BACKGROUND:

Summary

The Riverside County Sheriff's Office (RSO) operates and maintains the Computer Aided Dispatch (CAD), Records Management System (RMS), and Jail Information Management System (JIMS) to accurately track, log, and archive law enforcement activity and numerous public records for its staff and the people of Riverside County. These computer-based systems are considered vital and are necessary for the organization and delivery of real-time and historic information in the furtherance of the Sheriff's mission of public safety. All three of these systems rely on robust and redundant computing, networking, and communications hardware and software, as well as several full-time dedicated RSO personnel and long-term contractual relationships with numerous vendors and other professional subject matter experts.

RSO's current CAD was purchased from Eyring Research Institute in 1986, the RMS from OCS Technologies (OCS) in 1994, and the JIMS from Sonoma County in 1988. The CAD system is a Cobol-based, HP NonStop SQL system, with the front-end clients written in Visual C++ and java. The RMS application is composed of products developed in COBOL, C, C++ and C#, and the database is Microsoft SQL 2008 running on a Windows 2008 server. The JIMS was developed in COBOL. Although many upgrades and enhancements have been made to these solutions over the years, the underlying architecture of these systems remain rooted in older technologies common to public safety over 35 years ago. Issues related to simple inefficiencies, basic interfacing with other disparate systems, statistical reporting, and compliance with current and potential future legislation have been vexing and continued operational challenges are anticipated if not remedied.

To meet continued demands and achieve greater efficiencies, a broad overhaul and potential replacement of some, or all, of these systems have become necessary. As such, RSO is seeking to piggyback on the competitive procurement process done by the San Bernardino Sheriff's Department which resulted in an agreement with National Public Safety Group (NPSG) to assist Sheriff's personnel with a comprehensive agency needs assessment in the areas of CAD, RMS, and JIMS. NPSG is a law enforcement specific consulting firm specialized in public safety software projects. The Department also intends to partner with NPSG to assist with a formal solicitation for the procurement of any new IT-

based system, the evaluation of any such contractor and their proposed solution(s), expected project scope and contract deliverables, and project implementation oversight from contract award through systems configuration and onboarding. It is anticipated this venture will also entail product testing and quality assurance, staff training, systems cut-over, and the transition from implementation to on-going maintenance of any new solution.

NPSG is uniquely positioned and qualified for this endeavor; NPSG has been in business since 2016 with approximately 16 subject matter experts with many years of experience in U.S.-based public safety specific to CAD, RMS, and Jail databases and related system interfaces. The NPSG team is made up of public safety software specialists who came from the software industry, and most of them came from a public safety background with a combined experience of over 150 years. Most have many years of experience working at Tier 1 companies selling, implementing, training, and managing software projects for CAD, RMS, JIMS, and Mobile solutions. In addition to performing several similar consulting services for other agencies across the US, the NPSG has some current and recent experience with similar projects with some agencies adjacent to, and/or in close proximity to Riverside County—namely the Rialto Police Department, the City of Palm Springs (Police and Fire), the City of Ontario (Police and Fire), the Kern County Sheriff's Department, the Orange County Sheriff's Department, the San Bernardino County Sheriff's Department, and the CONFIRE Joint Powers Authority comprised of 13 member/contracted agencies located throughout San Bernardino California.

Impact on Residents and Businesses

CAD, RMS, and JIMS are mission-critical, highly complex systems that are specifically configured for agency use and entail high-dollar multi-year contracts and continued professional services from several commercial vendors. It is anticipated any transition from incumbent systems to any new solution will require extensive review, contemplation, planning, contract negotiations, project oversight, training, and any necessary course correction along the way. Each element of the process of acquiring a new CAD, RMS, and/or JIMS system will impact resources in terms of county taxpayer funds and time/efforts from various RSO divisions. It is industry best practice to partner with other subject matter experts to help control costs and navigate the many facets of the procurement and refresh of major IT systems such as these. Since this project is anticipated to encompass several years, assistance from a professional consulting firm will provide a greater level of project continuity and mitigate any loss of agency knowledge due to staff turnover. Additionally, partnership with NPSG should prove beneficial to the residents and businesses of Riverside County by the delivery of a more efficient procurement process and the reduction of time dedicated to non-law enforcement tasks by RSO's personnel.

