C.E.O. RECOMMENDATION: Approve

BACKGROUND:

Summary

The Agreement sets forth the terms and conditions by which certain flood control facilities required as a condition of approval for Tract Map No. 31896 are to be constructed by Developer and inspected, operated and maintained by the District and City.

The Agreement is necessary to formalize the transfer of necessary rights of way and to provide for District construction inspection and subsequent operation and maintenance of Murrieta Creek Channel - Rock Slope Protection and Laterals and Murrieta Creek Channel - Line I Storm Drain facilities.

Upon completion of construction, the District will assume operation and maintenance of the mainline storm drain systems that are greater than 36 inches in diameter, the riprap rock slope protection and storm drain lateral segments within District right of way. The City will assume ownership and responsibility for the operation and maintenance of two (2) bio-retention basins and a detention basin, drainage swale, various tubular steel fences and retaining walls, and various catch basins, curbs and gutters, connector pipes and certain lateral storm drains that are 36 inches or less in diameter located within City's right of way.

**SUBMITTAL TO THE FLOOD CONTROL AND WATER CONSERVATION DISTRICT BOARD
OF SUPERVISORS
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

County Counsel has approved the Agreement as to legal form, and the City and Developer have executed the Agreement.

Environmental Findings

Pursuant to Section 15096 of the California Environmental Quality Act ("CEQA") Guidelines, Making Responsible Agency Findings, the District has considered the Initial Study/Mitigated Negative Declaration prepared for Change of Zone No. 6918 Tentative Tract Map No. 31896 (Environmental Assessment Number 39384). The District, in its limited capacity as a Responsible Agency, finds that the inspection, acceptance, operation and maintenance as described in the Agreement has been adequately addressed by the Initial Study/Mitigated Negative Declaration. The District's inspection, acceptance, operation and maintenance of the proposed facilities will not have a significant impact on the environment. Furthermore, as this is just an inspection, acceptance, and operation of the facilities (as opposed to the construction), it could also be deemed that the action would be exempt under CEQA Guidelines Section 15061(b)(3). Therefore, no further analysis is required under CEQA.

Impact on Residents and Businesses

As noted above, construction of these drainage improvements is a requirement for the development of Tract Map No. 31896. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

Additional Fiscal Information

The Developer is funding all construction and construction inspection costs. Future operation and maintenance costs of the District maintained storm drain facilities will accrue to the District.

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, Parties hereto mutually agree that the above recitals are true and correct and incorporated into the terms of this Agreement and as follows:

SECTION I

DEVELOPER shall:

1. Prepare PROJECT plans and specifications, hereinafter called "IMPROVEMENT PLANS", in accordance with applicable DISTRICT and CITY standards, and submit to DISTRICT and CITY for their respective review and approval.

2. Additionally, DEVELOPER shall pay CITY, within thirty (30) calendar days after receipt of periodic billings from CITY, any and all such amounts deemed reasonably

necessary by CITY to cover CITY's costs associated with (i) the review and approval of IMPROVEMENT PLANS, (ii) the review and approval of right of way and conveyance documents, (iii) the processing and administration of this Agreement, and (iv) construction inspection costs.

3. By execution of this Agreement, grant DISTRICT and CITY the right to enter upon DEVELOPER's property where necessary and convenient for the purpose of gaining access to and performing inspection services for the construction of PROJECT, as set forth herein.

4. Upon execution of this Agreement, or not less than twenty (20) calendar days prior to recordation of the final map for Tract Map No. 31896 or any phase thereof, whichever occurs first, provide CITY with faithful performance and payment bonds in accordance with CITY's municipal code or ordinance, including any amendments thereto, for the estimated cost for construction of (i) DISTRICT FACILITIES as determined by DISTRICT, and (ii) CITY FACILITIES as determined by CITY. The surety, amount and form of the bonds, shall list CITY as an obligee and shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall remain in full force and effect until DISTRICT FACILITIES are accepted by DISTRICT and CITY FACILITIES are accepted by CITY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from CITY.

5. Upon execution of this Agreement, pay DISTRICT the one-time cash sum of One Hundred Seventy Thousand Seven Hundred Dollars (\$170,700), the amount agreed upon to cover DISTRICT's estimated cost to operate and maintain DISTRICT DRAINAGE FACILITIES, for a period of ten (10) years (Zone 7 – Maintenance Trust fund) commencing upon

DISTRICT's acceptance of DISTRICT DRAINAGE FACILITIES as complete for ownership, operation and maintenance.

6. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, deposit with DISTRICT (Attention: Business Office – Accounts Receivable) and notify DISTRICT (Attention: Contract Services Section) the estimated cost of providing construction inspection for DISTRICT FACILITIES, in an amount as determined and approved by DISTRICT.

7. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, furnish DISTRICT (Attention: Contract Services Section) with a complete list of all contractors and subcontractors to be performing work on PROJECT, including the corresponding license number and license classification of each. At such time, DEVELOPER shall further identify in writing its designated superintendent for PROJECT construction.

8. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, furnish DISTRICT (Attention: Contract Services Section) with a construction schedule which shall show the order and dates in which DEVELOPER or DEVELOPER's contractor proposes to carry out the various parts of work, including estimated start and completion dates. As construction of PROJECT progresses, DEVELOPER shall update said construction schedule as requested by DISTRICT.

9. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, furnish DISTRICT (Attention: Contract Services Section) with a confined space entry procedure specific to PROJECT. The procedure shall comply with requirements contained in California Code of Regulations, Title 8, Section 5158, Other Confined Space Operations; Section 5157, Permit Required Confined Space; and District Confined Space Procedures, SOM-18. At minimum, the procured insurance coverages should adhere to DISTRICT's required insurance provided in Exhibit "C", attached hereto and made a part hereof. DEVELOPER shall not commence operations until DISTRICT (Attention: Contract Services Section) and CITY have been furnished with original certificate(s) of insurance and original certified copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments. Failure to maintain the insurance required by this paragraph shall be deemed a material breach of this Agreement and shall authorize and constitute authority for DISTRICT, at its sole discretion, to provide written notice to DEVELOPER that DISTRICT is unable to perform its obligations hereunder, nor to accept responsibility for ownership, operation and maintenance of DISTRICT FACILITIES due, either in whole or in part, to said breach of this Agreement.

11. Upon submitting the Irrevocable Offer(s) of Dedication as set forth in Section I.11, furnish DISTRICT (Attention: Plan Check Section) with Preliminary Reports on Title dated not more than thirty (30) calendar days prior to date of submission of all the property described in the Irrevocable Offer(s) of Dedication.

14. Furnish DISTRICT (Attention: Plan Check Section) and CITY each with a set of final mylar plans PROJECT plans and assign their ownership to DISTRICT and CITY respectively prior to the start on any portion of PROJECT construction.

15. After receiving DISTRICT's plan check and administrative clearance for PROJECT construction, as set forth in Sections I.4 through I.14, notify DISTRICT (Attention: Construction Management Section) and CITY with twenty (20) calendar days written notice of intent to start construction of PROJECT, and include PROJECT's geotechnical firm, concrete lab/test firm, D-Load test forms, trench shoring/false work calculations and concrete mix designs for DISTRICT's review and approval. Construction shall not begin on any element of PROJECT, for any reason whatsoever, until DISTRICT and CITY have issued to DEVELOPER a written Notice to Proceed authorizing DEVELOPER to commence construction of PROJECT. DISTRICT reserves the right to withhold issuance of the Notice to Proceed in accordance with Section IV.4.

16. Prior to commencing construction, obtain, at its sole cost and expense, and furnish DISTRICT (Attention: Plan Check Section) and CITY with copies of all permits, approvals or agreements required by any federal, state or local resource and/or regulatory agency for the construction, operation and maintenance of PROJECT. Such documents include, but are not limited to, those issued by the U.S. Army Corps of Engineers, California Regional Water Quality Control Board, California State Department of Fish and Wildlife, State Water Resources Control Board and Western Riverside County Regional Conservation Authority.

17. Not permit any change to or modification of DISTRICT and CITY approved IMPROVEMENT PLANS without the prior written permission and consent of DISTRICT and CITY.

18. Comply with all Cal/OSHA safety regulations including but not limited to regulations concerning confined space and maintain a safe working environment for DEVELOPER, DISTRICT and CITY employees on the site.

19. Upon receipt of DISTRICT's written Notice to Proceed, construct or cause to be constructed PROJECT at DEVELOPER's sole cost and expense, in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

21. Upon completion of PROJECT construction, and upon acceptance by CITY of all rights of way deemed necessary by DISTRICT and CITY for the operation and maintenance of PROJECT, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or cause to be conveyed to CITY the flood control

fee title lot and/or easements, including ingress and egress, in a form approved by DISTRICT, to the rights of way as shown in concept in cross-hatch on Exhibit "D", attached hereto and made a part hereof. The easement(s) or grant deed(s) shall be in a form approved by both DISTRICT and COUNTY and shall be executed by all legal and equitable owners of the property(ies) described in the easement(s) or grant deed(s).

22. At the time of recordation of the conveyance document(s) as set forth in Section I.21, furnish DISTRICT with policies of title insurance, each in the amount of not less than (i) fifty percent (50%) of the estimated fee value as determined by DISTRICT for each easement parcel to be conveyed to DISTRICT; or (ii) one hundred percent (100%) of the estimated value as determined by DISTRICT for each fee parcel to be conveyed to DISTRICT, guaranteeing DISTRICT's interest in said parcel(s) as being free and clear of all liens, encumbrances, assessments, easements, taxes and leases (recorded or unrecorded), and except those which in the sole discretion of DISTRICT are acceptable.

23. Upon completion of PROJECT construction, accept ownership, sole responsibility and all liability whatsoever for the operation and maintenance of PROJECT until such time as (i) DISTRICT accepts ownership and responsibility for operation and maintenance of DISTRICT FACILITIES and (ii) CITY accepts ownership and responsibility for operation and maintenance of CITY FACILITIES. If, subsequent to the inspection and, in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

24. Upon completion of PROJECT construction but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, provide or cause its civil engineer of record or construction civil engineer of record, duly registered in the State of California, to provide DISTRICT (Attention: Construction Management Section) with (i)

soil compaction report(s) – stamped and wet signed by the geotechnical engineer, (ii) concrete testing report(s) – stamped and wet signed by the civil engineer of record and (iii) a redlined "record drawings" copy of IMPROVEMENT PLANS. After DISTRICT approval of the redlined "record drawings", DEVELOPER's engineer shall schedule with DISTRICT a time to transfer the redlined changes onto DISTRICT's original mylars at DISTRICT's office; after which the engineer shall review, stamp and sign the original IMPROVEMENT PLANS as "record drawings".

25. Ensure that all work performed pursuant to this Agreement by DEVELOPER, its agents or contractors is done in accordance with all applicable local, state and federal laws and regulations including, but not limited to, all applicable provisions of the Labor Code, Business and Professions Code, and Water Code. DEVELOPER shall be solely responsible for all costs associated with compliance with applicable laws and regulations.

