(2) For allocations in this section that include a designated state entity, the entity shall allocate the funds to the recipients identified in the paragraphs following each designation. The state entity shall determine the best method for allocation to ensure the funds are used for the purposes specified in this section. Self-attestation by the receiving entity is an acceptable method of verification of the use of funds, if determined appropriate by the state entity.

(3) Notwithstanding any other law, allocations pursuant to this section are exempt from the personal services contracting requirements of Article 4 (commencing with Section 19130) of Chapter 5 of Part 2 of Division 5 of Title 2 of the Government Code, from Part 2 (commencing with Section 10100) of Division 2 of the Public Contract Code, and the State Contracting Manual, and are not subject to the approval of the Department of General Services, including the requirements of Chapter 6 (commencing with Section 14825) of Part 5.5 of Division 3 of the Title 2 of the Government Code.

(4) If an item number for the appropriate department for a state entity does not exist, and such an item number is required in order to make the specified allocations, the Department of Finance may create an item number for this purpose.

(6) The Department of Finance may authorize the transfer of allocating authority to a different state entity to facilitate the expenditure of the funds for the intended legislative purpose. Any state entity that allocates funds may also, in consultation with the Department of Finance, use an alternative local fiscal agent that is not identified in this section instead of the fiscal agent designated in this section if necessary to achieve the intended legislative purpose. Any change to the allocating state entity or fiscal agent made pursuant to this paragraph shall be reported to the Joint Legislative Budget Committee in writing at least 30 days, or no sooner than whatever lesser time after that notification the chairperson of the joint committee, or the chairperson's designee, may determine, prior to the change. It is the intent of the Legislature to revise this section during the 2022-23 fiscal year to reflect any changes necessary to achieve the intended legislative purpose.

(8) Funding provided in this section shall not be used for a purpose subject to Section 8 of the Article XVI of California Constitution. If the Department of Finance determines that any allocation would be considered an appropriation for that purpose, the funding shall not be allocated, and the department shall notify the Joint Legislative Budget Committee of that finding.