Contract History and Price Reasonableness

RSO is selecting to piggyback on the Request for Proposal (RFP) # SH122-ADMSR-4332 conducted by San Bernardino Sheriff's Department for Consulting and Management Services in which NPSG was selected through a competitive process.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,

The vendor will perform the following services to support the CAD, RMS, and JIMS systems:

1. Need Assessment: Identify goals and objectives, document integration, identify the project team and project schedule, identifying workflow, processes, software needs, and provide a viable path for an efficient and effective project solution.
2. Procurement and Selection: Work collaboratively to issue an RFP, manage the selection process of any chosen vendors including evaluating and scoring proposals, leading demonstrations, and negotiating a successful agreement.
3. Project Management: Providing selected vendors relevant documents, scheduling meetings and status updates, developing an implementation schedule, tracking tasks and deliverables, identifying potential issues, and resolving problems, ensuring all functional testing is performed, and continuously monitoring progress and project in depth to ensure success from inception through go-live through post action follow-up.

RSO is requesting to contract with NPSG for up to four (4) years for consultant services for all three systems for a cost of \$1,181,500. In addition, RSO is requesting the option to extend the contract for up to one (1) additional year for a total of five (5) years to allow for the complete assessment, procurement and implementation of the CAD, RMS, and JIMS. Due to the complexity and requirement for each system, RSO would like to request a 30% contingency in the amount of \$354,450 to cover any unforeseen alternative scope change and/or the one-year extension period. Fee adjustments will be dependent on specific project needs and the impact to the vendor's resources and capabilities.

The County hereby engages the Consultant to perform the Services, as more particularly set forth on Exhibit A (as may be amended or supplemented pursuant to the terms of the Agreement, by written order, from time to time) (collectively, the "Services"), and the Consultant hereby accepts the engagement and agrees to provide the Services. The Consultant and the County will mutually agree upon the method, details and means of performing the Services.
- b. Performance of the Services.

 - ii. The Consultant shall render the Services to the County in a timely and professional manner consistent with industry standards in accordance with this Agreement.
 - iii.  - iv. The County shall make its facilities and equipment available to the Consultant as

reasonably necessary in connection with the Services.

2. Independent Contractor Relationship. The Consultant's relationship with the County shall be that of an independent contractor, and nothing in this Agreement should be construed to create a partnership, joint venture, agency or employer-employee relationship between the Parties. The Consultant is not the agent of the County or any of its affiliates and is not authorized and shall not have any authority to make any representation, contract or commitment on behalf of the County or its affiliates, or otherwise bind the County or its affiliates in any respect whatsoever. For the avoidance of doubt, Consultant is not authorized to make any representation, contract or commitment on behalf of the County or its affiliates for the purchase of Public Safety Systems. The Consultant shall be solely responsible for all tax returns and payments required to be filed with or made to any federal, state or local tax authority with respect to the Consultant's performance of the Services and receipt of fees under this Agreement. The County may regularly report amounts paid to the Consultant with the Internal Revenue Service as required by law. The Consultant shall comply with, and agrees to accept exclusive liability for non-compliance with, all applicable state and federal laws, rules and regulations including, without limitation, obligations such as payment of all taxes, social security, disability and other contributions based on fees paid to the Consultant under this Agreement.
3. Compensation.
 - a. Consulting Fees. The County shall, in consideration of the performance of the Services, pay the Consultant the sums set forth on Exhibit B, attached hereto (the "Consulting Fees").
 - b. Payment Milestones. See Exhibit C, attached hereto.

 - b. Termination. Notwithstanding Section 4(a), this Agreement may be terminated without cause by either party with 30 days' prior written notice to the other Party stating the extent and effective date of termination.
 - c. Effect of Termination. The termination or expiration of this Agreement shall in no way affect or impair any right which has accrued to either Party prior to the date when such termination or expiration became effective. Upon the effective date of any termination or expiration of this Agreement, the Consultant shall immediately cease performing the Services and County shall pay to Consultant the fees due prior to the effective date of the termination or expiration of the Agreement. The provisions of Section 2, Section 3(b), Section 5, Section 6, Section 7, Section 8, Section 9, Section 10, and this Section 4 shall survive any expiration or other termination of this Agreement. Termination of this Agreement by either Party shall not act as a waiver of any breach of this Agreement and shall not act as a release of either Party from any liability for breach of such Party's obligations under this Agreement. Neither Party shall be liable to the other for damages of any kind solely as a result of terminating or expiration

of this Agreement in accordance with its terms, and termination of this Agreement by a Party shall be without prejudice to any other right or remedy of such Party under this Agreement or applicable law.

