RE: CUP Application CUP 190010- 19700 Temescal Canyon

As a small business owner in El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local small business owner, I applaud Stiiizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local resident, I applaud Stiiizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

RE: CUP Application CUP 190010- 19700 Temescal Canyon

As a resident of El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. As a resident of El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local resident, I applaud Stiiizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

RE: CUP Application CUP 190010- 19700 Temescal Canyon

As a resident of El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local resident, I applaud Stiiizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

RE: CUP Application CUP 190010- 19700 Temescal Canyon

As a resident of El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local resident, I applaud Stiizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local resident, I applaud Stilizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

RE: CUP Application CUP 190010-19700 Temescal Canyon

As a resident of El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. RE: CUP Application CUP 190010-19700 Temescal Canyon

As a resident of El Cerrito, Riverside County, (also known as Temescal) I would like to express my support for CUP application number 190010. Having lived in Riverside County for many years, I personally know the devastation that illegal dispensaries have caused this community. I stand strongly against illegal cannabis businesses. I insist that county staff and officials only approve high level, professional and honest retailers like Stiiizy, who is the nation's leading cannabis brand and a proven and reputable community partner.

As previously stated, I personally know the damage that illegal dispensaries have brought to the El Cerrito area. There were many issues including crime and traffic due to careless and simply put- bad operators. I also understand the benefits of having a good operator and business in our community. Good paying jobs with medical benefits, lab tested, quality products and revenue for Riverside County, are all benefits that our community deserves.

Covid-19 and this pandemic have devastated businesses. I implore the decision making body to please consider the approval of this application, which will bring jobs to an area of Riverside County that needs jobs. With the pandemic closing many businesses within our region, I would highlight that the cannabis industry was labeled as an essential industry and in addition to staying open, the industry thrived. Now is not the time to be stifling economic growth. As a local resident, I applaud Stilizy's starting wage and partnership with UFCW, which between Corona and Temescal, will bring over 70 jobs to our region. Our county is in no position to turn away good paying jobs. Please support this CUP application.

Subject: Opposition to Proposed Cannabis Retail Shop Due to Traffic Safety Concerns

Dear Board of Supervisors,

I hope this letter finds you well. I am writing to express my deep concerns and opposition regarding the proposed cannabis retail shop on Temescal Canyon Road between Tom Barnes and El Cerrito Road. While I understand the potential benefits of such an establishment, I firmly believe that the location chosen poses significant traffic safety risks that cannot be overlooked.

Over the years, this particular area has witnessed an extremely high number of accidents, several of which have tragically resulted in fatalities. This alarming trend is a clear indication that the existing infrastructure is already strained and inadequate to handle the current traffic demands. This section of Temescal Canyon is the only surface street connection Dos Lagos area of the City of Corona. Introducing a cannabis retail shop, frankly any high-volume retail store, in this already precarious situation would only exacerbate the problem and put the lives of community members in the County and the City of Corona at further risk. You wouldn't approve a Starbucks or fast-food restaurant here this shouldn't be approved either.

I have a personal connection to this issue as well. In 2017, my daughter was involved in a serious accident at the exact location where the proposed cannabis retail shop is to be established. A car abruptly stopped to make a left turn causing a 3-car pile-up. The incident left a lasting impact on our family, and we have since been deeply concerned about the safety of the area. The accident and its legal proceedings have inflicted emotional distress that continues to affect her. See pictures below.

Moreover, the influx of customers expected (estimated to be between 500-700 a day) to frequent the cannabis retail shop would inevitably lead to increased traffic congestion on this extremely impacted road that has not been widened since it was **first paved in 1925**. This will further impede the flow of vehicles, making it even more challenging for drivers to navigate safely.

While I appreciate the economic benefits that a cannabis retail shop could bring to this community, it is crucial to prioritize the safety and well-being of our residents. I urge you to reconsider the proposed location and explore alternative options that would mitigate the traffic safety concerns including postponing until after Temescal Canyon Road is widened in 2027.

In conclusion, I respectfully request that you consider the grave traffic safety concerns raised by myself and other concerned community members. It is our collective responsibility to ensure the safety and security of our neighborhood, and allowing the establishment of a cannabis retail shop at this location would be a step in the wrong direction.

Thank you for your attention to this matter. I trust that you will give careful consideration to these concerns and make a decision that prioritizes the well-being of our community. I would welcome the opportunity to discuss this matter further and contribute to finding a suitable solution that addresses both the economic and safety needs of our shared communities.

