BACKGROUND:

Summary

By Minute Order dated May 23, 2023 (Agenda Item 3.54), the Board of Supervisors authorized the Clerk of the Board to advertise for the construction of the Slurry Seal and Curb Ramp Accessibility Project for Fiscal Year 2023/24 at various locations in 1st and 2nd Supervisorial Districts within the Communities of La Cresta, Mead Valley, Lakeland Village, Temescal Valley, El Cerrito, Highgrove, Woodcrest, Alessandro and Cajalco areas, and the unincorporated areas near the Cities of Corona, Lake Elsinore, Riverside, and Perris. The specific roads are listed in "Attachment 1".

The slurry seal project consists of slurry seal, chip seal, and micro-surfacing seal treatments based on the existing pavement conditions. The slurry seal treatment consists of an application of a mixture of asphalt emulsion, aggregates, water and other additives placed over the existing asphalt pavement surface. This work includes road cleaning, crack repair, crack sealing, asphalt concrete repairs, application of seal coat treatment, installation of new thermoplastic crosswalks, replacement of striping, pavement markings and raised pavement markers. All roads will be swept several times at specified intervals after the slurry has been applied.

The micro-surfacing treatment is similar to the slurry seal except it uses polymer modified and fast setting asphalt emulsion allowing thicker layers to be placed. The thick layer application allows to fill in ruts commonly found on roadways with light to moderate truck traffic.

The chip seal treatment consists of an application of asphalt emulsion and then followed by a layer of chip or small crushed rock (screenings). The treatment provides a skid resistant wearing surface and seals minor cracks, and it is generally used for low volume rural roads.

This project also proposes to reconstruct or upgrade fourteen (14) existing concrete curb ramps at various locations within the 1st and 2nd Districts as part of the Transportation Department goal to provide safe and usable pedestrian facilities for all pedestrians and to comply with the Title II of the Americans with Disabilities Act (ADA) requirements. As part of the ADA requirement,

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

curb ramps must be upgraded when adjoining roads are altered through resurfacing or placement of a thick layer of seal coat. The specific curb ramp locations are listed in "Attachment 2".

The curb ramp accesibility work will consist of modifying or removing existing concrete curb ramps and placing back ADA compliant concrete curb ramps. Certain curb ramps will be upgraded by installing yellow detectable warning devices (series of small bumps or truncated domes) and making repairs to street landing slopes to meet ADA compliance. Detectable warning devices are used to alert pedestrians who are blind or visually impaired that there is vehicle traffic nearby.

During the advertisement period, one addendum was issued to all registered plan holders as a supplement to the plans and specifications. Bidders were required to acknowledge and take into account the issued addendum on their contractor's Bid in order to be considered for award.

The addendum was issued to clarify and modify the approved contract documents. The addendum is attached and designated as Addendum No. 1.

The County of Riverside Transportation Department recommends award of the following schedules of work in the Contract amount of \$ 4,167,536:

- | | |
|-----------------------------|---|
| Base Bid Schedule: | Slurry Seal Project |
| Alternative Bid Schedule 1: | Curb Ramp Accessibility Project |
| Alternative Bid Schedule 2: | Repair of Existing Asphalt Concrete Surfaces |
| Alternative Bid Schedule 3: | Not Selected for Award, Slurry Seal Project, City of Corona Portion |
| Alternative Bid Schedule 4: | Slurry Seal Project, City of Lake Elsinore Portion |
| Alternative Bid Schedule 5: | Slurry Seal Project, City of Riverside Portion |

The City of Corona has rejected the bid prices proposed by Pavement Coatings Co. for alternative bid schedule 3.

The City of Lake Elsinore has accepted the bid prices proposed by Pavement Coatings Co. for alternative bid schedule 4. Therefore, a reimbursement agreement between City of Lake Elsinore and County of Riverside is being submitted to the Board of Supervisors for approval concurrent with the award of this project.

The City of Riverside has accepted the bid prices proposed by Pavement Coating Co. for alternative bid schedule 5. The City of Riverside reimbursement agreement will be processed for Board of Supervisor's approval as a separate agenda item at a later Board meeting.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

The contractor, Pavement Coatings Co. is qualified to perform the work as outlined in the bid, has executed the Contract, and has provided bonds and insurance documents that meet the requirements of the Contract.

Project Numbers: D4-0006 and D4-0007 (Slurry Seal Districts 1 and 2)
 D4-0011 and D4-0012 (Curb Ramps Districts 1 and 2)

Impact on Residents and Businesses

The slurry seal treatment will extend the life of the pavement thereby reducing the need for more extensive types of resurfacing that can be up to ten times more costly.

The reconstruction of curb ramps is expected to improve the access and safety of disabled persons using the pedestrian facilities along the roadways. In addition, bringing the curb ramps up to current accessibility standards contributes toward fulfilling the County Transportation Department's goals as stated in its ADA Self-Evaluation and Transition Plan as required by Title II of the Americans with Disabilities Act (ADA).

The work is expected to begin in late summer of 2023 and will take approximately three and a half months to complete.

Additional Fiscal Information

The Contract is recommended to be awarded to Pavement Coatings Co. for the total amount of \$4,167,536. The slurry seal and curb ramps accessibility Contract is funded with Gas Tax/SB-1, Measure A/Western, City of Lake Elsinore, and City of Riverside funds.

The proposed budget as shown on Attachment "A" includes Contract award amount and other associated costs. There are no General Funds used in this project.

