**AGREEMENT
FOR THE CONSTRUCTION OF ROAD/DRAINAGE IMPROVEMENTS**

This agreement, made and entered into by and between the County of Riverside, State of California, hereinafter called County, and KB Home Coastal Inc., hereinafter called Contractor.

WITNESSETH:

FIRST: Contractor, for and in consideration of the approval by County of the final map of that certain land division known as **TR 36635**, hereby agrees, at Contractor's own cost and expense, to furnish all labor, equipment and materials necessary to perform and complete, within **24** months from the date this agreement is executed, in a good and workmanlike manner, all road and drainage improvements in accordance with those Road Plans for said land division which have been approved by the County Director of Transportation, and are on file in the office of the Riverside County Transportation Department, and do all work incidental thereto in accordance with the standards set forth in Riverside County Ordinance No. 461, as amended, which are hereby expressly made a part of this agreement. All the above required work shall be done under the inspection of and to the satisfaction of the County Director of Transportation, and shall not be deemed complete until approved and accepted as complete by the County. Contractor further agrees to maintain the above required improvements for a period of one year following acceptance by the County, and during this one year period to repair or replace, to the satisfaction of the Director of Transportation, any defective work or labor done or defective materials furnished. Contractor further agrees that all underground improvements shall be completed prior to the paving of any roadway. The estimated cost of said work and improvements is the sum of **Eight Million Eight Hundred Fifty-Eight Thousand Five Hundred and no/100 Dollars (\$8,858,500.00)**.

SECOND: Contractor agrees to pay to County the actual cost of such inspections of the work and improvements as may be required by the Director of Transportation. Contractor further agrees that, if suit is brought upon this agreement or any bond guaranteeing the completion of the road and drainage improvements, all costs and reasonable expenses and fees incurred by County in successfully enforcing such obligations shall be paid by Contractor, including reasonable attorney's fees, and that, upon entry of judgment, all such costs, expenses and fees shall be taxed as costs and included in any judgment rendered.

THIRD: County shall not, nor shall any officer or employee of County, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this agreement prior to the completion and acceptance thereof, nor shall County or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Contractor, its agents or employees, in the performance of the work, and all or said liabilities are assumed by Contractor. Contractor agrees to protect, defend, and hold harmless County and the officers and employees thereof from all loss, liability or claim because of, or arising out of the acts or omissions of Contractor, its agents and employees, in the performance of this agreement or arising out of the use of any patent or patented article in the performance of this agreement.

FOURTH: The Contractor hereby grants to County, or any agent or employee of County, the irrevocable permission to enter upon the lands of the subject land division for the purpose of completing the improvements. This permission shall terminate in the event that Contractor has completed work within the time specified or any extension thereof granted by the County.

SIXTH: Contractor, its agents and employees, shall give notice to the Director of Transportation at least 48 hours before beginning any work and shall furnish said Director of Transportation all reasonable facilities for obtaining full information with respect to the progress and manner of work.

SEVENTH: If Contractor, its agents or employees, neglects, refuses, or fails to prosecute the work with such diligence as to insure its completion within the specified time, or within such extensions of time which have been granted by County, or if Contractor violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, Contractor shall be in default of this agreement and notice of such default shall be served upon Contractor. County shall have the power, on recommendation of the Director of Transportation, to terminate all rights of Contractor because of such default. The determination by the Director of Transportation of the question as to whether any of the terms of the agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the Contractor, and any and all parties who may have any interest in the agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to County under law. The failure of the Contractor to commence construction shall not relieve the Contractor or surety from completion of the improvements required by this agreement.

EIGHTH: Contractor agrees to file with County, prior to the date this agreement is executed, a good and sufficient improvement security in an amount not less than the estimated cost of the work and improvements for the faithful performance of the terms and conditions of this agreement, and good and sufficient security for payment of labor and materials in the amount prescribed by Article XVII of Riverside County Ordinance 460 to secure the claims to which reference is made in Title 3 (commencing with Section 9000) of Part 6 of Division 4 of the Civil Code of the State of California. Contractor agrees to renew each and every said bond or bonds with good and sufficient sureties or increase the amount of said bonds, or both, within ten (10) days after being notified by the Director of Transportation that the sureties or amounts are insufficient. Notwithstanding any other provisions herein, if Contractor fails to take such action as is necessary to comply with said notice, Contractor shall be in default of this agreement unless all required improvements are completed within ninety (90) days of the date on which the Director of Transportation notified Contractor of the insufficiency of the security or the amount of the bonds or both.

NINTH: It is further agreed by and between the parties hereto, including the surety or sureties on the bonds securing this agreement, that, in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this agreement, extensions of time may be granted, from time to time, by County, either at its own option, or upon request of Contractor, and such extensions shall in no way affect the validity of this agreement or release the surety or sureties on such bonds. Contractor further agrees to maintain the aforesaid bond or bonds in full force and effect during the terms of this agreement, including any extensions of time as may be granted therein.

TENTH: It is understood and agreed by the parties hereto that if any part, term or provision of this agreement is by the courts held to be unlawful and void, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain that particular part, term or provision held to be invalid.

THIRD: County shall not, nor shall any officer or employee of County, be liable or responsible for any accident, loss or damage happening or occurring to the works specified in this agreement prior to the completion and acceptance thereof, nor shall County or any officer or employee thereof, be liable for any persons or property injured by reason of the nature of the work, or by reason of the acts or omissions of Contractor, its agents or employees, in the performance of the work, and all or said liabilities are assumed by Contractor. Contractor agrees to protect, defend, and hold harmless County and the officers and employees thereof from all loss, liability or claim because of, or arising out of the acts or omissions of Contractor, its agents and employees, in the performance of this agreement or arising out of the use of any patent or patented article in the performance of this agreement.

FOURTH: The Contractor hereby grants to County, the Surety upon any bond, and to the agents, employees and contractors of either or them, the irrevocable permission to enter upon the lands of the subject land division for the purpose of completing the monumentation. This permission shall terminate in the event that Contractor or the Surety has completed work within the time specified or any extension thereof granted by the County. It is further agreed that Contractor shall have control of the ground reserved for the installation of said work, and the streets in which they are to be placed, as is necessary to allow Contractor to carry out this agreement.

FIFTH: Contractor agrees to file with County prior to the date this contract is executed, an acceptable and sufficient improvement security in an amount not less than the estimated cost of the work, as above specified, for the faithful performance of the terms and conditions of this agreement, and for the payment of the amount of the improvement security to the County for the benefit of any surveyor or engineer who has not been paid by the Contractor, as provided for by Section 66495 et seq. of the Government Code of the State of California. Contractor agrees to renew each and every said bond or bonds with good and sufficient sureties or increase the amount of said bonds, or both, within ten (10) days after being notified by the Director of Transportation that the sureties or amounts are insufficient. Notwithstanding any other provisions herein, if Contractor fails to take such action as is necessary to comply with said notice, Contractor shall be in default of this agreement unless all required improvements are completed within ninety (90) days of the date on which the Director of Transportation notified Contractor of the insufficiency of the security or the amount of the bonds or both.

SIXTH: If contractor neglects, refuses, or fails to prosecute the work as to insure its completion within the time specifies, or within such extensions of time which have been granted by County, or if Contractor violates, neglects, refuses, or fails to perform satisfactorily any of the provisions of the plans and specifications, Contractor shall be in default of this agreement. County shall have the power, on recommendation of the Director of Transportation, to terminate all rights of Contractor in such agreement, but said termination shall not affect or terminate any of the rights of County as against Contractor or its Surety then existing or which thereafter accrue because of such default. The determination of the County Surveyor of the question as to whether any of the terms of the agreement or specifications have been violated, or have not been performed satisfactorily, shall be conclusive upon the Contractor, its Surety, and any and all parties who may have any interest in the agreement or any portion thereof. The foregoing provisions of this section shall be in addition to all other rights and remedies available to County under law. The failure of the Contractor to commence construction shall not relieve the Contractor or surety from completion of the improvements required by this agreement.

SEVENTH: It is further agreed by and between the parties hereto, including the surety or sureties on the bonds securing this agreement, that, in the event it is deemed necessary to extend the time of completion of the work contemplated to be done under this agreement, extensions of time may be granted, from time to time, by County, either at its own option, or upon request of Contractor, and such extensions shall in no way affect the validity of this agreement or release the surety or sureties on such bonds. Contractor further agrees to maintain the aforesaid bond or bonds in full force and effect during the terms of this agreement, including any extensions of time as may be granted therein.

EIGHTH: It is understood and agreed by the parties hereto that if any part, term or provision of this agreement is by the courts held to be unlawful and void, the validity of the remaining portions shall not be affected and the rights and obligations of the parties shall be construed and enforced as if the agreement did not contain that particular part, term or provision held to be invalid.

NINTH: Any notice or notices required or permitted to be given pursuant to this agreement shall be served on the other party by mail, postage prepaid, at the following addresses:

3.4.3 Acceptance of Association Property and Association Maintenance Areas. The nature, design, quality and quantity of all Improvements to the Association Property and other Association Maintenance Areas shall be determined by Declarant, in its sole discretion. The Association shall accept title to and maintenance responsibility for each portion of the Association Property and Association Maintenance Areas. The Association shall periodically review the nature and scope of the operations of the Association to assure such operations are in satisfactory compliance with the requirements of the Governing Documents and the Maintenance Guide. The Association shall comply with the requirements of any agreements entered into between Declarant and a Governmental Agency pertaining to the Association Property and Association Maintenance Areas. In the event that a dispute arises between Declarant and the Association with respect to the nature, design, quality or quantity of such Improvements, or the acceptance of maintenance responsibilities therefore, the Association shall be obligated to accept title to the Association Property and any easements over the Association Maintenance Areas and undertake maintenance responsibilities therefore, pending resolution of the dispute, in accordance with the provisions for enforcement set forth in Article 15.

3.4.4 Utilities. The Association shall provide and pay for water and other utility services for the Association Property and Association Maintenance Areas to the extent necessary. The Association shall permit utility suppliers and other providers of any telecommunications or other services to use portions of the Association Property reasonably necessary to the ongoing development and operation of the Community.

3.4.5 Management. The Association shall retain a professional manager or other Persons and contract with independent contractors or managing agents who have professional experience in the management of similar communities to perform any services required for the maintenance, protection, operation and preservation of the Community.

3.4.6 Taxes, Assessments and Liens. The Association shall pay all real and personal property taxes levied against the Association Property or personal property owned by the Association. The Association shall pay any amount necessary to discharge any lien or encumbrance upon the Association Property, the Association Maintenance Areas, or any other property of the Association.

3.4.7 Architectural Control. The Association shall promulgate architectural standards and procedures as it deems appropriate, may appoint or remove members of the Design Review Committee and may hire a consultant in connection therewith in accordance with the provisions of Article 8.

3.4.8 Association Rules. The Association shall adopt and be entitled to modify and enforce the Association Rules as it deems reasonable. The Association Rules shall govern the Community. However, the Association Rules shall not be inconsistent with or materially alter any provisions of the Governing Documents. A copy of the Association Rules, as adopted, amended or repealed, shall be mailed or otherwise delivered to each Owner. In case of any conflict between any of the Association Rules and any other provisions of this Declaration, the conflicting Association Rule shall be deemed to be superseded by the provisions of the Governing Documents. Notwithstanding any provision of this Declaration to the contrary and to the extent Civil Code Section 4340, *et seq.*, is applicable to the Association Rules, any rule which is considered to be an operating rule under California Civil Code Section 4340, *et seq.*, may not be adopted, changed or amended except by and pursuant to the procedures set forth in California Civil Code Section 4340, *et seq.*

3.4.9 Warranties. The Association shall comply with the terms of each warranty in favor of the Association, if any, for any equipment or facilities within the Association Property and/or Association Maintenance Areas, which warranties may be impaired or eliminated if the Association fails to maintain in compliance with a warranty or if it fails to keep in effect certain maintenance contracts.

3.4.10 Maintenance Guides. The Association shall maintain at the offices of the Association a copy of the Owner Maintenance Guide(s) provided by Declarant to the Owners and shall make available to every Owner upon request a copy of the Owner Maintenance Guide for such Owner's home. The Association shall have the right to charge the requesting Owner a fee for the copying of such Owner Maintenance Guide. The Association shall also comply with provisions of the Association Maintenance Guide provided by Declarant to the Association. The Association may, from time to time, make appropriate revisions to the Association Maintenance Guide based on the Board's review thereof to update such guide to provide for maintenance according to current industry practices so long as such changes do not reduce the useful life or functionality of the items being maintained. The Association shall require that any management company hired by the Association for the Community: (i) ensures that review of the Association Maintenance Guide requirements and issues is included on the agenda of each meeting of the Board; (ii) ensures that the Association Maintenance Guide is brought to each regular meeting of the Board; and (iii) ensures that the Association Maintenance Guide is updated with all inspection reports for the Association Property or other Association maintained areas.

3.4.11 Minutes of Board Meetings. The Association shall supply copies of the minutes or a summary of the minutes of any meeting of the Board to Declarant within thirty (30) days of the applicable meeting of the Board for a period of one (1) year after the conveyance of the last Residential Lot within the Property by Declarant to a First Purchaser.

3.4.12 Dedications to the County. Certain portions of the Property may have been dedicated to the County on the Final Map. If the County does not accept such dedications, the Association shall be required to accept the conveyance of such Property in fee title. The Association's acceptance of such transfer shall be through the president of the Association who shall be authorized to execute any document(s) required to facilitate transfer of such areas or any portion thereof.

3.5 Limitations on Authority of Board.

3.5.1 Actions Requiring Member Approval. The Association shall not take any of the actions listed below except with the vote or written consent of: (a) a majority of the Members of each of Class A and Class B Members during the time the Class B voting structure set forth in Section 4.2.2 is in effect; or (b) the vote at a meeting of the Association, or by written ballot without a meeting pursuant to Corporations Code Section 7513, of at least a majority of the Members of the Association including at least a majority of Association Members other than Declarant after conversion to a single Class A voting membership.

(a) Limit on Capital Improvements. The Association shall not, without obtaining the consent of the Members as set forth above, incur aggregate expenditures for capital improvements to the Association Property or Association Maintenance Areas in any Fiscal Year in excess of five percent (5%) of the budgeted gross expenses of the Association for that Fiscal Year;

(b) **Limit on Sales of Association Property.** The Association shall not sell during any Fiscal Year property of the Association having an aggregate fair market value greater than five percent (5%) of the budgeted gross expenses of the Association for that Fiscal Year.

(c) **Limit on Compensation.** The Association shall not pay compensation to Members for services performed in the conduct of the Association's business; provided, however, the Board may cause a member of the Board to be reimbursed for expenses incurred in carrying on the business of the Association.

(d) **Limit on Third Person Contracts.** The Association shall not enter into a contract with a third person wherein the third person will furnish goods or services for the Association Property or the Association Maintenance Areas, for a term longer than one (1) year with the following exceptions:

(i) management contract, the terms of which have been approved by the Federal Housing Administration or Veterans Administration;

(ii) a contract with a public utility company if the rates charged for the materials or services are regulated by the Public Utilities Commission; provided, however, that the term of the contract shall not exceed the shortest term for which the supplier will contract at the regulated rate;

(iii) an agreement for cable television services and equipment or satellite television services or equipment not to exceed five (5) years duration, provided that the supplier is not an entity in which Declarant has a direct or indirect ownership interest of ten percent (10%) or more;

(iv) an agreement for the sale or lease of burglar alarm and fire alarm equipment, installation and services not to exceed five (5) years duration, provided that the supplier is not an entity in which Declarant has a direct or indirect ownership interest of ten percent (10%) or more;

(v) a prepaid casualty and/or liability insurance policy not to exceed three (3) years duration; provided that the policy permits for short-rate cancellation by the insured;

(vi) a contract for a term not to exceed three (3) years that is terminable by the Association after no longer than one (1) year without cause, penalty or other obligations upon ninety (90) days written notice of termination to the other party;

(vii) a contract which has been submitted to the DRE in connection with an application for a Public Report or for any other purpose; and

(viii) any maintenance agreement for the maintenance of any portion of the Association Property and the Association Maintenance Areas which is required as a condition to the effectiveness of any warranty in favor of the Association.

3.5.2 Property Manager. The manager of the Association shall at all times be a professional manager operating as an independent contractor. The Association shall not discontinue the management of the Association by a professional, and certified or accredited

management company without the vote of: (a) Declarant, so long as Declarant owns any Residential Lot within the Property or Annexable Property; and (b) a vote in accordance with Section 12.9; provided, however, that nothing contained in this Section 3.5.2 shall be deemed to prohibit or restrict the Board from changing professional management companies from one professional management company to another. If the Association decides to change professional management companies from one professional management company to another, then any replacement manager shall have at least five (5) years' experience in the management of similar communities and shall have earned accreditation or certification from a professional association management organization such as the Professional Community Association of Managers designation from the Community Association Institute.

3.6 Indemnification of Management Parties. No volunteer officer or volunteer director of the Board, or of any committee of the Association, or any officer of the Association, or any manager, or Declarant, or any agent or employee or consultant of Declarant (each a "Management Party"), shall be personally liable to any Owner or to any other party, including the Association, for any act or omission of any Management Party if such Person has, on the basis of such information as was actually possessed by him or her, acted in good faith without willful, wanton or gross misconduct when performing an act within the scope of the Person's duties (collectively, an "Official Act"). The Association has the power and duty to indemnify, defend, protect and hold harmless each Management Party for all damages and expenses incurred (including, without limitation, reasonable attorney's fees and costs), and to satisfy any judgment or fine levied as a result of any action or threatened action brought because of an act or omission which such Person reasonably believed was an Official Act. Management Parties are deemed to be agents of the Association when they are performing Official Acts for purposes of obtaining indemnification from the Association pursuant to this Section. The entitlement to indemnification under this Declaration inures to the benefit of the successors-in-interest of any Person entitled to such indemnification. The Association has the power, but not the duty, to indemnify any other Person acting as an agent of the Association for damages incurred, pay expenses incurred, and satisfy any judgment or fine levied as a result of any action or threatened action because of an Official Act. The Association also has the power, but not the duty, to contract with any person to provide indemnification in addition to any indemnification authorized by Applicable Laws on such terms and subject to such conditions as the Association may impose.

3.7 Additional Provisions. Certain laws apply to the operation of the Association and the Property by the Association, including, without limitation, the Davis Stirling Common Interest Development Act of Section 4000, *et seq.*, of the California Civil Code, and the Association shall comply with all Applicable Laws.

ARTICLE 4 MEMBERSHIP AND VOTING RIGHTS IN ASSOCIATION

The Association will function as a corporate entity with Members who will participate in the governance of the various areas. This Article describes the membership of the Association. This Article also establishes the classes of voting rights. Additional provisions regarding the procedures for elections to and meetings of the Board are set forth in the Bylaws.

4.1 Membership.

4.1.1 Qualifications. Each Owner of a Residential Lot which is subject to Assessment, including Declarant shall be a Member of the Association. Ownership of a Residential Lot shall be the sole qualification for membership in the Association. Each Owner

shall remain a Member of the Association until such Owner's ownership interest in a Residential Lot ceases, at which time such Owner's membership in the Association shall automatically cease. Any reference in this Declaration to a vote of the Members shall refer only to those Members against whose Residential Lot Assessments have commenced unless otherwise specified in the Governing Documents.

4.1.2 Members' Rights and Duties. Each Member shall have the rights, duties, and obligations set forth in the Governing Documents, as the same may from time to time be amended.

4.1.3 Approval by Members. Except as otherwise provided in the Governing Documents, all matters requiring the approval of Members shall be deemed approved if: (a) Members holding a majority of the total Voting Power consent to them in writing as provided in the Bylaws; or (b) such matters are approved by a majority vote of a quorum of Members at any regular or special meeting held in accordance with the Bylaws.

4.1.4 Transfer of Membership. The Association membership of each Owner shall be appurtenant to each such Residential Lot, and shall not be assigned, transferred, pledged, hypothecated, conveyed or alienated in any way except on a transfer of title to each such Residential Lot or interest in it and then only to the transferee. Any attempt to make a prohibited transfer shall be void. Any transfer of title to a Residential Lot or interest in it shall operate automatically to transfer the appurtenant membership right in the Association to the new Owner.

4.1.5 Commencement of Voting Rights. An Owner's right to vote, including Declarant's right to vote, shall not vest until Regular Assessments have been levied upon such Owner's Residential Lot as provided in this Declaration. All voting rights shall be subject to the restrictions and limitations provided for herein and in the other Governing Documents.

4.2 Number of Votes. The Association shall have two (2) classes of voting membership as described below. The voting rights described in Sections 4.2.1 and 4.2.2 shall constitute the Voting Power of the Association:

4.2.1 Class A Members. Class A Members shall be all Owners, with the exception of Declarant (until the conversion of Declarant's Class B membership to a Class A membership as provided in Section 4.2.2), and shall be entitled to one (1) vote for each Residential Lot owned. When more than one (1) Person holds an interest in any Residential Lot, all such Persons shall be Members. The vote for such Residential Lot shall be exercised as they among themselves determine, but in no event shall more than one (1) vote be cast with respect to such Residential Lot.