Yours sincerely,

Sincerely,

Wes J. Speake

Board of Supervisors Riverside County

RE: Public Hearing August 1, 2023 at 10 AM

Conditional Use Permit No. 190010

Subject: Opposition to Proposed Cannabis Dispensary in Our Neighborhood

To All Members of the Board of Supervisors,

I hope this letter finds you well. I am writing to express my deep concern and opposition regarding the proposed establishment of a cannabis dispensary in our neighborhood. As a resident of this community, I feel it is crucial to voice my apprehensions and highlight the potential negative consequences associated with such an establishment in this location.

First and foremost is the traffic issue. This portion of Temescal Canyon Road is only 2 lanes and is a natural chokepoint. The 15 freeway and Temescal Canyon Rd. are the only north/south routes through this corridor as there are no alternate side streets to disburse excess traffic. The freeway is currently woefully inadequate to handle the amount of traffic it serves, so it slows to a crawl every single day. Trying to avoid this congestion, drivers exit the freeway and use Temescal Canyon Rd. All this excess traffic then sits bumper to bumper creeping along Temescal Canyon Rd and the situation is exacerbated by the fact that there are only 2 lanes through this portion. There is also very heavy large truck traffic in the area due to the nearby mining operations and landfill. Additionally, there are no sidewalks here for pedestrians. This situation already makes navigating through this area a misery for the drivers and hazardous for pedestrians. Residents can no longer drive through their own neighborhood without encountering heavy traffic and delays. The addition of a business which creates a high volume of in-and-out traffic in this area is shortsighted to say the least, causing additional dangers to drivers and pedestrians in the area.

I'd also like to point out there are two bus stops in this area for middle and elementary school students. It is already so dangerous for these children since there are no sidewalks and no crosswalks. Again, adding more "quick trip" traffic to a business in this area only increases the danger to our children. Where is the concern for the children and their safety?

Another major concern is the proximity of this location to schools and a major sports park. Olive Branch Church school, on the corner of El Cerrito Rd and Temescal Canyon Rd, serves pre-school through 8th grade children. El Cerrito Middle School, adjacent to Olive Branch on El Cerrito Rd., is for children in 6th through 8th grades. El Cerrito Sports Park, next to the middle school, is used by families and many youth sports teams. The establishment of a dispensary may inadvertently normalize the use of cannabis, potentially undermining the efforts of parents, schools, and other community organizations in promoting a drug-free and healthy lifestyle. Also, studies have shown that it is not unusual for illegal drug dealers to purchase cannabis legally and then resell their purchases to local juveniles. It seems very ill advised to put this dispensary so close to three locations where children are present daily.

Finally, the presence of a cannabis dispensary in close proximity to our homes raises concerns regarding the safety and security of our neighborhood. While I understand that the regulatory framework around cannabis dispensaries has improved over time, it is important to note that the sale and consumption of cannabis can still attract criminal activities. It is not unusual for dispensaries to be robbed at gunpoint, not only for the product but for the large amounts of cash these businesses generate and cannot legally handle the same way other businesses do. The potential for increased crime, theft, and associated risks cannot be overlooked, and it could have a detrimental impact on the peace and tranquility of our community.

In light of these concerns, I respectfully request that you consider the voices and opinions of the residents in our neighborhood who oppose the establishment of this cannabis dispensary. I kindly ask that you take these points into serious consideration and oppose the proposal to establish a cannabis dispensary in our neighborhood. Instead, let us focus on traffic initiatives and the type of businesses that contribute positively to our community's growth, well-being, and cohesiveness.

Sincerely,

Mary Gehley

I live on Carmelita Avenue, with my daughter and our 4 horses. We moved to our ranch 12 years ago. At that time, I was excited for our little "country road" that I thought TCR was to be, especially after seeing as there is a horse crossing sign out on TCR.

I would put my daughter on her horse and lead them down to the Circle K on the corner of El Cerrito and TCR to get a drink and some ice cream and then we would walk home on the dirt path that ran alongside TCR. That was 2012.

