemed to have assumed office or left office, provided he or she did not make or participate in the making of, or use his or her position to influence any decision and did not receive or become entitled to receive any form of payment as a result of his or her appointment. Such persons shall not file either an assuming or leaving office statement.

(A) Any person who resigns a position within 30 days of the date of a notice from the filing officer shall do both of the following:

(1) File a written resignation with the appointing power;and

(2) File a written statement with the filing officer declaring under penalty of perjury that during the period between appointment and resignation he or she did not make, participate in the making, or use the position to influence any decision of the agency or receive, or become entitled to receive, any form of payment by virtue of being appointed to the position.

Section 6. Contents of and Period Covered by Statements of Economic Interests:

(A) Contents of Initial Statements. Initial statements shall disclose any reportable investments, interests in real property and business positions held on the effective date of the code and income received during the 12 months prior to the effective date of the code.

2. Loans made to the elected officer by his or her spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person, provided that the person making the loan is not acting as an agent or intermediary for any person not otherwise exempted under this section.

4. A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor, based on reasonable business considerations, has not undertaken collection action. Except in a criminal action, a creditor who claims that a loan is not a gift on the basis of this paragraph has the burden of proving that the decision for not taking collection action was based on reasonable business considerations.

(C) Nothing in this section shall exempt any person from any other provisions of Title 9 of the Government Code.

Section 9. Disqualification

No designated employee shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. Section 9.5. Disqualification of State Officers and Employees

In addition to the general disqualification provisions of section 9, no state administrative official shall make, participate in making, or use his or her official position to influence any governmental decision directly relating to any contract where the state administrative official knows or has reason to know that any party to the contract is a person with whom the state administrative official, or any member of his or her immediate family has, within 12 months prior to the time when the official action is to be taken:

BOARD POLICY 2710**

Conflict of Interest

Board members and employees shall not be financially interested in any contract made by them in their official capacity, or in any body or board of which they are members.

A board member shall not be considered to be financially interested in a contract if his /her/their interest is limited to those interests defined as remote under Government Code Section 1091 or is limited to interests defined by Government Code Section 1091.5.

A board member who has a remote interest in any contract considered by the Board shall disclose his/her/their interest during a Board meeting and have the disclosure noted in the official Board minutes. The Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract.

A board member shall not engage in any employment or activity that is inconsistent with, incompatible with, in conflict with or inimical to his/her/their duties as an officer of the District.

In compliance with law and regulation, the Superintendent/President shall establish administrative procedures to provide for disclosure of assets of income of Board members who may be affected by their official actions, and prevent members from making or participating in the making of Board decisions which may foreseeably have a material effect on their financial interest.

Board members shall file statements of economic interest with the filing officer identified by the administrative procedures.

Board members are encouraged to seek legal counsel through the Superintendent/President's Office in every case where any question arises.