4.2.2 Class B Members. Class B Member(s) shall be Declarant, who shall be entitled to three (3) votes for each Residential Lot owned by Declarant in a Phase for which Assessments have commenced. The Class B membership shall cease and be converted to Class A membership on the happening of the earliest of the following to occur:

(a) The second anniversary of the first close of escrow for conveyance of a Residential Lot in a Phase covered by the most recently issued Public Report for any Phase of the Community; or

(b) The fourth anniversary of the first conveyance of a Residential Lot covered by the original Public Report for the first Phase of the Community.

As long as Class B membership exists, no action by the Association that must have the prior approval of the Members shall be deemed approved by the Members unless approved by the appropriate percentage of Class A and Class B Members, except as otherwise set forth in this Declaration. Upon conversion to a single Class A voting membership, any action by the Association that must have the prior approval of the Members will require approval by at least a majority of the Voting Power.

4.3 Declarant's Right to Select Director. In any election of Directors after the Class B membership has been terminated, so long as Declarant owns any of the Property or Annexable Property, the Board shall adopt special procedures to ensure that at least one (1) Director is selected by Declarant. A representative to the Board selected by Declarant pursuant to the provisions of this Section may be removed prior to the expiration of his or her term of office only with the consent of Declarant.

4.4 Joint Owner Votes. The voting rights for each Residential Lot may not be cast on a fractional basis. If the joint Owners of a Residential Lot are unable to agree among themselves as to how their voting rights shall be cast, they shall forfeit the vote on the matter in question. If any Owner exercises the voting rights of a particular Residential Lot, it will be conclusively presumed for all purposes that such Owner was acting with the authority and consent of all other Owners of the same Residential Lot. If more than one (1) Person exercises the voting rights for a particular Residential Lot, their votes shall not be counted and shall be deemed void.

ARTICLE 5 ASSESSMENTS

The Association will levy and collect various types of assessments to provide it with the funds it needs to perform its duties and obligations under this Declaration and the Governing Documents and for such other purposes as provided in this Article. This Article describes the Assessments which can be levied by the Association, the procedures for collection of such Assessments, and the rights and remedies if such Assessments are not paid when due.

5.1 Creation of Lien and Personal Obligation for Assessments. Declarant, for each Residential Lot owned within the Property, hereby covenants, and each Owner of a Residential Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all Assessments levied pursuant to the provisions of this Declaration. All Assessments levied hereunder, together with Additional Charges, shall be a charge on the land and shall be a continuing lien upon the Residential Lot of such Owner against which each such Assessment is made, the lien to be effective upon recordation of a Notice of Delinquent Assessment (defined below). Each such Assessment, together with Additional Charges, shall also be the personal obligation of the Person who was the Owner of such Residential Lot at the time when the Assessment fell due and shall bind its heirs, devisees, personal representatives and assigns. Unlike the lien for non-delinquent Assessments, the personal obligation for delinquent Assessments shall not pass to successive Owners, unless expressly assumed by such successive Owner. No such assumption of personal liability by a successor Owner shall relieve any Owner against whose Residential Lot the lien was levied from personal liability for delinquent Assessments. If more than one Person is the Owner of a Residential Lot, the personal obligation to pay such Assessment or installment respecting such Residential Lot shall be both joint and several.

5.2 Funds Held in Trust. The Assessments collected by the Association shall be held by the Association for and on behalf of each Owner and shall be used solely for the operation, care and maintenance of the Community. Upon the sale or transfer of any Residential Lot, the Owner's interest in the funds shall be deemed automatically transferred to the successor in interest of such Owner. A general operating fund shall be established for current expenses of the Association.

5.3 Purpose of Assessments. The Assessments levied by the Association shall be used exclusively to perform the obligations and duties of the Association, including, without limitation, the improvement and maintenance of the Association Property, and Association Maintenance Areas and for any other maintenance responsibilities of the Association, and to reimburse the Association for the costs incurred in bringing an Owner into compliance with the Governing Documents. The Association shall not impose or collect any Assessment, penalty or fee that exceeds the amount necessary for the purpose or purposes for which it is levied. If the Association decides to use or transfer reserve funds to pay for litigation, the Association must provide general notice to its Members of the decision in accordance with California Civil Code Sections 4045 and 5520. Such notice shall provide an explanation of why the litigation is being initiated or defended, why operating funds cannot be used, how and when the reserve funds will be replaced, and a proposed budget for the litigation. The notice must state that the Members have a right to review an accounting for the litigation as provided in California Civil Code Section 5520 which will be available at the Association's office. The accounting shall be updated monthly.

5.4 Regular Assessments.

5.4.1 Payment of Regular Assessments. The Assessments for Common Expenses ("Regular Assessment") for each Fiscal Year shall be established when the Association approves the Budget for that Fiscal Year, which Budget shall be prepared in accordance with the provisions of the Governing Documents. Regular Assessments shall be levied on a Fiscal Year basis. Unless otherwise specified by the Board, Regular Assessments shall be due and payable in monthly installments on the first day of each month during the term of this Declaration. Declarant's obligation or subsidy for such Regular Assessments may be reduced in accordance with the terms of any maintenance or subsidy agreement executed by Declarant and the Association.

5.4.2 Budgeting. Each fiscal year the Association shall prepare, approve and make available to each Member a Budget as described in the Bylaws not less than thirty (30) days nor more than ninety (90) days prior to the beginning of the Fiscal Year or as otherwise required by Applicable Laws.

5.4.3 Restrictions for Tax Exemption. As long as the Association seeks to qualify and be considered as an organization exempt from federal and state income taxes pursuant to Internal Revenue Code Section 528 and California Revenue and Taxation Code Section 23701t and any amendments thereto, then the Board shall prepare its annual Budget and otherwise conduct the business of the Association in such a manner consistent with federal and state requirements to qualify for such status.

5.4.4 Reallocation of Assessments. After conveyance of the first Residential Lot in a Phase to a First Purchaser, the Assessments shall be reallocated among all Residential Lots, including those in the Annexable Property, in the same manner as described above.

5.4.5 Non Waiver of Assessments. If the Association fails to fix Regular Assessments for the next Fiscal Year before the expiration of the then-current Fiscal Year, the Regular Assessment established for the preceding year shall continue until a new Regular Assessment is fixed.

5.4.6 Supplemental Assessments. If the Board determines that the Association's essential functions may be properly funded by a Regular Assessment in an amount less than the maximum authorized Regular Assessment described above, it may levy such lesser Regular Assessment. If the Board determines that the estimate of total charges for the current year is or will become inadequate to meet all Common Expenses, it shall determine the approximate amount of the inadequacy. Subject to the limits described in Section 5.8, the Board may levy a supplemental Regular Assessment reflecting a revision of the total charges to be assessed against each Residential Lot.

5.5 Special Assessments. If the Association determines at any time that the estimated total amount of funds necessary to fund the Common Expenses of the Association for a given Fiscal Year is or will become inadequate to meet expenses for any reason, including, without limitation, unanticipated delinquencies, costs of construction, unexpected repairs or replacements of capital improvements on, damage and destruction or condemnation of the Association Property, Association Maintenance Areas or any other areas which the Association is obligated to maintain, the Board shall determine the approximate amount necessary to defray such expenses, and may levy a special assessment ("Special Assessment"). Special Assessments shall be subject to the limitations set forth in Section 5.8; provided, however, that such limitation shall not apply to Special Assessments levied by the Board to replenish the Association's reserve account as provided in the Article of the Bylaws entitled "Association's Accounts." The Board may, in its discretion, prorate such Special Assessment over the remaining months of the Fiscal Year or levy the Assessment immediately against each Residential Lot as to which Assessments have commenced. The Association must comply with California Civil Code Section 5610.

5.6 Capital Improvement Assessment. In addition to any other Assessments provided for hereunder, the Association may levy a capital improvement assessment for the purpose of defraying, in whole or in part, the cost of any construction or replacement of a capital improvement ("Capital Improvement Assessment"). Capital Improvement Assessments shall be due and payable by all Owners in such installments and during such period or periods as the Board shall designate. Capital Improvement Assessments shall be subject to the limitations set forth in Section 5.8.

5.7 Compliance Assessments. The Association may levy an assessment ("Compliance Assessment") against any Owner for bringing the Owner or the Owner's Residential Lot into compliance with the provisions of the Governing Documents and/or any other charge designated a Compliance Assessment in the Governing Documents, together with any Additional Charges. The Association shall have the authority to adopt a reasonable schedule of Compliance Assessments for any violation of the Governing Documents. If, after Notice and Hearing which satisfies California Corporations Code Section 7341 and California Civil Code Section 5855, the Owner fails to cure or continues such violation, the Association may impose an additional fine each time the violation is repeated and may assess such Owner and enforce the Compliance Assessment as herein provided for nonpayment of an Assessment. A hearing committee may be established by the Association to administer the foregoing. A Compliance Assessment imposed by the Association as a means to reimburse the Association for costs incurred by the Association in the repair of damage to Association Property and facilities caused by a Member or a Member's

Invitee may become a lien against the Member's Residential Lot enforceable by the sale of the interest under Sections 2924, 2924b and 2924c. Notwithstanding any other provision in this Declaration to the contrary, except as provided in Section 5.13, Compliance Assessments imposed by the Association as a disciplinary measure for failure of a Member to comply with the Governing Documents are Assessments but they may not become a lien against the Owner's Residential Lot that is enforceable by a power of sale under California Civil Code Sections 2924, 2924b and 2924c; provided, however, that this restriction on Compliance Assessment liens imposed by the Association as a disciplinary measure for failure of a Member to comply with the Governing Documents does not apply to late payments.

5.8 Changes to Assessments.

5.8.1 Limitation on Assessments. From and after January 1st of the year immediately following the conveyance of the first Residential Lot to a First Purchaser, the annual Regular Assessment may not, except in the case of an Emergency, be increased by an amount greater than twenty percent (20%) of the Regular Assessments for the preceding Fiscal Year, and Special Assessments and Capital Improvement Assessments shall not be imposed that in the aggregate exceed five percent (5%) of the budgeted gross expenses of the Association for that Fiscal Year, without the consent of the Members, constituting a quorum and casting a majority of the votes at a meeting or election of the Association conducted in accordance with the provisions of: (a) California Civil Code Section 5100, *et seq.* and the rules adopted by the Board pursuant thereto; and (b) California Corporations Code Sections 7510, *et seq.* and 7613. The Board may not increase the Regular Assessments for any Fiscal Year unless it has complied with California Civil Code Section 5605. For the purpose of this Section, a quorum shall mean more than fifty percent (50%) of the Members of the Association, pursuant to California Civil Code Section 4070, and an Emergency shall mean any one of the following:

- (a) An extraordinary expense required by an order of a court;
- (b) An extraordinary expense necessary to repair or maintain the Association Property, Association Maintenance Areas, or other portions of the Community that the Association is obligated to maintain where a threat to personal safety is discovered; or
- (c) An extraordinary expense necessary to repair or maintain the Association Property, Association Maintenance Areas, or other portion of the Community that the Association is obligated to maintain that could not have been reasonably foreseen by the Board in preparing and distributing the Budget required under this Declaration and the Bylaws and California Civil Code Section 5300.

5.8.2 Calculation of Percentage Increase in Regular Assessments. For the purpose of calculating whether an increase to Regular Assessments exceeds twenty percent (20%), the term "Regular Assessments" shall be deemed to include the amount assessed against each Residential Lot as a Regular Assessment plus any amount paid by Declarant as a subsidy pursuant to any subsidy agreements, to the extent such subsidy payments offset any amount which would otherwise be paid by Owners as Regular Assessments. Any increases authorized under this Section shall not be imposed unless the Board has complied with the budgetary requirements set forth in the Article of the Bylaws with respect to the Fiscal Year for which an Assessment is being levied.

5.8.3 Range of Assessments. During the period in which the Community is being built out and additional Phases may be annexed without the approval of the Association,

Declarant, with the DRE's approval, has established a range of assessments in accordance with a budget on file with and reviewed by the DRE. The range in the amount of the monthly installment of annual Assessments has been established by calculating an initial "minimum annual assessment" and a "maximum annual assessment." Under this range procedure, as additional Phases are annexed into the Community, the monthly installment of annual Assessments levied by the Association can automatically increase or decrease, but will remain within the range stated in the DRE-reviewed Budget as set forth in the Public Report issued by the DRE for such Phases. Except as otherwise provided herein, during any given fiscal year, the Board shall not levy an annual Assessment that exceeds the approved maximum annual Assessment for that Fiscal Year. Notwithstanding the foregoing, annual Assessments may be increased as provided in Section 5.9.

5.9 Allocation of Assessments to Residential Lots. The Assessments shall be allocated as set forth below.

5.9.1 Regular Assessments. Regular Assessments shall be fixed at a uniform rate for all Residential Lots and may be collected on a monthly basis and shall be determined by dividing the amount of the Assessment by the total number of Residential Lots then within the Community and subject to assessment.

5.9.2 Other Community Assessments. Special Assessments and Capital Improvement Assessments shall be allocated in the same manner as Regular Assessments. Compliance Assessments shall be levied directly to the individual Residential Lots in a manner consistent with the provisions of Section 5.7.

5.10 Date of Commencement of Regular Assessments. The Regular Assessments shall commence as to all Residential Lots in a Phase subject to this Declaration on the first day of the month following the conveyance of the first Residential Lot in that Phase to First Purchaser.

5.10.1 Model Homes. In no event shall any sale or leaseback to Declarant of any Residential Lot being used as a model home, sales office, design center, construction office or similar purpose ("Model Home") and which is not occupied as a residence cause the commencement of Assessments if Assessments have not otherwise commenced through a conveyance of a Residential Lot in the Phase to an Owner who will occupy the Residence within such Residential Lot. Declarant shall be responsible to insure and maintain all portions of the Phase in which the Model Home is located until the date Regular Assessments commence against the Residential Lot being used as a Model Home.

5.11 Notice and Assessment Due Dates. The Association shall provide notice by first class mail to each Owner (pursuant to California Civil Code Section 4040) of an increase in the Regular Assessment and notice of any Special Assessment or Capital Improvement Assessment (or increase therein) not less than thirty (30) days nor more than sixty (60) days prior to the increased Regular Assessment or the Special Assessment or Capital Improvement Assessment becoming due. The due dates for the payment of Regular Assessments normally shall be the first day of each month unless some other due date is established by the Association. The due date for Special Assessments or Capital Improvement Assessments shall be specified in the notice provided by the Association and if such Special Assessments or Capital Improvement Assessments are payable in installments, such installments normally shall be due the first day of each month unless some other due date is established by the Association. Each installment of Regular Assessments, Special Assessments and Capital Improvement Assessments shall become delinquent if not paid within fifteen (15) days after its due date. Additional Charges shall

accrue with each delinquent installment but shall not, in any event, exceed the maximum rates permitted under California Civil Code Section 5600, *et seq.*

5.11.1 Additional Charges. As used in this Declaration, the other Governing Documents, Additional Charges means costs, fees, charges and expenditures, including, without limitation, attorneys' fees and costs, late charges, interest, administrative charges and recording and filing fees actually incurred by the Association in collecting and/or enforcing payment of Assessments, and other amounts levied under this Declaration. Additional Charges include, without limitation, the following:

(a) Reasonable attorneys' fees and costs incurred in the event an attorney is employed to collect any Assessment or sum due, whether by suit or otherwise;

(b) A late charge in an amount to be fixed by the Association in accordance with California Civil Code Section 5650 to compensate the Association for additional collection costs incurred in the event any Assessment or other sum is not paid when due or within any "grace" period established by Applicable Laws;

(c) Costs of suit and court costs incurred as are allowed by the court;

(d) Interest at the Applicable Rate; and

(e) Any such other additional costs that the Association may incur in the process of collecting delinquent Assessments.

5.12 Estoppel Certificate. On not less than ten (10) days' prior written request, the Association shall execute, acknowledge and deliver to the party making such request a statement in writing stating both of the following: (a) whether or not, to the knowledge of the Association, a particular Owner is in default in connection with the payment of Assessments as to such Owner's Residential Lot; and (b) the dates to which installments of Assessments, have been paid as to such Residential Lot. Any such statement may be relied on by any prospective purchaser or Mortgagee of the Residential Lot, but reliance on such statement may not extend to any default not involving the payment of Assessments of which the signer had no actual knowledge.

5.13 Collection of Assessments; Liens.

5.13.1 Right to Enforce. The right to collect and enforce Assessments is vested in the Board acting for and on behalf of the Association. The Board may enforce the obligations of the Owners to pay Assessments provided for in this Declaration by commencement and maintenance of a suit at law or in equity, or the Board may foreclose by judicial proceedings or through the exercise of the power of sale pursuant to Section 5.13.5 enforce the lien rights created. Suit to recover a money judgment for unpaid Assessments together with all other Additional Charges shall be maintainable without foreclosing or waiving the lien rights. Notwithstanding anything else to the contrary herein, a monetary penalty imposed by the Association as a disciplinary measure for failure of a Member to comply with the Governing Documents or in bringing the Member and its Residential Lot into compliance with the Governing Documents may not be characterized nor treated as an Assessment that may become a lien against the Member's Residential Lot enforceable by a sale of the interest hereunder. The limitation in the preceding sentence however, does not apply to any Additional Charges.

5.13.2 Notice of Assessments and Foreclosure. The Association shall distribute a written notice regarding Assessments and foreclosure as set forth in California Civil Code Section 5730 during the sixty (60) day period immediately preceding the beginning of the Association's Fiscal Year.

5.13.3 Delinquent Assessments. In collecting delinquent Assessments, the Association shall comply with the requirements of California law, including, without limitation, California Civil Code Section 5650. As of the date of this Declaration, such laws require that, among other things, before the Association records a lien against the Owner's Residential Lot, the Association shall: (a) notify the delinquent Owner of certain matters; and (b) offer and, if requested by the Owner, participate in, dispute resolution procedures pursuant to the Association's "meet and confer" program required by California Civil Code Sections 5900 through 5920.

5.13.4 Assignment. The Association may not voluntarily assign or pledge the Association's right to collect payments or Assessments, or to enforce or foreclose a lien to a third party except where provided under California Civil Code Section 5735.

5.13.5 Notice of Default; Foreclosure. The Association can record a notice of default and, subject to the requirements and limitations of California Civil Code Section 5700, *et seq.*, can cause the Residential Lot with respect to which a notice of default has been recorded to be sold either in the same manner as a sale is conducted under California Civil Code Sections 2924, 2924b and 2924c or through judicial foreclosure and as provided in California Civil Code Section 5700, *et seq.* However, as a condition precedent to the holding of any such sale under Section 2924c, appropriate publication shall be made. In connection with any such sale, the Board is authorized to appoint a trustee for purposes of conducting the sale. If a delinquency is cured before sale of the Residential Lot or before completing a judicial foreclosure, or if it is determined that a lien previously recorded against a Residential Lot was recorded in error, the Board shall apply payments and follow the procedures set forth in California Civil Code Section 5685. On becoming delinquent in the payment of any Assessment or installment, each delinquent Owner shall be deemed to have absolutely assigned all rent, issues and profits of its Residential Lot to the Association and shall further be deemed to have consented to the appointment of a receiver (which appointment may, at the election of the Association, be enforced by the Association through specific performance). The Association, acting on behalf of the Owners, shall have the power to bid upon the Residential Lot at foreclosure sale and to acquire, hold, lease, mortgage and convey the Residential Lot and vote as an Owner of the Residential Lot.

5.13.6 Creation of Lien. If there is a delinquency in the payment of any Assessment (other than a Compliance Assessment), any amounts that are delinquent, together with any Additional Charges, shall be a lien against the defaulting Owner's Residential Lot upon the recordation in the Official Records of a notice of delinquent assessment ("Notice of Delinquent Assessment") as provided in California Civil Code Section 5675. After its recordation, the Notice of Delinquent Assessment shall be mailed to all Owners of record for the Residential Lot for which the lien is being filed as provided in California Civil Code Section 5675.

5.13.7 Payment of Assessments. Any payments of sums due under this Article shall first be applied to Assessments owed, and only after Assessments owed have been paid in full shall the payments be applied to the Additional Charges. If an Owner requests a receipt after payment of a delinquent Assessment, the Association shall provide a receipt which sets forth the date of payment and the individual who received such payment.

5.14 Additional Charges. In addition to any other amounts due or any other relief or remedy obtained against an Owner who is delinquent in the payment of any assessments, each Owner agrees to pay Additional Charges incurred or levied by the Association including such additional costs, fees, charges and expenditures as the Association may incur or levy in the process of collecting from that Owner monies due and delinquent subject to California Civil Code Section 5650, *et seq.*

5.15 Waiver of Exemptions. Each Owner, to the extent permitted by Applicable Laws, waives, to the extent of any liens created pursuant to this Article, the benefit of any homestead or exemption laws of California in effect at the time any Assessment or installment becomes delinquent or any lien is imposed.

