Upon completion of construction, the District will assume ownership and responsibility for the operation and maintenance of the underground storm drain systems greater than 36 inches in diameter, slope protection barriers, signage and fencing for the referenced District drainage facilities.

The City will assume ownership and responsibility for the operation and maintenance of the project's associated catch basins, inlets, connector pipes and laterals that are 36 inches or less in diameter located within City right of way. The project proposes three (3) basins that provide both stormwater detention and water quality management. The District and the City will assume responsibility for the inspection and maintenance of their respective basin features.

County Counsel has approved the Agreements as to legal form, and the City and Developer have executed the Agreements.

Environmental Findings

The Agreements are exempt from CEQA pursuant to the CEQA Guidelines Section 15061(b)(3) (Common Sense Exemption), which provides, "The activity is covered by the common-sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA." The Agreements do not authorize actual physical development of the

underlining property to any extent whatsoever. The Agreements merely establish the terms and conditions under which the District will accept future Operation and Maintenance responsibilities of the facilities identified in the Agreements if and when they are constructed. Such development, if it occurs at all, is subject to separate CEQA review by the lead agency with land use authority over the development prior to construction. As such, execution of these Agreements is a separate and distinct project under CEQA from the development of the site, therefore, it can be seen with certainty that there is no possibility that executing these Agreements will have a significant effect on the environment.

Impact on Residents and Businesses

As noted above, construction of these drainage improvements is the responsibility of the Developer as required for the development of Tract Map Nos. 37408 and 37409. The principal beneficiaries are the future residents of the tract. Ancillary benefits will accrue to the public who will utilize the tract's roadways.

Additional Fiscal Information

The Developer is funding all construction and inspection costs. Future operation and maintenance costs of the District maintained storm drain facilities will accrue to the District.

4. If applicable, DISTRICT shall request CITY review any requested Irrevocable Offer(s) of Dedication in connection with PROJECT and accept any such Irrevocable Offers of Dedication on behalf of DISTRICT. In the same action, CITY shall immediately convey the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication to DISTRICT via quitclaim or other similar conveyance document, which shall be prepared by DISTRICT. DISTRICT shall be deemed to have accepted the property interest(s) associated with

the requested Irrevocable Offer(s) of Dedication upon the recordation of the conveyance document. If applicable, DISTRICT shall then record or cause to be recorded, the Irrevocable Offer(s) of Dedication pursuant to Section I.10. Neither this Section nor Section I.10 restricts CITY's ability to require any other lawful Irrevocable Offer(s) of Dedication from DEVELOPER.

5. Inspect construction of DISTRICT FACILITIES, CHAMBERS AVE DEBRIS BASIN, SHERMAN ROAD DEBRIS BASIN and ROUSE ROAD DEBRIS BASIN.

6. Keep an accurate accounting of all DISTRICT costs associated with the review and approval of IMPROVEMENT PLANS, the review and approval of right of way and conveyance documents, and the processing and administration of this Agreement.

7. Keep an accurate accounting of all DISTRICT construction inspection costs and, within forty-five (45) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete, submit a final cost statement to DEVELOPER. If the deposit as set forth in Section I.3 exceeds such costs, DISTRICT shall reimburse DEVELOPER the excess amount within sixty (60) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete.

8. Prior to DISTRICT acceptance of ownership and responsibility for the operation and maintenance of DISTRICT FACILITIES, DISTRICT FACILITIES shall be in a satisfactorily maintained condition as solely determined by DISTRICT. If, subsequent to the inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES or PROJECT are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

9. Accept ownership and sole responsibility for the operation and maintenance of DISTRICT FACILITIES from DEVELOPER upon (i) DISTRICT inspection of DISTRICT FACILITIES, CHAMBERS AVE DEBRIS BASIN, SHERMAN ROAD DEBRIS BASIN and ROUSE ROAD DEBRIS BASIN in accordance with Section I.20, (ii) DISTRICT acceptance of DISTRICT FACILITIES construction as being complete in accordance with DISTRICT and

CITY approved IMPROVEMENT PLANS, (iii) DISTRICT receipt of stamped and signed RECORD DRAWINGS of PROJECT plans as set forth in Section I.25, (iv) DISTRICT acceptance of all rights of way as deemed necessary by DISTRICT and CITY for the ownership, operation and maintenance of DISTRICT FACILITIES and CITY FACILITIES, (v) DISTRICT receipt of the related policies of title insurance as set forth in Section I.22, (vi) DISTRICT acceptance of its maintenance responsibilities in accordance with the Detention Basin Maintenance Notes on DISTRICT Drawing No. 4-1197 and DISTRICT Drawing No. 4-1202 for CHAMBERS AVE DEBRIS BASIN, SHERMAN ROAD DEBRIS BASIN and ROUSE ROAD DEBRIS BASIN, (vii) CITY acceptance of CITY FACILITIES for ownership, operation and maintenance and (viii) DISTRICT sole determination that DISTRICT FACILITIES are in a satisfactorily maintained condition. If, subsequent to the inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

10. Provide CITY with a reproducible duplicate copy of the RECORD DRAWINGS of PROJECT plans within ten (10) calendar days of receipt.

11. In the event CITY wishes to utilize DISTRICT construction inspection, materials testing and construction survey services, and CITY provides DISTRICT with a written request for such services under Section III.3, DISTRICT shall provide a timely response whether or not they have the resources to perform such services. If DISTRICT wishes to provide such services, DISTRICT shall provide all necessary construction inspection, materials testing and construction survey services for PROJECT and assist CITY as needed with the administration of PROJECT construction contract. DISTRICT hereby agrees to pay all DISTRICT costs associated with the inspection of PROJECT construction, as set forth herein.

SECTION III

CITY shall:

1. Review and approve IMPROVEMENT PLANS prior to the start of PROJECT construction.
2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER as set forth in Section I.7, and hold said bonds as provided herein.
3. Inspect PROJECT construction or cause PROJECT construction to be inspected by its construction manager, to be reimbursed by the DEVELOPER. In the event CITY wishes to utilize DISTRICT construction inspection, materials testing and construction survey services, CITY shall provide DISTRICT with a written request (Attn: Construction Management Section) for such services pursuant to Section II.11.
4. Upon request by DISTRICT, CITY shall review any requested Irrevocable Offer(s) of Dedication in connection with the PROJECT and accept any such Irrevocable Offers of Dedication on behalf of DISTRICT. In the same action, CITY shall immediately convey the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication to DISTRICT via quitclaim or other similar conveyance document, which shall be prepared by DISTRICT. DISTRICT shall be deemed to have accepted the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication upon the recordation of the conveyance document.
5. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way, provided DISTRICT (including its employees, supervisors, agents, contractors and anyone else operating under their direction) exercises such right(s) in a safe and reasonable manner that does not adversely impact public health and safety.
6. Accept ownership and sole responsibility for the operation and maintenance

of CITY FACILITIES upon (i) DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, (ii) CITY inspection of PROJECT in accordance with Section I.20, (iii) CITY and DISTRICT acceptance of PROJECT construction as being complete in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS, (iv) CITY receipt of signed reproducible duplicate copy of RECORD DRAWINGS of PROJECT plans as set forth in Section II.10, (v) CITY acceptance of all rights of way as deemed necessary by DISTRICT and CITY for the ownership, operation and maintenance of DISTRICT FACILITIES and CITY FACILITIES and (vi) CITY's sole determination that PROJECT is in a satisfactorily maintained condition. In addition to the foregoing, CITY acceptance under this Section shall not be effective until DISTRICT acceptance of the DISTRICT FACILITIES under Section II, above. As such, until DISTRICT accepts DISTRICT FACILITIES, the ownership and maintenance obligations regarding CITY FACILITIES shall be the sole responsibility of DEVELOPER.

