BACKGROUND:

Summary

The State Legislature enacted the Mello-Roos Community Facilities Act of 1982, to assist public agencies in financing certain public services and maintenance requirements. On January 27, 2015, the Board of Supervisors revised Board Policy B-12 entitled “Land Secured Financing Districts” to include “Service and Maintenance CFDs” to fund the ongoing maintenance of landscape, storm water Best Management Practices (BMP), street lighting, or other similar improvements and set goals and policies concerning Community Facilities Districts (CFD).

FPG Tricon Woods Property, LLC is the Owner of Tract Nos. 32816, 32817, 32818, and 33743 and has petitioned that the County of Riverside Office of Economic Development assist them in forming a district and include their property for the County of Riverside (County) to cover the costs associated with the maintenance of public improvements within the proposed district. The property owner has submitted an application and formation deposit. A special tax is proposed to be levied on each individual parcel located within the boundary of the proposed Community Facilities District 23-10M (The Woods).

The boundaries of Community Facilities District (CFD) No. 23-10M (The Woods) (CFD 23-10M) will encompass the entire Tract Map Nos. 32816, 32817, 32818, and 33743, which will include 493 single family dwelling units, none of which are currently occupied.

On May 23, 2023 (Agenda Item 3.41), the County Board of Supervisors approved Resolution No. 2023-141, a Resolution of Intention as the initial step for forming the CFD and declared the intention of the Board of Supervisors as required by the Mello-Roos Act of 1982 to levy a special tax to fund the service and maintenance functions requested by FPG Tricon Woods Property, LLC. The Resolution of Intention also requires the Board of Supervisors hold a public hearing and submit the formation of the proposed CFD 23-10M (The Woods) to the landowners at a special election to be conducted by mailed ballot if a majority protest does not occur.

Approval of proposed Resolution No. 2023-142, a Resolution of Formation for CFD No. 23-10M, will authorize the County to levy a special tax within the district boundary to pay for services requested in the proposed CFD 23-10M (The Woods) upon voter approval. The Resolution of Formation also calls for a special election to be held at the conclusion of the public hearing on July 11, 2023 and designates the election official for the proposed election. On file with the Clerk of the Board is a Certificate of Registered Voters, attached for reference, stating there are no registered voters in the boundary of proposed CFD 23-10M (The Woods) was received. As a result, only the landowners within the boundary of proposed CFD 23-10M (The Woods) will have the right to vote on the proposed special tax with each owner having one vote for each acre (or portion thereof) that they own within the boundaries of the CFD.

STATE OF CALIFORNIA**

The costs associated with Improvement Areas A, B, C, and D are (i) Street lighting maintenance, which includes energy charges, operation, maintenance, and administration of street lighting located within the designated boundaries of the CFD (ii) Traffic signal maintenance, which includes energy charges, operation, maintenance, and administrative costs of traffic signal within the boundaries of the CFD (iii) Administration, inspection, and maintenance of all stormwater facilities and BMPs to include: water quality basins, fossil filters, basin forebays, and all other NPDES/WQMP/BMP related devices and structures as approved and accepted by the Community Facilities District; administration includes, but is not limited to, quality control and assurance of inspections and maintenance, general contract management, scheduling of inspections and maintenance, and general oversight of all NPDES/WQMP/BMP operations; inspection includes, but is not limited to, travel time, visual inspection process and procedures for functionality, GPS location recording, assurance of proper vegetation, functioning irrigation, and citing operational or structural deficiencies, erosion, trash, silt and sediment build-up; and maintenance includes, but is not limited to, repair or replacement of any deficiencies noted during inspection, weed control and abatement, trash removal, and healthy upkeep of required plant materials.

Each new CFD is created for a specific development or developments when similar facilities are requested to be maintained by the County. A special tax is levied according to a RMA developed to the specific features within that District, and a special tax is annually placed on the tax roll for each Assessor Parcel Number (APN) noted in the Proposed Boundary Map, both attached herein.