Today, walking the horses on TCR would be hugely irresponsible of me and dangerous to myself and my animals as the traffic has increased tremendously but the quality of the road has significantly decreased. Drivers come off the freeway and continue to drive at freeway speeds, making it impossible for me to even pull my horse trailer out of my neighborhood at times, let alone walk with them. I have experienced more than once, when slowing with my directional on to make a left into my neighborhood with my horses, drivers behind me almost hitting my trailer because they are not paying attention and driving too fast, slamming on their horns in frustration for having to wait, or worse, attempting to pass me on the dirt path pedestrians use.

My daughter has grown up in this neighborhood. She attended Wilson ES from Kinder to 6th grade. Wilson is in Eagle Glen, requiring me to make a left onto TCR towards Cajalco. From Kinder through

second grade it was not that difficult. After that, many mornings the traffic made it impossible to turn left and we would be stuck going right on TCR to u-turn at El Cerrito.

She is now attending El Cerrito Middle School. Although she does not walk home, she does walk to the gas station to meet me. Everyday I hold my breath, as the crossing guard works to get all of those children across the street safely, as so many vehicles do not slow down or try and beat the yellow light so they do not get stuck waiting. Several of her friends do walk TCR to get home and have shared that Catalano Motors parks their vehicles for sale on the dirt path, forcing them to walk into the street to pass.

My country road has become an overly congested road where literally no driver obeys the speed limit.

For these reasons, I strongly oppose the opening of a retail shop at 19700 Temescal Canyon Road. It is a high-volume business that will generate even more traffic on a roadway that currently only has two lanes, no curbs, and no sidewalks and high speed, high volume traffic coming through all hours of the day.

From what I understand, the county is now preparing for the widening of TCR through El Cerrito. It makes good sense to at least postpone the approval of any retail shops in this area until after the widening is completed.

To whom it may concern,

I am writing to you in opposition to conditional use permit #190010. Temescal canyon road between El Cerrito rd and Coronita street needs serious attention. It is 2 lanes, with no street lights and limited traffic signs. I have seen many accidents on the street. To get to my neighborhood I must turn left on jolora if heading south on Temescal canyon and people will drive around me on the dirt shoulder because there is no left hand turn lane. This new business would create further problems to an already dire situation.

I oppose this conditional use permit.

Dear Supervisors and Mr. Ketcham:

My name is Robin Steele and I live in El Cerrito, California.

Attached find a photograph of Temescal Canyon Road near Coronita Street, which is approximately a block from what is currently known as Catalano Motors and the location at which Mr. Catalano is seeking to open a cannabis dispensary. The photograph shows the road that elementary and middle school children walk to school every day. As you can see, there is a white line on the far right of the road, which I would guess serves to delineate in order to allow for pedestrian traffic. As you can see, there is little to no space for the children to walk. If you look further up the road in the photograph, you can see that the road is even narrower and the children have even less room to walk. As it is now, cars are whizzing by these children, especially in the morning. As the photo shows, the road is in poor condition and dangerous to walk, even for an adult, because there are gullies, ditches, and large exposed pipe throughout the .7 mile of narrow road. The pedestrian section (if you can call it that) really is dreadful terrain and wholly unsafe for children to walk. When I see the children I think to myself that I would never let children walk that road. Further reflection tells me that there are children in my neighborhood who have no one to take them to school. Though I realize that I walked a mile to and from school every day of my young life, it is a different world now than when I was growing up and what used to be considered safe is not necessarily safe anymore.

The County of Riverside designated this portion of Temescal Canyon Road (TCH) as an alternate route or thoroughfare to heavy traffic on the I 15 Freeway and commuters get off the freeway at Cajalco or Ontario and speed down TCH in order to combat heavy traffic. This causes traffic to back up on Temescal Canyon Road several times a day. I obtained a Traffic Collision Report from California Highway Patrol, which shows that as of May, 2023, there have been **158 accidents** along the .7 mile of TCH since 2016, and of those accidents, 4 of them are fatalities. You may recall the letter from El Cerrito resident, Robert Washam, as well as the letters from his mother and sister, stating that on November 21, 2017, Mr. Washam's life partner of 27 years, Lorrie Danley, was struck and killed by a vehicle traveling northbound on TCH as she was walking to the bus stop. The driver of the car, who remained at the scene, stated that he simply did not see Lorrie walking along the side of the road prior to striking her because it was dark and there was no lighting whatsoever at that section of the road. In fact, the accident occurred a few feet from Mr. Catalano's used car lot. According to the police report of the accident, speeding, drugs and alcohol were not a factor in the accident. The high number of accidents and number of fatalities demonstrates that TCH, in its present form, is a dangerous road to drive. I myself, like so many of my neighbors, was in a car accident on TCH. In 2018 I was rear-ended, my car spun out, and the impact caused the wrist on my dominant hand to break. I required three surgeries, which put me out of my regular life for over a year and caused me great inconvenience, time and money.

