BACKGROUND:

Summary

Pulte Home Company, LLC (Developer) is developing a community commonly known as Summit Canyon (Project) located along Pigeon Pass Road in the unincorporated area of the County of Riverside (County). This Project includes Tract No. 33410, which consists of one hundred thirty-eight (138) single-family residential homes.

The Developer is conditioned to construct road improvements along Pigeon Pass Road from Highgrove Pass Road consisting of one (1) southbound lane of approximately 1,635 linear feet and one (1) northbound lane of approximately 1,635 linear feet including curb and gutter, and sidewalk improvements along the frontage of the Project. This segment of Pigeon Pass Road is identified in the Western Riverside Council of Governments (WRCOG) Transportation Uniform Mitigation Fee (TUMF) Regional System of Highways and Arterials and is among those facilities whose improvements are to be financed partly by the collection of WRCOG TUMF. The proposed TUMF Improvement and Credit/Reimbursement Agreement (TUMF Agreement) would allow Developer to receive TUMF credits for the improvements to Pigeon Pass Road.

The Developer, WRCOG, and the County desire to enter into this TUMF Agreement to provide a means by which the Developer's eligible costs for construction of certain road improvements are offset against the Developer's obligation to pay the applicable TUMF fees for the Project. Upon completion of improvements, acceptance by the County, and verification of actual costs, the County Transportation Department will determine the actual credits due to the Developer.

Impact on Residents and Businesses

Pigeon Pass Road is identified in the County's General Plan Circulation Element and the improvements to this road will improve traffic flow and help to mitigate traffic impacts in this vicinity.

**IMPROVEMENT AND CREDIT / REIMBURSEMENT AGREEMENT
TRANSPORTATION UNIFORM MITIGATION FEE PROGRAM**

This **IMPROVEMENT AND CREDIT AGREEMENT** ("Agreement") is entered into this 12 day of September, 2023 (the "Effective Date") by and between the County of Riverside, a political subdivision of the State of California ("AGENCY"), the Western Riverside Council of Governments, a joint powers Agency, ("WRCOG") and Pulte Home Company, LLC, a Michigan limited liability company, with its principal place of business at 27401 Los Altos, Suite 400, Mission Viejo, CA, 92691 ("Developer"). AGENCY, WRCOG, and Developer are sometimes hereinafter referred to individually as "Party" and collectively as "Parties".

RECITALS

WHEREAS, Developer owns 45.57 acres of real property located within the AGENCY of Riverside County, California, which is more specifically described in the legal description set forth in Exhibit "A", attached hereto and incorporated herein by this reference ("Property");

WHEREAS, Developer has requested from AGENCY certain entitlements and/or permits for the construction of improvements on the Property, which are more particularly described as Summit Canyon, a total of one hundred thirty-eight (138) single-family residential units in Tract No. 33410 ("Project");

WHEREAS, the AGENCY is a member agency of WRCOG, a joint powers agency comprised of the County of Riverside and 18 cities located in Western Riverside County. WRCOG is the administrator for the Transportation Uniform Mitigation Fee ("TUMF") Program;

WHEREAS, as part of the TUMF Program, the AGENCY has adopted "Transportation Uniform Mitigation Fee Nexus Study: 2016 Update" ("2016 Nexus Study")

WHEREAS, as a condition to AGENCY's approval of the Project, AGENCY has required Developer to construct certain street and transportation system improvement(s) of regional importance ("TUMF Improvements");

WHEREAS, pursuant to the TUMF Program, the AGENCY requires Developer to pay the TUMF which covers the Developer's fair share of the costs to deliver those TUMF Improvements that help mitigate the Project's traffic impacts and burdens on the Regional System of Highways and Arterials (also known as the "TUMF Network"), generated by the Project and that are necessary to protect the safety, health and welfare of persons that travel to and from the Project using the TUMF Network;

WHEREAS, the TUMF Improvements have been designated as having Regional or Zonal Significance as further described in the 2016 Nexus Study and the 5 year Transportation Improvement Program as may be amended;

WHEREAS, AGENCY, WRCOG, and Developer now desire to enter into this Agreement for the following purposes: (1) to provide for the timely delivery of the TUMF Improvements, (2) to ensure that delivery of the TUMF Improvements is undertaken as if the TUMF Improvements

were constructed under the direction and authority of the AGENCY, (3) to provide a means by which the Developer's costs for project delivery of the TUMF Improvements and related right-of-way is offset against Developer's obligation to pay the applicable TUMF for the Project in accordance with the TUMF Administrative Plan adopted by WRCOG, and (4) to provide a means, subject to the separate approval of WRCOG, for Developer to be reimbursed to the extent the actual and authorized costs for the delivery of the TUMF Improvements exceeds Developer's TUMF obligation.

NOW, THEREFORE, for the purposes set forth herein, and for good and valuable consideration, the adequacy of which is hereby acknowledged, Developer and AGENCY hereby agree as follows:

TERMS

1.0 Incorporation of Recitals. The Parties hereby affirm the facts set forth in the Recitals above and agree to the incorporation of the Recitals as though fully set forth herein.

2.0 Construction of TUMF Improvements. Developer shall construct or have constructed at its own cost, expense, and liability certain street and transportation system improvements generally described as the construction of Pigeon Pass Road from Highgrove Pass Road one (1) southbound lane of approximately one thousand six hundred thirty-five (1,635) linear feet and one (1) northbound lane of approximately one thousand six hundred thirty-five (1,635) linear feet including curb and gutter, and sidewalk on the east side of the constructed Pigeon Pass Road, and as shown more specifically on the plans, profiles, and specifications which have been or will be prepared by or on behalf of Developer and approved by AGENCY, and which are incorporated herein by this reference ("TUMF Improvements"). Construction of the TUMF Improvements shall include any transitions and/or other incidental work deemed necessary for drainage or public safety. Developer shall be responsible for the replacement, relocation, or removal of any component of any existing public or private improvement in conflict with the construction or installation of the TUMF Improvements. Such replacement, relocation, or removal shall be performed to the complete satisfaction of AGENCY and the owner of such improvement. Developer further promises and agrees to provide all equipment, tools, materials, labor, tests, design work, and engineering services necessary to fully and adequately complete the TUMF Improvements.

2.1 Pre-approval of Plans and Specifications. Developer is prohibited from commencing work on any portion of the TUMF Improvements until all plans and specifications for the TUMF Improvements have been submitted to and approved by AGENCY. Approval by AGENCY shall not relieve Developer from ensuring that all TUMF Improvements conform with all other requirements and standards set forth in this Agreement.

2.2 Permits and Notices. Prior to commencing any work, Developer shall, at its sole cost, expense, and liability, obtain all necessary permits and licenses and give all necessary and incidental notices required for the lawful construction of the TUMF Improvements and performance of Developer's obligations under this Agreement. Developer shall conduct the work in full compliance with the regulations, rules, and other requirements contained in any permit or license issued to Developer.

2.3 Public Works Requirements. In order to insure that the TUMF Improvements will be constructed as if they had been constructed under the direction and supervision, or under the authority of, AGENCY, Developer shall comply with all of the following requirements with respect to the construction of the TUMF Improvements:

(a) Developer shall obtain bids for the construction of the TUMF Improvements, in conformance with the standard procedures and requirements of AGENCY, with respect to its public works projects, or in a manner which is approved by the Public Works Department.

(b) The contract or contracts for the construction of the TUMF Improvements shall be awarded to the responsible bidder(s) submitting the lowest responsive bid(s) for the construction of the TUMF Improvements.

(c) Developer shall require, and the specifications and bid and contract documents shall require, all such contractors to pay prevailing wages (in accordance with Articles 1 and 2 of Chapter 1, Part 7, Division 2 of the Labor Code) and to otherwise comply with applicable provisions of the Labor Code, the Government Code and the Public Contract Code relating to public works projects of cities/counties and as required by the procedures and standards of AGENCY with respect to the construction of its public works projects or as otherwise directed by the Public Works Department.

(d) All such contractors shall be required to provide proof of insurance coverage throughout the term of the construction of the TUMF Improvements which they will construct in conformance with AGENCY's standard procedures and requirements.

(e) Developer and all such contractors shall comply with such other requirements relating to the construction of the TUMF Improvements which AGENCY may impose by written notification delivered to Developer and each such contractor at any time, either prior to the receipt of bids by Developer for the construction of the TUMF Improvements, or, to the extent required as a result of changes in applicable laws, during the progress of construction thereof.

Developer shall provide proof to AGENCY, at such intervals and in such form as AGENCY may require that the foregoing requirements have been satisfied as to the TUMF Improvements.

2.4 Quality of Work; Compliance With Laws and Codes. The construction plans and specifications for the TUMF Improvements shall be prepared in accordance with all applicable federal, state and local laws, ordinances, regulations, codes, standards, and other requirements. The TUMF Improvements shall be completed in accordance with all approved maps, plans, specifications, standard drawings, and special amendments thereto on file with AGENCY, as well as all applicable federal, state, and local laws, ordinances, regulations, codes, standards, and other requirements applicable at the time work is actually commenced.