26. Pay, if suit is brought upon this Agreement or any bond guaranteeing the completion of PROJECT, all costs and reasonable expenses and fees, including reasonable attorneys' fees, and acknowledge that, upon entry of judgment, all such costs, expenses and fees shall be computed as costs and included in any judgment rendered.

SECTION II

DISTRICT shall:

1. Review IMPROVEMENT PLANS and approve when DISTRICT has determined that such plans meet DISTRICT standards and are found acceptable to DISTRICT prior to the start of PROJECT construction.
2. Provide CITY an opportunity to review and approve IMPROVEMENT PLANS prior to DISTRICT's final approval.

3. Upon execution of this Agreement, record or cause to be recorded a copy of this Agreement in the Official Records of the Riverside County Recorder.
4. Record or cause to be recorded the Irrevocable Offer(s) of Dedication provided by DEVELOPER pursuant to Section I.12.
5. Endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice of intent to start of construction of PROJECT as set forth in Section I.15; however, DISTRICT's construction inspection staff is limited and, therefore, the timing of issuance of a Notice to Proceed is subject to staff availability.
6. Reserve the right to withhold issuance of the Notice to Proceed pursuant to Section IV.4.
7. Inspect construction of DISTRICT FACILITIES.
8. Keep an accurate accounting and submit periodic invoices to DEVELOPER of all DISTRICT costs associated with (i) the review and approval of IMPROVEMENT PLANS, (ii) the review and approval of right of way and conveyance documents and (iii) the processing and administration of this Agreement.
9. Keep an accurate accounting of all DISTRICT construction inspection costs and within forty-five (45) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete, submit a final cost statement to DEVELOPER. If the deposit as set forth in Section I.6 exceeds such inspection costs, DISTRICT shall reimburse DEVELOPER the excess amount within sixty (60) calendar days after DISTRICT's acceptance of DISTRICT FACILITIES as being complete.
10. Upon (i) DISTRICT acceptance of PROJECT construction as being complete and (ii) DISTRICT receipt of stamped and signed "record drawing" of

IMPROVEMENT PLANS as set forth in Section I.24, provide DEVELOPER with a reproducible duplicate copy of "record drawings" of IMPROVEMENT PLANS.

11. Prior to DISTRICT acceptance of ownership and responsibility for the operation and maintenance of DISTRICT FACILITIES, DISTRICT FACILITIES shall be in a satisfactorily maintained condition as solely determined by DISTRICT. If, subsequent to any inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

12. Upon completion of PROJECT construction, and upon acceptance by CITY of all rights of way deemed necessary by DISTRICT and CITY for the operation and maintenance of PROJECT, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation, and maintenance, convey or cause to be conveyed to CITY the flood control easement(s) including ingress and egress, in a form approved by DISTRICT.

13. Accept ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES upon (i) DISTRICT inspection of DISTRICT FACILITIES in accordance with Section I.20; (ii) DISTRICT acceptance of PROJECT construction as being complete; (iii) DISTRICT receipt of stamped and signed "record drawings" of PROJECT plans as set forth in Section I.24; (iv) recordation of all conveyance documents described in Section I.21; (v) receipt of all required policies of title insurance described in Section I.22, and (vi) DISTRICT FACILITIES fully functioning as a flood control drainage system as solely determined by DISTRICT and (v) DISTRICT's sole determination that DISTRICT FACILITIES are in a satisfactorily maintained condition.

14. Upon both of the following: DISTRICT acceptance of DISTRICT FACILITIES and DISTRICT receipt of stamped and signed "record drawings" of IMPROVEMENT PLANS as set forth in Section I.24, provide CITY with (i) a reproducible

duplicate copy of "record drawings" of constructed DISTRICT FACILITIES; (ii) a written notice that PROJECT is complete and (iii) request CITY to release bonds held for DISTRICT FACILITIES and CITY FACILITIES.

SECTION III

CITY shall:

1. Review IMPROVEMENT PLANS and approve when CITY has determined that such plans meet CITY standards and are found acceptable to CITY prior to the start of PROJECT construction. CITY shall not request any modifications on the IMPROVEMENT PLANS without prior DISTRICT approval.
2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER, in accordance with CITY's municipal code or ordinance, including any amendments thereto, for the estimated cost for construction of DISTRICT DRAINAGE FACILITIES as determined by DISTRICT and of CITY FACILITIES as determined by CITY and hold said bonds as provided in this Agreement. The surety, amount and form of the bonds, shall list CITY as an obligee and shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall remain in full force and effect until DISTRICT DRAINAGE FACILITIES are accepted by DISTRICT and CITY FACILITIES are accepted by CITY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from CITY. CITY shall not release said bonds until DISTRICT provides CITY with a reproducible duplicate copy of "record drawings" and written notification that PROJECT is complete, as set forth in Section I.4.