I have attached a copy of the Traffic Collision Report for your convenience.

I will also tell you that since May, 2023, when I received the Traffic Collision Report from the Highway Patrol detailing 158 accidents along the narrow stretch of TCH, there have been at least 3 more accidents (that I know of), with one of them involved injury.

The traffic on TCH is already terrible. If a high-volume business is allowed to operate along this stretch of road traffic will be unmanageable and there will be even more accidents and fatalities. There are no street lights or anything besides the moon illuminating our street signs. I cannot tell you how many times I have had to go to the corner and make a u-turn because I have missed my street because it is so dark. The road needs to be widened to accommodate all the traffic that has been added due to shopping centers, houses, apartments and hotels that have gone in on all sides of us. Despite all this added commerce and housing, few if any improvements have been made to/in El Cerrito. Most of us in the neighborhood are not concerned with the type of business that is being proposed. It is the increased traffic which will cause more danger to the neighborhood and more accidents.

At the May 17, 2023 Riverside County Planning Commission Meeting, the Chair of the Planning Department, Gary Thornhill, shocked the audience when he said as he was voting on the issue that he avoids El Cerrito at all costs nowadays because the traffic is so terrible and it's a mess. He said that as he voted "Yes" on the project. I have to say that we El Cerrito residents were really dismayed by that comment prior to his yes vote because it showed a total lack of regard for those of us who bought homes and live in El Cerrito, and it showed a lack of respect for us and our community. He does not care if his vote piles on traffic in our community because he avoids us at all costs. It is his job to plan our communities in a way that is safe for the residents and a way that is safe for those coming from elsewhere to the community. Perhaps I am missing something but I believe that Mr. Thornhill did not consider our safety when he voted "Yes" on the CUP.

To quote so many others who stand with us in our objection to the CUP, including Jannlee Watson, former mayor and current City of Corona Council Member, Wes Speake, and head of Transportation for the County of Riverside, Mark Lancaster. I have a copy of an email from Mr. Lancaster to El Cerrito resident, Lovetta Ward dated June 5, 2023, stating he cannot support the CUP until THC is widened.

Thank you for your time regarding this matter.

Sincerely,
Robin Steele
El Cerrito Resident

My family and neighbors are against the CUP 190010 for many reasons. Just want to make sure this is the current email to get to Karen Spiegel and the Board of Supervisors. ?

My name is Brenden Archuleta I live behind Catalano Motors. We oppose it for many reasons.

1- it backs up to residences.

2-getting rear ended is real! every time we slow down to turn the people behind us are in such a hurry cutting thru our town on Rural road with No turn lanes.

3- high volume traffic of cars not from the area we have NO sidewalks, curbs, street lights or turn lanes.

The woman on the corner house at Jolora and Temescal canyon road was run over and left for dead and did pass.

4-daily when Temescal is backed up then cars that are in a hurry come down coronita, Arcadia, Jolora and francisca to try an faster route. We are still a Rural Community without modern improvements and yet all the large communities added around us are literally killing us. Yikes.

This petition is to voice our concern about and disapproval of the below request to the planning commission for a cannabis business. The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial (C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. Variance No. 210103 is a request to allow for a shorter distance, (990 feet) from the required 1,000 feet from sensitive land uses per Ordinance 348 – APN: 277-110-040, 277-110-017, 277-110-015.

This petition is to voice our concern about and disapproval of the below request to the planning commission for a cannabis business. The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial

(C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. Variance No. 210103 is a request to allow for a shorter distance, (990 feet) from the required 1,000 feet from sensitive land uses per Ordinance 348 – APN: 277-110-040, 277-110-017, 277-110-015.

Do not approve of drug sales AND drug use around children. We cannot be naive to think that legal sales brings forth a group of safe and decent behavior and activity. Drugs are drugs. They alter the mind and body. They attract crime; users and sellers lack judgment in their actions. All of which is a recipe for putting children in danger. Dispensaries are often robbed, not only for drugs but because they have large sums of cash. That equates to potential reckless driving, gun fire, police activity in the vicinity of schools w/ children at play. It's a risk to children's lives and safety. Safety must outweigh any potential business benefit especially to a storefront that may not have longevity given the risks of its industry. Drugs should not be accessible to minors. This store creates increased exposure to drug sales, drug users, driving while under the influence of drugs, potential sales to minors. It is unsafe and will also diminish the reputation of the schools and community.

