BACKGROUND:

Summary

On June 20, 2017 (Minute Order 10.1), the Board of Commissioners adopted Resolution No. 2017-005, approving and authorizing the acceptance of transfer of the real property acquired by the former Redevelopment Agency for the County of Riverside located in the Cities of Jurupa Valley and Hemet, and the Unincorporated Community of Nuevo, County of Riverside, California, Assessor's Parcel Numbers 177-051-001, 177-051-002, 177-051-003, 181-030-011, 181-111-015, 426-180-020, and 443-050-006, to the Housing Authority of the County of Riverside (HACR). HACR is the current owner of approximately 0.52 acres of land in Jurupa Valley located at 30th Street between Florine Avenue and Apple Avenue, more specifically identified as Assessor Parcel Numbers 177-051-001, 177-051-002, and 177-051-003 (Property).

**SUBMITTAL TO THE BOARD OF COMMISSIONERS HOUSING AUTHORITY
COUNTY OF RIVERSIDE, STATE OF CALIFORNIA**

Riverside Housing Development Corporation (RHDC), a California nonprofit public benefit corporation and affordable housing developer, is proposing to explore and negotiate in good faith a potential disposition and development agreement to develop and build 30th & Florine, a 9-unit affordable housing project on the Property restricted for persons earning 80% or less of the area median income for the County of Riverside (Proposed Project).

RHDC desires to enter into the attached proposed Exclusive Negotiation Agreement (ENA) with HACR to explore feasibility and negotiate in good faith a possible disposition and development agreement, or such other type of agreement as the parties may deem appropriate, to specify their rights and obligations with respect to the sale of the Property and development of the Proposed Project. The ENA will provide for, among other things, a predevelopment grant from HACR to RHDC in the amount of \$315,000 to pay costs to make a full analysis, including environmental assessment, and investigation of financing and development of the Property, including initiating and completing the process for the necessary entitlements. The ENA does not constitute a commitment to sell or develop the Property; any agreement arising out of the ENA will be subject to approval of the Board of Commissioners and approval as to form by County Counsel. RHDC will process entitlements and may seek other leveraging sources for the development of the Proposed Project. The term of the proposed ENA is approximately 12 months with a one (1) year extension, should the parties mutually agree.

The ENA does not constitute a project pursuant to the California Environmental Quality Act and State CEQA Guidelines (CEQA). Pursuant to State CEQA Guidelines section 15004(b), approval by HACR of the ENA does not vest any development rights and will not result in any physical change to the environment. The ENA requires the Developer to obtain all necessary land use approvals and entitlements from the City of Jurupa Valley including compliance with CEQA. As the jurisdiction exercising land use control over the Property, the City of Jurupa Valley will be the lead agency for purposes of CEQA. The ENA does not commit the lead agency to any definite course of action or foreclose alternatives or mitigation measures that would ordinarily be part of CEQA review.

The Proposed Project set forth in the ENA is in line with the HACR's mission of providing affordable, decent, safe, and sanitary housing for low-income families. County Counsel has reviewed and approved as to form the form of the ENA. Staff recommends approval of the form of the attached ENA.

Impact on Residents and Businesses

The potential development of 9 affordable units will have a positive impact on the residents in the County of Riverside as it will create much needed affordable housing in the County as well as create construction, maintenance, and property management jobs.

Additional Fiscal Information

No impact upon the County's General Fund; the County's contribution for the predevelopment grant will be funded with Low and Moderate Income Housing Asset program funds. These funds are local County former RDA funds in which State laws apply.

I. WHEREAS, facilitating the development of the Property for affordable multi-family rental housing would also assist the County and the State of California in achieving its goals of assisting families of low-income; and

J. WHEREAS, the purpose of this Agreement is to establish the procedures and standards for the negotiation by the Parties of a Disposition, Development, and Loan Agreement or such other type of agreement as the Parties may deem appropriate for the disposition of the Property and development of the Project (“DDLA”). This Agreement in itself does not grant RHDC or any successor or affiliated entity the right to acquire the Property and/or develop the Project.

NOW, THEREFORE, HACR and RHDC hereby mutually agree as follows:

I. Recitals

The aforementioned recitals are incorporated herein by this reference and made a part of this Agreement.

