You may request to be heard on a published agenda item. Requests to be heard must be submitted to the Clerk of the Board before the scheduled meeting time.

Requests to Address Board on items that are "NOT" on the Agenda/Public Comment:

Notwithstanding any other provisions of these rules, a member of the public shall have the right to address the Board during the mid-morning "Oral Communications" segment of the published agenda. Said purpose for address must pertain to issues which are under the direct jurisdiction of the Board of Supervisors. YOUR TIME WILL BE LIMITED TO THREE (3) MINUTES. Donated time is not permitted during Public Comment.

Power Point Presentations/Printed Material:

Speakers who intend to conduct a formalized Power Point presentation or provide printed material must notify the Clerk of the Board's Office by 12 noon on the Monday preceding the Tuesday Board meeting, insuring that the Clerk's Office has sufficient copies of all printed materials and at least one (1) copy of the Power Point CD. Copies of printed material given to the Clerk (by Monday noon deadline) will be provided to each Supervisor. If you have the need to use the overhead "Elmo" projector at the Board meeting, please ensure your material is clear and with proper contrast, notifying the Clerk well ahead of the meeting, of your intent to use the Elmo.

Individual Speaker Limits:

Individual speakers are limited to a maximum of three (3) minutes. Please step up to the podium when the Chairman calls your name and begin speaking immediately. Pull the microphone to your mouth so that the Board, audience, and audio recording system hear you clearly. Once you start speaking, the "green" podium light will light. The "yellow" light will come on when you have one (1) minute remaining. When you have 30 seconds remaining, the "yellow" light will begin to flash, indicating you must quickly wrap up your comments. Your time is up when the "red" light flashes. The Chairman adheres to a strict three (3) minutes per speaker. ***Note: If you intend to give your time to a "Group/Organized Presentation", please state so clearly at the very bottom of the reverse side of this form.***

Group/Organized Presentations:

Addressing the Board & Acknowledgement by Chairman:

The Chairman will determine what order the speakers will address the Board, and will call on all speakers in pairs. The first speaker should immediately step to the podium and begin addressing the Board. The second speaker should take up a position in one of the chamber aisles in order to quickly step up to the podium after the preceding speaker. This is to afford an efficient and timely Board meeting, giving all attendees the opportunity to make their case. Speakers are prohibited from making personal attacks, and/or using coarse, crude, profane or vulgar language while speaking to the Board members, staff, the general public and/or meeting participants. Such behavior, at the discretion of the Board Chairman, may result in removal from the Board Chambers by Sheriff Deputies.

As an immigrant woman and person of faith, I have advocated for immigrants in Riverside County for over 20 years. We, immigrants, are 20% of the population in Riverside, contributing significantly to the economy and multicultural beauty in Riverside County. Yet, I have witnessed many times how immigrants continue to be used as pawns in political aspirations, and in almost every election, politicians use the issue of immigrants as scapegoats, and now Sheriff Bianco is doing so by siding with Florida Governor DeSantis' ongoing attack on our immigrant and refugee community. The abuse of power that is taking place within the Riverside Sherriff's department is deeply concerning to me.

I ask that the County establish an oversight body with subpoena power or establish an office of inspector general utterly independent from the Sheriff's Department and the District Attorney's office.

I live at the corner of East Main Street and Elena Ave. in Highgrove. I have lived here since 1989. We chose Highgrove as our home shortly after our infant daughter had a heart transplant at Loma Linda. My husband was stationed at Norton Air Force Base and I was stationed at March Air Force Base. This seemed like the perfect place to raise our family in a safe quiet neighborhood with a lot of open space for children to play, yet near a city.

I oppose putting higher density housing and any and all commercial businesses in my Highgrove neighborhood.

I fear the air pollution from increased traffic in the area will increase the risk of death for my daughter and all the people in the area with cardiac disease as well as increasing the risk of hypertension and stroke. More traffic will make the air quality in the area even worse than it already is.

Every day the news is filled with reports of armed robbery and shootings at convenience stores, robberies, rapes, and other crimes. It makes no sense to put commercial businesses in this neighborhood. Do not bring this to our quiet neighborhood.

One only has to look to existing commercial businesses to see the homeless encampments and drug paraphernalia and crime they have attracted. Do not bring this to our block. The area children deserve a chance to grow up without being exposed to traffic, drugs, homelessness and violence as they walk to the local elementary school. The elderly deserve to live out their golden years without living in fear for their health and safety.

might and possible receive help. Now I no longer and most others too would fear for their life instead of protection.

One last statement I would like to address is that it's unexplainable, unprofessional to keep families such as mine and hold their autopsies for over 1 yr 1/2.

Because you
Have the right to tell
me that my as his mom/
Next of kin that I was not allowed
to see my son as soon as I
Should've been notified less than
7 hrs before he passed.

For a mother to not be able
to see her son fresh as he
could be to feel his natural
body before being embalmed
and looking fake for over a week
later was totally heartbreaking

among many others that
weren't even notified or had to
wait longer.

If we all weren't able
to identify our loved ones
then we must demand all
video/photo footage from
4 hrs up to after they passed

I'm the mother of

I'm here to tell you that

gut wrenching. If all of your
staff/guards were to check

inmates that were so preventable
they would still be with us.