2.5 Standard of Performance. Developer and its contractors, if any, shall perform all work required, constructing the TUMF Improvements in a skillful and workmanlike manner, and consistent with the standards generally recognized as being employed by professionals in the same

discipline in the State of California. Developer represents and maintains that it or its contractors shall be skilled in the professional calling necessary to perform the work. Developer warrants that all of its employees and contractors shall have sufficient skill and experience to perform the work assigned to them, and that they shall have all licenses, permits, qualifications and approvals of whatever nature that are legally required to perform the work, and that such licenses, permits, qualifications and approvals shall be maintained throughout the term of this Agreement.

2.6 Alterations to TUMF Improvements. All work shall be done and the TUMF Improvements completed as shown on approved plans and specifications, and any subsequent alterations thereto. If during the course of construction and installation it is determined that the public interest requires alterations in the TUMF Improvements, Developer shall undertake such design and construction changes as may be reasonably required by AGENCY. Any and all alterations in the plans and specifications and the TUMF Improvements to be completed may be accomplished without first giving prior notice thereof to Developer's surety for this Agreement.

3.0 Maintenance of TUMF Improvements. AGENCY shall not be responsible or liable for the maintenance or care of the TUMF Improvements until AGENCY approves and accepts them. AGENCY shall exercise no control over the TUMF Improvements until accepted. Any use by any person of the TUMF Improvements, or any portion thereof, shall be at the sole and exclusive risk of Developer at all times prior to AGENCY's acceptance of the TUMF Improvements. Developer shall maintain all of the TUMF Improvements in a state of good repair until they are completed by Developer and approved and accepted by AGENCY, and until the security for the performance of this Agreement is released. It shall be Developer's responsibility to initiate all maintenance work, but if it shall fail to do so, it shall promptly perform such maintenance work when notified to do so by AGENCY. If Developer fails to properly prosecute its maintenance obligation under this section, AGENCY may do all work necessary for such maintenance and the cost thereof shall be the responsibility of Developer and its surety under this Agreement. AGENCY shall not be responsible or liable for any damages or injury of any nature in any way related to or caused by the TUMF Improvements or their condition prior to acceptance. In no event shall WRCOG be responsible for the maintenance, operation or care of the TUMF Improvements

4.0 Fees and Charges. Developer shall, at its sole cost, expense, and liability, pay all fees, charges, and taxes arising out of the construction of the TUMF Improvements, including, but not limited to, all plan check, design review, engineering, inspection, sewer treatment connection fees, and other service or impact fees established by AGENCY.

5.0 AGENCY Inspection of TUMF Improvements. Developer shall, at its sole cost, expense, and liability, and at all times during construction of the TUMF Improvements, maintain reasonable and safe facilities and provide safe access for inspection by AGENCY of the TUMF Improvements and areas where construction of the TUMF Improvements is occurring or will occur.

6.0 Liens. Upon the expiration of the time for the recording of claims of liens as prescribed by Sections 8412 and 8414 of the Civil Code with respect to the TUMF Improvements, Developer shall provide to AGENCY such evidence or proof as AGENCY shall require that all persons, firms and corporations supplying work, labor, materials, supplies and equipment to the construction of the TUMF Improvements, have been paid, and that no claims of liens have been recorded by or on behalf of any such person, firm or corporation. Rather than await the expiration of the said time

for the recording of claims of liens, Developer may elect to provide to AGENCY a title insurance policy or other security acceptable to AGENCY guaranteeing that no such claims of liens will be recorded or become a lien upon any of the Property.

7.0 Acceptance of TUMF Improvements; As-Built or Record Drawings. If the TUMF Improvements are properly completed by Developer and approved by AGENCY, and if they comply with all applicable federal, state and local laws, ordinances, regulations, codes, standards, and other requirements, AGENCY shall be authorized to accept the TUMF Improvements. AGENCY may, in its sole and absolute discretion, accept fully completed portions of the TUMF Improvements prior to such time as all of the TUMF Improvements are complete, which shall not release or modify Developer's obligation to complete the remainder of the TUMF Improvements. Upon the total or partial acceptance of the TUMF Improvements by AGENCY, Developer shall file with the Recorder's Office of the County of Riverside a Notice of Completion for the accepted TUMF Improvements in accordance with California Civil Code sections 8182, 8184, 9204, and 9208 ("Notice of Completion"), at which time the accepted TUMF Improvements shall become the sole and exclusive property of AGENCY without any payment therefore. Notwithstanding the foregoing, AGENCY may not accept any TUMF Improvements unless and until Developer provides one (1) set of "as-built" or record drawings or plans to the AGENCY for all such TUMF Improvements. The drawings shall be certified and shall reflect the condition of the TUMF Improvements as constructed, with all changes incorporated therein.

8.0 Warranty and Guarantee. Developer hereby warrants and guarantees all the TUMF Improvements against any defective work or labor done, or defective materials furnished in the performance of this Agreement, including the maintenance of the TUMF Improvements, for a period of one (1) year following completion of the work and acceptance by AGENCY ("Warranty"). During the Warranty, Developer shall repair, replace, or reconstruct any defective or otherwise unsatisfactory portion of the TUMF Improvements, in accordance with the current ordinances, resolutions, regulations, codes, standards, or other requirements of AGENCY, and to the approval of AGENCY. All repairs, replacements, or reconstruction during the Warranty shall be at the sole cost, expense, and liability of Developer and its surety. As to any TUMF Improvements which have been repaired, replaced, or reconstructed during the Warranty, Developer and its surety hereby agree to extend the Warranty for an additional one (1) year period following AGENCY's acceptance of the repaired, replaced, or reconstructed TUMF Improvements. Nothing herein shall relieve Developer from any other liability it may have under federal, state, or local law to repair, replace, or reconstruct any TUMF Improvement following expiration of the Warranty or any extension thereof. Developer's warranty obligation under this section shall survive the expiration or termination of this Agreement.

9.0 Administrative Costs. If Developer fails to construct and install all or any part of the TUMF Improvements, or if Developer fails to comply with any other obligation contained herein, Developer and its surety shall be jointly and severally liable to AGENCY for all administrative expenses, fees, and costs, including reasonable attorney's fees and costs, incurred in obtaining compliance with this Agreement or in processing any legal action or for any other remedies permitted by law.

10.0 Default; Notice; Remedies.

10.1 Notice. If Developer neglects, refuses, or fails to fulfill or timely complete any obligation, term, or condition of this Agreement, or if AGENCY determines there is a violation of any federal, state, or local law, ordinance, regulation, code, standard, or other requirement, AGENCY may at any time thereafter declare Developer to be in default or violation of this Agreement and make written demand upon Developer or its surety, or both, to immediately remedy the default or violation ("Notice"). Developer shall substantially commence the work required to remedy the default or violation within five (5) days of the Notice. If the default or violation constitutes an immediate threat to the public health, safety, or welfare, AGENCY may provide the Notice verbally, and Developer shall substantially commence the required work within twenty-four (24) hours thereof. Immediately upon AGENCY's issuance of the Notice, Developer and its surety shall be liable to AGENCY for all costs of construction and installation of the TUMF Improvements and all other administrative costs or expenses as provided for in this Section 10.0 of this Agreement.

10.2 Failure to Remedy; AGENCY Action. If the work required to remedy the noticed default or violation is not diligently prosecuted to a completion acceptable to AGENCY within the time frame contained in the Notice, AGENCY may complete all remaining work, arrange for the completion of all remaining work, and/or conduct such remedial activity as in its sole and absolute discretion it believes is required to remedy the default or violation. All such work or remedial activity shall be at the sole and absolute cost, expense, and liability of Developer and its surety, without the necessity of giving any further notice to Developer or surety. AGENCY's right to take such actions shall in no way be limited by the fact that Developer or its surety may have constructed any of the TUMF Improvements at the time of AGENCY's demand for performance. In the event AGENCY elects to complete or arrange for completion of the remaining work and the TUMF Improvements, AGENCY may require all work by Developer or its surety to cease in order to allow adequate coordination by AGENCY.

10.3 Other Remedies. No action by AGENCY pursuant to this Section 10.0 et seq. of this Agreement shall prohibit AGENCY from exercising any other right or pursuing any other legal or equitable remedy available under this Agreement or any federal, state, or local law. AGENCY may exercise its rights and remedies independently or cumulatively, and AGENCY may pursue inconsistent remedies. AGENCY may institute an action for damages, injunctive relief, or specific performance.