II. Negotiation

A. Good Faith Negotiations

The Parties agree for the Negotiation Period (defined below) to negotiate diligently and in good faith, pursuant to this Agreement, to prepare a DDLA to be entered into between the Parties with respect to HACR’s disposition of and the development of the Property; provided, however, by entering into this Agreement, the Parties are not required to enter into a DDLA. HACR agrees for the Negotiation Period, and the Extension Period (defined below), not to negotiate with any other person or entity to enter into any agreement regarding the acquisition, lease, disposition or development of the Property. "Good faith negotiations" as used herein shall mean that the Parties shall use their best efforts to communicate frequently and follow reasonable negotiation procedures to develop a DDLA mutually acceptable to the Parties.

RHDC will bear its own costs and expenses, including, but not limited to, attorneys’ fees, incurred or to be incurred in connection with negotiating and preparing this Agreement and the DDLA and in carrying out its obligations under this Agreement (“Direct Costs”).

Nothing in this Agreement shall be deemed a covenant, promise, or commitment by the HACR with respect to the disposition of the Property.

B. Period of Negotiations

The negotiating period shall commence on the Effective Date (defined below) and end September 30, 2024 (“Negotiating Period”), subject to extension. The Negotiating Period may be extended for an additional one-year period (“Extension Period”) by the written mutual agreement

of the Parties. The Executive Director of the HACR, or designee, has the authority, at his or her discretion, to consent to an extension of the Negotiation Period on behalf of the HACR. In determining whether or not to consent to an extension of the Negotiating Period, the Executive Director may consider the following factors: (i) whether sufficient progress in accomplishing the tasks set forth in the Schedule of Performance, attached hereto as Exhibit "C" and incorporated herein by this reference, has occurred, and (ii) whether the Parties are continuing to work toward a mutually acceptable DDLA. Each Party agrees to endeavor in good faith to expeditiously complete the tasks set forth in the Schedule of Performance which are in such Party's reasonable control.

If a DDLA has not been executed by the Parties by the expiration of the Negotiating Period, including any Extension Period, then this Agreement shall terminate, and upon such termination, neither Party shall have any further rights or obligations under this Agreement except as set forth in Section IX of this Agreement, and the HACR shall be free to negotiate with any other persons or entities with regard to the Property after such termination. If a DDLA is executed by the Parties, then, upon such execution, this Agreement shall terminate and all rights and obligations of the Parties shall be as set forth in the fully executed DDLA.

The term "Effective Date" used herein shall mean that certain date this Agreement is executed by the Chair of HACR's Board of Commissioners.

Time is of the essence with respect to the performance of each of the covenants and agreements contained in this Agreement. While it is understood that all Parties will work in good faith, care will also be taken to ensure consistent and regular progress toward timely completion of the obligations set forth herein.

C. RHDC 's Obligations During the Negotiation Period

RHDC shall, within the Negotiating Period (including any mutually agreed upon Extension Period) satisfy the following obligations (unless otherwise waived in writing by the HACR's Executive Director or designee):

1. Investigate the projected costs of developing the Project, including the construction of all related on-site and off-site improvements for the Project;

5. Determine and process any California Environmental Quality Act (“CEQA”) documentation, at RHDC’s expense, including the fees and expenses of any RHDC hired consultants in connection with the preparation of said CEQA documentation required in connection with the proposed sale of the Property to RHDC and HACR’s approval of a DDLA;
6. During the Negotiation Period, initiate and submit to the appropriate Governmental Authorities (as defined in Section III. A. 4.) all applications for necessary entitlements (e.g., General Plan amendments, zone changes, parcel maps etc.) required for the development and construction of the Project as contemplated herein. The requirements set forth in this Section II. C. 8. include performing any necessary studies and or plans required for the entitlement process; and
7. Prepare and submit to HACR for its review the following pursuant to the Schedule of Performance attached hereto as Exhibit “C”:
 - a. A preliminary and final site plan and architectural/design concept for the proposed development of the Project, showing building layout and dimensions, parking, amenities, landscaping and access.
 - b. A schedule of the development of all structures and improvements proposed for the Project and an estimate of development costs including hard and soft costs.
 - c. A detailed financial plan for the Project containing matters typically contained in such analysis, including, without limitation, a detailed pro forma, development cost budget and sources of equity and debt capital securing construction and long term financing. The aforementioned estimates and project date shall be in sufficient detail to permit adequate financial analysis by the HACR.
 - d. Copies of all completed reports, studies, analyses, and similar documents prepared or commissioned by RHDC with respect to this Agreement and the Project, promptly upon their completion.

5. Arrange for and obtain, at HACR's expense, publication of notices of the public hearing for the 33433 Report pursuant to Health and Safety Code Section 33433.