7. Release occupancy permits in accordance with the approved conditions of approval.

8. Notwithstanding any of the foregoing, prior to accepting ownership of CITY FACILITIES, PROJECT shall be in a satisfactorily maintained condition as solely determined by CITY. If, subsequent to the inspection and in the sole discretion of CITY, CITY FACILITIES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

9. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portion of DISTRICT FACILITIES is improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed by the Parties hereto that:

1. All work involved with PROJECT shall be inspected by DISTRICT and CITY, and shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

2. CITY and DEVELOPER personnel may observe and inspect all work being done on PROJECT but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT. Prior to any communication with DEVELOPER under this Section, DISTRICT and CITY personnel shall meet and confer and agree to all communications conveyed to DEVELOPER. If DISTRICT and CITY should disagree as to the content of any particular communication, DISTRICT personnel agree to communicate CITY comments to DEVELOPER in addition to DISTRICT comments.

3. DEVELOPER shall complete construction of PROJECT within eighteen (18) consecutive months after execution of this Agreement and within three hundred sixty-five (365) consecutive calendar days after commencing work on PROJECT, unless CITY and DISTRICT agree to extend the time to complete construction. It is expressly understood that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. In which case, CITY shall subsequently reimburse DISTRICT for DISTRICT costs incurred from the proceeds of any funds received from DEVELOPER's surety to the extent any are received.

4. If DEVELOPER fails to commence construction of PROJECT within nine (9) months after execution of this Agreement, then DISTRICT and CITY reserve the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as

they exist at the time DEVELOPER provides written notification to DISTRICT and CITY of the start of construction as set forth in Section I.8. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT ability to operate and maintain DISTRICT FACILITIES or CITY ability to operate and maintain CITY FACILITIES, DISTRICT or CITY may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT or CITY. Under no circumstances shall either DISTRICT or CITY be allowed to modify the IMPROVEMENT PLANS without the consent of the other.

5. DISTRICT and CITY shall endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice as set forth in Section I.8; however, DISTRICT and CITY construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.

In the event DEVELOPER wishes to expedite issuance of the Notice(s) to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT and CITY for review and, if appropriate, approval as determined by DISTRICT and CITY in their reasonable discretion. DISTRICT and CITY shall review the individual's qualifications and experience and, upon approval by DISTRICT and CITY, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT and CITY behalf on all PROJECT construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.3. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT or CITY designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission to DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY, whose respective decisions can be given at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside, as well as CITY applicable fee schedule and/or other related ordinance or regulation. Notwithstanding the foregoing, should DISTRICT agree to provide inspection and management services to CITY pursuant to a request by CITY under Section II.11 and Section III.3, above, CITY can also agree to not require its consent under this section.

7. INDEMNIFICATION OBLIGATIONS:

- i. DEVELOPER INDEMNIFICATION OF DISTRICT AND COUNTY OF RIVERSIDE. DEVELOPER shall indemnify and hold harmless DISTRICT and County of Riverside including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "DISTRICT INDEMNITEES") from any liability whatsoever, claim, damage, proceeding or action, present or

future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, contractors, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement or failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT or (d) any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, contractors, subcontractors, agents or representatives ("INDEMNITORS") from this Agreement.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards), DISTRICT INDEMNITEES in any claim, proceeding or action for which indemnification is required. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and the County of Riverside; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DEVELOPER

indemnification obligations to the DISTRICT INDEMNITEES as set forth herein.

DEVELOPER indemnification obligations hereunder shall be satisfied when DEVELOPER has provided to DISTRICT and County of Riverside the appropriate form of dismissal (or similar document) relieving DISTRICT and County of Riverside from any liability for the claim, proceeding or action involved.

- ii. DEVELOPER INDEMNIFICATION OF CITY. DEVELOPER shall indemnify and hold harmless CITY, including its governing bodies, agencies, districts, councilmembers, special districts and departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives, (individually and collectively "CITY INDEMNITEES") from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to this Agreement, or DEVELOPER's (including its officers, employees, subcontractors, agents or representatives) actual or alleged acts or omissions related to this Agreement, DEVELOPER performance under this Agreement or DEVELOPER failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage

within or from PROJECT or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards), CITY INDEMNITEES with legal counsel reasonably satisfactory to CITY in any claim proceeding or action for which indemnification is required. If DEVELOPER fails to meet its indemnification obligation, CITY shall have the right, but not the obligation, to do so with counsel of their own choosing, with no right of approval by DEVELOPER and, if it does, DEVELOPER shall promptly pay CITY's full cost thereof, with payments made at least on a monthly basis.

DEVELOPER indemnification obligations as to CITY INDEMNITEES shall be satisfied when DEVELOPER has provided to CITY a form of dismissal regarding any liability for the claim, proceeding or action involved, and CITY determines that the form of dismissal is adequate in their sole and absolute discretion. Notwithstanding the foregoing, DEVELOPER shall enter into no settlement agreement or final resolution of any pending claim covered under this subsection, without CITY prior written approval.

- iii. Should DISTRICT and CITY fail to agree with the implementation of this Section or if a pending claim pertains to only one of the two Parties, DEVELOPER shall be required to comply with this Section as to DISTRICT and CITY individually.

- iv. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER obligations to indemnify and hold harmless DISTRICT INDEMNITEES and/or CITY INDEMNITEES from third party claims.
- v. In the event there is conflict between this Section and California Civil Code Section 2782, this Section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve the DEVELOPER from indemnifying DISTRICT INDEMNITEES or CITY INDEMNITEES to the fullest extent allowed by law.

8. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, County of Riverside and CITY (including their agencies, districts, special districts and departments, their respective directors, officer, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT, or County of Riverside, or their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT FACILITIES, after the acceptance of ownership, operation and maintenance of DISTRICT FACILITIES by DISTRICT.

9. Any waiver by any Party of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof or estopping any Party from enforcement hereof.

10. This Agreement is to be construed in accordance with the laws of the State of California. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall remain in full force and effect without being impaired or invalidated in any way.

13. This Agreement is the result of negotiations between the Parties hereto, and the advice and assistance of their respective counsel, as such the authorship of this Agreement shall have no import or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT prepared this Agreement in its final form. Likewise, any uncertainty or ambiguity in this Agreement shall not be construed against CITY because CITY participated in the preparation of this Agreement.

14. The rights, obligations and releases (including the indemnification obligations) of DEVELOPER shall inure to and be binding upon all heirs, successors and assignees.

15. DEVELOPER shall not assign or otherwise transfer any of its rights, duties or obligations hereunder to any person or entity without the written consent of the other Parties hereto being first obtained. In the event of any such transfer or assignment, DEVELOPER expressly understands and agrees that it shall remain liable with respect to any and all of the obligations and duties contained in this Agreement.