11.0 Security; Surety Bonds. Prior to the commencement of any work on the TUMF Improvements, Developer or its contractor shall provide AGENCY with surety bonds in the amounts and under the terms set forth below ("Security"). The amount of the Security shall be based on the estimated actual costs to construct the TUMF Improvements, as determined by AGENCY after Developer has awarded a contract for construction of the TUMF Improvements to the lowest responsive and responsible bidder in accordance with this Agreement ("Estimated Costs"). If AGENCY determines, in its sole and absolute discretion, that the Estimated Costs have changed, Developer or its contractor shall adjust the Security in the amount requested by AGENCY. Developer's compliance with this Section 11.0 et seq. of this Agreement shall in no way limit or modify Developer's indemnification obligation provided in Section 12.0 of this Agreement.

11.1 Performance Bond. To guarantee the faithful performance of the TUMF Improvements and all the provisions of this Agreement, to protect AGENCY if Developer is in default as set forth in Section 10.0 et seq. of this Agreement, and to secure the one-year guarantee and warranty of the TUMF Improvements, Developer or its contractor shall provide AGENCY a faithful performance bond in an amount which sum shall be not less than one hundred percent (100%) of the Estimated Costs. The AGENCY may, in its sole and absolute discretion, partially release a portion or portions of the security provided under this section as the TUMF Improvements are accepted by AGENCY, provided that Developer is not in default on any provision of this Agreement and the total remaining security is not less than one hundred percent (100%) of the Estimated Costs. All security provided under this section shall be released at the end of the Warranty period, or any extension thereof as provided in Section 11.0 of this Agreement, provided that Developer is not in default on any provision of this Agreement.

11.2 Labor & Material Bond. To secure payment to the contractors, subcontractors, laborers, materialmen, and other persons furnishing labor, materials, or equipment for performance of the TUMF Improvements and this Agreement, Developer or its contractor shall provide AGENCY a labor and materials bond in an amount which sum shall not be less than one hundred percent (100%) of the Estimated Costs. The security provided under this section may be released by written authorization of AGENCY after six (6) months from the date AGENCY accepts the TUMF Improvements. The amount of such security shall be reduced by the total of all stop notice or mechanic's lien claims of which AGENCY is aware, plus an amount equal to twenty percent (20%) of such claims for reimbursement of AGENCY's anticipated administrative and legal expenses arising out of such claims.

11.3 Additional Requirements. The surety for any surety bonds provided as Security shall have a current A.M. Best rating of at least "A" and FSC-VIII, shall be licensed to do business in California, and shall be satisfactory to AGENCY. As part of the obligation secured by the Security and in addition to the face amount of the Security, Developer, its contractor or the surety shall secure the costs and reasonable expenses and fees, including reasonable attorney's fees and costs, incurred by AGENCY in enforcing the obligations of this Agreement. Developer, its contractor and the surety shall stipulate and agree that no change, extension of time, alteration, or addition to the terms of this Agreement, the TUMF Improvements, or the plans and specifications for the TUMF Improvements shall in any way affect its obligation on the Security.

11.4 Evidence and Incorporation of Security. Evidence of the Security shall be provided on the forms set forth in Exhibit "B", unless other forms are deemed acceptable by the AGENCY, and when such forms are completed to the satisfaction of AGENCY, the forms and evidence of the Security shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

12.0 Indemnification. Developer shall defend, indemnify, and hold harmless AGENCY, the Western Riverside Council of Governments (WRCOG), their elected officials, board members, employees, and agents (collectively, "Indemnitees") from any and all actual or alleged claims, demands, causes of action, liability, loss, damage, or injury to property or persons, including wrongful death, whether imposed by a court of law or by administrative action of any federal, state, or local governmental agency, arising out of or incident to any acts, omissions, negligence, or willful misconduct of Developer, its employees, contractors, or agents in connection with the

performance of this Agreement, or arising out of or in any way related to or caused by the TUMF Improvements or their construction, maintenance or condition prior to AGENCY's approval and acceptance of the TUMF Improvements ("Claims"). This indemnification includes, without limitation, the payment of all penalties, fines, judgments, awards, decrees, attorney fees, and related costs or expenses, and the reimbursement of AGENCY, WRCOG, their elected officials, board members, employees, and/or agents for all legal expenses and costs incurred by each of them. This indemnification excludes only such portion of any Claim which is caused solely and exclusively by the negligence or willful misconduct of AGENCY as determined by a court or administrative body of competent jurisdiction.

Developer may adjust, settle, or compromise any such Claim only with prior consent of AGENCY. Any adjustment, settlement, or compromise shall not in any manner whatsoever limit or circumscribe Developer's indemnification obligations as set forth herein. No settlement on behalf of AGENCY shall be effective unless and until the settlement agreement is agreed to in writing by the Board of Supervisors on behalf of AGENCY.

Developer's indemnification obligations hereunder shall be satisfied when Developer has provided to AGENCY and WRCOG the appropriate form of dismissal (or similar document) relieving AGENCY or WRCOG from liability for the claim, proceeding or action involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe Developer's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve Developer from indemnifying indemnitees to the fullest extent allowed by law.

Developer's obligation to indemnify shall survive the expiration or termination of this Agreement, and shall not be restricted to insurance proceeds, if any, received by AGENCY, WRCOG, their elected officials, board members, employees, or agents.

13.0 Insurance.

13.1 Types; Amounts. Developer shall procure and maintain, and shall require its contractors to procure and maintain, during performance of this Agreement, insurance of the types and in the amounts described below ("Required Insurance"). If any of the Required Insurance contains a general aggregate limit, such insurance shall apply separately to this Agreement or be no less than two times the specified occurrence limit.

13.1.1 General Liability. Occurrence form general liability insurance at least as broad as Insurance Services Office Form CG 00 01, or equivalent form, with an occurrence limit of Two Million Dollars (\$2,000,000) and aggregate limit of Four Million Dollars (\$4,000,000) for bodily injury, personal injury, and property damage.

13.1.2 Business Automobile Liability. Business automobile liability insurance at least as broad as Insurance Services Office Form CA 00 01 (coverage symbol 1 – any auto), or

equivalent form, with a combined single limit of not less than Two Million Dollars (\$2,000,000) per occurrence and aggregate limit of Four Million Dollars (\$4,000,000). Such insurance shall include coverage for the ownership, operation, maintenance, use, loading, or unloading of any auto owned, leased, hired, or borrowed by the insured or for which the insured is responsible.

13.1.3 Workers' Compensation. Workers' compensation insurance with limits as required by the Labor Code of the State of California and employers' liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence and aggregate limit of Four Million Dollars (\$4,000,000), at all times during which insured retains employees.

13.1.4 Professional Liability. For any consultant or other professional who will engineer or design the TUMF Improvements, liability insurance for errors and omissions with limits not less than Two Million Dollars (\$2,000,000) per occurrence and aggregate limit of Four Million Dollars (\$4,000,000), shall be procured and maintained for a period of five (5) years following completion of the TUMF Improvements. Such insurance shall be endorsed to include contractual liability.

13.2 Deductibles. Any deductibles or self-insured retentions must be declared to and approved by AGENCY. At the option of AGENCY, either: (a) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects AGENCY, its elected officials, officers, employees, agents, and volunteers; or (b) Developer and its contractors shall provide a financial guarantee satisfactory to AGENCY guaranteeing payment of losses and related investigation costs, claims, and administrative and defense expenses.

13.3 Additional Insured; Separation of Insureds. The Required Insurance, except for the professional liability and workers' compensation insurance, shall name AGENCY, WRCOG, their elected officials, board members, officers, employees, and agents as additional insureds with respect to work performed by or on behalf of Developer or its contractors, including any materials, parts, or equipment furnished in connection therewith. For Required Insurance provided by Developer's contractors, WRCOG shall be added as an additional insured using ISO CG 2038 or an exact equivalent. The Required Insurance shall contain standard separation of insureds provisions and shall contain no special limitations on the scope of its protection to AGENCY, WRCOG, their elected officials, board members, officers, employees, or agents.

13.4 Primary Insurance; Waiver of Subrogation. The Required Insurance, except for the professional liability and workers' compensation insurance shall be primary with respect to any insurance or self-insurance programs covering AGENCY, WRCOG, their elected officials, board members, officers, employees, or agents. The Required Insurance, except for the professional liability insurance, shall provide that the insurance company waives all right of recovery by way of subrogation against AGENCY and WRCOG in connection with any damage or harm covered by such policy.

13.5 Certificates; Verification. Developer and its contractors shall furnish AGENCY with original certificates of insurance and endorsements effecting coverage for the Required Insurance. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements must be received and approved by AGENCY before work pursuant to this Agreement can begin.

AGENCY reserves the right to require complete, certified copies of all required insurance policies, at any time.

13.6 Term; Cancellation Notice. Developer and its contractors shall maintain the Required Insurance for the term of this Agreement and shall replace any certificate, policy, or endorsement which will expire prior to that date. All policies shall be endorsed to provide that the Required Insurance shall not be suspended, voided, reduced, canceled, or allowed to expire except on thirty (30) days' prior written notice to AGENCY. If such notice of cancellation endorsements are unavailable, Developer shall provide such thirty (30) days' written notice of cancellation.