III. Proposed Development

A. Development Concept and Essential Terms and Conditions

The proposed development to be negotiated hereunder shall include the development and construction of the Project on the Property of an approximate nine (9) unit affordable housing development.

The essential terms and conditions of any such DDLA entered into with RHDC shall be in conformance with the following requirements:

1. RHDC shall enter into a DDLA with HACR in accordance with the Schedule of Performance;
2. RHDC shall design and construct the Project on the Property, at its own cost and expense, in accordance with a Schedule of Performance to be negotiated as part of the DDLA and in accordance with the scope of development and plans and specifications prepared by RHDC and approved by HACR, and any CEQA and/or National Environmental Policy Act ("NEPA") requirements;

5. RHDC shall be responsible for marketing and leasing units for the Project;
6. Other terms and conditions applicable to the DDLA are as follows:

7. Forty-nine percent (49%) or four (4) of the housing units developed and operated as part of the Project shall be rented to and occupied by low income households earning 80 percent or less of the area median income for the County of Riverside, as determined by the California Department of Housing and Community Development, adjusted for household size appropriate for the unit. The final affordability, maximum income and lease rate requirements will be established in the DDLA and shall conform to Housing Authorities Law and the CRL.

B. Pre-Development Grant

In order to permit Developer to make a full analysis and investigation of possible acquisition, financing and development of the Property and in furtherance of its goal to provide safe and affordable housing within the County, effective as of the Effective Date, HACR has agreed to make a pre-development grant to Developer (the "Predevelopment Grant") to facilitate Developer's work relating to the Property and Project, including initiating and completing the process for the necessary entitlements required for the Project. The principal amount of the Predevelopment Grant shall not exceed **Three Hundred Fifteen Thousand Dollars (\$315,000)**. Except upon prior approval of HACR, distributions of funds from the Predevelopment Grant shall only be used by Developer to pay for predevelopment activities listed in Exhibit "C," which is attached hereto and by this reference incorporated herein, provided that the Developer may use any or all of the dollar amount depicted as "Contingency" for any development activity line item that exceeds the amount depicted on Exhibit "C". Prior to Developer incurring any cost not listed in Exhibit "C", Developer shall obtain HACR's written approval. In no event shall HACR be obligated to distribute more than the above referenced Predevelopment Grant amount.

HACR specifically prohibits Developer using Predevelopment Grant funds to reimburse any legal expenses incurred by Developer and any Developer's staffing, administration, and general expenses incurred by Developer.

Any month in which Developer wishes to receive a Predevelopment Grant disbursement, Developer shall submit to HACR an invoice for a portion of the Predevelopment Grant. Such invoice shall (i) describe in detail the predevelopment activities by Developer, including time, materials and amount sought and (ii) include a copy of the any billing and/or advance payment by Developer for any such predevelopment expenses. The invoice shall include copies of all supporting documentation (i.e., invoices, cancelled checks, etc.) to support the request. The invoice shall contain a certification by an authorized representative of Developer specifying that the reimbursement in question is for the work performed in accordance with the terms of the Agreement. HACR reserves the right, in its sole and absolute discretion, to deny a cost should the cost be deemed a prohibited cost.

C. Assignment of Contracts

Developer's assignable interest and rights to the following: 1) all construction contracts and subcontracts now or hereafter entered into for the Project, 2) all supply contracts and subcontracts now or hereafter entered into for the Project, 3) all contracts with architects, landscape architects, environmental consultants, geologists, surveyors, engineers, or other development consultants now or hereafter entered into for the Project, 4) all plans, specifications, drawings, data, and studies produced by these architects and development consultants for development of the Project, now or hereafter shall be assigned to HACR by an assignment agreement in a form mutually acceptable to HACR and Developer. Developer shall use its best efforts to cause that the third parties to the contracts referenced above for Project work consent to the assignment of these contracts to HACR.

D. RHDC's Findings, Determinations, Studies, and Reports

From time-to-time, as reasonably requested by HACR, RHDC shall provide written Project status and monthly written progress reports, unless otherwise requested by HACR, advising HACR on all matters related to the Project development, including, but not limited to, financial feasibility analyses, construction cost estimates, marketing studies, and similar due diligence matters. Should negotiations not result in a DDLA between HACR and RHDC, HACR may use the information provided by RHDC (excluding any confidential or proprietary information prepared or commissioned by RHDC, or keep subject to the proprietary rights of the authors or preparers, any confidentiality agreements and any privileges recognized by applicable law, subject to the requirements set forth in the California Public Records Act) in any way deemed by HACR to be of benefit to HACR. All costs incurred by RHDC in the preparation and presentation of such findings, determinations, studies, reports or other requests by the HACR under this Agreement shall be at the sole expense of RHDC.