5.16 Subordination of Lien to First Mortgages. When a Notice of Delinquent Assessment has been recorded, such Assessment shall constitute a lien on such delinquent Owner's Residential Lot prior and be superior to all other liens, except: (a) all taxes; (b) bonds; (c) assessments and other levies that, by law, would be superior thereto; and (d) any First Mortgage now or hereafter placed upon any Residential Lot subject to Assessment. The sale or transfer of any Residential Lot pursuant to judicial or nonjudicial foreclosure (excluding a transfer by a deed in lieu of foreclosure) of a First Mortgage shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Residential Lot from any Assessments thereafter becoming due or from the lien of any subsequent Assessment. Where the Mortgagee of a First Mortgage or other purchaser of a Residential Lot obtains title to the same as a result of foreclosure (excluding a transfer by a deed in lieu of foreclosure), such acquiror of title, and his or her successors and assigns, shall not be liable for the share of the Common Expenses or Assessments chargeable to such Residential Lot that became due prior to the acquisition of title to such Residential Lot by such acquiror, except for a share of such charges or Assessments resulting from a reallocation of such charges or Assessments that are made against all Residential Lots.

5.17 No Offsets. All Assessments shall be payable in the amounts specified by the particular Assessment, and no offsets against such amounts shall be permitted for any reason, including, without limitation, a claim that the Association is not properly exercising its duties of maintenance, operation or enforcement.

5.18 Personal Liability of Owner. No Owner may exempt himself or herself from personal liability for Assessments, nor any part thereof, levied by the Association, nor release the Residential Lots owned by him or her from the liens and charges hereof by waiver of the use and enjoyment of the Association Property and facilities thereof, or by abandonment of such Owner's Residential Lots.

5.19 Transfer of Residential Lots. After transfer or sale of a Residential Lot, the selling Owner(s) shall not be liable for any Assessment levied on such Residential Lot after the date of transfer of ownership and written notice of such transfer is delivered to the Association. The selling Owner shall remain responsible for all Assessments and charges levied on his or her Residential Lot prior to any such transfer.

5.20 Failure to Fix Assessments. The omission by the Board to fix the Assessments hereunder before the expiration of any Fiscal Year for that or the next year shall not be deemed either a waiver or modification in any respect of the provisions of this Declaration or a release of the Owner from the obligation to pay the Assessments or any installment thereof for that or any

subsequent Fiscal Year, but the Assessment fixed for the preceding Fiscal Year shall continue until a new Assessment is fixed.

5.21 Property Exempt From Assessments. The Association Property shall be exempt from the Assessments, charges and liens created herein.

5.22 Uncompleted Facilities. Although no land or Improvements devoted to dwelling use in the Community shall be exempt from Assessment, the Board may, but shall have no obligation to, exclude from the Regular Assessments those portions of budgeted Common Expenses that are for the purpose of defraying expenses and reserves directly attributable to the existence of Improvements to be maintained by the Association that are not complete at the time of the Assessment. Any such exemption from the payment of Assessment shall be in effect only until the earlier to occur of the following: (a) a notice of completion for the subject Association Property has been recorded; or (b) the Association Property has been placed into use.

5.23 Association Property Improvements. If the Improvements to be installed by Declarant on the Association Property in a Phase have not been completed prior to the issuance by the DRE of a Final Subdivision Public Report covering the Phase, and in the further event that the Association is the obligee under a bond to secure performance by Declarant to complete such Improvements, then if such Improvements have not been completed and a notice of completion filed within sixty (60) days after the completion date specified in the planned construction statement appended to the bond, the Board shall consider and vote upon the question of whether or not to bring action to enforce the obligations under the bond. If the Association has given an extension in writing for the completion of any such Improvement, then the Board shall consider and vote on said question if such Improvements have not been completed and a notice of completion filed within thirty (30) days after the expiration of the extension period. In the event that the Board determines not to take action to enforce the obligations secured by the bond or does not vote on the question as above provided, then, in either such event, upon petition signed by Members representing five percent (5%) or more of the Voting Power of the Association, excluding the Voting Power of Declarant, the Board shall call a special meeting of the Members of the Association to consider the question of overriding the decision of the Board or of requiring the Board to take action on the question of enforcing the obligations secured by the bond. Said meeting of Members shall be held not less than thirty-five (35) days nor more than forty-five (45) days following receipt of the petition. At said meeting, a vote of a majority of the Voting Power of Members of the Association, excluding the vote of Declarant, to take action to enforce the obligations under the bond shall be deemed to be the decision of the Association, and the Board shall thereafter implement the decision by initiating and pursuing appropriate action in the name of the Association.

ARTICLE 6 USE RESTRICTIONS

This Article sets forth restrictions on the use of the Property. The restrictions contained in this Article will likely have the greatest impact on day to day living in the Community. Each Owner shall comply and cause its Occupants and Invitees to comply with the restrictions set forth in this Article.

6.1 Residential Use. Residential Lots shall be used for residential purposes only, provided, however, that any Residential Lot may be used incidentally for the purpose of operating a home based small business if, and only if: (a) the business is operated solely within the Residence; (b) the business is limited to arts and crafts, the rendition of professional services, or

other similar entities; (c) the business is operated by the Owner whose principal residence is the Residential Lot, by a Lessee whose principal residence is the Residential Lot or by a member of such Owner's or Lessee's family whose principal residence is the Residential Lot; (d) there is no sales activity conducted within the Association Property, no customers visiting the Residential Lot and no advertising anywhere in the Community; (e) the operation is permitted by and is at all times in compliance with Applicable Laws; and (f) the operation of the business does not result in the: (i) violation of any of the other provisions of this Declaration; (ii) any unreasonable increase in the flow of traffic within the Community; (iii) any unreasonable odor, noise, or vibration outside of the Residential Lot; (iv) any parking problems within the Community; or (v) any other adverse conditions to the Occupants of the individual Residential Lots. Notwithstanding the foregoing, nothing contained herein shall be deemed to prohibit any home based business specifically required to be allowed by Applicable Law.

6.2 Commercial Use. Except as otherwise provided in this Declaration, including without limitation Section 6.1, no part of the Community shall be used or caused, allowed, or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, mercantile, storing, vending, or other such non-residential purpose.

6.3 Rental of Residential Lot. An Owner shall be entitled to rent his or her entire Residential Lot or an ADU constructed within the Residential Lot that has been approved by the County and the Association subject to the restrictions contained in the Governing Documents, any contractual agreement between Declarant and each original Owner for such Owner's Residential Lot as to such parties, any other restrictions of record applicable to such Owner's Residential Lot and all Applicable Laws. Any rental or lease agreement shall: (a) be in writing; (b) provide that the lease is subject to the Governing Documents; and (c) provide that any failure to comply with any provisions of the Governing Documents shall be a default under the terms of the rental or lease agreement. A copy of the rental or lease agreement shall, upon request, be provided to the Association. Owners shall, at all times, be responsible for their Lessee's compliance with the Governing Documents. A Lessee shall have no obligation to the Association to pay Assessments nor shall any Lessee have any voting rights in the Association. No Owner may lease such Owner's Residential Lot for hotel, motel or transient purposes, and except as permitted under Applicable Laws, no Owner may lease only a portion of such Owner's Residential Lot. For purposes of this restriction, any lease which is either for a period of fewer than thirty (30) days or pursuant to which the lessor provides any services normally associated with a hotel shall be deemed to be for transient or hotel purposes shall be prohibited. To the extent the rental restrictions set forth in this Section violate the requirements of any Federal Agency, such requirements shall be deemed to no longer apply.

6.4 Further Subdivision. Except as otherwise provided in this Declaration, no Owner may further partition or subdivide the Owner's Residential Lot, including, without limitation, any division of such Owner's Residential Lot into time-share estates or time-share uses. This provision does not limit the right of an Owner to: (a) rent or lease the entire Residential Lot by means of a written lease or rental agreement subject to the Governing Documents; (b) rent or lease an ADU within the Residential Lot by means of a written lease or rental agreement subject to the Governing Documents, provided the ADU has been approved by the County and the Association; (c) sell such Owner's Residential Lot; or (d) transfer or sell any Residential Lot to more than one (1) Person to be held by them as tenants-in-common, joint tenants, tenants by the entirety or as community property.

6.5 Time Sharing. A Residential Lot may not be divided or conveyed on a time increment basis (commonly referred to as "time sharing") of measurable chronological periods.

The term "time sharing" as used herein shall include, but shall not be limited to, any agreement, plan, program or arrangement under which the right to use, occupy or possess the Residential Lot, Residential Lots or any portion thereof in the Community rotates among various persons, either corporate partnership, individual or otherwise, on a periodically recurring basis for value exchanged, whether monetary or like-kind use privileges, according to a fixed or floating interval or period of time sixty (60) consecutive calendar days or less.

6.6 Animals. Only domestic animals that are kept as household pets and are not kept, bred or raised for commercial purposes are permitted to be maintained within the Community. In no event shall poultry, livestock or other farm animals (including, without limitation, goats and chickens) be kept within the Community. No Owner shall keep more than a total of two (2) dogs or two (2) domestic cats, or a combination thereof (but not to exceed two (2) total) within such Owner's Residential Lot, or the maximum capacity allowed by the County, whichever is more stringent. Domestic reptiles, birds, rodents and fish shall be permitted in reasonable numbers so long as such animals are kept in the interior of a Residence. If an Owner keeps any birds, the birds shall not be heard outside of the Residence. No animal shall be permitted to be maintained, at any time, within any recreational areas situated within the Community. Nothing contained herein shall restrict the keeping of fish in an aquarium or fish in an exterior pond or pool (such as koi) so long as the approvals for the installation of such pond have been obtained under Article 8. Notwithstanding the foregoing, the Association Rules may further limit or restrict the keeping of pets and the Board shall have the power to prohibit the keeping or maintenance of any animal, which, in the opinion of the Board, after Notice and Hearing, is deemed by the Board to constitute a nuisance to any other Owner or Occupant or which constitutes a threat to personal safety in the sole and absolute opinion of the Board. Each person bringing or keeping a pet within the Community shall be absolutely liable to other Owners and their Invitees for any damage to persons or property caused by such pet. Each Owner shall clean up after such animals that have deposited droppings or otherwise used any portion of the Community. Dogs belonging to Owners or Invitees must be kept within an enclosure or on a leash held by a person capable of controlling the animal when outside the Residential Lot. Nothing contained herein shall constitute a restriction on service animals. The Board has the power and discretion to determine whether the types or numbers of any animals kept in a Residence are a nuisance, and the Board shall have the power to abate the nuisance through any legal procedure that is available to the Association.

6.7 Antenna Restrictions. No Owner shall install any antenna, satellite dish, or other over-the-air receiving device ("Antenna"): (a) on any real property which such Owner is not entitled to exclusively use or control, as provided in Title 47 U.S.C. §§ 1 *et seq.*, 47 CFR § 1.4000 and any other Applicable Laws promulgated thereunder (collectively "Antenna Laws"); (b) in a particular location if, in the Board's opinion, the installation, location or maintenance of such Antenna unreasonably affects the safety of the Owners or any other Person, or for any other safety-related reason established by the Board; or (c) that is of a size larger than is permitted under the Antenna Laws. If an Owner is entitled to install an Antenna under the foregoing requirements, such Owner shall provide the Board with written notice that such Owner intends to install the Antenna and provides evidence of compliance with the foregoing requirements. If an Owner desires to install an Antenna, other than as described above, such Owner may do so only upon the prior approval of the Board pursuant to Article 8. The Association shall not impose or enforce any restrictions upon Antennae that are inconsistent with the Antenna Laws. Notwithstanding any provision hereof, this Section shall be interpreted to comply with state and federal laws applicable to antennas in effect at the time of enforcement of this Section. In that regard, this Section shall not be interpreted or enforced in a manner which would: (a) unreasonably delay or prevent installation, maintenance or use of such Authorized Antenna; (b)

unreasonably increase the cost of installation, maintenance or use; or (c) preclude reception of an acceptable quality signal.

6.8 Temporary Structures. No trailer, mobile home, tent, shack or other outbuildings shall be kept upon any Residential Lot, the Association Property or in any street within the Property, except in connection with work or construction diligently pursued or except for: (a) any tents or temporary structures associated with any events sponsored by or authorized by the Association; and (b) storage sheds which conform to the Design Guidelines. Nothing contained in this Section 6.8 shall be interpreted to prohibit an ADU to the extent required to be permitted by Applicable Laws and provided such ADU has been approved by the County and the Association.

6.9 No Hazardous Activities. No activities shall be conducted on any portion of the Property and no Improvements shall be constructed within the Property that are unsafe or hazardous to any person or property.

6.10 Signs. Subject to California Civil Code Sections 712, 713, and 4710, no sign, poster, billboard, balloon, advertising device or other display of any kind shall be displayed in the Property or on any public street abutting the Property, except for the following signs:

6.10.1 Association and Community Signs. Entry monuments, wayfinding signs, Property identification signs, management company signs and traffic or parking control signs installed by Declarant and maintained by the Association;

6.10.2 Name or Address Signs. Each Residence may have one (1) nameplate or similar Owner name or address identification sign which complies with the Design Guidelines;

6.10.3 Security Services Signs. Each Residence may have one (1) sign advising of the existence of security services which complies with the Design Guidelines;

6.10.4 For Sale and Lease Signs. Each Residence may have one (1) sign advertising the Residence for sale or lease that complies with the following requirements: (a) the sign has reasonable design and dimensions (which shall not exceed a total dimension of eighteen (18) inches by thirty (30) inches in size), consist of a single panel with no additional signs affixed to it, and does not adversely affect public safety, including traffic safety; and (b) the sign is of a color, style and location authorized by the Design Review Committee;

6.10.5 Noncommercial Signs. Each Owner may install a noncommercial sign, poster, flag or banner on the Owner's Residential Lot that complies with the following requirements: (a) a noncommercial sign or poster may not be more than nine (9) square feet in size and a noncommercial flag or banner may not be more than fifteen (15) square feet in size; and (b) a noncommercial sign, poster, flag or banner may not be made of lights, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component, or include the painting of architectural surfaces. The Board has the power, but not the duty, to impose reasonable limits on the duration of display of noncommercial signs, consistent with current law and decisions interpreting restrictions on time, place and manner of noncommercial speech. Notwithstanding anything to the contrary in the Governing Documents, outdoor display of the flag of the United States is permitted pursuant to California Civil Code Section 4705, as long as the flag and flag pole are located solely within, on and over the Owner's Residential Lot; and

6.10.6 Other Signs. Each Owner may post such other signs or displays in the Owner's yard, if authorized by the Design Review Committee and if they comply with the Governmental Regulations.

6.11 Holiday Decorations. Outdoor holiday decorations, or indoor holiday decorations that are visible from outside, shall be limited to a reasonable period of time prior to the date of the holiday, as determined by the Association in the Association Rules, and shall be removed as and when required by the Association Rules.

6.12 Parking and Vehicular Restrictions.

6.12.1 Authorized Vehicles. The following vehicles are "Authorized Vehicles": standard passenger vehicles, including automobiles, passenger vans designed to accommodate ten (10) or fewer people, motorcycles and pickup trucks having a manufacturer's rating or payload capacity of one (1) ton or less and vehicles which are the principal source of transportation for an Owner. In addition to the Authorized Vehicles described above, motor homes and recreational vehicles (including, without limitation, any camper unit, trailer, boat or other reasonably similar vehicle) ("Recreational Vehicle") shall be classified as Authorized Vehicles provided that all of the following requirements must be satisfied: (a) parking of Recreational Vehicles must be permitted by the County and all Applicable Laws, and must comply with all County requirements; (b) the Recreational Vehicle must fit within the Owner's Residential Lot alongside (garage side only) or in the rear of the Owner's Residential Lot and must be reasonably screened from the view of all other Residential Lots within the Community; (c) any Recreational Vehicle parked within the Community must be properly cleaned and maintained in operating condition and, if a boat, must be covered when not in use; and (d) if additional access is needed for the Recreational Vehicle, Owner must obtain the prior approval of both the County and the Association before installing any additional access points or gates on such Owner's Residential Lot. Certain Residential Lots will not be large enough, or configured in such a way as to accommodate screened Recreational Vehicles. All parking of motor homes and Recreational Vehicles shall be subject to the approval of the Board or Design Review Committee in accordance with Article 8. Authorized Vehicles may be parked in any portion of the Community intended for parking of motorized vehicles subject to this Section; provided, however, no Owner may park an Authorized Vehicle in a manner which the Association determines either restricts the passage of pedestrians or vehicles over the streets, driveways or sidewalks in the Community or extends beyond the limits of the space where the Authorized Vehicle is parked. The Association has the power to identify additional vehicles as Authorized Vehicles in the Association Rules and to adapt this restriction to other types of vehicles.

6.12.2 Prohibited Vehicles. The following vehicles are "Prohibited Vehicles": (a) commercial-type vehicles (e.g., stakebed trucks, tank trucks, dump trucks, step vans, concrete trucks and limousines); (b) buses or vans designed to accommodate more than ten (10) people; (c) vehicles having more than two (2) axles; (d) trailers; (e) inoperable vehicles or parts of vehicles; (f) aircraft; (g) any vehicles or vehicular equipment deemed a nuisance by the Board; and (h) any other vehicles not classified as an Authorized Vehicle. Prohibited Vehicles may not be parked, stored or kept within the Property, except for brief periods for loading, unloading, making deliveries or emergency repairs. If a vehicle qualifies as both an Authorized Vehicle and a Prohibited Vehicle, then the vehicle is presumed to be a Prohibited Vehicle unless the vehicle is expressly classified as an Authorized Vehicle in writing by the Association.

6.12.3 General Restrictions. Subject to the restriction on Prohibited Vehicles, all vehicles owned or operated by or under the control of an Owner or an Occupant of a

Residential Lot and kept in the Property must be parked in the garage of that Owner to the extent of the space available, as provided in Section 6.12.6. Unless otherwise permitted by the Association, no Owner shall leave his or her vehicle parked within the Community other than within a garage or, within the driveway of such Owner if the Owner or Occupant has more automobiles than will be accommodated within the garage. In no event shall the driveway area be used for vehicle storage and the Authorized Vehicles shall not be parked in a manner which causes the Authorized Vehicle to extend into the streets or onto any sidewalk. No maintenance (except for emergency maintenance), washing of the exterior of a vehicle or restoration of any vehicle may be conducted anywhere on the Property, even in any enclosed garage.

6.12.4 Repairs. No major repairs to any vehicle of any kind whatsoever shall be conducted within the Property, except for emergency repairs thereto and then only to the extent necessary to enable the vehicle to be moved to a proper repair facility.

6.12.5 Garages. Parking spaces in the garages shall be used as the primary parking space for automobiles. No garage space shall be used for non-parking activities (including storage of motorcycles and bicycles) if it will result in the Owner or Occupant using the driveway or open parking space instead of the garage. Except for conversion by Declarant prior to the conveyance of a Residential Lot by Declarant, garages shall be used for parking vehicles only and shall not be converted for living, recreational activities, business or storage that would prevent the ability of an Owner or Occupant to park the number of vehicles in the garage for which the garage was designed. It is the intent of this Section to require an Owner and the Owner's Occupants, to the extent such Owner or Owner's Occupant has automobiles in the Property, to park such automobiles in the garage, and in the appropriate length driveway as a secondary location. Garage doors shall remain closed except for reasonable periods while the garage are being used. All garages shall be equipped with roll-up garage doors and functioning garage door opener. If California law precludes the Association from prohibiting or unreasonably restricting the construction of ADU's, this Section 6.12.5 is subject to the right of an Owner to convert all or a portion of the garage to an ADU, provided that that ADU has been approved by the County and the Association and complies with all Applicable Laws and Governing Documents.

6.13 Installations.

6.13.1 Generally. This Section does not apply to Improvements installed by Declarant or (with the prior consent of Declarant.

6.13.2 Outside Installations. Unless approved by the County, if County approval is required by Applicable Laws or the Community Entitlements, and the Association pursuant to Article 8 the following items are prohibited: (a) outside installations, including balcony, patio or deck covers, wiring, air conditioning equipment, water softeners, other machines and other Improvements; (b) Improvements to deck or balcony railings; and (c) other exterior additions or alterations to any Residential Lots. In addition to the foregoing restrictions, patio covers shall be permitted only if such patio covers are consistent with the architecture of the Residence originally constructed by Declarant and are in compliance with the Design Guidelines and the Governing Documents.

6.13.3 Sports Apparatus. No basketball standards or other fixed sports apparatus shall be constructed or attached to any Residence except as approved pursuant to Article 8. Portable basketball apparatus shall be permitted so long as such apparatus is in conformance with the Association Rules.

6.13.4 Exterior Lighting. Any exterior electrical, gas or other artificial lighting installed on any Residence shall be positioned, screened, or otherwise directed or situated and of such controlled focus and intensity so as to fall on the same Residential Lot on which such lighting is located. Further rules regarding exterior lighting may be promulgated by the Board.