16. The individual(s) executing this Agreement on behalf of DEVELOPER hereby certify that they have the authority within their company to enter into and execute this Agreement and have been authorized to do so by any and all boards of directors, legal counsel, and/or any other board, committee or other entity within their company which have the authority to authorize or deny entering this Agreement.

17. DEVELOPER agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the CITY or DISTRICT has received a waiver of subrogation endorsement from the insurer. However, the Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the County of Riverside, CITY, and the Riverside County Flood Control and Water Conservation District for all work performed by the DEVELOPER, its employees, agents, contractors and subcontractors.

1. Review and approve IMPROVEMENT PLANS prior to the start of PROJECT construction.

2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER as set forth in Section I.7, and hold said bonds as provided herein.

3. Inspect PROJECT construction or cause PROJECT construction to be inspected by its construction manager, to be reimbursed by DEVELOPER. In the event CITY wishes to utilize DISTRICT construction inspection, materials testing and construction survey services, CITY shall provide DISTRICT with a written request (Attn: Construction Management Section) for such services pursuant to Section II.11.

4. Upon request by DISTRICT, CITY shall review any requested Irrevocable Offer(s) of Dedication in connection with PROJECT and accept any such Irrevocable Offers of Dedication on behalf of DISTRICT. In the same action, CITY shall immediately convey the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication to

DISTRICT via quitclaim or other similar conveyance document, which shall be prepared by DISTRICT. DISTRICT shall be deemed to have accepted the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication upon the recordation of the conveyance document.

5. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way, provided DISTRICT (including its employees, supervisors, agents, contractors and anyone else operating under their direction) exercises such right(s) in a safe and reasonable manner that does not adversely impact public health and safety.

6. Accept ownership and sole responsibility for the operation and maintenance of APPURTENANCES upon (i) DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, (ii) CITY inspection of PROJECT in accordance with Section I.20, (iii) CITY and DISTRICT acceptance of PROJECT construction as being complete in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS, (iv) CITY receipt of signed reproducible duplicate copy of RECORD DRAWINGS of PROJECT plans, as set forth in Section II.10, (v) CITY acceptance of all rights of way as deemed necessary by DISTRICT and CITY for the ownership, operation, and maintenance of DISTRICT FACILITIES and APPURTENANCES, and the (vi) CITY's sole determination that PROJECT is in a satisfactorily maintained condition. In addition to the foregoing, CITY acceptance under this section shall not be effective until DISTRICT acceptance of DISTRICT FACILITIES under Section II, above. As such, until DISTRICT accepts DISTRICT FACILITIES, the ownership and maintenance obligations regarding APPURTENANCES shall be the sole responsibility of DEVELOPER.

7. Release occupancy permits in accordance with the approved conditions of approval.

8. Notwithstanding any of the foregoing, prior to accepting ownership of

APPURTENANCES, PROJECT shall be in a satisfactorily maintained condition as solely determined by CITY. If, subsequent to the inspection and, in the sole discretion of CITY, APPURTENANCES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

9. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portion of DISTRICT FACILITIES is improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed by the Parties hereto that:

1. All work involved with PROJECT shall be inspected by DISTRICT and CITY, and shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

2. CITY and DEVELOPER personnel may observe and inspect all work being done on PROJECT but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT. Prior to any communication with DEVELOPER under this Section, DISTRICT and CITY personnel shall meet and confer and agree to all communications conveyed to DEVELOPER. If DISTRICT and CITY should disagree as to the content of any particular communication, DISTRICT personnel agree to communicate CITY comments to DEVELOPER in addition to DISTRICT comments.

3. DEVELOPER shall complete construction of PROJECT within thirty-six (36) consecutive months after execution of this Agreement and within two hundred forty (240) consecutive calendar days after commencing work on PROJECT, unless CITY and DISTRICT agree to extend the time to complete construction. It is expressly understood that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. In which case, CITY shall subsequently reimburse DISTRICT for DISTRICT costs incurred from the proceeds of any funds received from DEVELOPER's surety to the extent any are received.

4. If DEVELOPER fails to commence construction of PROJECT within nine (9) months after execution of this Agreement, then DISTRICT and CITY reserve the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT and CITY of the start of construction as set forth in Section I.8. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT ability to operate and maintain DISTRICT FACILITIES or CITY ability to operate and maintain APPURTENANCES, DISTRICT or CITY may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT or CITY. Under no circumstances shall either DISTRICT or CITY be allowed to modify the IMPROVEMENT PLANS without the consent of the other.

5. DISTRICT and CITY shall endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice as set forth in Section I.8; however, DISTRICT and CITY construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.

In the event DEVELOPER wishes to expedite issuance of the Notice(s) to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at

DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT and CITY for review and, if appropriate, approval as determined by DISTRICT and CITY in their reasonable discretion. DISTRICT and CITY shall review the individual's qualifications and experience and, upon approval by DISTRICT and CITY, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT and CITY behalf on all PROJECT construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.3. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT or CITY designated legal holidays, unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission to DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY, whose respective decisions can be given at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside, as well as CITY applicable fee schedule and/or other related ordinance or regulation. Notwithstanding the foregoing, should DISTRICT agree to provide

inspection and management services to CITY pursuant to a request by CITY under Section II.11 and Section III.3, above, CITY can also agree to not require its consent under this section.

7. INDEMNIFICATION OBLIGATIONS:

- i. DEVELOPER INDEMNIFICATION OF DISTRICT AND COUNTY OF RIVERSIDE. DEVELOPER shall indemnify and hold harmless DISTRICT and County of Riverside including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "DISTRICT INDEMNITEES") from any liability whatsoever, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, contractors, subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement or failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT or (d) any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, contractors, subcontractors, agents or representatives ("INDEMNITORS") from this Agreement.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards), DISTRICT INDEMNITEES in any claim, proceeding or action for which indemnification is required. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and the County of Riverside; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DEVELOPER indemnification obligations to DISTRICT INDEMNITEES as set forth herein.

DEVELOPER indemnification obligations hereunder shall be satisfied when DEVELOPER has provided to DISTRICT and County of Riverside the appropriate form of dismissal (or similar document) relieving DISTRICT and County of Riverside from any liability for the claim, proceeding or action involved.

- ii. DEVELOPER INDEMNIFICATION OF CITY. DEVELOPER shall indemnify and hold harmless CITY, including its governing bodies, agencies, districts, councilmembers, special districts and departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives, (individually and collectively "CITY INDEMNITEES") from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or

in any way relating to this Agreement, or DEVELOPER's (including its officers, employees, subcontractors, agents or representatives) actual or alleged acts or omissions related to this Agreement, DEVELOPER performance under this Agreement or DEVELOPER failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards), CITY INDEMNITEES with legal counsel reasonably satisfactory to CITY in any claim proceeding or action for which indemnification is required. If DEVELOPER fails to meet its indemnification obligation, CITY shall have the right, but not the obligation, to do so with counsel of their own choosing, with no right of approval by DEVELOPER and, if it does, DEVELOPER shall promptly pay CITY's full cost thereof, with payments made at least on a monthly basis.