3. Request DEVELOPER to update the construction schedule, as deemed necessary.
4. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way.
5. By execution of this Agreement, consent to DISTRICT recording of any Irrevocable Offer(s) of Dedication furnished by DEVELOPER pursuant to this Agreement.
6. As requested by DISTRICT, accept the Irrevocable Offer(s) of Dedication as set forth herein and any other outstanding offers of dedication necessary for the construction, inspection, operation and maintenance of DISTRICT FACILITIES and convey sufficient rights of way to DISTRICT to allow DISTRICT to construct, inspect, operate and maintain DISTRICT FACILITIES.
7. Inspect PROJECT construction.
8. Upon completion of PROJECT construction but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or cause to be conveyed to DISTRICT the flood control easement(s), including ingress and egress, to the rights of way as shown in concept on Exhibit "D".
9. Accept ownership and sole responsibility for the operation and maintenance of CITY FACILITIES upon (i) DISTRICT acceptance of DISTRICT DRAINAGE FACILITIES for ownership, operation and maintenance; ii) CITY's final inspection of CITY FACILITIES and (iii) CITY's sole determination that CITY FACILITIES are constructed in accordance with plans and specifications and in a satisfactorily maintained condition.
10. Release occupancy permits in accordance with the approved Conditions of Approval for Tract Map No. 31896.

11. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portions of DISTRICT DRAINAGE FACILITIES are improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed:

1. DISTRICT may withhold acceptance for ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES unless and until DEVELOPER performs all obligations under this Agreement.

2. All construction work involved with PROJECT shall be inspected by DEVELOPER, DISTRICT and CITY but shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

3. DISTRICT and CITY personnel may observe and inspect all work being done on DISTRICT DRAINAGE FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT.

4. If DEVELOPER fails to commence construction of PROJECT within twenty-four (24) consecutive months after execution of this Agreement, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed after this period of time pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.15. In the event of a change in

the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT DRAINAGE FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT

5. DEVELOPER shall complete construction of PROJECT within twelve (12) months after commencement of construction of PROJECT, unless CITY and DISTRICT agree to extend the time to complete construction. Failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for (i) DISTRICT to terminate the Agreement and (ii) CITY to perform the remaining work on PROJECT and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. Should CITY perform the remaining work on PROJECT under this section, DEVELOPER grants to CITY and CITY's officers, deputies, employees, agents, representatives, contractors and other designees the irrevocable permission to enter upon the Tract Map No. 31896 to complete construction and remaining work on PROJECT. This right of entry shall terminate when such construction and remaining work is complete. CITY shall subsequently reimburse DISTRICT from the funds paid by DEVELOPER's surety for any DISTRICT costs incurred.

6. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, and upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT DRAINAGE FACILITIES construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.6 exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to

DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

7. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on DISTRICT or CITY designated legal holidays, DEVELOPER shall make a written request for permission from DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with the CITY's municipal code or ordinance, including any amendments thereto.

8. DEVELOPER shall indemnify, defend, and hold harmless, and require DEVELOPER's construction contractor(s) to indemnify, defend and hold harmless, DISTRICT, the County of Riverside and CITY (including their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, Council, elected and appointed officials, employees, contractors, agents and representatives) (individually and collectively hereinafter referred to as "Indemnitees") from any liability action, claim or damage whatsoever, based or asserted upon any acts, omissions, or services of DEVELOPER and/or DEVELOPER's construction contractor(s), (including their respective officers, employees, subcontractors, agents or representatives) (individually and collectively hereinafter referred to as

"Indemnitors") arising out of or in any way relating to this Agreement, including, but not limited to, property damage, bodily injury, or death or any other element of any kind or nature whatsoever. DEVELOPER or DEVELOPER's construction contractor(s) shall defend, at its sole expense, the Indemnitees, including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards), in any claim or action based upon such alleged acts or omissions. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of the Agreement.

9. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and may adjust, settle, compromise any such claim only with the prior consent of DISTRICT, the County of Riverside and CITY. Any such adjustment, settlement or compromise shall not in any manner whatsoever limit or circumscribe DEVELOPER's indemnification obligations to Indemnitees as set forth herein.

10. DEVELOPER and DEVELOPER's construction contractor(s) indemnification obligations hereunder shall be satisfied when DEVELOPER or DEVELOPER's construction contractor(s) has provided to DISTRICT and CITY the appropriate form of dismissal (or similar document) relieving DISTRICT, the County of Riverside, or CITY from any liability for the claim, proceeding or action involved.

12. In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782.

Such interpretation shall not relieve DEVELOPER or DEVELOPER's construction contractor(s) from indemnifying the Indemnitees to the fullest extent allowed by law.

13. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, the County of Riverside, and CITY (including their respective agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, Council, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release of DEVELOPER by DISTRICT, the County of Riverside, or CITY (including each of their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, Council, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of PROJECT, after the acceptance of PROJECT by DISTRICT and CITY, as described in this Agreement.

14. Any waiver by any Party hereto of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party hereto to require exact, full and complete compliance with any terms of this Agreement of any other Party shall not be construed as in any manner changing the terms hereof, or stopping such Party from enforcement hereof.

J. CITY is willing to (i) review and approve, in conjunction with DISTRICT, DEVELOPER's plans and specifications for PROJECT, (ii) accept and hold faithful performance and payment bonds submitted by DEVELOPER on behalf of DISTRICT for DISTRICT FACILITIES and CITY for CITY FACILITIES, (iii) inspect the construction of PROJECT, (iv) grant DISTRICT the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way, (v) convey to DISTRICT the necessary rights of way for the inspection, operation and maintenance of DISTRICT FACILITIES, and (vi) accept ownership and responsibility for the operation and maintenance of CITY FACILITIES, provided PROJECT is constructed in accordance with plans and specifications approved by DISTRICT and CITY.

NOW, THEREFORE, in consideration of the preceding recitals and the mutual covenants hereinafter contained, Parties hereto mutually agree that the above recitals are true and correct and incorporated into the terms of this Agreement and as follows:

SECTION I

DEVELOPER shall:

1. Prepare PROJECT plans and specifications, hereinafter called "IMPROVEMENT PLANS", in accordance with applicable DISTRICT and CITY standards, and submit to DISTRICT and CITY for their respective review and approval.

