BACKGROUND:

Summary

Sections 29100, 29101 and 29102 of the Government Code require the Board of Supervisors to adopt the tax rates and the levy of taxes for the County, School Districts, Cities and Special Districts on the Secured Tax Roll for each year.

In accordance with Section 29103 of the Government Code, the Office of the Auditor-Controller completed calculation and review of the required tax rates to be applied on the 2023/2024 County Secured Assessment Roll based on current law.

In accordance with Section 29106 of the Government Code, the Office of the Auditor-Controller now submits the attached listing of the 2023/2024 tax rates for adoption by the Board and for the levy of tax by the Board.

Impact on Residents and Businesses

Pursuant to Government Code §29100, the Board of Supervisors is required to adopt the current year's tax rates on or before October 3rd. Residents and businesses with a taxable interest in property would be subject to tax bill amount based on the Board's adoption of the tax rates and levying for the Secured Tax Roll for this Tax year. Residents and business will likewise benefit from the government services funded by the tax revenues generated by this process.

Contract History and Price Reasonableness

The tax rates calculated are based on state law. Debt service tax rates (debt rates) are the vehicle for raising the amount of taxes needed to pay an annual principal and interest payment on voter-approved indebtedness.