6.13.5 Outside Drying and Laundering. No exterior clothesline shall be erected or maintained within the Community. There shall be no exterior drying or laundering of clothes or any other items, except that backyards may be used for clotheslines or drying racks provided that such laundering apparatuses are not visible at street level from outside of the Residential Lot.

6.13.6 Window Coverings. Temporary window coverings ("Temporary Window Coverings") in a design and color that does not conflict with the surrounding Improvements (but excluding aluminum foil, newspapers, or any other contrasting material) shall be permitted for a maximum period of one hundred twenty (120) days from the date that a Residential Lot is conveyed to an Owner by Declarant or such longer period as may be authorized by the Board. Except as specifically provided above, no Temporary Window Coverings shall be used to cover any door or window of any Residence. All window coverings (including Temporary Window Coverings) shall be of a neutral color harmonious with and not in conflict with the color scheme of the exterior wall surface of the Residence.

6.13.7 Fences, Etc. No fences, awnings, ornamental screens, sunshades or walls of any nature shall be erected or maintained on or around any portion of any structure or elsewhere within the Community except those that are installed in accordance with the original construction of the Community or as are authorized and approved in accordance with Article 8. In no event shall any fences, gates or walls installed by Declarant be altered in any way unless such alteration has been approved in accordance with the provisions set forth in Article 8.

6.13.8 Painting. No Owner shall paint the exterior of the Owner's Residence or any other exterior Improvements within a Residential Lot without prior approval in accordance with Article 8, except that no consent shall be required if an Owner repaints the exterior with the same color.

6.13.9 Roof-Mounted Equipment. No mechanical equipment, tank, duct, elevator enclosure, cooling tower, mechanical ventilator or air conditioner shall be erected, constructed, converted, established, altered or enlarged on the roof of any building, unless such equipment has been approved in accordance with Article 8.

6.13.10 Balconies. All furniture within a balcony area shall be maintained in a clean and attractive condition. No Owner shall use any balcony areas for storage purposes, including, without limitation, the storage of bicycles or surf boards.

6.14 Community Entitlements. Each Owner and the Association shall comply with all applicable requirements and restrictions set forth in the Community Entitlements.

6.14.1 Single Story Height Restriction. Pursuant to the requirements of the County, the following Residential Lots within the Community are subject to a single story height restriction: Lots 1 through 16, inclusive, Lots 189 through 196, inclusive, and Lots 217 through 230, inclusive. **Mineral Exploration.** No portion of the Property shall be used in any manner to explore for or to remove any oil, minerals, natural gas or other hydrocarbons, geothermal heat or substances, water, gravel, earth or any earth substance or other mineral of any kind ("Subsurface

Resources”). No well for the production of, or from which there is produced, Subsurface Resources shall be operated within the Community, nor shall any machinery, appliance or structure be placed, operated or maintained thereon for use in connection with any trading, manufacturing or repairing business. Notwithstanding the foregoing, nothing in this Section or anywhere else in this Declaration shall be deemed to prohibit, impair or in any way limit the rights of Declarant or any affiliate of Declarant (or a successor or assign to any rights of Declarant or an affiliate of Declarant to Subsurface Resources) to drill for, explore for, mine and/or remove any Subsurface Resources from any Property within the Community, and Declarant, any affiliate of Declarant, and any successors and assigns to any rights of Declarant or an affiliate of Declarant to the Subsurface Resources shall have such rights, including, without limitation, the right to whipstock or directionally drill and mine from lands other than the Community, wells, tunnels and shafts into, through or across the subsurface of the Property, and to bottom such whipstocked or directionally drilled wells, tunnels and shafts within or beyond the exterior limits of the Community.

6.16 Nuisances. Nothing shall be done on or within the Community that may be or may become a nuisance to the residents of the Community, or that in any way interferes or may interfere with the quiet enjoyment of Occupants of Residential Lots. Unless otherwise permitted by the Association Rules, no Owner shall serve food or beverages, cook, barbecue, or engage in similar activities, except within such Owner’s Residential Lot or areas permitted for such purposes within the Association Property, if any.

6.17 Association Maintenance Areas. Unless approved pursuant to Article 8, each Owner shall be prohibited from: (a) placing, maintaining, constructing or planting any Improvements, landscaping or other items, including without limitation, decks, stairs, walls, irrigation systems, trees or any vegetation on any Association Maintenance Area located within a Residential Lot; (b) removing, altering or modifying any cluster mailboxes servicing the Community located on such Owner’s Residential Lot; or (c) otherwise altering or modifying the Association Maintenance Area in any way. Each Owner shall have the right to access any Association Maintenance Area that exists on such Owner’s Residential Lot as may be necessary in connection with the maintenance of such Owner’s Residence or other Improvements on such owner’s Residential Lot.

6.18 View Impairment. There is no representation that any view exists from any Residence. Each Owner, by accepting a deed to a Residence, acknowledges that grading of, construction on or installation of Improvements, including landscaping, on other Residential Lots within the Property and on surrounding real property may impair whatever view may exist from the Owner’s Residence and each Owner consents to such impairment and waives any claim for view impairment. Each Owner and the Association, by accepting a deed to a Residential Lot or any Association Property, acknowledges that any construction or installation by Declarant or by other Owners as provided in Article 8, may impair the view of such Owner, and each Owner and the Association on behalf of the Members hereby consent to such impairment. By accepting a deed to a Residence, each Owner acknowledges that: (a) there are no protected views, and no Residence is assured of the existence, quality or unobstructed continuation of any particular view and Declarant makes no representation or warranty that there are now, or will in the future be, any such views or that any view will impact the view or desirability of any Residence; (b) any view from the Residence is not intended as part of the value of the Residence and is not guaranteed; and (c) any future development, construction, landscaping, growth of trees, or other installation of Improvements by Declarant or other Owners in the Community or of properties surrounding the Community may impair the view from any Residence. There are no express or implied easements appurtenant to any Residential Lot for view purposes or for the passage of light and air over another Residential Lot, or any other property whatsoever.

6.19 Displaying the Flag of the United States. The Board shall comply with California Civil Code Section 4705, by allowing an Owner to display the flag of the United States, as defined by California Government Code Section 434.5(b) within such Owner's Residential Lot, in a location reasonably approved by the Board. For purposes of this Section, "Displaying the flag of the United States" means a flag of the United States made a fabric, cloth or paper display from a staff or pole or in a window and does not mean a depiction or emblem of the flag of the United States made of lights, paint, roofing, siding, paving materials, flora, balloons or any similar building, landscaping or decorative component.

6.20 Drainage. Declarant may have installed one or more below-ground drain lines, surface Improvements such as area drains, earthen or concrete drainage swales or catch basins (each, a "Drainage Improvement") in or on the Residential Lots and/or Association Property. Drainage Improvements are intended to collect and transport surface waters from each Residential Lot and from elsewhere in the Property to proper points of disposal. No Person may block or interfere with the proper function or maintenance of the Drainage Improvements on the Residential Lots. No modification may be made to any Drainage Improvements on the Residential Lot without the prior written consent of the Design Review Committee.

6.20.1 Established Drainage. There shall be no interference with or obstruction of the established surface drainage pattern(s) over any Residential Lot or in the Property, unless an adequate alternative provision is made for proper drainage, consistent with all Applicable Laws. For the purpose hereof, "established" drainage is defined as the drainage which exists at the time of the first conveyance to a First Purchaser, or as shown on any plan approved by the Design Review Committee. Established drainage includes drainage from and to a Residential Lot and/or Association Property and to and from property lying outside or within the Property.

6.20.2 Control of Surface Waters. Owners must use adequate drainage and irrigation control. The installation or modification of landscaping and the construction or modification of Improvements by Owners must not cause the ponding of water. Owner-installed drainage devices, including, but not limited to, concrete ditches, area drain lines and gutters, should be carefully designed and installed with professional assistance and then maintained in an unobstructed condition. All Owner-installed landscape irrigation systems should be designed, constructed, and operated to prevent excessive saturation of soils. All Owner-installed landscaping (if any) must be designed to ensure that water drains away from the Residence footings and other Improvements. Obstructions such as walls should not be constructed across swales unless adequate replacement drainage Improvements have been installed or created. Planters should be lined with an impervious surface and should contain outlets to drain excess water. Owners shall maintain and keep clear of debris any drainage, facility or device constructed by Declarant.

6.20.3 Maintenance of Drainage Improvements. Each Owner must maintain, and keep free of debris and obstructions, all Drainage Improvements located on or under the yard, except those for which the Association is responsible. The Association shall be responsible for maintenance of the Drainage Improvements located in the Association Maintenance Areas. Declarant may specify additional parties and maintenance requirements in the applicable Supplementary Declaration. To ensure adequate drainage within the Property, it is essential that the Drainage Improvements not be modified, removed or blocked without having first made alternative drainage arrangements. Therefore, no Owner may install, alter, modify, remove or replace any Drainage Improvements on or under the extension of the Residential Lot without first making alternative drainage arrangements approved in writing by the Design Review Committee

and by Governmental Agencies. Owner-installed irrigation systems must be installed and maintained to prevent excess runoff and accumulation of surface water.

6.20.4 No Modification of Pollution Control/Bio Retention Facilities. The Association shall not modify or alter in any way any bio retention or other drainage facilities within any lots designated as bio retention lots or any other portions of the Association Maintenance Areas without the consent of the County and Declarant, so long as Declarant owns any portion of the Property.

6.20.5 Indemnity. Any Owner who violates the restrictions relating to drainage shall indemnify, protect, defend and hold each other Owner and Declarant from and harmless from any claims.

6.21 Compliance With Requirements Regarding Storm Water Pollution. Each Owner acknowledges that water that enters a storm drain flows to waterways, creeks, streams, rivers, lakes and/or oceans. Accordingly, the National Pollutant Discharge Elimination System, the Federal Clean Water Act, and the policies and ordinances of the County prohibit discharging anything other than natural rain water into storm drainage systems, including gutters and streets which drain into storm drains. Toxic chemicals or hydrocarbon compounds such as gasoline, motor oil, antifreeze, solvents, paints, paint thinners, wood preservatives, fertilizers, lawn clippings, yard waste, detergents, pet waste, paints and other such materials and pollutants shall not be discharged into any street, public or private, gutters, or into storm drains or storm water conveyance systems. The disposal of such pollutants and materials into a storm drain system may result in significant penalties and fines and that such Owner may be responsible for any activities by Owner's contractors (e.g., painters, landscapers, etc.) who dispose of such pollutants from an Owner's Residential Lot into a storm drain system. All Owners within the Community are required to comply with such restrictions and Best Management Practices. "Best Management Practices" means all best management practices imposed from time to time by Applicable Laws or Governmental Agencies, including without limitation, pollution control practices or devices, erosion control to prevent silt runoff during construction, general housekeeping practices, pollution prevention and educational practices, maintenance procedures, and other management practices or devices to prevent or reduce the discharge of pollutants to stormwater, receiving water or stormwater conveyance system to the maximum extent practicable. Owners are encouraged to consult with the Governmental Agencies, concerning the proper disposal of any toxic or Hazardous Materials.

6.21.1 Storm Water Pollution Prevention Best Management Practices. To comply with the requirements of Government Agencies in connection with the storm water pollution prevention and Best Management Practices, each Owner and the Association agree that they will, at all times, maintain all Improvements located on a Residential Lot and in the case of the Association, within the Association Property, in a clean, safe and attractive condition, free and clear of any and all debris and in accordance with any agreements that are recorded or may be recorded against the Community. All landscaping shall be maintained by an Owner in a manner that will prevent soil erosion and minimize sediment transport. To the extent that Declarant has installed any erosion protection devices (e.g., sandbags), an Owner shall not remove such devices unless and until all landscaping has been installed on a Residential Lot, and has been sufficiently grown so as to prevent soil erosion and transport of any sediment. All trash receptacles within an Owner's Residential Lot shall be covered and closed at all times except when disposing of trash. The Association and the Owners shall comply with all applicable Best Management Practices and perform all maintenance that may be imposed by any water quality management plan that may affect the Property. In addition, the County may impose its own

construction storm water management requirements, policies and guidelines on the Community such as the creation of a Drainage Area Management Plan. Best Management Practices must be followed by the Association in the Association Property and by Owners on their Residential Lots. No later than October 15th of each calendar year, the Association shall be solely responsible for inspecting the Community for compliance with the Best Management Practices and ensuring that all structural and treatment control Best Management Practices cleaned and maintained pursuant to the WQMP and the Conditions of Approval. The costs of the Association's portion of such maintenance, if any, shall be treated as a Common Expense.

6.21.2 Liability to Declarant. So long as Declarant owns any Residential Lot within the Community, if an Owner or the Association is not in compliance with the provisions of this Section and as a result, Declarant may incur any liability, Declarant shall have the right but not the obligation to enter upon the Association Property and the Residential Lot to correct such violation. Any Owner who violates the requirements of this Section and the Association, to the extent the Association violates the requirements of this Sections shall indemnify, protect, defend and hold Declarant and Declarant's officers, directors, successors and assigns entirely free and harmless from and against any liabilities, penalties, costs, expenses and actions, including, without limitation, attorneys' fees and costs arising from or attributed to a violation of the provisions of this Section and shall, within fifteen (15) days after request from Declarant, reimburse Declarant for any costs and expenses incurred by Declarant in correcting any violation of this Section by the Owner or Association.

6.22 Trash. Trash, garbage or other waste shall be kept only in sanitary containers. No Owner shall permit or cause any trash or refuse to be kept on any portion of the Community other than in the receptacles customarily used for it, which shall be stored within fenced sideyards or garages except on the scheduled day for trash pickup. All trash containers shall be maintained such that the lids remain closed to prevent excessive odor from emanating therefrom. Owners shall comply with the Association Rules regarding trash disposal and recycling.

6.23 Landscaping. Each Owner of a Residential Lot shall landscape any portions of such Owner's Residential Lot that are not landscaped by Declarant as part of the initial conveyance by Declarant, in accordance with plans approved pursuant to Article 8. The Application for any initial landscaping on a Residential Lot shall be submitted no later than six (6) months after the conveyance of the Residential Lot by Declarant to an Owner and installation of initial landscaping shall be completed no later than twelve (12) months after the conveyance of the Residential Lot by Declarant to an Owner. Prior to installing any landscaping on an Owner's Residential Lot, the Owner shall be responsible for ensuring that there is no runoff from the Owner's Residential Lot and the Owner shall be required to take such action as may be reasonably necessary to prevent any runoff, including, if necessary, installing landscaping in advance of such twelve (12) month date.

6.23.1 Landscaping Restrictions. During landscaping of a Residential Lot, landscaping and construction materials must be stored only upon the Owner's Residential Lot. Such materials must be properly contained to prevent spillover into the public streets. Spilled material must be swept and containerized. Spilled materials shall not be washed into the storm water curb drain inlets. Temporary erosion or sediment control devices may have been installed by Declarant during construction of the Community. Owners shall not remove any temporary erosion or sediment control devices installed by Declarant until Owner's Residential Lot is landscaped and the plantings are established. Owner is responsible for preventing sediment leaving Owner's Residential Lot. Each Owner shall be liable to Declarant and, as applicable, for any damage resulting from failure to prevent sediment from leaving the Owner's Residential Lot

and shall indemnify, protect, defend and hold Declarant entirely free and harmless from any and all liabilities, actions, penalties and damages arising from or attributable to any such runoff.

6.24 ADUs. ADUs are only permitted to the extent required to be allowed by State of California law and to the extent such ADU has been approved by the County and the Association. In addition to the requirements set forth in Section 8.2 below, all ADUs must be constructed in a professional and workman like manner and comply in all respect with all applicable laws and all restrictions contained herein applicable to the Residential Lot.

6.25 Slope Control, Use and Maintenance. Each Owner shall keep, maintain, water, plant and replant all slopes located on such Owner's Residential Lot so as to prevent erosion and to create an attractive appearance. It shall be the duty of all Owners to conduct all construction and installation of improvements on such slopes in accordance with any guidelines or rules adopted by the Board for maintenance of such slopes. Thereafter each Owner shall keep, maintain, water, and replant all in such a manner as to protect the integrity of such Owner's Residential Lot and all adjoining Residential Lots and the structural improvements thereon. No structure, planting or other material shall be placed or permitted to remain or other activities undertaken on such slopes that may damage or interfere with established slope ratios, create erosion or sliding problems, or that may change the direction of flow of drainage channels or obstruct or retard the flow of water through drainage channels.

6.25.1 Intrusive Plants. The Association and each Owner shall only plant trees and other plant materials with growth characteristics that do not have the potential to create root, branch or other intrusion problems. Plants and trees shall only be planted in locations that are a sufficient distance from structures, hardscape and other Improvements to minimize possible branch intrusion, root intrusion, and associated damage. No tree, shrub, head, plant, vegetation, foliage or landscaping which exceeds the height of the Residence or which could eventually grow to a height exceeding the height of the Residence shall be planted, installed or maintained upon any Residential Lot, unless, prior to the planting or installation thereof, a complete description of the species, actual and potential height and shape thereof, and proposed location within the Residential Lot have been submitted to and approved in writing in accordance with the procedures set forth in Article 8. The Association shall retain the services of a landscape company which will agree to trim, prune, cut, remove, thin and maintain the landscaping and trees within the Association Property and any Association Maintenance Areas in accordance with County requirements and so as to address damage caused by the roots of trees. In order to prevent such damage, the Board shall require that the landscape company review all trees and landscaping every ninety (90) days or such other period of time as deemed reasonable by the Board, and advise the Board of the need to take immediate action with regard to landscaping and/or trees, if necessary, to prevent damage caused by the roots of trees and/or other potential damage caused by other types of landscaping.

6.26 Post Tension Slabs. The concrete slabs for the Residences within the Residential Lots in the Community may be reinforced with a grid of steel cables that were installed in the concrete and then tightened to create very high tension. This type of slab is commonly known as a "Post Tension Slab." Cutting into a Post Tension Slab for any reason (e.g., to install a floor safe, to remodel plumbing, etc.) is very hazardous and may result in serious damage to the Residence and/or personal injury. By accepting a grant deed to a Residence in the Community, each Owner specifically covenants and agrees that: (a) such Owner shall not cut into or otherwise tamper with the Post Tension Slab; (b) such Owner shall not knowingly permit or allow any person to cut into or tamper with the Post Tension Slab so long as such Owner owns any interest in the Residence; (c) such Owner shall disclose the existence of the Post Tension

Slab to any Occupant or subsequent purchaser of the Residential Lot; and (d) such Owner shall indemnify, protect, defend and hold Declarant and its officers, employees, contractors and agents, free and harmless from and against any and all claims, damages, losses, or other liability (including, without limitation, attorneys' fees) arising from any breach of this Section.

6.27 Solar Energy System. Except for those Solar Energy Systems originally installed by Declarant, no Solar Energy System may be installed on a Residential Lot unless and until (i) the Owner provides the Association and each of the Owner's neighbors who may be affected by the installation of the Solar Energy System with the notice set forth in California Public Resources Code Section 25982.1, and (ii) the Solar Energy System has been approved in accordance with the provisions of Article 8 of this Declaration. A Solar Energy System that is proposed to be installed on a Residential Lot must meet all applicable requirements of California Civil Code Section 714(c) and California Public Resources Code Section 25981(d).

6.28 Solar Shade Restrictions. After the installation of a Solar Energy System on a Residential Lot, neither an Owner of an adjacent Residential Lot nor the Association (in the case of adjacent Association Property) shall allow a tree or shrub to be placed or, if placed, to grow so as to cast a shadow in violation of the standards set forth in California Public Resources Code Section 25982. The Owner, not the Design Review Committee, shall bear the burden of calculating compliance of any such tree or shrub with the provisions of California Public Resources Code Section 25982. The restrictions of this Section do not apply to a tree or shrub planted prior to the installation of a Solar Energy System or to the replacement of a tree or shrub that had been growing prior to the installation of a Solar Energy System and which, subsequent to the installation of the Solar Energy System, dies or is removed for reasons of public health or safety. Approval by the Design Review Committee of the installation of particular trees or shrubs on a Residential Lot adjacent to a Solar Energy System or the installation of particular trees or shrubs by the Association on Association Property adjacent to a Solar Energy System shall not be deemed to waive or alter the provisions of this Sections and the Design Review Committee shall not be liable to the Owner of the Solar Energy System for any such approval.

6.28.1 Impact of Shading Restrictions. Depending upon the dimensions and topography of certain Residential Lots, the solar shade restrictions set forth in this Section and the Solar Shade Control Act may prevent or severely restrict (a) the planting of any trees, or the planting of medium or large trees, in the yard area, if any, of the Residential Lot. The solar shade restrictions set forth in this Section and the Solar Shade Control Act may have the foregoing impacts on Residential Lots on which no Solar Energy Systems are installed or constructed.

6.28.2 No Restriction on Adjacent Property. In some cases the Residential Lots encumbered by this Declaration may be adjacent to other real property that is not encumbered by this Declaration. In such cases, adjacent real property may only be subject to applicable laws including without limitation the Solar Shade Control Act.