13.7 Insurer Rating. Unless approved in writing by AGENCY, all Required Insurance shall be placed with insurers licensed to do business in the State of California and with a current A.M. Best rating of at least "A" and FSC-VIII.

14.0 TUMF Credit.

14.1 Developer's TUMF Obligation. Developer hereby agrees and accepts that as of the date of this Agreement, the amount Developer is obligated to pay to AGENCY pursuant to County Ordinance No. 824 as part of the TUMF Program is **ONE MILLION THREE HUNDRED NINETY-FOUR THOUSAND THREE HUNDRED FIFTY-TWO DOLLARS (\$1,394,352)** ("TUMF Obligation"). This TUMF Obligation shall be initially determined under the TUMF fee schedule in effect for the AGENCY at the time the Developer submits a building permit application for the TUMF Improvement. Notwithstanding, this TUMF Obligation does not have to be paid until the Certificate of Occupancy is obtained.

14.2 Fee Adjustments. Notwithstanding the foregoing, Developer agrees that this Agreement shall not estop AGENCY from adjusting the TUMF in accordance with the provisions of County Ordinance No. 824.

14.3 Credit Offset Against TUMF Obligation. Pursuant to County Ordinance No. 824 and in consideration for Developer's obligation under this Agreement for the delivery of TUMF Improvements, credit shall be applied by AGENCY to offset the TUMF Obligation ("Credit") subject to adjustment and reconciliation under Section 14.5 of this agreement. Developer hereby agrees that the amount of the Credit shall be applied after Developer has initiated the process of project delivery of TUMF Improvements to the lowest responsible bidder in accordance with this Agreement. Developer further agrees that the dollar amount of the Credit shall be equal to the lesser of: (A) the bid amount set forth in the contract awarded to the lowest responsible bidder, or (B) the unit cost assumptions for the TUMF Improvement in effect at the time of the contract award, as such assumptions are identified and determined in the most recent TUMF Nexus Study and the TUMF Administrative Plan adopted by WRCOG ("Unit Cost Assumptions").

The bid amount and the Unit Cost Assumptions shall hereafter be collectively referred to as "Estimated Credit" and is estimated in the attached Exhibit "G". At no time will the Credit exceed the Developer's TUMF Obligation. If the dollar amount of the Estimated Credit exceeds the dollar amount of the TUMF Obligation, Developer will be deemed to have completely satisfied its TUMF Obligation for the Project and may apply for a reimbursement agreement, to the extent applicable, as provided in Section 14.6 of this Agreement. If the dollar amount of the

Estimated Credit is less than the dollar amount of the TUMF Obligation, the Developer agrees the Credit shall be applied to offset the TUMF Obligation as follows:

(i) For residential units in the Project, the Credit shall be applied to all residential units to offset and/or satisfy the TUMF Obligation. The residential units for which the TUMF Obligation has been offset and/or satisfied by use of the Credit, and the amount of offset applicable to each unit, shall be identified in the notice provided to the Developer by AGENCY pursuant to this section.

(ii) For commercial and industrial structures in the Project, the Credit shall be applied to all commercial and industrial development to offset and/or satisfy the TUMF Obligation. The commercial or industrial structure(s) for which the TUMF Obligation has been offset and/or satisfied by use of the Credit, and the amount of offset applicable to such structure(s), shall be identified in the notice provided to the Developer by AGENCY pursuant to this section.

AGENCY shall provide Developer written notice of the determinations that AGENCY makes pursuant to this section, including how the Credit is applied to offset the TUMF Obligation as described above.

14.4 Verified Cost of the TUMF Improvements. Upon recordation of the Notice of Completion for the TUMF Improvements and acceptance of the TUMF Improvements by AGENCY, Developer shall submit to the AGENCY Public Works Director the information set forth in the attached Exhibit "C". The AGENCY Public Works Director, or his or her designee, shall use the information provided by Developer to calculate the total actual costs incurred by Developer in delivering the TUMF Improvements covered under this Agreement ("Verified Costs"). The AGENCY Public Works Director will use his or her best efforts to determine the amount of the Verified Costs and provide Developer written notice thereof within thirty (30) calendar days of receipt of all the required information from Developer. The AGENCY may request that WRCOG calculate the amount of the Verified Cost. In this case, the AGENCY shall provide WRCOG written notice and all necessary documentation and allow WRCOG fifteen (15) days to determine costs. AGENCY will notify the Developer within the previous thirty (30) day deadline.

14.5 Reconciliation; Final Credit Offset Against TUMF Obligation. The Developer is aware of and accepts the fact that Credits are speculative and conceptual in nature. The actual amount of Credit that shall be applied by AGENCY to offset the TUMF Obligation shall be equal to the lesser of: (A) the Verified Costs or (B) Unit Cost Assumptions for the TUMF Improvements as determined in accordance with Section 14.3 of this Agreement ("Actual Credit"). No Actual Credit will be awarded until the Verified Costs are determined through the reconciliation process. Please be advised that while a Developer may use an engineer's estimates in order to estimate Credits for project planning purposes, the Actual Credit awarded will only be determined by the reconciliation process.

(a) TUMF Balance. If the dollar amount of the Actual Credit is less than the dollar amount of the TUMF Obligation, the AGENCY Public Works Director shall provide written notice to Developer of the amount of the difference owed ("TUMF Balance") and

Developer shall pay the TUMF Balance in accordance with County Ordinance No. 824 to fully satisfy the TUMF Obligation (see Exhibit "F" - Example "A").

(b) TUMF Reimbursement. If the dollar amount of the Actual Credit exceeds the TUMF Obligation, Developer will be deemed to have fully satisfied the TUMF Obligation for the Project and may apply for a reimbursement agreement, to the extent applicable, as provided in Section 14.6 of this Agreement. AGENCY shall provide Developer written notice of the determinations that AGENCY makes pursuant to this section (see Exhibit "F" - Example "B").

(c) TUMF Overpayment. If the dollar amount of the Actual Credit exceeds the Estimated Credit, but is less than the TUMF Obligation, and the Actual Credit plus additional monies collected by AGENCY from Developer for the TUMF Obligation exceed the TUMF Obligation ("TUMF Overpayment"), Developer will be deemed to have fully satisfied the TUMF Obligation for the Project and may be entitled to a refund. The AGENCY's Public Works Director shall provide written notice to WRCOG and the Developer of the amount of the TUMF Overpayment and AGENCY shall direct WRCOG to refund the Developer in accordance with County Ordinance No. 824 (see Exhibit "F" - Example C)

14.6 Reimbursement Agreement. If authorized under either Section 14.3 or Section 14.5 Developer may apply to AGENCY and WRCOG for a reimbursement agreement for the amount by which the Actual Credit exceeds the TUMF Obligation, as determined pursuant to Section 14.3 of this Agreement, County Ordinance No 824, and the TUMF Administrative Plan adopted by WRCOG ("Reimbursement Agreement"). If AGENCY and WRCOG agree to a Reimbursement Agreement with Developer, the Reimbursement Agreement shall be executed on the form set forth in Exhibit "D," and shall contain the terms and conditions set forth therein. The Parties agree that the Reimbursement Agreement shall be subject to all terms and conditions of this Agreement, and that upon execution, an executed copy of the Reimbursement Agreement shall be attached hereto and shall be incorporated herein as a material part of this Agreement as though fully set forth herein.

15.0 Miscellaneous.

15.1 Assignment. Developer may, as set forth herein, assign all or a portion of its rights pursuant to this Agreement to a purchaser of a portion or portions of the Property ("Assignment"). Developer and such purchaser and assignee ("Assignee") shall provide to AGENCY such reasonable proof as it may require that Assignee is the purchaser of such portions of the Property. Any assignment pursuant to this Section shall not be effective unless and until Developer and Assignee have executed an assignment agreement with AGENCY in a form reasonably acceptable to AGENCY, whereby Developer and Assignee agree, except as may be otherwise specifically provided therein, to the following: (1) that Assignee shall receive all or a portion of Developer's rights pursuant to this Agreement, including such credit as is determined to be applicable to the portion of the Property purchased by Assignee pursuant to Section 14.0 et seq. of this Agreement, and (2) that Assignee shall be bound by all applicable provisions of this Agreement.

15.2 Relationship Between the Parties. The Parties hereby mutually agree that this Agreement shall not operate to create the relationship of partnership, joint venture, or agency

Nothing herein shall be deemed to make Developer or its contractors an agent or contractor of AGENCY. This Agreement shall be interpreted and administered in a manner consistent with the TUMF Administrative Plan in effect at the time this Agreement is executed.