Reference

The CFD Rate and Method of Apportionment (RMA) is consistent with the Mello-Roos Act of 1982. In November 1996, California voters passed Proposition 218, Right to Vote on Taxes Act which added Articles XIII C and XIII D to the California Constitution. The County may levy taxes on this proposed CFD after complying with the requirements of the Mello-Roos Community Facilities Act of 1982 and the provisions of Proposition 218 Right to Vote on Taxes Act. The formation of the proposed CFD adheres to Board Policy B-12 entitled "Land Secured Financing Districts", which was revised on January 27, 2015, to include "Service and Maintenance CFDs" to fund the ongoing maintenance of landscape, storm water, or other similar improvements and set goals and policies concerning CFDs.

Impact on Residents and Businesses

Only the parcels with Assessor Parcel Numbers within the boundaries of the proposed CFD which are represented by the attached Recorded Boundary Map (inclusive of Tract Map Nos. 32816, 32817, 32818, and 33743) are impacted by the special tax. By setting up a special tax for the maintenance of certain infrastructure required by the development, the County requires that the development pay for its maintenance impact, rather than the obligation falling upon declining public funding sources. By specifically collecting and using the special tax revenue within the boundary of the CFD, there is a financial mechanism in place to ensure the infrastructure is maintained. This CFD does not propose to fund the repayment of any bonds or bond obligations and is solely for the purposes of funding the service and maintenance of Developer installed and County required infrastructure, particularly Lighting, Traffic Signal, and Drainage. The Developer shall and is obligated to provide disclosure statements to potential buyers which outline the associated tax rate of a new home.

Additional Fiscal Information

Pursuant to the Rate and Method of Apportionment for fiscal year 2023-2024, the proposed

STATE OF CALIFORNIA**

Budget of \$55,216 consists of \$112 per taxable parcel. The annual tax shall be increased by the minimum of 2% or up to cumulative percentage increase in the Consumer Price Index for all Urban Consumers (CPI-U) in effect in the previous Fiscal Year, as it stands as of March of each year over the base index of previous fiscal year.

15 **NOW, THEREFORE, BE IT RESOLVED, FOUND, DETERMINED, AND ORDERED** by
16 the Board of Supervisors of the County of Riverside, State of California, in regular session assembled on
17 July 11, 2023, as follows:

18 **Section 1.** All of the above recitals are true and correct.

19 **Section 2.** The Board of Supervisors hereby approves and adopts and confirms said Resolution

23 **Section 3.** The Board of Supervisors hereby approves and adopts the Rate and Method of
24 Apportionment of Special Tax for the Community Facilities District and the manner of collection of the
25 special tax as set forth in Exhibit B to this resolution. To the extent required by Section 53325.1(a) of the
26 Government Code, all of the information contained in Resolution No. 2023-141 is incorporated herein and
27 made a part hereof.

28 **Section 4.** The Community Facilities District is hereby established according to the Act.

1 **Section 5.** The Community Facilities District is hereby named “Community Facilities District
2 No. 23-10M (The Woods) of the County of Riverside.”

3 **Section 6.** The services to be provided and funded by the Community Facilities District are
4 described under the caption “Services” on Exhibit A hereto, which is by this reference incorporated herein.
5 The incidental expenses proposed to be incurred are identified under the caption “Incidental Expenses” on
6 Exhibit A hereto.

7 **Section 7.** The proposed special tax to be levied within the Community Facilities District has
8 not been precluded by majority protest pursuant to Section 53324 of the California Government Code; and
9 any and all written protests to the special tax and appropriations limit are hereby overruled.

10 **Section 8.** Except where funds are otherwise available, a special tax sufficient to pay for all
11 Services, secured by recordation of a continuing lien against all nonexempt real property in the Community
12 Facilities District, will be annually levied within the Community Facilities District. The rate and method of
13 apportionment of the special tax (the “Rate and Method”), in sufficient detail to allow each landowner
14 within the proposed Community Facilities District to estimate the maximum amount that he or she will have
15 to pay, is described in Exhibit B attached hereto, which is by this reference incorporated herein. The special
16 tax will be collected in the same manner as ordinary *ad valorem* property taxes or in such other manner as
17 the Board of Supervisors shall determine, including direct billing of the affected property owners.