(C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. Variance No. 210103 is a request to allow for a shorter distance, (990 feet) from the required 1,000 feet from sensitive land uses per Ordinance 348 – APN: 277-110-040, 277-110-017, 277-110-015.

This petition is to voice our concern about and disapproval of the below request to the planning commission for a cannabis business. The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial (C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. This petition is to voice our concern about and disapproval of the below request to the planning commission for a cannabis business. The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial

The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial (C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. Variance No. 210103 is a request to allow for a shorter distance, (990 feet) from the required 1,000 feet from sensitive land uses per Ordinance 348 – APN: 277-110-040, 277-110-017, 277-110-015.

There are plenty of places in the county already used for dispensing cannabis (unfortunately). There is no reason to place another so close to a school. Our kids should be protected from this rather than exposed to it.

Please take into consideration the children. There are many other locations and disheartened that you are this business so close to a school yard. I will be forced to pull my children from school and all community approved.

This petition is to voice our concern about and disapproval of the below request to the planning commission for a cannabis business. The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial

(C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. Variance No. 210103 is a request to allow for a shorter distance, (990 feet) from the required 1,000 feet from sensitive land uses per Ordinance 348 – APN: 277-110-040, 277-110-017, 277-110-015.

This petition is to voice our concern about and disapproval of the below request to the planning commission for a cannabis business. The proposed location is too close to Olive Branch Church & School (7702 El Cerrito Road, Corona, CA 92881) and El Cerrito Middle School (7610 El Cerrito Road), which is less than the REQUIRED 1000 feet from our establishments. Our main concern is safety for our students, our local community, and the unsafe drivers that so often accompany such establishments.

CONDITIONAL USE PERMIT NO. 190010, DEVELOPMENT AGREEMENT NO. 1900006, VARIANCE NO. 210103 — CEQ190072 Applicant: Derek Catalano – Second Supervisorial District – El Cerrito Zoning District – Temescal Canyon Area Plan: Community Development: Commercial Retail (CD:CR) (0.20 – 0.35 FAR) – Location: North of Jolora Avenue, east of Temescal Canyon Road, south of El Cerrito Rd, and west of Arcadia St – 0.54 Acre – Zoning: General Commercial

(C-1/C-P) – REQUEST: Conditional Use Permit No. 190010 proposes to use an existing building as a storefront for a retail cannabis business with existing parking. Development Agreement No. 1900006 would impose a lifespan on the proposed cannabis project and provide community benefit to the Temescal Canyon Area. Variance No. 210103 is a request to allow for a shorter distance, (990 feet) from the required 1,000 feet from sensitive land uses per Ordinance 348 – APN: 277-110-040, 277-110-017, 277-110-015.

My complaint isn't against a cannabis business, but that it would be located too close to our church and school. There are families with children of all ages that could be affected by this business in close proximity.

Dear Jose,

This is absolutely the worst idea yet! How could the city even consider opening a cannabis facility so close to a school? I will be at the hearing on August 1st, along with others to voice our concerns. In addition, I plan to blast this absurd "proposed" idea on social media encouraging residents to voice their concerns and opinions. I've called your phone number many times, however each time it goes straight to VM. I'm sure you may be getting an increase in calls, so figured I would email you instead. I did call your office and left a message for Tom Ketcham. I hope you can understand our concerns as parents, who's children attend Olive Branch and safety is our number one priority. This will not be good for the school or church. Please reconsider the location of this proposal.

Please feel free to reach out to me with any questions you may have.

Kind regards,

Caroline Hulshof

Importance: High

Ron,

I believe what Nelly is looking for is the signed Applicant/Property Ownership form filled for all parcels that will be a part of the Grading EA & Geo. Agreed, that Pacific Global Development LLC sold to your family trust (a.k.a you).

So per the Grant Deeds provided we see ownership as the following:

377-372-008, 012, 036, 037 = Ron & Heather Burek Living Trust

377-372-009, 035, 039 = De La Herran Revocable Living Family Trust

See the link below and have the authorized signers for both Trusts fill out the Property Owner Signature Form.