2. Continue to pay DISTRICT, within thirty (30) calendar days after receipt of periodic billings from DISTRICT, any and all such amounts as are deemed reasonably necessary by DISTRICT to cover DISTRICT's costs associated with (i) the review of IMPROVEMENT PLANS, (ii) the review and approval of rights of way and conveyance documents, (iii) the processing and administration of this Agreement, and (iv) construction inspection costs. Additionally, DEVELOPER shall pay CITY, within thirty (30) calendar days after receipt of periodic billings from CITY, any and all such amounts deemed reasonably

necessary by CITY to cover CITY's costs associated with (i) the review and approval of IMPROVEMENT PLANS, (ii) the review and approval of right of way and conveyance documents, (iii) the processing and administration of this Agreement, and (iv) construction inspection costs.

3. By execution of this Agreement, grant DISTRICT and CITY the right to enter upon DEVELOPER's property where necessary and convenient for the purpose of gaining access to and performing inspection services for the construction of PROJECT, as set forth herein.

4. Upon execution of this Agreement, or not less than twenty (20) calendar days prior to recordation of the final map for Tract Map No. 31896 or any phase thereof, whichever occurs first, provide CITY with faithful performance and payment bonds in accordance with CITY's municipal code or ordinance, including any amendments thereto, for the estimated cost for construction of (i) DISTRICT FACILITIES as determined by DISTRICT, and (ii) CITY FACILITIES as determined by CITY. The surety, amount and form of the bonds, shall list CITY as an obligee and shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall remain in full force and effect until DISTRICT FACILITIES are accepted by DISTRICT and CITY FACILITIES are accepted by CITY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from CITY.

5. Upon execution of this Agreement, pay DISTRICT the one-time cash sum of One Hundred Seventy Thousand Seven Hundred Dollars (\$170,700), the amount agreed upon to cover DISTRICT's estimated cost to operate and maintain DISTRICT DRAINAGE FACILITIES, for a period of ten (10) years (Zone 7 – Maintenance Trust fund) commencing upon

DISTRICT's acceptance of DISTRICT DRAINAGE FACILITIES as complete for ownership, operation and maintenance.

6. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, deposit with DISTRICT (Attention: Business Office – Accounts Receivable) and notify DISTRICT (Attention: Contract Services Section) the estimated cost of providing construction inspection for DISTRICT FACILITIES, in an amount as determined and approved by DISTRICT.

7. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, furnish DISTRICT (Attention: Contract Services Section) with a complete list of all contractors and subcontractors to be performing work on PROJECT, including the corresponding license number and license classification of each. At such time, DEVELOPER shall further identify in writing its designated superintendent for PROJECT construction.

8. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, furnish DISTRICT (Attention: Contract Services Section) with a construction schedule which shall show the order and dates in which DEVELOPER or DEVELOPER's contractor proposes to carry out the various parts of work, including estimated start and completion dates. As construction of PROJECT progresses, DEVELOPER shall update said construction schedule as requested by DISTRICT.

9. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, furnish DISTRICT (Attention: Contract Services Section) with a confined space entry procedure specific to PROJECT. The procedure shall comply with requirements contained in California Code of Regulations, Title 8, Section 5158, Other Confined Space Operations; Section 5157, Permit Required Confined Space; and District Confined Space Procedures, SOM-18. The procedure shall be reviewed and approved by DISTRICT prior to the issuance of a Notice to

Proceed, which shall be given by DISTRICT to DEVELOPER upon DISTRICT's and CITY's approval.

10. Upon DISTRICT's and CITY's approval of IMPROVEMENT PLANS, an original certificate of insurance evidencing the required insurance coverage shall be provided to DISTRICT. At minimum, the procured insurance coverages should adhere to DISTRICT's required insurance provided in Exhibit "C", attached hereto and made a part hereof. DEVELOPER shall not commence operations until DISTRICT (Attention: Contract Services Section) and CITY have been furnished with original certificate(s) of insurance and original certified copies of endorsements and, if requested, certified original policies of insurance including all endorsements and any and all other attachments. Failure to maintain the insurance required by this paragraph shall be deemed a material breach of this Agreement and shall authorize and constitute authority for DISTRICT, at its sole discretion, to provide written notice to DEVELOPER that DISTRICT is unable to perform its obligations hereunder, nor to accept responsibility for ownership, operation and maintenance of DISTRICT FACILITIES due, either in whole or in part, to said breach of this Agreement.

11. Upon DISTRICT and CITY's approval of IMPROVEMENT PLANS or not less than twenty (20) calendar days prior to recordation of the final map for Tract Map No. 31896 or any phase thereof, whichever occurs first, furnish DISTRICT (Attention: Plan Check Section) and CITY with sufficient evidence of DEVELOPER having secured such necessary licenses, agreements, permits, approvals, rights of way, rights of entry and temporary construction easements as may be needed for the construction, inspection, operation and maintenance of PROJECT as determined and approved by DISTRICT and CITY.

12. Upon DISTRICT and CITY approval of IMPROVEMENT PLANS and prior to the start on any portion of PROJECT construction, obtain and provide DISTRICT

(Attention: Plan Check Section) with duly executed Irrevocable Offers(s) of Dedication to the public for flood control and drainage purposes, including ingress and egress, for the rights of way deemed necessary by DISTRICT for the construction, inspection, operation and maintenance of DISTRICT FACILITIES. The Irrevocable Offer(s) of Dedication shall be in a form approved by DISTRICT and shall be executed by all legal and equitable owners of the property described in the offer(s).