6.29 Landscaping Restriction. Owners shall not install water intensive landscaping. Low water use landscaping shall be installed within the Community in accordance with the requirements of Ordinance 859 (as adopted and any amendments thereto) and the County of Riverside Guide to California Friendly Landscaping.

6.30 Notice of Airport in Vicinity. The Property is located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the Property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (e.g., noise, vibration, or odors). Individual sensitivities to those annoyances can vary from

person to person. Each Owner should consider what airport annoyances, if any, are associated with the Property before such Owner completes his or her purchase and determine whether such annoyance are acceptable to such Owner.

6.31 Compliance With Laws, Etc. No Owner shall permit anything to be done or kept in his or her Residential Lot that violates Applicable Laws, including any laws, ordinances or statutes pertaining to the use or storage of any Hazardous Materials. The Association and each Owner shall comply with all Applicable Laws and all applicable requirements of the Community Entitlements.

6.32 Exemption of Declarant. The restrictions set forth in this Article shall not apply to Declarant so long as: (a) Declarant owns any portion of the Property or Annexable Property; or (b) Declarant is exercising any of its rights under Article 9 or any other rights or powers or easements reserved to Declarant under this Declaration.

ARTICLE 7 MAINTENANCE RESPONSIBILITIES

This Article sets forth the maintenance responsibilities of the Association and the standards for that maintenance to ensure the overall quality and aesthetic appearance of the Community. This Article also sets forth the maintenance obligations of the Owners. It is important that the Association and each Owner understand the maintenance responsibilities set forth in this Article. Maintaining the Community will help to preserve and protect the value and aesthetic appearance of the Community. As the Annexable Property is entitled and developed, additional maintenance obligations may be imposed upon the Owners and/or the Association. Additional maintenance obligations will be identified in a Supplementary Declaration.

7.1 Maintenance and Maintenance Obligations. Unless the context otherwise requires, as used in this Article, "maintenance," "maintain" or "maintaining" means the operation, inspection, maintenance, repair, restoration and replacement of the areas and facilities designated for maintenance by the Association or Owner. To the extent repair, restoration and replacement is required as a result of damage or destruction under Article 11, then the repair and replacement shall be governed by the provisions of Article 11.

7.2 Maintenance Obligations of Owners of Residential Lots.

7.2.1 Maintenance of Residential Lots. Subject to any provisions of the Governing Documents, each Owner shall maintain, repair and otherwise care for the maintenance of the Owner's Residence and all Improvements situated within the Residential Lot in a good condition of maintenance and repair and in conformance with the Maintenance Obligations and all Applicable Laws, including without limitation, the obligations set forth below.

(a) **Landscaping.** All landscaping within a Residential Lot (excluding Association Maintenance Areas) shall be maintained in a disease free and thriving condition.

(b) **Parkways.** Each Owner shall maintain, repair, and otherwise care for any parkway area bordering the Owner's Residential Lot.

(c) **Mailbox Locks.** Each Owner is responsible for the maintenance of any locks on such Owner's mailbox.

7.2.2 Quality of Maintenance. All maintenance required to be performed by an Owner pursuant to this Declaration shall be performed in such a manner as shall be deemed necessary in the judgment of the Board to preserve the attractive appearance thereof and to protect the value thereof in compliance with all requirements of the Maintenance Obligations. Any such maintenance of any of the foregoing which is visible from outside of a Residential Lot shall be consistent with the existing design, aesthetics and architecture of the Community.

7.2.3 Compliance with Maintenance Obligations. By accepting a deed to a Residential Lot, each Owner acknowledges and agrees that each Owner is required to comply with all of the Maintenance Obligations and schedules set forth in the Homeowner Maintenance Guide and each Owner is further obligated to provide a copy of all documents describing Maintenance Obligations to any successor purchaser of such Owner's Residential Lot.

7.3 Non Compliance With Maintenance Obligations by an Owner. If an Owner ("Non-Maintaining Owner") fails to perform its Maintenance Obligations as required under this Declaration, the Association, in addition to any other rights under this Declaration, shall have the right to cure such failure and the provisions set forth below shall apply.

7.3.1 Maintenance Deficiencies. Upon a finding by the Association of a deficiency by a Non-Maintaining Owner in its Maintenance Obligations, the Association may provide to the Non-Maintaining Owner a written notice ("Notice of Deficiency"), which shall briefly specify the conditions which the Association finds to be deficient, and request that such deficiency be cured within a specified reasonable period of time. If the Association determines that such deficiency continues to exist at the end of the period of time specified in the Notice of Deficiency, the Association may, at its option, either: (a) enter on and accomplish the maintenance of such portion of the Property that continues to be deficient; (b) contract with another party to accomplish such maintenance; or (c) seek any other remedy available at law or in equity including, without limitation, specific performance or an injunction to enforce the Non-Maintaining Owner's Maintenance Obligations provided herein. Any of the foregoing remedies may be employed at the option of the Association, and the failure to employ any of such remedies upon any occurrence giving rise to such remedies shall not be a waiver of the right to employ such remedies in connection with any other occurrence.

7.3.2 Emergency Maintenance. If the Association determines that such deficiency constitutes an Emergency which requires action prior to the expiration of any cure period, the Association may take the actions provided for in this Section without a Notice of Deficiency being given in advance of taking such action, provided that as soon as reasonably practicable after taking the Emergency action the Association gives a Notice of Deficiency (without providing a cure period) to the Non-Maintaining Owner.

7.3.3 Reimbursement of Association. If the Association elects to perform a Non-Maintaining Owner's Maintenance Obligations, whether by use of its own employees and equipment or by contract with a third party, the entire cost of accomplishing such maintenance shall be an obligation of the applicable Non-Maintaining Owner and shall be reimbursed by the Non-Maintaining Owner to the Association with interest at the Applicable Rate within fifteen (15) days after receipt of a statement therefor. If such amounts are not reimbursed when due, the Association may levy a Compliance Assessment.

7.4 Maintenance Obligations of the Association. The Association shall be responsible for maintaining and otherwise caring for all Association Property and Association Maintenance Areas in a good condition of maintenance and repair in accordance with the

Maintenance Obligations and in accordance with all requirements of Governmental Agencies and the Community Entitlements and the Governing Documents. The Association's Maintenance Obligations shall include, without limitation, the obligations described below:

7.4.1 Association Property and Association Maintenance Areas. Except for the County Maintained Areas maintained by the CSA, the Association shall maintain the Association Property and Association Maintenance Areas (including without limitation any Offsite Maintenance Areas) in a good condition of repair, including all Improvements, landscaping, irrigation and monument signs located on or in the Association Property or Association Maintenance Areas.

(a) **Cluster Mailboxes.** The Association shall maintain the cluster mailboxes, except that the Owners shall maintain the locks as provided above.

(b) **Storm Water and Drainage Facilities.** The Association shall maintain all storm drain and water quality improvements within the Association Property and any other storm water and drainage facility as may be designated in a Supplementary Declaration. Such maintenance shall be performed in accordance with the requirements of all Governmental Requirements.

(c) **Additional Items.** The Association shall also be responsible for maintaining any Improvements designated for Association maintenance in a Supplementary Declaration and/or that a majority of the Board or a majority of the Voting Power of the Association designates for maintenance by the Association.

7.4.2 Association's Compliance with Maintenance Obligations. The Association shall comply with the Maintenance Obligations for the Association Property, Association Maintenance Areas, and any other areas to be maintained by the Association in accordance with the requirements of the Association Maintenance Guide. The Association's obligations to perform such maintenance in any Phase shall commence on the date Regular Assessments commence on Residential Lots in such Phase. Until commencement of Regular Assessments against Residential Lots in any Phase, the Association Property, Association Maintenance Areas, Offsite Maintenance Areas and other areas to be maintained by the Association in such Phase shall be maintained by Declarant. Notwithstanding the foregoing, contractors or subcontractors of Declarant may be contractually obligated to maintain the landscaping or other Improvements on the Association Maintenance Areas pursuant to warranties or other existing contractual obligations to Declarant. The Association shall not interfere with the performance of such warranty or other contractual maintenance obligations. Maintenance performed by such contractors or subcontractors of Declarant shall not serve to postpone the commencement of Regular Assessments pursuant to this Declaration, nor entitle an Owner to claim any offset or reduction in the amount of such Regular Assessments.

7.5 Maintenance of Fences and Walls. Except as otherwise provided in a Supplementary Declaration, fences and walls in the Community shall be maintained as set forth below.

7.5.1 Fencing and Walls within Association Property. The Association shall maintain, in a good condition of maintenance and repair, and replace if necessary the Community Walls which do not border a Residential Lot. Such maintenance shall include, without limitation, the prompt removal of all graffiti from walls or fences situated within Association Property which are the responsibility of the Association.

7.5.2 Owner Maintenance Obligations. Each Owner shall maintain, in a good condition of maintenance and repair, the fencing and walls situated on an Owner's Residential Lot. Each such Owner shall also replace, as may be necessary, such fences and walls, with fences and walls approved in accordance with Article 8. Such maintenance shall include, without limitation, the prompt removal of all graffiti from walls or fences from such walls or fences. Any glass used as a component of fencing which is damaged shall be repaired or replaced at the Owner's expense in a timely manner.

7.5.3 Interior Fencing or Walls Between Two Residential Lots. For any fences or wall which separate two (2) Residential Lots, each Owner shall have the obligation to maintain the interior of the fence or wall, and the Owners shall share, on an equitable basis, the cost of replacing such fence or wall. The Owner of each affected portion of the Property upon which a party wall or fence is located shall have a reciprocal non-exclusive easement over the Property immediately adjacent to the interior fence for the limited purpose of maintaining the party wall or fence.

7.5.4 Fencing or Walls Between Residential Lots and Association Property. If any Community Wall separates a Residential Lot from Association Property, the Owner shall maintain the surface of the Community Wall facing the Owner's Residential Lot and the Association shall maintain the Community Wall facing the Association Property. The Owner shall repair and replace the fence or wall.

7.5.5 Liability for Damage. Notwithstanding any other provision of this Sections an Owner who by his or her negligent or willful act causes a wall or fence within the Community to be damaged shall bear the whole cost of repairing such damage.

7.6 Duty to Protect Against Mechanics' Liens. In performing their Maintenance Obligations, and in connection with any other Improvements, the Association and any Owner (for the purposes of this Sections the "Contracting Party," as applicable) shall each promptly pay all costs, expenses, liabilities and liens arising out of or in any way connected with contracts for any service, labor or materials provided or supplied to the Property or the construction of any Improvements authorized or undertaken by the Contracting Party. A Contracting Party shall not cause or permit any mechanic's lien to be filed against the Community for labor or materials alleged to have been furnished or delivered to the Community by the Contracting Party. If any Contracting Party causes a lien to be filed, such Contracting Party shall: (a) immediately either cause the lien to be discharged within ten (10) days after notice to such responsible party by the Contracting Party, or post a bond which protects the title of the affected Contracting Party to their Property; and (b) indemnify, protect, defend and hold harmless the other Owners and/or the Association, as applicable, from any loss, damage, liability, expense or claims whatsoever by reason of any expenses incurred in connection therewith, including, without limitation, reasonable attorneys' fees and costs of defending against the foregoing claims by the Association, another Owner and any costs of enforcing this indemnity prior to the defense thereof by the Contracting Party.

7.7 Liability to Declarant. So long as Declarant has any obligation or liability under any permits issued by a Governmental Agency, if an Owner or the Association is not in compliance with the provisions of this Article and as a result, Declarant may incur any liability, Declarant shall have the right but not the obligation to enter upon the applicable portion of the Community to correct such violation. If the Association or an Owner violates the requirements of this Article, the Association or Owner shall indemnify, protect, defend and hold Declarant and their/its respective officers, directors, successors and assigns entirely free and harmless from and against any

liabilities, penalties, costs, expenses and actions, including, without limitation, attorneys' fees and costs arising from or attributed to a violation of the provisions of this Article and shall, within fifteen (15) days after request from Declarant, reimburse Declarant for any costs and expenses it incurred as a result of a violation of this Article by the Association or Owner.

7.8 Inspection of the Community. The Association shall regularly inspect all major components of the Association Property and Association Maintenance Areas at least once each year. One of the primary purposes of the inspection shall be to determine how to extend the life of Association Property and Association Maintenance Areas Improvements and to prevent damage to such Improvements resulting from the Association's neglect or the failure to properly and adequately maintain. The Association shall keep appropriate records to document that it has performed all inspections and maintained all Improvements in compliance with the Association Maintenance Guide and this Declaration.

7.8.1 Maintenance Guide Compliance. The Association has the duty and obligation, along with the attendant rights and power, to carry out Declarant's and its consultant(s)' maintenance of the Association Property and Association Maintenance Area in perpetuity as set forth in the Maintenance Guide and in accordance with the requirements or recommendations of Declarant and its consultant(s). The Board shall regularly determine whether the recommended inspections and maintenance activities have been followed, and, if any such recommendations have not been followed, what corrective steps need to be taken to assure proper inspections and maintenance of the Association Property and Association Maintenance Area. The Board shall keep a record of such determinations in the Board's minutes.

7.9 Future Construction. Nothing in this Declaration shall limit the right of Declarant to complete construction of Improvements to the Association Property and to Residences owned by Declarant or to alter them or to construct additional Improvements as Declarant deems advisable before completion and sale of the entire Community.

ARTICLE 8 DESIGN REVIEW

To help maintain the architectural integrity and to project and preserve the value of the Community, the Association is charged with the responsibility of architectural review over the Community. The architectural review and approval process is intended to help to protect the interests of the Owners in the Community. Design review may be performed by either the Board, the Design Review Committee or an outside consultant. The architectural review process will be governed by both the provisions of this Declaration and the requirements set forth in Design Guidelines.

8.1 Non-Applicability to Declarant. The provisions of this Article shall not apply to any Improvements installed by Declarant or repaired by Declarant pursuant to the Limited Warranty, or Civil Code Section 895, *et seq.*, and neither the Board nor the Design Review Committee shall have any rights of review or approval with respect thereto.

8.2 Scope of Review. No Improvements of any kind whatsoever shall be commenced, erected, placed or altered upon or around any Residential Lot until the Owner has submitted complete plans and specifications showing the nature, kind, shape, height and materials of such Improvements, including the color and any other requirements set forth in the Design Guidelines ("Plans and Specifications"), and such Plans and Specifications have been approved in writing as to harmony of external design and location to surrounding structures and

topography by the Board. In addition, the grade, level or drainage characteristics of the Residential Lot or any portion thereof shall not be altered without the prior written consent of the Board. An Owner shall also be obligated to obtain any approvals required by the County or other Governmental Agencies.

8.3 Design Guidelines. The Board may, from time to time and in accordance with California Civil Code Section 4355, *et seq.*, adopt, amend and repeal, rules and regulations to be known as "Design Guidelines." The Design Guidelines shall interpret and implement the provisions hereof by setting forth the standards and procedures for Board review and guidelines for architectural design of Improvements, placement of Improvements, color schemes, exterior finishes and materials and similar features which are recommended for use in the Community; provided, however, that the Design Guidelines shall not be in derogation of the standards required by this Declaration.

8.4 Approval of Plans and Specifications. Prior to the installation of any Improvements, or taking other action that requires the prior approval of the Board, the Owner ("Applicant") shall submit a complete set of Plans and Specifications and any review fee required pursuant to the Design Guidelines and any other materials required by the Association in accordance with the Design Guidelines, including evidence satisfactory to the Board that the proposed Improvements are acceptable under the terms of this Declaration and the Design Guidelines, and comply with all Applicable Laws and, as applicable, building code requirements ("Application").

8.4.1 Time Periods for Review. Within forty-five (45) days after an Owner's proper application for approval, the Board shall consider and act upon such request. In the event the Board fails to approve or disapprove of the Application within forty-five (45) days after all documents and information requested by the Board have been received by it, the Owner requesting said approval may submit a written notice to the Board advising the same of its failure to act. If the Board fails to approve or disapprove any such Application within fifteen (15) days after the receipt of said notice from such, said Application shall be deemed approved, provided that any Improvements conform to all conditions and restrictions contained in this Article and are aesthetically harmonious with similar structures erected within the Community.

8.4.2 Reconsideration. If a Design Review Committee is appointed and the Design Review Committee disapproves any Plans and Specifications submitted by an Owner pursuant to this Article, the Applicant may submit a written request for reconsideration to the Board. The Board must receive the written request not more than thirty (30) days following the final decision of the Design Review Committee. Within thirty (30) days following receipt of the written request for reconsideration, the Board shall render its written decision in accordance with California Civil Code Section 4765. The decision of the Board shall be binding and final.

8.4.3 Effectiveness of Final Approval. The approval granted as provided above shall be effective for a period of twelve (12) months from the date of issuance. In the event construction does not commence within such twelve (12) month period, the approval shall be deemed to have expired and a new approval pursuant to the provisions of this Article must be obtained.

8.5 Approval of Solar Energy Systems. The installation of a Solar Energy System shall require the prior approval of the Design Review Committee. Reasonable restrictions on the installation of Solar Energy System may be applied, so long as the restrictions do not significantly increase the cost of the system or significantly decrease its efficiency or specified performance.

A Solar Energy System shall be appropriately certified and shall comply with the requirements for such systems as set forth in the Solar Rights Act. The criteria for approval of the installation of a Solar Energy System may implement relevant provisions of the Solar Rights Act and the Solar Shade Control Act and the provisions of this Section 8.5, but shall not otherwise be any more restrictive or subject to more scrutiny than those for any other Improvement. Any restrictions, Design Guidelines or Association Rules applied to Solar Energy Systems must comply with the Solar Rights Act and the Solar Shade Control Act. The application for approval shall be processed and approved by the Design Review Committee in the same manner as an application for approval of any other Improvement, and shall not be willfully avoided or delayed. The Design Review Committee shall have no obligation to determine compliance with the Solar Rights Act or Solar Shade Control Act or to consider the impact of landscape, present or future, on Residential Lots adjacent to a Solar Energy System and shall have no liability to any person for not considering any potential landscape impacts or compliance with the Solar Shade Control Act or compliance with the Solar Rights Act. Notwithstanding the preceding sentence, until all Annexable Property has been annexed to the Community and all Residential Lots in the Community have been conveyed to Owners other than Declarant, the Design Review Committee shall consider the Declarant's then most current plan of development for any portion of the Community or Annexable Property that will or is likely to affect the efficiency or performance of a Solar Energy System. Declarant shall have no liability to any Owner of a Solar Energy System for any residential structure(s) constructed by Declarant in the Community or Annexable Property, regardless of when the residential structure(s) is constructed.

8.6 Compliance With California Civil Code Section 4765. In approving Plans and Specifications submitted to it pursuant to this Article, the Board shall comply with the requirements of California Civil Code Section 4765.

8.7 Inspection and Correction of Work. Inspection of work and correction of defects therein shall proceed as set forth below.

8.7.1 Right of Inspection During Course of Construction. The Board or its duly authorized representative may enter into any Residential Lot, from time to time, as provided below during the course of construction or installation of any Improvements for the purpose of inspecting the construction or installation. If the Board determines that such construction and/or installation is not being done in substantial compliance with the approved Plans and Specifications, it shall notify the Owner of such noncompliance. The Board may not enter into a Residence without obtaining the prior permission of the Owner or Occupant; provided, however, that such prior permission shall not be unreasonably withheld and shall be given for entry by the Board during the daylight hours within forty-eight (48) hours of the request for entry.

8.7.2 Notice of Completion. Upon completion of any construction or reconstruction or the alteration or refinishing of any Improvements, or upon the completion of any other work for which approved Plans and Specifications are required under this Article, the Owner shall give written notice of completion thereof to the Board.

8.7.3 Inspection. Within thirty (30) days after receiving notice of completion, the Board, or its duly authorized representative, shall have the right to enter into a Residential Lot (but not the interior of the Residence situated therein), as provided in Section 8.7.1, to inspect the Improvements to determine whether they were constructed or installed in substantial compliance with the approved Plans and Specifications. If the Board finds that such construction or installation was not done in substantial compliance with the approved Plans and Specifications, it shall notify the Owner in writing of such non-compliance within such thirty (30) day period,

specifying particulars of non-compliance, and shall require the Owner to remedy such non-compliance.

8.7.4 Non-Compliance. If an Owner fails to remedy such non-compliance within thirty (30) days after the date of notification of non-compliance, the Board, after affording the Owner Notice and Hearing, shall determine whether there is a non-compliance, and if so, the nature thereof and the estimated cost of correcting or removing the same. If non-compliance exists, the Board shall require the Owner to remedy or remove the same within a period of not more than thirty (30) days from the date of the Board ruling. If the Owner does not comply with the Board ruling within such period or within any extension of such period as the Board in its discretion may grant, the Board at its option may either remove the non-complying Improvement or remedy the non-compliance, and the Owner shall reimburse the Association for all expenses incurred in connection therewith upon demand. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Compliance Assessment against such Owner for reimbursement.