- d. County may, upon ten (10) days' prior written notice stating the basis of the alleged default terminate this Agreement for Consultant's default, if Consultant refuses or fails to comply with the terms of this Agreement or fails to make progress that may endanger performance and does not immediately cure such failure. In the event of such termination, the County may proceed with the work in any manner deemed proper by County. Consultant shall have an opportunity to cure the alleged default during the ten (10) day period.
 - i. After receipt of the notice of termination, Consultant shall:
 - ii. Stop all work under this Agreement on the date specified in the notice of termination which shall be no earlier than the end of ten (10) day cure period; and
 - iii. Transfer to County and deliver in the manner as directed by County any materials, reports or other products, which, if the Agreement had been completed or continued, would have been required to be furnished to County.
 - iv. After termination, County shall make payment only for Consultant's performance up to the date of termination in accordance with this Agreement.
- e. Consultant's rights under this Agreement shall terminate (except for fees accrued prior to the date of termination) upon dishonesty or a willful or material breach of this Agreement by Consultant; or in the event of Consultant's unwillingness or inability for any reason whatsoever to perform the terms of this Agreement. In such event, Consultant shall not be entitled to any further compensation under this Agreement.

5. Confidentiality.

- a. County Confidential Information. By virtue of this Agreement, the Consultant will have access to confidential information and materials of the County that is provided to the Consultant after the execution of this Agreement and so designated in writing (collectively, the "County Confidential Information"). County Confidential Information does not include information that (i) is already in the Consultant's possession at the time of disclosure by the County, (ii) is or becomes part of public knowledge other than as a result of any action or inaction of the Consultant, (iii) is obtained by the Consultant from an unrelated third party without a duty of confidentiality, or (iv) is independently developed by the Consultant. The Consultant shall not use County Confidential Information for any purpose other than in furtherance of this Agreement and the activities described herein. The Consultant shall not disclose County Confidential Information to any third parties except as otherwise permitted hereunder. The Consultant shall maintain County Confidential Information with at least the same degree of care it uses to protect its own proprietary information of a similar nature or sensitivity, but no less than reasonable care under the circumstances. The Consultant shall promptly advise the County in writing of any misappropriation or misuse of County Confidential Information of which the Consultant becomes aware.
- b. Consultant Confidential Information. By virtue of this Agreement, the County will have access to confidential information and materials of the Consultant that is provided to the County after the execution of this Agreement and so designated in writing (collectively, the "Consultant Confidential Information"). Consultant Confidential Information does not include

information that (i) is already in the County's possession at the time of disclosure by the Consultant, (ii) is or becomes part of public knowledge other than as a result of any action or inaction of the County, (iii) is obtained by the County from an unrelated third party without a duty of confidentiality, or (iv) is independently developed by the County. The County shall not use Consultant Confidential Information for any purpose other than in furtherance of this Agreement and the activities described herein. The County shall not disclose Consultant Confidential Information to any third parties except as otherwise permitted hereunder. The County shall maintain Consultant Confidential Information with at least the same degree of care it uses to protect its own proprietary information of a similar nature or sensitivity, but no less than reasonable care under the circumstances. The County shall promptly advise the Consultant in writing of any misappropriation or misuse of Consultant Confidential Information of which the County becomes aware.