13. Upon submitting the Irrevocable Offer(s) of Dedication as set forth in Section I.11, furnish DISTRICT (Attention: Plan Check Section) with Preliminary Reports on Title dated not more than thirty (30) calendar days prior to date of submission of all the property described in the Irrevocable Offer(s) of Dedication.

14. Furnish DISTRICT (Attention: Plan Check Section) and CITY each with a set of final mylar plans PROJECT plans and assign their ownership to DISTRICT and CITY respectively prior to the start on any portion of PROJECT construction.

15. After receiving DISTRICT's plan check and administrative clearance for PROJECT construction, as set forth in Sections I.4 through I.14, notify DISTRICT (Attention: Construction Management Section) and CITY with twenty (20) calendar days written notice of intent to start construction of PROJECT, and include PROJECT's geotechnical firm, concrete lab/test firm, D-Load test forms, trench shoring/false work calculations and concrete mix designs for DISTRICT's review and approval. Construction shall not begin on any element of PROJECT, for any reason whatsoever, until DISTRICT and CITY have issued to DEVELOPER a written Notice to Proceed authorizing DEVELOPER to commence construction of PROJECT. DISTRICT reserves the right to withhold issuance of the Notice to Proceed in accordance with Section IV.4.

16. Prior to commencing construction, obtain, at its sole cost and expense, and furnish DISTRICT (Attention: Plan Check Section) and CITY with copies of all permits, approvals or agreements required by any federal, state or local resource and/or regulatory agency for the construction, operation and maintenance of PROJECT. Such documents include, but are not limited to, those issued by the U.S. Army Corps of Engineers, California Regional Water Quality Control Board, California State Department of Fish and Wildlife, State Water Resources Control Board and Western Riverside County Regional Conservation Authority.

17. Not permit any change to or modification of DISTRICT and CITY approved IMPROVEMENT PLANS without the prior written permission and consent of DISTRICT and CITY.

18. Comply with all Cal/OSHA safety regulations including but not limited to regulations concerning confined space and maintain a safe working environment for DEVELOPER, DISTRICT and CITY employees on the site.

19. Upon receipt of DISTRICT's written Notice to Proceed, construct or cause to be constructed PROJECT at DEVELOPER's sole cost and expense, in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

20. Within two (2) weeks of completing PROJECT construction, provide DISTRICT (Attention: Construction Management Section) and CITY with written notice that PROJECT construction is substantially complete and that requests that DISTRICT conduct a final inspection of DISTRICT FACILITIES and that CITY conduct a final inspection of PROJECT.

21. Upon completion of PROJECT construction, and upon acceptance by CITY of all rights of way deemed necessary by DISTRICT and CITY for the operation and maintenance of PROJECT, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or cause to be conveyed to CITY the flood control

fee title lot and/or easements, including ingress and egress, in a form approved by DISTRICT, to the rights of way as shown in concept in cross-hatch on Exhibit "D", attached hereto and made a part hereof. The easement(s) or grant deed(s) shall be in a form approved by both DISTRICT and COUNTY and shall be executed by all legal and equitable owners of the property(ies) described in the easement(s) or grant deed(s).

22. At the time of recordation of the conveyance document(s) as set forth in Section L.21, furnish DISTRICT with policies of title insurance, each in the amount of not less than (i) fifty percent (50%) of the estimated fee value as determined by DISTRICT for each easement parcel to be conveyed to DISTRICT; or (ii) one hundred percent (100%) of the estimated value as determined by DISTRICT for each fee parcel to be conveyed to DISTRICT, guaranteeing DISTRICT's interest in said parcel(s) as being free and clear of all liens, encumbrances, assessments, easements, taxes and leases (recorded or unrecorded), and except those which in the sole discretion of DISTRICT are acceptable.

23. Upon completion of PROJECT construction, accept ownership, sole responsibility and all liability whatsoever for the operation and maintenance of PROJECT until such time as (i) DISTRICT accepts ownership and responsibility for operation and maintenance of DISTRICT FACILITIES and (ii) CITY accepts ownership and responsibility for operation and maintenance of CITY FACILITIES. If, subsequent to the inspection and, in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

24. Upon completion of PROJECT construction but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, provide or cause its civil engineer of record or construction civil engineer of record, duly registered in the State of California, to provide DISTRICT (Attention: Construction Management Section) with (i)

soil compaction report(s) – stamped and wet signed by the geotechnical engineer, (ii) concrete testing report(s) – stamped and wet signed by the civil engineer of record and (iii) a redlined "record drawings" copy of IMPROVEMENT PLANS. After DISTRICT approval of the redlined "record drawings", DEVELOPER's engineer shall schedule with DISTRICT a time to transfer the redlined changes onto DISTRICT's original mylars at DISTRICT's office; after which the engineer shall review, stamp and sign the original IMPROVEMENT PLANS as "record drawings".

25. Ensure that all work performed pursuant to this Agreement by DEVELOPER, its agents or contractors is done in accordance with all applicable local, state and federal laws and regulations including, but not limited to, all applicable provisions of the Labor Code, Business and Professions Code, and Water Code. DEVELOPER shall be solely responsible for all costs associated with compliance with applicable laws and regulations.

26. Pay, if suit is brought upon this Agreement or any bond guaranteeing the completion of PROJECT, all costs and reasonable expenses and fees, including reasonable attorneys' fees, and acknowledge that, upon entry of judgment, all such costs, expenses and fees shall be computed as costs and included in any judgment rendered.