8.7.5 Failure to Notify. If for any reason the Board fails to notify the Owner of any non-compliance within sixty (60) days after receipt of the notice of completion from the Owner, the Improvements shall be deemed to be in accordance with said approved Plans and Specifications.

8.7.6 Government Regulations. If in the event there is any conflict between the requirements or actions of the Board and the Applicable Laws relating to the Property, to the extent that such Applicable Laws are more restrictive, the Applicable Laws shall control, and the Board shall modify its requirements or actions to conform to the Applicable Laws; provided, however, that if the Applicable Laws are less restrictive, the provisions of this Declaration shall nonetheless apply. The application to and the review and approval by the Board of any Plans and Specifications or other submittals by an Owner shall in no way be deemed to be satisfaction or compliance with any building permit process or other Applicable Laws or public utility requirements (hereinafter collectively referred to as "Additional Requirements") the responsibility for which shall lie solely with the Owner; provided, however, if the Additional Requirements are less restrictive than the provisions of this Declaration, and the other Governing Documents shall nonetheless apply.

8.8 Diligence in Construction. Upon approval by the Board or Design Review Committee of any Plans and Specifications, the Owner shall promptly commence construction of the Improvements and diligently pursue the same to completion.

8.9 Fee for Review and Inspection of Improvements. The Board shall have the right to establish a fee for the review and approval of Plans and Specifications and inspection of Improvements that must be submitted to the Board pursuant to the provisions of this Article. The Board shall have the right to hire an engineer or other consultant, the opinion of which the Board deems necessary in connection with its review of any plans submitted by any Owner, and such Owner shall be liable for payment of such engineer's and/or consultant's fee.

8.10 Interpretation. All questions of interpretation or construction of any of the terms or conditions herein shall be resolved by the Board, and its decision shall be final, binding and conclusive on all of the parties affected.

8.11 Waiver. The approval by the Board of any Plans and Specifications for any work done or proposed, or for any other matter requiring the approval of the Board under this

Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar Plans and Specifications or matter subsequently submitted for approval.

8.12 Estoppel Certificate. Within thirty (30) days after written demand is delivered to the Board by any Owner, and upon payment to the Association of a reasonable fee (as fixed from time to time by the Association), the Board shall deliver an estoppel certificate, executed by any member of the Board (with respect to any Residential Lot of said Owner) that as of the date thereof, either: (a) all Improvements made and other work completed by said Owner comply with this Declaration; or (b) such Improvements or work do not so comply, in which event the estoppel certificate shall also identify the non-complying Improvements or work and set forth with particularity the basis of such non-compliance. Any purchaser from the Owner, or from anyone deriving any interest in said Residential Lot through the Owner, shall be entitled to rely on said estoppel certificate with respect to the matters therein set forth, such matters being conclusive as between the Association, Declarant and all Owners and such Persons deriving any interest through them.

8.13 Liability. Neither the Board, any Design Review Committee, nor any member thereof shall be liable to the Association or to any Owner for any damage, loss or prejudice suffered or claimed on account of: (a) the approval or disapproval of any Plans and Specifications, whether or not defective; (b) the construction or performance of any work, whether or not pursuant to approved Plans and Specifications; (c) damage to the Community or any property within the Community; or (d) the execution and filing of an estoppel certificate pursuant to Section 8.12, whether or not the facts therein are correct; provided, however, that the Board member has acted in good faith on the basis of such information as may be possessed by him or her. Without in any way limiting the generality of the foregoing, the Board, or any member thereof, may, but is not required to, consult with or hear the views of any Owner with respect to any Plans and Specifications or any other proposal submitted to the Board.

8.14 Variances. The Board may authorize variances from compliance with any of the architectural provisions of this Declaration, including, without limitation, restrictions upon height, size, floor area or placement of Improvements or other similar restrictions, when circumstances such as topography, natural obstructions, aesthetic or environmental considerations may require. Such variances may be evidenced in writing and must be signed by at least two (2) officers of the Board and shall become effective upon execution. If such variances are granted, no violation of the covenants, conditions and restrictions contained in this Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Residential Lot and particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all Applicable Laws affecting its use of the Residential Lot, including, without limitation, zoning ordinances and lot setback lines or requirements imposed by the County or any other Governmental Agencies.

8.15 Appointment of Design Review Committee. The Board shall have the right to delegate its review and approval rights under this Article to a Design Review Committee or an outside consultant. If the Board so elects, the Design Review Committee shall consist of three (3) members. One (1) alternate member may be designated by the Board to act as a substitute on the Design Review Committee. In the event the Board appoints an Design Review Committee, all rights hereunder shall apply to the Design Review Committee and all references to the Board shall be deemed to refer to the Design Review Committee. Members appointed to the Design Review Committee by Declarant need not be Members of the Association. Exercise of the right of appointment and removal as set forth herein shall be evidenced by the specification in the

minutes of the Association of each new Design Review Committee member or alternate member appointed and each member or alternate replaced or removed from the Design Review Committee.

8.16 Compensation. The members of any Design Review Committee appointed by the Board shall receive no compensation for services rendered other than reimbursement by the Association for expenses incurred by them in the performance of their duties hereunder, unless the Association retains a professional architect, engineer or designer as a member of the Design Review Committee for the purpose of providing professional services, in which event reasonable compensation for such member shall be approved by the Board.

ARTICLE 9 DEVELOPMENT RIGHTS

Given the size of the Community, development will extend over a long period of time. Declarant requires certain rights to enable Declarant to complete development, marketing and construction for the benefit of all of the Community. This Article describes some of those rights which are in addition to other rights reserved to Declarant under this Declaration and the other Governing Documents.

9.1 Limitations of Restrictions. Declarant is undertaking the work of developing Residential Lots and other Improvements within the Community. The completion of the development work and the marketing and sale, rental and other disposition of the Residential Lots by Declarant is essential to the establishment and marketing of the Property as a first class residential community. In order that the work may be completed, nothing in this Declaration shall be interpreted to deny Declarant the rights set forth in this Article.

9.1.1 Access. Declarant and its respective agents, contractors and subcontractors shall have the right to obtain reasonable access over and across the Association Property or do within any Residential Lot owned by it whatever is reasonably necessary or advisable in connection with the completion of the Community and the marketing and maintenance thereof, and Declarant, and its respective contractors and subcontractors shall have such rights of access over and across the Association Property for purposes of satisfying any obligation of Declarant that Declarant has secured by a bond in favor of any Governmental Agency.

9.1.2 Construct Improvements. Declarant and its respective contractors and subcontractors shall have the right to erect, construct and maintain on the Association Property or within any Residential Lot owned by Declarant such structures or Improvements, including, without limitation, sales offices and signs as may be reasonably necessary for the conduct of its business to complete the work, establish the Community as a residential community and dispose of the Community or other community or project owned by Declarant by sale, lease or otherwise, as determined by Declarant in its sole discretion and to perform or complete any work to improvements required for Declarant to obtain a release of any bonds posted by Declarant with the County or other applicable Governmental Agencies.

9.1.3 Grant Easements. Declarant shall have the right to establish and/or grant such easements and rights of way on, over, under or across all or any part of the Association Property to or for the benefit of any Governmental Agency or public organization, or any public utility entity or cable television provider, for the purpose of constructing, erecting, operating and maintaining Improvements thereon, therein or thereunder at that time or at any time in the future.

9.3.5 provide ongoing maintenance, operation, service, construction, punch out, and repairs to any portion of the Residences and other Improvements within any portion of the Property;

9.3.6 change the appearance of portions or all of the Property, or change the development plan if Declarant complies with Applicable Laws;

9.3.7 enter within or upon the Property in exercising the inspection and cure rights granted to Declarant under any other warranty rights;

9.3.8 make reasonable use of the Association Property and facilities for the sale of any Residential Lots; and

9.3.9 conduct their business of disposing of the Residential Lot by sale, lease or otherwise.

9.3.10 Any easement rights reserved by Declarant for marketing shall continue until Declarant has conveyed all of the Residential Lots within the Property and Annexable Property to Owners under a Public Report, and any easement rights reserved by Declarant in favor of Declarant, for any construction, inspection or cure purposes shall be for a term and duration co-extensive with Declarant's interest in any portion of the Property or Annexable Property.

9.4 Title Rights. This Declaration shall not be construed to constitute a limitation on Declarant's title rights to the Annexable Property prior to its Annexation, nor shall it impose any obligation on Declarant or any other Person to improve, develop or annex any portion of the Annexable Property. The rights of Declarant under this Declaration may be assigned to any successor(s) by an express assignment in a recorded instrument, including without limitation, a deed, option or lease. This Declaration shall not be construed to limit the right of Declarant at any time prior to such an assignment to establish additional licenses, reservations and rights-of-way to itself, to utility companies, to Governmental Agencies, or to others as may be reasonably necessary to the proper development and disposal of property owned by Declarant.

9.5 Control of Access into the Community. Until development of the Community is complete and Declarant has concluded sales, leasing or other marketing programs, Declarant shall have the exclusive right to control all aspects of the operation of any and all Community entry facilities, if any, (including, without limitation, locking the Community entry facilities in an open position for sales purposes, and opening any or all of the Community entry facilities to provide access for construction traffic in accordance with Applicable Laws). Consequently, access into the Community may be open to the public for an extended period of time. At such time as Declarant relinquishes its right to control the operation of all of the Community entry facilities, such facilities will be owned, operated and controlled by the Association.

9.6 Declarant Representative. Until Declarant no longer owns any Residential Lot or Annexable Property, the Association shall provide Declarant with written notice of all meetings of the Board and Declarant shall be entitled, without obligation, to have a representative present at all such Board meetings ("Declarant's Representative"), excluding any meetings while the Board is in executive session. The Declarant's Representative shall be in addition to any member which Declarant may have on the Board and, if Declarant elects to have an additional representative, Declarant's Representative may be present in an advisory capacity only and shall not be a Board member or have any right to vote on matters coming before the Board.

9.7 Declarant Exemptions. None of the covenants, restrictions and limitations set forth in Article 6, Article 8 or elsewhere in this Declaration shall be applied to the development, construction, marketing or sales or leasing activities of Declarant or construed in such a manner as to prevent or limit development, construction, marketing, leasing or sales activities by Declarant. ARTICLE 10 INSURANCE

This Article describes the obligations of the Association and the Owners regarding insurance.

10.1 Association's Insurance Obligations.

10.1.1 Liability Insurance. The Association shall obtain and maintain liability insurance providing coverage at least as broad as a current ISO general liability insurance form or its equivalent (including coverage for medical payments and coverage for owned and non-owned automobiles, if applicable), insuring the Association, Declarant (as long as Declarant is the Owner of any Residential Lot within the Property or the Annexable Property and/or has any rights under Article 9 and the Owners against liability arising from the ownership, operation, maintenance and use of the Association Property and Association Maintenance Areas by the Association and the performance by the Association of its duties under this Declaration. Coverage for such matters shall be primary to any coverage provided by any other liability insurance policy maintained by such insureds. The limits of such insurance shall not be less than Two Million Dollars (\$2,000,000) per occurrence and Four Million Dollars (\$4,000,000) general aggregate and shall at all times meet or exceed the minimum requirements of California Civil Code Section 5805. Such insurance shall include a broad form named insured endorsement, if reasonably available, and may include coverage against any other liability customarily covered with respect to properties similar in construction, location and use, all as may be determined by the Board. Such policy shall include, if reasonably available as determined by the Board, a cross-liability or severability or interest endorsement insuring each insured against liability to each other insured.

10.1.2 Property Insurance. The Association shall obtain and maintain property insurance for the risks covered by, and providing coverage at least as broad as, a current ISO "special form" policy or its equivalent, insuring: (a) all Improvements upon, within or comprising the Association Property and any other areas to be maintained, repaired or replaced by the Association; and (b) all personal property owned or maintained by the Association. Such insurance shall be maintained in the amount of the maximum insurable replacement value of the property to be insured thereunder as determined annually by the Board. Such coverage may exclude land, foundations, excavations and other items typically excluded from property insurance coverage on properties similar in construction, location and use.

(a) Course of Construction. Whenever any Improvements required to be insured by the Association are in the course of construction, the insurance required under this Section to the extent appropriate, shall be carried by the Association in builder's risk form written on a completed value basis, insuring against loss to the extent of at least the full replacement value of the insured property (excluding foundations and footings, except for earthquake coverage) of that which is being covered.

(b) Payment of Insurance Proceeds. Subject to the rights of Mortgagees, the proceeds from such property insurance shall be payable to the Association or an insurance trustee ("Trustee") to be held and expended for the benefit of the Association. The trustee shall be a commercial bank or other financial institution with trust powers in the county in which the Community is located that agrees in writing to accept such trust. If restoration is authorized, the Association will have the duty to contract for such work as provided for in this Declaration.

(c) Primary. With respect to all real and personal property to be insured by the Association under this Declaration, the property insurance maintained by the Association shall be primary and noncontributing with any other property insurance maintained by an Owner covering the same loss.

(d) **Endorsements**. The property insurance policy shall contain, to the extent available on commercially reasonable terms as may be determined by the Board, the following endorsements or their equivalents: agreed amount, boiler and machinery (to the extent applicable), inflation guard, ordinance or law, replacement cost, and such other endorsements as may customarily be obtained with respect to properties similar in construction, location and use, as may be determined by the Board.

(e) **Adjustment of Losses**. The Association shall timely file, pursue and complete the adjustment of all claims arising under the property insurance policies carried by the Association. The Board is appointed attorney-in-fact by each Owner to negotiate and agree on the value and extent of any property damage under any policy carried by the Association. The Board is granted full right and authority to compromise and settle any property damage claim under any policy of property insurance carried by the Association or to enforce any such claim by legal action or otherwise, and to execute releases in favor of any insurer with respect to any such claim.

(f) **Waiver of Claims and Subrogation**. The Association waives all claims against the Owners for any damage to the real and personal property that the Association is obligated under this Declaration to insure (including without limitation, any loss of use of such property), except that the Association may claim against an Owner for property damage caused by that Owner to the extent that the damage is within the amount of the deductible or self-insured retention, or such damage is caused by the negligence or willful misconduct of that Owner. Any property insurance policy obtained by the Association must contain a waiver of subrogation rights by the insurer consistent with this Section ; provided, however, that a failure or inability of the Association to obtain such a waiver from an insurer shall not defeat or impair the waivers between the Association and the Owners as set forth herein. If an Owner is liable for damage under this Sections the Association may, after Notice and Hearing, levy a Compliance Assessment equal to the cost of repairing the damage or any insurance deductible paid under the Association's insurance policy, as applicable, and the increase, if any, in insurance premiums directly attributable to such damage. The waivers of claims and subrogation set forth in this subsection apply only in favor of the Owners and do not limit or waive, release or discharge any claims that the Association (or its insurers) may have against any third party, including without limitation any contractor, service provider, agent, or Invitee, provided that such waivers shall also apply in favor of a Lessee if and to the extent that the Owner has similarly agreed in such lease agreement to a waiver of claims and subrogation against such Lessee.

10.1.3 Fidelity Bond. The Association shall maintain a fidelity bond in an amount equal to the greater of: (a) the estimated maximum of funds, including reserves, expected to be regularly held by or on behalf of the Association or a managing agent at any given time during the term of the fidelity bond; and (b) three (3) months' aggregate of the Regular Assessments on all Residential Lots plus any reserve funds. If the Association maintains a bond, the bond shall name the Association as obligee and if the Association maintains insurance, the policy shall name the Association as the insured and shall insure against loss by reason of the acts of the employees of the Association, and any managing agent and its employees, whether or not such persons are compensated for their services.

10.1.4 Worker's Compensation Insurance. The Association shall maintain worker's compensation insurance to the extent necessary to comply with all Applicable Laws.

10.1.5 Directors and Officers Insurance. The Association shall maintain a policy insuring the Association's officers and directors against liability for their acts or omissions

while acting in their capacity as officers and directors of the Association. The limits of such insurance shall be not less than Two Million Dollars (\$2,000,000) and shall at all times meet or exceed the minimum requirements of California Civil Code Section 5800.

10.1.6 General Policy Requirements. All insurance policies the Association is required to obtain pursuant to this Article shall be placed and maintained with companies rated at least "A-VII" by A.M. Best Insurance Service and otherwise reasonably satisfactory to the Association. If an A.M. Best rating is not available, a comparable rating service may be used. Such insurance policies may have reasonable deductible amounts comparable to those customarily maintained with respect to properties similar in construction, location and use, as may be determined by the Board. The coverage amounts required for such insurance policies may be satisfied by any combination of primary and excess policies that collectively serve to satisfy the requirements of this Article.

10.1.7 Copies of Policies. Copies of all insurance policies of the Association shall be retained by the Association and open for inspection by Owners at reasonable times. All such insurance policies shall provide that they shall not be cancelable or substantially modified by the insurer without first giving at least thirty (30) days prior notice in writing to the Owners and First Mortgagees, except that ten (10) days prior written notice shall be required if the cancellation is for non-payment of premiums. In addition to the foregoing, the Association shall provide to the Owners such information regarding the insurance of the Association as may be required by Applicable Laws or under the Bylaws.

10.1.8 Compliance with Federal Regulations. Notwithstanding any other provisions contained herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the minimum insurance and fidelity bond requirements established by Federal Agencies, so long as any of the above is a Mortgagee or an Owner of a Residential Lot, except to the extent such coverage is not available or has been waived in writing by the Federal Agencies as applicable. If the FNMA or FHLMC requirements conflict, the more stringent requirements shall be met.

10.2 Compliance With Insurance Requirements in Documents of Record. The Association shall obtain insurance as required by any document of record affecting the Association Property or Association Maintenance Areas. Each Owner shall obtain insurance as required by any document of record affecting such Owner's Residential Lot.

10.3 Review of Insurance. At least once every year, the Board shall review the adequacy of all insurance required by this Declaration to be maintained by the Association. The review shall include a reasonable determination of the replacement cost of all real and personal property required to be insured by the Association in accordance with Section 10.1 of this Declaration without respect to depreciation.

10.4 Association's Authority to Revise Insurance Requirements. Subject to any statutory insurance requirements, the Association shall have the power and right to adjust and modify the insurance requirements set forth herein to require coverage and protection that is customarily carried by and reasonably available to prudent owners and associations of projects similar in construction, location and use. If the Association elects to materially reduce the coverage required to be maintained by the Association from the coverage required in this Article, the Board shall make all reasonable efforts to notify the Owners and Mortgagees of the reduction in coverage and the reasons therefore at least thirty (30) days prior to the effective date of the reduction. The Association, and its directors and officers, shall have no liability to any Owner or

Mortgagee, if after a good faith effort, the Association is unable to obtain one or more of the insurance coverages required hereunder to the extent the insurance is no longer available, or, if available, the insurance can be obtained only at a cost that the Board, in its sole discretion, determines is unreasonable under the circumstances, or if the Owners fail to approve any assessment increase needed to fund the insurance premiums.

ARTICLE 11 DESTRUCTION OF IMPROVEMENTS AND CONDEMNATION

This Article addresses what happens in the event of any damage or destruction to a portion of the Property. It is the intent of this Article that if there are sufficient insurance proceeds, or if the Members elect to impose a Special Assessment to pay the costs of any shortfalls in the insurance proceeds or elect to adopt an alternative plan of reconstruction so that the rebuilding can occur, that the Association have the responsibility and obligation to repair and restore the damaged Improvements.

In addition, the County or other Governmental Agencies can exercise rights of eminent domain that allow the County or other Governmental Agencies to "take" all or a portion of the Community. This Section describes what happens if a taking of all or a portion of the Association Property occurs.

11.1 Restoration Defined. As used in this Article, the term "restore" shall mean repairing, rebuilding or reconstructing damaged Improvements to substantially the same condition and appearance in which it existed prior to fire or other casualty damage. The Association shall have the obligation to restore the Association Property in accordance with the provisions set forth in this Article 11.

11.2 Restoration Proceeds. The costs of restoration of the damaged Improvements shall be paid first from any insurance proceeds paid to the Association under existing insurance policies. If the insurance proceeds exceed the costs of restoration, the excess proceeds shall be paid into reserves and held for the benefit of the Association. If the insurance proceeds are insufficient to restore the damaged Improvements, the Board shall then add to the insurance proceeds all reserve account funds designated for the repair or replacement of the damaged Improvement. If the total funds then available are sufficient to restore the damaged Improvement, the Improvement shall be restored. If the aggregate amount of insurance proceeds and such reserve account funds are insufficient to pay the total costs of restoration, the Improvement shall be restored and the Board shall impose a Special Assessment for the cost of repairing and reconstructing Improvements to the extent insurance proceeds are unavailable. Such Special Assessment shall be levied as described in Article 5 (but without the consent or approval of Members, despite any contrary provisions in this Declaration).