15.3 Warranty as to Property Ownership; Authority to Enter Agreement. Developer hereby warrants that it owns fee title to the Property and that it has the legal capacity to enter into this Agreement. Each Party warrants that the individuals who have signed this Agreement have the legal power, right, and authority make this Agreement and bind each respective Party.

15.4 Prohibited Interests. Developer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Developer, to solicit or secure this Agreement. Developer also warrants that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for Developer, any fee, commission, percentage, brokerage fee, gift, or other consideration contingent upon the making of this Agreement. For breach of this warranty, AGENCY shall have the right to rescind this Agreement without liability.

**IMPROVEMENT AND CREDIT / REIMBURSEMENT AGREEMENT
TRANSPORTATION UNIFORM MITIGATION FEE PROGRAM**

This **IMPROVEMENT AND CREDIT AGREEMENT** ("Agreement") is entered into this 12 day of September, 2023 (the "Effective Date") by and between the County of Riverside, a political subdivision of the State of California ("AGENCY"), the Western Riverside Council of Governments, a joint powers Agency, ("WRCOG") and Pulte Home Company, LLC, a Michigan limited liability company, with its principal place of business at 27401 Los Altos, Suite 400, Mission Viejo, CA, 92691 ("Developer"). AGENCY, WRCOG, and Developer are sometimes hereinafter referred to individually as "Party" and collectively as "Parties".

RECITALS

WHEREAS, Developer owns 45.57 acres of real property located within the AGENCY of Riverside County, California, which is more specifically described in the legal description set forth in Exhibit "A", attached hereto and incorporated herein by this reference ("Property");

WHEREAS, Developer has requested from AGENCY certain entitlements and/or permits for the construction of improvements on the Property, which are more particularly described as Summit Canyon, a total of one hundred thirty-eight (138) single-family residential units in Tract No. 33410 ("Project");

WHEREAS, the AGENCY is a member agency of WRCOG, a joint powers agency comprised of the County of Riverside and 18 cities located in Western Riverside County. WRCOG is the administrator for the Transportation Uniform Mitigation Fee ("TUMF") Program;

WHEREAS, as part of the TUMF Program, the AGENCY has adopted "Transportation Uniform Mitigation Fee Nexus Study: 2016 Update" ("2016 Nexus Study")

WHEREAS, as a condition to AGENCY's approval of the Project, AGENCY has required Developer to construct certain street and transportation system improvement(s) of regional importance ("TUMF Improvements");

WHEREAS, pursuant to the TUMF Program, the AGENCY requires Developer to pay the TUMF which covers the Developer's fair share of the costs to deliver those TUMF Improvements that help mitigate the Project's traffic impacts and burdens on the Regional System of Highways and Arterials (also known as the "TUMF Network"), generated by the Project and that are necessary to protect the safety, health and welfare of persons that travel to and from the Project using the TUMF Network;

WHEREAS, the TUMF Improvements have been designated as having Regional or Zonal Significance as further described in the 2016 Nexus Study and the 5 year Transportation Improvement Program as may be amended;

WHEREAS, AGENCY, WRCOG, and Developer now desire to enter into this Agreement for the following purposes: (1) to provide for the timely delivery of the TUMF Improvements, (2) to ensure that delivery of the TUMF Improvements is undertaken as if the TUMF Improvements

were constructed under the direction and authority of the AGENCY, (3) to provide a means by which the Developer's costs for project delivery of the TUMF Improvements and related right-of-way is offset against Developer's obligation to pay the applicable TUMF for the Project in accordance with the TUMF Administrative Plan adopted by WRCOG, and (4) to provide a means, subject to the separate approval of WRCOG, for Developer to be reimbursed to the extent the actual and authorized costs for the delivery of the TUMF Improvements exceeds Developer's TUMF obligation.

NOW, THEREFORE, for the purposes set forth herein, and for good and valuable consideration, the adequacy of which is hereby acknowledged, Developer and AGENCY hereby agree as follows:

TERMS

1.0 Incorporation of Recitals. The Parties hereby affirm the facts set forth in the Recitals above and agree to the incorporation of the Recitals as though fully set forth herein.

2.0 Construction of TUMF Improvements. Developer shall construct or have constructed at its own cost, expense, and liability certain street and transportation system improvements generally described as the construction of Pigeon Pass Road from Highgrove Pass Road one (1) southbound lane of approximately one thousand six hundred thirty-five (1,635) linear feet and one (1) northbound lane of approximately one thousand six hundred thirty-five (1,635) linear feet including curb and gutter, and sidewalk on the east side of the constructed Pigeon Pass Road, and as shown more specifically on the plans, profiles, and specifications which have been or will be prepared by or on behalf of Developer and approved by AGENCY, and which are incorporated herein by this reference ("TUMF Improvements"). Construction of the TUMF Improvements shall include any transitions and/or other incidental work deemed necessary for drainage or public safety. Developer shall be responsible for the replacement, relocation, or removal of any component of any existing public or private improvement in conflict with the construction or installation of the TUMF Improvements. Such replacement, relocation, or removal shall be performed to the complete satisfaction of AGENCY and the owner of such improvement. Developer further promises and agrees to provide all equipment, tools, materials, labor, tests, design work, and engineering services necessary to fully and adequately complete the TUMF Improvements.

2.1 Pre-approval of Plans and Specifications. Developer is prohibited from commencing work on any portion of the TUMF Improvements until all plans and specifications for the TUMF Improvements have been submitted to and approved by AGENCY. Approval by AGENCY shall not relieve Developer from ensuring that all TUMF Improvements conform with all other requirements and standards set forth in this Agreement.

2.2 Permits and Notices. Prior to commencing any work, Developer shall, at its sole cost, expense, and liability, obtain all necessary permits and licenses and give all necessary and incidental notices required for the lawful construction of the TUMF Improvements and performance of Developer's obligations under this Agreement. Developer shall conduct the work in full compliance with the regulations, rules, and other requirements contained in any permit or license issued to Developer.

2.3 Public Works Requirements. In order to insure that the TUMF Improvements will be constructed as if they had been constructed under the direction and supervision, or under the authority of, AGENCY, Developer shall comply with all of the following requirements with respect to the construction of the TUMF Improvements:

(a) Developer shall obtain bids for the construction of the TUMF Improvements, in conformance with the standard procedures and requirements of AGENCY, with respect to its public works projects, or in a manner which is approved by the Public Works Department.

(b) The contract or contracts for the construction of the TUMF Improvements shall be awarded to the responsible bidder(s) submitting the lowest responsive bid(s) for the construction of the TUMF Improvements.

(c) Developer shall require, and the specifications and bid and contract documents shall require, all such contractors to pay prevailing wages (in accordance with Articles 1 and 2 of Chapter 1, Part 7, Division 2 of the Labor Code) and to otherwise comply with applicable provisions of the Labor Code, the Government Code and the Public Contract Code relating to public works projects of cities/counties and as required by the procedures and standards of AGENCY with respect to the construction of its public works projects or as otherwise directed by the Public Works Department.

(d) All such contractors shall be required to provide proof of insurance coverage throughout the term of the construction of the TUMF Improvements which they will construct in conformance with AGENCY's standard procedures and requirements.

(e) Developer and all such contractors shall comply with such other requirements relating to the construction of the TUMF Improvements which AGENCY may impose by written notification delivered to Developer and each such contractor at any time, either prior to the receipt of bids by Developer for the construction of the TUMF Improvements, or, to the extent required as a result of changes in applicable laws, during the progress of construction thereof.

Developer shall provide proof to AGENCY, at such intervals and in such form as AGENCY may require that the foregoing requirements have been satisfied as to the TUMF Improvements.

2.4 Quality of Work; Compliance With Laws and Codes. The construction plans and specifications for the TUMF Improvements shall be prepared in accordance with all applicable federal, state and local laws, ordinances, regulations, codes, standards, and other requirements. The TUMF Improvements shall be completed in accordance with all approved maps, plans, specifications, standard drawings, and special amendments thereto on file with AGENCY, as well as all applicable federal, state, and local laws, ordinances, regulations, codes, standards, and other requirements applicable at the time work is actually commenced.

2.5 Standard of Performance. Developer and its contractors, if any, shall perform all work required, constructing the TUMF Improvements in a skillful and workmanlike manner, and consistent with the standards generally recognized as being employed by professionals in the same

discipline in the State of California. Developer represents and maintains that it or its contractors shall be skilled in the professional calling necessary to perform the work. Developer warrants that all of its employees and contractors shall have sufficient skill and experience to perform the work assigned to them, and that they shall have all licenses, permits, qualifications and approvals of whatever nature that are legally required to perform the work, and that such licenses, permits, qualifications and approvals shall be maintained throughout the term of this Agreement.

2.6 Alterations to TUMF Improvements. All work shall be done and the TUMF Improvements completed as shown on approved plans and specifications, and any subsequent alterations thereto. If during the course of construction and installation it is determined that the public interest requires alterations in the TUMF Improvements, Developer shall undertake such design and construction changes as may be reasonably required by AGENCY. Any and all alterations in the plans and specifications and the TUMF Improvements to be completed may be accomplished without first giving prior notice thereof to Developer's surety for this Agreement.