DEVELOPER indemnification obligations as to CITY INDEMNITEES shall be satisfied when DEVELOPER has provided to CITY a form of dismissal regarding any liability for the claim,

proceeding or action involved, and CITY determines that the form of dismissal is adequate in their sole and absolute discretion. Notwithstanding the foregoing, DEVELOPER shall enter into no settlement agreement or final resolution of any pending claim covered under this subsection, without CITY prior written approval.

- iii. Should DISTRICT and CITY fail to agree with the implementation of this Section or if a pending claim pertains to only one of the two Parties, DEVELOPER shall be required to comply with this Section as to DISTRICT and CITY individually.
- iv. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER obligations to indemnify and hold harmless DISTRICT INDEMNITEES and/or CITY INDEMNITEES from third party claims.
- v. In the event there is conflict between this Section and California Civil Code Section 2782, this Section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve the DEVELOPER from indemnifying DISTRICT INDEMNITEES or CITY INDEMNITEES to the fullest extent allowed by law.

8. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, County of Riverside and CITY (including their agencies, districts, special districts and departments, their respective directors, officer, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the

California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT, or County of Riverside, or their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT FACILITIES, after the acceptance of ownership, operation and maintenance of DISTRICT FACILITIES by DISTRICT.

9. Any waiver by any Party of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party to require exact, full and complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof or estopping any Party from enforcement hereof.

10. This Agreement is to be construed in accordance with the laws of the State of California. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall remain in full force and effect without being impaired or invalidated in any way.

13. This Agreement is the result of negotiations between the Parties hereto, and the advice and assistance of their respective counsel, as such the authorship of this Agreement shall have no import or significance. Any uncertainty or ambiguity in this Agreement shall not be construed against DISTRICT because DISTRICT prepared this Agreement in its final form. Likewise, any uncertainty or ambiguity in this Agreement shall not be construed against CITY because CITY participated in the preparation of this Agreement.

14. The rights, obligations and releases (including the indemnification obligations) of DEVELOPER shall inure to and be binding upon all heirs, successors and assignees.

15. DEVELOPER shall not assign or otherwise transfer any of its rights, duties or obligations hereunder to any person or entity without the written consent of the other Parties hereto being first obtained. In the event of any such transfer or assignment, DEVELOPER expressly understands and agrees that it shall remain liable with respect to any and all of the obligations and duties contained in this Agreement.

16. The individual(s) executing this Agreement on behalf of DEVELOPER hereby certify that they have the authority within their company to enter into and execute this Agreement and have been authorized to do so by any and all boards of directors, legal counsel,

Exhibit B

Exhibit C

DISTRICT's and CITY's Required Insurance are as follows:

Without limiting or diminishing DEVELOPER's obligation to indemnify or hold DISTRICT or CITY harmless, DEVELOPER shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, the DISTRICT herein refers to the Riverside County Flood Control and Water Conservation District, the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If DEVELOPER has employees as defined by the State of California, DEVELOPER shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. Policy shall be endorsed to waive subrogation in favor of the Riverside County Flood Control and Water Conservation District, the County of Riverside, and CITY.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury and cross liability coverage, covering claims which may arise from or out of DEVELOPER's performance of its obligations hereunder. Additionally, Commercial General Liability insurance no less broad than ISO form CG 00 01. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds. Policy's limit of liability shall not be less than \$5,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. DISTRICT and CITY must be an additional insured for liability arising out of ongoing and completed operations by or on behalf of DEVELOPER. DISTRICT and CITY shall continue to be an additional insured for completed operations for two years after completion of the work. If DEVELOPER maintains higher limits than the specified minimum limits, DISTRICT and CITY require and shall be entitled to coverage for the higher limits maintained by DEVELOPER.

Exhibit C

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then DEVELOPER shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds.

D. Professional Liability:

DEVELOPER shall cause any architect or engineer retained by DEVELOPER in connection with the performance of DEVELOPER's obligations under this Agreement to maintain Professional Liability Insurance providing coverage for the performance of their work included within this Agreement, with a limit of liability of not less than \$2,000,000 per occurrence and \$4,000,000 annual aggregate. DEVELOPER shall require that, if such Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and that such architect or engineer shall purchase at such architect or engineer's sole expense either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from a new insurer with a retroactive date back to the date of, or prior to the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that such architect or engineer has maintained continuous coverage with the same or original insurer. Coverage provided under items: 1), 2) or 3) shall continue for the term specified in the insurance policy, which shall be reasonably acceptable to DISTRICT and CITY.

E. Pollution and Asbestos Liability:

DEVELOPER or its construction contractor(s) shall obtain, at its sole expense and keep in effect during the term of the contract, Pollution Legal Liability and/or Asbestos Legal Liability and/or Errors and Omissions (if project involves environmental hazards) covering DEVELOPER's or its construction contractor(s) liability for a third party bodily injury and property damage arising from pollution conditions caused by the DEVELOPER or its construction contractor(s) while performing their operations under the contract. The insurance coverage shall apply to sudden and accidental pollution events. Any coverage restriction as to time limit for discovery of a pollution incident and/or a time limit for notice to

Exhibit C

the insurer must be accepted by the DISTRICT and CITY. The insurance coverage shall also respond to cleanup cost. This coverage may be written in combination with the commercial general liability insurance or professional liability insurance.

DEVELOPER or its construction contractor(s) shall maintain Pollution Legal Liability and/or Asbestos Legal Liability and/or Errors and Omissions with limits no less than \$1,000,000 per occurrence or claim, and \$2,000,000 policy aggregate. The policy shall be endorsed to state that the general aggregate limit of liability shall apply separately to this contract. Any self-insured retention/deductible amount shall be submitted to the DISTRICT and CITY for review and approval. If DEVELOPER or its construction contractor(s) maintains broader coverage and/or higher limits than the minimums shown above, the DISTRICT and CITY require and shall be entitled to the broader coverage and/or higher limits maintained by DEVELOPER or its construction contractor(s). Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the DISTRICT and CITY.

In the event, DEVELOPER or its construction contractor(s) encounters materials on the site that is believed to be asbestos or polychlorinated biphenyl (PCB) which has not been rendered harmless, DEVELOPER or its construction contractor(s) shall immediately stop work in the area affected and report the condition to the DISTRICT and CITY in writing. The work in the affected area shall not thereafter be resumed except by written agreement of the DISTRICT, CITY, and DEVELOPER, if in fact the material is asbestos or polychlorinated biphenyl (PCB) and has not been rendered harmless. The work in the affected area shall be resumed in the absence of asbestos or polychlorinated biphenyl (PCB), or when it has been rendered harmless, by written agreement of the DISTRICT, CITY, and DEVELOPER.

DEVELOPER or its construction contractor(s) shall not be required to perform without consent any work relating to asbestos or polychlorinated biphenyl (PCB).