IV. Purchase Price and/or Other Consideration

The purchase price for the Property to be paid to the HACR by RHDC will be established in the DDLA and shall conform with all applicable laws.

V. Environmental Requirements

Certain State and local environmental requirements under CEQA may be applicable to the proposed Project. HACR's Board of Commissioners will consider the DDLA upon submission of HACR's successful negotiations with RHDC on the terms and conditions agreed to by RHDC. Prior to the disposition of the Property, RHDC agrees to determine and process any CEQA documentation, at RHDC's sole expense.

RHDC shall indemnify and hold harmless the HACR and the County of Riverside, their respective Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, Board of Commissioners, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "Indemnitees") from any liability whatsoever, based or asserted upon any CEQA challenge related to the Project, except to the extent such liability is caused by the gross negligence or willful

VI. Assignment

RHDC shall not assign all or any part of this Agreement without the prior written approval of HACR, except to a limited partnership, limited liability company or other entity formed for financing the Project, in which RHDC is a co-general partner (if a limited partnership) or a managing member (if a limited liability company) is a managing general partner (if a limited partnership) or a co-managing member (if a limited liability company); provided, however, any of the aforementioned transfers shall be subject to the approval of documentation by the HACR Executive Director or designee, which approval shall not be unreasonably withheld or delayed. HACR, in its reasonable discretion, may approve an assignment to any other entity if, in the reasonable determination of HACR, the proposed assignee is comparable in all material respects (including experience, character and financial capability) to RHDC. Any such change (or assignment of this Agreement in connection therewith) shall be by instruments approved in writing as to form and content by the HACR's Executive Director, or designee, and County Counsel, and if HACR approval is required pursuant to this Section VI, subject to the approval by HACR's Board of Commissioners. RHDC shall promptly notify HACR in writing of any and all changes whatsoever in the identity of the Parties in control of RHDC or the degree thereof, of which it or any of its officers have been notified or otherwise have knowledge or information.

VII. Condition of Site

RHDC will assume the full and complete responsibility to make all investigations of surface and subsurface conditions as may be necessary or appropriate and to evaluate the suitability of the Property for the proposed Project. Neither HACR nor the County shall make any representations or warranties concerning the Property, its suitability for the use intended by RHDC, or the surface or subsurface conditions of the Property.

Such work plan shall be provided not less than three (3) working days in advance of any environmental testing or sampling activity contemplated under this Agreement.

- B. That all acts and things done by RHDC on the Property will be done in a careful and reasonable manner, in accordance with all federal, state and local laws;
- C. RHDC will enter the Property entirely at its own cost, risk and expense;
- D. During the term of this Agreement, RHDC shall require each and all of RHDC's contractors/consultants responsible for the Work under this Agreement with whom RHDC enters into a written contract for such Work to maintain, in full force and effect, statutory workers' compensation insurance coverage and a commercial general liability policy in the amount of at least Two Million Dollars (\$2,000,000) combined single limit policy. Not less than three (3) working days prior to entry on the Property, RHDC shall cause RHDC's contractors/consultants with whom RHDC enters into a written contract for such Work to provide certificates evidencing such coverage and naming HACR as additionally insured, as their interests may appear;

RHDC shall not suffer or permit to be enforced against the Property, or any part thereof, any mechanics', material men's, contractors' or subcontractors' liens or any claim for damage arising from any Work performed by RHDC or RHDC's designee's use of and activities upon the Property pursuant to this Agreement. RHDC shall pay, or cause to be paid, all said liens, claims or demands before any action is brought to enforce the same against the Property;
- F. RHDC shall not have any interest in the Property or be entitled to any reimbursement or repayment for any Work performed upon the Property pursuant to this Agreement;

- G. RHDC shall take all necessary precautions to prevent the import and/or release into the environment of any hazardous materials which are imported to, in, on or under the Property during the performance of the Work. If hazardous materials are imported onto the Property as a result of the performance of the Work, RHDC shall be solely responsible for removing such imported hazardous materials in conformance with all governmental requirements. RHDC shall report to HACR, as soon as possible after each incident, any incidents with respect to the environmental condition of the Property; and
- H. RHDC shall obtain and maintain all governmental permits and approvals required for the Work conducted under this Agreement and shall comply with all statutes, ordinances, rules, regulations, orders and requirements now in effect or that become effective during the term of this Agreement applicable to its sampling and other activities pursuant to the access granted by this Agreement.

