BACKGROUND:

Summary

In 1990, the California State Legislature enacted legislation allowing for the creation of county-based vehicle abatement service authorities, pursuant to the provisions of Vehicle Code section 22710. In June 1994 the Riverside County Abandoned Vehicle Abatement (AVA) Service Authority was formed and imposed a one-dollar annual vehicle registration fee on vehicles registered to an owner with an address in the County of Riverside.

Vehicle registration fees are collected by the Department of Motor Vehicles and allocated to the Riverside County AVA Service Authority by the State Controller pursuant to Vehicle Code section 9250.7. Fees are allocated to twenty-four (24) participating entities based on the size and population of each entity in relation to the total size and population of Riverside County ("County") and based on a percentage of vehicles abated by each entity in relation to the total vehicles abated by the Riverside County AVA Service Authority as a whole. The participating 24 entities of the Riverside County AVA Authority are listed under Attachment B.

Since the inception of the program in 1994, the Riverside County AVA Service Authority has received approximately \$35.1 million, which has allowed local jurisdictions in incorporated areas to abate approximately 189,776 abandoned, wrecked, dismantled, or inoperable vehicles. During the same reporting period, the unincorporated area of Riverside County has received approximately \$12.3 million, which has allowed County Code Enforcement staff to abate approximately 54,815 vehicles.

The current Riverside County AVA Service Authority program is scheduled to expire in May of 2024. Pursuant to Section 9250.7(g) of the Vehicle Code (added by Senate Bill 106 (SB 106), chaptered on August 13, 2001) local agencies may extend the AVA Service Authority program every 10 years with the approval from the County and most of the cities comprising the majority of the population of the incorporated areas. 24 cities making up most of the population within the incorporated areas within the County have already adopted their respective resolutions approving the 10-year extension of the program. Adoption of the County resolution (Attachment A) is the final step prior to submitting the Service Authority extension package to the California Highway Patrol for their review and approval.

**SUBMITTAL TO THE BOARD OF SUPERVISORS COUNTY OF RIVERSIDE,
STATE OF CALIFORNIA**

Vehicle registration fees are collected and disbursed to the Riverside County AVA Authority. Riverside County Code Enforcement is the Administrator of the program and the fiscal year cost for administration of the AVA Program are deducted from these fees on a quarterly basis.

California Vehicle Code section 9250.7(g) requires the Board of Supervisors of the County, by a two-thirds vote (4/5's), and a majority of the cities to adopt resolutions that said legislative body does hereby approve the extension of the service fee collected on behalf of the Riverside County AVA Service Authority until May 31, 2034.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AUTHORIZING THE EXTENSION OF THE SERVICE FEE COLLECTED ON BEHALF OF THE RIVERSIDE COUNTY ABANDONED VEHICLE ABATEMENT SERVICE AUTHORITY UNTIL MAY 31, 2034.

WHEREAS, the Riverside County Abandoned Vehicle Abatement Service Authority was formed on or about June 1, 1994, pursuant to the provisions of California Vehicle Code §§ 9250.7 and 22710 enacted by the Legislature in 1990 which authorize the establishment of a service authority and imposition of a service fee on all registered motor vehicles located within a county; and

WHEREAS, beginning in June 1994 and continuing to the present, the Riverside County Abandoned Vehicle Abatement Service Authority has been the recipient of service fees collected on its behalf by the California Department of Motor Vehicles; and

WHEREAS, the service fees received by the Riverside County Abandoned Vehicle Abatement Service Authority are used to reimburse local governmental agencies for a portion of their costs incurred as a result of the abatement, removal and disposal as public nuisances of any abandoned, wrecked, dismantled, or inoperative vehicles or parts thereof; and

WHEREAS, the Riverside County Abandoned Vehicle Abatement Service Authority apportions and distributes service fee proceeds to each member agency according to the formula set forth in California Vehicle Code §§ 22710; and

WHEREAS, since the establishment of the Abandoned Vehicle Abatement program in June 1994, it has disbursed \$35,128,331 in service fee proceeds to member agencies and caused the abatement of approximately 189,776 abandoned, wrecked, dismantled, or inoperative vehicles located in various cities and the unincorporated area of Riverside County; and

WHEREAS, the service fee collected as part of the Abandoned Vehicle Abatement Service Authority program is set to expire on May 31, 2024; and

WHEREAS, California Vehicle Code § 9250.7 authorizes an extension of the service fee collected as part of the Abandoned Vehicle Abatement program in increments of up to 10 years each if the board of supervisors of the county, by a two-thirds vote, and a majority of the cities comprising a majority of the population of the incorporated areas within the county adopt resolutions providing for the extension of the service fee; and

WHEREAS, the City of Corona desires to have the Abandoned Vehicle Abatement program continue beyond its current termination date of May 31, 2024.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF CORONA, CALIFORNIA, AS FOLLOWS:

SECTION 1. Incorporation of Recitals. The foregoing recitals are true and correct and are incorporated herein and made an operative part of this Resolution.

SECTION 2. CEQA. The City Council hereby finds that this action is exempt pursuant to Section 15061(b)(3) of the Guidelines for the California Environmental Quality Act (CEQA), which states that a project is exempt from CEQA if the activity is covered by the common sense exemption that CEQA applies only to projects that have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. This action merely extends a fee to be collected upon the registration of vehicles to be used for the abatement of abandoned vehicles in the County of Riverside, and there is no possibility that adopting this Resolution will have a significant effect on the environment. Therefore, no environmental analysis is required.

SECTION 2. Extension of Service Fee. The City Council hereby approves the extension of the service fee collected on behalf of the Riverside County Abandoned Vehicle Abatement Service Authority pursuant to Vehicle Code Section 9250.7 until May 31, 2034.

BOARD RULES

Requests to Address Board on "Agenda" Items:

You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda/Public Comment:

Notwithstanding any other provisions of these rules, a member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES. Donated time is not permitted during Public Comment.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin to flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. *Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.*

Group/Organized Presentations:

Group/organized presentations with more than one (1) speaker will be limited to nine (9) minutes at the Chairman's discretion. The organizer of the presentation will automatically receive the first three (3) minutes, with the remaining six (6) minutes relinquished by other speakers, as requested by them on a completed "Request to Speak" form, and clearly indicated at the bottom of the form.

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman, may result in removal from the Board Chambers by Sheriff Deputies.