F. General Insurance Provisions – All Lines:

- i. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating of not less than an A: VIII (A: 8) unless such requirements are waived, in writing, by the DISTRICT Risk Manager and CITY. If the DISTRICT's Risk Manager and CITY waive a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

Exhibit C

- ii. DEVELOPER must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the DISTRICT Risk Manager and CITY before the commencement of operations under this Agreement. Upon notification of self-insured retention deemed unacceptable to DISTRICT or CITY and at the election of CITY or the DISTRICT's Risk Manager, DEVELOPER's carriers shall either: 1) reduce or eliminate such self-insured retention with respect to this Agreement with DISTRICT; or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- iii. DEVELOPER shall cause their insurance carrier(s) or its contractor's insurance carrier(s), to furnish DISTRICT and CITY with 1) a properly executed original certificate(s) of insurance and certified original copies of endorsements effecting coverage as required herein; and 2) if requested to do so orally or in writing by CITY or the DISTRICT Risk Manager, provide original certified copies of policies including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to DISTRICT and CITY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If DEVELOPER insurance carrier(s) policies does not meet the minimum notice requirement found herein, DEVELOPER shall cause DEVELOPER's insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.
- iv. In the event of a material modification, cancellation, expiration or reduction in coverage, this Agreement shall terminate forthwith, unless DISTRICT and CITY receive, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto, evidencing coverages set forth herein and the insurance required herein is in full force and effect. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.
- v. It is understood and agreed by the parties hereto that DEVELOPER's insurance shall be construed as primary insurance, and DISTRICT's and

Exhibit C

CITY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

- vi. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or the term of this Agreement, including any extensions thereof, exceeds five (5) years, DISTRICT and CITY reserve the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein, if, in CITY's or the DISTRICT Risk Manager's reasonable judgment, the amount or type of insurance carried by DEVELOPER has become inadequate.
- vii. DEVELOPER shall pass down the insurance obligations contained herein to all tiers of contractors and subcontractors working under this Agreement.
- viii. The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to DISTRICT and CITY.
- ix. DEVELOPER agrees to notify DISTRICT and CITY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

DEVELOPER hereby agrees to waive rights of subrogation which any insurer of DEVELOPER may acquire from DEVELOPER by virtue of the payment of any loss. DEVELOPER agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the CITY or DISTRICT has received a waiver of subrogation endorsement from the insurer. However, the Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the County of Riverside, CITY, and the Riverside County Flood Control and Water Conservation District for all work performed by the DEVELOPER, its employees, agents, contractors and subcontractors.

The insurance required by this section must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective, or start of work date, the DEVELOPER must purchase extended reporting period coverage for a minimum of five (5) years after completion of contract work.

4. If applicable, DISTRICT shall request CITY review any requested Irrevocable Offer(s) of Dedication in connection with PROJECT and accept any such Irrevocable Offers of Dedication on behalf of DISTRICT. In the same action, CITY shall immediately

convey the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication to DISTRICT via quitclaim or other similar conveyance document, which shall be prepared by DISTRICT. DISTRICT shall be deemed to have accepted the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication upon the recordation of the conveyance document. If applicable, DISTRICT shall then record or cause to be recorded, the Irrevocable Offer(s) of Dedication pursuant to Section I.10. Neither this Section nor Section I.10 restricts CITY's ability to require any other lawful Irrevocable Offer(s) of Dedication from DEVELOPER.

5. Inspect construction of DISTRICT FACILITIES.

6. Keep an accurate accounting of all DISTRICT costs associated with the review and approval of IMPROVEMENT PLANS, the review and approval of right of way and conveyance documents, and the processing and administration of this Agreement.

If the deposit as set forth in Section I.3 exceeds such costs, DISTRICT shall reimburse DEVELOPER the excess amount within sixty (60) calendar days after DISTRICT acceptance of DISTRICT FACILITIES as being complete.

8. Prior to DISTRICT acceptance of ownership and responsibility for the operation and maintenance of DISTRICT FACILITIES, DISTRICT FACILITIES shall be in a satisfactorily maintained condition as solely determined by DISTRICT. If, subsequent to the inspection and in the sole discretion of DISTRICT, DISTRICT FACILITIES or PROJECT are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

FACILITIES construction as being complete in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS, (iii) DISTRICT receipt of stamped and signed RECORD DRAWINGS of PROJECT plans, as set forth in Section I.25, (iv) DISTRICT acceptance of all rights of way as deemed necessary by DISTRICT and CITY for the ownership, operation, and maintenance of DISTRICT FACILITIES and APPURTENANCES, (v) DISTRICT receipt of the related policies of title insurance, as set forth in Section I.22, (vi) CITY acceptance of APPURTENANCES for ownership, operation, and maintenance, and (vii) DISTRICT's sole determination that DISTRICT FACILITIES are in a satisfactorily maintained condition. 10. Provide CITY with a reproducible duplicate copy of the RECORD DRAWINGS of PROJECT plans within ten (10) calendar days of receipt.

11. In the event CITY wishes to utilize DISTRICT construction inspection, materials testing and construction survey services, and CITY provides DISTRICT with a written request for such services under Section III.3, DISTRICT shall provide a timely response whether or not they have the resources to perform such services. If DISTRICT wishes to provide such services, DISTRICT shall provide all necessary construction inspection, materials testing and construction survey services for PROJECT and assist CITY as needed with the administration of PROJECT construction contract. DISTRICT hereby agrees to pay all DISTRICT costs associated with the inspection of PROJECT construction, as set forth herein.

SECTION III

CITY shall:

1. Review and approve IMPROVEMENT PLANS prior to the start of PROJECT construction.

2. Accept CITY and DISTRICT approved faithful performance and payment bonds submitted by DEVELOPER as set forth in Section I.7, and hold said bonds as provided herein.

3. Inspect PROJECT construction or cause PROJECT construction to be inspected by its construction manager, to be reimbursed by DEVELOPER. In the event CITY wishes to utilize DISTRICT construction inspection, materials testing and construction survey services, CITY shall provide DISTRICT with a written request (Attn: Construction Management Section) for such services pursuant to Section II.11.

4. Upon request by DISTRICT, CITY shall review any requested Irrevocable Offer(s) of Dedication in connection with the PROJECT and accept any such Irrevocable Offers of Dedication on behalf of DISTRICT. In the same action, CITY shall immediately convey the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication to DISTRICT via quitclaim or other similar conveyance document, which shall be prepared by DISTRICT. DISTRICT shall be deemed to have accepted the property interest(s) associated with the requested Irrevocable Offer(s) of Dedication upon the recordation of the conveyance document.

5. Grant DISTRICT, by execution of this Agreement, the right to inspect, operate and maintain DISTRICT FACILITIES within CITY rights of way, provided DISTRICT (including its employees, supervisors, agents, contractors and anyone else operating under their direction) exercises such right(s) in a safe and reasonable manner that does not adversely impact public health and safety.

6. Accept ownership and sole responsibility for the operation and maintenance of APPURTENANCES upon (i) DISTRICT acceptance of DISTRICT FACILITIES for ownership, operation and maintenance, (ii) CITY inspection of PROJECT in accordance with Section I.20, (iii) CITY and DISTRICT acceptance of PROJECT construction as being complete

in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS, (iv) CITY receipt of signed reproducible duplicate copy of RECORD DRAWINGS of PROJECT plans, as set forth in Section II.10, (v) CITY acceptance of all rights of way as deemed necessary by DISTRICT and CITY for the ownership, operation, and maintenance of DISTRICT FACILITIES and APPURTENANCES, and the (vi) CITY's sole determination that PROJECT is in a satisfactorily maintained condition. In addition to the foregoing, CITY's acceptance under this section shall not be effective until DISTRICT's acceptance of DISTRICT FACILITIES under Section II, above. As such, until DISTRICT accepts DISTRICT FACILITIES, the ownership and maintenance obligations regarding APPURTENANCES shall be the sole responsibility of DEVELOPER.