- c. Exclusions. Notwithstanding the foregoing, this Agreement shall not prevent the Consultant from disclosing County Confidential Information or the County from disclosing Consultant Confidential Information to the extent required by a judicial order or other legal obligation; provided, however, that, in such event, the Party from which disclosure is sought shall promptly notify the other Party in writing as to the requested disclosure (including a copy of the request and timing of proposed disclosure) at least seven (7) days before the proposed disclosure date to allow intervention (and shall cooperate with the Party from which disclosure is sought) to contest or minimize the scope of the disclosure (including application for a protective order). Further, Each Party may disclose the terms and conditions of this Agreement (i) in confidence, to legal counsel, (ii) in confidence, to accountants, and (iii) in connection with the enforcement of this Agreement or any rights hereunder.
- d. Equitable Relief. The Consultant acknowledges that unauthorized use or disclosure of County Confidential Information could cause the County irreparable harm for which its remedies at law would be inadequate, and, similarly, the County acknowledges that unauthorized use or disclosure of Consultant Confidential Information could cause the Consultant irreparable harm for which its remedies at law would be inadequate. Accordingly, each Party acknowledges and agrees that the other Party will be entitled, in addition to any other remedies available to it at law or in equity, to the issuance of injunctive relief enjoining any breach or threatened breach of its obligations hereunder.

6. Warranties.

- a. Authority. The Consultant represents, warrants, and covenants to the County that the Consultant has the full power and authority to enter into this Agreement and to perform its obligations hereunder, without the need for any consents, approvals or immunities not yet obtained.
- b. No Implied Warranties. The County agrees that (i) the Consultant is not the manufacturer or distributor of any of the products or services subject to the Services (collectively, the "Third-Party Products"), (ii) the warranties and representations, if any, applicable to any of the Third-Party Products (including, without limitation, their respective specifications) are those of the manufacturer or distributor thereof and not the Consultant, and (iii) the Consultant bears no obligation or liability related to or resultant from the warranties or representations, if any, applicable to any of the Third-Party Products (including, without limitation, their respective

specifications). THE WARRANTY SET FORTH IN SECTION 6(A) IS THE ONLY WARRANTY MADE BY THE CONSULTANT HEREUNDER. THE CONSULTANT HEREBY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS.

7. Limitation on Liability. UNDER NO CIRCUMSTANCE SHALL THE CONSULTANT'S LIABILITY ARISING OUT OF OR IN CONNECTION WITH ANY ORDER OR OTHER AGREEMENT BETWEEN THE CONSULTANT AND THE COUNTY OR THE CONSULTANT'S PERFORMANCE OR ASSERTED FAILURE TO PERFORM HEREUNDER, IN CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, EXCEED THE AGGREGATE CONSULTING FEES PAID HEREUNDER. IN NO EVENT SHALL THE CONSULTANT BE LIABLE FOR SPECIAL, INCIDENTAL, EXEMPLARY, CONSEQUENTIAL OR OTHER INDIRECT DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES RESULTING FROM LOSS OF USE OR GOODWILL, WHETHER OR NOT THE CONSULTANT HAS BEEN ADVISED OF THE POSSIBILITY THEREOF. This limitation of liability represents an allocation of risks between the County and the Consultant, which allocation is reflected in the purchase price for the Products. The County acknowledges that the amount of the Consulting Fees reflects and incorporates the disclaimer of warranties and limitation of liability and remedies set forth herein (without which the Consulting Fees would have been substantially higher). Further, without limitation upon the generality of any other provision hereof, the liabilities of the County shall be limited to the refund of the Consulting Fees.

8. Indemnification.

a. The County shall indemnify, defend, and hold harmless the Consultant and its officers, members, and employees from and against all claims and losses arising out of this Agreement to the extent such claims or losses are caused by County's negligent actions or inactions, except as caused by Consultant's sole or gross negligence or willful misconduct; (ii) the failure of the Consultant to perform under, or its breach of, this Agreement; or (iii) the failure of Consultant to comply with any applicable law. The Consultant will provide the County with all reasonable information and assistance to settle or defend the claim, and the County shall not consent to the entry of any judgment or effect any settlement of any pending or threatened proceeding without the prior written approval of Consultant.

b. Consultant shall indemnify, defend, and hold harmless the County and, its Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as Indemnitees) from and against all claims and losses arising out of this Agreement to the extent such claims or losses are caused by Consultant's negligent actions or inactions, except as caused by the sole or gross negligence or willful misconduct of any of the Indemnitees. The County and, if applicable, its Indemnities will provide Consultant with all reasonable information and assistance to settle or defend the claim, and the Consultant shall not consent to the entry of any judgment or effect any settlement of any pending or threatened proceeding without the prior written approval of the County, except as set forth in subsection (c) below.