3.0 Maintenance of TUMF Improvements. AGENCY shall not be responsible or liable for the maintenance or care of the TUMF Improvements until AGENCY approves and accepts them. AGENCY shall exercise no control over the TUMF Improvements until accepted. Any use by any person of the TUMF Improvements, or any portion thereof, shall be at the sole and exclusive risk of Developer at all times prior to AGENCY's acceptance of the TUMF Improvements. Developer shall maintain all of the TUMF Improvements in a state of good repair until they are completed by Developer and approved and accepted by AGENCY, and until the security for the performance of this Agreement is released. It shall be Developer's responsibility to initiate all maintenance work, but if it shall fail to do so, it shall promptly perform such maintenance work when notified to do so by AGENCY. If Developer fails to properly prosecute its maintenance obligation under this section, AGENCY may do all work necessary for such maintenance and the cost thereof shall be the responsibility of Developer and its surety under this Agreement. AGENCY shall not be responsible or liable for any damages or injury of any nature in any way related to or caused by the TUMF Improvements or their condition prior to acceptance. In no event shall WRCOG be responsible for the maintenance, operation or care of the TUMF Improvements

4.0 Fees and Charges. Developer shall, at its sole cost, expense, and liability, pay all fees, charges, and taxes arising out of the construction of the TUMF Improvements, including, but not limited to, all plan check, design review, engineering, inspection, sewer treatment connection fees, and other service or impact fees established by AGENCY.

5.0 AGENCY Inspection of TUMF Improvements. Developer shall, at its sole cost, expense, and liability, and at all times during construction of the TUMF Improvements, maintain reasonable and safe facilities and provide safe access for inspection by AGENCY of the TUMF Improvements and areas where construction of the TUMF Improvements is occurring or will occur.

6.0 Liens. Upon the expiration of the time for the recording of claims of liens as prescribed by Sections 8412 and 8414 of the Civil Code with respect to the TUMF Improvements, Developer shall provide to AGENCY such evidence or proof as AGENCY shall require that all persons, firms and corporations supplying work, labor, materials, supplies and equipment to the construction of the TUMF Improvements, have been paid, and that no claims of liens have been recorded by or on behalf of any such person, firm or corporation. Rather than await the expiration of the said time

for the recording of claims of liens, Developer may elect to provide to AGENCY a title insurance policy or other security acceptable to AGENCY guaranteeing that no such claims of liens will be recorded or become a lien upon any of the Property.

7.0 Acceptance of TUMF Improvements; As-Built or Record Drawings. If the TUMF Improvements are properly completed by Developer and approved by AGENCY, and if they comply with all applicable federal, state and local laws, ordinances, regulations, codes, standards, and other requirements, AGENCY shall be authorized to accept the TUMF Improvements. AGENCY may, in its sole and absolute discretion, accept fully completed portions of the TUMF Improvements prior to such time as all of the TUMF Improvements are complete, which shall not release or modify Developer's obligation to complete the remainder of the TUMF Improvements. Upon the total or partial acceptance of the TUMF Improvements by AGENCY, Developer shall file with the Recorder's Office of the County of Riverside a Notice of Completion for the accepted TUMF Improvements in accordance with California Civil Code sections 8182, 8184, 9204, and 9208 ("Notice of Completion"), at which time the accepted TUMF Improvements shall become the sole and exclusive property of AGENCY without any payment therefore. Notwithstanding the foregoing, AGENCY may not accept any TUMF Improvements unless and until Developer provides one (1) set of "as-built" or record drawings or plans to the AGENCY for all such TUMF Improvements. The drawings shall be certified and shall reflect the condition of the TUMF Improvements as constructed, with all changes incorporated therein.

8.0 Warranty and Guarantee. Developer hereby warrants and guarantees all the TUMF Improvements against any defective work or labor done, or defective materials furnished in the performance of this Agreement, including the maintenance of the TUMF Improvements, for a period of one (1) year following completion of the work and acceptance by AGENCY ("Warranty"). During the Warranty, Developer shall repair, replace, or reconstruct any defective or otherwise unsatisfactory portion of the TUMF Improvements, in accordance with the current ordinances, resolutions, regulations, codes, standards, or other requirements of AGENCY, and to the approval of AGENCY. All repairs, replacements, or reconstruction during the Warranty shall be at the sole cost, expense, and liability of Developer and its surety. As to any TUMF Improvements which have been repaired, replaced, or reconstructed during the Warranty, Developer and its surety hereby agree to extend the Warranty for an additional one (1) year period following AGENCY's acceptance of the repaired, replaced, or reconstructed TUMF Improvements. Nothing herein shall relieve Developer from any other liability it may have under federal, state, or local law to repair, replace, or reconstruct any TUMF Improvement following expiration of the Warranty or any extension thereof. Developer's warranty obligation under this section shall survive the expiration or termination of this Agreement.

9.0 Administrative Costs. If Developer fails to construct and install all or any part of the TUMF Improvements, or if Developer fails to comply with any other obligation contained herein, Developer and its surety shall be jointly and severally liable to AGENCY for all administrative expenses, fees, and costs, including reasonable attorney's fees and costs, incurred in obtaining compliance with this Agreement or in processing any legal action or for any other remedies permitted by law.

10.0 Default; Notice; Remedies.

10.1 Notice. If Developer neglects, refuses, or fails to fulfill or timely complete any obligation, term, or condition of this Agreement, or if AGENCY determines there is a violation of any federal, state, or local law, ordinance, regulation, code, standard, or other requirement, AGENCY may at any time thereafter declare Developer to be in default or violation of this Agreement and make written demand upon Developer or its surety, or both, to immediately remedy the default or violation (“Notice”). Developer shall substantially commence the work required to remedy the default or violation within five (5) days of the Notice. If the default or violation constitutes an immediate threat to the public health, safety, or welfare, AGENCY may provide the Notice verbally, and Developer shall substantially commence the required work within twenty-four (24) hours thereof. Immediately upon AGENCY’s issuance of the Notice, Developer and its surety shall be liable to AGENCY for all costs of construction and installation of the TUMF Improvements and all other administrative costs or expenses as provided for in this Section 10.0 of this Agreement.

10.2 Failure to Remedy; AGENCY Action. If the work required to remedy the noticed default or violation is not diligently prosecuted to a completion acceptable to AGENCY within the time frame contained in the Notice, AGENCY may complete all remaining work, arrange for the completion of all remaining work, and/or conduct such remedial activity as in its sole and absolute discretion it believes is required to remedy the default or violation. All such work or remedial activity shall be at the sole and absolute cost, expense, and liability of Developer and its surety, without the necessity of giving any further notice to Developer or surety. AGENCY’s right to take such actions shall in no way be limited by the fact that Developer or its surety may have constructed any of the TUMF Improvements at the time of AGENCY’s demand for performance. In the event AGENCY elects to complete or arrange for completion of the remaining work and the TUMF Improvements, AGENCY may require all work by Developer or its surety to cease in order to allow adequate coordination by AGENCY.

10.3 Other Remedies. No action by AGENCY pursuant to this Section 10.0 et seq. of this Agreement shall prohibit AGENCY from exercising any other right or pursuing any other legal or equitable remedy available under this Agreement or any federal, state, or local law. AGENCY may exercise its rights and remedies independently or cumulatively, and AGENCY may pursue inconsistent remedies. AGENCY may institute an action for damages, injunctive relief, or specific performance.

11.0 Security; Surety Bonds. Prior to the commencement of any work on the TUMF Improvements, Developer or its contractor shall provide AGENCY with surety bonds in the amounts and under the terms set forth below (“Security”). The amount of the Security shall be based on the estimated actual costs to construct the TUMF Improvements, as determined by AGENCY after Developer has awarded a contract for construction of the TUMF Improvements to the lowest responsive and responsible bidder in accordance with this Agreement (“Estimated Costs”). If AGENCY determines, in its sole and absolute discretion, that the Estimated Costs have changed, Developer or its contractor shall adjust the Security in the amount requested by AGENCY. Developer’s compliance with this Section 11.0 et seq. of this Agreement shall in no way limit or modify Developer’s indemnification obligation provided in Section 12.0 of this Agreement.

11.1 Performance Bond. To guarantee the faithful performance of the TUMF Improvements and all the provisions of this Agreement, to protect AGENCY if Developer is in default as set forth in Section 10.0 et seq. of this Agreement, and to secure the one-year guarantee and warranty of the TUMF Improvements, Developer or its contractor shall provide AGENCY a faithful performance bond in an amount which sum shall be not less than one hundred percent (100%) of the Estimated Costs. The AGENCY may, in its sole and absolute discretion, partially release a portion or portions of the security provided under this section as the TUMF Improvements are accepted by AGENCY, provided that Developer is not in default on any provision of this Agreement and the total remaining security is not less than one hundred percent (100%) of the Estimated Costs. All security provided under this section shall be released at the end of the Warranty period, or any extension thereof as provided in Section 11.0 of this Agreement, provided that Developer is not in default on any provision of this Agreement.