18 The special tax will be levied annually, until terminated by the Board of Supervisors, as specified
19 in the Rate and Method.

20 **Section 9.** The name, address and telephone number of the office which will be responsible for
21 preparing annually a current roll of special tax levy obligations by assessor’s parcel number and which will
22 be responsible for estimating further special tax levies pursuant to Section 53340.2 of the California
23 Government Code are as follows: Office of Economic Development Community Facilities District
24 Administrator, 3403 10th Street, Suite 400, Riverside, California 92501, (951) 955-8916.

25 **Section 10.** Upon recordation of a notice of special tax lien pursuant to Section 3114.5 of the
26 California Streets and Highways Code, a continuing lien to secure each levy of the special tax shall attach
27 to all nonexempt real property in the Community Facilities District and this lien shall continue in force and
28 effect until collection of the tax by the Board of Supervisors ceases.

1 **Section 11.** The boundary map of the Community Facilities District was recorded on May 30,
2 2023, in Riverside County in Book 91 at Page 28 of the Book of Maps of Assessment and Community
3 Facilities Districts in the Riverside County Recorder's Office, as Instrument No. 2023-0152887. The Board
4 of Supervisors hereby approves and ratifies said map and the boundaries of the Community Facilities
5 District which are incorporated herein and made a part hereof.

6 **Section 12.** The annual appropriations limit, as defined by subdivision (h) of Section 8 of Article
7 XIII B of the California Constitution, of the Community Facilities District is hereby established at
8 \$4,000,000.

9 **Section 13.** Pursuant to the provisions of the Act, the levy of the special tax and a proposition to
10 establish the appropriations limit specified above shall be subject to the approval of the qualified electors
11 of the Community Facilities District at a special election. The Registrar of Voters has determined, and the
12 Board of Supervisors finds, that fewer than 12 persons are registered to vote within the territory included
13 in the Community Facilities District. Accordingly, pursuant to Section 53326 of the Government Code, the
14 vote concerning the special tax and appropriations limit shall be by the landowners of the Community
15 Facilities District; and each landowner who is the owner of record as of the close of the public hearing, or
16 the authorized representative thereof, shall have one vote for each acre or portion of an acre that he or she
17 owns within the Community Facilities District. The voting procedure shall be by mailed or hand-delivered
18 ballot. The Board of Supervisors also finds that the requirements of Section 53326 of the Act pertaining to
19 the shortening of time and the requirement for notice have been waived by all of the landowners within the
20 Community Facilities District.

21 **Section 14.** The Board of Supervisors hereby calls and schedules a special election for July 11,
22 2023, at 9:30 a.m. within and for the Community Facilities District on (i) the proposition with respect to
23 the annual levy of special taxes within the Community Facilities District for the provision of authorized
24 services to the Community Facilities District and (ii) the proposition with respect to establishing an
25 appropriations limit for the Community Facilities District.

26 The propositions to be submitted to the voters of the Community Facilities District at such special
27 election shall be as follows:
28

1 Proposition A: Shall special taxes be levied annually on taxable property within Community
2 Facilities District No. 23-10M (The Woods) of the County of Riverside to fund, pay for, and finance
3 authorized maintenance of Lighting, Traffic Signal, and Drainage (as specified and reflected in the
4 Resolution of Intention, the Resolution of Formation, and the Rate and Method of Apportionment
5 of Special Tax) and to pay expenses incidental thereto and incidental to the levy and collection of
6 the special taxes, so long as the special taxes are needed to fund such services, at the special tax
7 rates and pursuant to the method of apportioning the special taxes set forth in Exhibit B to Resolution
8 No. 2023-141 adopted by the Board of Supervisors of said County on May 23, 2023.

9
10 Proposition B: Shall an appropriations limit, as defined by subdivision (h) of Section 8 of Article
11 XIII B of the California Constitution, be established for Community Facilities District No. 23-10M
12 (The Woods) of the County of Riverside in the amount of \$4,000,000?