<https://planning.rctlma.org/sites/g/files/aldnop416/files/migrated/Portals-14-devproc-apps-2020--Applicant-Property-Owner-Signature-Form.pdf>

Once we have those we can create the Grading EA & Geo case, get them paid, and then get them assigned to a planner.

Hope this is helpful. Thank you

Kind Regards,

Tim Wheeler

Nelly,

As per my last email do you need the Trust documents? You request LLC documents being required but there is no LLC ownership of any of the properties. Pacific Global Development LLC was the seller of the properties we purchased as shown in the Grant Deed.

Let me know as soon as you can.

Hi Ron,

We received an online application through Rivco Plus, unfortunately the submittal is incomplete, please find application forms attached or you can access them on our website at the link below.

<https://planning.rctlma.org/Development-Process/Applications>

You will need a **Applicant Property Owner** form signed from the 2 different property owner (Pacific Global Development, LLC and Adolfo De La Herran and Nora Patricia De La Herran, Trustee of the De La Herran Revocable Living Family Trust)

Also, provide LLC documentation to verify authorized signer.

Please upload directly to PLUS Online when the forms are completed, along with the appropriate exhibits.

There are filing instructions in our website as well, thank you.

Kind Regards

Nelly,

Thank you for getting back timely. The reason for the planning application is to satisfy the email below which is a result of a rough grading plan we had submitted.

What we need from Planning is whatever is required to move the rough grading plan application forward. We are not proposing any structures or uses at this time, those would come later with a precise grading plan. To answer your question, if what is required is a grading environmental assessment then yes. If it isn't what is required by planning then no.

Three of the parcels are owned by Adolfo De La Herran and his family trust (who is copied on this email), the other 4 parcels are owned by ourself through our family trust. Please confirm if all that is required is the attached Grant Deeds showing our ownership or do you also need a copy of the trusts?

Just want to make sure we get you everything you need to satisfy Planning so Building can start on the rough grading plan review.

Thank you,
Ron Burek

Good morning,

After review of your online submittal OAPT2302027, we cannot locate a planning case for this proposed development. Please reach out to the Planning Department. Once you have a paid planning case, you can submit your project to us via concurrent processing. Please review the form attached to the email.

Regards,

Hi Ron,

We received an online application through Rivco Plus and we have a few questions and need further documentation before we can move forward.

We would like to confirm that you are applying for a grading environmental assesement for this project. Are you the owner for all 7 parcels? If so, please provide copy of grand deeds showing ownership, our system is months behind and they show different ownership for each parcel. If ownership is under an LLC, also provide the proof of authorized agent for the LLC.

Please upload directly to PLUS Online when the forms are completed, along with the appropriate exhibits.

Kind Regards

Donated time is not permitted during Public Comment.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin to flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. *Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.*

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman, may result in removal from the Board Chambers by Sheriff Deputies.

Riverside County Board of Supervisors Request to Speak

Submit request to Clerk of Board (right of podium), Speakers are entitled to three (3) minutes, subject to Board Rules listed on the reverse side of this form.

SPEAKER'S NAME: RICHARD R. RICE

Address: 1064 EL CAMINO REAL, STE B121

City: ENCINITAS CA Zip: 92024

Phone #: 760.943.0150

Date: 08/08/23 Agenda # 21.2

PLEASE STATE YOUR POSITION BELOW:

Position on "Regular" (non-appealed) Agenda Item:

Support Oppose Neutral

Note: If you are here for an agenda item that is filed for "Appeal", please state separately your position on the appeal below:

Support Oppose Neutral

I give my 3 minutes to: _____

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda/Public Comment:

Notwithstanding any other provisions of these rules, a member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES. Donated time is not permitted during Public Comment.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin to flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman, may result in removal from the Board Chambers by Sheriff Deputies.

Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin to flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman, may result in removal from the Board Chambers by Sheriff Deputies.

I live on Carmelita Avenue, with my daughter and our 4 horses. We moved to our ranch 12 years ago. At that time, I was excited for our little "country road" that I thought TCR was to be, especially after seeing as there is a horse crossing sign out on TCR.

I would put my daughter on her horse and lead them down to the Circle K on the corner of El Cerrito and TCR to get a drink and some ice cream and then we would walk home on the dirt path that ran alongside TCR. That was 2012.