11.2 Labor & Material Bond. To secure payment to the contractors, subcontractors, laborers, materialmen, and other persons furnishing labor, materials, or equipment for performance of the TUMF Improvements and this Agreement, Developer or its contractor shall provide AGENCY a labor and materials bond in an amount which sum shall not be less than one hundred percent (100%) of the Estimated Costs. The security provided under this section may be released by written authorization of AGENCY after six (6) months from the date AGENCY accepts the TUMF Improvements. The amount of such security shall be reduced by the total of all stop notice or mechanic's lien claims of which AGENCY is aware, plus an amount equal to twenty percent (20%) of such claims for reimbursement of AGENCY's anticipated administrative and legal expenses arising out of such claims.

11.3 Additional Requirements. The surety for any surety bonds provided as Security shall have a current A.M. Best rating of at least "A" and FSC-VIII, shall be licensed to do business in California, and shall be satisfactory to AGENCY. As part of the obligation secured by the Security and in addition to the face amount of the Security, Developer, its contractor or the surety shall secure the costs and reasonable expenses and fees, including reasonable attorney's fees and costs, incurred by AGENCY in enforcing the obligations of this Agreement. Developer, its contractor and the surety shall stipulate and agree that no change, extension of time, alteration, or addition to the terms of this Agreement, the TUMF Improvements, or the plans and specifications for the TUMF Improvements shall in any way affect its obligation on the Security.

11.4 Evidence and Incorporation of Security. Evidence of the Security shall be provided on the forms set forth in Exhibit "B", unless other forms are deemed acceptable by the AGENCY, and when such forms are completed to the satisfaction of AGENCY, the forms and evidence of the Security shall be attached hereto as Exhibit "B" and incorporated herein by this reference.

12.0 Indemnification. Developer shall defend, indemnify, and hold harmless AGENCY, the Western Riverside Council of Governments (WRCOG), their elected officials, board members, employees, and agents (collectively, "Indemnitees") from any and all actual or alleged claims, demands, causes of action, liability, loss, damage, or injury to property or persons, including wrongful death, whether imposed by a court of law or by administrative action of any federal, state, or local governmental agency, arising out of or incident to any acts, omissions, negligence, or willful misconduct of Developer, its employees, contractors, or agents in connection with the

performance of this Agreement, or arising out of or in any way related to or caused by the TUMF Improvements or their construction, maintenance or condition prior to AGENCY's approval and acceptance of the TUMF Improvements ("Claims"). This indemnification includes, without limitation, the payment of all penalties, fines, judgments, awards, decrees, attorney fees, and related costs or expenses, and the reimbursement of AGENCY, WRCOG, their elected officials, board members, employees, and/or agents for all legal expenses and costs incurred by each of them. This indemnification excludes only such portion of any Claim which is caused solely and exclusively by the negligence or willful misconduct of AGENCY as determined by a court or administrative body of competent jurisdiction.

Developer may adjust, settle, or compromise any such Claim only with prior consent of AGENCY. Any adjustment, settlement, or compromise shall not in any manner whatsoever limit or circumscribe Developer's indemnification obligations as set forth herein. No settlement on behalf of AGENCY shall be effective unless and until the settlement agreement is agreed to in writing by the Board of Supervisors on behalf of AGENCY.

Developer's indemnification obligations hereunder shall be satisfied when Developer has provided to AGENCY and WRCOG the appropriate form of dismissal (or similar document) relieving AGENCY or WRCOG from liability for the claim, proceeding or action involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe Developer's obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve Developer from indemnifying indemnitees to the fullest extent allowed by law.

Developer's obligation to indemnify shall survive the expiration or termination of this Agreement, and shall not be restricted to insurance proceeds, if any, received by AGENCY, WRCOG, their elected officials, board members, employees, or agents.

13.0 Insurance.

13.1 Types; Amounts. Developer shall procure and maintain, and shall require its contractors to procure and maintain, during performance of this Agreement, insurance of the types and in the amounts described below ("Required Insurance"). If any of the Required Insurance contains a general aggregate limit, such insurance shall apply separately to this Agreement or be no less than two times the specified occurrence limit.

13.1.1 General Liability. Occurrence form general liability insurance at least as broad as Insurance Services Office Form CG 00 01, or equivalent form, with an occurrence limit of Two Million Dollars (\$2,000,000) and aggregate limit of Four Million Dollars (\$4,000,000) for bodily injury, personal injury, and property damage.

13.1.2 Business Automobile Liability. Business automobile liability insurance at least as broad as Insurance Services Office Form CA 00 01 (coverage symbol 1 – any auto), or

equivalent form, with a combined single limit of not less than Two Million Dollars (\$2,000,000) per occurrence and aggregate limit of Four Million Dollars (\$4,000,000). Such insurance shall include coverage for the ownership, operation, maintenance, use, loading, or unloading of any auto owned, leased, hired, or borrowed by the insured or for which the insured is responsible.

13.1.3 Workers' Compensation. Workers' compensation insurance with limits as required by the Labor Code of the State of California and employers' liability insurance with limits of not less than Two Million Dollars (\$2,000,000) per occurrence and aggregate limit of Four Million Dollars (\$4,000,000), at all times during which insured retains employees.

13.1.4 Professional Liability. For any consultant or other professional who will engineer or design the TUMF Improvements, liability insurance for errors and omissions with limits not less than Two Million Dollars (\$2,000,000) per occurrence and aggregate limit of Four Million Dollars (\$4,000,000), shall be procured and maintained for a period of five (5) years following completion of the TUMF Improvements. Such insurance shall be endorsed to include contractual liability.

13.2 Deductibles. Any deductibles or self-insured retentions must be declared to and approved by AGENCY. At the option of AGENCY, either: (a) the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects AGENCY, its elected officials, officers, employees, agents, and volunteers; or (b) Developer and its contractors shall provide a financial guarantee satisfactory to AGENCY guaranteeing payment of losses and related investigation costs, claims, and administrative and defense expenses.

13.3 Additional Insured; Separation of Insureds. The Required Insurance, except for the professional liability and workers' compensation insurance, shall name AGENCY, WRCOG, their elected officials, board members, officers, employees, and agents as additional insureds with respect to work performed by or on behalf of Developer or its contractors, including any materials, parts, or equipment furnished in connection therewith. For Required Insurance provided by Developer's contractors, WRCOG shall be added as an additional insured using ISO CG 2038 or an exact equivalent. The Required Insurance shall contain standard separation of insureds provisions and shall contain no special limitations on the scope of its protection to AGENCY, WRCOG, their elected officials, board members, officers, employees, or agents.

13.4 Primary Insurance; Waiver of Subrogation. The Required Insurance, except for the professional liability and workers' compensation insurance shall be primary with respect to any insurance or self-insurance programs covering AGENCY, WRCOG, their elected officials, board members, officers, employees, or agents. The Required Insurance, except for the professional liability insurance, shall provide that the insurance company waives all right of recovery by way of subrogation against AGENCY and WRCOG in connection with any damage or harm covered by such policy.

13.5 Certificates; Verification. Developer and its contractors shall furnish AGENCY with original certificates of insurance and endorsements effecting coverage for the Required Insurance. The certificates and endorsements for each insurance policy shall be signed by a person authorized by that insurer to bind coverage on its behalf. All certificates and endorsements must be received and approved by AGENCY before work pursuant to this Agreement can begin.

AGENCY reserves the right to require complete, certified copies of all required insurance policies, at any time.

13.6 Term; Cancellation Notice. Developer and its contractors shall maintain the Required Insurance for the term of this Agreement and shall replace any certificate, policy, or endorsement which will expire prior to that date. All policies shall be endorsed to provide that the Required Insurance shall not be suspended, voided, reduced, canceled, or allowed to expire except on thirty (30) days' prior written notice to AGENCY. If such notice of cancellation endorsements are unavailable, Developer shall provide such thirty (30) days' written notice of cancellation.

13.7 Insurer Rating. Unless approved in writing by AGENCY, all Required Insurance shall be placed with insurers licensed to do business in the State of California and with a current A.M. Best rating of at least "A" and FSC-VIII.

14.0 TUMF Credit.

14.1 Developer's TUMF Obligation. Developer hereby agrees and accepts that as of the date of this Agreement, the amount Developer is obligated to pay to AGENCY pursuant to County Ordinance No. 824 as part of the TUMF Program is **ONE MILLION THREE HUNDRED NINETY-FOUR THOUSAND THREE HUNDRED FIFTY-TWO DOLLARS (\$1,394,352)** ("TUMF Obligation"). This TUMF Obligation shall be initially determined under the TUMF fee schedule in effect for the AGENCY at the time the Developer submits a building permit application for the TUMF Improvement. Notwithstanding, this TUMF Obligation does not have to be paid until the Certificate of Occupancy is obtained.