13
14 **Section 15.** Based on its findings that fewer than 12 registered voters reside within the
15 boundaries of the Community Facilities District and that the election will be among landowner voters, the
16 Board of Supervisors hereby appoints the Director of the Riverside County Office of Economic
17 Development or her designee, or such other officer or employee as the Board shall designate, to serve as
18 the election official (the "Election Official") for the election pursuant to Government Code Section 53326.

19 **Section 16.** The procedures to be followed in conducting the special election on (i) the
20 proposition with respect to the levy of special taxes on taxable property within the Community Facilities
21 District to pay the costs of authorized services, and (ii) the proposition with respect to establishing an
22 appropriations limit for the Community Facilities District in the amount of \$4,000,000 (the "Special
23 Election") shall be as follows:

24 (a) Pursuant to Section 53326 of the California Government Code, ballots for the Special
25 Election shall be distributed to the qualified electors by the Election Official by mail with return postage
26 prepaid or by personal service.

27 (b) Pursuant to applicable sections of the California Elections Code governing the conduct of
28 mail ballot elections of counties, and in particular Division 4 (commencing with Section 4000) of that Code

1 with respect to elections conducted by mail, the Election Official shall mail or deliver to each qualified
2 elector an official ballot and shall also mail or deliver to all such qualified electors a ballot pamphlet and
3 instructions to voter, including a sample ballot identical in form to the official ballot but identified as a
4 sample ballot, a return identification envelope with prepaid postage thereon addressed to the Election
5 Official for the returning of voted official ballots, and a copy of Resolution No. 2023-141.

6 (c) The official ballot to be mailed or delivered by the Election Official to each landowner-voter
7 shall have printed or typed thereon the name of the landowner-voter and the number of votes to be voted
8 by the landowner-voter and shall have appended to it a certification to be signed by the person voting the
9 official ballot which shall certify that the person signing the certification is the person who voted the official
10 ballot, and if the landowner-voter is other than a natural person, that he or she is an officer of or other person
11 affiliated with the landowner-voter entitled to vote such official ballot, that he or she has been authorized
12 to vote such official ballot on behalf of the landowner-voter, that in voting such official ballot it was his or
13 her intent, as well as the intent of the landowner-voter, to vote all votes to which the landowner-voter is
14 entitled based on its land ownership on the propositions set forth in the official ballot as marked thereon in
15 the voting square opposite each such proposition, and further certifying as to the acreage of the landowner-
16 voter's land ownership within the Community Facilities District.

17 (d) The return identification envelope to be mailed or delivered by the Election Official to each
18 landowner-voter shall have printed or typed thereon the following: (i) the name of the landowner, (ii) the
19 address of the landowner, (iii) a declaration under penalty of perjury stating that the voter is the landowner
20 or the authorized representative of the landowner entitled to vote the enclosed ballot and is the person whose
21 name appears on the identification envelope, (iv) the printed name and signature of the voter, (v) the address
22 of the voter, (vi) the date of signing and place of execution of the declaration, and (vii) a notice that the
23 envelope contains an official ballot and is to be opened only by the Election Official.

24 (e) The information to voter form to be mailed or delivered by the Election Official to the
25 landowner-voters shall inform them that the official ballots shall be returned to the Election Official
26 properly voted as provided thereon and with the certification appended thereto properly completed and
27 signed in the sealed return identification envelope with the certification thereon completed and signed and
28 all other information to be inserted thereon properly inserted by 9:00 a.m. on the date of the Special Election;

1 provided that the election shall be closed before such hour if the Election Official determines that all of the
2 qualified voters have voted.

3 (f) Upon receipt of the return identification envelopes which are returned prior to the voting
4 deadline on the date of the Special Election, the Election Official shall canvass the votes cast in the Special
5 Election, and shall file a statement with the Board of Supervisors as to the results of such canvass and the
6 election on each proposition set forth in the official ballot.

7 (g) The Legislative Body shall declare the results of said special election as soon as practicable
8 following the election, but in any event not later than the next regular meeting following the date of the
9 election, and shall cause to be input upon its minutes a statement of the results of said special election as
10 ascertained by the canvass.

