C.E.O. RECOMMENDATION:

BACKGROUND:

Summary

Subject to Minute Order 3.19, the following incidents are recommended for closure as detailed.

The Fraud, Waste and Abuse Prevention Committee, comprised of County Counsel, Human Resources, and the Auditor-Controller, reviews and approves reports for closure on a quarterly basis. The basis for closing incident reports include referrals to other departments with their own administrative procedures, insufficient information, or upon conclusion of the investigation.

Since implementation of the Fraud, Waste and Abuse Prevention Program in September 2009, the County's Auditor-Controller's Office has received and closed 843 incident reports. Pursuant to California Government Code Section 53087.6, each report is reviewed and investigated by the Auditor-Controller's Office or distributed to the affected department head and/or the human resources team assigned for the investigation and action. If necessary, certain incidents are reported to the District Attorney's Office.