IX. Indemnity

RHDC shall indemnify and hold harmless the HACR and the County of Riverside, their respective Agencies, Districts, Special Districts and Departments, their respective directors, officer's, Board of Supervisors, Board of Commissioners, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "Indemnitees") from any liability whatsoever, based or asserted upon any services of RHDC, its officers, employees, subcontractors, consultants, agents or representatives arising out of or in any way relating to this Agreement, including but not limited to property damage, bodily injury, or death or any other element of any kind or nature whatsoever arising from the performance of RHDC, its officers, agents, employees, subcontractors, agents or representatives under this Agreement, except to the extent such liability is caused by the gross negligence or willful misconduct of any Indemnitees, except in the event of the gross negligence or willful misconduct of the Indemnified parties; provided however, any gross negligence or willful misconduct of Indemnitees will only affect the duty to indemnify for the specific act found to be gross negligence or willful misconduct, and will not preclude a duty to indemnify for any act or omission of RHDC. RHDC shall pay, at its sole expense, all costs and fees including, but not limited, to attorneys' fees, cost of investigation, defense and settlements or awards, of the Indemnitees in any claim or action based upon such alleged acts or omissions.

With respect to any action or claim subject to indemnification herein by RHDC, RHDC shall, at their sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, or compromise any such action or claim without the prior consent of the Indemnitees; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes RHDC's indemnification to the Indemnitees as set forth herein.

RHDC's obligation hereunder shall be satisfied when RHDC has provided to HACR the appropriate form of dismissal relieving HACR and/or the Indemnitees from any liability for the action or claim involved.

The specified insurance limits required in this Agreement shall in no way limit or circumscribe RHDC's obligations to indemnify and hold harmless the Indemnitees herein from

third party claims.

In the event there is conflict between this clause and California Civil Code Section 2782, this clause shall be interpreted to comply with Civil Code 2782. Such interpretation shall not relieve RHDC from indemnifying the Indemnitees to the fullest extent allowed by law. RHDC's indemnity obligations contained in this Section IX shall survive the expiration and termination of this Agreement.

X. Default and Remedies

(a) Failure by either Party to negotiate in good faith as provided in this Agreement shall constitute an event of default under this Agreement. The non-defaulting Party shall give written notice of a default to the defaulting Party, specifying the nature of the default and the required action to cure the default. If a default remains uncured forty five (45) days after receipt by the defaulting Party of such notice, the non-defaulting Party may exercise the remedies set forth in subsection (b) below.

(b) Remedies.

(1) HACR Default. In the event of an uncured default by HACR under this Agreement, RHDC shall be entitled to terminate this Agreement upon written notice of termination delivered to the other Parties. The Parties hereby waive the right to specific performance as a remedy under this Agreement.

(2) RHDC Default. In the event of an uncured default by RHDC under this Agreement, HACR shall be entitled to terminate this Agreement upon written notice of termination delivered to the other Parties. The Parties hereby waive the right to specific performance as a remedy under this Agreement.

(c) Waiver of Default.

Except as otherwise expressly provided in this Agreement, any failure or delay by a Party asserting any of its rights or remedies as to any default shall not operate as a waiver of said default or of any rights or remedies in connection therewith or of any subsequent default or any rights or remedies in connection therewith, or deprive such Party of its right to institute and maintain any actions or proceedings which it may deem necessary to protect, assert or enforce any such rights or remedies.

XI. RHDC Employees and Liabilities

It is understood that persons engaged or employed by RHDC as employees, agents, or independent contractors shall be engaged or employed by RHDC and not by HACR. RHDC alone is responsible for their work, direction, compensation and personal conduct. Nothing included in

XII. RHDC's Obligation to Refrain from Discrimination; RHDC's Obligation Toward Equal Opportunity

RHDC will not discriminate against any employees or applicants for employment because of race, color, religion, creed, national origin, ancestry, sex, sexual orientation, gender identity, age, disability, medical condition, or marital status.

XIII. Nonliability of Officials, Officers, Members, and Employees

No member, official, officer, or employee of the HACR or the County shall be personally liable to RHDC, or any successor in interest, in the event of any default or breach by the HACR or for any amount which may become due to RHDC or to any successor, or on any obligations under the term of this Agreement.