7. Release occupancy permits in accordance with the approved conditions of approval.

8. Notwithstanding any of the foregoing, prior to accepting ownership of APPURTENANCES, PROJECT shall be in a satisfactorily maintained condition as solely determined by CITY. If, subsequent to the inspection and, in the sole discretion of CITY, APPURTENANCES are not in an acceptable condition, corrections shall be made at sole expense of DEVELOPER.

9. Upon DISTRICT and CITY acceptance of PROJECT construction as being complete, accept sole responsibility for the adjustment of all PROJECT manhole rings and covers located within CITY rights of way which must be performed at such time(s) that the finished grade along and above the underground portion of DISTRICT FACILITIES is improved, repaired, replaced or changed. It being further understood and agreed that any such adjustments shall be performed at no cost to DISTRICT.

SECTION IV

It is further mutually agreed by Parties hereto that:

1. All work involved with PROJECT shall be inspected by DISTRICT and CITY, and shall not be deemed complete until DISTRICT and CITY mutually agree in writing that construction of PROJECT is completed in accordance with DISTRICT and CITY approved IMPROVEMENT PLANS.

2. CITY and DEVELOPER personnel may observe and inspect all work being done on PROJECT but shall provide any comments to DISTRICT personnel who shall be solely responsible for all quality control communications with DEVELOPER's contractor(s) during the construction of PROJECT. Prior to any communication with DEVELOPER under this Section, DISTRICT and CITY personnel shall meet and confer and agree to all communications conveyed to DEVELOPER. If DISTRICT and CITY should disagree as to the content of any particular communication, DISTRICT personnel agree to communicate CITY comments to DEVELOPER in addition to DISTRICT comments.

3. DEVELOPER shall complete construction of PROJECT within twenty-four (24) consecutive months after execution of this Agreement and within three hundred sixty-five (365) consecutive calendar days after commencing work on PROJECT, unless CITY and DISTRICT agree to extend the time to complete construction. It is expressly understood that since time is of the essence in this Agreement, failure of DEVELOPER to perform the work within the agreed upon time shall constitute authority for DISTRICT to perform the remaining work and require DEVELOPER's surety to pay to CITY the penal sum of any and all bonds. In which case, CITY shall subsequently reimburse DISTRICT for DISTRICT costs incurred from the proceeds of any funds received from DEVELOPER's surety to the extent any are received.

4. If DEVELOPER fails to commence construction of PROJECT within nine (9) months after execution of this Agreement, then DISTRICT and CITY reserve the right to withhold issuance of the Notice to Proceed pending a review of the existing site conditions as they exist at the time DEVELOPER provides written notification to DISTRICT and CITY of the

start of construction as set forth in Section I.8. In the event of a change in the existing site conditions that materially affects PROJECT function or DISTRICT ability to operate and maintain DISTRICT FACILITIES or CITY ability to operate and maintain APPURTENANCES, DISTRICT or CITY may require DEVELOPER to modify IMPROVEMENT PLANS as deemed necessary by DISTRICT or CITY. Under no circumstances shall either DISTRICT or CITY be allowed to modify the IMPROVEMENT PLANS without the consent of the other.

5. DISTRICT and CITY shall endeavor to issue DEVELOPER a Notice to Proceed within twenty (20) calendar days of receipt of DEVELOPER's complete written notice as set forth in Section I.8; however, DISTRICT and CITY construction inspection staff is limited and, therefore, the issuance of a Notice to Proceed is subject to staff availability.

In the event DEVELOPER wishes to expedite issuance of the Notice(s) to Proceed, DEVELOPER may elect to furnish an independent qualified construction inspector at DEVELOPER's sole cost and expense. DEVELOPER shall furnish appropriate documentation of the individual's credentials and experience to DISTRICT and CITY for review and, if appropriate, approval as determined by DISTRICT and CITY in their reasonable discretion. DISTRICT and CITY shall review the individual's qualifications and experience and, upon approval by DISTRICT and CITY, said individual, hereinafter called "DEPUTY INSPECTOR", shall be authorized to act on DISTRICT and CITY behalf on all PROJECT construction and quality control matters. If DEVELOPER's initial construction inspection deposit furnished pursuant to Section I.3. exceeds Ten Thousand Dollars (\$10,000), DISTRICT shall refund to DEVELOPER up to eighty percent (80%) of DEVELOPER's initial inspection deposit within forty-five (45) calendar days of DISTRICT approval of DEPUTY INSPECTOR; however, a minimum balance of Ten Thousand Dollars (\$10,000) shall be retained on account.

6. PROJECT construction work shall be on a five (5) day, forty (40) hour work week with no work on Saturdays, Sundays or DISTRICT or CITY designated legal holidays,

unless otherwise approved in writing by DISTRICT and CITY. If DEVELOPER feels it is necessary to work more than the normal forty (40) hour work week or on holidays, DEVELOPER shall make a written request for permission to DISTRICT and CITY to work the additional hours. The request shall be submitted to DISTRICT and CITY at least seventy-two (72) hours prior to the requested additional work hours and state the reasons for the overtime and the specific time frames required. The decision of granting permission for overtime work shall be made by DISTRICT and CITY, whose respective decisions can be given at their sole discretion and shall be final. If permission is granted by DISTRICT and CITY, DEVELOPER will be charged the cost incurred at the overtime rates for additional inspection time required in connection with the overtime work in accordance with Ordinance Nos. 671 and 749, including any amendments thereto, of the County of Riverside, as well as CITY applicable fee schedule and/or other related ordinance or regulation. Notwithstanding the foregoing, should DISTRICT agree to provide inspection and management services to CITY pursuant to a request by CITY under Section II.11 and Section III.3, above, CITY can also agree to not require its consent under this section.

7. INDEMNIFICATION OBLIGATIONS:

- i. DEVELOPER INDEMNIFICATION OF DISTRICT AND COUNTY OF RIVERSIDE. DEVELOPER shall indemnify and hold harmless DISTRICT and County of Riverside including their Agencies, Districts, Special Districts and Departments, their respective directors, officers, Board of Supervisors, elected and appointed officials, employees, agents and representatives (individually and collectively hereinafter referred to as "DISTRICT INDEMNITEES") from any liability whatsoever, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to DEVELOPER's (including its officers, employees, contractors,

subcontractors and agents) actual or alleged acts or omissions related to this Agreement, performance under this Agreement or failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT or (d) any other element of any kind or nature whatsoever arising from the performance of DEVELOPER, its officers, employees, contractors, subcontractors, agents or representatives ("INDEMNITORS") from this Agreement.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards), DISTRICT INDEMNITEES in any claim, proceeding or action for which indemnification is required. With respect to any action or claim subject to indemnification herein by DEVELOPER, DEVELOPER shall, at its sole cost, have the right to use counsel of their own choice and shall have the right to adjust, settle, compromise any such claim, proceeding or action without the prior consent of DISTRICT and the County of Riverside; provided, however, that any such adjustment, settlement or compromise in no manner whatsoever limits or circumscribes DEVELOPER indemnification obligations to DISTRICT INDEMNITEES as set forth herein.