14.2 Fee Adjustments. Notwithstanding the foregoing, Developer agrees that this Agreement shall not estop AGENCY from adjusting the TUMF in accordance with the provisions of County Ordinance No. 824.

14.3 Credit Offset Against TUMF Obligation. Pursuant to County Ordinance No. 824 and in consideration for Developer's obligation under this Agreement for the delivery of TUMF Improvements, credit shall be applied by AGENCY to offset the TUMF Obligation ("Credit") subject to adjustment and reconciliation under Section 14.5 of this agreement. Developer hereby agrees that the amount of the Credit shall be applied after Developer has initiated the process of project delivery of TUMF Improvements to the lowest responsible bidder in accordance with this Agreement. Developer further agrees that the dollar amount of the Credit shall be equal to the lesser of: (A) the bid amount set forth in the contract awarded to the lowest responsible bidder, or (B) the unit cost assumptions for the TUMF Improvement in effect at the time of the contract award, as such assumptions are identified and determined in the most recent TUMF Nexus Study and the TUMF Administrative Plan adopted by WRCOG ("Unit Cost Assumptions").

The bid amount and the Unit Cost Assumptions shall hereafter be collectively referred to as "Estimated Credit" and is estimated in the attached Exhibit "G". At no time will the Credit exceed the Developer's TUMF Obligation. If the dollar amount of the Estimated Credit exceeds the dollar amount of the TUMF Obligation, Developer will be deemed to have completely satisfied its TUMF Obligation for the Project and may apply for a reimbursement agreement, to the extent applicable, as provided in Section 14.6 of this Agreement. If the dollar amount of the

Estimated Credit is less than the dollar amount of the TUMF Obligation, the Developer agrees the Credit shall be applied to offset the TUMF Obligation as follows:

(i) For residential units in the Project, the Credit shall be applied to all residential units to offset and/or satisfy the TUMF Obligation. The residential units for which the TUMF Obligation has been offset and/or satisfied by use of the Credit, and the amount of offset applicable to each unit, shall be identified in the notice provided to the Developer by AGENCY pursuant to this section.

(ii) For commercial and industrial structures in the Project, the Credit shall be applied to all commercial and industrial development to offset and/or satisfy the TUMF Obligation. The commercial or industrial structure(s) for which the TUMF Obligation has been offset and/or satisfied by use of the Credit, and the amount of offset applicable to such structure(s), shall be identified in the notice provided to the Developer by AGENCY pursuant to this section.

AGENCY shall provide Developer written notice of the determinations that AGENCY makes pursuant to this section, including how the Credit is applied to offset the TUMF Obligation as described above.

14.4 Verified Cost of the TUMF Improvements. Upon recordation of the Notice of Completion for the TUMF Improvements and acceptance of the TUMF Improvements by AGENCY, Developer shall submit to the AGENCY Public Works Director the information set forth in the attached Exhibit "C". The AGENCY Public Works Director, or his or her designee, shall use the information provided by Developer to calculate the total actual costs incurred by Developer in delivering the TUMF Improvements covered under this Agreement ("Verified Costs"). The AGENCY Public Works Director will use his or her best efforts to determine the amount of the Verified Costs and provide Developer written notice thereof within thirty (30) calendar days of receipt of all the required information from Developer. The AGENCY may request that WRCOG calculate the amount of the Verified Cost. In this case, the AGENCY shall provide WRCOG written notice and all necessary documentation and allow WRCOG fifteen (15) days to determine costs. AGENCY will notify the Developer within the previous thirty (30) day deadline.

14.5 Reconciliation: Final Credit Offset Against TUMF Obligation. The Developer is aware of and accepts the fact that Credits are speculative and conceptual in nature. The actual amount of Credit that shall be applied by AGENCY to offset the TUMF Obligation shall be equal to the lesser of: (A) the Verified Costs or (B) Unit Cost Assumptions for the TUMF Improvements as determined in accordance with Section 14.3 of this Agreement ("Actual Credit"). No Actual Credit will be awarded until the Verified Costs are determined through the reconciliation process. Please be advised that while a Developer may use an engineer's estimates in order to estimate Credits for project planning purposes, the Actual Credit awarded will only be determined by the reconciliation process.

(a) TUMF Balance. If the dollar amount of the Actual Credit is less than the dollar amount of the TUMF Obligation, the AGENCY Public Works Director shall provide written notice to Developer of the amount of the difference owed ("TUMF Balance") and

Developer shall pay the TUMF Balance in accordance with County Ordinance No. 824 to fully satisfy the TUMF Obligation (see Exhibit "F" - Example "A").

(b) TUMF Reimbursement. If the dollar amount of the Actual Credit exceeds the TUMF Obligation, Developer will be deemed to have fully satisfied the TUMF Obligation for the Project and may apply for a reimbursement agreement, to the extent applicable, as provided in Section 14.6 of this Agreement. AGENCY shall provide Developer written notice of the determinations that AGENCY makes pursuant to this section (see Exhibit "F" - Example "B").

(c) TUMF Overpayment. If the dollar amount of the Actual Credit exceeds the Estimated Credit, but is less than the TUMF Obligation, and the Actual Credit plus additional monies collected by AGENCY from Developer for the TUMF Obligation exceed the TUMF Obligation ("TUMF Overpayment"), Developer will be deemed to have fully satisfied the TUMF Obligation for the Project and may be entitled to a refund. The AGENCY's Public Works Director shall provide written notice to WRCOG and the Developer of the amount of the TUMF Overpayment and AGENCY shall direct WRCOG to refund the Developer in accordance with County Ordinance No. 824 (see Exhibit "F" - Example C)

14.6 Reimbursement Agreement. If authorized under either Section 14.3 or Section 14.5 Developer may apply to AGENCY and WRCOG for a reimbursement agreement for the amount by which the Actual Credit exceeds the TUMF Obligation, as determined pursuant to Section 14.3 of this Agreement, County Ordinance No 824, and the TUMF Administrative Plan adopted by WRCOG ("Reimbursement Agreement"). If AGENCY and WRCOG agree to a Reimbursement Agreement with Developer, the Reimbursement Agreement shall be executed on the form set forth in Exhibit "D," and shall contain the terms and conditions set forth therein. The Parties agree that the Reimbursement Agreement shall be subject to all terms and conditions of this Agreement, and that upon execution, an executed copy of the Reimbursement Agreement shall be attached hereto and shall be incorporated herein as a material part of this Agreement as though fully set forth herein.

15.0 Miscellaneous.

15.1 Assignment. Developer may, as set forth herein, assign all or a portion of its rights pursuant to this Agreement to a purchaser of a portion or portions of the Property ("Assignment"). Developer and such purchaser and assignee ("Assignee") shall provide to AGENCY such reasonable proof as it may require that Assignee is the purchaser of such portions of the Property. Any assignment pursuant to this Section shall not be effective unless and until Developer and Assignee have executed an assignment agreement with AGENCY in a form reasonably acceptable to AGENCY, whereby Developer and Assignee agree, except as may be otherwise specifically provided therein, to the following: (1) that Assignee shall receive all or a portion of Developer's rights pursuant to this Agreement, including such credit as is determined to be applicable to the portion of the Property purchased by Assignee pursuant to Section 14.0 et seq. of this Agreement, and (2) that Assignee shall be bound by all applicable provisions of this Agreement.

15.2 Relationship Between the Parties. The Parties hereby mutually agree that this Agreement shall not operate to create the relationship of partnership, joint venture, or agency

between or among AGENCY, WRCOG and Developer. Developer's contractors are exclusively and solely under the control and dominion of Developer. Nothing herein shall be deemed to make Developer or its contractors an agent or contractor of AGENCY. This Agreement shall be interpreted and administered in a manner consistent with the TUMF Administrative Plan in effect at the time this Agreement is executed.

15.3 Warranty as to Property Ownership; Authority to Enter Agreement. Developer hereby warrants that it owns fee title to the Property and that it has the legal capacity to enter into this Agreement. Each Party warrants that the individuals who have signed this Agreement have the legal power, right, and authority make this Agreement and bind each respective Party.

15.4 Prohibited Interests. Developer warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Developer, to solicit or secure this Agreement. Developer also warrants that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for Developer, any fee, commission, percentage, brokerage fee, gift, or other consideration contingent upon the making of this Agreement. For breach of this warranty, AGENCY shall have the right to rescind this Agreement without liability.

governmental entity is a party to the action or proceeding, or that a federal right or question is involved or alleged to be involved in the action or proceeding. Without limiting the generality of the foregoing waiver, Developer expressly waives any right to have venue transferred pursuant to California Code of Civil Procedure Section 394.