Today, walking the horses on TCR would be hugely irresponsible of me and dangerous to myself and my animals as the traffic has increased tremendously but the quality of the road has significantly decreased. Drivers come off the freeway and continue to drive at freeway speeds, making it impossible for me to even pull my horse trailer out of my neighborhood at times, let alone walk with them. I have experienced more than once, when slowing with my directional on to make a left into my neighborhood with my horses, drivers behind me almost hitting my trailer because they are not paying attention and driving too fast, slamming on their horns in frustration for having to wait, or worse, attempting to pass me on the dirt path pedestrians use.

My daughter has grown up in this neighborhood. She attended Wilson ES from Kinder to 6th grade. Wilson is in Eagle Glen, requiring me to make a left onto TCR towards Cajalco. From Kinder through second grade it was not that difficult. After that, many mornings the traffic made it impossible to turn left and we would be stuck going right on TCR to u-turn at El Cerrito.

She is now attending El Cerrito Middle School. Although she does not walk home, she does walk to the gas station to meet me. Everyday I hold my breath, as the crossing guard works to get all of those children across the street safely, as so many vehicles do not slow down or try and beat the yellow light so they do not get stuck waiting. Several of her friends do walk TCR to get home and have shared that Catalano Motors parks their vehicles for sale on the dirt path, forcing them to walk into the street to pass.

My country road has become an overly congested road where literally no driver obeys the speed limit.

For these reasons, I strongly oppose the opening of a retail shop at 19700 Temescal Canyon Road. It is a high-volume business that will generate even more traffic on a roadway that currently only has two lanes, no curbs, and no sidewalks and high speed, high volume traffic coming through all hours of the day.

From what I understand, the county is now preparing for the widening of TCR through El Cerrito. It makes good sense to at least postpone the approval of any retail shops in this area until after the widening is completed.

On Tue, Aug 1, 2023 at 8:45 AM

Good morning,

I planned on attending the vote this morning, but I am not able to make it. I want to strongly object to the project to allow a Marijuana Dispensary on Temescal Canyon Road.

I live near the proposed site, and it is already a traffic nightmare with everyone using our road to bypass I-15 traffic. A tiny two lane road in an unincorporated area was not meant to be this busy. Accidents and fatalities are too common in the area.

We have two schools in the area with children who frequently go to the Circle-K which is feet away from this proposed site for a Marijuana dispensary. We tell our children to say no to drugs, then we put drugs within walking distance to them. We are exposing them and desensitizing them to harmful substances, for money.

And there is crime. There has not been one city, not one, that has not reported significant increase in crime wherever a dispensary is opened. studies from the state of Colorado, New Jersey and our own state shows that police report increase in Burglary, Robert, assaults. This project is being proposed in our city because the City of Corona has the sense to say NO to all request to opened one. And now problems with traffic and crime that the city of Corona would not stand for are being proposed for El Cerrito.

No to this ill proposed project. No a marijuana dispensary near our schools. No to more traffic and no to increased crime in our neighborhoods. I implore the board to vote NO.

Sincerely,

Jo Schwarz

Board of Supervisors Riverside County

RE: Public Hearing August 1, 2023 at 10 AM

Conditional Use Permit No. 190010

Subject: Opposition to Proposed Cannabis Dispensary in Our Neighborhood

To All Members of the Board of Supervisors,

I hope this letter finds you well. I am writing to express my deep concern and opposition regarding the proposed establishment of a cannabis dispensary in our neighborhood. As a resident of this community, I feel it is crucial to voice my apprehensions and highlight the potential negative consequences associated with such an establishment in this location.

First and foremost is the traffic issue. This portion of Temescal Canyon Road is only 2 lanes and is a natural chokepoint. The 15 freeway and Temescal Canyon Rd. are the only north/south routes through this corridor as there are no alternate side streets to disburse excess traffic. The freeway is currently woefully inadequate to handle the amount of traffic it serves, so it slows to a crawl every single day. Trying to avoid this congestion, drivers exit the freeway and use Temescal Canyon Rd. All this excess traffic then sits bumper to bumper creeping along Temescal Canyon Rd and the situation is exacerbated by the fact that there are only 2 lanes through this portion. There is also very heavy large truck traffic in the area due to the nearby mining operations and landfill. Additionally, there are no sidewalks here for pedestrians. This situation already makes navigating through this area a misery for the drivers and hazardous for pedestrians. Residents can no longer drive through their own neighborhood without encountering heavy traffic and delays. The addition of a business which creates a high volume of in-and-out traffic in this area is shortsighted to say the least, causing additional dangers to drivers and pedestrians in the area.