DEVELOPER indemnification obligations hereunder shall be satisfied when DEVELOPER has provided to DISTRICT and County of Riverside the appropriate form of dismissal (or similar document) relieving DISTRICT and County of Riverside from any liability for the claim, proceeding or action involved.

- ii. DEVELOPER INDEMNIFICATION OF CITY. DEVELOPER shall indemnify and hold harmless CITY, including its governing bodies, agencies, districts, councilmembers, special districts and departments, their respective directors, officers, elected and appointed officials, employees, agents and representatives, (individually and collectively "CITY INDEMNITEES") from any liability, claim, damage, proceeding or action, present or future, based upon, arising out of or in any way relating to this Agreement, or DEVELOPER's (including its officers, employees, subcontractors, agents or representatives) actual or alleged acts or omissions related to this Agreement, DEVELOPER performance under this Agreement or DEVELOPER failure to comply with the requirements of this Agreement, including, but not limited to: (a) property damage; (b) bodily injury or death; (c) liability or damage pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution or any other law, ordinance or regulation caused by the diversion of waters from the natural drainage patterns or the discharge of drainage within or from PROJECT or (d) any other element of any kind or nature whatsoever.

DEVELOPER shall defend, at its sole expense, including all costs and fees (including, but not limited to, attorney fees, cost of investigation, defense, and settlements or awards), CITY INDEMNITEES with legal counsel reasonably satisfactory to CITY in any claim proceeding or action for which indemnification is required. If DEVELOPER fails to meet its indemnification obligation, CITY shall have the right, but not the obligation, to do so with counsel of their own choosing, with no right of approval by DEVELOPER and, if it does, DEVELOPER shall promptly pay CITY's full cost thereof, with payments made at least on a monthly basis.

DEVELOPER indemnification obligations as to CITY INDEMNITEES shall be satisfied when DEVELOPER has provided to CITY a form of dismissal regarding any liability for the claim, proceeding or action involved, and CITY determines that the form of dismissal is adequate in their sole and absolute discretion. Notwithstanding the foregoing, DEVELOPER shall enter into no settlement agreement or final resolution of any pending claim covered under this subsection, without CITY prior written approval.

- iii. Should DISTRICT and CITY fail to agree with the implementation of this Section or if a pending claim pertains to only one of the two Parties, DEVELOPER shall be required to comply with this Section as to DISTRICT and CITY individually.
- iv. The specified insurance limits required in this Agreement shall in no way limit or circumscribe DEVELOPER obligations to indemnify and

hold harmless DISTRICT INDEMNITEES and/or CITY INDEMNITEES from third party claims.

- v. In the event there is conflict between this Section and California Civil Code Section 2782, this Section shall be interpreted to comply with California Civil Code Section 2782. Such interpretation shall not relieve DEVELOPER from indemnifying DISTRICT INDEMNITEES or CITY INDEMNITEES to the fullest extent allowed by law.

8. DEVELOPER for itself, its successors and assigns hereby releases DISTRICT, County of Riverside and CITY (including their agencies, districts, special districts and departments, their respective directors, officer, Board of Supervisors, elected and appointed officials, employees, agents and representatives) from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, including, but not limited to, any claim or liability, based or asserted, pursuant to Article I, Section 19 of the California Constitution, the Fifth Amendment of the United States Constitution, or any other law or ordinance which seeks to impose any other liability or damage, whatsoever, for damage caused by the discharge of drainage within or from PROJECT. Nothing contained herein shall constitute a release by DEVELOPER of DISTRICT, or County of Riverside, or their officers, agents and employees from any and all claims, demands, actions or suits of any kind arising out of any liability, known or unknown, present or future, for the negligent maintenance of DISTRICT FACILITIES, after the acceptance of ownership, operation and maintenance of DISTRICT FACILITIES by DISTRICT.

9. Any waiver by any Party of any breach of any one or more of the terms of this Agreement shall not be construed to be a waiver of any subsequent or other breach of the same or of any other term hereof. Failure on the part of any Party to require exact, full and

complete compliance with any terms of this Agreement shall not be construed as in any manner changing the terms hereof or estopping any Party from enforcement hereof.

10. This Agreement is to be construed in accordance with the laws of the State of California. If any provision in this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall remain in full force and effect without being impaired or invalidated in any way.

14. The rights, obligations and releases (including the indemnification obligations) of DEVELOPER shall inure to and be binding upon all heirs, successors and assignees.

Exhibit B

Exhibit C

DISTRICT's and CITY's Required Insurance are as follows:

Without limiting or diminishing DEVELOPER's obligation to indemnify or hold DISTRICT or CITY harmless, DEVELOPER shall procure and maintain or cause to be maintained, at its sole cost and expense, the following insurance coverages during the term of this Agreement. As respects to the insurance section only, the DISTRICT herein refers to the Riverside County Flood Control and Water Conservation District, the County of Riverside, its Agencies, Districts, Special Districts, and Departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as Additional Insureds.

A. Workers' Compensation:

If DEVELOPER has employees as defined by the State of California, DEVELOPER shall maintain statutory Workers' Compensation Insurance (Coverage A) as prescribed by the laws of the State of California. Policy shall include Employers' Liability (Coverage B) including Occupational Disease with limits not less than \$1,000,000 per person per accident. Policy shall be endorsed to waive subrogation in favor of the Riverside County Flood Control and Water Conservation District, the County of Riverside, and CITY.

B. Commercial General Liability:

Commercial General Liability insurance coverage, including but not limited to, premises liability, unmodified contractual liability, products and completed operations liability, personal and advertising injury and cross liability coverage, covering claims which may arise from or out of DEVELOPER's performance of its obligations hereunder. Additionally, Commercial General Liability insurance no less broad than ISO form CG 00 01. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds. Policy's limit of liability shall not be less than \$5,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. DISTRICT and CITY must be an additional insured for liability arising out of ongoing and completed operations by or on behalf of DEVELOPER. DISTRICT and CITY shall continue to be an additional insured for completed operations for two years after completion of the work. If DEVELOPER maintains higher limits than the specified minimum limits, DISTRICT and CITY require and shall be entitled to coverage for the higher limits maintained by DEVELOPER.

Exhibit C

C. Vehicle Liability:

If vehicles or mobile equipment are used in the performance of the obligations under this Agreement, then DEVELOPER shall maintain liability insurance for all owned, non-owned or hired vehicles so used in an amount not less than \$1,000,000 per occurrence combined single limit. If such insurance contains a general aggregate limit, it shall apply separately to this Agreement or be no less than two (2) times the occurrence limit. Policy shall name DISTRICT and CITY and its agencies, districts, special districts and departments, their respective directors, officers, Board of Supervisors, employees, elected or appointed officials, agents or representatives as additional insureds.