11.3 Rebuilding Contract. The Board or its authorized representative shall obtain bids from at least two (2) licensed and reputable contractors and shall accept the restoration work from whomever the Board determines to be in the best interests of the Members. The Board shall have the authority to enter into a written contract with the contractor for such restoration, and the insurance proceeds shall be disbursed to the contractor according to the terms of the contract. The Board shall take all steps necessary to assure the commencement and completion of authorized restoration at the earliest possible date. Such restoration shall be commenced no later than one hundred eighty (180) days after the event requiring reconstruction and shall thereafter be diligently prosecuted to completion. Such restoration shall return the damaged Improvements

to substantially the same condition and appearance in which it existed prior to the damage or destruction.

11.4 Insurance Trustee. All property insurance proceeds payable to the Association under the policy described in Section 10.1.2, subject to the rights of Mortgagees under Article 12, may be paid to a trustee as designated by the Board to be held and expended for the benefit of the Owners and Mortgagees, as their respective interests shall appear. The trustee shall be a commercial bank or other financial institution with trust powers in the county in which the Community is located that agrees in writing to accept such trust. If repair or reconstruction is authorized, the Association will have the duty to contract for such work as provided for in this Declaration.

11.5 Condemnation of Association Property. If at any time all or any portion of any Association Property, or any interest therein, is taken for any public or quasi-public use, under any statute, by right of eminent domain or by private purchase in lieu of eminent domain, the entire award in condemnation shall be paid to the Association and shall be used for restoring the balance of the Association Property. To the extent the Association is not permitted by the Governmental Agency to rebuild, then such award shall be apportioned among the Owners by court judgment or by agreement between the condemning authority and each of the affected Owners, the Association and their respective Mortgagees to such area as their interests may appear according to the fair market values of each Residential Lot at the time of destruction, as determined by independent appraisal. The appraisal shall be made by a qualified real estate appraiser with an MAI certificate or the equivalent, which appraiser shall be selected by the Board. Any such award to the Association shall be deposited into the maintenance and operation account of the Association. The Association shall represent the interests of all Owners in any proceeding relating to such condemnation.

11.6 Minor Repair and Reconstruction. The Board shall have the duty to repair and reconstruct Improvements, without the consent of Members and irrespective of the amount of available insurance proceeds, in all cases of partial destruction when the estimated cost of repair and reconstruction does not exceed Ten Thousand Dollars (\$10,000). The Board is expressly empowered to levy a Special Assessment for the cost of repairing and reconstructing Improvements to the extent insurance proceeds are unavailable. Such Special Assessment shall be levied as described in Article 5 (but without the consent or approval of Members, despite any contrary provisions in this Declaration).

11.7 Damage to Residences. Restoration of any damage to the Residence within a Residential Lot shall be made by and at the individual expense of the Owner of the Residence so damaged. In the event of damage or destruction of a Residential Lot that also causes damage to the Association Maintenance Area of such Residential Lot, the Owner of such Residential Lot shall have the obligation to restore the damaged or destroyed areas in a manner similar to the state of the Association Maintenance Area prior to the damage or destruction. In the event of a determination by an Owner not to restore the Residence, the Residential Lot shall be landscaped and maintained in an attractive and well-kept condition by the Owner thereof. All such repair and restoration shall be completed as promptly as practical and in a lawful and workmanlike manner, in accordance with plans approved by the Board as provided herein.

11.8 Condemnation of a Residence. In the event of any taking of a Residential Lot, the Owner (and such Owner's Mortgagees as their interests may appear) shall be entitled to receive the award for such taking.

ARTICLE 12 RIGHTS OF MORTGAGEES

Certain Mortgagees need to protect their interests in the Community. This Article gives certain Mortgagees rights to protect their security interests.

12.1 Conflict. Notwithstanding any contrary provision contained elsewhere in the Governing Documents, the provisions of this Article shall control with respect to the rights and obligations of Mortgagees as specified herein.

12.2 Liability for Unpaid Assessments. Any Institutional Mortgagee who obtains title to a Residential Lot pursuant to the remedies provided in the First Mortgage (except upon a voluntary conveyance to the Institutional Mortgagee) or by foreclosure of the First Mortgage shall take the property free of any claims for unpaid assessments or charges against the Residential Lot which accrue prior to the acquisition of title to the Residential Lot by the Institutional Mortgagee.

12.3 Payment of Taxes and Insurance. All taxes, assessments and charges that may become a lien prior to the lien of any First Mortgagee shall be levied only to the individual Residential Lot and not the Community as a whole. Institutional Mortgagees may, jointly or singly, pay taxes or other charges that are in default and that may or have become a charge against any Association Property or Improvements situated thereon and may pay overdue premiums on property insurance policies or secure new property insurance coverage on the lapse of a policy for such Association Property. Institutional Mortgagees making such payments shall be owed immediate reimbursement for such expenditures from the Association and, on demand, the Association shall execute an agreement in favor of all Institutional Mortgagees reflecting entitlement to reimbursement.

12.4 Notice to Eligible Holders. An Eligible Holder is entitled to timely written notice of the following events:

12.4.1 Condemnation. Any condemnation loss or casualty loss that affects either a material portion of the Community or the Residential Lot on which the Eligible Holder holds a First Mortgage;

12.4.2 Delinquency. Any delinquency in the payment of assessments or charges owed by the Owner of a Residential Lot that is subject to a First Mortgage held by the Eligible Holder if the delinquency is not cured within sixty (60) days after its due date;

12.4.3 Lapse in Insurance. Any lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association;

12.4.4 Termination Dissolve Community. Any proposal to take any action specified in this Article or in Article 11, provided that, for purposes of a proposal to terminate the Community and/or dissolve the Association, "timely written notice" shall mean at least thirty (30) days' advance written notice;

12.4.5 Defaults. Any default by the Owner-Mortgagor of a Residential Lot subject to a First Mortgage held by the Eligible Holder in the performance of its obligations under this Declaration or the Bylaws which is not cured within sixty (60) days; or

12.4.6 Actions Requiring Consents. Any proposed action that requires the consent of a specified percentage of the Eligible Holders.

12.5 Reserve Fund. The Association shall maintain as a reserve fund a reserve account fund sufficient to pay for maintenance, repair and periodic replacement of Association Property, Association Maintenance Areas and any other property that the Association is obligated to maintain and any cost sharing obligations. This reserve fund shall be funded by Regular Assessments of Owners that are payable in installments rather than by Special Assessment; provided, however, that this provision shall not be deemed to limit the power of the Association to levy any other type of Assessment or charge authorized by this Declaration.

12.6 Inspection of Books and Records. Upon request, any Owner or Eligible Holder shall be entitled to inspect the books, records and financial statements of the Association, the Governing Documents and any amendments thereto, during normal business hours or under other reasonable circumstances.

12.7 Financial Statements. The Association, at its expense, shall prepare an audited financial statement for the immediately preceding Fiscal Year and make the same available within one hundred twenty (120) days after the Association's Fiscal Year end to any Institutional Mortgagee that has submitted written request for it.

12.8 Actions Requiring Eligible Holder Approval. Unless at least sixty-seven percent (67%) of the Eligible Holders (based on one vote for each First Mortgage owned) and at least sixty-seven percent (67%) of the Owners other than Declarant have given their prior written approval, the Association shall not be entitled to:

12.8.1 By act or omission, seek to abandon or terminate the Community;

12.8.2 By act or omission abandon, partition, subdivide, encumber, sell or transfer any property or improvements owned, directly or indirectly, by the Association for the benefit of the Residential Lots and the Owners. (The granting of easements for public utilities or for other public purposes consistent with the intended use of the Community by the Association and Owners shall not be deemed a transfer within the meaning of this Section);

12.8.3 By act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to architectural design or exterior appearance of Residential Lots, the exterior maintenance of Residential Lots, or the upkeep of lawns, plantings or other landscaping in the Community;

12.8.4 By act or omission change the method of determining the obligations, assessments, dues or other charges that may be levied against an Owner;

12.8.5 Fail to maintain fire and extended coverage insurance on insurable portions of the Association Property on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value based on current replacement cost; and

12.8.6 Use insurance proceeds for losses to any property or Improvements owned by the Association other than for the repair, replacement or reconstruction of such property and Improvements.

12.9 Self-Management. The vote or approval by written ballot of at least sixty-seven percent (67%) of the total Voting Power of the Association and Eligible Holders that represent at least a fifty-one percent (51%) majority of the Residential Lots that are subject to Mortgages held by Eligible Holders shall be required to assume self-management of the Community if professional management of the Community has been required by an Eligible Holder at any time.

12.10 Mortgage Protection. A breach of any of the conditions contained in this Declaration shall not defeat nor render invalid the lien of any First Mortgage made in good faith and for value as to any Residential Lot in the Community; provided, however, that the conditions contained in this Declaration shall be binding upon and effective against any Owner of a Residential Lot if the Residential Lot is acquired by foreclosure, trustee's sale or otherwise.

12.11 Distribution of Insurance and Condemnation Proceeds. No Owner, or any other party, shall have priority over any right of Institutional Mortgagees of Residential Lots pursuant to their Mortgages in case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of Residential Lots or Association Property. Any provision to the contrary in Governing Documents is to such extent void. All applicable fire and all physical loss or extended coverage insurance policies shall contain loss payable clauses acceptable to the affected Institutional Mortgagees naming the Mortgagees, as their interests may appear.

12.12 Voting Rights on Default. In case of default by any Owner in any payment due under the terms of any Institutional Mortgage encumbering such Owner's Residential Lot, or the promissory note secured by the Mortgage, the Mortgagee or its representative, on giving written notice to such defaulting Owner or Owners, and placing of record a notice of default, is hereby granted a proxy and can exercise the voting rights of such defaulting Owner attributable to such Residential Lot at any regular or special meeting of the Members held during such time as such default may continue.

12.13 Foreclosure. If any Residential Lot is encumbered by a First Mortgage made in good faith and for value, the foreclosure of any lien created by any provision set forth in this Declaration for assessments, or installments of Assessments, shall not affect or impair the lien of the Mortgage. On foreclosure of the Mortgage, the lien for Assessments, or installments, that has accrued up to the time of foreclosure shall be subordinate to the lien of the Mortgage, with the foreclosure-purchaser taking title to the Residential Lot free of the lien for Assessments, including interest, costs (including attorneys' fees), and late charges levied by the Association with respect thereto or installments, that has accrued up to the time of the foreclosure sale. On taking title to the Residential Lot the foreclosure-purchaser shall only be obligated to pay Assessments or other charges levied or assessed by the Association after the foreclosure-purchaser acquired title to the Residential Lot. The subsequently accrued Assessments or other charges may include previously unpaid Assessments provided all Owners, including the foreclosure-purchaser, and its successors and assigns are required to pay their proportionate share as provided in this Section 12.13.

12.14 Non-Curable Breach. Any Mortgagee who acquires title to a Residential Lot by foreclosure or by deed-in-lieu of foreclosure or assignment-in-lieu of foreclosure shall not be obligated to cure any breach of this Declaration that is non-curable or that is not practical or feasible to cure.

12.15 Loan to Facilitate. Any Mortgage given to secure a loan to facilitate the resale of a Residential Lot after acquisition by foreclosure or by a deed-in-lieu of foreclosure or by an

assignment-in-lieu of foreclosure shall be deemed to be a loan made in good faith and for value and entitled to all of the rights and protections of this Article.

12.16 Appearance at Meetings. Because of its financial interest in the Community, any Mortgagee may appear (but cannot vote except as may be provided for herein) at meetings of the Members and the Board to draw attention to violations of this Declaration that have not been corrected or made the subject of remedial proceedings or Assessments.

12.17 Right to Furnish Information. Any Mortgagee can furnish information to the Board concerning the status of any Mortgage.

12.18 Inapplicability of Right of First Refusal to Mortgagee. No right of first refusal or similar restriction on the right of an Owner to sell, transfer or otherwise convey the Owner's Residential Lot shall be granted to the Association without the written consent of any Mortgagee of the Residential Lot. Any right of first refusal or option to purchase a Residential Lot that may be granted to the Association (or other person, firm or entity) shall not apply to any conveyance or transfer of title to such Residential Lot, whether voluntary or involuntary, to a Mortgagee that acquires title to or ownership of the Residential Lot pursuant to the remedies provided in its Mortgage or by reason of foreclosure of the Mortgage or deed- or assignment-in-lieu of foreclosure.

12.19 Written Notification to Mortgagees or Guarantors of First Mortgages. If a Mortgagee or guarantor of a First Mortgage and has not given written notice to the Association specifying its name, the name of the Owner and address of the Residential Lot encumbered by the First Mortgage, any written notice or proposal required or permitted by this Declaration to be given to such Mortgagee or guarantor shall be deemed properly given if deposited in the United States mail, postage prepaid, and addressed to the Mortgagee or guarantor at its address appearing of record in the First Mortgage (or assignment thereof, if applicable).

ARTICLE 13 AMENDMENTS

This Declaration and the easements, covenants, conditions and restrictions established under the Declaration will continue in effect for 60 years and thereafter will continue unless a certain percentage of the Owners elect to terminate the Declaration. This will help to ensure the continued operation, use and viability of the Community. This Article also describes the procedures and requirements for amendments to this Declaration. Some provisions of this Declaration may not be amended without the consent of Declarant. Moreover, each Owner acknowledges that corrections and supplements to this Declaration may be necessary and that it is important to give Declarant the right to record such Supplementary Declarations without the consent of any Owner except as otherwise provided in this Declaration.

Before the conveyance of the first Residential Lot to an First Purchaser, this Declaration and any amendments to it may be amended in any respect or revoked by the execution by Declarant and any Mortgagee of record of an instrument amending or revoking the Declaration. After conversion of the Class B membership in the Association to Class A membership, the Declaration may be amended at any time and from time to time, provided that the vote or approval by written ballot of: (a) at least a majority of the total Voting Power of the Association; and (b) at least a majority of the Voting Power of the Members of the Association, other than Declarant, has been obtained. The vote on a proposed amendment to the Declaration shall be held by secret written ballot in accordance with the procedures set forth in California Civil Code Section 5100 and the rules adopted by the Board pursuant thereto. Such amendment shall become effective upon the recording of a Certificate of Amendment signed and acknowledged by the President or Vice President and the Secretary or Assistant Secretary of the Association certifying that such votes or approval by written ballot have been obtained. For the purposes of recording the Certificate of Amendment, the President or Vice-President and Secretary or Assistant Secretary of the Association are hereby granted an irrevocable power of attorney to act for and on behalf of each and every Owner in certifying and executing and recording the Certificate of Amendment in the Official Records. Nothing contained herein shall limit the Members of the Association from exercising the rights of the Association under California Civil Code Section 4275.

13.3 Approval of Material Amendments. In addition to the requirements of Section 13.2, in the case of any Material Amendment, as defined below, the vote of Eligible Holders that represent at least fifty-one percent (51%) of the votes of Residential Lots that are subject to Mortgages held by Eligible Holders and at least sixty-seven percent (67%) of the Voting Power of each class of Members (or, following conversion of Class B membership to Class A membership, at least sixty-seven percent (67%) of the total Voting Power of the Association and at least sixty-seven percent (67%) of the voting power of Members other than Declarant) shall also be required. Any Eligible Holder who receives written request to consent to additions or amendments requiring consent under this provision who does not deliver to the requesting party a negative response within sixty (60) days after receipt of a notice delivered by certified or registered mail, return receipt requested, shall be deemed to have consented to such request. If any provision of this Declaration requires a greater or lesser percentage of the voting rights of any class of Members in order to take affirmative or negative action under such provision, the same percentage of such class or classes of Members shall be required to amend or revoke such provision. Any amendment or revocation subsequent to the close of such first sale shall be evidenced by an instrument certified by the Secretary or other duly authorized officer of the Association and shall make appropriate reference to this Declaration and its amendments and shall be acknowledged and recorded in the Official Records.

13.4 Additional Approvals.

13.4.1 Governmental Approvals. If the consent or approval of any Governmental Agency, VA, FNMA or FHA is required with respect to any amendment or revocation of any provision of this Declaration, no such amendment or revocation shall become effective unless such consent or approval is obtained pursuant to the requirements of the Governmental Agency, VA, FNMA or FHA.

Notwithstanding anything to the contrary contained in this Declaration, Sections 1.49, 7.2.3, 7.4.2, 15.5 and this Section of this Declaration shall not be amended nor shall other provisions be adopted that purport to supersede them without the consent of Declarant without the prior written approval of Declarant.

13.4.3 Declarant's Consent. So long as Declarant owns any portion of the Property or Annexable Property, this Declaration may not be amended to do any of the following without the prior written approval of Declarant: (a) diminish or eliminate any rights specifically granted or reserved to Declarant; or (b) modify or eliminate the easements reserved to Declarant.

13.8 Notice to Eligible Holders. Eligible Holders shall be entitled to timely written notice of any amendments to this Declaration, the Bylaws or the Articles.

ARTICLE 14 ANNEXATION AND DEANNEXATION OF PROPERTY

The Declaration encumbers the Property as described below. This Article sets forth such procedures to annex Annexable Property to and make it subject to this Declaration.

14.1 Annexation. Any of the Annexable Property may be annexed to and become subject to this Declaration by any of the methods set forth hereinafter in this Article. Declarant intends to sequentially develop the Annexable Property on a phased basis. However, Declarant may elect not to develop all or any part of such real property to this Declaration in increments of any size whatsoever, or to develop more than one such increment at any given time and in any given order or develop such real property as a separate community. Although Declarant shall have the ability to annex the Annexable Property, Declarant shall not be obligated to annex all or any portion of the Annexable Property, and the Annexable Property shall not become subject to this Declaration unless and until a Supplementary Declaration covering it has been recorded.

14.2 Annexation Without Approval. All or any part of the Annexable Property may be annexed to and become subject to this Declaration and subject to the jurisdiction of the Association without the approval, assent or vote of the Association or its Members, provided that:

14.2.1 The proposed Annexation is in substantial conformance with a detailed plan of phased development submitted to the DRE with the application for a Public Report;

14.2.2 The proposed Annexation will not result in a substantial and material overburdening of the common interests of the then existing Owners;

14.2.3 The proposed Annexation will not cause a substantial increase in Assessments against existing Owners that was not disclosed in the Public Reports under which pre-existing Owners purchased their interests;

14.2.4 For each Residential Lot to be annexed for which a rental program has been in effect by the Owner for a period of at least one (1) year as of the date of conveyance of the first Residential Lot to a First Purchaser in the annexed Phase, the Owner shall pay to the Association, before or concurrently with the first close of escrow for the sale of a Residential Lot within the annexed Phase, an amount for each month or portion thereof during which the Residential Lot was occupied under such rental program that shall be established by the Board for reserves for replacement or deferred maintenance of Association Property Improvements necessitated by or arising out of the use and occupancy of the Residential Lots under the rental program;

14.2.5 Each Supplementary Declaration effecting the Annexation contemplated under this Section must be executed by Declarant.

For purposes of this Sections the issuance of a Public Report shall conclusively be deemed to be satisfaction of the criteria set forth above.

14.3 Supplementary Declarations. The annexation authorized under the foregoing Sections shall be made by filing of record by Declarant, of a Supplementary Declaration which shall extend the plan of this Declaration to such property. A Supplementary Declaration may also be recorded by Declarant for any of the purposes described in Section 1.69, without the consent of the Owners and by the Association as described in Section 9.8.

14.4 Mergers or Consolidations. Upon a merger or consolidation of the Association with another association, the Association's properties, rights and obligations may, by operation of law, be transferred to the surviving or consolidated association, or, alternatively, the properties, right and obligations of another association may, by operation of law, be added to the properties, rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants, conditions and restrictions established by this Declaration within the Community, together with the covenants and restrictions established upon any other property as one plan.

14.5 De-Annexation. Declarant may delete all or any portion of the Property from the coverage of this Declaration and rescind any Supplementary Declaration, provided that: (a) Declarant is the sole Owner of all of the real property described in the Supplementary Declaration to be rescinded or obtains the consent of the fee title Owner(s) of the real property to be de-annexed; and (b) assessments have not commenced with respect to any portion of the real property to be de-annexed. Such deletion shall be effective upon the recordation of a written instrument signed by Declarant, in the same manner as the Supplementary Declaration to be rescinded was recorded.

ARTICLE 15 TERM AND ENFORCEMENT

This Article describes the enforcement rights for violations of this Declaration and the Governing Document and certain procedures which must be followed in the event of a claim. The claims procedures are intended to establish an efficient procedure to enable claims to be resolved promptly for the benefit of the Community.

15.1 Term. The covenants, conditions and restrictions of this Declaration shall run with and bind the Property and shall inure to the benefit of and be enforceable by the Association, Declarant or any Member, their respective legal representatives, heirs, successors and assigns, for a term of sixty (60) years from the date this Declaration is recorded, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years each, unless an instrument, signed by at least sixty-seven percent (67%) of the Members has been recorded, at least one (1) year prior to the end of any such period in the manner required for a conveyance of real property, in which it is agreed that this Declaration shall terminate at the end of the then applicable term.