c. With respect to any action or claim subject to indemnification herein by Consultant, Consultant shall, at its sole cost, have the right to use counsel of its own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of

County; provided, however, that any such adjustment, settlement or compromise made without the County's prior consent shall in no manner whatsoever limit or circumscribe Consultant's indemnification to Indemnitees as set forth herein. County's consent shall constitute a waiver of any claim to indemnification for itself and its Indemnitees.

d. A party's obligation hereunder shall be satisfied when the party obligated by this section has provided to the party seeking indemnification the appropriate form of dismissal or written waiver relieving that party from any liability for the action or claim involved.

e. The specified insurance limits required in this Agreement shall in no way limit or circumscribe Consultant's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

9. Non-Disparagement.

a. Consultant. The Consultant agrees to instruct its members and employees to refrain from any disparaging statements (including, but not limited to, statements that amount to libel or slander) (i) about the County or any of its officers or employees or (ii) that pertain to any personal or confidential matters that may cause embarrassment to the County or any of its employees or officers; provided, however, that the foregoing restrictions shall not apply to any testimony that the Consultant is compelled by law to give (whether written or verbal).

b. County. The County agrees to instruct its officers and employees to refrain from any disparaging statements (including, but not limited to, statements that amount to libel or slander) (i) about the Consultant or any of its members or employees or (ii) that pertain to any personal or confidential matters that may cause embarrassment to the Consultant or any of its employees or members; provided, however, that the foregoing restrictions shall not apply to any testimony that the County is compelled by law to give (whether written or verbal).

10. Insurance. Without limiting or diminishing the Consultant's obligation to indemnify or hold the County harmless, Consultant shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, the County herein refers to the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents, or representatives as Additional Insureds.

a. Workers' Compensation:

If the Consultant has employees as defined by the State of California, the Consultant shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. The policy shall be endorsed to waive subrogation in favor of The County of Riverside.

b. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury, and cross liability coverage, covering claims which may arise from or out of Consultant's

performance of its obligations hereunder. Policy shall name the County as Additional Insured. Policy's limit of liability shall not be less than \$2,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this agreement or be no less than two (2) times the occurrence limit.

c. Vehicle Liability:

In performing services under this Agreement in California, Consultant will only be using vehicles rented in California.

d. Professional Liability:

Consultant shall maintain Professional Liability Insurance providing coverage for the Consultant's performance of work included within this Agreement, with a limit of liability of not less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate. If Consultant's Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and Consultant shall purchase at its sole expense an Extended Reporting Endorsement (also, known as Tail Coverage) which will continue for one year after the date of the Agreement's termination or expiration, whichever comes first.

e. General Insurance Provisions - All lines: Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A M BEST rating of not less than A: VIII (A:8) unless such requirements are waived, in writing, by the County Risk Manager. If the County's Risk Manager waives a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

11. Miscellaneous.

- a. Entire Agreement; Waiver; Amendment. This Agreement, including any appendices hereto, constitutes the entire agreement between the Parties with respect to the subject matter hereof, and supersedes all other prior agreements or undertakings with respect to the subject matter hereof, both written and oral. No delay or failure on the part of any Party in the exercise of any right, power or remedy shall operate as a waiver thereof, nor shall any single or partial exercise by any of them of any right, power or remedy preclude other or further exercise thereof, or the exercise of any other right, power or remedy. No amendment, modification or waiver of, or consent with respect to, any provision of this Agreement shall in any event be effective unless the same shall be in writing and signed and delivered by the Party against which or whom enforcement is sought, and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.
- b. Severability. If the application of any provision of this Agreement to any particular facts or circumstances shall for any reason be held to be invalid, illegal or unenforceable by a court, arbitration panel or other tribunal of competent jurisdiction, then (i) the validity, legality and enforceability of such provision as applied to any other particular facts or circumstances, and the other provisions of this Agreement, shall not in any way be affected or impaired thereby, and (ii) such provision shall be enforced to the maximum extent possible so as to effect the intent of the parties. If, moreover, any provision contained in this Agreement shall for any reason be held to be excessively broad as to duration, geographical scope, activity or subject,

it shall be construed by limiting and reducing it, so as to be enforceable to the extent compatible with applicable law.