I'd also like to point out there are two bus stops in this area for middle and elementary school students. It is already so dangerous for these children since there are no sidewalks and no crosswalks. Again, adding more "quick trip" traffic to a business in this area only increases the danger to our children. Where is the concern for the children and their safety?

Another major concern is the proximity of this location to schools and a major sports park. Olive Branch Church school, on the corner of El Cerrito Rd and Temescal Canyon Rd, serves pre-school through 8th grade children. El Cerrito Middle School, adjacent to Olive Branch on El Cerrito Rd., is for children in 6th through 8th grades. El Cerrito Sports Park, next to the middle school, is used by families and many youth sports teams. The establishment of a dispensary may inadvertently normalize the use of cannabis, potentially undermining the efforts of parents, schools, and other community organizations in promoting a drug-free and healthy lifestyle. Also, studies have shown that it is not unusual for illegal drug dealers to purchase cannabis legally and then resell their purchases to local juveniles. It seems very ill advised to put this dispensary so close to three locations where children are present daily.

Finally, the presence of a cannabis dispensary in close proximity to our homes raises concerns regarding the safety and security of our neighborhood. While I understand that the regulatory framework around cannabis dispensaries has improved over time, it is important to note that the sale and consumption of cannabis can still attract criminal activities. It is not unusual for dispensaries to be robbed at gunpoint, not only for the product but for the large amounts of cash these businesses generate and cannot legally handle the same way other businesses do. The potential for increased crime, theft, and associated risks cannot be overlooked, and it could have a detrimental impact on the peace and tranquility of our community.

In light of these concerns, I respectfully request that you consider the voices and opinions of the residents in our neighborhood who oppose the establishment of this cannabis dispensary. I kindly ask that you take these points into serious consideration and oppose the proposal to establish a cannabis dispensary in our neighborhood. Instead, let us focus on traffic initiatives and the type of businesses that contribute positively to our community's growth, well-being, and cohesiveness.

Sincerely,

Mary Gehley

The Clerk of the Board has received your public comments and will forward them to the Board of Supervisors. If you wish to call in and speak at the Board of Supervisors meeting, please select <https://rivcocob.org/request-to-speak> and fill out the request to speak form.

Honorable Supervisors:

Residents of the unincorporated El Cerrito area have asked very little from the county in recent years. Their primary concern has been with Temescal Canyon Road, a centuries-old roadway that was paved almost 100 years ago and hasn't been widened since that time.

It has no curbs or sidewalks and is the only east-west street through the community. Almost all residents must use it when leaving or returning to their homes, and with a little over 1,400 households (U.S. Census Bureau), estimating two cars to a household, that alone puts many vehicles on that narrow, 2-lane roadway. Add to that the cut-through traffic anytime an accident backs up the I-15 freeway, and the 2.19 injury accidents (CHP statistics) per month occurring in that almost 1-mile stretch, you have a citizenry that is both angry and frustrated.

While residents are grateful to Supervisor Spiegel for making the widening effort official for Temescal

Canyon Road, residents know this will not happen overnight. But if they must wait, shouldn't new businesses wait as well? To now approve a new business that will bring more vehicular traffic to El Cerrito -- in essence, isn't the county making the situation worse before it can be made better?

It's commendable the applicant has offered to pay the county an additional \$200,000 per year above the mandatory annual public benefit payments. If he/she can afford that amount of money, it shows how lucrative this business will be. Many customers are anticipated -- all driving vehicles that will worsen the traffic situation.

Please do not approve this business until the road is widened. Or, if you approve it now, please do so with the condition it cannot open doors until Temescal Canyon Road is widened.

Finally, please investigate placing a business moratorium on this stretch of the roadway until after the widening. I do believe as County Supervisors you have an obligation (within reason) to residents first, not to businesses.

Thank you ...

Jannlee Watson
Temescal Valley

P.S. Temescal Valley parents use this route when driving their students to El Cerrito Middle and Santiago High schools. Traffic on the roadway became worse last year when the local school district moved 304 (CNUSD numbers) 7th and 8th grade students from Todd Academy in Temescal Valley to El Cerrito Middle School.