11 **Section 17.** If two-thirds (2/3) of the votes cast within the Community Facilities District upon
12 the question of levying the special tax are in favor of the levy of that tax, as determined by the Board of
13 Supervisors after the canvass of the returns of such election, the Legislative Body may levy such special
14 taxes within the territory of the Community Facilities District in the amounts and for the purposes as
15 specified in this Resolution, the Special Tax Ordinance (to be adopted), and the Rate and Method of
16 Apportionment, except that such special tax may be levied at a rate lower than the amount specified therein.

17 **Section 18.** The Board of Supervisors hereby determines and finds that all proceedings up to and
18 including the adoption of this Resolution were valid and in conformity with the requirements of the Act. In
19 accordance with Section 53325.1 of the California Government Code, such finding shall be final and
20 conclusive.

21 **Section 19.** The Board of Supervisors finds and determines that the establishment of the
22 Community Facilities District is not a project for purposes of the California Environmental Quality Act and
23 is exempt from that Act.

24 **Section 20.** The officers of the County are, and each of them is, hereby authorized and directed
25 to do any and all things, and to execute and deliver any and all documents which said officers may deem
26 necessary or advisable in order to accomplish the purposes of this Resolution and not inconsistent with the
27 provisions hereof.

The boundaries of the CFD are those properties and parcels where services are authorized to be provided and upon which special taxes may be levied in order to pay for the costs and expenses of said services. A general description of the area within the boundaries of the CFD is attached as Appendix B.

For details concerning the line and dimensions of the Assessor's Parcel Numbers refer to Riverside County Assessor's Maps. If any parcel submitted for collection is identified by the County Auditor-Controller to be an invalid parcel number for the current fiscal year, a corrected parcel number and/or new parcel number (or numbers) will be identified and resubmitted to the County Auditor- Controller. The special tax amount to be levied and collected for the resubmitted parcel and/or new parcel number(s) shall be based on the method of apportionment as defined in this Report. Therefore, if a single parcel has changed to multiple parcels, the assessment amount applied to each of the new parcels shall be recalculated and applied according to the approved method of apportionment and the special tax rate rather than as a proportionate share of the original special tax.

A reduced scale map showing the boundaries of the CFD is provided as Appendix B. A full-scale map is on file with the Clerk of the Board of Supervisors of Riverside County and was recorded with Riverside County Recorder on May 30, 2023, as Instrument No. 2023-0152887 in the Book 91 of Maps of Assessment and Community Facilities Districts at Page 28.

The Rate and Method of Apportionment allows each property owner within Community Facilities District No. 23-10M (The Woods) to estimate the annual Special Tax amount that would be required for payment. The Rate and Method of Apportionment of the Special Tax established pursuant to these proceedings, is attached hereto as Appendix A (the "Rate and Method"). The Special Tax will be collected in the same manner and at the same time as ordinary ad valorem property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the CFD Administrator may directly bill the Special Taxes, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations, and provided further that the CFD may covenant to foreclose and may actually foreclose on parcels having delinquent Special Taxes as permitted by the Act.

All of the property located within the CFD, unless exempted by law or by the Rate and Method proposed for the CFD, shall be taxed for the purpose of providing necessary services to serve the CFD.

Maximum Special Tax on each July 1, shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

Pursuant to Section 53325.3 of the Act, the tax imposed "is a Special Tax and not a special assessment, and there is no requirement that the tax be apportioned on the basis of benefit to any property." The Special Tax may be based on the benefit received by property, the cost of making facilities or authorized services available or other reasonable basis as determined by the Board, although the Special Tax may not be apportioned on an ad valorem basis pursuant to Article XIII A of the California Constitution.

For particulars as to the Rate and Method for Community Facilities District No. 23-10M (The Woods), see the attached and incorporated in Appendix A.

Based on the information provided herein, it is my opinion that the described services herein are those that are necessary to meet increased demands placed upon the County of Riverside as a result of development occurring within the CFD No. 23-10M (The Woods) and benefits the lands within said CFD. Further, it is my opinion that the special tax rates and method of apportionment, as set forth herein, are fair and equitable, uniformly applied and not discriminating or arbitrary.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

“Taxable Public Property” means all Parcels of Public Property that satisfies both of the following conditions: (i) based on reference to the maps used during the formation of the district, the Parcel was not anticipated to be Public Property, as determined by the Administrator, and (ii) if the Parcel were to be exempt from the Special Tax because it is Public Property, the County has determined that there would be a reduction in Special Tax revenues that would create a deficit in funding the Special Tax Requirement.