XIV. Waivers; Amendments

All waivers of the provisions of this Agreement must be in writing and signed by the appropriate authorities of the Party to be charged, and all amendments and modifications hereto must be in writing and signed by the appropriate authorities of the HACR and RHDC.

XV. Actions By HACR

The Executive Director of HACR or designee(s) are authorized to take such ministerial actions as may be necessary or appropriate to implement the terms, provisions, and conditions of this Agreement as it may be amended from time to time by HACR.

XVI. Real Estate Commissions

HACR shall not be liable for any real estate commissions or brokerage fees which may arise herefrom. HACR and RHDC each represents that it has engaged no broker, agent or finder in connection with this transaction, and RHDC agrees to hold the HACR harmless from any claim by any broker, agent or finder which it has retained.

XVII. Acknowledgments and Reservations

If the negotiations hereunder culminate into a DDLA, such DDLA will become effective only after and if it has been considered and approved by HACR's Board of Commissioners and the County Board of Supervisors, as required by law.

a. Not Binding

The Parties acknowledge and agree that this Agreement is for the sole purpose of stating the intention of the Parties to negotiate a DDLA. The Parties have not reached agreement on the matters to be set forth in the DDLA and do not intend to be bound to the disposition and development of the Property until such time as a final written DDLA is executed by all Parties.

The HACR's acknowledgment of this Agreement is merely an agreement to enter into a period of negotiations according to the concepts presented herein, reserving final discretion and approval by the HACR's Board of Commissioners, or any other agencies of the County as to any actions required of them, if any.

b. No Further Obligations

The HACR and RHDC agree that neither the HACR nor RHDC shall be under any further obligation to each other regarding disposition of the Property or the development of the proposed Project on the Property if this Agreement expires, is terminated for any reason, or a DDLA is not executed by the HACR and RHDC.

c. No Agreement

RHDC acknowledges and agrees that no provision of this Agreement shall be deemed to be an offer by the HACR, nor an acceptance by the HACR of any offer or proposal from Parties, for the HACR to convey to RHDC any interest in all or a portion of the Property or in or to the Property, or for the HACR to provide any financial or other assistance to RHDC for development of the Property.

d. No Acquisition

Parties acknowledges and agrees that it has not acquired, nor will acquire, by virtue of the terms of this Agreement, any legal or equitable interest in the Property or any other real or personal property of the HACR.

The final form of any proposed DDLA to be negotiated may contain matters not contemplated by this Agreement, including, but not limited to, matters necessary to accommodate compliance with law, including without limitation CEQA.

Upon request by HACR, RHDC, on behalf of General Contractor, shall declare all terms, conditions, coverages and limits of such policy. Such policy shall name the HACR as a loss payee as their interest may appear. If RHDC's or General Contractor's insurance carrier(s) policies do not meet the minimum notice requirement found herein, RHDC shall cause

RHDC's or General Contractor's insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.

- 4) In the event of a material modification, cancellation, expiration, or reduction in coverage, this Agreement shall terminate forthwith, unless the HACR receives, prior to such effective date, another properly executed original Certificate of Insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto evidencing coverage's set forth herein and the insurance required herein is in full force and effect. Developer RHDC desires to enter into an Exclusive Negotiation Agreement (ENA) with the HACR to explore feasibility and negotiate in good faith a possible disposition and development agreement, or such other type of agreement as the parties may deem appropriate, to specify their rights and obligations with respect to the sale of the Property and development of the Proposed Project. The ENA will provide for, among other things, a predevelopment grant from HACR to RHDC to pay costs to make a full analysis, including environmental assessment, and investigation of financing and development of the Property, including initiating and completing the process for the necessary entitlements. The ENA does not constitute a commitment to sell or develop the Property.

(Tentative date)

The ENA does not constitute a project pursuant to the California Environmental Quality Act and State CEQA Guidelines (CEQA). Pursuant to CEQA Guidelines Section 15004(b), approval of the ENA does not vest any development rights and will not result in any physical change to the environment. The ENA requires the Developer to obtain all necessary land use approvals and entitlements from the City of Jurupa Valley including compliance with CEQA. As the jurisdiction exercising land use control over the Property, the City of Jurupa Valley will be the lead agency for purposes of CEQA. The ENA does not commit the lead agency to any definite course of action or foreclose alternatives or mitigation measures that would ordinarily be part of CEQA review.