15.2 Rights of Enforcement of Governing Documents. Subject to Section 15.5, Declarant, the Association or any Owner shall have a right of action against any Owner, and Declarant or any Owner shall have a right of action against the Association, to enforce by

proceedings at law or in equity, all covenants, conditions, and restrictions, now or hereafter imposed by the provisions of the Governing Documents or any amendment thereto, including the right to prevent the violation of such covenants, conditions and restrictions and the right to recover damages or other dues for such violation except that Owners shall not have any right of enforcement concerning Assessment liens. The Association shall have the exclusive right to the enforcement of provisions relating to architectural control and the Association Rules, unless the Association refuses or is unable to effectuate such enforcement, in which case any Owner who otherwise has standing shall have the right to undertake such enforcement. Failure of the Association, Declarant or any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter.

15.2.1 Disputes Involving Members. Prior to filing an Enforcement Action (as such term is defined in California Civil Code 5925) by a Member solely for declaratory relief or injunctive relief, or for declaratory relief or injunctive relief in conjunction with a claim for monetary damages, related to the enforcement of the Governing Documents, the Members shall be required to comply with California Civil Code Sections 5925 through 5965, if applicable. Failure of a Member to comply with the alternative dispute resolution requirements of California Civil Code Section 5930 may result in the loss of the Member's right to sue the Association or another Member regarding enforcement of the Governing Documents or Applicable Laws.

15.2.2 Disputes involving the Association and Members. Prior to filing a civil action by either the Association or by a Member solely for declaratory relief or injunctive relief, or for declaratory relief or injunctive relief in conjunction with a claim for monetary damages, (other than for nonpayment of Assessments), related to the any of the following matters: (i) enforcement of the Governing Documents; (ii) damage to the Association Property; (iii) damage to a Residential Lot that arises out of, or is integrally related to, damage to the Association Property or Association Maintenance Area; the Association shall be required to perform any act reasonably necessary to resolve any civil claim or action through alternative dispute resolution proceedings such as mediation, binding arbitration, or non-binding arbitration proceedings. Any dispute resolution procedure imposed by the Association shall satisfy the requirements of California Civil Code Sections 5900, 5905 and 5910. In the event the Association does not comply with the minimum requirements of a fair, reasonable and expeditious dispute resolution procedure, the Association or any Member may invoke the procedures provided for in California Civil Code Section 5915. The Board may impose any of the remedies provided for in the Bylaws.

15.2.3 Notice Requirements. Members of the Association shall annually be provided a summary of the provisions of California Civil Code Section 5900, *et seq.* which specifically references the provisions of California Civil Code Section 5965. The summary shall be provided either at the time the Budget required by California Civil Code Section 5300 is distributed or in the manner specified in California Corporations Code Section 5016. The summary shall include a description of the Association's internal dispute resolution procedure, as required by California Civil Code Section 5920.

15.2.4 Civil Action. A civil action to enforce the Governing Documents shall comply with California Civil Code Sections 5850 through 5985.

15.3 Enforcement of Non Payment of Assessments. Each Owner of any Residential Lot then subject to Assessment shall be deemed to covenant and agree to pay to the Association each and every Assessment provided for in this Declaration. The Association shall have the right to enforce such payment obligation in accordance with the provisions set forth in Section 5.13.

15.4 Enforcement of Bonded Obligations. The Association shall have the right to enforce bonded obligations in accordance with the provisions set forth in Section 5.23.

15.5 Disputes Involving Declarant.

15.5.1 Defined Terms. For purposes of this Section and this Declaration, the following terms shall have the meanings set forth below.

(a) "**Claim**" means any Construction Defect Claim or Other Claim.

(b) "**Claim Process**" means the pre-litigation process for the resolution of Construction Defect Claims and Other Claims as described in the Master Dispute Resolution Declaration.

(c) "**Construction Defect Claim**" means any claim, issue or controversy, whether or not the claim, issue or controversy is governed by or subject to the Right to Repair Act or is based upon common law, that arises from or is related in any way to any alleged deficiencies in construction, design, specifications, surveying, planning, supervision, testing, or observation of construction, including, but not limited to, any alleged violation of the standards set forth in California Civil Code Sections 895 through 897, inclusive of the Right to Repair Act.

(d) "**Dispute**" means any claim, issue or controversy that arises from or is related in any way to: (a) the Community; (b) any Residential Lot; (c) the Association Property or Association Maintenance Areas; (d) the relationship between the Association and Declarant; and/or (e) the relationship between any Owner and Declarant, whether contractual, statutory or in tort, including, but not limited to, claims, issues or controversies that arise from or are related to the purchase, sale, condition, design, construction or materials used in construction of any portion of the Community or any Residence, Association Property or Association Maintenance Areas, the agreement between Declarant and Owner to purchase the Residence or any related agreement, the Limited Warranty, disclosures, or alleged deficiencies in construction, design, specifications, surveying, planning, supervision, testing, or observation of construction related to Improvements within the Association Property, Association Maintenance Areas or the Residential Lot, including, but not limited to, the following: (i) a Construction Defect Claim; (ii) an Other Claim; (iii) any disagreement as to whether a Construction Defect Claim has been properly repaired; (iv) any disagreement as to the value of repairing damages which are the subject of a Construction Defect Claim; (v) the cost of repairing damage caused by the repair efforts, the cost to remove or replace an improper repair, and any alleged relocation expenses, storage expenses, lost business income, investigation costs and all other fees and costs recoverable by contract or statute as a result of a Construction Defect Claim; and (vi) any disagreement concerning the timeliness of Declarant's performance or the Association's or an Owner's notification under the Limited Warranty or the Claim Process.

(e) "**Other Claim**" means a Dispute that does not involve a Construction Defect Claim.

(f) "**Right to Repair Act**" means Division 2, Part 2, Title 7 of the California Civil Code (Section 895 *et seq.*) as amended from time to time.

15.5.2 Dispute Resolution. Declarant has recorded a Master Dispute Resolution Declaration which sets forth the procedures that shall be used to resolve Disputes with

Declarant and its Affiliated General Contractor, as defined in the Master Dispute Resolution Agreement, for any Claims asserted by an Owner and/or the Association. The Master Dispute Resolution Declaration recorded in the Official Records constitutes a part of this Declaration and is incorporated herein by this reference as though set forth in full herein. For any Construction Defect Claims, the Owners and the Association shall comply with the Claims Process set forth in the Master Dispute Resolution Declaration. For any Construction Defect Claims not resolved through the Claims Process or any Other Claims, the Owners and the Association shall comply with the procedures set forth in the Master Dispute Resolution Declaration which require the Dispute to be mediated or arbitrated. Each Owner and the Association acknowledge and agree that the terms and provisions set forth in the Master Dispute Resolution Declaration are covenants running with the land which are binding upon the Owners and the Association and successor Owners.

15.5.3 AGREEMENT TO ARBITRATE. THE DISPUTE RESOLUTION PROCEDURES SET FORTH IN THE MASTER DISPUTE RESOLUTION DECLARATION, INCLUDE AN ARBITRATION PROVISION. DECLARANT, EACH OWNER AND THE ASSOCIATION AGREE TO HAVE ANY DISPUTE DECIDED BY NEUTRAL ARBITRATION IN ACCORDANCE WITH THE FEDERAL ARBITRATION ACT AND THE CALIFORNIA ARBITRATION ACT, TO THE EXTENT THE CALIFORNIA ARBITRATION ACT IS CONSISTENT WITH THE FEDERAL ARBITRATION ACT, DECLARANT, EACH OWNER AND THE ASSOCIATION ARE GIVING UP ANY RIGHTS DECLARANT, EACH OWNER AND THE ASSOCIATION MIGHT POSSESS TO HAVE THE DISPUTE LITIGATED IN A COURT OR JURY TRIAL. DECLARANT, EACH OWNER AND THE ASSOCIATION ARE GIVING UP JUDICIAL RIGHTS TO DISCOVERY AND APPEAL, UNLESS THOSE RIGHTS ARE SPECIFICALLY INCLUDED IN THE PROCEDURES SET FORTH IN THE MASTER DISPUTE RESOLUTION DECLARATION. IF DECLARANT, ANY OWNER OR THE ASSOCIATION REFUSES TO SUBMIT TO ARBITRATION AFTER AGREEING TO THIS PROVISION, DECLARANT, SUCH OWNER OR THE ASSOCIATION MAY BE COMPELLED TO ARBITRATE UNDER THE AUTHORITY OF THE CALIFORNIA CODE OF CIVIL PROCEDURE. DECLARANT'S, EACH OWNER'S AND THE ASSOCIATION'S AGREEMENT TO THIS ARBITRATION PROVISION IS VOLUNTARY.

15.5.4 CLASS ACTIONS WAIVER. PURSUANT TO THE MASTER DISPUTE RESOLUTION DECLARATION, THE ASSOCIATION, OWNERS AND DECLARANT HAVE AGREED TO ARBITRATE DISPUTES UNDER THE FEDERAL ARBITRATION ACT DUE TO THE MUTUAL ADVANTAGES OF ARBITRATION OVER BRINGING AN ACTION IN COURT TO RESOLVE A DISPUTE. IT IS ACKNOWLEDGED THAT CLASS ACTION CLAIMS ARE INCONSISTENT WITH ARBITRATION UNDER THE FEDERAL ARBITRATION ACT. ARBITRATION OF A CLASS ACTION DESTROYS THE ADVANTAGES OF THE ARBITRATION PROCESS SUCH AS SPEED, EFFICIENCY, AND LOWER COSTS DUE TO THE COMPLEXITIES INVOLVED IN A CLASS ACTION. FOR THESE REASONS, THE ASSOCIATION, OWNERS AND DECLARANT MUTUALLY AGREE TO WAIVE THE RIGHT TO BRING A CLASS ACTION CLAIM IN THE ARBITRATION, INCLUDING WITHOUT LIMITATION, CLAIMS BROUGHT AS A CLASS REPRESENTATIVE, CLASS MEMBER, REPRESENTATIVE ON BEHALF OF OTHERS OR PRIVATE ATTORNEY GENERAL ON BEHALF OF THE GENERAL PUBLIC. IF IT IS JUDICIALLY DETERMINED BY A COURT THAT THIS CLASS ACTION WAIVER IS UNENFORCEABLE, THEN THE CLASS ACTION CLAIM SHALL BE LITIGATED IN A COURT OF COMPETENT JURISDICTION IN LIEU OF ARBITRATION GIVEN THAT ARBITRATION IS NOT WELL SUITED FOR CLASS ACTION CLAIMS.

15.5.5 Relinquishment of Control. Notwithstanding any other provision in the Declaration, any Supplementary Declaration or the Master Dispute Resolution Declaration to the contrary (including, without limitation, any provision which expressly or implicitly provides Declarant with control over Association decisions for any period of time), while the Declarant has majority control of the Board, Declarant hereby relinquishes control over the Association's ability to decide whether to initiate any Claim against Declarant or any Declarant Parties. No representative of Declarant or Declarant Parties on the Board shall vote on the initiation of any Claim including without limitation, any Construction Defect Claim under California Civil Code Section 895 et seq. of the Right to Repair Act, such that from and after the first election of directors in which Class A Members of the Association participate, Declarant and Declarant Parties shall have no control over the Association's ability to decide whether to initiate a Claim including without limitation, any Construction Defect Claim and in the event of such a vote, the affirmative vote of the two non-Declarant representatives on the Board shall be binding so long as a quorum of the Board is present at any meeting where such vote is taken.

15.5.6 Pursuit of Claims. An Owner may only assert Limited Warranty claims pertaining to such Owner's Residential Lot. The Association and not the individual Owners shall have the power to pursue any Claims for the Association Property and/or Association Maintenance Areas. The Association and each Owner shall comply with the Claim Process in bringing any such Claims. Each Owner hereby agrees to delegate authority to the Association and assigns to the Association all power and authority as is necessary for any settlement or release of any Claim relating to the Association Property and/or Association Maintenance Areas.

15.5.7 Notification to Prospective Buyers. In the event that the Association commences a Claim pursuant to the Master Dispute Resolution Declaration, or pursues any other legal action, all Owners must notify prospective purchasers of such action or Claim and must provide such prospective purchasers with a copy of the notice produced by the Association and delivered to the Owners in accordance with California Civil Code Section 6000 and this Declaration.

15.6 Board and Members' Approval of Certain Actions. In the event any claim or other action is brought by the Association against a Declarant, including, without limitation, claims brought under California Civil Code Section 895, et seq., involving allegations of construction defects relating to the Association Property and/or other Association Maintenance Areas, the Association shall not initiate a further action or arbitration proceeding without first complying with California Civil Code 6150. A majority of the Board members shall be required to approve of proceeding with the further claim or action; provided, however, that in the event Declarant appointees are serving on the Board, such Declarant-appointed Board members shall have no right to approve or disapprove such further action or arbitration proceeding and only the approval of a majority of the non-Declarant appointed Board members (or both non-Declarant Board members in the event there are only two (2) non-Declarant Board members), shall be required to approve of proceeding with such claim or action. In addition, to the extent the pre-requisite of a Member vote, or the imposition of any other limitation or precondition on the Board's authority to pursue such claim or action, has been duly-adopted by the Members as an amendment to this Declaration pursuant to Civil Code 5986(c), or to the extent a Member vote or other limitation or precondition is permitted under Applicable Law without the necessity of such an amendment first being duly-adopted by the Members pursuant to Civil Code 5986(c), then prior to commencing such further action or arbitration proceeding, the Association shall first satisfy such limitation or precondition to the extent that it is not otherwise prohibited by any provision of the Governing Documents (unless such provision has been expressly superseded by Applicable Law). In clarification of the foregoing, if no such amendment has been duly-adopted by the Members prior

to the Board considering undertaking any claim or action pursuant to this Section, and if the Board believes in its sole discretion that waiting for the outcome of a Member vote regarding the adoption of such an amendment could be prejudicial to the Association's position relative to its pursuit of such claim or action, then the Board shall not be compelled to stay such claim or action pending the outcome of such a Member vote unless the Board chooses to do so by a majority vote of the Board or, if applicable, then the non-Declarant appointed Board members.

Declarant hereby advises as follows: Each Owner and the Association are hereby advised that representative claims (i.e., claims related to the Association Property or other Association Maintenance Areas or claims by the Association on behalf of the Owners) by the Association may create disclosure requirements, may result in increases to Assessments to fund such claims or actions, and may impair the ability of Owners to sell or finance their Residential Lots. California Civil Code Sections 5986 and 6150 allow the Board to unilaterally decide whether to pursue legal action against Declarant. Owners are encouraged to participate in any meeting held by the Association pursuant to California Civil Code 6150 to ensure the Board considers all Owners' positions prior to commencing additional actions.

15.7 Notice Required if Reserve Funds to Pay for Litigation. As required by California Civil Code Section 5520, if a decision is made to use reserve funds or to temporarily transfer money from the reserve fund to pay for litigation, the Association shall comply with the notice and accounting requirements set forth in California Civil Code Section 5520.

15.8 Conflict. In the event of any conflict between the provisions of Section 15.5 and the Master Dispute Resolution Declaration, the terms of the Master Dispute Resolution Declaration shall control.

ARTICLE 16 COUNTY REQUIRED PROVISIONS

16.1 County Required Provisions. Pursuant to the Community Entitlements, the following provisions are included verbatim:

"Notwithstanding, any provision in this Declaration to the contrary, the following provisions shall apply:

The property owners' association established herein shall, if dormant, be activated, by incorporation or otherwise, at the request of the County of Riverside, and the property owner's association shall unconditionally accept from the County of Riverside, upon the County's demand, title to all or any part of the 'common area', more particularly described on Exhibit "C" attached hereto. Such acceptance shall be through the president of the property owner's association, who shall be authorized to execute any documents required to facilitate transfer of the 'common area'. The decision to require activation of the property owners' association and the decision to require that the association unconditionally accept title to the 'common area' shall be at the sole discretion of the County of Riverside. In the event that the 'common area', or any part thereof, is conveyed to the property owners' association, the association, thereafter, shall own such 'common area', shall manage and continuously maintain such 'common area', and shall not sell or transfer such 'common area' or any part thereof, absent the prior written consent of the

Planning Director of the County of Riverside or the County's successor-in-interest. The property owners' association shall have the right to assess the owner of each individual Residential Lot or unit for the reasonable cost of maintaining such 'common area', and shall have the right to lien the property of any such owner who defaults in the payment of a maintenance assessment. An assessment lien, once created, shall be prior to all other liens recorded subsequent to the notice of assessment or other document creating the assessment lien. This declaration shall not be terminated, 'substantially' amended, or property deannexed therefrom absent the prior written consent of the Planning Director of the County of Riverside or the County's successor-in-interest. A proposed amendment shall be considered 'substantial' if it affects the extent, usage or maintenance of the 'common area' established pursuant to this Declaration. In the event of any conflict between this Declaration and the Articles of Incorporation, the Bylaws, or the property owner's association Rules and Regulations, if any, this Declaration shall control."

ARTICLE 17 GENERAL PROVISIONS

This Article sets forth the general provisions which govern this Declaration.

17.1 Headings. The headings used in this Declaration are for convenience only and are not to be used to interpret the meaning of any of the provisions of this Declaration.

17.2 Severability. The provisions of this Declaration shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any provision or provisions of it shall not invalidate any other provisions. In the event that any phrase, clause, sentence, paragraph, Sections article or other portion of this Declaration shall become illegal, null, void, against public policy or otherwise unenforceable, for any reason, the remaining portions of this Declaration shall not be affected thereby and shall remain in force and effect to the fullest extent permissible by law.

17.3 Cumulative Remedies. Each remedy provided for in this Declaration shall be cumulative and not exclusive. Failure to exercise any remedy provided for in this Declaration shall not, under any circumstances, be construed as a waiver.

17.4 Violations as Nuisance. Every act or omission in violation of the provisions of this Declaration shall constitute a nuisance and, in addition to all other remedies herein set forth, may be abated or enjoined by any Owner, any Member of the Board, the manager, or the Association.

17.5 No Unlawful Restrictions. No Owner shall execute or cause to be recorded any instrument which imposes a restriction upon the sale, leasing or occupancy of its Residential Lot on the basis of any federal or state protected class, including without limitation, race, sex, color or creed.

17.6 Access to Books. Declarant may, at any reasonable time and upon reasonable notice to the Board or manager cause an audit or inspection to be made of the books and financial records of the Association.

17.7 Liberal Construction. The provisions of this Declaration shall be liberally construed to effectuate its purpose. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision thereafter.

17.8 Mergers or Consolidations. Upon a merger or consolidation of the Association with another association, the Association's properties, rights and obligations may, by operation of law, be transferred to the surviving or consolidated association, or, alternatively, the properties, rights and obligations of another association may, by operation of law, be added to the properties rights and obligations of the Association as a surviving corporation pursuant to a merger. The surviving or consolidated association may administer the covenants, conditions and restrictions established by this Declaration within the Community, together with the covenants and restrictions established upon any other property.

17.9 Notification of Sale of Residential Lot. Concurrently with the consummation of the sale of any Residential Lot under circumstances whereby the transferee becomes an Owner thereof, or within five (5) business days thereafter, the transferee shall notify the Board in writing of such sale. Such notification shall set forth the name of the transferee and its Mortgagee and transferor, the common address of the Residential Lot purchased by the transferee, the transferee's and the Mortgagee's mailing address, and the date of sale. Prior to the receipt of such notification, any and all communications required or permitted to be given by the Association, the Board or the manager shall be deemed to be duly made and given to the transferee if duly and timely made and given to said transferee's transferor. Mailing addresses may be changed at any time upon written notification to the Board. Notices shall be deemed received forty-eight (48) hours after mailing if mailed to the transferee, or to its transferor if the Board has received no notice of transfer as above provided, by certified mail, return receipt requested, at the mailing address above specified. Notices shall also be deemed received on the next business day after being sent by overnight courier or upon delivery if delivered personally to any occupant of a Residential Lot over the age of twelve (12) years.

17.10 Provision of Governing Documents to Prospective Purchasers. Pursuant to California Civil Code Section 4525, as soon as practicable before the transfer of title or the execution of a real property sales contract, the Owner shall provide copies of the Governing Documents to the prospective purchaser of a Residential Lot, which Governing Documents include, but are not limited to, this Declaration and the Master Dispute Resolution.

17.11 Number; Gender. The singular shall include the plural and the plural the singular unless the context requires the contrary, and the masculine, feminine and neuter shall each include the masculine, feminine or neuter, as the context requires.

17.12 Exhibits. All exhibits referred to in this Declaration are attached to this Declaration and incorporated by reference.

17.13 Binding Effect. This Declaration shall inure to the benefit of and be binding on the successors and assigns of Declarant, and the heirs, personal representatives, grantees, tenants, successors and assigns of the Owners.

17.14 Easements Reserved and Granted. Any easements referred to in this Declaration shall be deemed reserved or granted, or both reserved and granted, by reference to this Declaration in the first deed by Declarant to any Residential Lot.

17.15 Statutory References. All references in this Declaration to various statutes, codes, regulations, ordinances and other laws shall be deemed to include those laws in effect as of the date of this Declaration and any successor laws as may be amended from time to time.

IN WITNESS WHEREOF, Declarant has executed this instrument as the date first written above.