“Taxable Unit” means either a Dwelling Unit(s) or an Acre.

“Undeveloped Property” means all Parcels of Taxable Property not classified as Developed Property, Approved Property, Taxable Property Owner’s Association Property or Taxable Public Property.

Parcels of Developed Property shall further be classified as Residential Property or Non-Residential Property. Parcels of Residential Property shall further be classified as Single Family Residential Property or Multi-family Residential Property.

C. MAXIMUM SPECIAL TAX RATES

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1 below.

**TABLE 1
MAXIMUM SPECIAL TAX RATES FOR
IMPROVEMENT AREA C
DEVELOPED PROPERTY
FISCAL YEAR 2023-2024**

Development Class	Taxable Unit	Maximum Special Tax
Single Family Residential Property	DU	\$112
Multi-family Residential Property	Acre	\$1,122
Non-Residential Property	Acre	\$1,122

(a) Increase in the Maximum Special Tax

On each July 1, the Maximum Special Tax identified in Table 1 above, shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

(b) Multiple Development Classes

In some instances, a Parcel of Developed Property may contain more than one Development Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Development Class located on that Parcel. The Administrator's allocation to each Development Class shall be final.

Once a Maximum Special Tax has been assigned to a Parcel of Developed Property, the Maximum Special Tax shall not be reduced in future Fiscal Years regardless of changes in Development Class, Square Footage, or Acreage, unless a reduction in the Maximum Special Tax is approved by the Board for the entire CFD.

(c) Accessory Dwelling Unit(s)

Where an Accessory Dwelling Unit(s) is on the same Assessor Parcel Number as another Taxable Unit, the Accessory Dwelling Unit(s) is not considered a separate Taxable Unit and will not be added to the calculation of the Maximum Special Tax for a Parcel.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Residential Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1., as if such Parcel were already designated as Developed Property and classified as Single Family Residential Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

3. Taxable Property Owner's Association Property and Taxable Public Property

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Property Owner's Associations Property up to 100% of the applicable Maximum Special Tax for Taxable Property Owner's Association.

Fourth: If additional moneys are needed to satisfy the Special Tax requirement after the first three steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property at up to 100% of the applicable Maximum Special Tax for Taxable Public Property.

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default of the CFD.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Property Owner's Association Property (except Taxable Property Owner's Association Property) or Public Property (except Taxable Public Property) within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. PREPAYMENT OF SPECIAL TAX

Parcels of Developed Property shall further be classified as Residential Property or Non-Residential Property. Parcels of Residential Property shall further be classified as Single Family Residential Property or Multi-family Residential Property.

C. MAXIMUM SPECIAL TAX RATES

1. Developed Property

The Maximum Special Tax that may be levied and escalated, as explained further in Section C.1. (a) below, in each Fiscal Year for each Parcel classified as Developed Property shall be determined by reference to Table 1 below.

**TABLE 1
MAXIMUM SPECIAL TAX RATES
DEVELOPED PROPERTY
FISCAL YEAR 2023-2024**

Development Class	Taxable Unit	Maximum Special Tax
Single Family Residential Property	DU	\$112
Multi-family Residential Property	Acre	\$1,074
Non-Residential Property	Acre	\$1,074

(a) Increase in the Maximum Special Tax

On each July 1, the Maximum Special Tax identified in Table 1 above, shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

(b) Multiple Development Classes

In some instances, a Parcel of Developed Property may contain more than one Development Class. The Maximum Special Tax that may be levied on such Parcel shall be the sum of the Maximum Special Tax that can be levied for each Development Class located on that Parcel. For a Parcel that contains two or more different Development Classes or the Acreage of such Parcel shall be allocated to each type of property based on the amount of Acreage designated for each land use as determined by reference to the site plan approved for such Parcel. The Administrator's allocation to each Development Class shall be final.