- c. Governing Law. This Agreement shall be interpreted and construed in accordance with the laws of the State of California. Any and all claims, controversies, and causes of action arising out of or relating to this Agreement, whether sounding in contract, tort, or statute, shall be governed by the laws of the State of California, including its statutes of limitations, without giving effect to any conflict-of-laws rule that would result in the application of the laws of a different jurisdiction. Each Party hereby (a) irrevocably submits and consents to the exclusive jurisdiction and venue of the State of California Superior Court located in Orange County, California, as well as all respective appellate courts therefrom, (collectively, the "Courts") over any action, suit or proceeding arising out of or relating to this Agreement, (b) consents to the exercise of personal jurisdiction thereover and venue in the Courts and hereby waives any objection and defense to the exercise of personal jurisdiction or venue, (c) covenants that it will not commence any action, suit or proceeding arising out of or relating to this Agreement except in the Courts, and (d) agrees that (i) any action brought in contravention of this Section 10(c) is subject to dismissal at any time and at any stage of the action, suit or proceeding, and no action taken by the other Party in defending, counterclaiming or appealing shall be construed as a waiver of this right to immediate dismissal and (ii) a Party bringing an action in contravention of this in contravention of this Section 10(c) shall be liable to the other Party for the costs, expenses and attorneys' fees incurred in successfully dismissing the action or successfully transferring the action to the Courts. No provision of this Section 10(c) shall be construed, however, to affect the right of any Party to enforce a judgment rendered by the Courts in any other jurisdiction.
- d. Remedies. All rights and remedies hereunder shall be cumulative, may be exercised singularly or concurrently and, unless otherwise stated herein, shall not be deemed exclusive.
- e. Notices. All notices, requests and other communications hereunder shall be in writing and shall be deemed to have been duly given and received (a) when personally delivered or (b) one (1) business day after proper prepaid deposit for next-day delivery to a national overnight courier service providing evidence of delivery, postage prepaid, addressed to the Party to whom or which notice is to be given at the address hereinabove set forth therefor. The rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given shall be deemed to be receipt of the notice, request or communication sent. The addresses hereinabove set forth may be changed as to any Party upon at least ten (10) days prior notice thereof to the other Parties.
- f. Construction. This Agreement was negotiated by the Parties and is to be deemed to have been prepared jointly by the Parties after arms-length negotiations and constitutes a free bargain between the Parties, and any uncertainty or ambiguity existing herein shall not be interpreted against any Party—and any rule of construction or interpretation otherwise requiring this Agreement to be construed or interpreted against any Party shall not apply to any construction or interpretation hereof—but according to the application of the rules of interpretation of contracts. Further, in this Agreement, unless an express contrary intention is herein set forth, (a) the singular number includes the plural number and vice versa, (b) "hereunder," "hereof," "hereto," and words of similar import shall be deemed references to this Agreement as a whole and not to any particular section or other provision hereof, (c)

"including" (and with correlative meaning "include") means including without limiting the generality of any description preceding such term, (d) "or" is used in the inclusive sense of "and/or," and (e) the recitals hereinabove set forth are incorporated herein by reference.

- g. Exhibits. All Exhibits attached hereto are hereby incorporated by reference into, and made a part of, this Agreement.
- h. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which shall together constitute one and the same agreement (it being understood that all Parties need not sign the same counterpart). This Agreement, and/or any subsequent amendments, to the extent signed and delivered or countersigned and returned by means of a facsimile machine or other or electronic reproductive image of a manual signature, shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effect as if it were the original signed version thereof delivered in person. Each party of this Agreement may use electronic signatures, such as digital signatures, that meet the requirements of the California Uniform Electronic Transactions Act ("CUETA") Cal. Civ. Code §§ 1633.1 to 1633.17), for executing this Agreement.
- i. Parties in Interest. Nothing in this Agreement shall be construed as giving any person or entity, other than the Parties, and their respective successors and permitted assigns, any right, remedy or claim under or in respect to this Agreement or any provision hereof.