SECTION II

DISTRICT shall:

1. Review IMPROVEMENT PLANS and approve when DISTRICT has determined that such plans meet DISTRICT standards and are found acceptable to DISTRICT prior to the start of PROJECT construction.

2. Provide CITY an opportunity to review and approve IMPROVEMENT PLANS prior to DISTRICT's final approval.

3. Upon execution of this Agreement, record or cause to be recorded a copy of this Agreement in the Official Records of the Riverside County Recorder.
4. Record or cause to be recorded the Irrevocable Offer(s) of Dedication provided by DEVELOPER pursuant to Section I.12.
5. Endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice of intent to start of construction of PROJECT as set forth in Section I.15; however, DISTRICT's construction inspection staff is limited and, therefore, the timing of issuance of a Notice to Proceed is subject to staff availability.
6. Reserve the right to withhold issuance of the Notice to Proceed pursuant to Section IV.4.
7. Inspect construction of DISTRICT FACILITIES.
8. Keep an accurate accounting and submit periodic invoices to DEVELOPER of all DISTRICT costs associated with (i) the review and approval of IMPROVEMENT PLANS, (ii) the review and approval of right of way and conveyance documents and (iii) the processing and administration of this Agreement.
9. Keep an accurate accounting of all DISTRICT construction inspection costs and within forty-five (45) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete, submit a final cost statement to DEVELOPER. If the deposit as set forth in Section I.6 exceeds such inspection costs, DISTRICT shall reimburse DEVELOPER the excess amount within sixty (60) calendar days after DISTRICT's acceptance of DISTRICT FACILITIES as being complete.
10. Upon (i) DISTRICT acceptance of PROJECT construction as being complete and (ii) DISTRICT receipt of stamped and signed "record drawing" of

IMPROVEMENT PLANS as set forth in Section I.24, provide DEVELOPER with a reproducible duplicate copy of "record drawings" of IMPROVEMENT PLANS.

11. Prior to DISTRICT acceptance of ownership and responsibility for the operation and maintenance of DISTRICT FACILITIES, DISTRICT FACILITIES shall be in a satisfactorily maintained condition as solely determined by DISTRICT. If, subsequent to any inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

12. Upon completion of PROJECT construction, and upon acceptance by CITY of all rights of way deemed necessary by DISTRICT and CITY for the operation and maintenance of PROJECT, but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation, and maintenance, convey or cause to be conveyed to CITY the flood control easement(s) including ingress and egress, in a form approved by DISTRICT.

13. Accept ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES upon (i) DISTRICT inspection of DISTRICT FACILITIES in accordance with Section I.20; (ii) DISTRICT acceptance of PROJECT construction as being complete; (iii) DISTRICT receipt of stamped and signed "record drawings" of PROJECT plans as set forth in Section I.24; (iv) recordation of all conveyance documents described in Section I.21; (v) receipt of all required policies of title insurance described in Section I.22, and (vi) DISTRICT FACILITIES fully functioning as a flood control drainage system as solely determined by DISTRICT and (v) DISTRICT's sole determination that DISTRICT FACILITIES are in a satisfactorily maintained condition.

14. Upon both of the following: DISTRICT acceptance of DISTRICT FACILITIES and DISTRICT receipt of stamped and signed "record drawings" of IMPROVEMENT PLANS as set forth in Section I.24, provide CITY with (i) a reproducible

duplicate copy of "record drawings" of constructed DISTRICT FACILITIES; (ii) a written notice that PROJECT is complete and (iii) request CITY to release bonds held for DISTRICT FACILITIES and CITY FACILITIES.

SECTION III

CITY shall:

1. Review IMPROVEMENT PLANS and approve when CITY has determined that such plans meet CITY standards and are found acceptable to CITY prior to the start of PROJECT construction. CITY shall not request any modifications on the IMPROVEMENT PLANS without prior DISTRICT approval.

2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER, in accordance with CITY's municipal code or ordinance, including any amendments thereto, for the estimated cost for construction of DISTRICT DRAINAGE FACILITIES as determined by DISTRICT and of CITY FACILITIES as determined by CITY and hold said bonds as provided in this Agreement. The surety, amount and form of the bonds, shall list CITY as an obligee and shall be subject to approval of DISTRICT (Attention: Contract Services Section) and CITY. The bonds shall remain in full force and effect until DISTRICT DRAINAGE FACILITIES are accepted by DISTRICT and CITY FACILITIES are accepted by CITY as complete. Both bonds shall be subscribed by an Admitted Surety Insurer, which is authorized to transact surety insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or larger. Should any bond or surety become insufficient, DEVELOPER shall furnish a new bond within ten (10) calendar days after receiving notice from CITY. CITY shall not release said bonds until DISTRICT provides CITY with a reproducible duplicate copy of "record drawings" and written notification that PROJECT is complete, as set forth in Section I.4.

3. Request DEVELOPER to update the construction schedule, as deemed necessary.
4. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way.
5. By execution of this Agreement, consent to DISTRICT recording of any Irrevocable Offer(s) of Dedication furnished by DEVELOPER pursuant to this Agreement.
6. As requested by DISTRICT, accept the Irrevocable Offer(s) of Dedication as set forth herein and any other outstanding offers of dedication necessary for the construction, inspection, operation and maintenance of DISTRICT FACILITIES and convey sufficient rights of way to DISTRICT to allow DISTRICT to construct, inspect, operate and maintain DISTRICT FACILITIES.
7. Inspect PROJECT construction.
8. Upon completion of PROJECT construction but prior to DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, convey or cause to be conveyed to DISTRICT the flood control easement(s), including ingress and egress, to the rights of way as shown in concept on Exhibit "D".
9. Accept ownership and sole responsibility for the operation and maintenance of CITY FACILITIES upon (i) DISTRICT acceptance of DISTRICT DRAINAGE FACILITIES for ownership, operation and maintenance; ii) CITY's final inspection of CITY FACILITIES and (iii) CITY's sole determination that CITY FACILITIES are constructed in accordance with plans and specifications and in a satisfactorily maintained condition.
10. Release occupancy permits in accordance with the approved Conditions of Approval for Tract Map No. 31896.

11. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portions of DISTRICT DRAINAGE FACILITIES are improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed:

1. DISTRICT may withhold acceptance for ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES unless and until DEVELOPER performs all obligations under this Agreement.

2. All construction work involved with PROJECT shall be inspected by DEVELOPER, DISTRICT and CITY but shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

3. DISTRICT and CITY personnel may observe and inspect all work being done on DISTRICT DRAINAGE FACILITIES but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT.

4. If DEVELOPER fails to commence construction of PROJECT within twenty-four (24) consecutive months after execution of this Agreement, then DISTRICT reserves the right to withhold issuance of the Notice to Proceed after this period of time pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT of the start of construction as set forth in Section I.15. In the event of a change in

the existing site conditions that materially affects PROJECT function or DISTRICT's ability to operate and maintain DISTRICT DRAINAGE FACILITIES, DISTRICT may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT

5. DEVELOPER shall complete construction of PROJECT within twelve (12) months after commencement of construction of PROJECT, unless CITY and DISTRICT agree to extend the time to complete construction. Failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for (i) DISTRICT to terminate the Agreement and (ii) CITY to perform the remaining work on PROJECT and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. Should CITY perform the remaining work on PROJECT under this section, DEVELOPER grants to CITY and CITY's officers, deputies, employees, agents, representatives, contractors and other designees the irrevocable permission to enter upon the Tract Map No. 31896 to complete construction and remaining work on PROJECT. This right of entry shall terminate when such construction and remaining work is complete. CITY shall subsequently reimburse DISTRICT from the funds paid by DEVELOPER's surety for any DISTRICT costs incurred.

6. In the event DEVELOPER wishes to expedite issuance of a Notice to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT for review and, if appropriate, approval. DISTRICT shall review the individual's qualifications and experience, and upon approval thereof, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT's behalf on all DISTRICT DRAINAGE FACILITIES construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.6 exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to

DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT's approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

7. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on DISTRICT or CITY designated legal holidays, DEVELOPER shall make a written request for permission from DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with the CITY's municipal code or ordinance, including any amendments thereto.

8. DEVELOPER shall indemnify, defend, and hold harmless, and require DEVELOPER's construction contractor(s) to indemnify, defend and hold harmless, DISTRICT, the County of Riverside and CITY (including their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, Council, elected and appointed officials, employees, contractors, agents and representatives) (individually and collectively hereinafter referred to as "Indemnitees") from any liability action, claim or damage whatsoever, based or asserted upon any acts, omissions, or services of DEVELOPER and/or DEVELOPER's construction contractor(s), (including their respective officers, employees, subcontractors, agents or representatives) (individually and collectively hereinafter referred to as

"Indemnitors") arising out of or in any way relating to this Agreement, including, but not limited to, property damage, bodily injury, or death or any other element of any kind or nature whatsoever. DEVELOPER or DEVELOPER's construction contractor(s) shall defend, at its sole expense, the Indemnitees, including all costs and fees (including, but not limited, to attorney fees, cost of investigation, defense and settlements or awards), in any claim or action based upon such alleged acts or omissions. All applicable indemnification provisions of this Agreement shall remain in effect following the termination of the Agreement.

9. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and may adjust, settle, compromise any such claim only with the prior consent of DISTRICT, the County of Riverside and CITY. Any such adjustment, settlement or compromise shall not in any manner whatsoever limit or circumscribe DEVELOPER's indemnification obligations to Indemnitees as set forth herein.

10. DEVELOPER and DEVELOPER's construction contractor(s) indemnification obligations hereunder shall be satisfied when DEVELOPER or DEVELOPER's construction contractor(s) has provided to DISTRICT and CITY the appropriate form of dismissal (or similar document) relieving DISTRICT, the County of Riverside, or CITY from any liability for the claim, proceeding or action involved.

11. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER or DEVELOPER's construction contractor(s) obligations to indemnify and hold harmless the Indemnitees herein from third party claims.

12. In the event there is conflict between this section and California Civil Code Section 2782, this section shall be interpreted to comply with California Civil Code Section 2782.

Such interpretation shall not relieve DEVELOPER or DEVELOPER's construction contractor(s) from indemnifying the Indemnitees to the fullest extent allowed by law.

13. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, the County of Riverside, and CITY (including their respective agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, Council, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release of DEVELOPER by DISTRICT, the County of Riverside, or CITY (including each of their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, Council, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of PROJECT, after the acceptance of PROJECT by DISTRICT and CITY, as described in this Agreement.

14. Any waiver by any Party hereto of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party hereto to require exact, full and complete compliance with any terms of this Agreement of any other Party shall not be construed as in any manner changing the terms hereof, or stopping such Party from enforcement hereof.

17. agreements and understandings, oral or written, in connection therewith. This Agreement may be changed or modified only upon the written consent of Parties hereto.

25. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which taken together shall constitute one and the same instrument.
