BACKGROUND:

Summary

California Revenue and Taxation Code Sections 2188.8(g) and 2188.9(i) provide that a fee may be collected for processing a Timeshare Project application for separate assessment and billing. The fee may be collected on the initial separate tax bills, and on all subsequent separate tax bills. In July of 1993, the Board of Supervisors approved Ordinance 735, which enacted in Riverside County the provisions of Revenue and Taxation Code Sections 2188.8(g), and 2188.9(i). Section 4 of the Ordinance requires that the Assessor annually submit information to the Board of Supervisors identifying each Timeshare Project in which separate assessment fees are applied. The attached itemized listing provides this information.