D. Professional Liability:

DEVELOPER shall cause any architect or engineer retained by DEVELOPER in connection with the performance of DEVELOPER's obligations under this Agreement to maintain Professional Liability Insurance providing coverage for the performance of their work included within this Agreement, with a limit of liability of not less than \$2,000,000 per occurrence and \$4,000,000 annual aggregate. DEVELOPER shall require that, if such Professional Liability Insurance is written on a claims made basis rather than an occurrence basis, such insurance shall continue through the term of this Agreement and that such architect or engineer shall purchase at such architect or engineer's sole expense either 1) an Extended Reporting Endorsement (also known as Tail Coverage); or 2) Prior Dates Coverage from a new insurer with a retroactive date back to the date of, or prior to the inception of this Agreement; or 3) demonstrate through Certificates of Insurance that such architect or engineer has maintained continuous coverage with the same or original insurer. Coverage provided under items: 1), 2) or 3) shall continue for the term specified in the insurance policy, which shall be reasonably acceptable to DISTRICT and CITY.

E. Pollution and Asbestos Liability:

DEVELOPER or its construction contractor(s) shall obtain, at its sole expense and keep in effect during the term of the contract, Pollution Legal Liability and/or Asbestos Legal Liability and/or Errors and Omissions (if project involves environmental hazards) covering DEVELOPER's or its construction contractor(s) liability for a third party bodily injury and property damage arising from pollution conditions caused by the DEVELOPER or its construction contractor(s) while performing their operations under the contract. The insurance coverage shall apply to sudden and accidental pollution events. Any coverage restriction as to time limit for discovery of a pollution incident and/or a time limit for notice to

Exhibit C

the insurer must be accepted by the DISTRICT and CITY. The insurance coverage shall also respond to cleanup cost. This coverage may be written in combination with the commercial general liability insurance or professional liability insurance.

DEVELOPER or its construction contractor(s) shall maintain Pollution Legal Liability and/or Asbestos Legal Liability and/or Errors and Omissions with limits no less than \$1,000,000 per occurrence or claim, and \$2,000,000 policy aggregate. The policy shall be endorsed to state that the general aggregate limit of liability shall apply separately to this contract. Any self-insured retention/deductible amount shall be submitted to the DISTRICT and CITY for review and approval. If DEVELOPER or its construction contractor(s) maintains broader coverage and/or higher limits than the minimums shown above, the DISTRICT and CITY require and shall be entitled to the broader coverage and/or higher limits maintained by DEVELOPER or its construction contractor(s). Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the DISTRICT and CITY.

In the event, DEVELOPER or its construction contractor(s) encounters materials on the site that is believed to be asbestos or polychlorinated biphenyl (PCB) which has not been rendered harmless, DEVELOPER or its construction contractor(s) shall immediately stop work in the area affected and report the condition to the DISTRICT and CITY in writing. The work in the affected area shall not thereafter be resumed except by written agreement of the DISTRICT, CITY, and DEVELOPER, if in fact the material is asbestos or polychlorinated biphenyl (PCB) and has not been rendered harmless. The work in the affected area shall be resumed in the absence of asbestos or polychlorinated biphenyl (PCB), or when it has been rendered harmless, by written agreement of the DISTRICT, CITY, and DEVELOPER.

DEVELOPER or its construction contractor(s) shall not be required to perform without consent any work relating to asbestos or polychlorinated biphenyl (PCB).

F. General Insurance Provisions – All Lines:

- i. Any insurance carrier providing insurance coverage hereunder shall be admitted to the State of California and have an A.M. BEST rating of not less than an A: VIII (A: 8) unless such requirements are waived, in writing, by the DISTRICT Risk Manager and CITY. If the DISTRICT's Risk Manager and CITY waive a requirement for a particular insurer such waiver is only valid for that specific insurer and only for one policy term.

Exhibit C

- ii. DEVELOPER must declare its insurance self-insured retention for each coverage required herein. If any such self-insured retention exceeds \$500,000 per occurrence each such retention shall have the prior written consent of the DISTRICT Risk Manager and CITY before the commencement of operations under this Agreement. Upon notification of self-insured retention deemed unacceptable to DISTRICT or CITY and at the election of CITY or the DISTRICT's Risk Manager, DEVELOPER's carriers shall either: 1) reduce or eliminate such self-insured retention with respect to this Agreement with DISTRICT; or 2) procure a bond which guarantees payment of losses and related investigations, claims administration, and defense costs and expenses.
- iii. DEVELOPER shall cause their insurance carrier(s) or its contractor's insurance carrier(s), to furnish DISTRICT and CITY with 1) a properly executed original certificate(s) of insurance and certified original copies of endorsements effecting coverage as required herein; and 2) if requested to do so orally or in writing by CITY or the DISTRICT Risk Manager, provide original certified copies of policies including all endorsements and all attachments thereto, showing such insurance is in full force and effect. Further, said certificate(s) and policies of insurance shall contain the covenant of the insurance carrier(s) that a minimum of thirty (30) days written notice shall be given to DISTRICT and CITY prior to any material modification, cancellation, expiration or reduction in coverage of such insurance. If DEVELOPER insurance carrier(s) policies does not meet the minimum notice requirement found herein, DEVELOPER shall cause DEVELOPER's insurance carrier(s) to furnish a 30 day Notice of Cancellation Endorsement.
- iv. In the event of a material modification, cancellation, expiration or reduction in coverage, this Agreement shall terminate forthwith, unless DISTRICT and CITY receive, prior to such effective date, another properly executed original certificate of insurance and original copies of endorsements or certified original policies, including all endorsements and attachments thereto, evidencing coverages set forth herein and the insurance required herein is in full force and effect. An individual authorized by the insurance carrier to do so on its behalf shall sign the original endorsements for each policy and the certificate of insurance.
- v. It is understood and agreed by the parties hereto that DEVELOPER's insurance shall be construed as primary insurance, and DISTRICT's and

Exhibit C

CITY's insurance and/or deductibles and/or self-insured retentions or self-insured programs shall not be construed as contributory.

- vi. If, during the term of this Agreement or any extension thereof, there is a material change in the scope of services or there is a material change in the equipment to be used in the performance of the scope of work which will add additional exposures (such as the use of aircraft, watercraft, cranes, etc.); or the term of this Agreement, including any extensions thereof, exceeds five (5) years, DISTRICT and CITY reserve the right to adjust the types of insurance required under this Agreement and the monetary limits of liability for the insurance coverages currently required herein, if, in CITY's or the DISTRICT Risk Manager's reasonable judgment, the amount or type of insurance carried by DEVELOPER has become inadequate.
- vii. DEVELOPER shall pass down the insurance obligations contained herein to all tiers of contractors and subcontractors working under this Agreement.
- viii. The insurance requirements contained in this Agreement may be met with a program(s) of self-insurance acceptable to DISTRICT and CITY.
- ix. DEVELOPER agrees to notify DISTRICT and CITY of any claim by a third party or any incident or event that may give rise to a claim arising from the performance of this Agreement.

DEVELOPER hereby agrees to waive rights of subrogation which any insurer of DEVELOPER may acquire from DEVELOPER by virtue of the payment of any loss. DEVELOPER agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the CITY or DISTRICT has received a waiver of subrogation endorsement from the insurer. However, the Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the County of Riverside, CITY, and the Riverside County Flood Control and Water Conservation District for all work performed by the DEVELOPER, its employees, agents, contractors and subcontractors.

The insurance required by this section must be maintained and evidence of insurance must be provided for at least five (5) years after completion of contract work. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a retroactive date prior to the contract effective, or start of work date, the DEVELOPER must purchase extended reporting period coverage for a minimum of five (5) years after completion of contract work.
