**BACKGROUND:**

**Summary**

On July 11, 2000 (Agenda Item No. 9.2), the Riverside County Flood Control and Water Conservation District's ("Flood") Board of Supervisors approved the License Agreement ("License Agreement") between Flood and the Riverside County Regional Park and Open-Space District ("Parks") which set forth the terms and conditions whereby Parks would use the southern portion of Flood's Wildomar Channel Access Road as an equestrian trail.

On June 22, 2004 (Agenda Item No. 11.3), Flood's Board of Supervisors approved the Amendment to License Agreement ("First Amendment") between Flood and Parks to expand the geographic limits of the recreational use of Flood's Wildomar Channel Access Road.

On October 18, 2022 (Agenda Item No. 11.1), Flood's Board of Supervisors approved the Master License Agreement ("Master License") between Flood and the City of Wildomar ("City") for non-motorized recreational purposes for public use in accordance with the City's Trail Use Plan. Under this Master License, the City will operate and maintain all current and future trail uses in the City's jurisdiction.

Because the City has taken on maintenance responsibility of the public use trail along Wildomar Channel, Parks no longer needs to utilize Flood's Wildomar Channel Access Road for public purposes. This Agreement shall formally release all parties from the obligations imposed upon them in the License Agreement dated July 11, 2000 and the First Amendment dated June 22, 2004.

County Counsel has approved the Agreement as to legal form. A companion item appears on Parks' agenda.

**Environmental Findings**

The Termination Agreement for the Wildomar MDP Channel Access Road and Equestrian Trail was reviewed and determined to be exempt from CEQA pursuant to Sections 15061(b)(3) (the "Common Sense exemption") and 15301 (Existing Facilities) of the CEQA Guidelines. It can be seen with certainty that the Termination Agreement will not impact the environment because trail maintenance responsibilities are now undertaken by the City instead of Parks. In addition, the Termination Agreement involves "no expansion of the existing or former use" of the existing public trail for the purposes for the purpose of Section 15301.

RECITALS

A. DISTRICT and PARKS previously entered into a certain License Agreement dated July 11, 2000 ("LICENSE AGREEMENT"), and LICENSE AGREEMENT was amended on June 22, 2004 ("AMENDMENT NO. 1") providing for PARKS to utilize and maintain the Wildomar MDP Channel's southernmost access roads for non-motorized recreational use and pre-existing equestrian trails for public purposes ("LICENSED PROPERTY"); and

B. Due to changes in market conditions following the execution of both LICENSE AGREEMENT and AMENDMENT NO. 1, PARKS no longer desires to utilize the LICENSED PROPERTY for public purposes; and

C. PARKS desires to terminate both LICENSE AGREEMENT and AMENDMENT NO. 1 in order to be relieved from all obligations set forth therein; and

D. DISTRICT is willing to terminate LICENSE AGREEMENT and AMENDMENT NO. 1 and release PARKS from all obligations set forth therein; and

maintaining certain portions of LICENSED PROPERTY. The remaining portions not maintained by the City will be closed to public use and will be used by DISTRICT only as its maintenance access road adjacent to the Wildomar MDP Channel.

NOW, THEREFORE, in consideration of the mutual covenants and agreements of the Parties contained herein, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

#### SECTION I

1. Effective as of the date this Termination Agreement is fully executed by DISTRICT and PARKS, that certain LICENSE AGREEMENT dated July 11, 2000 between DISTRICT and PARKS and AMENDMENT NO. 1 amended on June 22, 2004 are hereby cancelled and terminated, and all provisions thereof shall become null and void.

2. Neither termination nor expiration of this Termination Agreement will release any Party from any liability or obligation under this Termination Agreement, whether of indemnity or otherwise, resulting from any acts, omissions or events happening prior to the date of termination or expiration.

3. To the maximum extent possible, each provision of this Termination Agreement will be interpreted in such a manner as to be effective and valid under applicable law. If any provision of this Termination Agreement is prohibited by or held to be invalid under applicable law, such provision will be ineffective solely to the extent of such prohibition or invalidity and the remainder of the provision will be enforceable.

Any written notice required to be given under the terms of this Termination Agreement shall be given in accordance with the terms of this Termination Agreement.

6. If any legal action is taken to enforce the terms of this Termination Agreement by any Party, the prevailing Party may be entitled to recover reasonable attorney's fees and costs only if such Party has prevailed in a judgment by a court of competent jurisdiction.

7. This Termination Agreement contains the entire agreement between the Parties regarding the matters covered in this Termination Agreement. There have been no other statements, promises or representations made by the Parties that are intended to alter, modify or complement this Termination Agreement.

8. This Termination Agreement is governed and construed in accordance with California law. Any action at law or in equity brought by either of the Parties hereto for the purpose of enforcing a right or rights provided for by this Termination Agreement shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the Parties hereby waive all provisions of law providing for a change of venue in such proceedings to any other county.