Contract History and Price Reasonableness

Four bids were received on Wednesday June 14, 2023, ranging from \$4,191,275 to \$5,217,627.

The basis for the selection of a contractor is the lowest responsive and responsible bid. The lowest responsive and responsible bid was submitted by Pavement Coatings Co. in the amount of \$4,191,275 which is \$288,122 (7.4%) above the Engineer's Estimate.

The Transportation Department recommends the award of the contract to Pavement Coatings Co. in the amount of \$4,167,536. The contract amount (\$4,167,536) varies from the submitted bid amount (\$4,191,275) because Alternative Bid Schedule 3 in the amount of \$23,739 was not selected for award.

COMMERCIAL GENERAL LIABILITY COVERAGE PART

PROVISIONS

The following is added to **SECTION II – WHO IS AN INSURED**:

Any person or organization that you agree in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only:

- a. With respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and
- b. If, and only to the extent that, such injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" to which the written contract or agreement applies. Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

- a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.
- b. The insurance provided to such additional insured does not apply to:

(1) Any "bodily injury", "property damage" or "personal injury" arising out of the providing, or failure to provide, any professional architectural, engineering or surveying services, including:

- (a) The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders or change orders, or the preparing, approving, or failing to prepare or approve, drawings and specifications; and
- (b) Supervisory, inspection, architectural or engineering activities.

(2) Any "bodily injury" or "property damage" caused by "your work" and included in the "products-completed operations hazard" unless the written contract or agreement specifically requires you to provide such coverage for that additional insured during the policy period.

c. The additional insured must comply with the following duties:

- (1) Give us written notice as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, such notice should include:
 - (a) How, when and where the "occurrence" or offense took place;
 - (b) The names and addresses of any injured persons and witnesses; and
 - (c) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- (2) If a claim is made or "suit" is brought against the additional insured:

COMMERCIAL GENERAL LIABILITY

- (a) Immediately record the specifics of the claim or "suit" and the date received; and
 - (b) Notify us as soon as practicable and see to it that we receive written notice of the claim or "suit" as soon as practicable.
- (3) Immediately send us copies of all legal papers received in connection with the claim or "suit", cooperate with us in the investigation or settlement of the claim or defense against the "suit", and otherwise comply with all policy conditions.
- (4) Tender the defense and indemnity of any claim or "suit" to any provider of other insurance which would cover such additional insured for a loss we cover. However, this condition does not affect whether the insurance provided to such additional insured is primary to other insurance available to such additional insured which covers that person or organization as a named insured as described in Paragraph 4., Other Insurance, of Section IV – Commercial General Liability Conditions.

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph **2.a.(1)** of Section II – Who Is An Insured.

D. BLANKET WAIVER OF SUBROGATION

The following is added to Paragraph **8.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the execution of the contract or agreement.

E. CONTRACTUAL LIABILITY – RAILROADS

1. The following replaces Paragraph **c.** of the definition of "insured contract" in the **DEFINITIONS** Section:

c. Any easement or license agreement;

COMMERCIAL GENERAL LIABILITY

2. Paragraph **f.(1)** of the definition of "insured contract" in the **DEFINITIONS** Section is deleted.

F. DAMAGE TO PREMISES RENTED TO YOU

The following replaces the definition of "premises damage" in the **DEFINITIONS** Section:

"Premises damage" means "property damage" to:

- a. Any premises while rented to you or temporarily occupied by you with permission of the owner; or
- b. The contents of any premises while such premises is rented to you, if you rent such premises for a period of seven or fewer consecutive days.

Julie Branstetter

4. Other Insurance

If valid and collectible other insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as described in Paragraphs a. and b. below.

As used anywhere in this Coverage Part, other insurance means insurance, or the funding of losses, that is provided by, through or on behalf of:

- (i) Another insurance company;
- (ii) Us or any of our affiliated insurance companies, except when the Non cumulation of Each Occurrence Limit provision of Paragraph 5. of Section III – Limits Of Insurance or the Non cumulation of Personal and Advertising Injury Limit provision of Paragraph 4. of Section III – Limits of Insurance applies because the Amendment – Non Cumulation Of Each Occurrence Limit Of Liability And Non Cumulation Of Personal And Advertising Injury Limit endorsement is included in this policy;
- (iii) Any risk retention group; or
- (iv) Any self-insurance method or program, in which case the insured will be deemed to be the provider of other insurance.

Other insurance does not include umbrella insurance, or excess insurance, that was bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

As used anywhere in this Coverage Part, other insurer means a provider of other insurance. As used in Paragraph c. below, insurer means a provider of insurance.

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below, except when Paragraph d. below applies.

b. Excess Insurance

- (1) This insurance is excess over:
 - (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

- (ii) That is insurance for "premises damage";

- (iii) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to any exclusion in this Coverage Part that applies to aircraft, "autos" or watercraft;

- (iv) That is insurance available to a premises owner, manager or lessor that qualifies as an insured under Paragraph 4. of Section II – Who Is An Insured, except when Paragraph d. below applies; or

- (v) That is insurance available to an equipment lessor that qualifies as an insured under Paragraph 5. of Section II – Who Is An Insured, except when Paragraph d. below applies.

- (b) Any of the other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured, or is any other insured that does not qualify as a named insured, under such other insurance.

- (2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- (3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

- (b) The total of all deductible and self-insured amounts under all that other insurance.

- (4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

COMMERCIAL GENERAL LIABILITY

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:
 - a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and
 - b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.