Once a Maximum Special Tax has been assigned to a Parcel of Developed Property, the Maximum Special Tax shall not be reduced in future Fiscal Years regardless of changes in Development Class, Square Footage, or Acreage, unless a reduction in the Maximum Special Tax is approved by the Board for the entire CFD.

(c) Accessory Dwelling Unit(s)

Where an Accessory Dwelling Unit(s) is on the same Assessor Parcel Number as another Taxable Unit, the Accessory Dwelling Unit(s) is not considered a separate Taxable Unit and will not be added to the calculation of the Maximum Special Tax for a Parcel.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel; provided, however, for a Parcel of Approved Property that is expected to become Single Family Residential Property as reasonably determined by the Administrator based on the Final Map for such Parcel, the Maximum Special Tax for such Parcel of Approved Property shall be calculated pursuant to Section C.1., as if such Parcel were already designated as Developed Property and classified as Single Family Residential Property.

The Maximum Special Tax for Approved Property shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

3. Taxable Property Owner's Association Property and Taxable Public Property

The Maximum Special Tax for each Parcel of Taxable Property Owner's Association Property or Taxable Public Property shall be equal to the product of the applicable Undeveloped Property Maximum Special Tax per Acre times the Acreage of such Parcel.

The Maximum Special Tax for Taxable Property Owner's Association Property and Taxable Public Property shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

4. Undeveloped Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Undeveloped Property for each Parcel shall be \$1,074 per Acre.

The Maximum Special Tax for Undeveloped Property shall be increased annually, commencing July 1, 2024, by the amount equal to the greater of two percent (2%) or up to the percentage increase in the Consumer Price Index of the corresponding Maximum Special Tax in effect in the previous Fiscal Year at the sole discretion of the Administrator.

5. Public Property and/or Property Owner's Association Property

The Maximum Special Tax that may be levied and escalated for each Parcel classified as Property Owner's Association Property and/or Public Property shall be \$0.00 per Acre. **There shall be no levy on Property Owner's Association Property and/or Public Property.**

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2023-2024 and for each following Fiscal Year, the Administrator shall levy the Special Tax on all Taxable Property until the amount of Special Tax equals the Special Tax Requirement in accordance with the following steps:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Maximum Special Tax as needed to satisfy the Special Tax Requirement;

Second: If additional moneys are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third: If additional moneys are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Property Owner's Associations Property up to 100% of the applicable Maximum Special Tax for Taxable Property Owner's Association.

Fourth: If additional moneys are needed to satisfy the Special Tax requirement after the first three steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Taxable Public Property at up to 100% of the applicable Maximum Special Tax for Taxable Public Property.

Fifth: If additional moneys are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the applicable Maximum Special Tax for Undeveloped Property.

Notwithstanding the above, under no circumstances will the Special Taxes levied in any Fiscal Year against any Parcel of Residential Property for which a Certificate of Occupancy has been issued be increased by more than ten percent (10%) as a result of a delinquency in the payment of the Special Tax applicable to any other Parcel above the amount that would have been levied in that Fiscal Year had there never been any such delinquency or default of the CFD.

E. EXEMPTIONS

The CFD shall not levy Special Taxes on Property Owner's Association Property (except Taxable Property Owner's Association Property) or Public Property (except Taxable Public Property) within the CFD.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that the Administrator may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of the CFD, and provided further that the CFD may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any taxpayer may file a written appeal of the Special Tax on his/her Parcel(s) with the Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes must be paid on or before the payment due date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The Administrator shall review the appeal, meet with the appellant if the Administrator deems necessary, and advise the appellant of its determination. If the Administrator agrees with the appellant, the Administrator shall grant a credit to eliminate or reduce future Special Taxes on the appellant's Parcel(s). No refunds of previously paid Special Taxes shall be made.

The Administrator shall interpret this Rate and Method of Apportionment and make determinations relative to the annual levy and administration of the Special Tax and any taxpayer who appeals, as herein specified.

H. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

I. TERM OF THE SPECIAL TAX

The Special Tax shall be levied annually in perpetuity unless terminated earlier by the County.
